Candidates Release Statements

As a way of introducing all candidates in the contested races coming up on Saturday, April 4, *the News* is doing a profile this week with statements in the candidates' own words as to why they seek election to the offices.

Four candidates in the City of Knox City election are asking election to the two seats. Filing for these two-year terms in this order were incumbent Craig Williams, Carol Felts, Bobby Vasquez, and incumbent Cornie King. Mayor Charles S. Auburg and Larry Staggs, who is seeking re-election to a one-year term on the council, are unopposed.

Three men are asking election to the one elective term on the board of directors of the Knox County Hospital District and filing in this order were incumbent Greg Clonts, Bill Kingston, and Dr. W.F. Thompson.

School board incumbents Allen McGaughy, J.M. Emerson, and John Gillispie are unopposed.

The joint election of city, school, and hospital will be held Saturday, April 4, from 7:00 a.m. until 7:00 p.m.

Chamber Banquet Is Slated Tonight

Persons are reminded of the annual Chamber of Commerce banquet set for Thursday, March 26, (tonight) at 7:30 o'clock in the school cafeteria.

Banquet speaker will be Mike Moeller, newly-elected Texas Farmers Union president.

Highlight of the banquet will be the announcement of the city's "Most Outstanding Citizen."

Entertainment will be provided by Patti Counts, Texas Tech University student.

Incoming Chamber president is Dick Evtatt with Dessie Egenbacher as outgoing president.

Hounds Win Second At Jayton Meet

The Knox City Greyhounds competed Saturday of last week at their first track meet of the season in Jayton at the Rolling Plains relays and brought home the second place trophy with a total of 116½ points.

First place winners included the 440 relay team composed of Glen Hedgecoke, Chuck Hutchinson, Rance Hacker and Ricky Gonzales who finished with 45.28 time; and Rance Hacker in the 120 hurdles. His time was 15.95.

Second places from Knox City went to Rickey Gonzales in the long jump with a 19' 11 1/4" leap; Kelley Boone, pole vault, 10'8"; Rance Hacker, 330 hurdles, 42.97; Ricky Gonzales, 220 dash, 23.20; Kevin Leach, mile run, 5:14.33; and Kevin Leach, two mile run, 11:31.72.

Local's Kin In Baylor Hospital

Ruby and Ken Hughes of Garland were both injured in an automobile accident Thursday night, March 19, in Dallas.

According to Mrs. Hughes' mother, Mrs. J.O. Buchanan, Ruby had gone to pick up Ken from work and they were returning when the accident occurred.

Both are hospitalized in Dallas' Baylor Hospital and correspondence may be sent to Room 3204.

GREG CLONTS

"The past two years I have served on the board of directors of the Knox County Hospital have enlightened me as to the problems faced by our county regarding our hospital and other health care services. Citizens across the county have expressed concern about the deteriorating condition of the present hospital facility. Studies by our board have been in progress to determine the best approach to take on this issue.

"I am in favor of using the existing facility with the possible addition of an ancillary wing. I believe this to be the best approach to take, not to destroy our hospital and build a new facility as has been proposed by one of my opponents. I don't believe this is in the best interest of the taxpayers.

"The board of directors of the hospital should be composed of people from outside the hospital itself so as to represent the taxpayers of the county. This would insure that no conflict of interest situation could occur. I can assure you that the present board of directors has nothing but the best interest of the taxpayers in mind with regard to the operations of the hospital. I would urge all people in the county to express their views about the hospital and the building proposals to board members.

"I have recently been appointed to the Knox City Ambulance Board and am looking forward to serving on that board as a representative of the hospital board.

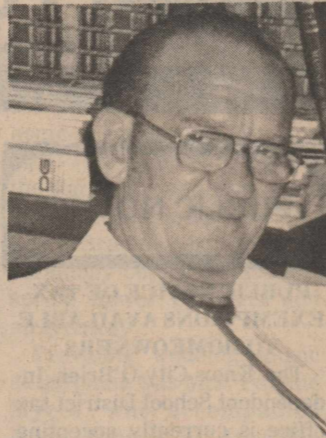

"I have truly enjoyed working on the hospital board and would appreciate the opportunity to serve another two year term. Your vote will be appreciated."

BILL KINGSTON

"Bill Kingston is 37 years old, married with three children. The Kingstons have lived in Munday for six and one-half years. Bill has a B.S. degree from Texas Tech and a Ph.D. from Texas A&M. He was employed as director of the Texas A&M Vegetable Research Station in Munday for five and one-half years and is now manager of Munday Vegetable Growers, Inc., and is engaged in farming. He served in the Army as a medical corpsman and was assigned to the Ninth Field Hospital in South Vietnam. Bill is a past president of the Munday Chamber of Commerce and now serves as a director of the Munday United Fund. He is a registered Emergency Medical Technician and is a volunteer with the Munday EMS.

Decisions made by the Knox County Hospital Board during the next several years will affect the facilities and services offered by our hospital for years to come. I believe the citizens of Knox County deserve to be represented by someone who will listen to all sides of an issue then speak up for what they believe is best for all the citizens of Knox County without regard of personal gain. I believe I can give that type of representation."

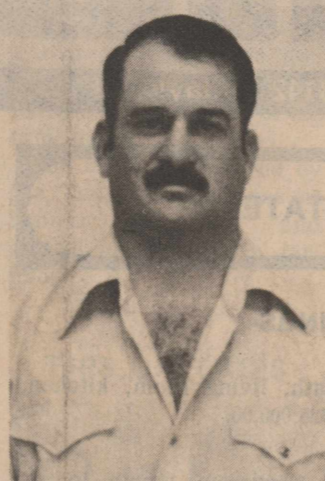

W.F. THOMPSON

"Citizens of Knox County: "As you are no doubt aware, I have submitted my name as a candidate for the Knox County Hospital Board of Directors. I have been asked to summarize my reasons for pursuing this position and in an attempt to make you, the citizens more informed, I am glad to do this.

"First of all, I want to commend all the members of the Board who have supported me for their diligence and interest. I emphatically believe that they have performed in an exemplary manner. My decision to run for a position on the Board is in no way intended as a criticism against those who have supported me in my efforts to provide the best possible care for my patients.

"The Board has had to work under the handicap of a lack of unbiased information concerning the status of the hospital. They have been subjected to fragmented facts and incomplete statistics which do not hold up to close scrutiny. I believe that because of my position within the hospital and my daily contact with those involved, I will be able to clarify some of the issues which at this time are mired down in a bog of

CRAIG WILLIAMS

"To the voters of Knox City-

"My name is Craig Williams and I am seeking re-election on the City Council.

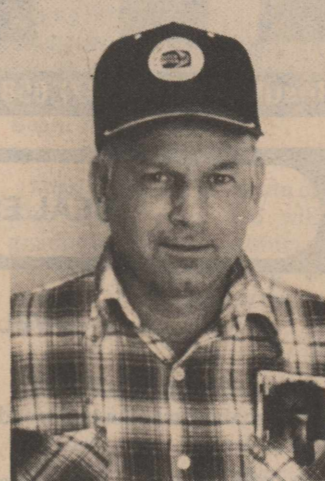

"I have been a resident of Knox City for five years. I have served one two-year term on the City Council and am a member of the Knox City Volunteer Fire Department.

"My wife, Donna and I have three children. I am employed by Taubert and Steed Operating Company of Wichita Falls.

"The past two years as your councilman, I feel like I have gained a lot of experience involving city matters and problems that arise from time to time with city government.

"A lot of politicians make a lot of promises and when elected never carry them out. I am not making any campaign promises nor do I claim to be a politician.

"I just want to be truthful with the citizens of Knox City and try my best in handling matters that would keep Knox City a progressive and suitable place to live."

CAROL FELTS

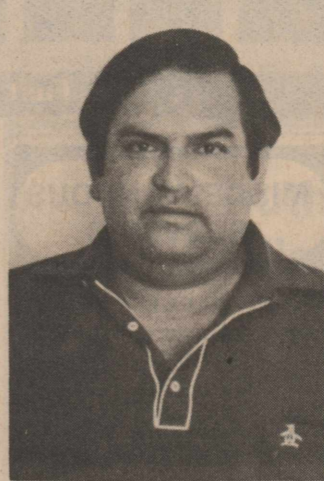

"Married, 45 years old, has four sons, Tim, Tab, Todd and Ted. Tim is married and lives in Beeville, Tab is a junior at Tarleton State University in Stephenville, Todd is married and lives in Stamford, and Ted is a junior student at Knox City.

"Presently employed by Lynn Electric as electrician. Began employment in June 1979. Previous employment - maintenance director at South Texas Children's Home in Beeville for ten years.

"Was chairman of deacons at First Baptist Church, Pettus. Taught Boys' Sunday School class there. Charter member of Board of Directors for Bee County Junior Livestock Show, Charter Member of Fire Chief's Advisory Council, Gulf Coast Area.

"While living in Stamford, I was active in Jaycees, Lions Club and Little League Baseball. In Pettus, I was a member of Pettus Volunteer Fire Department, Little League manager, and president of Athletic Booster Club. Was instrumental in organizing a Board of Directors and incorporating the Bee County Junior Livestock

BOBBY VASQUEZ

"While considering to run for a place on the City Council, I attempted to determine how to best represent the citizens of our community. One objective for a better community is the departmentalization of all city services provided, for example, a certain city councilman being responsible for a certain service. I do not intend to imply that the present council is dodging its duty, but one member may receive numerous complaints on several subjects and cannot effectively represent all these views.

"By working with the other members on the council, to institute this departmentalization of the major services, police, fire, ambulance, water, sewer and sanitation, each one can represent the public views pertaining to their department, thereby, providing better service. Every council member should be willing to consider this type of alternative for better service and representation since the welfare of the community is their job as council members."

This objective is not meant

CORNIE KING

"Cornie (Hodges) King is seeking re-election to the City Council. She is a registered nurse. A graduate of Knox City High School, she received her certificate from Texas Tech and West Texas Hospital in Lubbock. Mrs. King, whose husband was the late Elbert King, nursed at the Knox County Hospital for 30 years.

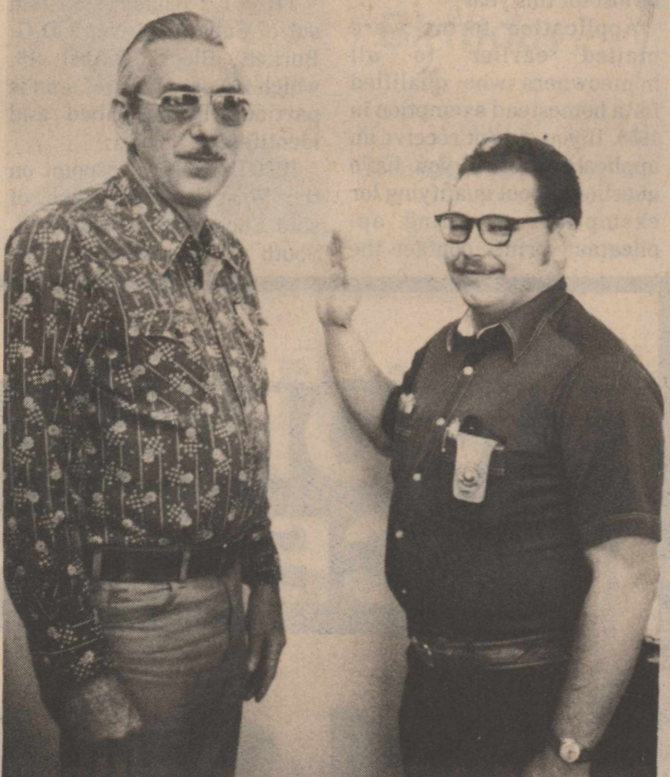

"Your vote and cooperation will be gratefully appreciated. I hope you will continue to feel free to come to me with your problems. Every problem needs to be heard at City Hall. I am proud of our town so let's all work together and keep it that way.

"Please come out and vote."

O'Brien Boys Compete At Hamlin Meet

The O'Brien Middle School Boys track team traveled to Hamlin to compete in their first meet of the year last Friday. Due to the extended basketball season and the weather the boys did not really get to work out too much.

Charlie Vaden was the only Bulldog to break into the finals and scored the Bulldogs only point with a 6th place finish in the 200 meter dash.

The team is working harder now for the one main meet which is District. The team travels to Aspermont this Friday and hope to do better.

Also, competing last week were Adam Garcia, Ronnie Reece, Mark Walaski, Mike Raugh, Danny Balis, George Rocha, Brad Pottiger, Mike Albus, Davey Gonzales, Jerry Gutierrez, David

Thompson, Ricky Wupperman, Ray Hernandez, Traci Carter, Phil Sarabia, Rudy Agraz, Freddi Garcia, Ted Sanchez, and B.B. Eddington.

NIGHT CAME Early Tuesday of last week when a dust storm roared into town, painted the sky a dark orange, and reduced visibility that cars used their headlights. The above tin building belonging to a long ago firm, Porter and White, at the corner of North Second and Aspen, could not withstand the gusty winds which were clocked on the Cable 2 Scanner up to 80 miles per hour.

Leader Training Scheduled

There will be a leader training for all leaders who are interested in helping with a 4-H Clothing, Fashion Revue or Personal Accessories project group on Thursday, April 2, at 7:30 p.m. in the Assembly Room of the Knox County Courthouse in Benjamin.

Anyone who wishes to help with these project groups should contact April Werley, County Extension Agent, at (817) 454-2651. This training will include material that will help prepare for future teaching of the project groups. Any adults or teen leaders (age 14-19) are urged to attend.

Educational programs conducted by the Texas Agricultural Extension Service serve people of all ages regardless of socio-economic levels, race, color, sex, religion or national origin.

INFLATION FIGHTING Helpful Information FOOD IDEAS

QUICK 'N EASY

RAVIOLI BENEDICT

Ravioli lovers, rejoice! Here's a mini meal on a muffin. What is it? It's several canned ravioli on a ham-topped English muffin. The ravioli is then covered with a cheese slice and baked for a few minutes in a regular or toaster oven. The result is a mouth-watering delight. If you've been having problems with dreaming up interesting hot lunches, here's our suggestion. Try this tasty, quick meal.

RAVIOLI BENEDICT Meal On A Muffin With Ravioli

- 2 English muffins
- 2 slices boiled ham, cut in half
- 4 slices American cheese (optional)
- 1 can (7 1/2 oz.) Chef Boy-ar-dee® Beef Ravioli in tomato sauce
- 1/4 pound Mozzarella or Muenster cheese

Halve the English muffins. Place one piece each of ham and American cheese on each muffin half. Arrange 4 ravioli on top of cheese. Slice Mozzarella and arrange on top of ravioli. Place in a regular or toaster oven set at 375°F. Bake for 15 minutes. Serves two.
A slice of left-over turkey, chicken or pork could be used instead of the boiled ham.

Stockholders Off To San Antonio Meeting

Rites For Ex-Resident Held Tuesday

Rites for former Knox City resident Hubert R. Finley, 83, who died Friday at 11:00 p.m. in Stephens Memorial Hospital in Breckenridge after a long illness, were held at 2:00 p.m. Tuesday at Adkins-Satterwhite Funeral Home Chapel of Grace in Breckenridge. Officiating was the Rev. Byron Bryant of the Baptist Children's Home in Round Rock, assisted by the Rev. Harry Grantz, pastor of the First Baptist Church there. Burial was in Caddo Cemetery.

Born January 14, 1898, in Denton, where he grew up and attended schools, he married Luzelle Gracey April 4, 1920, in Fort Worth. He retired from T&P Oil Company in 1963. He was a Mason and a member of the First Baptist Church.

Mrs. Finley died May 26, 1978.

Survivors include four sons, B.J. of Tyler, Charles of Breckenridge, H.E. of Tulsa, Oklahoma, and J.S. of Texas City; a daughter, Mrs. Pat Peterson of San Diego, California; ten grandchildren and two great-grandchildren.

STREAMS IN DESERT PLACES

By OZELLE STEPHENS

"Be still and know that I am God." Psalms 46:10.

There is immense power in stillness. A great saint once said, "All things come to him who knows how to trust and be silent". The words are pregnant with meaning. A knowledge of this fact would immensely change our ways of working. Instead of restless struggles we would "sit down" inwardly before the Lord, and would let the divine forces of His Holy Spirit work out in silence the end to which we aspire. You may not always feel the operations of this silent force, but you can be assured it is always working mightily, and will work for you, if you only get your spirit still enough to be carried along by the currents of its power. You can leave all your failures, fears, foes, and your future quietly with Him and for your nothingness, you get his best. Remember, God is our refuge and strength, a very present help in trouble. Therefore will not we fear, though the earth be removed, and though the mountains be carried into the midst of the sea. God said, "Be still and know that I am God."

IN ANDREWS

Mr. and Mrs. Tommy Kent visited their daughter and her family, Mr. and Mrs. David Turner, Angie and Laci in Andrews last weekend.

Greet Spring With Safety

With the arrival of spring, homeowners should consider checking their homes inside and out for safety hazards, which may have developed during the long winter months.

There are some good reasons for performing this annual chore.

An analysis shows that falls account for 7,000 of these fatalities; fire, 4,700 and poisonings, 2,600.

One of the hazards you should check your home for is unsafe walkways which may cause falls. Some preventive measures include: buffing floors thoroughly to remove excess wax; wiping up all spilled water, oil or grease spills; adequately lighting all traffic areas, especially stairs, and repairing all loose boards and floor coverings.

To prevent fires, a homeowner should clean out the basement and closets, discarding old newspapers, boxes, magazines, rags and junk which may have accumulated over the years. Throw out old paint or solvent containers holding only small amounts of their original contents.

Another source of fires is deficient electrical wiring. About one in eight home fires results from wiring faults or defective appliances.

Today, the average homeowner uses about six times as much electricity as he or she did 25 years ago. There is a good chance that an older home is inadequately

SERVICES OF THE CHURCH OF GOD IN CHRIST

On last Tuesday evening, the usher board joint meeting was held at the Rule Church.

We were blessed here to have services in different homes while the church is being repaired.

Sunday we were able to hold services at the church. Sunday school had a good attendance with Supt. Manuel in charge.

In the morning service pastor Bennett preached powerfully from Titus 2:1,8.

The Union Joint meeting was held at the Aspermont Church on Sunday evening. Elder Leon Ward preached over there Sunday evening from I John 3, "I Want To Be Like Him".

wired.

You may have this problem if lights dim when an appliance goes on, fuses or circuit breakers trip out frequently, the television picture shrinks or your rooms are short of outlets. To make sure your home is correctly wired, you should have all wiring installed and checked by a qualified electrician to comply with the National Electrical Code, the National Electric Safety Code and state and local ordinances.

Spring cleaning also involves the use of a lot of household chemicals. These chemicals can be killers if swallowed by a child. Always read the product's label and follow instructions, especially the precautionary information. When these chemicals are not being used, store them out of the sight and reach of children. Other potentially hazardous areas are the garage which may contain auto supplies and the cellar in which pesticides and insecticides may be found. These supplies should be kept in locked cabinets or placed on very high shelves.

Outside, the homeowner should rake up the leaves and branches accumulated in the yard during the winter. Any accumulation of leaves on the roof and in gutters is a fire hazard and should be removed. Also, take a look at your chimney for any cracks or loose bricks which are fire and safety hazards. Repair concrete steps and sidewalks which may have become

CARD OF THANKS

I want to thank each and everyone for all the kindness shown to be during my stay in the hospital. Words can never express the feeling at times like this. Also I thank each of you for the cards, flowers, food, and any other kindness shown. And especially I thank you for your prayers. Also a thank you to the nurses in the emergency room for their care, Roland Marion and Mr. and Mrs. Billy Bob Reynolds for their TLC to Wichita Falls. Also to Dr. Howell for his kindness and care.

J.O and I both appreciate your kindness and thoughtfulness given at this time. May God bless each of you in a special way.

HAVE REGULAR DENTAL CHECKS

NOT SO LONG AGO a visit to a Dentist was something to be feared. The average person therefore waited until a cavity grew so large and painful that his Dentist would have to extract the tooth.

HOW DIFFERENT IT IS NOW. You go to your Dentist before your trouble is serious, because MODERN DENTISTS are more concerned with the preserving of your teeth, than their extraction.

THE DENTAL PROFESSION is also having its "MIRACLE AGE." Many new chemicals and antibiotics have been perfected for Dental use, so that if you have recurring troubles with your teeth, proper Dental advice can help you.

YOUR MODERN DENTIST now prescribes the proper Vitamins and Minerals you or your children lack. He applies treatments that help prevent cavities and receding gums.

AS "YOUR PHARMACIST," we are carefully observing the newest Dental discoveries, so that we can compound your Dentist's prescriptions, and supply the Dental Aids he may recommend.

WE SINCERELY ADVISE YOU to visit your Dentist at regular intervals. He can now do more for you than was possible in past years.

Senator Ray Farabee of Wichita Falls (left) and Representative Bill Heatly of Paducah, sponsors of Senate Bill 151, look on as Governor Bill Clements signs their bill into law. The bill allows funds for county roads to be distributed to Texas counties once again. The funds, derived from the state motor fuel sales tax, were cut off in 1979 because the distribution agency was abolished under the Texas Sunset Act. S.B. 151, signed Wednesday, March 11, establishes the State Treasurer as the distribution agency for the funds. The fund receives \$7.3 million annually and Knox County will receive \$63,153.24 in October for fiscal year 1981 and the two preceding years.

RECEIVES DIPLOMA -- Sharon Jones, left, assistant manager of Allsup's in Knox City, receives her diploma from Gary Wittington, instructor, for fulfilling the requirements of the Allsup's assistant manager training course. The class, held at the company's home offices in Clovis, New Mexico, is a requirement for all Allsup's assistant managers. According to Wittington, the training covers proper food handling, cooked food procedures, store cleanliness and maintenance as well as public relations. Ultimately, the firm provides customers with a professional who can better serve them, while at the same time preparing the employee for future advancement. (Allsup's Photo)

Dickens Judge Honored

FORT WORTH-- The West Texas County Judges and Commissioners Association bestowed a double honor on Dickens County Judge Henry L. "Bill" Young, Jr. at the association's annual meeting here March 10-12.

Young was elected president of the association for the coming year and was also named the organization's Man of the Year.

Young received a special plaque denoting the honor at a banquet Thursday evening, March 12. The county judge served as a secretary-treasurer of the association the past year.

Other new officers are Upton County Judge Peggy Garner, secretary-treasurer, and Gray County Commissioner Ted Simmons, vice president.

New directors are El Paso County Judge Udell Moore, Yoakum County Commissioner Jim Barron, Midland County Commissioner Winfree Brown and Tarrant County Commissioner Lynn Gregory, who is also immediate past president.

About 500 county judges and commissioners from throughout the West Texas and the plains attended the annual meeting to discuss problems and issues relating to county government. The meeting is a part of the County Officials Program of the Texas Agricultural Extension Service, Texas A&M University System.

Site of the 1982 meeting of the West Texas County Judges and Commissioners Association will be Amarillo.

distortion. I feel that I know the right questions to ask in order to get complete, succinct answers.

"I want to see this hospital continue to grow and develop. I would like to be able to offer more services to this community through the hospital. I do not want to see this hospital stagnate or worse yet, regress. I believe that with my medical expertise and insight I can contribute to the progress of our hospital.

"True, several changes have been made since I came here five years ago, but many, many more are needed. The hospital is a viable source of income in this community in the form of payroll, employing approximately 70 people. We must take steps to ensure that the needed changes and advancements are obtained.

"My qualifications are simple: I have insight into the mechanics of running a hospital; I have had years of exposure to hospitals; I have seen some grow and some fold; I have noted the recurring theme of mismanagement running through those that have folded. I do not want to see our hospital be one of those."

"I am licensed water operator with a "C" certificate and a member of the Hot Wells Water and Utilities Association. I have always had an active part in the communities where I've lived and will continue to do so here.

"I would like to be on the City Council because I see Knox City as a growing, prosperous city. I hope to continue the direction the past council has set for Knox City. We need adequate police protection, competent fire protection, excellent medical facilities, and economical municipal facilities. I hope to keep Knox City progressive but concerned about her citizens. I would be open to all who have suggestions or directions for city government."

FM Radio Station To Begin Soon

A new radio station in Haskell, KVRP-FM will begin broadcasting 24 hours daily within the next few weeks. According to general manager Gary Barrett, the station, located at 95 on the FM dial, will be playing primarily progressive country music, with heavy emphasis on regional news. KVRP will be operating at 100,000 watts of power.

Barrett also will be sharing responsibilities on the air in the afternoons. Ron McCandless will be the morning personality and also serves as program director.

Barrett comes to Haskell from Stamford and McCandless from Plainview.

Sonia Carter, a Knox City native, will be broadcasting in the late mornings and early afternoon.

John Mac, a Haskell resident, will be the evening air personality followed by David Wayne, a native of Hamlin. Tami Rea fills the 1:00 a.m. till 6:00 a.m. shift. Miss Rea is also from Haskell.

KVRP's projected coverage is in a circle that encompasses the entire Rolling Plains area, Barrett said.

Charlene Brothers Home After Surgery

Charlene Brothers has returned to her home in O'Brien following emergency surgery March 7 in Wichita General Hospital in Wichita Falls.

Mrs. Brothers reported that former Knox City resident Dr. Jerry Myers was her doctor and that he was really a 'fine' doctor.

GOOD NEWS FOR BUSINESS

To The Voters Of Knox County

It has been a privilege for me to represent you on the Knox County Hospital Board of Directors. I have tried to express the views of all taxpayers in the County.

I think it is important that the board of directors be composed of citizens with no financial interests in the hospital. In this manner, it can be assured that the interests of all taxpayers will be of the utmost concern. I would appreciate your vote for re-election.

Local Women Attend Mesquite Convention

Three Knox City women attended the Mesquite District's 21st annual convention of Texas Federation of Women's Club held March 20 and 21 at the First United Methodist Church in Merkel.

Attending from Knox City were Mmes, Lena McGee, Winifred White and Marie Reeves.

Those attending the first general session heard a welcome from Don W. Hensley, president of the Merkel Farmer's and Merchant's

Association. Following the 1:00 p.m. registration, the formal opening was held at 2:00. The theme for the dinner meeting at 6:00 was "Shining Rainbow of Success", according to district president Mrs. L.H. McBride of Hamlin.

Approximately 30 area women's clubs were represented at the convention, which was co-hosted by the Merkel Fortnightly Study Club and the Hamlin Women's Literary Club.

During the convention, reports on the year's work was presented and individual club yearbooks and projects were awarded in addition to talks and a speech by the guest lecturer.

The local club was presented two top ten awards along with blue ribbons for their efforts on their yearbook. A second place was presented to Mrs. Otis Cash, district chairperson, for her report on the category of "Texas Women."

The convention's guest speaker on Saturday was Herman A. Propst of Anson whose topic was "Cotton: The Pot of Gold". Propst is the chairman of the Board of the National Cotton Council of America.

IN STEPHENS HOME

Dr. and Mrs. W.J. Bray, missionaries to Japan, were houseguests of Mrs. Ozelle Stephens last Friday and Saturday while they were here to help with the missionary conference at the First United Methodist Church.

Other ladies participating in the program were Mary Beth Smith, who summarized the economic conditions in the Third World areas; Wretha Fitzgerald, Lois Cypert, and Ruby Robinson, who gave individual reports and examples of oppression, torture and violation of human rights of the Latin American people.

Lillian Logan closed the meeting with prayer.

The next meeting will be on April 7, when Mary Beth Smith will lead the Easter program.

Program On Texas Heard March 19

The Knox City Study Club met Thursday, March 19, in the Community Center. The Pledge of Allegiance to the United States Flag, the Pledge to the Texas Flag, and a Collect for Club Women were given in unison.

Mrs. J.C. McGee, president, welcomed the members and visitors including Mrs. Irma Lyles, past district president from Weinert; Mrs. Marguerite King from Munday and Mrs. Ruby Robinson. Mrs. McGee read a poem, "Legend of the Texas Club Women".

Mrs. Charlotte Patterson sang two numbers, "Texas Our Texas" and "The Eyes of Texas", accompanied by Mrs. Elizabeth Wilson.

Mrs. Sudia Cash gave the Federation Report and roll call was "name an outstanding Texas Woman".

Mrs. Lyles gave an interesting program on "Texas Women".

Mrs. Clara Smith and Mrs. Mary Beth Smith served red punch, Texas cookies, toasted pecans from a table laid with a blue cloth, and centered with the Texas Flag and a miniature musical train.

Those present in addition to those previously mentioned were Mmes. Sammie Carpenter, Ruth Christ, Wretha Fitzgerald, Florine Hudson, Lillian Logan, Exa Faye Reed, and Winifred White.

RETURN HOME

Mr. and Mrs. Greg Clonts have returned home from a visit last week in the home of his parents, Mr. and Mrs. Sam Clonts in Round Rock, and his sister and her husband, Mr. and Mrs. Donny Michalik in Austin.

While in Austin, Greg accompanied his father to a session of the legislature and reported that it was "very interesting."

Couple Repeats Vows Saturday, March 21

Jan Quintanilla and Greg Zeissel were married Saturday, March 21, at three o'clock in the afternoon at the home of her parents, Mr. and Mrs. Jerry Guinn. Zeissel is the son of Mr. and Mrs. Marvin Zeissel of Munday.

Guy Bradley performed the ceremony before a setting of spring flower bouquets and an archway.

Providing wedding music at the piano was Mrs. Pauline Myers, who accompanied Mary Roberts of Amarillo, cousin of the bride, soloist. Vocal selections were "Welcome To My World" and "The Lord's Prayer".

Given in marriage by her father, the bride wore a formal length gown of ivory with a gathered bodice. A lace inset with a standup collar accented the gown which was also belted. She wore a picture hat and carried a bouquet of tiger lilies, orange rosebuds and gypsophila.

Matron of honor was the bride's sister, Mrs. Mel Reed of Levelland. She wore a gown of apricot Qiana knit with a print coverup which fell to walking length. She carried a spring bouquet and also wore a picture hat.

Best man was Ray Moore of Munday.

Kandi Zeissel was flower girl and wore a blue chiffon and taffeta dress. She also carried a basket of spring flowers.

Ring Bearer was Jason Quintanilla.

Ushers were the bride's brother, Dell Guinn, and Wayne Zeissel, cousin of the bridegroom.

Denise Grindstaff registered guests at the wedding and reception.

The reception followed the ceremony at the St. Isabel Hall. Lace cloths covered the refreshment tables and a wedding cake decorated with spring flowers and punch were served. Candelabra accented with spring flowers

and silver appointments were also used. Serving were Mrs. Kenneth Groves and Mrs. Ricky Meinzer, sisters of the bridegroom.

The bride is employed by the Texas Department of Human Resources and Zeissel is engaged in farming.

TIPS ON TRIPS

To save energy and dollars, plan your trips.

Car pooling alone can cut down by two-thirds the gasoline used to go to work if you share rides with two others. You may wish to rotate the use of cars. Go shopping with a neighbor when possible. Combine short trips into one outing whenever possible. Use public transportation when available. Rediscover hiking and bicycling.

Miss Sharp Beam To Wed, On May 16

Dr. and Mrs. A.C. Sharp Jr. of Abilene announce the engagement of their daughter, Trendy Leigh, to Larry David Beam, son of Mr. and Mrs. David Lee Beam of El Paso.

Miss Sharp is a graduate of Eula High School and will graduate from McMurry College in May with a bachelor of science degree in secondary education.

The prospective bridegroom is a graduate of Coronado High School in El Paso and has a bachelor of science degree in biology from McMurry. He is working on a master's degree in health administration from Southwest Texas State University.

The couple plans to be married May 16 in St. James United Methodist Church in Abilene.

Miss Sharp is the granddaughter of Mr. and Mrs. Lloyd Waldrip of Knox City and Mr. and Mrs. A.C. Sharp of Spur.

Area Grads Eligible For College Benefits

High School graduates in the Knox City area are eligible for up to \$20,600 in college benefits through enlistment in the U.S. Army.

The program is eligible for bonafide high school graduates who score 50 or higher on the Armed Forces Qualification test and enlist for two, three or four years in one of the critical military job skills. Further, individuals must be nonprior service.

"There are two types of benefits available under this test program," explained Major Larry L. Raab, Commander U.S. Army Dallas District Recruiting Command. "The government will contribute \$1200 in tuition assistance for each year of service. This means \$2400 for a two-year enlistment, \$3600 for three years and \$4800 for a four-year enlistment."

"Additionally, recipients will receive \$300 a month in payments while in school. The number of monthly payments vary depending on the length of enlistment. In other words, a two-year enlistment would qualify for 18 monthly payments totaling

\$5,400, three years for 27 payments totaling \$8,100 and four year enlistment for 36 payments totaling \$10,800.

This means an individual who enlisted in one of the critical job areas could receive a total of \$15,600 following a four-year enlistment. The four-year enlistment may also qualify for a cash enlistment bonus of up to \$5,000. With cash bonus and educational benefits the total package could yield \$20,600. For more information, call your local Recruiters.

LIVING SCREENS

Good fences may make good neighbors, but many homeowners agree that living fences—trees and bushes—make better ones. They're a lot less obvious, too.

In addition, properly placed plantings can make your home more comfortable—and less expensive to heat and cool, making your hedge a hedge against inflation.

Plantings can prettify walls and fences—or serve as separators all by themselves.

Trees and bushes can cut down the noise of a nearby highway, hide trash cans and provide a quiet, private place for a patio.

Flowering shrubs bring a bit more beauty into your yard, too, point out the American Association of Nurserymen.

Your nurseryman can tell you which living fences are best suited to your lifestyle and your soil.

You could find you'll grow to love your growing fence—and so will your neighbors.
