## Joann Snider Retires from WTC

On January 30 of this year Joann Snider is retiring after being with WTC since 1979. When recently ask to comment on her retirement the following is what she had to say.

It has been a tremendous joy to have been associated with Western Texas College since February, 1979, in the capacity of Administrative Assistant, an Associated in Arts graduate, a part-time instructor, and most important of all Assistant Professor in the Computerized Business Technology department. During this time I have worked very hard to teach students skills that make them confident, develop self-esteem, and have marketable skills, and I will miss each of them very much. Something that I will not miss is grading "all of those papers".

The time has come that I must pursue other interests in life. Some things that I am looking forward to is more time with my family, children, grandchildren, and all of their activities—soccer, basketball, volleyball, tennis, plays, choir, piano, programs, and the list goes on. I plan to continue being active in community affairs.

A little bit about me—I have a wonderful husband of 20 years, Don, and four children, four spouses, and seven grandchildren—Jerrel and Judy Pylant of Carlsbad, New Mexico, Jeff and Teresa Pylant and children Ashley, Brittany, and Brooke of Amarillo, Texas, Jacqueline and Layton Freeman and children Taylor and Trent, and Janetta and Darrell and children Bailey and Kourtney of Weatherford, Texas. I also have two step children and one spouse, and two step grandchildren—Max and Gail Snider and child Josh, and Steve Snider and child Emily. I still have a precious Mother that lives with Don and I. I have a great sister and brother-in-law—Gloria and Glen Baird of San Angelo, Texas. What a marvelous family to be spending more time with.

Past and present Computer Business Technology students are having a reception honoring Mrs. Snider, Sunday, February 8, at the Martha Ann Woman's Club from 2 to 4 pm.
