Jr. Tourney Slated For Saturday

The Knox City Country Club and the Knox City Police Department will co-sponsor their annual Junior Golf Tournament Saturday, July 18, at the Knox City Country Club.

There will be three age divisions this year. Senior division will be composed of the 15, 16, and 17 year olds; junior division will be the 12, 13, and 14 year olds; and those youngsters under the age of 11 will make up the pee wee division. The top golfer in each division will be awarded a trophy.

According to a spokesman, each contestant can enter and sign up at the club house anytime before Saturday. Tee off time will be at 9:00 a.m.

This year will be an open tournament and anyone outside of Knox City is welcome to compete.

Co-chairman for this year's tournament are Junior Gonzales and Leon Leonard.

Gospel Meet Set Here July 19-24

The Knox City Church of Christ has scheduled a gospel meeting beginning with the Sunday, July 19, morning service at 10:45 and continuing through Friday night, July 24.

Hartsell Johnson, minister of the College Hill Church of Christ in Alva, Oklahoma, and a Haskell native, will be bringing the messages. Mr. Johnson has served under the direction of College Hill Church of Christ elders of Alva for the past 13 years as Bible chair director. He has taught each semester at Northwestern Oklahoma State University in Alva and at present serves as religious department chairman. Sunday evening worship will be at 6:00 while weeknight services will begin at 8:00 o'clock, and everyone is invited to attend, according to a spokesman.

Mrs. Roberts Is Benjamin's CF Chairman

The Lone Star Chapter of the Cystic Fibrosis Foundation announces the appointment of Mrs. Kenneth Roberts as chairman of its 1981 Breath of Life Campaign in Benjamin.

The Campaign will be held to provide the community with information about Cystic Fibrosis and to raise funds to support research, education and care programs for CF patients.

The number one genetic killer of children, Cystic Fibrosis is inherited and incurable - claiming lives each day. An estimated one in 20 Americans is a symptomless carrier of the recessive CF gene. Currently, half of all children born with CF will die before reaching their 20th birthday.

Benjamin Awarded Water Grant

The Department of Housing and Urban Development has awarded a community development block grant to the City of Benjamin in the amount of \$250,000.00.

The funds are to be used for water supply improvement, according to Senator John Tower's office.

Hospital Auxiliary To Meet Monday

The Knox County Hospital Auxiliary will meet Monday, July 20, at 7:00 p.m., in the Thrift Shop.

According to Mrs. Peggy McGaughey, auxiliary president, this is an important meeting as an election of officers will be held.

KNOX CITY ALL-STARS are pictured here as they were en route to Munday to play Seymour All-Stars Monday night. Seymour defeated the KC boys 8-2, and were to play Munday Tuesday night. Knox City will play the losers of the Tuesday night game on Wednesday at 7:30 at Munday. Coach Tony Diaz expressed appreciation to fans for their support. Pictured left to right, back row, Coach Diaz, Brian Correll, Robbie Large, Shane Lewis, Jessie Ladesma, Richie Saxton, and Kevin White. Second row, from left, Chris Rogers, Mike Reece, Ray Casillas, and Denise Diaz. Front row, left to right, are Freddie Agraz, Dewayne Roberson, and David Gonzales.

Research, Development Are Big In Energy

Research and Development are two of the biggest words in the energy business, Glen D. Churchill, president and chief executive officer of West Texas Utilities Company, declares.

In an interview with a reporter, Churchill said research and development, commonly referred to as "R&D" ranks at the top of priorities for companies involved in producing the power needed to keep America running. Nowhere is this more true than in the electric utilities area, he said. "We're not 'just' interested in new sources of energy, we're 'vitaly' interested," the WTU president said in discussing his company's R&D activities.

Churchill said that when a new, practical source of energy for conversion to electricity, or a new economically feasible method is developed, it will be done by, or at least welcomed by, the investor-owned electric utility industry.

The interest of electric power companies in new energy sources didn't develop overnight. A look at the record shows the great amount of time, money and effort which has gone into research and development since Benjamin Franklin executed his kite-and-key experiment in colonial America.

If it seems more intense today than ever before, that's because it is more intense today than ever before, that's because it is more intense. There just isn't as much time left for the world to continue without new sources for developing power and energy to meet its needs, it is generally agreed. Even if the nation hasn't reached the "crash program" point as yet today is no time for foot-dragging in the view of energy experts.

WTU's interest in new energy sources didn't develop overnight, either, the Company president explained. Long before the perceived fuel crisis developed in the early 1970's electric companies, including WTU, were seeking the most efficient and least costly methods of producing and distributing energy. WTU, for example, developed its generating system logically by using low-priced West Texas natural gas as boiler fuel for its power plants.

The Company's power plants (it has eight major stations) were located throughout the 52-county service area, near load centers and near the natural gas pipelines. Gas was extremely cheap, Churchill recalls, and

for many years electric rates went down instead of up.

The fuel adjustment provision, though long authorized to allow the utility to pass fuel cost increases to customers, never had to be utilized. Both the customers and WTU were doing well under those conditions.

But the honeymoon ended in the mid-1970's as the fuel crisis began. With gas shortages viewed as inevitable, the Texas Railroad Commission ordered utilities to begin phasing out natural gas as a boiler fuel. The state order was lifted later, but a rule under the federal Fuel Use Act still calls for eliminating gas fired plants by 1990 unless exceptions are made WTU's current plants apparently qualify for exemptions, but it can build no new gas-fired plants.

Coal, then is the answer for WTU in the foreseeable future. Planning of the company's coal-fired Oklahoma plant near Vernon is complete, and actual construction is slated to start next year.

Fortunately for WTU and its customers, two other members of the Central and South West System will be partners in the huge Oklahoma plant, which would have been too large for WTU to build alone. Under the agreement, WTU will own 350,000 kilowatts of the first 640,000-kilowatt unit, Central Power and Light Company

Glenn Home Is 'Yard Of Month'

The Yard of the Month honors for July have been presented to Mr. and Mrs. Guy Glenn at 604 South Second.

Knox City Garden Club members Florene Hudson and Mary Groves selected the Glenn yard for its all around neatness and the beauty of the caladiums, wysteria, and white allyseumus.

Playday Is Set In Stamford Sunday

The Stamford Junior Sheriff's Posse will be having a Jackpot Playday Sunday, July 19, at 2:00 p.m. with AQHA and AASPRC speed events.

Everyone is invited to attend and there will be five age groups participating.

Did You Know...

will own 115 and Public Service Company of Oklahoma 175. The fourth CSW company Southwestern Electric Power Company, will not participate.

Other major efforts toward improving the overall outlook for future fuel to generate electricity for the Company's wide service area are positive in nature Churchill listed a number of these.

Gasification research in which WTU is involved is being done at the La Pala Power Station in South Texas to produce gas from coal and/or heavy oil to use gas-fired boilers without conversion.

Success in this field would be a major gain for WTU since its existing plants are gas-fired. This research is being done in cooperation with other companies which form Central and South West Corporation, the parent firm of WTU.

The Abilene-based firm is involved in geothermal exploration in South Texas and in the Big Bend region. Again it is a joint venture with other CSW companies. A team of professors from the University of Texas at El Paso also are participating in exploration into this unique area of energy research.

Solar experiments are being planned for the Paint Creek Power Station. A proposal has been prepared for Department of Energy to convert one unit of the plant to solar heat through the use of mirrors, storage facilities and other technology already known.

The project is being undertaken in cooperation with Rockwell International and others, Churchill said.

West Texas Utilities is participating in fusion nuclear research through the Texas Atomic Energy Research Foundation and the University of Texas. Because of the tremendous cost of building nuclear plants for the foreseeable future the WTU efforts in that direction will be joint basic research only.

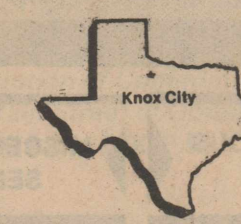

There have been some beneficial spinoffs from the research including organization of the Texas Energy Science Symposium for high school students.

National research by the industry is being done by the Electric Power Research Institute and WTU is a regular participant in the institute's program.

Churchill and his West Texas Utilities team are convinced that they will continue to meet the challenge of the future in providing all of the power needed for home, business and industry in the 52 West Texas counties the company serves.

Stamford To Host First Air Show

To promote the thrill of flying in the Stamford area, the Stamford Chamber of Commerce will conduct its first annual air show to take place at Arledge Air Field, east of the city on Sunday afternoon, July 26.

During the four-hour show there will be events that will make the heart flutter, according to officials.

Refreshments will be available so readers can take their lawn chairs and enjoy the thrills. There will also be drawings for free rides before the show starts.

A nominal admission charge will be made.

OMISSION

In last week's coverage of Little League pictures, one of the Dodgers, Jim Ford, was not present when the team picture was made.

Heatly Is Re-Appointed To Board

AUSTIN - House Speaker Bill Clayton has announced that Representative W.S. (Bill) Heatly of Paducah has been re-appointed to the important Legislature Budget Board (LBB).

Representative Heatly will have the notable honor of serving longer than any other representative on the board - 23 years. The West Texas Democrat has been a member of the House for a total of 26 years.

The ten-member LBB, which includes the Lieutenant Governor and the Speaker of the House, has responsibility for the preparation of the general appropriation bill for the Legislature. The board works from reports and budget requests submitted by each state agency and from its own inspection and evaluations of budget requirements.

Representative Heatly is a member of the Appropriations Committee of the House and the vice chairman of the budget and oversight for the House Judicial Affairs Committee.

In making the LBB appointment Clayton said, "Representative Heatly's historical perspective and modern grasp of the many budgetary considerations facing our state our valuable contributions to the LBB."

REPRESENTATIVES FROM the Knox City Lions Club at the International Association of Lions Clubs' 64th annual convention in Phoenix, Arizona, held June 17-20, 1981, were Lion James Patterson and his wife Charlotte shown here in their colorful red, white and blue outfits. Kaoru Murakami of Kyoto, Japan was elected president, with his theme: People At Peace. Patterson was recently elected district deputy governor for District 2-EI.

Sen. Farabee Named Agriculture Chairman

Senator Ray Farabee has been named chairman of the Agriculture Committee of the Texas 2000 Commission at the commission's first meeting in Austin on July 7. Senator Farabee is one of two Senators serving on the 30 member Commission which was appointed by the Governor to provide guidance to the state in areas of importance of the long-term economic development of Texas.

Senator Farabee expressed pleasure at the appointment since agriculture is one of the most important economic factors in the 30th Senatorial District. "Texas recently moved from number three

nationally in total cash receipts for agriculture to number two, and we must do more in the future development of state policies to support agricultural growth and productivity during the next ten years so that Texas will soon be number one in fully utilizing its agricultural resources," Farabee said.

At the initial meeting of the Commission, speakers stressed the importance of a long-range perspective in Texas and the increasing need for the public and private sectors to work together in the development of policy actions that will ensure the continuation of Texas' leadership in the nation.

The Commission will operate both as a unit and in committees. In addition to Senator Farabee's chairmanship, other committee chairpersons include Senator Grant Jones - State and Local Government Finance; Rita Clements - Relations with Mexico; Louis Beecher, Jr. - Water; Andres Ramos - Transportation; Harvey McMains - Research and Development; and Dr. William Fisher - Energy.

Playnight To Be Held Saturday

A playnight will be held Saturday at the Knox City Arena beginning at 8:00 p.m.

There will be three age divisions plus a novice division. An open division will also be held and any age may enter.

Trophies will be awarded for each first place in each event in the various age divisions. High point will also be awarded in each age division.

Mr. and Mrs. A.A. Pierson visited Mr. and Mrs. Morgan Boatwright in Ballinger last

Thursday and spent the night with Mr. and Mrs. Ken Pierson of Abilene. Friday night, Audrey was notified of his sister, Eutice Nicholes' car wreck in Nevada. She was a mail carrier there and was driving a jeep. It seems no one else was involved in the wreck but she was critically hurt and is in a hospital in ICU in Garland. Audrey and Ken Pierson visited her Saturday.

Mr. and Mrs. J.O. Boatwright spent the weekend in Springtown with their son Jerry Joe and family.

Locals' Kin Buried In New Mexico

Services were held Wednesday, July 8, at 10:30 a.m. in Ballard Chapel in Roswell, New Mexico, for Elizabeth Josephine Clarke, 71, who died Sunday at her home of natural causes.

Mrs. Clarke was a sister of Sipe and Don Griffith, both of Knox City.

Elton Dilbeck, minister of Country Club Road Church of Christ, officiated and burial was in South Park Cemetery.

Born November 27, 1909, her parents were the late Mr. and Mrs. John Griffith. She was married in 1930 in Knox City, the late John E. Clarke. She had lived in Roswell for the past 40 years.

Survivors include a son and a daughter-in-law, Mr. and Mrs. John E. Clarke of Albuquerque; two brothers,

Sipe Griffith and Don Griffith, both of Knox City; one sister, Laura Jones of Roswell; a brother-in-law, Swayze Clarke of Roswell; and three sisters-in-law, Jane Clarke and Kathleen Clark, both of Roswell, and Doyle Griffith of Knox City.

RETURN FROM MEXICO

Elton, Bill and Mary Groves have returned from a eight day trip to Mexico City where they enjoyed seeing many of the sights.

While there, they saw the Taxco Silver Mine, Chapultepec Castle, Ballet Folklorico D.E. Mexico, the City of the Gods, Teotihuacan, Pyramids of the Sun and Moon, Xochimilco, the Floating Gardens and the stadium where the Olympics were held.

Four grandsons, Michael E. Clarke of Dallas, and Stephen L. Clarke, D. Todd Clarke, and J. Scott Clarke, all of Albuquerque, and one granddaughter, Leslie K. Clarke also survive.

BENJAMIN NEWS

By GLADENE GREEN

Vacation Bible School at the First Baptist Church in Benjamin was well attended last week. An average of 30 kiddoes per day were on hand to enjoy the fellowship and learn more about the Bible. To climax the week's activities, commencement was held Friday night with each child who had attended the classes having a part on the program. Following the program, the students took us to the basement where we viewed the arts and crafts they had done during the week. A watermelon feed climaxed the evening. Adult leaders doing a very good job with all the youngsters were Shirley Brown, Susan White, Karen Patterson, Jan Wilson, Mavis McCullough, and Rev. Clyde McCullough. Linda Griffith was the Bible School director and Sheila Jones was pianist. Helping in all areas (running errands, baby sitting, etc.) were Mitsi Lindsey, Lana Gideon and Amy and Lori Griffith.

Public Notice

Southwestern Bell, in accordance with the rules of the Public Utility Commission of Texas, hereby gives notice of the company's intent to implement a new schedule of telephone rates in Texas effective July 21, 1981, unless otherwise determined by the Commission.

It is expected that the requested rate schedule will furnish a 15.8 percent increase in the company's intrastate revenues.

A complete copy of the new rate schedule is on file with the Public Utility Commission at Austin, Texas, and with each affected municipality served by Southwestern Bell, and is available for inspection in each of the company's public business offices in Texas.

Notice to Customers of Other Telephone Companies

The filing includes, but is not limited to, proposals to increase rates for interexchange private line and foreign exchange (FX) service. Changes in such rates would also affect customers of other telephone companies because such companies provide interexchange private line and foreign exchange service in accordance with rates specified in Southwestern Bell's tariffs.

Southwestern Bell

Aviso Público

Southwestern Bell, en conformidad a las reglas del Public Utility Commission (Comisión de Servicios Públicos) de Texas, por la presente hace saber su intención de establecer un nuevo arancel para servicio de teléfono en Texas con vigencia a partir del 21 de Julio de 1981, a menos que la Comisión haga otra determinación.

Se espera que el nuevo arancel que se ha solicitado rendirá un aumento de 15.8 por ciento en los ingresos intraestatales de la compañía.

Una copia completa del nuevo arancel se ha archivado en las oficinas del Public Utility Commission en Austin, Texas, al igual que en cada municipalidad afectada y servida por Southwestern Bell, y cada una de las oficinas de la compañía para negocios con el público en Texas tiene una copia para lectura pública.

Aviso a los Clientes de Otras Compañías de Teléfono

El registro incluye, pero no se limita a, propuestas para aumentar las tarifas para servicio de línea privada entre centrales telefónicas (interexchange private line) y servicio de central telefónica extranjera (foreign exchange FX). Cambios en dichas tarifas de servicio también afectarían a clientes de otras compañías de teléfono porque dichas compañías proveen los servicios ya mencionados en conformidad a tarifas especificadas por Southwestern Bell.

MRS. JAY ARTHUR LUCKENBACH
...the former Mona Denise Grindstaff

Fredericksburg Rites Unite Couple Saturday

Mona Denise Grindstaff and Jay Arthur Luckenbach were united in marriage Saturday, July 11, at five o'clock in the afternoon at Bethany Lutheran Church with Pastor Bade, church pastor, officiating.

Parents of the couple are Mr. and Mrs. John L. Grindstaff Jr. of Knox City and Mr. & Mrs. Weston Luckenbach of Fredricksburg.

Church decorations were two white wicker baskets with white glads, blue daisies with gypsophilia and blue bows. Altar vases also held the same flowers. Ferns were placed below the altar and candles in graduated sizes were used. Candle chimneys were placed on each pew.

Organist was Mrs. Clifton Ottmers, who provided the traditional bridal march for the processional and Rosinni Number Three for the recessional. Soloist was Mrs. Daniel Jenschke. Margie Ottmers sang "Longer" with guitar accompaniment during the lighting of the unity candle by the bride and bridegroom.

Given in marriage by her father, the bride wore a gown of organza sheer enriched with silk Venise lace on high rise neckline, Empire bodice and Victorian sleeves with shadow trim. Lace was repeated on the semi-flow skirt tracing the hemline with shadow trim adorning the hemline and chapel train. A silk lace bandeau headpiece sprinkled with seed pearls held a tulle walking length veil with lace edging. She

carried a colonial bouquet of white roses, pale blue daisies and gypsophilia.

In keeping with tradition, something old was a garter worn by her mother at her wedding; something new was a 14 karat gold necklace, a gift from the bridegroom; something borrowed, 14 karat gold earrings from the matron of honor; and something blue, the traditional blue garter. Her shoes also contained pennies with birthdates of the couple for good luck.

Matron of honor was Mrs. Gregory Zeissel, who wore a formal length gown of shades of blue floral crepe with a high fitted bodice, and flared skirt with spaghetti straps. A pointed sheer capelet of voile accented the skirt and she wore a picture hat with a band of blue flowers. She carried a long stemmed white rosebud with gypsophilia and light blue ribbons.

Mrs. Nick Johnston and Mrs. Tom Eller were bridesmaids and their gowns were similar to that of the matron of honor's. Their gowns were tiered and they also wore white picture hats and carried long stemmed white rosebud.

Bestman was Kenny Ersch. Groomsmen were the bridegroom's brothers, Jerry and Jay Luckenbach. Ushers and candlelighters were Dwayne Knopp, Tom Eller and Roy Saenger.

Flower girl and ring bearer were Jennifer and Johnny Grindstaff of Knox City. Jennifer wore a blue chiffon

gown with Empire waist and spaghetti straps with a blue flower headpiece. She carried a white basket with blue and white daisies and gypsophilia.

The bridegroom wore a white tuxedo while the groomsmen, ushers, ring bearer, and father of the bride all wore light blue tuxedos.

Mrs. Grindstaff chose for her daughter's wedding a formal length champagne crepe dress designed with lace bodice and spaghetti straps with an accordian pleated skirt. The gown was belted and complemented by a jacket of embroidered lace with pointed elbow length sleeves.

The bridegroom's mother wore a formal length blue dress with full chiffon skirt and chiffon sash belt. The long sleeves of the gown were split.

The bride's grandmother, Mrs. John L. Grindstaff Sr., wore a formal length mint green gown of European lace. The long sleeves of the gown were accented with crystal buttons. His grandmother wore a beige jacket dress.

The bride's mother wore a corsage of yellow carnations and roses while the bridegroom's mother and the couple's grandmothers wore white carnation and rose corsages.

A reception dinner followed the ceremony at the Sunday House. Members of the house party were Martha Jones, Kary Kent, Kathy McPherson, Beth Luckenbach, Judy Luckenbach, Susan Basse, Diane Chase, and Cora Lynn Wilson. The bridegroom's sister, Jane Panetti, registered guests. The bride's table held a three tiered white cake accented with flowers. Mints served were blue and white. The bridegroom's table served chocolate cake with a miniature band director and musical notes atop.

Rice bags were distributed by Jennifer and Johnny Grindstaff.

The bride is a graduate of Corpus Christi University and Knox City High School. She also received her master's degree from Southwest Texas State University where she graduated cum laude. She is employed by the Johnson City ISD.

Luckenbach is a Southwest Texas State University graduate where he received a bachelor of science degree in music and also from Fredericksburg High School. He is also employed by the Johnson City ISD.

The rehearsal dinner was given by the bridegroom's parents at Immigrant's Landing.

Following a wedding trip to Cozumel, Mexico, the couple will live in Johnson City.

Worleys Enjoy Hawaiian Vacation

Mr. and Mrs. Lynn Worley, accompanied by her brother and his wife, Mr. and Mrs. V.W. Dotson of Carthage, Texas, returned last week from a 10-day vacation trip to Hawaii.

The group left DFW June 27 and landed on the island of Ohau, where they spent their 10 days sightseeing, including a visit to Pearl Harbor.

They reported a wonderful trip, enjoying the beautiful flowers and scenery.

They returned to DFW July 8.

RHEUMATIC FEVER IS ALWAYS DANGEROUS
It is now believed that rheumatic fever is caused by the same streptococcus germ which causes a strep throat. It can make a child or adult tired and have painful joints or abdominal tenderness.
More serious results occur. The illness inflames the heart's mitral valve. Scar tissue can form and permanent damage may result. Worse yet, a child does not grow out of this and can get rheumatic fever over and over again. Physicians know these dangers, but can protect you most if they are consulted about any sore throat as soon as possible.

STREAMS IN DESERT PLACES
By OZELLE STEPHENS
"Ye are the light of the world. A city that is set on a hill cannot be hid. Neither do men light a candle, and put it under a bushel, but on a candlestick; and it giveth light to all that are in the house." (Matthew 5:14, 15)
If you will meditate on that statement, "Ye are the light of the world," it will impress upon you the tremendous responsibility that is every Christian's. We are the ones who are to point the lost to Jesus Christ, to light their way so they can find Him as their Saviour. Our lives are like open books for them to read every day. Paul says that we are epistle written, known and read of all men—epistles written not with ink, but with the Spirit of the Living God; not in tables of stone, but in fleshy tables of the heart." (2 Cor. 3:2,3)
We must take heed that our candles burn brightly our testimonies ring true as our lives tell everyone that Jesus Christ is the Way, the truth, the life.
"Let your light so shine before men, that they may see your good works, and glorify your Father which is in heaven." (Matthew 5:16)
"Take heed therefore that the light which is in thee be not darkness. If the whole body therefore be full of light, having no part dark, the whole shall be full of light, as when the bright shining of a candle doth give thee light." (Luke 12:35, 36)

June Ceremony Unites Miss Barrera, Gonzales

Sweetheart roses, pompon balls, white gladioli, and pale pink and dusty rose carnations formed the altar setting at St. Theresa Church in Premont for the Saturday June 27, wedding of Monica Barrera and Adrian Gonzales at five o'clock in the afternoon.

Queen Anne neckline and tapered sleeves. Her bodice was enhanced with Alencon lace and seed pearls. The A-line shirt of the gown was of Alencon imported lace encircled with a double pleated flounce ending in a chapel train. Her pulpit headpiece held a silk illusion veil ending in a cathedral train. She carried a bridal bouquet of white gladioli, stephanotis and sweetheart roses.

The Rev. Peter Azcoitia officiated at the double ring formal ceremony. The Most Rev. Thomas J. Drury, bishop of Corpus Christi, was present for the special blessing given during the Mass.

Parents of the bride are Mr. and Mrs. Manuel Barrera of Corpus Christi, and Mr. and Mrs. Celso Gonzales of Knox City are parents of the bridegroom. Mrs. Howard Weant was organist with Mrs. Harry Cherry as soloist. Other selections were played with guitar accompanied by Mrs. John Cannon and Oscar Daniel Garcia.

Given in marriage by her father, the bride wore a polyorganza bridal gown with a

jackets trimmed with silk Venice lace and cord belts. Mrs. Medina carried a rosary that has served as a lasso and is an heirloom of the bride's family. Miss Barrera carried a bouquet of sweetheart roses, ball pompons and gypsophila with mauve ribbons. A crystal basket carrying the traditional arras used by the bride's grandparents at their wedding in 1922, was held by Miss Caballero.

Celso Gonzales Jr., brother of the bridegroom, was best man. Groomsmen were Pat Barrera, brother of the bride, and Jamie Alaniz of Benavides, cousin of the bridegroom. Ushers were Oscar Gorena of Edinburg and Lupe Porras of Harlingen, fraternity brothers of the bridegroom. A reception and dance followed the ceremony at the KC Hall in Falfurrias. Refreshment tables were covered in white. A Lady Windermere three-tiered cake was placed on a T-shaped table, with punch being served from silver bowls on each end and the bridegroom's spiced cake showing the emblem of Phi Kappa Theta fraternity in the center.

Mr. and Mrs. Randy Pratt of Dalhart recently returned from a trip which took them to Germany, Holland, France and Switzerland.

The trip began with a flight from New York City to Amsterdam. There they toured Amsterdam, Rotterdam and the village of Delft, where the famed Blue Delft Pottery is made by hand. From Delft, they went on to Mijmegen to board their ship, the M.S. Nederland. The cruise took them down the Rhine River to Cologne, Germany, where they visited the magnificent, world famous Cologne Cathedral. The cathedral's construction began in the year 1248 and still is not yet complete, due to wars and many other historical events.

Mrs. Pratt commented that the workers are busy on an addition at the present time and it is rumored in Cologne that when it is completed, the end of the world will be at hand. From there, the ship took them through the Rhine Valley where they docked, toured old castles, vineyards, and old wine towns. Before leaving the area of southern Germany, they were taken by tour bus to the famous Black Forest.

Aboard ship again, it was on to Heidelberg, then to Strasberg, France. The trip continued to Lake Constance in Switzerland. For their last visit, they toured Munich, before boarding a plane back to New York City. Mrs. Pratt is the granddaughter of Mrs. Finnice Walker of Knox City. She is the former Jalene Seitz, daughter of Mr. and Mrs. Cecil Seitz of Dalhart.

Hall on Friday evening. Among the relatives and friends attending were Mr. and Mrs. Charles Escobar of Knox City, Mr. and Mrs. Victor Gonzales and Cory of Bridgeport, and Mrs. Emma B. Gonzales of Fort Worth.

ENGAGEMENT ANNOUNCED - Mr. and Mrs. Leon Burkham announce the engagement of their daughter, Gaylynn, to Greg Covey, son of Mr. and Mrs. L.A. Covey of O'Brien. The wedding date has been set for September 12 at the Church of Christ in Knox City.

ENJOY VACATION

Mr. and Mrs. Don Whitley, Kim, Melissa, and Chad have returned from a vacation taking them to points of Texas.

IN DALLAS

Mr. and Mrs. Jack Stubbs and Shea were in Dallas last weekend attending market at the World Trade Center in Dallas.

They first visited in the Metroplex with Mrs. Whitley's sisters and their families, Mr. and Mrs. John Noah, Holly and Rayan of Grapevine and Kathy and Russ Zaiger of Arlington. They all attended a flea market at Canton.

They then went on to Austin where they visited the C.R. Akin family and also to San Antonio to see the sights and "enjoy" their one way streets. Melanie also commented that they got lost looking for Lukenbach and enjoyed the town of Fredericksburg. Melanie also reported that the prettiest country seen during the entire trip was this side of Abilene!

FROM TYLER
Mrs. John Muller and children Annica and Edward of Tyler are here this week visiting her parents, Mr. and Mrs. Eddie Shaver.

FROM MIDLAND
Mr. and Mrs. Randy Stephens of Midland visited his grandmother, Mrs. Ozelle Stephens and other relatives, over the weekend.
