TALK NOT CHEAP

SO THE PEOPLE MAY KNOW

General Telephone Company of the Southwest has come to the City of Olton with yet another ridiculous request. Just how ridiculous it really is, we shall attempt to point out.

The company, which sat down in the person of Mr. Jim King two weeks ago at the bargaining table with Olton's city commission, has repudiated its own compromise offer.

We can only question the value of an agreement with a firm that changes the estimates of its own financial structure so drastically in two weeks time.

In a letter to Mayor Lefty Hollingsworth, Mr. King said the latest demands were based on figures arrived at as of Sept. 30, 1954.

The set of figures submitted in July of last year listed the "present value" of the company's holdings here at \$180,911.89. Figures which Mr. King declares were arrived at two months later place the value of the same holdings at \$197,022.12.

Do you mean to say, Mr. King, that without adding any appreciable equipment at all, the value of your holdings here increased \$16,111 in two months? Are you paying taxes accordingly, Mr. King?

Some four or five years back the company bought the land that serves as the site for their dialing equipment from W. B. Smith, Jr. for \$125.00. Last July they said the land was worth \$361.45. Their September brochure says it was worth \$432.65. We haven't checked with Mr. King in the past hour or two, so we can't really say WHAT it's worth now.

General Telephone Company is in a non-competitive business protected by franchise. For that reason we believe the people are entitled to know things about the company's business which they ordinarily would not be entitled to know about other firms which operate on a competitive basis.

For instance, we have repeatedly asked to know the salaries of company executives. We have repeatedly been denied this information.

In a meeting here last fall, Mr. King admitted that depreciation on the company's holdings is figured at more than \$7,000 a year. He also admitted that the cost of the plant (by the company's books) was only \$170,407.

Mr. King, as we have often said before, we do not know how the company keeps books. But it seems to us that in your latest brochure you are using \$8,218.64 depreciation as a part of your argument for a rate increase and in the same breath declaring that through no fault of your own your property increased in value \$16,111 in two months time between July and September of last year.

Aren't you charging us with both the depreciation and the increase in value, Mr. King? Surely this has something to do with double jeopardy.

If General Telephone Company insists upon these rate increases which we believe to be exorbitant, unfair and unreasonable, then we believe that we should let them do their worst.

Canvass Olton Tuesday In Red Cross Campaign For \$8750 In Lamb County

Tuesday is Red Cross Day in Olton.

Some dozen men headed by Vernon Nixon will spend the day making a complete house-to-house canvass of the entire Olton community. This year's goal is \$1,000. Last year Olton raised \$1,400.

The 1955 campaign goal for Lamb County is \$8,750.00. The total amount raised in 1954 was \$8,074.39. According to a pamphlet released by the county chapter, 554 cases were handled by the Lamb County Red Cross during 1954.

In addition to the total cases handled, other Red Cross activities in Lamb County included a home nursing class, a disaster institute, a clearing house for needy families at Christmas-time and special High Seas gifts.

Canvassing northwest of Olton Tuesday will be Doc Miller and Wallace Hackler; southwest, Willie Gene Green and Elmer McGill; southeast, Ernest Venable; and northeast, Alvin Hy-singer.

Accepting contributions in the town of Olton will be Mr. Nixon, Olton's campaign chairman; Rev. J. Henry Cox, county chairman; Truitt Sides, executive board; Rev. R. H. Campbell, county fund chairman; and Clovis Potteet, vice-fund chairman.

NAME PUBLIC SCHOOL WEEK COMMITTEE

Mrs. W. R. Aldridge has been named general chairman of the Public School Week committee for this year. Public School Week will be held March 7 through 12. Other committee members include Mrs. H. G. Walker, vice-chairman; A. A. Smith and Troy Martin, publicity; Laus Hair, correspondence; Fred Gordon, J. A. Williams and Carl Macon, special events; Eldon Franks, school visitation promotion; Fred Gordon and J. A. Williams, attendance, statistics and records. The committee officers were named last Friday night at a special meeting.

Olton Cleaners Changes Hands

L. L. Denton of Paducah has purchased the Olton Cleaners from Mr. and Mrs. A. M. Armstrong, and will begin operation of the firm on Monday. It was announced this week.

Denton has operated dry cleaning plants at Paducah and at Muskogee, Okla., according to Armstrong.

The Armstrongs opened the Olton Cleaners in February, 1952. They have announced no definite plans for the future.

RED CROSS TALKS AT LION MEET

Speakers at the Tuesday meeting of Olton Lions Club were Vernon Nixon and J. E. Chisholm, Jr.

Mr. Nixon is local chairman for the American Red Cross and Mr. Chisholm is county vice-chairman. The men spoke on the impending ARC fund drive.

Leadership Starts In Community Says Speaker At Chamber Banquet

"Leadership starts right in your own community."

These words came Tuesday night from H. C. Winburn of Amarillo as he spoke before a gathering of some 200 persons at the annual Olton Chamber of Commerce Banquet held in the school cafeteria.

"You must develop leadership on the community level if you are to have capable leadership on the national level," declared Mr. Winburn who is chief weatherman at the Amarillo weather station.

Although Mr. Winburn's talk was mostly on a lighter vein he punched home his points with the rapid fire precision of his weather reports on station KGNC. He said the times demand

better leadership and he called on the Chamber of Commerce to develop this leadership. He hailed Chambers of Commerce as the pioneers of 1955 and declared that there is always a place of service in a community for those willing to work for community betterment.

He said this part of the country may well become a target area in event of atomic war and called on its people to become more aware of civil defense.

Mr. Winburn said the High Plains is the garden spot of America.

"I try hard but I just can't seem to get any rain," said Mr. Winburn of the lighter side of his talk.

Mr. Winburn was accompanied here by his daughter Cathy Lou.

In an earlier talk Chamber of Commerce President Basil Sherman pledged the Chamber to work for betterment of the community. "We pledge ourselves to work for Olton and the farming people in the Olton territory. We want to make Olton a better place in which to live and a better place to come to."

Master of ceremonies was Rev. Glen Godsey.

Recognized were incoming officers of the organization who included Mr. Sherman; Dr. Lynn Fite, first vice-president; G. H. Bley, second vice-president; Marshall Stone, third vice-president; and D. M. Granbery, Louis Schreier and Herman Meyer, directors. David Maxey is serving his second term as secretary.

Outgoing officers recognized include Rev. Godsey, president; Dr. Lynn Fite, Louis Schreier, Howard Hall, Art Nafzger, Tom Smith and Herman Meyer.

Musical entertainment for the banquet was provided by the Serenaders, a TV cast from Lubbock. Food for the occasion was prepared under the direction of Margie Slatten.

SCHOOL WEEK PLANS SET

Texas' Fifth Annual Public Schools Week will be observed March 7-10 in the Olton Public School system, and visitation by the public is being especially urged for Tuesday and Wednesday afternoons, March 8-9, it was announced this week by Supt. of Schools Carl Macon.

Special programs will be held on both of those afternoons, and the Tuesday afternoon program will feature a spelling bee between members of the Olton Lions Club and a group of eighth graders.

Cash prizes of \$15 each, donated by the Lions, will be awarded to the grade school room and to the eighth grade or high school class with the highest number of visitors next week.

Public Schools Week will be observed Monday through Thursday, because classes will not meet here on Friday, March 11, that being the day of the district teachers' meeting at Lubbock.

Entire City Commission Will Seek Re-Election In April City Balloting

Mayor Lefty Hollingsworth will seek his fourth term as Mayor of Olton in the April city election.

Again his running mates will be incumbents W. B. "Bill" Smith and Eldon Franks, who have served on the city commission for the past two years.

Deadline for filing for a city office is March 5.

Mayor Hollingsworth has been in public life here since the early 1940s when he served his first term on the city commission. Later he was president of the Olton school board for three years.

He now is rounding out his sixth year as Mayor of Olton. City officials here are elected for two-year terms.

The offices of city marshal and city secretary are appointive rather than elective.

In announcing their candidacy the Hollingsworth-Franks-Smith slate released the following joint statement:

TO THE PEOPLE OF OLTON
In announcing for re-election

Mayor Hollingsworth We choose to run . . .

as your City Commission we would like to issue the following statement.

We have tried to do as best as we could on our budget, however we have not pleased everyone. Of that we are sure, we

have, however, tried to be fair to everyone. We feel that everyone should pay their bills. We appointed fair and just boards of equalization to serve the people in Tax Matters.

Numbers of people have expressed to us their desire to have the present City Commission fulfill our obligations and commitments on our recent Bond Issue, since we are familiar with its entire program, and have worked out the entire layout. We would like to serve and put this entire program through to its ultimate finish.

We are not going to promise things we can not do. We will do as we have during our tenure so far—OUR BEST.

The people as a whole have been most Co-operative and that is how we hope it will continue to be.

Only by our UNITED EFFORTS may we succeed as a City, County, State or Nation. Lefty Hollingsworth, Mayor W.B. (Bill) Smith, Commissioner Eldon Franks, Commissioner

BRYANT BROS. BUY BLEY EQUIPMENT

Two Bryant brothers -- Leo Ross and Elmo -- have purchased Bley Equipment Company, the International Harvester outlet in Olton.

The Bryant brothers are to take over operations as of March 1. The company at present is operated by father and son, C. E. and Winston Bley.

Leo Ross and Elmo also bought a tract of land from Mr. Bley and plan to construct a new implement company building on it in the near future. It is located east of Gray Grocery on Highway 70.

P-TA Minstrel Goes On Friday

The curtain goes up at 8 o'clock tomorrow (Friday) night on the Hart Parent-Teachers Association Minstrel.

Directing the show is Mrs. Bill Woods. There are about 30 members in the cast, including Ed Bennett as the bride in the wedding and Mrs. Paul Robertson and John Thompson as mammy and pappy.

The minstrel is an annual production of the Hart P-TA. An invitation to the public has been extended.

MORE CITY LOTS ON SALE

Another sale of Olton tax delinquent lots will be held next Tuesday.

The lots will be cried from the court house steps in Littlefield by members of the Lamb County Sheriff's Department.

Phone Company Requests \$15 Business Rate

Latest telephone company demands would give Olton the highest rates in the company's entire system.

General Telephone Company of the Southwest has tossed its own compromise offer out of the window and made new rate demands as much as 20 percent higher than those made originally back in July of last year.

The new demand, came from Jim King, head of the company's revenue requirement department. Mr. King flatly refused to discuss rural rates.

The company is now asking \$15.00 a month on one party business lines and \$6.50 on one party residential service.

General Telephone had asked only \$12.50 on one party business service back in July and less than a month ago agreed on a compromise rate of \$9.00.

The latest demand would peg one party residential service at \$6.50. Two party business service would come at \$12.00 and two party residential service at \$5.25.

Present rates are \$7.75 on one party business service and \$4.50 on one party residential service. Two party business lines now cost \$6.00 and two party residential service costs \$3.75 a month.

Originally the company asked for hikes to \$10.00 on two party business service and \$5.00 on two party residential lines.

A little more than two weeks ago the company had agreed to settle for \$9.00 a month on one party business service; \$7.50 on two party business service; \$5.00 on one party residential service; and \$4.50 on two party residential service.

The city commission offered to give the company \$8.50 on one party business lines; \$6.60 on two party business lines; \$5.00 on one party residential service; and \$4.25 on two party residential service.

By VERNON NIXON

Cold weather continues to dominate most of the high plains, preventing field work to get into full swing. Several farmers are doing some work during the mid-day hours but as a whole farm work is at a standstill. Practically all land has been broke and worked down. Most all are ready to list up and get ready for watering. Irrigation should get under way during the early days of March. Only the Cotton land will get much consideration until some settlement is reached on the parity of small grains. At present the 70% rate set by Benson will make grain sell for only \$1.58. Very little extra work and watering can be done and still realize any profit. A more definite decision on the parity rate should be forthcoming soon. Plains farmers are much in the air about the injustice handed down by the Government officials in comparison to the prices established

for corn growers in the North. March, which is next Tuesday, is the kick-off day for the local RED CROSS DRIVE. It is planned to give every family an opportunity to take part in the campaign. Volunteer workers will be calling during the morning hours on every home in our Community. Be prepared to accept them and help Olton reach its goal.

What do you say we have a big Poker Game down on the City Square come Saturday Night? It will cost only \$18.75 to get in and \$18.75 to back up your hand. \$37.50 in all and if enough get in you stand to profit at least \$38,400.00. Pretty absurd isn't it. Illegal? Unethical? Well, maybe. But for every fellow who profits some one must lose. It is so much worse than a Bond-Letter? Not condemning -- merely presenting a thought.

Hello Gang,
Did everyone go to the basketball games last Thursday night? They were quite exciting. The girls played a real good game and just got beat by five points. The boys won theirs by 11 or 12 points, I believe. A few of the Muleshoe players got a little hot under the collars, though. Elson Rose and Eugene Edmonson boxed boys from Muleshoe and did real good. John Carson gave a weight lifting exhibition.

Since basketball is over the boys have started working out for track and baseball. I think that we will have a real good baseball team this year and I think that we should back the boys.

Max, you and Jackie are sure good mechanics. Your brakes, I bet, are the best in town. Right, Donna?

Iva Dell and Runt went to Louisiana over the week end. They went to the Louisiana Hayride and they really enjoyed themselves, didn't you, Runt?

If anyone hasn't gotten their Community Calendar, just see a member of the band. We are still trying to raise money to go to Enid and all the help we receive is appreciated.

The band concert was postponed from last Tuesday night to this coming Tuesday night. We would like to see everyone there.

We are real proud of Janelle Miller for getting twirler at Howard-Payne College in Brownwood. We know that she will be a good one.

Weldon, what were you thinking about when you nearly ran into the bar ditch Monday?

Ann and Mary Hazel went to Brownwood and visited at the college there. They said that they really had a nice time.

Billy, who was that girl you were with Sunday? She couldn't have been from Anton, could she?

Did you guys in the fifth period typing class think that you could get out of taking a test if you hid the time clock? Didn't work, did it?

We are all sorry that Betty Lou injured her toe. What was your hurry to get in the school house, LaNelda?

STUDENTS HERE

Texas Tech students home last week end included Gwen Phillips, Gayle Silcott, R. V. Allcorn, Travis Walden, Joel Meyers, Bobby Bryant and Clifford Curry.

Demons Tilt With Floydada Here Tonight

One of the best games of the season is promised when the Bohner Demons encounter Floydada, both boys and girls teams, here tonight in basketball. Starting time is 7:45 p.m.

In previous play, the Demons defeated Floydada's boys, while Floydada's girls won over the

Demons girls.

Last home game of the season is Friday night, when the A and B Demons boys play Littlefield's B team. Final game this year is next Thursday at New Deal.

VISIT DAUGHTER

Mr. and Mrs. Barton Prestridge, Kenneth and Barry, visited Jan in Brownwood last week end where she is a freshman at Howard-Payne College. They were accompanied by Ann Ford and Mary Hazel Phillips.

Solemn Program and Candlelight Ceremony Combine In Thinking Day Observance

Discussions on customs in the countries of Holland, France, Mexico, Japan and Spain highlighted the Girl Scout Thinking Day program in the high school auditorium Tuesday afternoon.

"Scouts all over the world are thinking about other countries today," Mrs. Paul Burrus, scout leader, remarked in her introductions.

Reports on life in Holland and France were made by Sue Macon, taken from feature articles which she wrote last summer for The Enterprise. Sue interviewed an exchange agricultural student from Holland, and a woman from France for stories.

Rev. Glen Godsey, pastor of the Mexican Baptist Mission, discussed customs in Mexico. He pointed out that Mexicans there are either very rich or very poor - there is no middle class. Rev. Godsey remarked on the bright clothing, poor nutrition, religion and form of entertainment enjoyed by the natives.

Japanese mores were outlined by Mrs. T. Aigaki, who was in Japan before World War II. Mrs. Aigaki emphasized that, though Japan had been very backward in ideas, G. I.'s had brought American ways of life to them and even the Christian religion was gradually spreading through the tiny island so thickly populated.

Mrs. Burrus read letters from Miss Delane Adams, who is teaching in American schools in Germany. Emphasis was on Spain, and its humble people whose chief transportation is the burro and whose common habitat is a hole in the hills.

Following a review on each people, candles were lit by the scouts for a symbol of friendship toward all other countries. Conclusion of the program was singing of rounds by the scouts.

Arizona Speaker Here Next Week

Inspirational speaker for a Week of Prayer next week at the First Baptist Church is to be Mrs. Ernest Geer, Stafford, Ariz.

The series of meetings is in honor of Annie Armstrong for Home Missions. Meetings will be held Sunday through Thursday evenings at 7:30. Additional program will be supplied by the WMU, under the direction of Mrs. J. F. Miller.

During the week Mrs. Geer will also speak to groups at the Baptist churches in Halfway, Littlefield, Spade, Springlake and, possibly a Plainview church. These talks will take place mornings and afternoons.

The Week of Prayer for Home Missions is an annual observance; however, this is the first year such a series of evening meetings, featuring an outside speaker, has ever been held.

BOOK REVIEW CLOSES STUDY

"The Galilean" is the title of a book, by Slaughter to be reviewed next Monday afternoon at the Methodist WSCS by Mrs. Charlie Jones.

The review terminates a six-weeks study of Jesus' teaching concerning women. Both the Elsie Reynolds and Martha Circles will hear the talk at the church at 2:30 p.m.

"We want the public to know they are invited," states Mrs. R. H. Campbell.

Fashion Show Features All Classes, Styles

Homemaking classes of Olton High School are presenting a style show Tuesday afternoon March 8, 2:30 to 3:45, in the auditorium.

Freshmen, sophomores, juniors and seniors are participating, modeling class projects. Special baby models will be on hand to show infants clothing made by the sophomore class.

Admission to the fashion show is 25 cents. Proceeds will apply on expenses of the mother-daughter banquet to occur soon.

Shopping Trip For Furniture Is Now Eminent

FHA and homemaking girls, under the guidance of Miss Mildred Carter, are making immediate plans to go shopping for furniture, with about \$1200 to spend.

The furniture is for the living room and bedroom of the "new" homemaking cottage. The \$1200 is money the girls have accrued during the year from football game concessions, bake sales, stock show pie and cake sales, and other money-raising campaigns.

"My third year homemaking girls," explained Miss Carter, "are beginning studies in interior decorating. We want to begin buying in three or four weeks, so the senior girls can enjoy the furniture for at least a while before they graduate."

Early American styles will be selected. The cottage is already furnished with a dining room table and eight matching chairs in Early American maple. Pieces yet to buy will include sofa, chairs and tables for living room, and a bedroom suite.

The group plans a style show soon, which profits will be added to the furniture fund.

VACATIONING

Mr. and Mrs. C. R. Stockstill and Jimmy, Circle, are vacationing in California.

ENGAGEMENT IS TOLD

Mr. and Mrs. G. F. Parker are announcing the engagement and approaching marriage of their daughter, Lucille, to Jerry Dean Cornell, son of Mr. and Mrs. G. F. Cornell, Albuquerque, NM. Vows will be read Saturday, February 26, at the Sandia Base Protestant Chapel, Albuquerque.

SCOUT LEADERS MEET THURSDAY

Scout leaders will meet next Thursday morning at 9 o'clock in the Scout House.

Plans for cookie sales during Birthday week will be made.

Past Presidents Favored At Tea

Past presidents in attendance of the Olton Parent-Teacher Association were honored Friday at a Silver Tea.

Mrs. C. M. Owen gave a brief history of the organization and introduced past presidents Mesdames A. D. Melton, Paul Burrus, Tom Sluder and Wilton Bodkin. Mrs. George Bohner was first president of the group in 1924.

Mrs. W. R. Aldridge, president, appointed a nominating committee of Mrs. Martin Phillips, Mrs. Raymon Carson and Mrs. Fred Gordon for next year's officers, to be installed in May.

Tentative plans were set for a pan-cake supper soon. Dates for the next two P-TA meetings were changed due to other conflicts. The March meeting, set for March 11, will meet Thursday, March 10, April 1, instead of April 8 is the day for the April meeting.

The time, 3:15 to 4:15 p. m. remains the same.

The Gospel In Earthen Vessels

We noticed last week that the gospel is a treasure because it is God's power to save lost souls. In II Cor. 4:7 this gospel (treasure) is said to be in "earthen vessels." We know a vessel is a container, and an earthen vessel would be a container of the earth. Human bodies are of the earth. "Dust thou art, and unto dust shalt thou return," Gen. 3:19. Paul, a human being, was said to be a vessel, Act. 9:15. God intended for the gospel to be preached by human beings in order that souls might be saved, I Cor. 1:21; 15:1-2. Even the paper on which the gospel is written is of the earth. These "earthen vessels" perish but the gospel lives on and still has the power to save.

People who are looking for a spirit or angel to bring them a message so they can be saved will be disappointed. We need to remember that the gospel is here, recorded on paper so that we can learn it, believe it, obey it and teach it to others. It is God's power to save, Rom. 1:16.

Poultry Supply Expert Forecasts Increased Egg Prices For Fall

A sharp reduction in the number of baby chicks being bought this year points to sharply increased egg prices for fall, according to a forecast issued this week by Don Spain, co-owner of Olton Farm Supply here.

Spain, a 1949 agricultural engineering graduate of Oklahoma A. & M., says, "There is at least a 15% reduction in the number of baby chicks being purchased all over the United States. In the Southwest, there is over a 50% reduction so far this year."

Egg Shortage

"This means that there will be a definite shortage of eggs next fall and winter," Spain continued. "The future market for next September and October is already 47c. The best egg prices since 1951 are in sight for those producers with the foresight to cash in on them."

Brooder houses should be prepared well in advance of your chicks' arrival, Spain emphasized.

Clean Buildings

"Thoroughly clean and disinfect the building and allow it to air for several hours. All feeders, waterers and brooding equipment should be cleaned and disinfected, also," he said.

"Place clean litter on floor... round corners with chick guards. Brooder house temperature should be kept at 70 degrees, and the hover temperature should be regulated at 95 degrees before you receive your chicks," Spain pointed out.

"Good chicks, good feed and good management will go hand in hand for a profitable year in poultry," Spain concluded.

CALENDAR SALES WINDING UP

This week Mustang bandsters and parents will wind up sales of their birthday calendars in Olton community.

Quota for the sales is 200 calendars; by Wednesday morning, more than 180 had been contracted.

Advertising space on the calendar has been sold to Olton merchants, Mrs. R. J. Pinkerton, campaign chairman, states. The calendars run from May, 1955 to May, 1956, and will be delivered to buyers within the next two months.

Profits from the sales are added to the fund for expenses of the Mustang Band to the Spring Tri-State Music Festival in Enid, Okla. A bus will be chartered to take the students to the contests.

RECEIVES AWARD

C. W. Grant, Olton representative for Republic National Life Insurance Company, qualified for the \$300,000 Club in quality and quantity production during 1954. This announcement came this week from Theo. P. Beasley, president of the company.

17 Juniors In Cast Of "Buy Jupiter"

Play practice for "Buy Jupiter," the three-act comedy to be presented March 17 and 18 by the Junior Class, is underway.

Directed by Mr. and Mrs. Harry Ford and Adolph Gottschalk, Junior sponsors, the play casts seventeen characters.

"Buy Jupiter" is taken from the book "Jumping Jupiter," by Ernestine Gilbreth Cary, author of the senior class production, "Cheaper By The Dozen."
 Members of the cast are Betty Lou Sides, Clyde Rhodes, Juanice Hendrix, Bill Boverie, Shirley Banister, Edward Featherhull, Wally Stewart, Sandra Hamby, Mary Ellen Ellis, Nelda King, Randy Moore, Donna Burrow, Kay Granbery, Lynnda Wilson, Jackie Gray, Sue Sullivan and Wynne Lee Young.
 Tickets will soon go on sale at 50 cents, 75 cents and reserved seats, \$1.00.

CHAMBER GIVES PLAQUES

The Chamber of Commerce this year offered four plaques, three for showmanship and one for the cleanest pen, in the Stock Show.

Jackie Pinson won the cleanest pen award; Royce Bodkin the showmanship award in the swine division; Carl Nafzger in the beef division; and Deryl Machen in the sheep division.

Underwater Banquet Is Friday Eve
 Buried treasures will be found and starfish, oysters with pearls and octopi will be swimming around Friday night when the OHS seniors of 1955 have a "Rendezvous With King Neptune" at the Baptist Church.

The formal banquet is an annual honor for the senior class, given by the WMU and the church. Guest speaker is to be Roy Bass, prominent Lubbock citizen.

Jimmie Priest, senior class president, will be master of ceremonies. Mrs. Hubert Waldrop is in charge of the menu. Program arrangements are being made by Duward Price and J. F. Miller. Decorations committee is headed by Mrs. Duward Price.

Joe Miller Uninjured In Accident

Joe Francis Miller sustained almost no injuries in an automobile accident near Goldthwaite last week end.

The J. F. Millers were visiting the J. T. Jones family in Goldthwaite, and Joe, accompanied by Eddie Jones, was driving the family car on a dirt road about 3½ miles out of Goldthwaite. The car went out of control on a curve and overturned.

Neither of the two boys was injured, but the car was heavily damaged, Mr. Miller states.

TO FRIONA
 Robert Stovall, Jerry Dennis, Chick Henderson and Jackie Gray went to see Jimmy Maynard in Friona Monday.

HERE MONDAY
 Monday visitors in the Floyd Gray home were Mr. and Mrs. Bobby Lemon and children, Slaton.
