## Hounds To Meet Bobcats

By DAVID COUNTS

The Knox City Greyhounds were eliminated from the District 4-A football race Friday night when Aspermont defeated Rule 37-16.

Had Rule won the game, the Hounds would have had an opportunity to tie for the championship by beating Rule Friday night.

The last game of the season for the Hounds will be played in Rule Friday night at 7:30. All that is riding on the game for both teams is pride and tradition.

Rule has an 8-1 record that includes an impressive win over Munday. Knox City has a 7-2 record with one of the losses being to Munday.

The game will be filled with excitement. Rule has a very good passing game to open up its running attack.

I believe the Hounds will be ready and up for the game. They will have to score several points to overcome Rule's potent attack but their pride and determination will prevail.

Come support the Hounds on this last outing.

KNOX CITY MERCHANT Walter Thomas accepted a pad of tickets from Chamber of Commerce manager Doris Crownover for the Merchants Appreciation Program. Drawings will be held the first three Saturdays in December, and merchants began distributing tickets Monday, November 9.

## Voters Go For Three Amendments

Knox County voters lined up behind three constitutional amendments in last Tuesday's election and showed much opposition to the other four.

County totals were for No. 1, 154 for, 271 against; No. 2, 306 for, 127 against; No. 3, 74 for, 346 against; No. 4, 158 for, 270 against; No. 5, 289 for, 148 against; No. 6, 164 for, 260 against; and No. 7, 217 for, and 203 against.

Amendment No. 1 was to allow local governments to grant tax exemptions for renovating property in undeveloped, abandoned or deteriorated areas.

Amendment 2 was to let the state land commissioner issue titles for land held in good faith for at least 50 years but for which no legal title was obtained. It helped Jesse Johnson, who bought his 120-acre Leon County farm in 1928 but recently learned the state technically owned the land because of a defect in the original seller's title.

Amendment 3 was to create a panel of seven legislative leaders to supervise state spending when the Legislature is not in session.

Amendment 4 was to dedicate half the state's revenue surplus to water development, raise the interest rate permitted on state water bonds and let the state guarantee \$500 million in water development bonds issue by local governments.

Amendment 5 was to extend a farm product tax exemption to livestock and poultry.

Amendment 6 was to permit cities and school districts to grant homeowners tax exemptions with a minimum of \$5,000.

Amendment 7 was to issue another \$250 million state bonds for the Veterans' Land Program.

## Auxiliary To Discuss New Project

The Knox County Hospital Auxiliary members will have Knox County Hospital Administrator Randy Abernathy and Director of Nurses Melba Pharr meet with them Monday night, November 16, at the Thrift Shop at 7:00 p.m. to discuss priorities in the auxiliary's next purchase for the hospital.

All members are encouraged to attend this important meeting and express their opinion in this next project, according to Peggy McGaughey, president.

## Rep. Walter Grubbs Now In 78th District

A final redistricting plan for the Texas House of Representatives was approved last week that removed Rep. Walter Grubbs residence from his present district and virtually left the remainder of his counties intact, except for Mitchell County. This gerrymandering plan left Rep. Grubbs' and Rep. Gary Thompson's residences in the same district in the city of Abilene, which amounts to pairing them in any future campaign for the Legislature. The plan was an alternative of Speaker Clayton and Lt. Gov. Bill Hobby after their efforts to get the support of Attorney General Mark White in avoiding a pairing of the two Abilene area representatives in the final plan which was adopted on a 4-1 vote. Bullock

voted against the plan. By removing the census tract in which Rep. Grubbs' residence is situated and placing it in Rep. Thompson's district. There were three options for the two legislators. They could run against each other, one of them could move out of the Abilene District, or one of them could elect not to stay in the Legislature.

The 78th District, which was created by pairing Grubbs and Thompson, includes the home county of Rep. Bill Healy and five of his counties in addition to four of the counties in Grubbs' former district, plus two new counties to both. Rep. Grubbs has exercised the option of moving out of the Abilene city limits and establishing a

legal residence in the city of Merkel, fifteen miles to the west. In addition to announcing the change in his legal residence, Grubbs has announced he will be a candidate for re-election to the legislature in District 78, which means he will be running against Rep. Bill Healy of Paducah.

The new 78th District, which Rep. Grubbs considers himself to have been gerrymandered out of, consists of rural Taylor County, Nolan, Jones, Fisher, Scurry, Lynn, Garza, Kent, Stonewall, King, Knox and Cottle. The five southern counties in the new district contain over 70% of the population of the district and for this reason, Rep. Grubbs has announced his intentions to seek re-election in the new district.

In making the announcement of his intentions, Grubbs said, "This was an unexpected and unnecessary low blow, and I do not intend to be turned out of the legislature through the conniving, gerrymandering tactics of Rep. Bill Healy, Attorney General Mark White, Comptroller Bob Bullock and Land Commissioner Bob Armstrong. If I am going to be retired, I prefer to let the voters do it in the proper democratic manner."

Grubbs continued, "If Mark White, Bob Armstrong and Bob Bullock had not been trying to protect Bill Healy this would not have happened to Gary Thompson, me and this West Texas area. It is unconscionable and was an unnecessary juggling of census tracts in the Abilene area."

Grubbs added that he is delighted at the outcome, is happy to be a resident of the city of Merkel, and most of all he is excited about having the opportunity to seek to represent further this wonderful area of West Texas even if it calls for running against the Dean of the House, Rep. Bill Healy.

Grubbs said that this formal announcement will be made a little later this Fall and in the meantime he is visiting about over the new areas in an effort to make a campaign based on the issues that continue to be of vital importance to this West Texas area and the State of Texas.

## Baptist Revival Set For November 15-18

The First Baptist Church will be holding revival services beginning Sunday, November 15, through Wednesday, November 18. Noon services as well as evening services set for 7:00 p.m. will be held.

Evangelist for the meeting will be Knox City High School graduate Mike McKinney, who is pastor of the First Baptist Church in Haskell. McKinney, son of Wayne and Corine McKinney, was born in Olney and received his associate arts degree from Weatherford College in 1970. He then attended Hardin-Simmons University where he received his bachelor of arts degree in 1972. McKinney also received the master of divinity degree from Southwestern Baptist Theological Seminary in 1975.

McKinney did youth work at First Baptist in Munday in 1971 and Emmanuel Baptist Church in Weatherford from 1972 until 1974. His pastorates include First Baptist in Moran, 1974-1975; Freeway Manor Baptist Church, Houston, 1975-1980; and First Baptist, Haskell, 1980-1981.

He and his wife, Martha, are the parents of a son, Shane, who is five years old, and a daughter, Cori, age two.

Carlton Dillard will be song leader. Born in Wichita Falls, he is 28 years old and attended grade school in Midland where he participated in numerous music activities at all grade levels. He sang in the All-State Choir for three years and was guest soloist with several symphony orchestras.

Carlton was called to the music ministry during his senior year in high school. He received his college education from Howard Payne University and Hardin Simmons University in applied voice and church music. He married the former Sharon Taylor while at Howard Payne and they have a seven year old son, Heath, and a two year old daughter, Heather.

Former church positions include part-time at Wilshire Park Baptist, Midland; Alamo Heights Baptist, Midland; Calvary Baptist, Midland; First Baptist, Midland; First Baptist, Comanche; full time at First Baptist, Crane; First Baptist, Clyde; First Baptist, Huntsville; Gardendale Baptist, Corpus Christi; and is presently serving at First Baptist, Clyde.

## KC Lions Supper Is Successful

The Knox City Lions Club pancake supper was deemed a great success as reported by Lion Boss Dick Evatt. The Lions fed approximately 150 people. The public consumed over 700 pancakes and 35 pounds of fried bacon along with a case of syrup and gallons of coffee and tea.

The Lions do not know who ate the most pancakes for sure, but a report had that Ronnie Reese ate 18 pancakes and a pound of bacon.

The Lions felt that most everyone enjoyed eating out and visiting with their neighbors during the night. The Knox City Lions want to take this opportunity to thank each and everyone who came for the Lions motto is "We Serve" and the public gave them that opportunity.

The Lions commented that they will be looking forward to other service projects in the future and appreciate the support given by the citizens of Knox City.

## KC Band Is III In UIL Competition

Knox City High School Band was among twenty-four marching bands from junior and senior high schools who participated last Wednesday at Memorial Stadium in Wichita Falls in the annual University Interscholastic League competition.

Knox City received a III which is an average performance, as did Throckmorton; Class 2A schools and their ratings included Crowell III, Paducah III, Archer City II, Munday II, Holliday I, Quannah I, and Seymour I.

Those who accompanied the band to Wichita Falls reported that the Knox City group did an excellent job in performing but that this year, the judges preferred show-type routines rather than a military show. As one official said, "Bands are at the mercy of the judges. Their preferences for certain-type shows seem to determine a group's rating, and this has been the case for many years. It is really a shame that bands are not asked to perform a certain type show so everyone would have the same chance."

The concert and sight-reading contests will be held next April, and bands who receive a division I rating in marching will be eligible for the sweepstakes award if they also receive a I in the concert and sight-reading contests.

Twirler Peggilee Wupperman, sophomore daughter of Mr. and Mrs. Dick Wupperman, received a I rating while Kristi Boone, junior daughter of Mr. and Mrs. Joe Boone and head twirler received a II. Karae Beason, junior daughter of Mr. and Mrs. Vic Thomas, received a III, as did sophomore Nancy Jones, daughter of Mr. and Mrs. Henry G. Jones.

## Weather Summary For October 1981

The average temperature for October was 65 degrees, about 1 degree higher than the long-term average of 64.2 degrees. The highest temperature for the month was 93 degrees on the 3rd. The low for the month was 34 degrees on the 26th.

Precipitation totaled 3.9 inches occurring on eight days through the month. The 3.9 inches is almost equal to the average rainfall of 3.99 inches in October. Precipitation received since January 1 totals 21.3 inches.

## Moorhouse Honored By Texas Tech Alumni

Benjamin resident Collins Moorhouse received an arousing ovation when he was announced from the Class of 1930 at Texas Tech University's Alumni Band rehearsal

## First Killing Frost Recorded

The season's first killing frost was recorded Tuesday morning when the mercury dipped to 25 degrees.

A number of cotton farmers had already defoliated their cotton, but the killing frost will quickly drop the leaves on the rest of the area cotton fields.

## Thanksgiving Supper Set November 19

The Junior-Senior Thanksgiving Supper has been set for Thursday, November 19, in the Knox City school cafeteria from 6:30 until 8:00 p.m.

Prices for adults in the cafeteria will be \$3.50 with children fourth grade and under being served in the cafeteria at \$2.00. All takeouts will be \$4.00 as noted by their ad elsewhere in this week's News.

Tickets may be purchased from any junior or senior student.

READYING FOR THE annual First United Methodist Church Bazaar are, from left, Ruby Robinson, the Rev. Doug Stenberg, and Jessie Teague. Ruby has been busy making the very attractive stuffed dolls shown in foreground. Readers are reminded that the bazaar will begin at 9:00 a.m. Saturday and continue until 4:00 p.m. with lunch from 11:30 until 1:30 being served by the youth.

### Local's Kin Dies In Seymour

Funeral services for Mrs. Willie Mae Martin of Seymour, mother of Virginia Johnson of Knox City, were held Monday afternoon, November 2, at four o'clock in the First Baptist Church in Seymour. Officiating was the Rev. Jerry Hodges of Wichita Falls assisted by Rev. Rick Markham, pastor of the First Baptist Church. Burial was in the Gooee Cemetery.

Mrs. Martin, 74, died Saturday, October 31, in a Seymour hospital.

Born February 19, 1907, in Van Zandt County, she had lived in Seymour for 23 years. Mrs. Martin was a member of the Northeast Baptist Church in Seymour. She married Ray A. Martin on July 29, 1925, in Knox County.

Survivors include her husband, four sons, Raymond A. of Carson, Carlton H. of Dallas, Jimmie A. of Seymour, and Jackie E. of Lubbock; three daughters, Mary Ann Fathauer of Brenham, Betty Hollabough of Pinion, New Mexico, and Mrs. Johnson of Knox City; 21 grandchildren and 18 great-grandchildren.

### Crownover Rites Are Held In Olney

Funeral services for Henson C. Crownover of Olney, brother of Knox City resident Arthur Crownover, were held Monday morning, November 9, at eleven o'clock in Olney. Officiating was Phil Pearson, music director of Olney First Baptist Church. Burial was in Restland Cemetery.

Mr. Crownover, 87, died Saturday, November 7, in an Olney Hospital.

Born June 25, 1894, in Gatesville, he had lived in Olney for 60 years. Mr. Crownover was a retired farmer.

Survivors include two daughters, Mrs. W.B. Teston of Seminole and Mrs. Luther Johnson of Olney; two brothers, Arthur of Knox City and Clint of Seymour; 14 grandchildren, 25 great-grandchildren, and a great-great-grandchild.

### Baseball Camp Slated In Stamford

A former pro baseball player who has been doing Christian work for the past year will teach baseball to youngsters in seminars showing them the fundamentals of baseball including batting, throwing and catching.

For more information, interested persons may contact the Christian Youth Baseball Training Camp, P.O. Box 493, Stamford, TX 79553 or call (915) 773-2511.

### Rochester Musicians To Entertain Tues.

Area musicians from Rochester will present a program to the senior citizens at the aging center on November 17 at 7:00 p.m.

Senior citizens are invited to attend and take a covered dish for pot luck supper and an hour of musical entertainment.

# O'Brien Happenings

By AUDIE JOHNSTON

### Cemetery News

People of the O'Brien community are reminded that this is the time of year for cemetery collections. The cemetery is supported entirely by donations and a lot of volunteer work goes into the planning and taking care of the operation of the cemetery. Folk are also reminded that the cemetery association is working on a savings fund in order that the interest from this fund will pay for the cemetery work in the years to come. Checks may be mailed to O'Brien Cemetery Fund, Box 2564, O'Brien, TX 77953 or give it to Beatrice Ellis.

Wallace and Tommie Cox of Fort Worth visited the A.A. Coxes over the weekend.

Visiting Mr. and Mrs. Ranzy Herring over the weekend

### Cotton Prices Lower Last Week

Local cotton prices were weak to one cent per pound lower during the week ending November 6, according to B.B. Manly of the USDA Cotton Marketing Services office in Abilene. Most cotton sold at 47 to 56 cents per pound in slow trading. Base micronaire, grades 42 or higher with staples 31 or 32 sold at 7½ to 9 cents over CCC loan values. Lower quality cotton sold at 2 to 6 cents over loan values, which placed physical prices as low as 38 cents per pound. Demand was light for most qualities, and was very light for staples 33 or longer.

Cottonseed prices paid farmers continued the lowest received in several years, ranging from 75 to 90 dollars per ton.

Dry weather allowed the cotton harvest to gain momentum during the past week. Harvesting is later than usual this season but is still earlier than it was last season. About 29,000 cotton samples were classed last week, which brought the seasonal total to 68,000 samples classed.

The quality of early season ginnings has been low for grade, high for micronaire, and about average for fiber length. Grades were 43% 42, 21% grade 52, and 15% grade 41. Fiber length was 49% staple 32, 26% staple 33, 18% of the samples classed were reduced in grade because of bark or grass content.

**Take stock in America.**  
UNITED STATES SAVINGS BONDS

were Ken Herring and Cheryl Fairchild of Junction and Judy Fairchild of Knox City.

Andy Hines of Lubbock visited his grandparents, Mr. and Mrs. Ranzy Herring, Tuesday night.

Mr. and Mrs. Randy Hollingsworth and children moved to O'Brien from Knox City last week. They bought the Elmer Jackson home after the Jacksons moved to Rochester.

Visiting Mr. and Mrs. Clifton Duncan over the weekend were Mr. and Mrs. Mark Crist of Weatherford, Oklahoma.

Mr. and Mrs. Eugene Jones and family of Wichita Falls visited his mother, Mrs. Clyde Jones in Brazos Valley Care Home over the weekend.

Christi Manning spent last week in Hamlin with her aunt, Mary Hollis and other relatives. Pearce Manning returned her home Sunday.

Cori McKinney of Haskell visited her grandparents, Mr. and Mrs. Wayne McKinney, last week.

Mr. and Mrs. Ross Walsworth of Albany spent some time at their home in O'Brien last Thursday.

Mr. and Mrs. Butch Banner and boys of Hawley visited his grandparents, Mr. and Mrs. C.B. Banner and Mr. and Mrs. A.L. Cameron Sunday.

Mrs. Bernice Rowan is spending this week in Denton with her son, Lowell and

family, while Lowell's wife is in the hospital.

Marvin Manning and Charlene Brothers were in Comanche Sunday to attend the funeral for a cousin of Marvin's.

Rev. Bill Trice and Evelyn visited their daughter Ruthie at H-SU and attended a musical at the college. They also visited in Lawn with Mr. and Mrs. Walter Carrolton and family last Friday.

Mr. and Mrs. Elmo Stephens and Mr. and Mrs. Ken Williams and baby of Plainview spent the weekend with Mr. and Mrs. Butch Stephens, Scott, Stefani and Suzanne.

Delbert and Hazel Hays and Rayland, Jill and Shannon Hayes visited Mr. and Mrs. Mark Reed Sunday in Munday.

### Guy Glenn In Lubbock Hospital

Guy Glenn, who suffered a heart attack and stroke, is a patient in Texas Tech University Health Science Center at 4th and Indiana in Lubbock.

According to his wife, Jane, he is in ICU but friends may address correspondence to them in care of the hospital, at the above address.

## News Notes from the Brazos Valley Care Home

BY RENA TANKERSLEY

Sunday school lesson was taught by Ozelle Stephens from 2nd Corn. 11th and 12th Chapters Peggy Guinn played the piano for group singing. There were 19 present.

Church services Sunday afternoon were conducted by the Church of Christ. Subject was Paul's Teachings on "Joy, Love, and Unity". There were 26 present.

Bingo winners, Friday, November 6, C.C. Strickland, Mrs. Clark, Commie Montgomery, Lillie Dennington, Lillie Burleson, Hallie Barrington, Parker Denton, Idoma Chowning, Vida Williamson and Waynell Clark.

Blackout winners, Friday, November 6, were Lillie Dennington and Eda Faye Pounds.

Maude Newberry and Edna Eubank visited Mamie Benton.

Camey Glover and Tyke Meizner visited Nena Alvis. Jack Davis and wife of Haskell, Barbara Roper, Maude Newberry and Edna Eubank visited Zona Guffy.

### STREAMS IN DESERT PLACES

By OZELLE STEPHENS

"For God, who gives seed to the farmer to plant, and later on good crops to harvest and eat, will give you more and more seed to plant and will make it grow so that you can give away more and more fruit from your harvest." (2 Cor. 9:10).

Be eager to give and God will repay. But remember this— if you give little, you will get little. A farmer who plants just a few seeds will get only a small crop, but if he plants much, he will reap much. No one is forced to give but the cheerful givers are the ones God prizes. (V. 7). God is able to make it up to you by giving you everything you need and more, so there will not only be enough for your own needs, but plenty left over to give joyfully to others. It is as the Scripture says: "The Godly man gives generously to the poor. His good deeds will be an honor to him forever." (V. 8,9)

Yes, God will give you much so that you can give away much, and when we take your gift to those who need them they will break out into Thanksgiving and praise God for your help, and they will pray for you with deep fervor and feelings because of the wonderful grace of God shown through you. Thank God for his Son— his gift, too wonderful for words. (Vs. 11-15.)

### Annie Mae Moss Celebrates Birthday

Annie Mae Moss celebrated her 80th birthday with several parties in her honor. Her birthday was Tuesday, November 3, and several ladies celebrated with her on Tuesday.

On Saturday, November 7, all of her daughters celebrated with her including Elnora of Albuquerque, New Mexico, Jean Session, also of Albuquerque, Dollie and her husband of Fort Worth, Lavada Thomas and husband of Stamford, her grandchildren, nieces and nephew of Fort Worth. It was reported that she had a very enjoyable day with her grandchildren, nieces and nephews.

Maude Newberry visited Sudie Mae Ballard.

Jack and Norma Rainey, Thelma Williamson, Edna Eubank, Lorena Burnison, Doris Webb and Maude Newberry visited Vida Williamson.

Vernon and Nina Duncan visited Ben Snelson. Shelly and Evelyn Balis, Manuel Rios and Dixie Warren visited Esther Bradford.

Mr. and Mrs. Eugene Jones, Paula and Christopher Morrow and Edna Eubank visited Clyde Jones and Eda Faye Pounds.

Neva Epley, Jack Dozier and wife, Lois Buckley, Maude Newberry, and Eda Eubank visited Bertha Trimmier.

Shelly and Evelyn Balis visited Athleen Owens.

Romona Helms, John and Anna, Gaylen, Natlie and Barry Helms visited Waynell and Hazel Clark.

Garnett and Viola Smith, Jack and Johnnie Land, and Mother and Daddy Z.I. and Mary Beth visited Kelton Smith.

Weldon and Jane Gideon, Cecil Gideon and Lana Gideon visited Mrs. Gideon.

Bessie Clower, Betty Aldridge, and Carol Large visited Jessie Tension.

Zena and George Wall and Lois Buckley visited H.E. Wall.

Zena and George Wall and Lois Buckley visited H.E. Wall.

Lorena Burnison, Pearl Gage, Anna Helms, Galen, Natalie, Barry and John Helms Jr., visited Mae Flowers.

Ozelle Stephens, Sequoyah Reynolds, Harvey Reynolds of Abilene and Kathleen Tep-ton of Bloomfield, New Mexico, visited Ruth and Wayne Hardin.

## LIONS CLUB NEWS

By JAMES PATTERSON

November 4, 1981  
Lion President Dick Evatt presided. "I've Been Working on the Railroad" was sung. Lion John Gillispie led the prayer.

After a good meal, the Lion Boss called for guests. There was only one - the hospital administrator Randy Abernathy who was guest of Hob Smith.

The Pancake Supper was emphasized and the "Work Schedule" was given as follows: Cooks - Alton Fitzgerald, Carl Hutcherson, Don Hawkins, John Muncrief, Otto Lawson, Terry Keener, and David Lorenz; Tables - Hob Smith, Don Bunton, Doug Stenberg, and Pete Williams; Clean-Up - Bill Baker, Greg Clonts, Joe Clonts, and Pete Williams; Door - Jimmy Lynn, Dick Evatt, and James Patterson. Lion Don Hawkins was program chairman and he introduced Lion Carl Hutcherson to give a program on "Wild Life".

Lion Hutcherson told of the "Pheasant-Release" program which is in its fourth year and has three more years to go on the seven year program. The State Wildlife Department is seeking areas for "wildlife habitat". There are packets of seed available to people who would like to develop one of these habitat areas. He explained that pheasants are beautiful birds and are good hunting and good eating. He said that these habitats were also being developed for dove and quail. Then he presented a series of slides of all kinds of wildlife.

Otto Lawson's name was drawn, so Lion Lawson's wife will receive a pair of hose from the Lions Club, because Lion Lawson was present.

The meeting closed with the Pledge of Allegiance to the Flag of the United States of America, led by Lion first vice president, Carl Hutcherson.

Beaver, Oklahoma

Dear Editor,

Stacy, I knew you could sing like an "angel", but now you are also an outstanding business woman as editor of *The Knox County News*.

You are such a multi-talented young lady, it makes me very proud to say I know you, and to ask you to renew my subscription to your paper for another year.

Your friend,  
Jean (Walker) Turnbow  
1900 N. Ave. F  
Haskell, TX 79521

(Editor's Note: Jean, thank you ever so much for your nice note. I appreciate your taking time out to write and especially your kind comments.)

## KC COLORED NEWS - EVENTS

### SERVICES OF THE CHURCH OF GOD IN CHRIST

Each of the weekly services were held at the church last week.

Sunday school had a good attendance with Assistant Supt. Tilly in charge.

During the morning service, Pastor Bennett preached a wonderful message from Isaiah 12 with references to St. John 7:38 and Matthew 11:28, 29.

The Aspermont Church celebrated their pastor's wife's 18th anniversary at that church on Thursday and Friday nights of last week and the closing service was held Sun. afternoon.

Assistant overseer and Mrs. Leon Ward have laboured faithfully in Aspermont these past years.

Overseer Bennett preached Sunday evening a stirring message from Revelation 3:7, 11.

# SKIP NOVEMBER 19th.

On November 19, we'd like you to stop smoking cigarettes for 24 hours. It's worth a try. Because if you can skip cigarettes for a day, you might discover you can skip 'em forever.

The difference between center pivots is how many times they can do this.

Valley builds them tougher.

It isn't just one thing.

It's the toughest gearbox in the industry — the one they put on other make center pivots by the thousands when their gearboxes fail.

It's a new, no-grease urethane U-joint that easily outlasts conventional U-joints.

It's a proven multi-directional flex joint that allows easy operation on slopes up to 30%.

It's a structure where you can see the difference when you put a ruler to it.

And that's just for starters. Let us show you the rest.

Valley dominates the field.

# THE KENNEL

**JUNIOR CLASS NEWS**  
By Toni Hewitt

The Juniors had a perfect day for their carwash and bake sale last Saturday. The weather was perfect. Both the bake sale and the car wash were successful. We washed 61 cars. Everyone did a good job at the car wash even when we were tired. After the car wash was over, we found three sets of floor mats. So if we washed your car and it came back with no floor mats, then we have them. You can contact a Junior or Mrs. Watson and we will get them back to you.

Our next project is the annual Junior-Senior Thanksgiving Supper. We got our tickets on Monday of this

week. The tickets may be purchased from a member of the Junior or Senior class. The supper will be Thursday, November 19.

**SOPHOMORE NEWS**  
By Sarah Jones

On Wednesday of last week, the KC Greyhound band journeyed to Wichita Falls to UIL Marching Contest and made a good showing. Congratulations to all sophomores involved.

Also last week, the Annual Staff sold sponsorships to the 1982 Greyhound Annual. Wayne Hutchinson, Sarah Jones, Steve Rutherford, and Peggilee Wupperman are the sophomore representatives

on the Annual Staff. Only 13 more days till Thanksgiving (and Thanksgiving vacation!).

**FHA NEWS**  
By Sarah Jones

The American Cancer Society is sponsoring the Great American Smokeout on Thursday, November 19. The Knox City Future Homemakers of America is supporting this event and would like to make a date with all smokers in the Knox City area. We will be taking the names of people who pledge not to smoke on this date.

Two sayings come to mind when considering the Great

American Smokeout. One is a cheer, and it goes - "Try it, you'll like it!" The other is an advertisement, and it goes - "It could be a matter of life or breath."

**BAND NEWS**  
By Melissa Whitley

Wednesday, November 4, was a important day for the band from Greyhound Land. Two packed buses holding hats, instruments, all sizes of suits and players headed for Wichita Falls to the UIL Marching Contest. We received the rating, III, which signals an average band.

Despite our "average" rating, the band, as a whole was pleased with our showing. The judging seems to be getting stricter every year and even though we feel we have improved immensely this year, we still have quite a bit of catching up to do.

Upon arrival back in Knox City, we were treated to refreshments from a group of band mothers. Many thanks to them. They must have known that marching, good marching, is hard work!

**KEY CHAPTER NEWS**  
By Vera Sweat

Our Freshmen FHA girls had our first Key Chapter Meeting and a few girls put a program. Paula was our announcer and Stella, Vera, and Olivia were our models. We presented a fashion show. After the show, we had refreshments. Cyndy, Debra, and Paula served.

We also received FHA membership cards from our secretary, Debra Johnson. We enjoyed it very much.

## It's the little things that mean the most!

### Treat Windows Well

Windows are wonderful. They offer the home-maker decorating challenges, the chance to drape the room in design.

But, window treatments are an investment — in time, money and creative thought.

You can protect that investment with some inside smarts. Know what you are selecting when you buy fabrics for your windows, know how to prevent damage and how to maintain the fabrics.

The choice of fabrics and designs suitable for use in draperies is extensive. Equally extensive is the list of unavoidable natural enemies that can shorten the life of your draperies. Dirt, heat, grime, moisture, sunlight, water and atmospheric gases will work away the beauty of the fabrics.

An unnatural enemy — poor fabric construction — can be avoided. Learn how to detect it as you choose draperies.

Protection of your drapery investment, therefore, begins at the time of purchase.

The International Fabricare Institute (IFI), the world-wide association of drycleaners and launderers and authority in fabric maintenance, offers some hints as you begin shopping for draperies.

- Look for, read and understand the care instructions that accompany your selection of draperies or the fabrics you intend to use in draperies.

- Ask for a totally pre-shrunk fabric, especially when installing ceiling-to-floor draperies.

- Ask about the colorfastness of the fabric and its resistance to fading from light and atmospheric exposure.

- Remember that lined draperies usually last longer than unlined.

- Match types of fabrics to specific areas. Almost all fabrics, except glass, are weakened by light exposure. Sheer fabrics weaken much faster than heavier, tightly woven fabrics. Silk is weakened faster than any other fiber.

- Insulated draperies with backing material may tend to yellow and deteriorate from constant light exposure.

After you have made your selection, attention to their care will give your draperies the longest possible life. However, draperies cannot be expected

to last forever. IFI has determined through testing that lined draperies should wear for five years; unlined, four.

With special care, these years can be beautiful years for your windows. To maximize their beauty and useful years, IFI suggests you clean draperies frequently, at least once a year, and vacuum thoroughly between cleanings; rotate them if possible, and protect them from atmospheric elements, such as moisture from condensation on the window pane or inclement weather that reaches the draperies through open windows or patio doors.

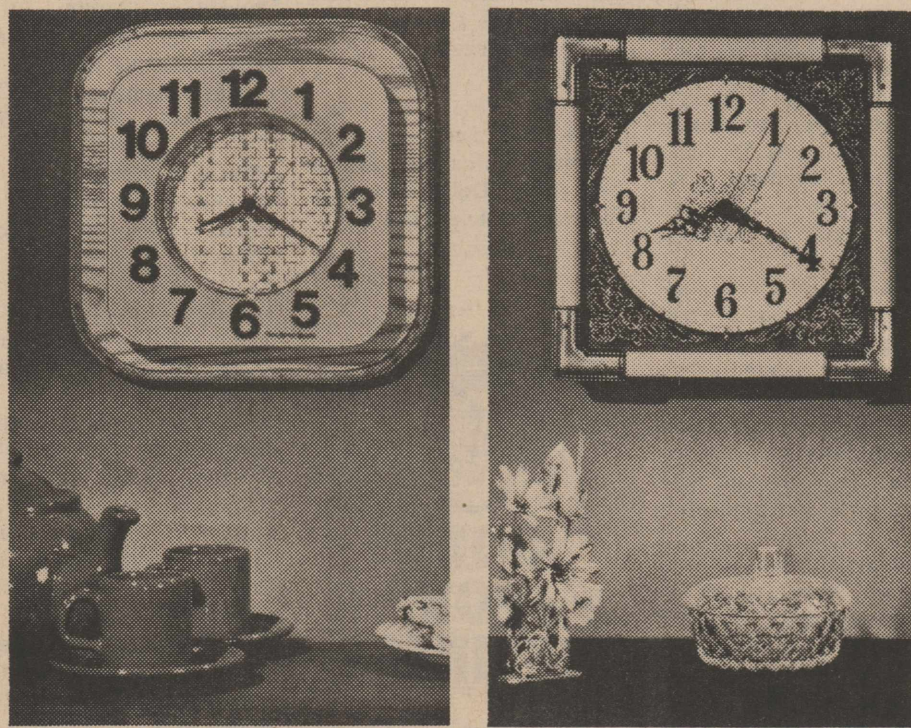

Some problems become evident as your draperies age. Often, IFI warns, these problems become more apparent after you have had the draperies drycleaned. But, they can be prevented or minimized by careful selection of draperies and careful use.

Life in your living room will take its toll on your draperies. However, if you bring in your IFI-associated drycleaner during your selection process, that toll may be lessened.

Bring in swatches of material you are considering for his or her opinions on its maintainability. Your drycleaner can steer you to the best fibers, colors and fabric constructions for particular problems you may know you will be facing.

For a free brochure on selecting and caring for draperies, send a stamped, self-addressed envelope to IFI, Room 760, 20 N. Wacker Dr., Chicago, Ill. 60606.†

### Timely Accents for the Home

**TIMELY ACCENTS:** (Left) Boldly grained, solid ash sets off a raised styrene dial in the Sherwood quartz clock from the New Haven division of Burwood Industries. Almond outer plane, with large brown numerals, frames a basketweave-printed recessed dial with sweep second hand. Wood base measures 10 inches square. Suggested retail price, \$37.95. (Right) Pierced hands and a parchment-like dial with decorated spandrels lend traditional flavor to the Dover quartz clock, one of several new campaign-look designs from the New Haven division of Burwood Industries. Color-styled in almond and brown tones with brassstone corner accents, the 10 1/2-inch-square clock has a suggested retail price of \$31.95. Other campaign models offer bright red, yellow and blue frames with color-matched dials. †

### GTE Customers May Return Phones Locally

General Telephone residential or single-party business customers in Knox City who discontinue telephone service and decide not to purchase their instruments can now return their phones locally if they want to save the charge if the company must send a person to pick up the phones.

The company announced in August that customers now have three options when discontinuing service: return the phone to the company, have the company send an employee to pick up the phones with a pick-up charge being applied, or purchase the phones.

†To make the return of

telephones more convenient for those Knox City customers wanting to return them, we have installed a telephone return depository in Knox City where they can return the phones and save the pick-up charge," Bill Drennan, Brownwood division manager said.

Drennan said customers will receive instructions on how and where to take instruments when they contact the business office to discontinue their service.

### Use The Classifieds

### Miss Welch, Beaty Are Engaged

Mr. and Mrs. E.D. Welch of Gilliland announce the engagement of their daughter, Becky Jolene to Tracy Glen Beaty.

The prospective bridegroom is the son of Mr. and Mrs. James C. Beaty Sr. of Tioga.

A December wedding is being planned by the couple.

### Methodist Women Hear Mrs. Logan

The United Methodist Women met for their regular session on Tuesday, November 3. Nine women and Rev. Doug Stenberg were present.

Ruby Robinson opened the meeting with prayer and the devotional, "God Created You". Lillian Logan led us in the third part of our study "Singing the Lord's Song". Discussions on God's Creation and God's Salvation were given by Myrtle White and Mamie Watson. Mrs. Logan followed with a comparison of Psalms 27, 30 and 33 to parts of Isaiah, showing how closely they were related.

The group made final plans for the bazaar on Saturday, November 14. All Methodist women are urged to donate items for the bake sale, arts and crafts and the white elephant sale.

After the business session, Rev. Stenberg dismissed the group with prayer.

### VISIT PARENTS

Mr. and Mrs. Tom Winegar of Borger and Mr. and Mrs. Jeff Harbaugh of Fort Worth visited over the weekend in the home of their parents, Mr. and Mrs. Allen McGaughey.

### FROM SWEETWATER

Jackie Vaden and Jennie Swafford, both TSTI students in Sweetwater, visited recently with his parents, Mr. and Mrs. Jimmy Vaden and Charlie.

### FROM DALLAS

Houseguests in the home of Mr. and Mrs. Lee Smith Monday night were his nephew and his wife, Mr. and Mrs. John E. Smith of Dallas.

# 'Curly' Retires From WTU November 1

James L. (Curly) Hays, farm and ranch supervisor for West Texas Utilities Company, retired November 1 after serving the company for 43 years.

Curly doesn't seem to have any immediate plans for his retirement, but if he is true to form, he'll be too busy to even know he's reached 65. In fact, at the occasion of his 25th anniversary with WTU in 1964 it took his boss, R.E. (Bob) Kennedy, and others a week to locate him. They finally caught up with Curly in Roby where he was guest speaker at a Lions Club.

Kennedy presented the tall friendly Hays his 25-year pin at the close of the Lions meeting, and said, "We have been trailing him all over West Texas trying to give him this pin. It not only represents 25 years of service with WTU but also 25 years of devoted service to 4-H Clubs and FFA boys and girls, farmers and ranchers."

Curly came to work for WTU in 1938 after a very successful early life. He was born in Clarksville in 1916, but spent his younger life in San Angelo where he attended schools. He was an outstanding athlete in football, and was named a member of the all-state team for two years. He was also a member of the National Honor Society

for two years.

Following high school graduation, he attended Tulsa University and received a bachelor of arts degree in business administration. He also received a bachelor of science degree from Dartmouth. While at Tulsa, he was named to the All-American football team as a running back, and to the All-Missouri Valley Conference team for three successive years.

During World War II, Curly served with the U.S. Navy and reached the rank of lieutenant-commander. He was active in the Naval Reserve as full commander, and served as a commandant's personal representative in West Texas.

For many years he was busy on weekends during football and basketball season flying all over the Southwest to officiate at athletic contests. He was a member of the Southwest Conference Football Officials Association; the Southwest Conference Basketball Officials Association; and Western Alliance Conference Basketball Officials Association.

Curly has always been a big booster for West Texas towns. He has been active in the Texas Commercial Agriculturists Council, the West Texas Hereford

Association which he served as secretary for many years, the Texas Junior Hereford Association, and the Food and Fibers Council of Texas. He also acted as superintendent of the West Texas Fair Fat Stock show, and was a member of the Fair Board of Directors.

He was awarded an honorary Lone Star Farmer and also served as a trustee of the P.T. Montfort Foundation.

In all of his many devoted activities, Curly likely will tell you that work with 4-H boys and girls is his first love. When 4-H club members get together for a district meeting, a Gold Star Banquet, or a Style Review, Curly is always there. He is probably received more hugs from 4-H girls and more handshakes from 4-H boys than any other person in Texas. He served many years as a trustee of the Texas 4-H Foundation. He has stirred the hearts of many young people during speaking engagements as he has admonished them to continue working for their communities' betterment.

Hays and his wife, "Shifty", the former Jean Cahill of Kingston, New York, were married in Abilene in 1948. She is employed by Southwestern Bell Telephone Company in Abilene.

## Pump Efficiency Is Important To Farmer

With fuel costs rising every day, the irrigation farmer must find ways of cutting costs without sacrificing yields. One way of achieving this goal is to upgrade the efficiency of his pumps and pumping plants. For example, a pump discharging 400 gallons per minute against a total pressure (from pumping level of the ground-water to the pressure of the sprinkler heads) of 60 psi will use 34.8 kilowatts of electricity every hour at 30% efficiency. This requires a 50 horsepower electric motor. At 60% efficient, this same 400 gallons per minute discharge at 60 psi pressure would use only 17.4 kilowatts per hour and require only a 25 horsepower motor. At 6.2¢ per kilowatt a savings of \$4.86 per acre for each 4 inch irrigation can be realized.

If you suspect your pump is not performing as well as you would like it to, the following items may help you determine if the pump is a candidate for poor efficiency: no service or adjustment in the past five years, well pumps sand, pump surges or discharge contains air bubbles, water table has lowered, change in irrigation system, two or more wells are connected by one line, booster pump was added to existing pump, pump uses large quantities of oil, and discharge has decreased.

The Soil Conservation Service has a simple test to determine if your pump is operating in an efficient manner. All that is needed is to measure the pump discharge with a flow meter, determine the total pressure, and read the electric or natural gas meter for power consumption. This information is then compared to a national standard for irrigation pumping plants to see if it is operating reasonably efficient. For further information or assistance, readers can contact their nearest SCS office.

### ATTEND CONFERENCE

Rev. and Mrs. James Patterson, Rev. Doug Stenberg, and Mrs. Ruby Robinson were in Vernon Sunday afternoon to attend the annual district Methodist conference at the First United Methodist Church.

### Fall Tea Honors

#### New Deputy Matron

A fall tea honoring the newly-appointed Deputy Matron of District Two, Section Seven of the Order of the Eastern Star, Mrs. Sammy B. White, was held Sunday afternoon, November 8, from two-thirty until four-thirty o'clock in the home of Mr. and Mrs. J.C. McGee.

Mrs. McGee greeted sixty guests from Anson, Abilene, Hamlin, Haskell, Knox City, Rule and Sweetwater.

Members of the Knox City OES served frosted punch, finger sandwiches, several kinds of cake, toasted nuts and mints from a table covered with a white net cloth which held a centerpiece of pink silk roses and pink candles.

### IN CHILDRESS

Mr. and Mrs. Lee Smith visited his sister-in-law, Henry Etta Smith, and niece, Jean Ann Coyle, in Childress Sunday.

### New Resident Moves Here From Seymour

Toni Thompson has been employed by Knox County Hospital where she assumed her LVN duties November 2.

Mrs. Thompson and her children, Traci, 12, a sixth grader; Kimberley, 10, a fourth grader; and Raymond, 8, who is in the second grade, came here from Seymour and have moved into the former home of the late Carrie Belle Benedict which is now owned by Dr. W.F. Thompson.

Mrs. Thompson and her children are Baptists.

### Call In Your News 658-3142

### ENJOY VISIT

Robert Mitchell, Tony and Annie Asborne, daughter and grandson of Mr. and Mrs. J.H. Culp, flew to El Paso October 24 and then drove to Las Cruces, New Mexico, to visit another grandson, Donnie, at New Mexico State College. They enjoyed seeing a football game on Saturday night between the University of New Mexico and New Mexico State with the final score 17-14. The University of New Mexico won but it was a close good game, they said. According to reports, seeing Donnie play college football was a big thrill to all.

The three stayed over until Sunday afternoon visiting with Donnie. From there, they drove to Merkel to spend Sunday night with former KC resident Hayden Reeves and family and then drove in to Fort Worth for work and school on Tuesday.

### Braided Coffee Cake Economical, Easy To Make

Add some warmth to a brisk morning by serving Almond Glazed Coffee Braid. The attractive coffee cake is economical and quick to prepare because it is made with refrigerated biscuits. Glaze and almond slices give the cake its bakery-made look.

#### ALMOND GLAZED COFFEE BRAID

- 2 tablespoons margarine or butter
- 1/8 teaspoon almond extract
- 2 tablespoons sugar
- 2 (7.5-oz.) cans Pillsbury Refrigerated Biscuits
- 1/3 cup powdered sugar
- 1 to 2 teaspoons milk
- 1/8 teaspoon almond extract
- Sliced almonds, if desired

Heat oven to 375°F. In ungreased 8-inch round cake pan, melt margarine in oven. Stir in 1/8 teaspoon almond extract; sprinkle sugar evenly over margarine mixture.

Separate dough into 20 biscuits. Roll each biscuit between palm of hands to form a 4-inch strip. Join 2 strips end-to-end, pinching to seal end well, to form one 8-inch strip. Continue with remaining strips of dough. Using 9 strips of dough, braid into three 8-inch braids. Starting at outer edge of pan, coil braids around edge toward center. Twist remaining strip of dough and place in center.

Bake at 375°F. for 22 to 25 minutes or until golden brown. Remove from pan immediately. Combine powdered sugar, almond extract and milk until smooth. Drizzle over warm coffee cake. If desired, sprinkle with sliced almonds. 8 to 10 servings.
