Stenholm Visits KC

Congressman Charles Stenholm told Knox City Lions Club members and their guests Wednesday of last week that he was pleased to have the opportunity to again be in Knox City and that it didn't seem possible that it had been two years since he was elected Congressman of the 17th District. He said he had especially enjoyed running for re-election this year without an opponent. He told guests that his job as congressman in Washington is 'certainly an humbling experience', and although he and his family are enjoying their lives there, they 'will never forget where home is'.

Several expressed appreciation to the congressman for his invaluable help in keeping the USDA Plant Materials Center here.

Following his remarks concerning his role in the nation and problems facing the nation, the honorable Mr. Stenholm asked for questions from the noonday audience.

From there, Congressman Stenholm went to the Knox City High School where junior and senior members of the Civics class had the privilege of attending an assembly in the new gym to hear Mr. Stenholm and also present questions.

Accompanying the congressman and Mr. Longley on their rounds was Stacy Angle, who serves as his coordinator locally.

Congressman Stenholm was scheduled for 17 speeches in seven days before his return to Washington.

KC News Observing Birthday

The Knox County News is celebrating another birthday this week, the ninth one to be exact.

The county's oldest newspaper was established on October 14, 1971, one day before the Munday Courier followed suit.

Both towns, as well as Rochester in Haskell County, were left without newspapers when the former publisher declared voluntary bankruptcy intentions October 13, 1971, for the three weeklies.

Knox City merchants were saddened by the close of the Knox County Herald but were determined to have a paper. A town meeting was called by the Chamber of Commerce where businessmen and women pledged advertising in definite amounts for the time required to set up a new weekly.

The newly-formed Women's Action League took the responsibility of selling subscriptions and Mrs. Myrtle White gave her building rent-free for three months. With the assistance and cooperation of many, the News began with one typewriter, a borrowed typewriter, and lots of faith. Copy was prepared here and carried to the late Roy Craig, publisher of the Stamford American, where composition was done until the News office came up with its own set of just-writers and a headliner.

The News since has acquired a direct input phototypesetter that offers four type styles in eight sizes from six point to 48 point, thus eliminating the need for the headliner. Also, a complete line of office supplies was added after the newspaper started over.

Don't Forget To Turn Clocks Back

Knox City and area residents will join the nation Sunday morning at 2:00 o'clock when clocks will be set back one hour to end daylight savings time for the next six months.

Local WTU Manager Meets With Council

Dick Evatt, West Texas Utilities manager, met with the City Council October 14 to present a request for a rate increase.

The Council passed a resolution suspending the request for 120 days, otherwise, the rate increase would automatically go into effect on November 4. The 120 day period will provide time for review so that the minimum rate increase necessary is awarded the utility company. Other action included agreeing to join other cities, through the Texas Municipal League, in hiring Austin attorney Don Butler as lead counsel and Touche, Ross and Company of Dallas as rate consultant.

Fire Department representatives voiced concern regarding the danger of burning rubbish on one's property or adjacent to one's property. City officials are also concerned with the hazard and strongly discourage burning. Fire Department and city officials advise citizens that they are liable for damages as specified under Title 7, Chapter 28: Section 28.04 of the Texas Criminal Laws Penal Code.

Jerry's Plumbing Relocates Business

Jerry Guinn, owner and operator of Jerry's Plumbing, has purchased the former Smith Liquid Gas building just west of 'M' System, and moved into the new location last weekend.

Jerry began his own plumbing business here in March 1970 at 102 North Second Street and after two years there moved to his former location at 207 Central Avenue.

Jerry and his wife, Peggy, said the new site would offer more office and work space, and are inviting their customers and friends to come by and visit them in their new location.

Judy Lowe, bookkeeper, is assisted by Mary Thomas, who helps part-time. Peggy also assists in the office on Saturday mornings.

Working with Jerry are Felix Valdez and Ralph Gonzales.

Hours are 8:00 a.m. to 5:00 p.m. Monday through Friday

Landfill operations at the site near Benjamin were discussed. The City Council agreed to leave the site open for county use pending an operational agreement between the city and the county. Citizens are reminded that the dump ground adjoining the city limits is no longer in operation.

Oil News

RFB Exploration, Abilene, will drill No. 1 Brownie as a Haskell County wildcat one mile east of Rochester.

The planned 5,000-foot test is located on a 406-acre lease. It spots 467 feet from the north and 2,150 feet from the east lines of Lot 44, Red River CSL Survey 75.

Fisher-Webb Inc., Abilene, staked location for No. 1E, Casey in the Rule, West (Lower Strawn) Field on mile west of Rule.

The planned 6,000-foot venture is located on a 120-acre lease.

Drill site is 1,030 feet from the north and 2,100 feet from the east lines of Section 84, Block 1, H&TC Survey.

EMS Drawing Set Nov. 14

The Knox City Emergency Medical Service has scheduled another fundraising drawing to be held at halftime of Knox City's last home football game, November 14, when the Greyhounds host the Rule Bobcats. The donations received from the drawing will go to purchase new equipment for the ambulance, officials said. With the coming of the new EMT school slated here in January there will be other items needed for the new EMTs, they explained.

Prizes for the drawing may be seen at the local merchants' store where the prizes were purchased. First prize is a McCulloch chain saw, which may be seen at Clonts' Hardware; second prize, a 10-speed bicycle with winner's choice of either a man or woman's bike, may be seen at White's Auto Store; and third prize, a Faberware crock pot, may be seen at City Hardware.

Any person wishing to donate the customary \$1.00 per ticket may contact any of the EMS personnel or contribute at Marion's Mobil Station. Officials said the tickets would be available at the remaining home football games. Persons need not be present to win, they said.

EMS personnel expressed their appreciation to citizens of Knox City and the surrounding area for their continued support of the EMS fundraising activities and said that this indicates that people of this area believe in their community.

Benjamin School Carnival Saturday

The Benjamin School's annual Halloween Carnival has been slated Saturday, October 25, beginning at 6:00 p.m.

Each class will have a booth, along with a food booth, cake walk, games, program and coronation.

'Ours' Whip 'Theirs' In Friday Contest

By DAVID COUNTS

Most Greyhound races last longer than 11 seconds but Friday night that is all the time it took for the Knox City Greyhounds to outrace the Throckmorton Greyhounds on their way to a 36-0 win.

Rickey Gonzales took the opening kickoff and followed his blockers up the center of the field for a 90 yard touchdown. Gonzales then kicked the extra point for a 7-0 lead which was all the points that had to be needed for the Hounds' fourth win in five starts.

Rickey Gonzales set up the Hounds' second touchdown with a 40 yard punt return after the defense had smothered the Throckmorton team. Tim Roberson scored on a nine yard run and Gonzales kicked his second extra point. Score was 14-0.

Jay Rutherford recovered a Throckmorton fumble to set up a 12 yard touchdown run by Ricky Gutierrez for a third touchdown. The kick for the extra point was no good.

In the next Hound offensive series, Glen Hedgecoke carried six times for 66 yards with the last a one yard run for the touchdown. The kick was good. Score was 27-0 as the first quarter ended.

Tim Roberson intercepted a pass just before the half and set up a 35 yard touchdown run that was called back for a penalty.

On the Hounds' first possession after the intermission, Hedgecoke carried for 11 yards and Ricky Gonzales ran 40 yards for a touchdown. Gonzales' kick was good and the score was 34-0.

Exit Knox City Greyhound first team.

Ricky Gutierrez intercepted a Throckmorton pass to set up a forty yard field goal attempt which was just wide.

Throckmorton could only muster two yards in three plays and on fourth down the center snapped the ball over the head of the punter. Chuck Hutchinson and Jeff Reece tackled the punter in the end zone for a two point safety for the Knox City Greyhounds and ended the scoring for the night.

Daniel Alsidis trapped the Throckmorton team for a 12 yard loss and Kevin Leach intercepted a pass to end the game.

As the stats show, the defense did and outstanding job.

The Hounds get the opportunity this Friday night to see what kind of team they have. The Aspermont Hornets have not lost a game, and they will be playing at home. They

have everything to win and nothing to lose.

The setting reminds me of the time when the Greyhounds were motivated to outplay the Haskell Indians. The Greyhounds have been rated higher in the polls all year than the Hornets.

It is easy to get up for a game when you are the underdog. Stamford had great

success last Friday to beat number 1 state ranked Breckenridge.

This will be a great game. Be there to support the Greyhounds. Your support will make a difference. The winner of this game will be in the driver's seat in the race for the district championship. "Another one bites the dust!"

CHIEF'S NOTES

By DAVE THOMPSON
KNOX CITY CHIEF OF POLICE

When a person is placed in a position of being in charge of any type of an organization, he should feel compelled to defend that organization should any such need arise. Recently I have heard some complaints about our Police Department, complaints that I feel are totally unjustified and false. In the following notes I hope I can tear apart some of these false accusations.
Last night (Monday), I had occasion to arrest a man for the offense of Driving While Intoxicated. During the arrest procedure, he complained that he felt that he was being arrested simply because he was Spanish, that this Police Department is prejudice against Spanish people. This is not the first time I have heard this complaint, it usually comes forward whenever we do arrest someone who is of Spanish descent. Since I am the arresting Officer, whenever I hear these complaints, I am usually the target of the prejudicial remarks. My answer to these complaints if very simply stated: BULL!

some very interesting figures that I would like to pass on to you.
Here in Knox City, I have filed a total of 372 complaints with City Judge Walter Rauch. These complaints range from traffic complaints to other offenses such as Public Conduct and Disorderly Conduct, charges that can be kept right here in the City. Of these 372 complaints, there were 145 complaints against people with a Spanish Descent. That is not even half the number of total complaints filed, so I fail to see how I can be prejudiced against the Spanish people of Knox City. It should be further stated that many of these complaints were against the same people over and over, repeat offenders. There were also many filed against Mexican Aliens who did not have a driver's license or who were too intoxicated to control themselves properly here in Knox City.
At the County Jail, my name appears on the booking records of 106 people into the County Jail. Of these 106, 52 were Spanish. Again, not

even half. As with the City Complaints, it should be noted a lot of the people booked into the County Jail were repeat offenders, may were Mexican Aliens who were on their way back to Mexico and awaiting transportation by the Border Patrol.
Enforcing the law is not always a popular job. There are times when we are able to please some people and at the same time, upset others. Everything that we do is required to be documented, and the court records are available for public inspection. These are the same records that I have gone through to obtain the above mentioned figures. In trying to enforce the law here in Knox City, we will not hide what we do. For those who have believed that we do things in a prejudicial manner, I hope that this will help to eliminate those kind of feelings toward us. The facts and figures do not show any prejudicial feelings and I feel confident that our actions do not either.

SENIOR CLASS NEWS
By Kay Howell

The Hounds are playing the Aspermont Hornets this Friday night at Aspermont. The Senior men are asking for everyone's support in this decisive game. We hope to see a large crowd of Hound fans at the game.

Mary Albus and Kay Howell traveled along with the rest of the Houndette volleyball team to Hawley this past Saturday for a volleyball tournament. Although we won consolation, we expect to play much better at the Knox City tournament next Saturday.

Let's get a Hornet, GO HOUNDS!!!

JUNIOR CLASS NEWS
By David Flores

The Junior Class elected favorites for 1980-81. They are Kim Rhodes and Paul Taylor.

The Junior Class sponsored a bake sale and a car wash. This workday was very successful. We, the Junior class, would like to thank Mrs. Keener for helping us.

The Juniors that are in the Beta Club this year are Rance Hacker, Steven Lynn, Missy Whitley, Richard Daniels, Kevin Leach, Patti Durham, Daniel Godsey, and Mindy Hutchinson.

SOPHOMORE CLASS NEWS
By Kristi Boone

Last week, the sophomore class, along with the rest of

the high school, took our nine week tests. We are glad those are over. We will find out our averages Monday.

Also last week, the Sophomore English class began working on a new unit in poetry.

This week we are losing one of our classmates. Bonnie Stewart is moving to Carthage and we are wishing her lots of luck there in everything she does.

FRESHMAN CLASS NEWS
By Greg Skiles

Last week, the Freshman class decorated the halls for the Throckmorton ballgame and also made the run through poster.

The Freshman class has

nominated the Freshman girls who will be running for Miss Merry Christmas. They are Davenie Holcomb, Tanya Averitt, Sarah Jones and Peggie Lee Wupperman.

BAND NEWS
By Mindy Hutchinson

Last Friday night, the band traveled to Throckmorton and during halftime we marched our UIL marching show. There were a few complications due to the distance between yard lines but this week we hope to begin to really polish it up. We are doing a series of counter marches, a drill called telescope, and also a maneuver called a column left. We will soon be adding a fanfare and also a closing exit.

FFA NEWS
By Jeff Reece

Saturday, Mr. Burkham and Mr. Dillon took several of the ag students to the livestock sale in Duncan, Oklahoma. These out of the area sales are important because it adds an outside dimension to our ag program. It shows a lot of different things to the ag student. It

shows that in any particular market the style of the animal depends on what the consumer demands. If the consumer is eating a lot of bacon then the hog people raise longer hogs that have more bacon. As a net result, the livestock producers try to raise animals that will produce the wanted results in that the animal he raises produces what the consumer wants, and also shows how these animals differ from some other animals in the area.

GREEN HAND NEWS
By Nathan Staggs

These past few weeks, our class has been moving pens at the ag farm, cutting pigs and working on our parliamentary procedure contest that will be held November 19. There will also be a quiz on the same day. The parliamentary team consists of Steve Rutherford, Kevin Eaton, Greg Skiles, Chris Whitaker, Junior Grindstaff, Wayne Hutchinson, Nathan Staggs, James Evatt, and Dwayne Watkins.

Houndettes Take VB Consolation Trophy

By Dale Waincott and Steve McIlhane

Last week, the Houndettes won three of four matches they played. Early in the week the team beat Hawley in two matches by scores of 15-8, 15-12, and 15-13, 15-8. Then on Saturday, we traveled to Hawley for a tournament and brought home the consolation trophy. In the first match, the Houndettes were beaten by Moran by a score of 11-15, 13-15. This was a good match with both teams playing good volleyball but errors won the first game by a score of 15-2.

In the second game we just let up and let Hawley get ahead by a score of 13-2. At this point, the girls got down and played tough ball the rest of the way and defeated them 16-14.

Statistical leaders for the week in serving were Mary Albus 29/35, Mindy Hutchinson 40/40, Karae Beason 38/41, Chayo Garcia 30/35, and Kay Howell 20/22. Spiking leaders were Mary Albus 41/44, Mindy Hutchinson 34/40, Diane Helms 12/15, and Karae Beason 9/13. Kay Howell and Chayo Garcia had 56 and 55 sets respectively.

The JV's won two out of three matches and also brought home a consolation trophy. In the regular game, the girls won over Hawley by a score of 15-13, 15-6. But in the tournament, the JV's lost the first match to Hawley 1-15, 15-0, and 12-15. But they came back to beat Eula by a score of 15-13 and 15-6. Kristi

Boone and Marilyn Benson are the serving leaders, Mary Garcia and Sharon Roberson are the setters while Delores Stafford, Angie Quintana and Daveine Holcomb are the leading spikers.

The Houndettes will be hosting an eight-team tournament this Saturday which will include teams from Holliday, Vernon, Windthorst, Crowell, Hamlin, and Hawley. It should be a good tournament with some good power ball played.

Local Women Attend Mesquite Board Meet

Four Knox City women, Lena McGee, Tess Wall, Winifred White, and Marie Reeves attended the Twenty-First Annual Board Meeting and Workshop of the Mesquite District, TFWC, Saturday, October 18, in Albany.

Host clubs for the day-long event were the Albany Study Club and the Bluebonnet Study Club, also of Albany. Chairmen were Mes. Frank Parsons and Monte Mitchell. Theme for the workshop was "Friends Form the Rainbow."

Mrs. L.H. McBride, president, called the meeting to order and various club members participated in the Pledge of Allegiance, the Pledge to Texas Flag, various introductions, presentation of life members, past presidents and guests,

presentation of Mesquite district officers, and the program.

During the business session, the roll call of clubs was answered and the reports of the executive committee, trustee, and treasurer were given.

Mrs. Roy Craig of Stamford, district first vice-president discussed the GFWC, TFWC, Mesquite District Projects and/or Standing Committees and Special Appointments.

Mrs. McGee, assisted by Mrs. White, reported on highlights of the Austin meeting which they recently attended.

Other divisions discussed included conservation, education, public affairs, arts, home life, and international.

Homemakers To Meet Monday

The Knox Prairie Homemakers will meet Monday, October 27, at 7:00 p.m. in the Community Center.

Program leader will be Cheryl Daniel and the program on "Christmas Ideas" will be presented by Carol Schur, electric living consultant for West Texas Utilities. The program will be "Season Sampler 1980" with Christmas packaging, ideas and recipes to be discussed.

Everyone attending will receive a Christmas recipe book and a door prize will also be given away.

ISSUES OF THE EIGHTIES

Jimmy Carter

ABORTION: Believes personally that abortion is wrong, but is against a constitutional amendment which would overturn the Supreme Court decision permitting abortions.

ERA: Strongly supports ERA; determined to "do everything within my power" to ratify the amendment. Has used the White House to further the cause of ERA.

SCHOOL PRAYER: Opposes an amendment on school prayer; cites separation of Church and State; feels it would discriminate against atheists.

HOMOSEXUAL RIGHTS: Supports legislation which would remove homosexuality from a list of "sexual aberrations" for which aliens can be denied immigration. According to a White House staff member, gays "have in the White House a President who is meeting with you and respects you."

DRAFT: Has called for draft registration in response to the Soviet invasion of Afghanistan. Supports drafting of women. Carter believes in the Volunteer Army and sees need to upgrade pay-scale and benefits.

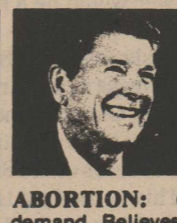

DEFENSE: Opposed B-1 bomber, deferred production of neutron bomb, delayed production of cruise missile, Trident submarine, SSN-688 attack submarine, and Trident missile system. Has now asked for authorization for "rapid deployment force," and a 5% increase in defense spending.

SALT II: Supports the SALT process; feels it is "in our nation's interest," but that because of Soviet presence in Afghanistan is "inappropriate at this time."

ECONOMIC POLICY: Plans to continue his policies of wage and price guidelines, regulatory reform, and restraints on government spending. He does not favor wage and price controls. Carter is now seriously considering a tax cut for 1981.

MIDDLE EAST: Brought about the historic signing of a peace treaty between Egypt and Israel in March 1979 following the Camp David Summit. Does not support West Bank settlements or Palestinian Autonomy.

ENERGY POLICY: "We will never be completely strong at home or secure abroad until we have solved our nation's excessive dependence on foreign oil." Proposes stand-by gas rationing plan, converting electric power plants from oil to coal, development of alternative forms of energy and synthetic fuel. Says we must cut our imports of foreign oil in half by 1990.

Ronald Reagan

ABORTION: Opposes abortion-on-demand. Believes that "interrupting a pregnancy is the taking of a human life and can only be justified in self-defense; that is, if the mother's own life is in danger." Suggests a constitutional amendment banning abortion.

ERA: Opposes ERA: "I do not believe that the ERA is the answer. The amendment would not itself redress inequalities in rights, and, by increasing the courts' legislative power, could do more harm than good."

SCHOOL PRAYER: Proposes an amendment to permit voluntary school prayer. "We are a nation under God." Says people are interpreting freedom of religion to mean freedom from religion.

HOMOSEXUAL RIGHTS: Does not advocate "gay lifestyles." Does not feel that any unique lifestyle should be given favored attention. "An employer should not be subject to special laws (such as 'gay ordinances' passed in some cities) which, in effect, would compel him to hire a person because of that person's sexual preference."

DRAFT: Opposes universal service and the drafting of women. Supports all-volunteer army. "Universal service rests on the assumption that people belong to the state, and are simply statistics to be manipulated by social engineers."

DEFENSE: "Thousands of years of human history have demonstrated that the most effective deterrent to armed conflict is military strength, not weakness." Supports development of B-1 bomber, neutron warhead, and MX missile.

SALT II: Sees it as fatally flawed...more of a strategic arms build-up than an arms limitation...should be shelved and the negotiations should go back to the table.

ECONOMIC POLICY: Tax cuts a priority. Plans to cut taxes by 30% over next 3 years. Hopes to provide substantially less government interference in people's lives. Plans to cut government costs, consolidating some departments and dismantling others, such as the Department of Energy and the Department of Education.

MIDDLE EAST: Strong supporter of Israel. "The crucial element determining the success or failure of American policy is the fate of Israel. Israel is America's natural ally."

ENERGY POLICY: Plans to dismantle the Department of Energy and its allocation rules. By D.O.E.'s own admission, "regulation has compounded any problem arising from imperfect market structures. Allocation formulas were mainly responsible for last summer's gasoline lines."

John Anderson

ABORTION: An opponent of the recently passed Hyde Amendment which gives Congress authority to refuse to federally fund abortions. "As a matter of conscience, I am saddened by the high incidence of unwanted pregnancies." The choice is a matter to be decided by a woman in conjunction with her God and her physician. Poor women should have government assistance to finance abortions.

ERA: Strong supporter. "The ERA is needed to enshrine in the Constitution the moral value judgment that sex discrimination is wrong." Voted against states' right to rescind, for the extension of the ratification deadline.

SCHOOL PRAYER: Anderson voted against school prayer in 1971, and according to his staff, would vote against a school prayer amendment again.

HOMOSEXUAL RIGHTS: Anderson is co-sponsor of H.R. 2074, a bill to amend the Civil Rights Act of 1964 to include homosexuals.

DRAFT: Opposes reinstatement of peacetime draft registration or compulsory service. "I am unalterably opposed to the draft during peacetime in the absence of compelling circumstances. Such circumstances do not exist."

DEFENSE: "Every four years (during presidential elections) there is heightened fear about the Soviets as an excuse to take our minds off domestic problems." Opposes deployment of MX missile. Opposes defense hikes beyond 3%.

SALT II: Strong supporter. Believes SALT process should be continued to include an even more restraining treaty.

ECONOMIC POLICY: Supports holding down government spending, boosting productivity, encouraging personal savings, lessening the burdens of regulation and taxation on business, increasing research and development, and providing meaningful job training and continuing education programs. "Productivity is a vital national issue and should be brought to the forefront of domestic policy. Otherwise, we shall have to accept the resulting economic stagnation."

MIDDLE EAST: Supports an intermediary role for the U.S. without becoming an advocate for either Israel or Egypt.

ENERGY POLICY: Believes that a solution to energy crisis is to increase price of gasoline by fifty cents per gallon. Revenue raised would be redistributed through tax system to the poor and other groups.

Heatly Gives Opinion On Constitutional Amendments

State Representative W.S. (Bill) Heatly has sent the News an article on the Constitutional Amendments to be voted on in the November 4 election.

Mr. Heatly, who explained that he felt that his constituents would like to know his opinion regarding these Amendments, submitted the following:

AMENDMENT NO. 1:
Unmanned Bank Teller Machines
The amendment would permit the legislature to authorize banks to use unmanned teller machines within the county or city in which they are located on a shared basis to serve public convenience.

FOR:
1. Unmanned teller machines allow customers to transact business at convenient location and at any time.

2. Because each bank has the right to share in the use of the machines, a bank will be able to serve a larger area than it currently serves. Competition among banks will increase.

3. The use of unmanned teller machines allow banks to better compete with savings and loan associations, which currently may have more than one business location while banks are restricted to a single location.

AGAINST:
1. The cost of installing a network of unmanned teller machines would be passed on to the consumer.

2. The amendment circumvents the long standing prohibition on branch banking in Texas.

3. The use of unmanned teller machines will let large banks serve the entire community and force smaller banks out of operation.

With reference to the above amendment, I am going to vote against same for the reasons stated above.

AMENDMENT NO. 2:
State's Right of Appeal
A constitutional amendment to grant the state the right of appeal in criminal cases from certain rulings of the trial court.

FOR:
1. Granting the state this limited right of appeal provides the only effective way of testing the constitutionality of certain statutes and the legality of certain pretrial practices.

2. The amendment will provide a criminal defendant with a method of ending criminal action at an early stage if appeal is worthy.

3. Granting the state a right of appeal will eliminate to some extent the tendency of some judges, when in doubt, to rule in favor of the defense to avoid appellate review of their rulings.

AGAINST:
1. The duration of a criminal trial will be substantially lengthened when the state takes an appeal.

2. The caseload for the court of criminal appeals will be significantly increased.

3. I know of my own knowledge that it takes 3 years or longer before you get a case decided by the Court of Criminal Appeals, the reason given is the crowded docket. A person with a sentence of 15 years would have to spend the entire time in the penitentiary before his sentence would become final or be reversed. The Statutes prohibit him

from making Bond. With reference to the above amendment, I am going to vote against it for the reasons listed above.

AMENDMENT NO. 3:
Equalization Board
For Ad Valorem Tax

Proposing a constitutional amendment to require a single appraisal and a single board of equalization within each county for ad valorem tax purposes.

FOR:
1. Single appraisal districts and boards of equalization are needed to fulfill legislative intent in the passage of the Property Tax Code.

2. The creation of single appraisal districts eliminates duplication of property tax administration.

3. Such districts would prevent conflicts in appraisals, thus promoting uniformity and equality.

AGAINST:
1. Preventing county commissioners from direct involvement in property tax administration.

2. Property taxes will probably increase at the county level.

3. I fought for 6 years in the Legislature the Bill that created this monstrosity and now they are wanting it in the Constitution. The school and all other Ad Valorem Taxes will go up tremendously and the local school assumption would go up from the present level to 168 million dollars and this would come from our local school districts. I urge you to vote against it.

I am voting against the above amendment for the reasons stated.

AMENDMENT NO. 4:
Local Charitable Bingo Games

Proposing a constitutional amendment to authorize bingo games for charitable purposes on a local option election basis.

FOR:
1. The charitable purposes for which churches, synagogues, religious societies, and many other organizations engage in bingo are of great benefit to society.

2. The proposed amendment would allow each community to decide whether to permit bingo games.

3. Bingo games provide and opportunity for entertainment, social gatherings and relaxation.

AGAINST:
1. Fraud in bingo games would not be easy to prevent by local law enforcement.

2. Organized crime would become involved in bingo games since profit margins would be as great as in criminal activities.

This amendment would let each community decide whether to permit Bingo games. The other side of the coin is whether it would create fraud and if organized crime would become involved in Bingo games. I do not think this can do too much harm, but use your own judgment. However, I will vote against this amendment.

AMENDMENT No. 5:
Budget Execution

A constitutional amendment authorizing the Legislature to grant budget execution power to the Governor, subject to approval by a budget execution committee.

FOR:
1. Since the Legislature meets every two years in

regular session there is a need for more budget execution authority vested in an elective office.

2. With the approval of a budget execution committee, the chief executive could closely monitor agency expenditures and insure accountability of tax dollars.

AGAINST:
1. Additional controls on spending are not needed in Texas as the citizens' tax burden is among the lowest in the country.

2. Such authority would allow a free-spending governor the ability to increase expenditures, just a frugal one could decrease them.

3. Agencies are managed by appointed or elected boards that are accountable to the people now and there is no need to change a system that is considered to be one of the best in the country.

4. The Governor of the State of Texas now has the veto power on any State appropriation. Sometimes I think that is too much power, but this amendment gives him even more and I urge you to leave the appropriation process as it is. If the Governor wants to cut any spending, all he has to do is cut the figure.

I am extremely opposed to this amendment for the reasons stated above.

AMENDMENT NO. 6:
Removal of Certain Appointed Officials

Proposing a constitutional amendment to authorize the Governor to remove appointed officials with the advise and consent of the Senate; and allowing the Governor to call a special session of the Senate for this purpose.

FOR:
1. Allowing the Governor to remove appointed officers of the State gives the Governor the ability to insure the promotion of his/her policies.

2. This ability would make board members and other appointees more accountable to the needs of an elected official.

AGAINST:
1. Appointees should have the ability to make independent judgements concerning the operations of their agencies, boards and offices.

2. Such an added governing power would be a move away from control by the Legislature, which represents citizens at a district level.

3. The Governor has no need for day-to-day control appointed officers of the State.

4. This is the first time since I have been in the Legislature (26 yrs) that a Governor has requested additional power. I feel that this would be too much power and we need all three branches of the Legislature separate and apart.

I am opposed to this amendment and urge you to vote against it.

AMENDMENT NO. 7:
County Road Work
On Private Roads

Proposing a constitutional amendment relating to the authority of a county to per-

form private road work.

FOR:
1. It is unfeasible to hire a private firm to perform private road work in many remote areas of Texas when the county can do the work at a reasonable charge.

2. Small counties must maintain expensive road construction and maintenance equipment even though not required on a full-time basis. Part of their investment could be regained with the revenue received from private road work.

3. This amendment will benefit rural counties of Texas.

AGAINST:
1. Provisions of the Texas Constitution prohibits the use of public funds for private purposes and public funds would be squandered by this amendment.

2. Counties would be in direct competition with private construction.

With reference to the above amendment, I am voting for it for the reasons stated above.

AMENDMENT NO. 8:
Jurisdiction & Authority of The Court of Civil Appeals

A constitutional amendment to change the names of the Courts of Civil Appeals and the names and qualifications of the Justices of the Supreme Court and to prescribe the jurisdiction and authority of the Appellate Court.

FOR:
1. It is unrealistic to expect only one Criminal Appellate Court in Texas to administer criminal justice that is needed speedily and is a deterrent to crime.

2. The heavy workload of appeals in criminal cases that is presently handled by one Court of Criminal Appeals would be shared by the 14 Regional Courts of Appeal.

3. Appellate Courts with jurisdiction in civil and criminal matters may attract and develop better judges that have benefitted from experience with a variety of legal problems.

4. This amendment would clarify such questions as qualifications of a Justice of the Supreme Court and a vacancy in the Office of Chief Justice.

AGAINST:
1. Our present system is the most efficient system to achieve criminal justice.

2. The addition of a large

number of criminal cases to the civil caseload of the Civil Appeals Courts will create another caseload problem.

3. We passed a Constitutional Amendment in the House of Representatives at one time that created an Intermediate Court of Appeals which would have taken care of this matter. However, the Chief Justice of the Supreme Court opposed it and it was defeated in the Senate. I do not think we should combine the Civil and Criminal Courts. The Civil Court of Appeals is made up of a vast majority of civil attorneys and I think our Criminal Court of Appeals should be made up of criminal attorneys. To put the Criminal Appeals in the Civil Appeals would be a mistake and be injurious to some defendants. Our Criminal Courts are exceptionally busy this day and time and should not be combined.

Being an attorney, I am very interested in the Judiciary section of our government and am opposed to this amendment for the reasons stated above. I urge you to vote against this amendment.

AMENDMENT NO. 9:
Conversion of Marital Community Into Separate Property.

Proposing a constitutional amendment relating to the conversion of marital community property into separate property.

FOR:
1. A system for marital property should provide general rules for determining rights and allow for persons to make alternative property arrangements in their best interest.

2. Benefits derived from property should be owned by the spouse who owns the property.

3. The amendment would reduce the complexity of the process of converting community property to separate property.

AGAINST:
1. The present community property system has served the best interest of the citizens of Texas.

2. The community property system as permitted by the amendment could foster the creation of an entirely different way of settling property matters.

3. As an attorney, I think separate property should be maintained by each spouse and community property maintained as community property. This is more of a common sense judgement to have a prohibition composed of converting community property into separate property. Our Community and Separate Property laws are well established and we should leave will enough alone. I feel it could be injurious to some if we repealed

Burnison Rites Held October 14

Funeral services for Vernal Burnison, 74, were held Tuesday, October 14, in the Gillespie Baptist Church at 3:00 p.m. Officiating was W.P. Dennis, Church of Christ minister of Littlefield. Burial was in the Gillespie Cemetery.

Burnison, a lifelong resident of the Munday-Knox City area, died Sunday, October 12, in the Knox County Hospital after a short illness.

Born November 15, 1905, in Red River County, he came to Knox County with his parents as a child. He married Lorena Dearing on October 4, 1925, in Knox City. He was engaged in farming south-west of Munday for a number of years before he retired a few years ago.

He was a member of the Church of Christ in Munday.

Survivors include his wife; a son, Keith Burnison of Munday; a sister, Mrs. Ed Whittemore of Munday; two grand-children, Jean Hester of Graham and June Salyers of Abilene; and four great-grandchildren.

Pallbearers were J.E. Hunter, Otho Poe, Theodore Poe, John Earl Nelson, Harold Partridge, and Gerald Myers.

this portion of our Constitution.

I urge you to join me in voting against this amendment.

Well let me tell you this last week when a sweet little lady call and ask me to help her out. I went in my old car and I were waiting and look out the back door and sure enough there stood a car I run out the door to look around the car that were there was mine. "Anit that something" HOT DOG.

I thank the person for the compliment on my column and hope he will continue to read and enjoy it. Just one thing they didn't take my column out. I had to quit for a while, Thanks again.

St. Paul had a full day Sunday. Sunday school had a regular attendance. Morning service were very spiritfull in the afternoon St Paul were in Munday for their third Sunday musical every choir were in their place. On Monday af-

ternoon, the ladies held their mission in the home of Mrs. Mary Flye. The lesson were found Matthew 25: 1-13. Subject "Wise and Foolish Women" and taught by the teacher Mrs. Martha Crothers.

Sunday is the ole clock setting back time. Oh boy! More Sleep!

SERVICES OF THE CHURCH OF GOD IN CHRIST

On Tuesday night of last week, a district usher meeting was held at the Rule Church. Overseer Bennett preached that night from Eccles. 9: 10 and Psalms 84: 10, a great message.

On Thursday night, a part of the members from the Knox City Church along with Pastor Bennett and wife attended a church anniversary service in Seymour. Elder

Bennett preached over there also from St. John 2, "Jesus Was There".

Our district missionary, Mrs. Nettie M. Ward, brought the messages for a three night meeting at the Munday Church last week.

On Friday night, she brought the message from Acts 1:4, "Wait On the Lord", a great message.

Sunday school had a good attendance with Supt. Smith in charge.

Minister Tilly preached during the morning service from Acts 1: 5, 8.

The Goree Church held a one day church anniversary over there Sunday evening. Elder George Blue preached over there from Psalms 127: 1 and Hebrews 3: 1, 4.

Missionary Ward, Overseer and Mrs. A.C. Bennett, and Sister Hester Washington were blessed to go to Amarillo on Saturday to attend the Appreciation Service held in behalf of our state supervisor of the Women's Dept, Mrs. B.E. Williams.

SHARING HIS unique birthday cake with participants at the Knox County Senior Citizens Center last Friday was Tom Edd Orsborn whose birthday was Saturday, October 18. The cake was done in Halloween colors and was topped with a haunted house. Tom Edd's mother, Mrs. Madge Orsborn also baked another pecan cake and brought along with the birthday cake.

Boosters Club Meets Tuesday

The Knox City-O'Brien Greyhound Booster Club met Tuesday night in the Ag Building.

Members decided to have the 16mm analyzer adapted to use with the Super 8 projector now being used, as an adapter kit is now available.

The group heard reports on the volleyball team and the upcoming tournament which will be held next Saturday, October 25, in the Knox City Gym.

The group then saw the Jayton-Knox City football film and heard reports on the team and the Throckmorton game.

News Notes from the Brazos Valley Care Home

By Laura Ivie

Sunday morning, October 19, Ozell Stephens taught Acts 28th Chapter. There were 15 present in Sunday School.

Mr. Goodson sang a beautiful song "Blessed Assurance" assisted by Peggy Guinn at the piano.

Sunday was a wonderful day for giving thanks to God. The services and residents proved that. The Foursquare Church was in charge of the Afternoon service. Reverend Stuart Miller brought the message, the subject was a "Fruit Bearing Christian", St. John Chapter 15: 1-7 was read and discussed to the 15 residents attending.

Mrs. Miller sang "My Jesus I Love Thee." It was a very spirit lifting Sunday. Several of our residents watched the revival at the First Baptist Church, and wanted to say how very much they enjoyed it. They said it was wonderful.

Area Garden Meet To Be Nov. 10 at Munday

A one-day District II, Area I Garden Club meeting will be held in the Munday Community Center on Monday, November 10, from 8:30 a.m. to 3:00 p.m.

Parent Advisory To Meet

Parent Advisory Councils for Title I programs in the public schools will have an area wide meeting in Rule on Tuesday, October 28, at 7:30 p.m.

Bill Merkel, migrant director at Region XIV Education Service Center in Abilene, will be directing the program. He will be assisted by Joe Lopez of the Texas Educational Agency.

All members of the Parents Advisory Councils from Haskell, Knox, Jones and Stonewall Counties are urged to be present for this meeting.

The Knox City-O'Brien Parent Advisory will be at Knox City High School at 6:00 p.m. on October 28 and go by bus to Rule. A hamburger supper will be given for the KC members at Casey's Cafe in Rule.

The area meeting director Mrs. R. S. Latham of Munday, and Mrs. Otis Cash of Knox City is the area I registration chairman.

Registration will begin at 8:30 a.m. and a registration fee will take care of the catered noon lunch and other expenses of the meeting, Mrs. Cash said.

The meeting proper will begin at 9:30 and continue with meetings and workshops until 12:00 noon.

At 1:00 p.m. Mrs. C. E. Courtney will present the program, "The Many Faces of Mums."

A door prize drawing will be conducted from 2:00 until 2:30 p.m. The prizes will be furnished by the Munday and Knox City Garden Clubs.

Both garden clubs will arrange tables of baked goods, bazaar articles, plants, or so-called "white elephants" for sale during the meeting.

Knox City members are asked to bring all sales items to the home of Mrs. Otis Cash, club president, at 208 South Second (East).

Knox City members are asked, too, to notify Mrs. Cash if they plan to help with the area meeting.

HOW TO AVOID A PREMATURE DEATH

Medical researchers agree that excessive overeating, drinking and smoking are taking years off many people's lives. Constantly worrying and irregular hours all shorten the lives of many people.

If you can't stop a bad habit, they advise, give your body a chance for longer survival by consulting a physician at least once every year. He will examine your body and if he finds some developing trouble will help you try to correct it. And, you will be more successful if the diagnosis is early, before the problem becomes acute. We can cooperate by supplying any medication prescribed.

YOUR DOCTOR CAN PHONE US when you need a medicine. Pick up your prescription if shopping nearby, or we will deliver promptly without extra charge. A great many people entrust us with their prescriptions. May we compound yours?

Meet the man who wears this cap.

He just might be one of the most helpful people you've ever met. He's the area's new Lindsay dealer! An irrigation specialist. A man who can help you plan an irrigation system to meet the needs of your crop operation. With a Zimmatic® irrigation system you can be assured your crops will get the proper moisture they need. Years of research and testing have shown that farmers and ranchers all across the country have increased their yields and crop income through the use of automated irrigation systems. And Lindsay is a recognized leader in the industry. Offering a wide variety of systems to meet different field conditions, crop needs and soil compositions.

And Lindsay offers more! Your new Lindsay dealer is professionally trained to custom-design a Zimmatic irrigation system to match the specific needs of your farm. Lindsay's custom-design concept allows you to couple different pipe sizes, span lengths and Zimmatic components. It gives you the most efficient system for your farm—no more and no less. Your Lindsay dealer can show you how the custom-design concept takes into account such variables as length of system, friction loss, gallons per minute, pump horsepower, hours of operation and soil conditions to give you the most energy efficient system possible.

Stop in and get acquainted with the area's new irrigation expert. He can further explain the benefits of the Lindsay irrigation systems—the Zimmatic Center Pivot, Zimmatic Lateral Move™, Zimmatic Corner Pivot™ and the Mobile Pivot.

When you've met the man who wears the Lindsay cap . . . you've met the man who knows irrigation.

Stockmen's Paradise To Benefit Rehab

SONORA - A two-day "Stockmen's Paradise" Roping at the John Stokes K-Bar Ranch here November 1 and 2 will benefit the Cattlemen's Round-Up for Crippled Children.

The Stokes-sponsored event will kick off Saturday, November 1, at 9:00 a.m., with a scrambled egg roping "which will consist of mixed age groups," Stokes explains. "The juniors must be under 18 years of age and the senior ropers over age 35."

Roping on Sunday, November 2, will also begin at 9:00 a.m. That event will be followed by an 80-year-old cowboys team roping. "This means a combined age totaling 80 years," he said.

An open roping at the K-Bar cannot be entered by anyone who has won more than \$5,000 in the past three years.

"All these roping will feature \$30, tree headers, progressive after one," Stokes adds. "There will be a

\$6 cattle charge and ropers can enter all roping events six times. They can tie on one end if they are female or over 45 years of age."

Bits and spurs will be given to over-all team winners of each day's roping.

At 1:00 p.m. Saturday, a tack auction will feature ropers used ropes, saddle pads, spurs and anything else cowboys wish to donate. All items sold will also benefit the West Texas Rehabilitation Center.

Servicemen Qualify As Technicians

Four Knox City servicemen have qualified as accredited technicians for the West Texas Utilities Company, an authorized Frigidaire dealer.

The announcement has been made by Manuel Gomez, Southwest Regional Service Manager for the Frigidaire Parts & Service Company, a division of White Consolidated Industries, Inc., based in Arlington, Texas.

Qualifying technicians include Tony Diaz, with three years as an accredited technician, A. L. Fitzgerald with 12 years, Tommie Reynolds with 8 years, and Richard Evatt with 7 years. All four are qualified as master technicians.

Frigidaire rates the technicians on strict standards, such as appearance and good work habits. To qualify, a technician must have a minimum of two years' experience with a Frigidaire dealer servicing major appliances. He must also complete a Frigidaire designated service training program, including customer relations training.

"Service technicians must demonstrate the highest standards of service excellence," Gomez said, "if they are to hold an accredited rating from Frigidaire."

STREAMS IN DESERT PLACES

By OZELLE STEPHENS

"Blessed is the man that endureth temptation: for when he is tried, he shall receive the crown of life, which the Lord hath promised to them that love him." (James 1: 12).

Temptation is the urge to do or say something wrong, something contrary to the will of God and the laws of Christ. Temptation often comes in pleasant and seductive form and always the mind attempts to rationalize it, to make it seem alright.

If we endure and do not give into evil we shall truly become master of life, ruler of ourselves. And Christ will help gain this victory. You must remember at all times that the old Devil is ready to change the truth, but he is a liar. If we give in to him, then we lose the victory that Christ would give us, and lose our own soul.
