Candidates Campaign For Student Elections

The election of student government officers and cheerleaders has been set for Friday, October 8, announced Dr. Duane Hood, registrar.

All students who wish to run for office or cheerleader must have filed a petition by September 30 in order to be eligible for consideration Dr. Hood stated.

Dr. Hood has also outlined some standards to be followed by candidates during the campaign period. Campaign posters may be placed on wooden stakes in the front entrance of the campus, taped to any window in any building, or placed on bulletin boards in the student center or the Child Development Center. Posters may not however be taped onto

Art Professor Has Lithograph On Exhibition

C. Warren Cullar, assistant professor of art at Western Texas College, has been notified that his lithograph "Crucifixion" has been accepted for showing by the Texas Fine Arts Association.

Cullar's work will become part of the TFAA Circuit Exhibition which will be shown in eight different cities throughout Texas from September 1971 through April 1972. "Crucifixion" is the only lithograph chosen to be exhibited in this traveling exhibition of nineteen different works.

Cullar was notified by Mrs. John D. Haltom, President of the Association, that his lithograph would be exhibited in the following cities: Port Arthur, Sept. 22-Oct. 3; Galveston, Oct. 20-Nov. 10; Corpus Christi, Nov. 17-Dec. 8; Victoria, Dec. 15-Jan. 5; Belton, Jan. 12-Feb. 2; Lytle, Feb. 9-Mar. 1; Ingram, Mar. 8-Mar. 29, and the final location will be San Antonio from April 5 through April 26.

any walls nor can they be placed in any of the planter boxes on campus.

As of Thursday morning the following students have petitioned and have been found eligible to run for office.

President - Mike Simpson, Sophomore.

Vice-president - Dee Osborne, freshman.

Recording Secretary - Mitzy Gray, freshman.

Treasurer - Duchess Whetsel, freshman and Charles Collins, freshman.

A complete list of all candidates will be posted in the student center Monday, Oct. 4.

There will be five cheerleaders elected from the following students; Sharon Moore, freshman; Debra Murphy, freshman; Linda Thompson, freshman; Dee Osborne, freshman; Debra Lee, freshman; Ada Newsome, freshman; Sharron Autry, freshman.

An assembly for all students of WTC will be held Thursday, Oct. 7, preceding the elections.

Rodeo Team Acquires Funds For Activities

The Rodeo Booster Club goal of 5,000 dollars for the Rodeo Team Scholarship Fund has been reached and surpassed announced van Rigby, assistant professor of agriculture, and rodeo coach.

At the Rodeo Booster Club meeting, 8 p.m. Thursday, Sept. 2, at the Steak House, the scholarship money was accepted by Rigby. He promised that the money would be handled carefully and that the surplus could very possibly be used as scholarship money next year.

The problem of securing suitable practice stock was also discussed. George Parks offered to furnish money to purchase about 30 calves and five or six

According to Dr. Hood the assembly will be for the purpose of campaign speeches by all candidates, and for cheerleader tryouts.

Other information pertaining to student government was also released by Dr. Hood. Monday, Oct. 11, has been designated as the date that senatorial candidates may file petitions, and Oct. 22, will be election day. The freshman class will be represented by 11 senators while the sophomore class is entitled to one senator.

bulls. W. C. Hart agreed to obtain the calves and bulls. Rufus Hart agreed to find some suitable practice broncs. It was not decided who would bear the cost of the horses. They also discussed the problem of constructing suitable stalls for the barrel racers' and calf ropers' horses.

Members present were: Jess Everett, president of the club, Jerry Springer, secretary of the club, Dub Tubbs, Bill Eiland, Harold Lacik, Don Sealy, Sidney Johnson, George Parks, Edwin Parks, Rufus Hart, and Roy Meador of KSNY radio station. Van Rigby, Vic Dodson, Gary Parks, Steve and Janice Lisenby were also on hand.

Students Receive Aid From Preston Smith's Declaration

The week designated as "Hire A Student Week", was Sept. 5-11, 1971. Employment for students is necessary to their financial support, because young men and women are in need of part-time employment, stated Texas Governor, Preston Smith, in his proposal.

"GREETINGS:

The campus of every institution of higher learning in the State of Texas represents a major concentration of conscientious, skilled or semiskilled students who have part-time or career needs.

These capable and talented young people are experienced and have special skills which they can and, are of necessity, anxious to put to productive use.

Ever-increasing numbers of these students are finding it necessary to seek part-time employment, due to higher costs brought on by mounting inflationary pressures.

Many businessmen are able to convert part-time student workers into full-time employees upon graduation, each benefiting thereby, and it is of great mutual benefit to students, employers, and the State of Texas that they be brought together.

THEFORE, I, as Governor of Texas, do hereby designate the week of September 5-11, 1971 as HIRE A STUDENT WEEK in Texas and encourage all employers to 'put an education to work' by hiring a student."

According to Harry Dietz, assistant professor of mid-management, many of our local

businessmen have agreed to employ our students in accordance with the mid-management programs.

Mrs. Wilma Crawford, WTC financial aids officer, emphasized the need of work for the students. Without work many of the students would not be able to attend college. Although many of Snyder's businessmen have helped in employing WTC students, still many are in need of employment.

School Colors And Nickname Are Announced

WTC students chose as their school colors blue, green, and white, and the name Westerners as the school nickname. The results of the election held during registration were announced by Dr. Duane Hood, registrar at WTC.

Sid Simpson, athletic director, presented a number of color combinations for consideration at the orientation exercises August 26. The color choices were: maroon and gray, orange and gray, maroon and white, orange and green, purple and gold, and blue, green and white. The choices for nickname were: Mavericks, Cowboys, Chiefs, and Westerners.

Simpson stated that not only are the WTC colors different from any other combinations in the Western Athletic Conference, they are unique among the college ranks throughout the United States.

Genuchi, Professor of Music and choir director.

Dr. Genuchi stated that the group will be formed into a type of "Golddigger" group with the help of Prof. James Tully and Miss Linda Miller. Prof. Tully will assist with visual effects, while Miss Miller will be in charge of trips, costumes, and choreography. Piano, bass and drum accompaniment will also be used. The choir which will meet three times a week for rehearsals, will be singing a varied collection of songs in areas such as: modern, folk, jazz, rock and folk anthems.

The choir consists of Ann Campbell, Susan Cline, Sara Fincher, Evelyn Johnson, Lou Ellen McCombs, Sharon Moore, Debra Murphy, Patricia Nelson, Evelyn Osborne, Coleen Palmer, Linda Thompson, Peggy Wedeking, and Ann

Yielding. Miss Fincher, Miss McCombs, and Miss Wedeking are all on scholarship from the choir. Miss McCombs is also the accompanist.

Dr. Clinton On Key Committee

WESTERN TEXAS COLLEGE - Dr. Robert Clinton, president of Western Texas College, has been named to a committee for the 52nd annual convention of the American Association of Junior Colleges from Feb. 27 to March 2, in Dallas.

Dr. Clinton will serve on the publicity committee for the 5,000 member junior college educators from across the nation. The group will make their headquarters for the series of conferences, seminars and workshops in Dallas.

The theme for the convention will be "Strategies for Change" as the junior college administrators and instructors consider their rapidly expanding rolls in American higher education.

BULLETIN FROM REGISTRAR: All students who are taking more than 18 hours need to go by the college offices on College Avenue and see either Dr. Duane Hood or Dr. Ben Brock.

Poll Expresses Student Reaction

In each publication of this newspaper, the staff will feature a student opinion poll pertaining to certain aspects of student life. This week students were given the opportunity to "sound-off" and express their viewpoints on the question, "What is your opinion of Western Texas College after seeing it for the first time?"

The poll can be summed up by one word given by Max Tenorio, "FANTASTIC!"

Other students gave us various comments.

Jan Olson 502½ - 28th St. Snyder — "I was very impressed with the modern buildings and the teachers' attitude to be helpful. The classrooms are well equipped and located. I have no complaints."

Barry Rinker 2704 Ave. G Snyder — "I see W. T. C. as a start to a very good educational institution. We have a well rounded student body with better than average faculty."

Marvin Giles Rt. 2 Bx. 34 Snyder — "After seeing W. T. C. for the first time it scared me to death, but I think it is going to be something really great. In short, I like it. There is, however, one thing I cannot stand about it, and that is the English class."

Lou Ellen McCombs Rt. 2 Rotan Tex. — "I like W. T. C. very much. The students and faculty are very helpful and friendly. The classes are small enough so that the teachers can give individual attention to each student."

Nancy Bailey 3603 40th Snyder — "I think that the buildings are very nice and beautiful. I feel that when the confusion is eliminated of finding the room to have classes, the qualified professors will be able to teach in a more organized manner. I think it's going to be an exciting year."

Anonymous — "The environment was surprising and conducive for a prepared student wishing to study in this college. The buildings are well planned. The teachers are so friendly, and students so friendly to one another."

Danny Chastain 209 32nd St. Snyder — "W. T. C. is a great place to go to school! In comparison with other schools, this one offers the most for the freshman students. Also the faculty is outstanding."

Helen Abernathy 109 Peach Snyder — "I was impressed with the amounts that registered and the fact that many were from out of state and town. I think upon completion we can be proud of our college."

Herman Daniell 430 N. W. Ave. I Hamlin, Tex. — "My first opinion was that W. T. C. will be a real pretty college when completed. As far as the students and the faculty, everyone seemed very friendly."

Weldon Dolloff 501 34th St. Snyder — "It is better than I thought it would be. It has a staff that is one of the best I've seen. In all it is a great place to be."

Draft Boards Clarify Deferment Regulations

The Selective Service System today clarified expected policy changes on undergraduate student deferments.

College students who were enrolled full-time in the 1970-71 academic year will be eligible for student deferments in the 1971-72 school year if they continue to make satisfactory progress in their programs of study, Selective Service officials said. However, young men who entered school for the first time this summer and those who enroll as freshmen this fall will not qualify for student deferments if the pending changes to the Selective Service Act are passed by Congress. The House has completed action on the bill and final Senate action is expected in September.

Dr. Curtis W. Tarr, Selective Service Director, said: "Few incoming freshmen students are likely to be inducted in the near future because of the student deferment phaseout. Of the 1,034,000 incoming freshmen males estimated by the Office of Education, approximately 80 per cent are 18 years old and only 20 per cent are 19 years of age or older. The 18 year olds will receive their lottery numbers in 1972, and they will not be subject to induction until 1973, when draft calls should be low. The 19 year old freshmen received their lottery numbers August 5 of this year and will be subject to induction next year; at least ½ should have high enough lottery numbers to preclude their induction. Of those remaining, approximately

50 per cent will be disqualified on mental, moral or physical grounds. This means that a maximum of 50,000 men will be directly affected in 1972 by the student deferment phaseout and one-half of these, or 25,000 will probably not be inducted because of enlistments in Regular, Reserve or National Guard units, participating in commissioning programs or because of procedural delays.

Dr. Tarr said that college students will not be drafted in the middle of a semester or term. "If called while enrolled, they will be allowed to postpone their induction until the end of the semester, or term. If in their last academic year, they will be able to postpone their induction until after graduation."

Dr. Tarr advised incoming freshmen and students who started their program of study in the summer of 1971 or later not to file applications for student deferments even though the current law authorizes granting deferments to students in full-time programs of study.

"If the pending Selective Service legislation does not pass," Tarr said, "it would not be in a registrant's best interest to obtain a student deferment which would extend his liability until age 35. Should Congress change the legislation to provide for deferments for new incoming freshmen, which is most unlikely, applications for deferments will not be jeopardized by delaying their submission until after passage of the new law."

The President's authority for the induction of all men under 35, except for those who have or who have had deferments, expired on June 30, 1971. If Congress does not reinstate the general induction authority, the President could authorize the induction of those registrants who hold or have held deferments. In this unlikely event, Selective Service officials believe that manpower requirements of the Department

of Defense probably could be met by inducting those young men who have recently dropped deferments because they graduated, dropped out of school, or changed their occupations. Recent college graduates or dropouts would make up the bulk of inductions, the officials said. The officials added that cancellations of deferments probably would not be necessary nor would it be necessary to call those who have passed into the second priority selection group.

Currently, there are approximately six million young men under age 35 with deferments. Approximately 500,000 of these normally lose their deferments during a 12-month period. The largest groups of deferred men are those who have received fatherhood, occupational or student deferments.

WTC Sets Up Programs For Area Schools

Western Texas College is one of the first colleges to become an area vocational school for high school students.

The 50 mile area covered by the vocational school includes Garza, Scurry, Kent, Stonewall, Haskell, Borden, Fisher, Jones, Mitchell, and Nolan counties.

The occupational program of study will prepare an individual for an occupation in which he can find employment. Some of the courses offered at WTC are Auto mechanics, diesel mechanics, and welding, general office, clerical, stenographic, and general secretarial and stenographic.

Junior and senior students of high school can receive as many as three high school credits in the occupational training program. Students can earn credits to transfer to a four year school from WTC, or they can complete their formal advanced education in two years.

Student Constitution Is Okayed With Revisions

The proposed constitution for student government at WTC was submitted to the student body for ratification Friday, September 24, announced Dr. Duane Hood, registrar and director of student services.

Dr. Hood also stated that the original proposal has been revised since its initial presentation on August 26.

The revisions are as follows:

Article I, Section 2: The office of Secretary now reads as Recording Secretary.

Article VII, Section 5: Now

reads, "in the event that a Senator should vacate his office before the termination of his term of service, the vice-president shall appoint a replacement. The appointment of this person is subject to Senate approval."

Article XII, Section 3: Now reads, "Any student may initiate legislation by twenty-five (25) students to any senator.

The senator is required to introduce the bill on the floor of the Senate, but he is not obliged to support its enactment."

Article XIV, Section 3: In regards to the impeachment of the Student Body President, this section now reads, "A 2-3 vote by the total membership of the Senate is necessary for the president to be removed from office."

Shuttle Bus System for WTC Established to Aid Students

Western Texas College has obtained buses from the Snyder Public Schools for transporting students back and forth to the college according to Sid Simpson, Athletic Director.

The two buses were purchased for the purpose of establishing a shuttle route, assisting students needing transportation.

Presently the route established is: To the Beacon Lodge at 7:20 and from there to the Child Development Center for breakfast. At 7:40 it goes up Ave. E and 25th St. It turns left and makes a stop at the Travel

Inn and from there on up the courthouse square to the College by way of College Avenue. It stops along the way, picking up students when necessary. The remainder of the day it shuttles between the College and Child Development Center.

If students desiring to ride the bus will call 573-7583

arrangements will be made to route the buses so these students will be picked up, if possible. Interested students are requested to call and ask for Mrs. Kay Case.

The bus drivers are: Gary Henderson, David McAlister, Mike Simpson and Ralph Jackson.

Housing Is Major Student Problem

With no dorms on campus this year the new WTC student has had to find a place to live. Out of the 649 students who have registered there are 469 students who come from Scurry County with 200 that come from outside the county according to Dr. Duane Hood, registrar. From these students there is approximately 264 students that have moved into the city.

The male students, for the most part, are living at the Beacon Motor Lodge while the female students are located mostly at the Travel Inn;

however, there are substantial numbers of students that live in apartments, one or two bedroom houses, or rooms in private homes. The students that live in apartments are mainly located at the College Apartments or the Apartments on Coleman St. There are also students living at the Wayman Motel. The most scattered group of students are those that live on the south side of town with a few scattered on the west side of town.

The Western Texas College students seems to have adjusted to the situation of no dorms. They have spanned out over the city of Snyder to locate in many and varied kinds of housing. This mass moving of students to Snyder is sure to help the economical aspects of the local landlord, at least until the dorms are built.

WESTERN TEXAS COLLEGE — After the second and final reading of an ordinance authorizing annexation of Western Texas College campus, the Snyder City Council approved that measure.

WTC Rodeo Club Organized Officers And Team Selected

The WTC Rodeo Club was organized at 7 p.m. Aug. 31, in the Agriculture Building according to Van Rigby, assistant professor of agriculture and rodeo coach. Approximately 23 students were present. The most important item discussed was the selection of the rodeo team members for the first two rodeos.

These two rodeos being New Mexico Military Institute at Roswell, New Mexico starting Sept. 7, and ends Sept. 11; then on the following Monday, Eastern New Mexico University at Portales. The Portales show will end Sept. 5.

There will be approximately 15 students participating in the show at Roswell. Of these 15 students nine must be selected, (six boys and three girls) to represent the school as a team. Usually, as Prof. Rigby pointed out, the team members are selected on the basis of the number of events he or she works. In other words, a student who enters four events and nails down two third places will gather more points than a student who works only one event and wins one first. There

Study Hall In Church

The First United Methodist Church of Snyder is providing a study room for all WTC students who are having difficulty finding a place to study, announced Wallace Kirby, pastor. Rev. Kirby stated that a classroom in the church educational building will be open Sunday through Thursday until 10:30 p.m. for the purpose of quiet study.

are several students competing at these first two shows who are quite capable one-event hands, who for all practical reasons will not be on the team. Yet, these points will count for them in the regional and national individual standings but will not count

toward winning a particular show's team trophy. Also, Prof. Rigby added that the team members can be changed from rodeo to rodeo and usually are. The idea being that whoever is winning or has a hot streak going will be on the team.

CONNIE OGDEN AND Jan Evans both from Western Texas College won the Trophy for "All Around Champion Cowgirls" Sept. 23-26, 1971. Connie won the contest in "Break Away Roping" and Jan in "Barrel Racing". Both young ladies recieved "Belt Buckles". The rodeo was held at Sul Ross College.

ENTERTAINMENT

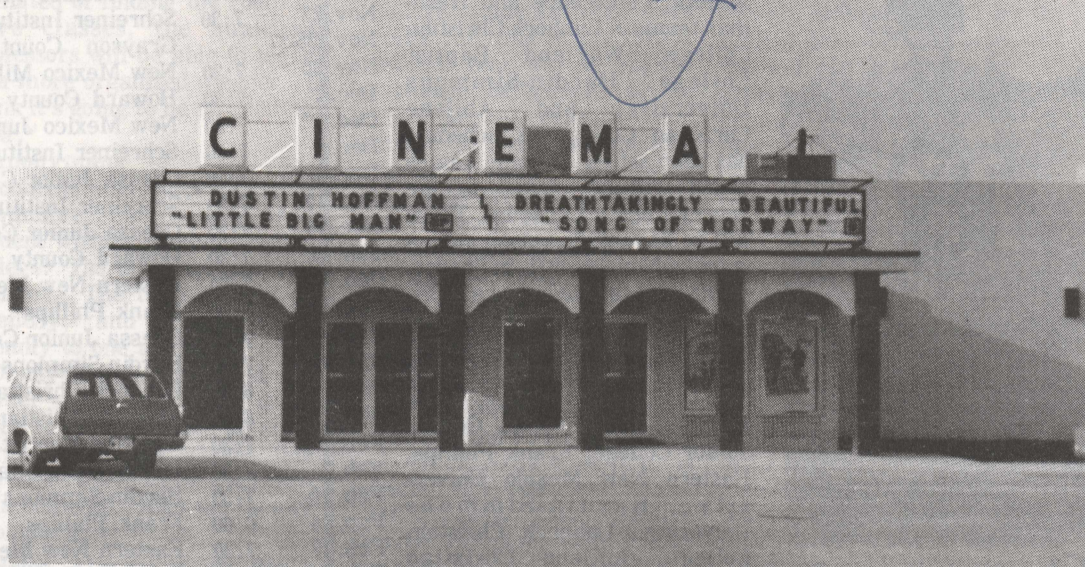

A regular feature of this publication will be a section telling about entertainment possibilities for the W.T.C. student. This week — the Cinema.

The Cinema, located on College Ave. next to Munden's Discount Center has two screens and is able to provide great enjoyment to all ages, especially to the college student. The

Cinema has 132 rocking chair type seats arranged for the utmost in viewing pleasure. The Cinema I will be used for the showing of the GP and R rated shows. The Cinema II has 238

comfortable seats also desirably arranged. Cinema II will be used more for the showing of G rated shows. Both the Cinema I and the Cinema II have separate

exits so there won't be any congestion in the lobby. Each of the screens share the same

lobby which has a snack bar. The general manager, Mr. Johnny Harper, said that the

staff is greatly enthused about providing a fine place for the students of W.T.C. to enjoy some

of the finer motion pictures. He also said that they would be willing to serve the school in showing special features to the various groups. Any teacher interested in bringing a special show to the Cinema for educational purposes should contact Mr. Harper.

The Cinema opened September 16 with "Little Big Man" starring Dustin Hoffman on screen I and on screen II "The Song of Norway." Another feature due at the Cinema in mid-October is "Love Story".

One last service mentioned by Mr. Harper is the answering service to start soon. The public may call 573-7519 to inquire about coming attractions at the Cinema and also at the Tiger.

Rehearsals Organized For WTC Stage Band

The organizational meeting of the Western Texas College Stage Band was held at 7:00 p.m. Sept. 16, in the choir room of the First United Methodist Church as announced by Dr. Marvin Genuchi, professor of music.

Those attending the meeting discussed the future plans of the group. Since time did not permit, the music department to recruit music students, help from local citizens was sought to fill vacancies in the band. Those in attendance at the meeting were Charles Shaw, assistant band director at Snyder High School, Herman Trigg, principal of Central Elementary, James Hamblin of Hamblin Music Company, and Charles Boyer, pastor of St. John's Episcopal Church. Students attending the meeting were Doug Smith from Austin, Mark Stephens, Orville Shwartz, Bill Martin, Danny Chastain, and Barry Rinker all of Snyder.

Also discussed was the schedule for future rehearsals, other possible people interested

in performing with the group, and the possibility of future performances.

BSU Holds A Howdy Party

The Baptist Student Union started their school year off with a "Howdy Party", 6:30 p.m. Tuesday, August 31, at Towle Barn.

Officers for the BSU are Nancy Bailey and Jan Shelburn. Directors are Jack Riley, assistant pastor of First Baptist Church, and Joe Jones also of First Baptist Church.

Hamburgers and soft drinks were served. Music was provided by Chris Liebrum and David Butler of Howard Payne College of Brownwood. The student body, the faculty, as well as the Baptist churches of our area were well represented at the party. Nancy Bailey reported that about 130 people were present and that the party was a great success.
