## Physicians Will Give Olton Tykes Salk Vaccination Friday Afternoon

### Linda Franks Named Valedictorian; Wylene Freeman Is Salutatorian

Miss Linda Franks is valedictorian of the Olton High School Class of 1955 and Miss Wylene Freeman is salutatorian, it was announced in a special OHS assembly on Wednesday afternoon.

Miss Franks, daughter of Mr. and Mrs. Eldon Franks, compiled a 95.31 average during her four years in high school here. Miss Freeman's four-year average was 95.15. She is the daughter of Mr. and Mrs. S. A. Freeman.

The honor students will receive special recognition in OHS commencement exercises scheduled in the latter part of May.

It was also announced at yesterday's assembly that Charla Beth Granbery has won eighth grade valedictorian honors, and that Sydney Hair has been named salutatorian, Charla Beth is the daughter of Mr. and Mrs. Dub Granbery, and Sydney is the daughter of Mr. and Mrs. Laus Hair.

Also announced yesterday was the high school and eighth grade honor roll for the fifth six weeks of study.

Linda Clark, Charla Granbery, Sydney Hair, Charlotte Loveless, Judith Price, Mary Scribner, Mary Ruth Smith.

**Eighth Grade Girls A-B Roll:**  
Gayland Graham, Barbara Huff, Ellen Jones, Judy Ogle-tree, Norma Stovall.

### JUNIOR BAND TAKES TOP STATE HONORS

Olton Junior Band won top state honors last Friday in a contest at Plainview.

This was the first year the Jr. band had ever competed in contest. They competed with Littlefield, Crosbyton, Sundown, Brownfield, Canyon and Abernathy.

There were 67 members of the Jr. band, which is composed of 5th, 6th, and 7th graders, going. They competed against 7th and 8th grade bands.

Don Williams, director of the Olton Junior Band, stated that to make the highest possible ratings in the state is really an honor for students who had never been to contest before this year.

### MRS. BEACH CLAIMED BY DEATH SUNDAY

Mrs. Joe Beach died at 4 o'clock Sunday afternoon in a hospital at Luling.

She had been in very ill health for the past three months. Mrs. Beach had lived in Olton before moving to Prairie Lea to the home of a sister, Mrs. Velma Cox.

Burial was to be in Luling Cemetery.

Survivors include the husband, Joe Beach; a son, Dan Stewart, of the US Army, who was at his mother's bedside at the time of her death; two sisters, Mrs. Bill Dickenson of Olton; Mrs. Cox; four brothers, Earl Lundy of Har-gill, Vic Lundy of Arkansas Pass, Texas, Tom Lundy of Branson, Colo., and Wesley Lundy of California.

The Olton Enterprise believes that a little sweet should always be mixed in with the bitter.

A lollipop is in store for each child who takes the Salk shots here Friday, compliments of The Olton Enterprise.

### OLTON P-TA LAUNCHES SAFETY CAMPAIGN ON SCHOOL STREETS

Olton Parent-Teachers Association has launched a safety campaign designed to make the streets around Olton schools safer for children.

The P-TA has installed four signs near the school on the design of small policemen in order to warn motorists to use caution.

On the P-TA safety committee are Mrs. Roye Aikman, Mrs. S. A. Freeman and Fred Gordon.

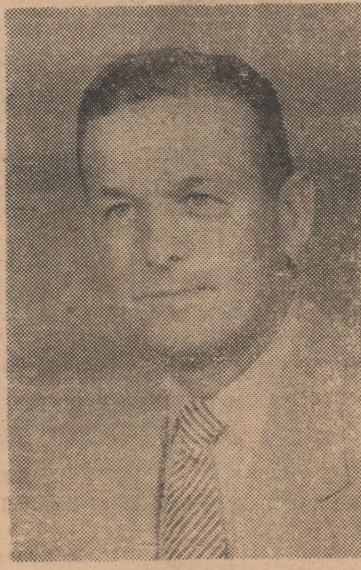

The safety signs were donated by the Coca-Cola Bottling Co. of Plainview and cost more than \$100.

Pedestrian walk ways were outlined by members of the local

### OPERATE PHARMACY

FOSTER

CULWELL

Work was progressing this week on the new building just north of Southwestern Public Service Company. The building will house the clinic of Dr. O. H. Thompson, Ira Foster and Ray Culwell will operate a pharmacy in the new building.

### Mustang Nine To Collide With WTSC Aggregation Here Today

### Hart School Employs New Grid Mentor

Paul Boswell of Pampa has been employed to coach Hart's football team next season.

Coach Boswell and Hart will start off together. It will be Hart's first year in football and Boswell's initial year in the coaching profession.

Coach Boswell will graduate from West Texas State College this June. At WT he lettered two years at tackle. He was a four-year letterman with the Pampa Harvesters in high school.

### Linda Franks Olton Queen Candidate

Miss Linda Franks will represent the Olton Lions Club in the queen contest at the Lions Club District Convention in Lubbock next week.

Miss Franks is Lions Club sweetheart. She is a senior in Olton High School and is the daughter of Mr. and Mrs. Eldon Franks.

Regular meeting of the Olton club will not be held next week as several members will be attending the convention.

Olton High School's baseball team will tangle with the West Texas State College nine at 3 p. m. in Olton's new enclosed park this Thursday, it was announced Wednesday by Mustang Coach Joe Turner.

The Mustangs were scheduled to meet Petersburg in an away-from-home contest on Wednesday afternoon. Results of that game were not available as The Enterprise went to press.

A scheduled district opener against Abernathy on Tuesday afternoon was cancelled when it was learned that the Antelopes will not field a baseball team this year.

That leaves the Mustang district baseball schedule as follows:

Floydada here, Tuesday, April 26; at Slaton, Friday, April 29; at Floydada, May 6; Slaton here, Tuesday, May 10.

Slaton opened its district schedule on Tuesday with a convincing 15-6 win over Floydada.

### RED MACHEN IS CHAPTER STAR FARMER

Deryl Machen added another to a long string of honors Friday night as he was named Chapter Star Farmer of the Olton Future Farmers of America. He received the honor at the FFA father and son banquet.

Deryl, Red, has served the chapter as president this year. He was given the award for outstanding achievement in livestock and crop farming in four years of FFA work.

Kenneth Harper won the farm shop award and will be given a plaque by Schreier Shop. Other awards went to Jack LaFrance, dairy farming; Eugene Edmondson, soil and water management; and John Carson, public speaking.

Deryl Machen was master of ceremonies. Welcome was by Kenneth Harper. Response was by Bub Holt. Introduction of guests was by Estes Bartlett.

Invocation was by John Carson and the benediction by School Supt. Carl Macon.

### Olton Lions Club Sanctions Fund Raising For Blind Sitton Babies

### Second Grade Students Give To Sitton Fund

Mrs. Ollie Hooper's second grade students this week voted to make a contribution to the Sitton Triplet Foundation Fund.

Following is their letter to the Olton Lions Club:

Olton, Texas  
April 19, 1955

To the Members of Olton Lions Club:

We want to tell you that we appreciate your active interest in the Olton schools, and your help toward making our "Public School Week" the success that it was.

We thank you very much for the \$15 check that you presented our room. We have had lots of fun talking about how this money could be used to give the most satisfaction.

When we read in The Olton Enterprise about the Lions Club efforts toward helping with the

Mrs. Ollie Hooper  
Her room helped Sitton babies

Sitton Fund we were reminded that, "It is more blessed to give than to receive," and by a unanimous vote decided that we wanted to have a part in this worthy cause. But the children were not satisfied with just giving the prize money, they wanted to contribute another \$15 out of their personal savings.

So it is with humble hearts that we present this check for \$30 to the Olton Lions Club Sitton Fund.

Sincerely yours,  
Ollie Hooper

Mrs. Roy Hooper and students Bobby Allen, Tebby Baker, Danny Cade, Dennis Givens, Gilbert Gonzales, Richard Hall, Pedro Hernandez, Mike Hipp, DeWayne Jones, Ronnie Redinger, Eddie Mack Smith.

Taze Speer, Lee Underwood, Mario Zavaleta, Jerry LaFrance, Theresa Batts, Cindy Cross, Joyce Curry, Jo Reta Duncan, Peggy Green, Avis Hughes, Joyce Leach.

Loyce Leach, Patricia Limbocker, Suzanne Martin, Letha Miller, Lindy Ray, Shirley Ross, Irene Self, Oleta Smith, Pola Valdez, Judy Wilson, Lupe Berrera.

### SEND BOY

Members of the Olton Lions this week voted to send a boy to Boys State again this year. Last year three Olton boys attended Boys State.

### BOOSTERS IN SEVEN MONTHS DOCTOR SAYS

Salk polio vaccine will be administered to 281 first and second grade children Friday afternoon at the homemaking building.

This information came from Dr. Ralph E. Maurer, county health officer, Wednesday.

Assisting in giving the vaccinations will be the three doctors of the Olton Memorial Hospital staff. The local hospital also will furnish sterilizer. Some of the nursing staff will assist in giving the shots.

Dr. Maurer indicated that he may bring several nurses with him to assist.

The county health officer said 247 white children and 34 Negro children will receive the vaccine. He said vaccinating will begin about 1 o'clock with the Negro children.

Plans first had called for transporting the Olton children to Littlefield for the vaccinations but largely through the efforts of School Supt. Carl Macon and grade school Principal Fred Gordon, the plans were changed.

The Olton hospital volunteered its services in giving the vaccinations.

Dr. Maurer said the second vaccination will be administered within two weeks and the third shot will be given about seven months from now.

The first two shots will give the children protection against polio this summer. "The booster shot seven months from now will boost up resistance tremendously and give even greater immunity," declared Dr. Maurer.

The first two shots will be given free of charge. Dr. Maurer said the third shot must be administered by a private physician and will not be free.

Mr. Gordon said only children whose parents have given written consent will be given the vaccine. Dr. Maurer said some 1,200 first and second graders in Lamb County will be given the shots.

### Highway Maps Available At The Enterprise

An additional supply of official Texas highway travel maps for 1955 are available at the Enterprise office for free distribution.

Published by the Texas Highway Department, the maps are complete in every detail. Information includes a mileage chart, route maps of larger cities, an explanation of official Texas highway signs, and an excellent selection of colored photographs of leading points of interest throughout the state.

The maps are free . . . come in and get your copy.

### Springlake Youngster Gets County's First Salk Inoculation Here Tuesday

What is believed to be the first Salk polio inoculation given in Lamb County was administered at Olton Memorial Hospital here Tuesday morning to 13-year-old Judy Miller of Springlake.

Judy, an eighth grader in the Springlake schools and daughter of Mr. and Mrs. H. A. Miller of Springlake, got the shot at 10:48 a.m.

Only seconds later, Judy's little sister, Jennifer, received a similar inoculation. Jennifer, 9, is a fourth grader.

The poliomyelitis vaccine—generally known as Salk—comes in a little bottle less than an inch and a half in height. The shots administered to Judy and Jennifer would scarcely fill a small thimble.

But medical science has determined that three such shots—1 cc. each—will render a person virtually immune to polio.

Second shots normally follow the initial injection about two weeks. The third and final shot follows some seven months later.

Only a trickle of Salk vaccine—enough, in fact, to start only seven youngsters on their series of shots—was available at Olton Memorial Hospital on Tuesday. But hospital officials say that another 3,000 cc's. of the life-saving vaccine has been ordered. That would be enough for 1,500 people to receive the initial two shots.

Other youngsters who received Salk shots at Olton Memorial Hospital on Tuesday morning included Joe McGeath, 10, son of Mr. and Mrs. Glen McGeath of Springlake; Wayne Johnson, 6, and Kathy Johnson, 2, children of Mr. and Mrs. R. S. Johnson of Hale Center.

Cost Not High  
Doctors say the cost of the three shots will probably total about \$12 to \$15.

A survey of physicians' comments show that one untoward reaction occurs in about every 2,000 children. These reactions consist of fever, swelling of the arms, and the usual reactions noticed in other immunization programs.

## HART CAMP NEWS

by Betty Wheeler

Annual Gin Board meeting of the Hart Camp Co-op Gin was held April 18 at the Community Center with approximately 125 attending.

A barbecue supper was held in connection with the meeting.

John Gregg, National Cotton Council Representative from Lubbock, and Otha Key, Co-op Cotton Mill Company of Lubbock, were guest speakers.

Re-elected gin board members are, Dan Puckett, J. C. Muller, K. W. Mahaffey, and Ivy Thompson.

The Women's Missionary Society of the Hart Camp Baptist Church met Monday afternoon for Mission Study.

Present were mesdames Blanton Martin, Edwin Oliver, L. W. Sullivan, Homer Worley, Dewey Parkey, and Rev. and Mrs. C. H. Vanlandingham.

Mr. and Mrs. R. E. Franklin and family of Sanford were Sunday visitors in the R. C. Franklin home.

Mr. and Mrs. Edwin Oliver, Debra and Kerwin were Sunday guests in the G. W. Brown home of Plainview.

Mr. and Mrs. J. O. Latham and family of Friona and Mr. and Mrs. M. C. Brittan and Deanna of Lubbock were Sunday guests in the M. W. Wheeler home.

Miss Barbara Huff, daughter of Mr. and Mrs. W. C. Huff, has been confined to bed this week for a rest.

Roy Dean Franklin has had the measles but is now back in school.

Mr. and Mrs. H. R. Monroe have returned to Hot Springs, New Mexico, where Mr. Monroe is continuing to take mineral baths.

Don Muller, son of Mr. and

Mrs. J. C. Muller, is home from his basic training at Fort Bliss. Don will remain home for about 14 days.

Glen Wayne Monroe is spending a few weeks with his sister, Mrs. Junior Muller, while his parents are in Hot Springs, NM.

A gas line is being laid on the south side of our community. Several farmers will be able to obtain natural gas for their irrigation wells.

### FISHING TRIP

Claude Carothers left Sunday for a fishing trip to Truth or Consequences, N. M. He expects to be gone about two weeks.

HART, TEXAS

We heard Delbert Downing of Midland speak at the Panhandle Press Association banquet last Friday night and we were much impressed.

"Give me tomorrow—if man is at his best," beseeched Delbert as he spoke before 500 Panhandle newspaper people at the Herring Hotel in Amarillo. "But if man is not at his best, then I want nothing to do with tomorrow."

He pointed out that each morning there are 7,000 additional breakfasts to be prepared in America alone—49,000 additional mouths to feed each week. This he reported in allusion to man's perilous situation. Will he be able to feed himself with population growing so dense?

And then Delbert told of his encounter with a scientist whom he said would soon show the world how to grow 3,000 bushels of corn per acre with the use of isotopes.

"But one generation of drunks or narcotic addicts and the world will eat them up," he warned.

We have always admired folks who get what they want. We don't mean people who trample on the rights of other people to achieve their selfish ends but folks who go after what they want with a will. People like that climb but in so doing they pull others up with them.

There never was a failure who did not pull someone else down with him.

"Ask not for whom the bells toll.

They toll for thee."

This columnist welcomes to the staff a new society editor. We think Sue is doing swell. She's going to need cooperation from the hometown folks in order to give you the best possible society page. So if it's news call Sue.

We're going to Lake Kemp this week end. If anyone knows some good fishing spots down there let us know about them.

We're going to do our best to soften the sting for the Kiddies who will be taking the Salk polio vaccinations here this week. The Enterprise is going to treat each youngster with a big lollipop.

Card of Thanks

I take this opportunity to thank my friends who sent cards and letters while I was hospitalized.

I also want to thank the doctors and nurses for their kind attention.

J. O. Reed

HART NEWS

Mrs. J. D. Murray is honored this week by having her mother, Mrs. R. E. Jones visiting with her.

Mr. and Mrs. Hardy Ainsworth and daughter, Mrs. Dell Morgan from Post, Texas, Mrs. J. E. Smith from Eric, Oklahoma, the W. T. Sanders, and the Rodney Smiths from Hart were all guests in the T. U. Smith home.

Mr. and Mrs. W. Fred Cox from Edmonson, Alberta, Canada, were entertained in the home of the Jack Smithersons. Mrs. Cox is Jack's sister.

Mrs. Roy Pyeatt, member of the District Board of the Parent-Teacher Association, and her

guest, Mrs. Bill Woods, attended the Annual Banquet held in Borger Monday night, April 18. Tuesday, the District P-T A. Convention was attended by the above, and by the new president of Hart P-T A., Mrs. Clyde Whitten. Three other delegates, Mesdames Charles Martin, E. B. Campbell and Theron Morrison also attended.

Edward Bennett and family, Bill Woods and family, and Mr. Jack Smitherson enjoyed a picnic supper at Buffalo Lake.

... a rugged, quality-built baler with amazing capacity to turn heavy windrows into better bales faster, easier than ever before.

From its extra wide, power-driven pickup, to the 16-inch floating auger, through the rugged bale case, on back to the bale chute, the 14-T brings you everything you've ever wanted in a twine-tie baler. Come in and see for yourself.

THOMPSON BROS. IMPLEMENT CO.

What The Doctor Ordered... For Himself!

The doctor had owned his new Cadillac for about a month—and he was talking to a friend.

"About the only recreation I get," he said, "is at the wheel of my motor car—driving to and from the hospital, my office, and the homes of patients.

"Other doctors, of course, have the same situation—and some of them kept telling me what a big 'lift' they were getting out of their Cadillacs.

"I decided to see for myself—and they were certainly right. I actually approach the day with a lot more zest—knowing that I am going to spend a couple of hours driving my Cadillac."

The doctor is experiencing, of course, what so many other professional and business men are experiencing—the wonderful lift to the spirits that a Cadillac brings a man.

Try it sometime—and see for yourself.

You'll find there's something about the way you

feel as you take the wheel. You know there's a car under you! Solid, substantial, capable and protective. Just to sit there gives you a wonderful feeling of confidence and well-being.

And when you start to move, the thrill is continuous. You almost never hear the great engine, except when it answers a smart touch to the throttle. Steering is little more than the response to your thought. You just ride and relax.

We hear it every day: "I drive my Cadillac for rest and relaxation."

Why not come in today—and make the test yourself. We'll give you the keys and a Cadillac—and the "rest" is up to you!

P.S. It's only fair to warn you: You probably won't find it easy to give up the keys. Some people simply refuse!

## Olton Hails Salk Vaccine As Greatest Existing Scientific Achievement

Radios carried the good news from place to place. Mothers shed tears of happiness. And people in Olton joined the world in its excitement and joy of victory over polio.

Yes, the dreadful disease of polio had been almost whipped! A vaccine was developed that can prevent most of our children from being paralyzed for the rest of their lives. A vaccine was developed to prevent someone from spending his or her life in an iron lung.

To many on that happy historic day, the dream of a world without polio was like a lightning arc across the sky.

Here's how the feeling goes in Olton:

"I think it's one of the greatest benefits for children we've ever had," Mrs. J. A. Williams declared. "It's a great relief. It's something that all parents should be thankful for."

Dr. Ben Souders, one of the doctors at Olton Memorial Hospital, said, "I guess it probably means as much to us as vaccine for Small Pox, Diphtheria, etc. meant to our forefathers. It seems each decade has something to fight as we do polio. When I was in medical school, Pneumonia was a killer.

"The Salk polio vaccine is one of the greatest, if not the greatest, incidents in medical history. This vaccine can save people from being crippled and it can save people millions of dollars each year. I'm terribly excited over it!"

Mrs. W. R. Alridge exclaimed, "I think it's the most wonderful thing that's ever happened in this part of the country. It's one of those great marks of progress. It seems to be a security to parents."

"I think it's a wonderful thing!" Mrs. Cleo Smith declared. "Since it's been tried on other children, it sounds like the most wonderful thing I've ever heard."

## High Attendance Records Set In Grade School

Mrs. Roye Aikman's room was awarded a cup for having the highest percentage of attendance in the primary building.

Mrs. Aikman's class had 93.9 percent of attendance.

In grammar school, Mr. Baughn's class will be treated for having the highest percentage of attendance with 93.48 percent.

The sixth and seventh grades had 73 students with perfect attendance. These students will receive three points added to their grade for having perfect records.

## Tells Schedule On Graduation

A schedule of graduation and baccalaureate services was announced this week by J. A. Williams, Olton High School principal.

The schedule includes baccalaureate sermon, Sunday night, May 22; eighth grade graduation exercises, Monday night, May 23; high school commencement exercises, Tuesday night, May 24.

Williams said that all three services are scheduled for 8 p. m. in the OHS auditorium.

## OWEN HOME ON LEAVE

Pvt. Douglas Owen and wife are visiting with their parents, Mr. and Mrs. C. M. Owen, Olton, and Mr. and Mrs. Owens, Littlefield. Pvt. Owen is being transferred to Fort Holybird, Maryland, from Fort Ord, Calif. He is with the U. S. Army.

## OHS Thinclads Place Eight In District

Olton High School placed in eight events in the district track meet held last Saturday at Floydada.

Mustangs who placed in the meet included Wally Stewart, third, 100 yard dash; Jarrell Edwards, second, 440 yard dash; Kirk McAdams, fourth, mile run; Red Machen, third, 120 yard hurdles; Teddy Estes, second, broad jump; Stewart, tie for second place in high jump.

The OHS 440 yard relay team placed fourth and the mile relay team placed third.

First, second and third place winners in each event at the district meet qualified for the regional meet scheduled this Saturday at Lubbock.

Teams which competed in last Saturday's district meet were

Paducah, Crosbyton, Floydada, Abernathy, Lockney, Spur, Tulia and Olton.

Abernathy won the meet with 54½ points. Other team scoring included Spur 27, Floydada 23, Tulia 18½, Olton 16, Paducah 5, Lockney 2½ and Crosbyton ½.

## FROM SLATON

Mr. and Mrs. Bobby Lemon and children, Bobby Gene and Susan Elaine, visited Sunday through Tuesday in the Floyd Gray home. Mrs. Lemon is the daughter of Mr. and Mrs. Gray.

### LaFrance Wins High Honors At Plainview

Jack LaFrance, Olton FFA boy, won three high honors in the Plainview dairy show, one of the top dairy shows in the state.

Jack exhibited a Holstein heifer which placed fourth in the junior division and then went on to place eighth in the open division in competition with entries exhibited by adults.

Jack was awarded top prize for his best and best exhibit in the Holstein division.

### Polio Patient Is Improving

Jimmye Lou Hudson, fourteen-year-old girl who was stricken with polio two weeks ago, was reported to be improving as of Wednesday.

Reports indicate that she can sit up for a while now and that she can move her arms.

Jimmye Lou was admitted to the Plainview Polio Center April 4. She is the eighth-grade daughter of Mr. and Mrs. V. J. Hudson.

### Council-Elect Holds Meeting With Engineer

City Engineer Ralph Douglas met with the Olton city commission-elect Tuesday.

They went over plans for the improvement project for which bonds already have been voted. The new commission will take office May 2.

### Lions Elect In Late May

Members of the Olton Lions Club will elect officers May 24, according to a decision reached last week by the board of directors.

On the nominating committee are Don Spain, G. H. Bley, I. B. Holt and Carrol Cox.

### Baptist Revival Series Will End Sunday

Revival services, which began April 10, will end at the First Baptist Church Sunday night.

Dr. Otis Strickland, president of Decatur Baptist College, has been leading the revival series. Duward Price, music and educational director, has been directing music, accompanied by Harold Carson at the organ and Mrs. C. W. Phillips at the piano.

As of Wednesday, there had been 10 additions to the church—2 by letter, 1 by statement, and 7 for baptism. There have been several rededications.

High attendance has been stressed for Sunday night training union. The goal has been set for 407.

Baptismal service will follow immediately after preaching Sunday night.

### Hand Cut In Mishap

Opal Farris, who is employed at Ideal Cafe, suffered a severe cut on the hand while at work in the cafe kitchen Monday. She was drying a glass when

it broke in her hand. Nine stitches were required to close the wound.

### Water Supply Not Certain

Both city wells are going dry and night at the present time,

city officials said this week. Authorities fear an acute water shortage here within the next month.

City Secretary Vaneta Stovall said water pressure has been low for the past week.

### Citizens' Group Holds Meeting

The Olton Citizens' Advisory Conference held its second and final meeting of the year, Tuesday night, April 19 in the high school building.

Carl Macon acted as chairman, and the group voted upon the recommendations made by the Texas Research League.

There will be a County Citizens' Advisory Conference in the County Courtroom at Littlefield on Wednesday, April 27.

The following committee was elected to represent this school district at the county meeting: -- Mr. G. T. Sides, Mrs. Merrill Brigrance, Mrs. Paul Burrus, Mrs. Martin Phillips, and Mr. Blanton Martin.

### 88th BIRTHDAY

Mrs. Tom Smith and Alise and Sue Hill visited in the home of Mrs. W. T. Cunningham, Sunshine Community, on Mrs. Cunningham's 88th Birthday.

### MINSTREL

Members of the minstrel cast met Tuesday night for rehearsal at the American Legion Hall. They are to meet again tonight.

# REDDY'S Farm Report

FROM THE AGRICULTURAL DEVELOPMENT DEPARTMENT  
SOUTHWESTERN PUBLIC SERVICE COMPANY

The modern ranch and farm has become a place where top production through efficient operation and management is the goal. In increasing numbers, farm and ranch managers are applying electricity to get desired results. Electricity can do for farm production what it has done for industry — produce more for less.

Mr. L. R. "Buck" Miller, of Pampa, Texas, is manager of the Schafer Ranch, and is proud of the savings that his ranch foreman, Ray Roles, is able to realize with his electric farm shop. Mr. Miller is equally proud of the choice Aberdeen Angus cattle that are raised on the ranch.

"My shop is a money maker the year round", Mr. Roles explains. "During the summer season we repair machinery on the spot, saving time and money. During the winter months we repair all our machinery and have it ready for the busy season, thereby eliminating costly last minute repairs."

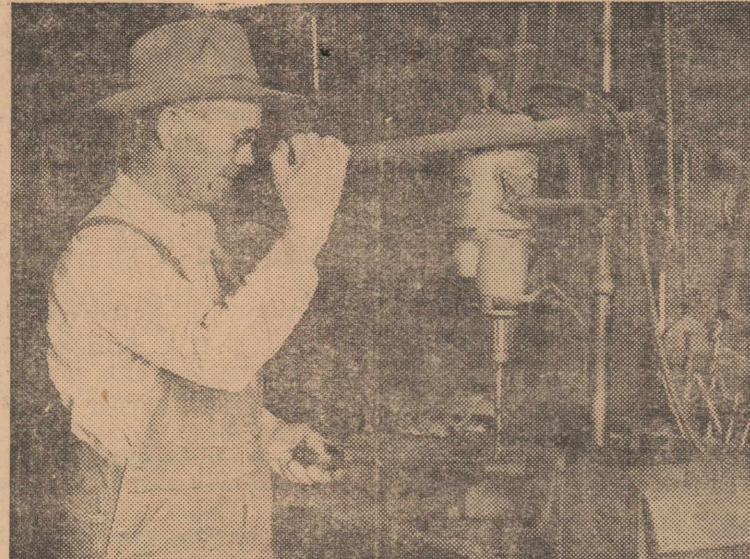

An electric welder, a 3/4 hp electric drill, and an electrically operated air compressor comprise the major electric tools in the Schafer Ranch shop. Evidence of this well equipped shop and Mr. Roles' skill is present at every turn on this modern ranch.

Mr. Roles has used his skill in putting the equipment and buildings at the Schafer Ranch in number one condition. If he needs a piece of equipment, and can't buy it, he builds it. Through the ingenious use of his electric welder and other shop tools, the foreman has built several machines to make the ranch operations more efficient.

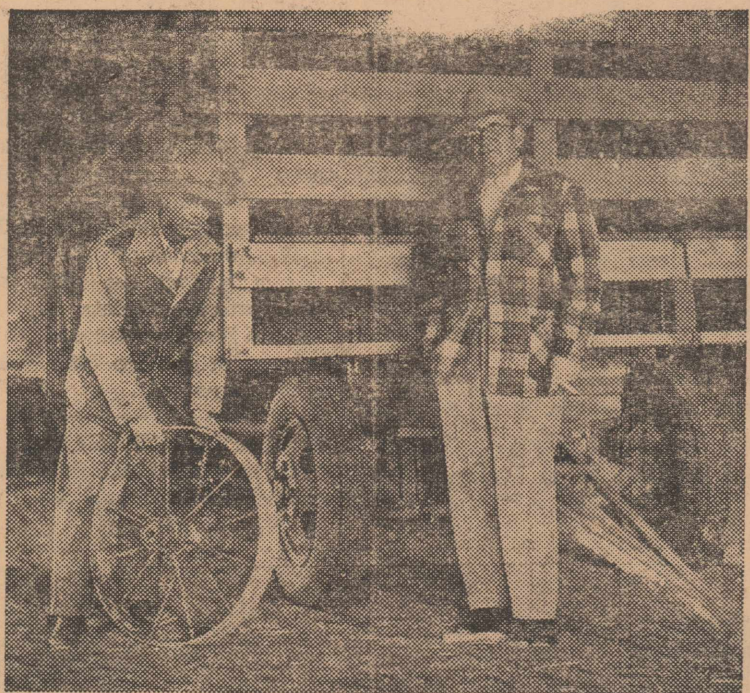

A well equipped electric farm shop offers the farm operator the opportunity to cut his repair bills considerably and realize an even greater profit in time saved by making repairs on the spot. Additional profits are realized when all of the farm machinery is put in A-1 condition during the winter months when other work is not pressing. Experience on the Schafer Ranch shows that little time is lost due to repairs during the critical season.

This modern efficient farm trailer flanked by Mr. Roles and L. R. "Buck" Miller, Schafer Ranch foreman and manager, respectively, was an outmoded farm wagon before Mr. Roles overhauled it in the ranch electric shop. Everywhere you turn on the ranch, equipment has been repaired or improved to make it more useful.

Here is another profitable construction job performed in the Schafer Ranch electric shop. This trailer for the grain elevator makes the unit a handy time saving piece of equipment. Pictured here are Mr. Roles and Marvin Cooper, Southwestern Public Service Company Superintendent for the Pampa area.

This heavy duty electric drill and drill press, plus a good supply of hand tools, plus a good mechanic all add up to make this shop a "money maker". Ray Roles, the ranch foreman, is operating the electric drill.

## Senior Band Contest Set For April 30

Olton high school senior band members will go to Plainview April 30, Saturday, for Senior Band Contest.

Divisions the band will compete in are marching, sight-reading and concert music. Region I marching contest will be held on the Plainview high school football field at night.

Last year the band received next to the highest possible ratings in State with two ones and one two plus.

## SHORT GRASS

By G. P. T.

Olton's Mustangs will play their first district baseball game here Tuesday afternoon in our new enclosed park. Let's all turn out and give them our support.

Youngsters seldom turn in a top performance before empty stands.

There have been a good many bass and crappie caught at the local cafes recently. They seem to be running best along about coffee time.

Paul Edwards reports high interest in sesame plantings. It looks now as if area farmers may plant more than the hoped-for 1,000 acres. Sesame, most of which is imported into this country from South America, could become an important South Plains crop. We'll know more about that late this summer.

The sobering factor about the fact that fishing time is here is the fact grass-mowing time seems also to be just around the corner.

## ART ENTRY PLACES FOR STUDY CLUB

"Lilies on the Pond" was the title of the pastel painting done by Mrs. Carl Macon which placed third in the art exhibit at the 7th District of the Texas Federation of Women's Clubs in Snyder Thursday.

Mrs. Bill Thomas, who was delegate for the Olton Study Club to the convention, was accompanied by Mesdames Jim Fuller and Marshall Stone.

"Light the Way" was the theme of the district federation and a fine arts program was presented by the Snyder high school A Cappella Choir and band. The Olton group attended luncheons and conferences also.

District president is Mrs. Monday from Shamrock.

## Girl Scout

### Troop 16

### Plans Outing

Girl Scout Troop 16 met Thursday in the scout-house at 7:30 with their mothers.

Plans were made to make a trip to Buffalo Lake Saturday, April 23. The troop will leave at 10 o'clock a.m. from the scout-house.

Becky Hall served the 25 members who were present.

## W. S. C. S. Meets

### With Mrs. Sides

"A Christian and His Wealth" was the study concluded by both circles of the W.S.C.S. in the home of Mrs. Truitt Sides Monday.

Mrs. Owen Norfleet was co-hostess to the 21 present members.

Mrs. W. T. Whitaker directed the study.

Next meeting will be held at the church Monday morning for the annual election of officers.

## Olton W. S. G. Entertains The Anton W. S. G.

Olton Wesleyan Service Guild entertained the Anton W. S. G. with a salad supper Tuesday night at the Olton Methodist Church.

Mrs. Marguerite Covett was presented with a Life Membership. Mrs. Covett has been president for the past two years.

Devotion was led by Miss Doyce Landtroop and the lesson was presented by the study leader, Mrs. Roye Aikman, Mrs. Lena Manning and Mrs. Lanora Dennis.

Twenty-nine people were present and five new members were present. New members are Mesdames Lois Smith, Margie Carlisle, Mozelle Trotter, Wanda Thompson, and Norma Jean Wells.

## "Saunter With Sue"

by Sue Macon

We, at the Enterprise, have a new member on our staff. He is Wayne Moore. Maybe I'm late saying this but welcome to the staff, Wayne!

S-W-S

Tips for Homemakers: We cannot know too much about good methods for making frozen desserts; nor can we have too many reliable recipes for them. There is also a nice point in economy that should be observed. In the warm weather any frozen dainty is tempting, in and of itself, whether ingredients used are inexpensive or extravagant. The heavier creams and mousses are delicious—but so are simple ices.

And did you know that good results can be had with evaporated milk instead of fresh cream? To whip evaporated milk, stand the can in a pan of cold water, bring to a boil; boil for ten minutes. Remove, cool, place in refrigerator for several hours until thoroughly chilled. When ready to whip, open and pour into a bowl that is standing in ice, add quarter teaspoon of lemon juice and whip with a rotary beater or an electric beater.

S-W-S

The P.T. A. has put up some safety signs around school. They were put up there to be observed! Be sure to stop and look, before going on—you could easily save some child's life by stopping.

S-W-S

So sorry to hear of Mrs. Weldon Priest getting burned. Reports are that she is just doing fine by now!

S-W-S

Can you imagine? Olton without sandstorms? Doris Ball not smiling? Janelle Miller with short blonde hair? No steady couples around O.H.S.? Tom Smith not wearing western shirts?

S-W-S

This is all this week, so until then—B-C-N-U around!

## Mexican Supper

### Fetes Advance

### S. S. Class

Rev. and Mrs. R. H. Campbell were host and hostess to a Mexican supper for the Advance Sunday School Class from the Olton Methodist Church Monday evening.

Ping Pong and shuffle board were played by the 29 adults and 12 children present.

Mrs. Campbell is teacher of the class.

## CHERIE FENT IS CANDIDATE FOR DEGREE

Miss Cherie Fent, daughter of Mr. and Mrs. I. V. Fent, has been listed as a candidate for a degree from West Texas State College, Canyon, at the Spring commencement exercises May 22.

Miss Fent, who is seeking a Bachelor of Science degree, has majored in physical education. She is the president of the Women's P. E. Majors Club, and is a member of the Randall Hall Council and the Buffalo Gals, a campus service club.

She is a 1951 graduate of Olton High School.

## OES Members Were Guest To Salad Supper

Seven members of the Olton Eastern Star attended Visiting Night of the Sudan Eastern Star this week.

Before the program was presented, a salad supper was served to the guests.

Those attending from Olton were Mesdames W. A. Cure, Robert Meinecke, Bert Stewart, Tom Carlisle, Marshall Stone, Fred George, and Marguerite Covett.

## Scout Troop 20 Honor Mothers With Tea

Mothers of the Girl Scout Troop 20 were honored with a tea last week by their daughters.

Mrs. Elmo Bryant, the troop's leader, called on each girl to introduce her mother. She, also, had the girls show their mothers the progress they've made during their scout work.

Tea was served by Karen Smith, Rhonda Robertson, Judy McKinzie, and Bitsy Maxey.

## Brownie Troop 7 Studies Scout Laws & Pledges

Brownie Troop 7 met in the scout-house Thursday afternoon at 4 o'clock.

Girl Scout laws and pledges were studied in preparation for the troop's fly-up program sometime in May.

Jeanne Malone served refreshments to the nine present members.

## BRIDE-ELECT

Mr. and Mrs. Floyd Gray are announcing the engagement and approaching marriage of their daughter, Doris Sue, to Rev. John Watt, son of Rev. and Mrs. C. G. Watt, Lovington, N. M. The wedding will be read on June 28 at 7:30 p. m. in the First Baptist Church.

## F. H. A. GIRLS ATTEND STATE CONVENTION

Olton members of the Future Homemakers of America left Lubbock Wednesday by a special train for the State F. H. A. Convention in Galveston.

Theme of the convention is "Living Is Fun".

Linda Fent and Barbara Jones have been chosen to assist as hostesses for the program committee.

Attending the convention from Olton are Joyce Keasler, Linda Fent, Barbara Jones, Mrs. Earnest Jones, and Miss Mildred Carter.

## F. H. A. Sells Vanilla To Buy Silverware

Olton F. H. A. girls are selling Marion-Kay's vanilla to buy silverware for the home economics cottage.

Plans are to buy thirty complete place settings of stainless steel.

The vanilla cost the public \$1.00 a bottle.

## Brownies Elect New Officers

Officers were elected at the Brownie troop meeting April 19.

Cindy Cross was elected to serve the troop as president. Other officers elected were Paula Jones, vice-president; and Judy Wilson, secretary.

As a project the girls made shoe-button bracelets.

Paula Jones served cookies and orange drinks to the eleven Brownies present.

## Vacation Over Week-end

Mr. and Mrs. Jeff Smart went to Possum Kingdom Dam over the Easter holidays.

## OLTON EASTERN STAR STAGE INSTALLATION

Approximately 45 people were present at the meeting of the Olton Eastern Star Thursday in the Masonic Lodge.

Mrs. Evangelyn Coleman was installed as a new member. Mrs. Emmett Burrow, Mrs. Coleman's mother, served as conductress.

Albert Walthall presided in the East.

Refreshments were served.

## Dinner Favors Olton Classroom Teachers

Meeting for the last time this year, the Olton Classroom Teachers' Association met April 12 in the school lunchroom for a dinner.

Officers who served the association for the year include Robert Fisher, president; Mrs. Carl Macon, vice-president and program chairman; and Mrs. Eldon Franks, secretary and treasurer.

## VISIT PARENTS

Mr. and Mrs. Gene Campbell, Kathy, and Kay, Amherst, spent Monday with Rev. and Mrs. R. H. Campbell.

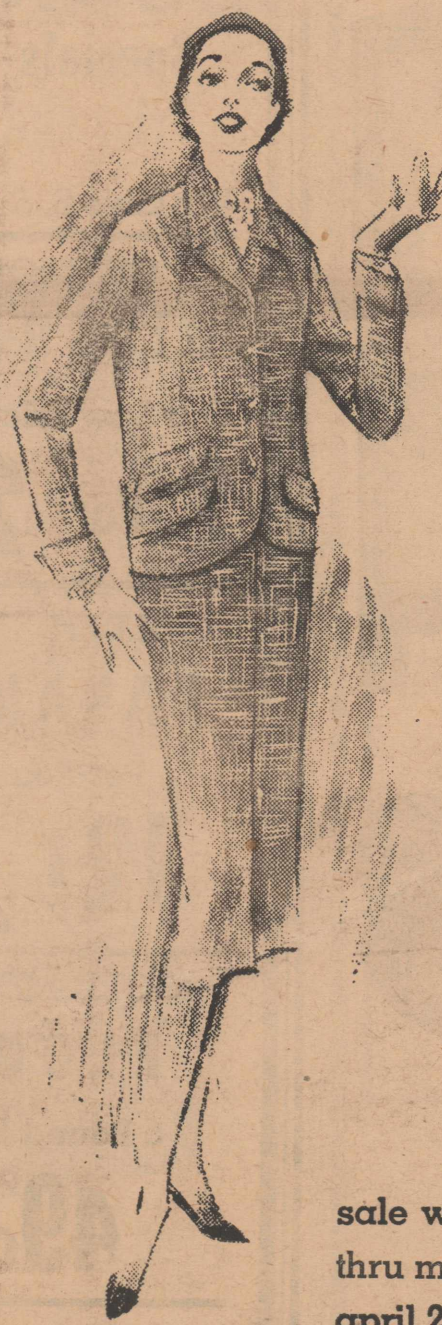

## REGIONAL MEETING

Rev. R. H. Campbell was chosen as institutional representative to the Regional Scout Officers meeting at Lubbock tonight (Thursday).

## Olton Out of Swaddling Cloth; Folks Predict Rapid Growth Here

By Sue Macon

Olton's population will be at least 5,000 by 1960!

This optimistic forecast came this week from Mrs. Roy Granbery who declared that Olton is one of the finest places in the world in which to live and probably will attract more people as the years go by.

Rev. R. H. Campbell, pastor of

Hall, Rosie Lee Moore, Layton Covington, Harvie Jordan, Bobbie Campbell, Carla Saint, Doyle Freeman, Welda Edwards, Lonna May, Sammy Kendall, Jerry Thomas, Brenda Meadows, Marilyn Young, Coy Carlisle, Ronnie Kidd, Sharon Porter, and Beth Stansell.

### A Honor Roll For the Seventh Grade:

Patsy Rushing, Elaine Jones, Joe Pendleton, Roy Neal Jones, Yvonne Holland, Paul Montgomery, Freddie Gordon, and Terry Gail Hooper.

### A & B Honor Roll For the Seventh Grade:

Winfred Hair, Martha Cruz, Sue Witten, Carol Bostick, Donna Joyner, Nelda Green, Lawana Oliver, Patsy Robertson, Gayle Machen, Joyce Curtis, Gene King, Janet Oak, Alvin Sistrunk, Judy Laceywell, Kenneth Prestridge, Virgil Roger, Patricia LaFrance, Ray Howard, and Venetian Aldridge.

the Olton Methodist Church, estimated the lowest estimation—it being 3,000. "I'd say 3,000," Rev. Campbell declared, "It's a conservative answer but I guess I've been known for being conservative."

Mrs. Clovis Poteet didn't have an idea! "You couldn't prove it by me," Mrs. Poteet exclaimed. "Oh, they'll probably have a lot of pretty houses if it grows as much in the next five years as

it has these last five. It'll probably be a much larger place."

Thirty-five hundred was the population estimate settled on by Basil Sherman and Bill Kelly. Basil Sherman said, "At least 3,500, if we increase as much in the next five years as we have in the last five—that won't miss it far."

"I think 3,500 is a conservative answer," Bill Kelly declared. "It should be that much with the rate of 200 people a year moving here."

The average figure decided upon was 4,000. Vernon Nixon said, "I don't think we'll go over that because there isn't any-

thing here for people to do besides farm or something connected with farming."

"I don't think we'll go over 1,000 in the next 5 years unless we strike oil or something," Mrs. Carl Hooper declared.

Virgle Gray said, "Four thousand. I was saying that safely because it could run way up by then!"

What do you think Olton's population will be in 1960? Whether it's 5,000 or not, here's a fact that Olton has more than 300 in the past two years. Will she speed up and grow faster or will she slack down?

**CHANGING THE TRUTH OF GOD INTO A LIE**

In Romans 1:25 it is declared that some change the truth of God into a lie. For this reason it is imperative that every person study the Bible to see if the things taught are so, Acts 17:11. We should accept a thing taught only after we are sure it is God's truth.

**"God's Word Is Not Enough"**

False teachers try to make people think that the sinner can't be saved by learning and obeying the word of God, but that the Spirit of God must operate on the sinner's heart and open up an understanding, otherwise he can't understand it. This doctrine grows out of the false theory that man is born totally depraved because of Adam's sin and must depend on God to first take him out of this depraved state by a working of grace in the heart by the Holy Spirit. Out of this false doctrine grew another false theory: that man repents before he believes.

**What A Predicament?**

If the above theory is true, only the ones to whom God sends the Spirit would be able to repent, believe and understand the word. All others would be lost because of what God failed to do. God would be to blame for their damnation and would be a respecter of persons. If man can't understand the Bible until God operates with his power to open up his understanding he is lost until God does this. If he dies before God does this he would go to torment because of God's failure and because he could do nothing about it.

**Repentance By Miracle Or By Faith?**

The only way repentance could come before faith would be for God to perform a miracle to produce. If God fails to do so man would be damned because he could not help it. This theory is as far from truth as heaven is from hell. Following are scriptures used to try to prove the sinner repents before he believes: Mk. 1:15; Mt. 21:32; Heb. 6:1; Act. 20:21. The two first scriptures referred to Jews who believed in God but not in Christ and the gospel. Since they were sinning against the God they believed in, they were told to repent toward him and believe the new truths that had come into the world, the gospel. This was not repentance before faith. The same thing seems to be true in Acts 20:21, "repentance TOWARD GOD and faith toward Christ". The one in Hebrews has no reference to repenting of sins, but referred to the Jews turning from the dead works of the law of Moses.

**The Order Of Mention is Not Necessarily The Order Of Occurrence.**

A person does not have to know very much about the Bible to know that the order in which a thing is mentioned in the Bible does not have to be the order in which it occurred. Following are examples: Romans 10:9 mentions confessing and believing, while verse 10 reverses it and says believing and confessing. Common sense teaches we could not confess a Christ we did not believe in. Neither can we repent toward a God we do not believe in. Acts 5:30 has Christ's resurrection first, slain second and hanged on a tree third. It happened in the reverse order. He was hanged on a tree, slain and three days later resurrected. It is easy to see that just because a thing is mentioned in a certain order does not mean it occurs in that order.

**Repentance Is Produced By Faith**

Mt. 12:41 says the people of Nineveh repented at the preaching of Jonah. Jonah 3 gives the order: verse 4 shows they first heard God's word preached by Jonah, verse 5 says they believe God and verse 10 that they turned from (or repented of) their evil ways. In Acts 2 a sermon was preached by Peter. The people showed they believed by wanting to know what to do, verse 37. Peter told these believers to repent and be baptized for the remission of sins and they would receive the gift of the Holy Ghost, verse 38. The order is too plain to be misunderstood: hear, believe, repent. So then faith cometh by hearing and hearing by the word of God, Rom. 10:17. What could be plainer?

## AROUND OUR FARMS

By VERNON NIXON

Continued warm weather over the past week has begun to create a slow burning fever for several of the local cotton farmers to get started planting. Although there are no reports of planting in the immediate area yet, there is much talk of some being planted next week. The ground is warming up considerably, but has yet to reach the temperature desired by fellows who practice early planting. The soil temperature is reported at near 60 degrees; however, safe planting isn't considered until the temperature of the moist ground reaches 65 to 68 degrees and holds that temperature for at least 5 days.

This sounds rather technical, but to fellows who have spent years farming cotton, it is possible that they estimate the ground temperature by merely feeling the soil. This is much more practical and just as trustworthy as the more complicated methods. For you fellows who plant in the moon, the twin days will be next Tuesday and Wednesday, the 26th and 27th.

A very pleasant reception and a gracious (and delicious) chicken dinner was presented to the fathers and guests at the Annual FFA Father-Son Banquet last Friday night. Approximately 200 attended the feast and fun presented by Ag. Instructors, Brown and Lane, and their FFA boys, Talent from the student body, assisted by a musical trio from Station KDAV, Lubbock, furnished entertainment thruout the evening.

The sumptuous meal of fried chicken was prepared by Mrs. Margie Slatten and her staff of lunch room ladies.

The evening was highlighted by the presentation of awards to outstanding FFA students. The entire program was prepared and presented by the Ag. Department students.

### TO LAKE KEMP

Three members of the Enterprise staff—Troy Martin, Roy Melancon and Gordon Tompkins—plan to fish this week end at Lake Kemp, near Vernon.
