

Barbecue Set For Thursday

According to barbecue chairmen David Albus and Dick Evatt, everything is set 'on go' for the eighth annual Greyhound Booster Club's barbecue to be held Thursday night, August 27, at the City Park from 7:00 to 9:00 o'clock.

The annual barbecue is the main fund-raising effort of the Knox City-O'Brien Greyhound Booster Club. The Booster Club uses the proceeds to buy needed equipment and make improvements in the school's athletic departments for both girls and boys.

In recent years, the Boosters have been instrumental in getting new scoreboards at both Greyhound Stadium and the high school gym. They have carpeted the girls' dressing room and provided padded benches for both girls' and boys' dressing rooms. Other proceeds have been used to purchase new cameras and projector, as well as new exercise machines needed to help prevent injuries to young athletes.

It is hoped that a good crowd will be on hand Thursday evening to enjoy an excellent meal and support the Boosters in this very worthwhile effort.

The menu will consist of barbecue brisket, pinto beans, potato salad, cole slaw, relishes and tea, and the shade in the Knox City Park makes an ideal outdoor setting for the meal.

Advance tickets are available from Booster Club officers Roland Marion, Nona and Wayne Hutchinson, and Cheryl Daniel as well as the cheerleaders and volleyball girls. Also, tickets may be purchased at the gate at the City Park, Marion said.

W.R. Baker is serving as assistant chef this year, Marion said, and also reminds readers that the brisket will be available for sale by the pound.

RECEIVING SPECIAL recognition during the first Appreciation Dinner for hospital auxiliary members hosted by Knox County Hospital were, from left, Peggy McGaughey, Jerry Smith, Ann Eells, all with 350 hours' service, and Stella Ferguson, who has given 550 hours during the organization's first year.

Auxiliary Members Honored By Hospital

The Knox County Hospital honored Knox County Hospital Auxiliary members at the first awards dinner last Thursday evening in the Masonic dining hall.

Tom Haden served as emcee and said he hoped the dinner was the first of many to be held in recognition of and appreciation for the many good deeds for which the auxiliary is responsible.

He welcomed auxiliary members, their guests, members of the hospital's board of directors and their wives, and hospital employees who assisted in serving the dinner.

Invocation was by the Rev. Ken Sickels, pastor of First Christian Church.

Appreciation was expressed to the auxiliary for the purchase of the new heart monitor which was recently

installed at the hospital. The auxiliary provided \$11,371.33 for the basic unit, and hospital board members voted to purchase two additional components.

Auxiliary officers for the coming year include Peggy McGaughey who was re-elected president and Jerry Smith re-elected president-elect, Marsha McGaughey who succeeds Gladys Grindstaff as vice president, Corrie King who succeeds Margaret Siecke as secretary, and Pansy Russell who was re-elected treasurer.

Prior to the president's report of the past year, Pauline Myers, pianist, and Mary Jo Lankford provided musical entertainment for the guests singing Sentimental Journey, On Moonlight Bay, The World Is Waiting for the Sunrise, and It Is No

Secret.

Mrs. McGaughey told the group how Melba Pharr, director of nurses, saw a need for an auxiliary and with her help and guidance, the new group was organized in July 1980, and with proceeds from a Grapevine Opry benefit, the auxiliary began with approximately \$1,800.00 in its treasury. The main money-maker for the auxiliary, The Pink Ladies' Thrift Shop, was begun in September 1980, with Jerry Smith as project chairman. Mrs. Smith continues in this capacity. The shop had its beginning in a small building on Central Avenue formerly housing the Roy Smith's insurance business. Within only a short time, the thriving business had outgrown the building and the auxiliary moved to its present location on South Central Avenue just south of the Masonic Lodge building. The Thrift Shop has a number of volunteer workers who keep the shop open Tuesdays through Saturdays.

Mrs. McGaughey expressed thanks in behalf of the auxiliary to the hospital for the dinner.

Mrs. Pharr then presented service pins to members with inscription "Texas Association of Hospital Auxiliaries - Member-Volunteer Service."

Receiving the award for the most hours of volunteer work was Stella Ferguson with 550 hours.

Those with 350 hours were Ann Eells, Peggy McGaughey, and Jerry Smith. Jewell Lea and Mary Thomas had 250 hours while Shirley Brown had 200 hours. Gladys Grindstaff and Marsha McGaughey each has 150 hours, and Arnell Denton, Linda Griffith, and Pansy Russell had 100 hours each. Other members received pins for less than 100 hours.

Following the presentation of awards, Mrs. McGaughey presented Mrs. Pharr a gift of appreciation from the auxiliary.

Hounds To Scrimmage Hamlin There

The Knox City Greyhounds will travel to Hamlin Friday night for a scrimmage with the Pied Pipers. Two segments will be played with the junior varsity and varsity participating.

Results of last Friday night's scrimmage with Holiday were the freshman team, 0-0; junior varsity, 0-0; and varsity 2-0, in favor of Holiday.

The season opener will be Friday night, September 4, against Hawley there.

Of KC-O'Brien CISD

Meet The Faculty

Eight new faculty members have been hired by the Knox City-O'Brien CISD and were pictured in last week's News. This week, faculty members have submitted brief resumes to the News office.

Paul Green will be teaching fourth grade in elementary system. A native of Knox City, he is the son of Mrs. O.A. Green and the late Mr. Green. Mr. Green attended school here and for the past nine years, he was special education resource teacher with the Haskell-Knox Consortium in Haskell. Prior to that, he taught in Lubbock area. Mr. Green has a bachelor's degree in music and a master's degree in education with a major in special education at Texas Tech University. He also took additional music courses at Cincinnati Conservatory of Music.

Teaching first grade will be Janice Vacek. She and her husband, William, are the parents of two children, Will, age seven and who is in the second grade; and Sarah, age three. Mrs. Vacek attended Rhineland High School and graduated from Munday High School. She received her bachelor of science degree in elementary education with a minor in physical education from Texas Tech University where she was on the dean's honor roll the last four semesters.

Mrs. Vacek taught four years at Wilson Elementary in Wilson, teaching the second and third grades. She taught for seven years at Munday in grades five, second, first and second

combined, fourth and reading. She is a member of Saint Joseph's Catholic Church in Rhineland and was a member of Major Minor Physical Education Club while at Tech. She is now a member of ATPE-Association of Texas Professional Educators.

Ysidro Felan, a native of Dilley, Texas (near San Antonio), has been employed as mid-school reading teacher and high school girls volleyball coach as well as boys football coach. Felan received his degree from Wayland Baptist College in May 1976 with majors in sociology and Spanish. He is married to the former Alice del Hierro of O'Brien.

Migrant teacher Dena Hawthorne has had 15 years teaching experience. She received her bachelor of science degree from Midwestern University and her master of education degree from Eastern New Mexico University. Her husband is the new superintendent of Goree ISD and they have one daughter, Stacy, age 11.

Other new faculty members include Debbie and Tony Daniel, who moved to Knox City from Abilene. With Abilene being their hometown, both graduated from Abilene High School in 1976. Mrs. Daniel received her degree from Hardin-Simmons University in 1980. Her husband attended H-SU for two years and received a varsity letter in baseball. He graduated from Abilene Christian University in 1981 where he also received a varsity letter in baseball and was a member of the NAIA All-

District 14 team.

Sherry Speck will graduate from Midwestern State University in Wichita Falls in December 1981 and will begin her student teaching soon. She will be teaching math in elementary school and high school after obtaining her degree. Mrs. Speck graduated from Rochester High School and is married to Danny Speck, who is employed by the United States Post Office. They also have two children, Joy, who is eight years old, and Julie, who is six. Mrs. Speck worked as a teacher's aide for three years and has lived in Knox City for five years. The daughter of Howard Sloan of Irving and the late Fychelene Sloan Norman, she is a member of the Four-square Church.

Donna Headstream is a 1975 graduate of Abilene Christian University and taught kindergarten for two years in Brownwood. She did substitute teaching in all levels in Haskell and Knox Counties as well as Stamford. Mrs. Headstream will live in Haskell and commute to Knox City as a reading and first grade teacher.

Enrollment Totals Are Announced

First day enrollment totals for the Knox City-O'Brien Consolidated Independent School District have been released by school officials.

The overall total of elementary, mid-school, and high school classes is 385 as compared to 391 students last year. However, for 1979 the total number was also 385 and in 1978 was 395.

In the elementary grades, 25 students registered for kindergarten, 38 for first grade, 26 for second, 23 in third grade, and 38 in fourth, totalling 149 for elementary as compared to 154 last year.

Mid-school had 32 register for fifth grade, 26 for sixth grade, 28 for seventh, and 39 for eighth grade for a total of 129 as compared to last year's 117 mid-school.

Twenty-six freshmen registered, 33 sophomores, 31 juniors, and 21 seniors for a total 111 in high school. Last year 120 students registered.

The early childhood program registered 48 for this year as compared to 30 children last year.

According to school officials, the totals always fluctuate after registration.

Administrator Hired By Hospital Board

At a called meeting Monday night of the Knox County Hospital Board of Directors, a new administrator was hired through Dan Powers Management Service of Brownfield.

According to board president Greg Clonts, Dan Powers currently has four other hospitals under contract.

Powers will take over management duties in the Knox County Hospital Monday, August 28, and set up the administrative duties according to the needs of the hospital. Within a month to six weeks, he will place an administrator here who will continue to work with Powers as manager, Clonts said.

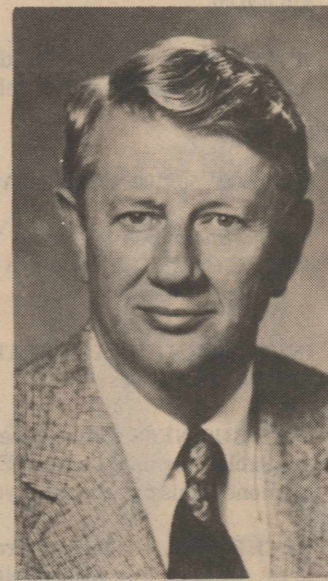

Livestock Certificates Are Expiring

Knox County and District Clerk Gloria L. West reminds readers that in accordance with the provisions of Section 6899J of the Marks and Brands Act, Civil Statutes of Texas, persons are notified that their Marks and Cattle Brands Certificate filed under Articles 6899J Revised Civil Statutes of Texas 1925, shall become null and void after August 30, 1981, unless they re-register after this date and before March 1, 1982, complying with the above chapter and requirements.

House Bill 1550 did not pass which would have required re-registration of livestock brands and marks in 1981, 1990 and every 10 years thereafter and would have required county clerks to publish newspaper notices of the requirements, and in addition to send individual notices at least twice.

Hightower Pleased With New Counties

JACK HIGHTOWER

to be at KC Lions Wednesday, Sept. 2

VERNON-- Congressman Jack Hightower commented that he was very satisfied with the four new counties added to his present congressional district under the new redistricting bill just sent to Governor Clements.

"When I served in the Texas Senate, I represented three of the four new counties being added to the district - Floyd, Baylor and Knox. I have a number of very good friends in Kent County, too. I'm delighted to be able to keep the counties I already represent while adding many more old and dear friends," Hightower said in response to the redistricting bill's passage in Austin.

"My good friend Congressman Stenholm has ably represented those four counties and I am sure they will hate to lose him," Hightower noted. "I will certainly work hard to continue his fine efforts on their behalf. Although these new counties will not be officially

vened in January, 1981. He has worked with and helped make history through four Congresses and three presidents.

In this short period he has become a senior member of the Texas delegation, serving on the crucial House Appropriations Committee. Mr. Hightower also serves on the Subcommittee on Agriculture, Rural Development and Related Agencies as well as the Subcommittee on State, Justice, Commerce and Judiciary. In 1980, these committees considered budget requests of over \$21 billion, many directly affecting the people and businesses of the 13th district.

In the 96th Congress just concluded, Jack Hightower served as Chairman of the Texas Democratic Delegation.

part of the 13th District until January of 1983, I will be visiting in the counties and will be happy to be of any assistance prior to that time."

The redistricting plan for the 13th Congressional District raises from 33 to 37 the number of North Texas counties represented by Hightower.

Congressman Hightower was first elected to represent the 13th District of Texas in November, 1974, and has won re-election ever since. He began his fourth term with the 97th Congress which con-

DIVERTICULOSIS IS VERY COMMON

Very briefly, Diverticulosis is a condition where outpouchings, similar to the blisters caused by "stone bruises" on automobile tires, swell out along the intestines. Often they cause no bother. Many people have them with no problem.

Sometimes one or more of them becomes irritated and inflamed. An infection results which requires prompt medical attention. This is called Diverticulitis. Constant pain, often accompanied by nausea, vomiting, chills and fever are among the symptoms. For any intestinal discomfort not promptly relieved a physician should be consulted. We can fill his prescriptions.

YOUR DOCTOR CAN PHONE US when you need a medicine. Pick up your prescription if shopping nearby, or we will deliver promptly without extra charge. A great many people entrust us with their prescriptions. May we compound yours?

Lions Club News

By James Patterson

The meeting was called to order by Lion President Dick Evatt. The "Lions Song" was sung and Lion Kenneth Sickels led the invocation.

Following the luncheon, the guests were called for, Jimmy Lynn introduced his two sons, Jimmy and Scott, as his guests. Pete Williams introduced Vic Edwards as his guest and presented him for membership in the club. Needless to say, when the typical Knox City Lions election took place, he was accepted by a "roaring" vote.

Lion "boss" Evatt was program chairman for the meeting and introduced the Scouts from Knox City who attended the National Jamboree to give the program on their travels and experiences. (The Knox City Scout Troup is sponsored by our Lions Club.) They were Andy Correll, Michael Albus, James Evatt, Tracy Carter, and David Thompson. Scout Evatt was the chief spokesman for the group, but others "came in" from time to time to give their view.

The National Scout Jamboree was at Fort A.P. Hill, near Fredricksburg, Virginia. The group flew to Washington, D.C., where they visited many of the United States' national sites and memorials. Among the "dignitaries" they encountered in Washington were Congressmen Charles Stenholm and Jack Hightower. From there, they traveled to Fredricksburg, Virginia, the last major Battle Ground in the War with England, where they waited to be transported to their "Jamboree Home" at Fort A.P. Hill. This turned out to be the camp grounds for some 30,000 Scouts and their leaders. Jamboree participants had to be at the place of departure for all

major-events with "plenty" of waiting time. The scouts walked from six to eight miles a day to and from these events. The Jamboree was divided into Sub-Camps which visited one another for the evening "Camp Fire Programs". At these programs, gifts were exchanged. One of the main "extra-curricular" activity was "trading" - everything from Rattlesnake Skins to scout "patches". A large display of these "trading items" was on hand for the Lions to see. One of the inconveniences at the Jamboree was that those who wanted to call home had to wait in line 30 minutes to get a phone. Reports are that they met some interesting friends while waiting in these lines. The program was enjoyed by all of the Lions present.

Our Lion Sweetheart drew the name of Jim Wilkinson from the box - he was absent - his wife should be notified that if he had been present, she would have received a pair of shoes.

The meeting closed with the Pledge of Allegiance to the flag, led by our Lion Boss.

RETURN HOME
Mrs. Pearl Gage returned home last Friday from Santa Ana, California, where her son, Dub, is hospitalized following a blood clot on the brain and a stroke. She reported he is gradually improving.

Mrs. Gage traveled from Lubbock to Dallas where she was met by her daughter, Dortha Faye Carlile of Lake Charles, Louisiana, for the flight to Los Angeles.

On her return flight, Mrs. Gage was met in Lubbock by Mr. and Mrs. Dewey Darr for the trip home.

RECENT VISITORS
Recent visitors in the home of Mr. and Mrs. Otis Wright were Mr. and Mrs. Kim Nance and Michelle of Jackson, Tennessee; Mr. and Mrs. J.B. Ginn and Tonya, Mrs. Carl Lindsey of Corinth, Mississippi, Mrs. Bill Friske, Cyndy and Billy, and Mr. and Mrs. Johnny Rocha and Nathan of Knox City.

VISIT RELATIVES
Mr. and Mrs. Gus Cowart spent several days last week in San Marcos visiting her brother and his wife, Mr. and Mrs. Austin Varner and Mrs. Varner's mother, Maudie Hendon all former Knox City residents.

The Cowarts also visited in Austin before returning home.

Earnings Estimate May Need Revised

The year is half over! A lot of social security beneficiaries furnished estimates of 1981 earnings early in the year; and by now, perhaps some of those estimates need to be revised. An increase in wage rate, extra hours worked, a better than expected farm crop, are some of the reasons a person may want to change an estimate of earnings in order to avoid a large overpayment.

There are two different earnings limits, depending upon a person's age. Beneficiaries who are age 65 or over anytime this year can earn \$5,500.00; and, for those under age 65, the limit is \$4,080.00. If earning exceed the limit, \$1.00 of social security benefits is normally forfeited for every \$2.00 above the limit. There is no earnings limit beginning with the month a beneficiary is age 72. There are different rules regarding disability beneficiaries.

Anyone receiving social security retirement or survivor benefits who want to revise an earnings estimate should phone or visit the social security office.

The Usher board joint meeting was held at the Munday Church on Tuesday evening and all of the other regular services were held at the Knox City Church last week.

Sunday school had a good attendance with Supt. Manuel in charge.

In the morning service pastor Bennett preached powerfully from Hebrews 13:12, Zech. 13:1, and Mark 1:15.

The Bethel Church in Abilene has recently moved back into their beautifully remodeled church and we were blessed to attend the

dedication service on Sunday evening.

Overseer Bennett on Sunday evening from 1 Kings 8:12, 21, With reference also to Daniel 6.

Overseer Watson, pastor of the Lamesa Church came as a representative for Bishop Alexander to help dedicate the church.

Eyes Right for Back to School!

Before that youngster enters kindergarten, be sure his or her eyes have been checked. According to optometrists, children should have an eye examination no later than at 3 years of age. However, at the first sign of trouble, a child's eyes should be checked right away, whatever the age.

Munday Man Named Producers' Chairman

W.R. Moore Jr. of Munday, well-known wheat farmer of Knox and Throckmorton Counties, was recently elected chairman of the Texas Wheat Producers Board, which is based in Amarillo. Other officers of the board are Otis Harmon of Tullia as vice chairman, and Cagle Kendrick of Stratford as secretary and treasurer.

Moore is serving on a committee to elect a new executive secretary for U.S. Wheat Associates.

He was also elected by the board to serve as the Texas Director of U.S. Wheat Associates (USWA), the foreign market development organization supported by Texas and twelve other states.

U.S. Wheat Associates' headquarters are in Washington, D.C., and maintain offices in Africa, the Philippines, Taiwan, Europe, Mexico, Egypt, Japan, Korea, South America, Singapore, India, and China.

Letter To The Editor

5803 Princess Jeanne Ave. NE
Albuquerque, N.M. 87110
August 15, 1981

Dear Angles,
You may have this news already, but I want to send it, because I loved Larry as a nephew. Larry was a Christian and a very kind person. We loved him.

Larry Franklin Snody was born August 24, 1939, in the Knox County Hospital. He started to school in Benjamin and graduated from high school in Seymour. He was the son of Lyndol Snody, who preceded him in death, and Beulah Redwine Snody Huntsinger of Mathis.

His maternal grandparents were the late Mr. and Mrs. Jewell Redwine and his paternal grandparents were the late Mr. and Mrs. Walter Snody. Larry's grandparents all lived many years in Benjamin.

Larry married Joella Blankenship of Seymour and they had four children who survive including Mylinda Burkett, Larry Jr. and Melissa, all of San Antonio, and Daren Scott, a student at New Mexico University. Larry also is survived by three brothers, Charles of Bishop, Gerald of Abilene, and John of San Antonio; and one sister, Mary Carrico of Morgan City, Louisiana. Knox County Sheriff James Redwine is Larry's cousin.

Larry was buried in the Benjamin Cemetery July 30, 1981.

Larry's aunt, Gladys S. Weaver P.S. We appreciate *The Knox County News*. We look forward to the Monday mail! Our regards to Hob Smith, a great fellow and hello to Mabel Pyeat, a great lady! (Editor's Note: Thank you so much. We appreciate your kind remarks!)

Texas wheat farmers support these organizations by permitting their elevators to deduct one-half cent per bushel on the wheat they sell. Moore says that all wheat farmers have every reason to be proud of this self-help program. Efforts to expand this program are now under way.

Moore became a member of the Texas Wheat Producers Board when it was first organized in the early 1970s and has served on the board since that time. He and his wife, Wynette, have just returned from an important meeting of the board of Denver, Colorado.

Guys, Dolls Winners Are Announced

The results of the recent "Guys and Dolls" tournament held August 16 at the Knox City Country Club have been announced.

A three way tie resulted in the championship flight with each scoring 67. Winning the playoff was the team of Foster-Grill. The other two teams were Hickman-Hickman and Conn-Conn.

Another three way tie was in the first flight where each team scored 72. The teams were Staggs-Staggs, Bufkin-Bufkin, and C. Zeissel-M. Verhalen.

In the second flight, the team of Ward-Ward finished with a score of 75. A tie for second and third with a score of 76 went to Higgins-Higgins and Cartwright-Cartwright.

The third flight found another three way tie with the teams of Johnson-Johnson, Gaddis-Gaddis, and Smith-Smith scoring 80.

Locals Win At Haskell Show

Several locals placed in the Haskell Horse Club's playout held August 15.

In eight and under barrels, Dusty Bradley placed fifth and was third in flags and also received another fifth in poles.

In the eight and under novice barrels, Jennifer Cockerell placed eighth. She was also seventh in flags and poles.

Jerry Coplen placed second in the nine through thirteen novice barrels while David Thompson was sixth. David was third in poles and Jerry was fourth.

Lisa Thompson was third in the 14 through 18 age novice barrels. She also placed third in flags and second in poles.

Small Business Workshop Set

For persons that would like to start a small business of their own, for those that would like some help to improve their present small business, a workshop will be conducted at Vernon Regional Junior College on Monday, August 3, from 6:00 to 10:00 p.m.

The workshop will be led by representatives of the U.S. Small Business Administration and members of the SCORE Chapter in Wichita Falls. SCORE, the Service Corps of Retired Executives, is an independent, non-profit association under the sponsorship of the U.S. Small Business Administration. Members work without compensation to counsel those who wish to start a small business and those who are presently small business operators. SCORE was developed in 1964 as a means of utilizing the vast business expertise of the growing numbers of retired top-notch businessmen and women, for the benefit of the American Small Business Community.

The organization serves two very important purposes in the business community. One is the continuing service performed by SCORE members, whose primary function is to serve as volunteer counselors to those seeking management advice. The other is that, through their SCORE membership, retired businessmen and women are able to share their expertise with others, thus contributing to the validity of the American Free Enterprise System.

The workshop will be sponsored by the Continuing Education Department of VRJC, the Ray Cox VFW Post 4747, the SCORE Chapter of Wichita Falls and the U.S. Small Business Administration.

Due to space limitations, it is suggested that advance registration be made for the workshop. For more information or registration call the VRJC Continuing Education Office at 552-6291.

Tips On Your Teeth

Each year, hundreds of people contact The Dental Society of the State of New York to find out what kind of dental specialist they should go to for care.

According to Dr. Edward Whalen, Dental Society president, there are eight areas of dental specialization besides the general practitioner. He offers the following "dictionary of dental specialties":

Orthodontics is the science of tooth and oral structure development. The orthodontist treats problems related to irregular dental development, missing teeth, and other abnormalities in order to establish normal functioning and appearance.

Oral surgery includes a broad scope of diagnostic, operative and related services dealing with diseases, injuries and defects in the jaws and associated structures.

Oral pathology is concerned with the nature of

Good oral hygiene is important to the prevention of tooth decay and an attractive set of teeth.

diseases of the mouth, a study of their causes, processes and effects. The oral pathologist may not necessarily treat the diseases directly but may provide counsel and guidance to the other specialists who do provide treatment.

Endodontics deals with the causes, diagnoses, prevention and treatment of diseases of the pulp and other

dental tissues which affect the vitality of teeth.

Pedodontics is limited to the treatment of children, adolescents and young adults whose dental development is not complete.

Periodontics is the science of diseases which affect the oral mucous membranes, as well as other structures which surround and support the teeth.

Prosthodontics deals with

replacing missing natural teeth and associated structure with fixed or removable substitutes.

Dental Public Health is the control and prevention of dental disease and the promotion of oral health through organized community efforts. It is a form of dentistry which treats the community as a patient, rather than as individuals.

Good daily oral hygiene, proper diet and regular checkups are the best ways to prevent problems before they start, says Dr. Whalen. They'll save you time and money in the long run.

EATING for LESS

CAPITALIZE ON LEFTOVERS

Yesterday's roast becomes tomorrow's dinner in this "planned-over" entrée.

When is a leftover not a leftover? When it's a "planned-over." By planning ahead, it's easy to save time and money by stretching one meal into two.

For example, this beef and pasta skillet yields three servings at seventy cents per serving by utilizing yesterday's roast beef and green beans. The basic ingredient is canned Franco-American Spaghetti in Tomato Sauce with Cheese—a convenient and economic staple that adds a zingy new taste to "planned-overs."

PRONTO PASTA SKILLET

2 tbsp. chopped onion
1 tbsp. butter
1 can (14-3/4 oz.) Franco-American Spaghetti in Tomato Sauce with Cheese
1 c. cubed cooked beef
1 c. cooked cut green beans
1/4 tsp. garlic salt

In saucepan, cook onion in butter until tender. Stir in remaining ingredients. Heat; stir occasionally. Makes about 3 cups, 3-4 servings.

Keeping Student's Room Neat

First of all, remember that keeping house is not a student's favorite occupation, so his or her room should be easy to keep clean and neat. It also has

to be versatile: as a youngster's domain, the room must serve as playroom, study and storage room, as well as bedroom.

Plenty of storage space will help encourage tidiness. By making it part of the architectural element of the room, with clutter

literally shelved, possessions and paraphernalia can be displayed and painlessly organized at the same time.
