COURTHOUSE DEMOLITION—This picture was taken early this week in the second story of the hospital building, after workers began demolition of the building last week. Manager of the demolition project here said the building probably will be completely torn down in about two more weeks. Shown here is a view of the east wall.

## '62 Farm Bill Is Summarized

Because of a lack of complete information concerning the new farm bill, passed last Thursday in Congress and to become effective in 1962, the Enterprise has acquired a report which summarizes the new program as it specifically affects grain sorghums and wheat, two of the major crops of this area which come under the new bill.

### Feed Grains

1962 Feed Grains Program Provides:

(1) A voluntary retirement of acreage previously devoted to corn, grain sorghum, and barley. The 1962 program would add barley to the grain program in operation for corn and grain sorghum in 1961. A special exemption is provided for producers of malting barley.

(2) Payments to producers on retired acreage up to fifty percent of the normal value of production on these acres, at the current support rate, for the first twenty percent of the corn, grain sorghum, and barley acres retired to a conservation use and payment up to sixty percent of the normal value of production on land retired above twenty percent of the previous acreage in these crops. Any producer may place a minimum of twenty acres of cropland in conservation use and receive payments.

(3) A price support level determined at the discretion of the secretary of agriculture, but not less than 65 percent of parity. Under similar provision in the 1961 program the secretary set support of corn at \$1.20 a bushel or 74 percent of parity, and grain sorghum at \$1.98 a hundred-weight or 78 percent of parity. The corn support in 1960 was \$1.06 and grain sorghum, \$1.52.

(4) As a condition of eligibility for price support a producer of corn, grain sorghum or barley (except as provided for malting barley) must participate in the acreage reduction program for these crops in 1962, to the extent prescribed by the secretary. To be in compliance with the program, a producer of corn or grain must not increase his acreage of barley and a producer of barley must not increase his acreage of corn or grain sorghum.

Cotton was not treated in this legislation.

## Grid Practice Is Set To Start Here August 14

It's that time again boys... time for football practice, that is.

Pre-school grid workouts will begin here Monday, August 14, according to Coach Walter Bryan.

Bryan has asked all high school boys interested in playing football for the Mustangs in the fall, to attend a meeting Sunday, August 13, from 1 to 5 p.m. at the gymnasium.

Cotton planted skip-row with barley got off to a flying start in comparison with cotton planted elsewhere at the High Plains Research Foundation.

The plants exceeded the others in vigor and height, due to the wind protection afforded by the barley.

### Wheat

1962 Wheat Program Provides:

(1) A mandatory reduction of ten percent in wheat acreage and offers incentives for producers to reduce acreage voluntarily another thirty percent acreage curtailment on individual farms. A producer could retire up to forty percent of his allotment or ten

## Second Floor Of Hospital Demolished

The old hospital building on the square had more going on in it this week than it has since the hospital closed three years ago.

Workers continued demolition on the building this week, after the project started last week.

The interior of the second floor was almost completely torn down by Wednesday afternoon. A spokesman for Mercury Demolition and Salvage Co., Amarillo, the company razing the hospital, said the east wall should be ready to pull down late Wednesday afternoon or Thursday morning.

Wednesday afternoon workmen began the last steps before pulling the wall.

Harkness said he expects the demolition operation to be completed in about two more weeks.

## City Square Has Sad, Lonely Past

Although it may develop into the best business location in Olton, the city's square has a sad and lonely history.

Only two buildings have stood on the square and one of these burned.

The second building, which was erected in 1923, was empty during five of its 38 years. Now it is being torn down.

When the county was organized in 1908 and Olton was the county seat, a three-room wooden courthouse was built on the square. It stood for 14 years, until April 1, 1922, when fire struck.

But it was no April Fool's joke to local residents when the old courthouse burned. Cause of the fire was never determined.

"It burned clear to the ground. We didn't even have anything to fight the fire with... just buckets of water," one Olton pioneer commented.

Mrs. E.N. Burrus, whose late husband was county clerk then, said all the records were destroyed except those in the vault.

The old wooden courthouse had a big barbed-wire fence around it to keep livestock from "comin' on in," one pioneer recalls.

After the fire, the old square looked barren as it lay flat with nothing but ashes to cover its ground.

But soon it had new life again, when in 1923 a new courthouse (the present hospital building) was built on the square, and once more the busy "humdrum" of people could be heard.

Offices of the county clerk, county judge and sheriff were located on the bottom floor of the new building. The jail was in the basement and the top floor was used as the county courtroom.

Everything was going right along in 1924 when Lin Irvin, now a 73-year-old Olton resident, was named county sheriff. Irvin has many "wild and woolly" tales to relate about his experiences as sheriff.

He recalled one experience this way: "There was only one fellow who ever shot me, and he was the guy that I succeeded as sheriff. He was Hugh A. Carter."

"Just before I became sheriff here, Carter, who was county sheriff then, stole about \$7,000 of the county's money and took off for Old Mexico.

"He stayed down there several months, then I got word one day that he was at Milesheo.

"I got my guns and lit out to get him. The other sheriffs around warned me that he was gunning for me, but I was determined to bring him in.

"I finally found him about 30 miles from

here. I got out of my car and walked up to him and told him that the law was looking for him, and that he might as well come with me.

"He hesitated a moment, then got in my car, still wearing his gun, and we drove to Olton. After we got here, we went in my office.

"We just stood there for a moment, then I asked Carter to give me his gun. He got scared and drew his gun. I lunged at him and grabbed at his gun just as he fired.

"The bullet nicked my hand and whizzed on by my head. Then I got the gun from him.

"Carter's trial was held a little later, and he was convicted of stealing the county's money and sent to Huntsville prison for two years. I didn't want to press charges because he shot at me. I just let it go."

Time went along with Olton the hub of Lamb County activity until 1946, when another sort of tragedy struck the old square.

This time the building wasn't destroyed. It was left standing empty. The courthouse was moved to Littlefield.

After that the building began to resemble a "haunted house," as the weeds encircled it and hid part of it from view. Dust covered the floors of the building and wind whistled through the broken windows.

This went on for two years and then the building was put into use again. It was a great moment in the history of the old building, for this time it was to house Olton's first hospital.

In 1948 Dr. James Fite and Dr. Gale Seigler opened the Olton Memorial Hospital. In 1952 Dr. Lynn Fite bought out Dr. Seigler's interest in the business, and began practicing medicine here with his brother.

After three more years of operation, in 1955, Dr. Ben Souders became a third partner in the hospital.

The hospital continued in operation until June 1, 1958, when its doors swung shut, once again leaving the old building desolate.

It seemed the building had been forgotten and the square would remain unused. Then this year, the Chamber of Commerce and Agriculture got behind a drive to settle the property dispute among the three doctors.

Just last month, the law suit was settled. Now the old square will have a fresh start. It will be broken up into business lots and sold.

People here are hopeful that a bright new era in Olton's history will be unveiled.

# 1961-62 School Budget Seeks Reduced Spending

## Board Presented \$441,655 Budget

A budget designed to curtail school spending was presented to the school board Tuesday night by Supt. Johnny Clark.

At a regular board meeting, Clark offered a budget of \$441,655 for the 1961-62 year. This budget, if met, would go under the previous year's expenses by \$20,776.

Last year's budget of \$430,380 was amended to \$462,431, the figure actually reached during the year.

Total funds available for the year are \$336,941 in the local maintenance fund, \$32,000 in the transportation fund and \$83,568 in the interest and sinking fund.

The budget in each department is \$344,155 for local maintenance, leaving a deficit of \$7,214; \$32,000 for transportation; and \$65,500 for interest and sinking, leaving a balance of \$18,068.

Of the \$7,214 deficit in the maintenance fund expected at the end of 1961-62, \$5,000 was on the books at the end of the 1960-61 year.

Other business conducted by the board Tuesday night included setting the tax rate, accepting resignations of two teachers, hiring five new teachers and naming three new bus drivers.

The tax rate was set at \$1.80, the same as last year.

Reviewing a delinquent tax roll totaling \$11,561.55, the board agreed to send letters to each person owing these taxes, asking that they be paid.

Resignations of Jeff Smart, coach, and Carol Jo Blair, Eng-

lish teacher, were accepted officially.

New teachers hired were Charles S. Choate, mathematics; Mrs. Kathryn Cope, elementary; Grady Cope, elementary; Miss Peggy Ruth Swalzey, elementary music at Bohner School.

New bus drivers are Mrs. Elmer Lewis, Mrs. Rex Sherry and Clifford Curry.

Clark said the schools are now short five teachers. Home economics, English and elementary school teachers are needed. Two teachers are needed at Bohner School.

Clark's big cuts on the budget came under the heading of pupil transportation and maintenance of plant, with slightly less than \$10,000 chipped from each department.

Pupil transportation budget for 1960-61 totaled \$42,370. The new budget is set at \$32,000. A little over \$7,000 of

## Registration Days Are Announced

Registration days for the 1961-62 school year at Olton Public Schools have been announced.

Registration will be held Thursday and Friday, August 24-25. Classes will begin here August 28.

All four high school classes and the three junior high grades will register August 24. First grade students will report to their assigned rooms both August 24th and 25th from 8:45 a.m. to 10:45 a.m.

Fred Gordon, elementary school principal, asked that first graders come both mornings so that "teachers and students can get acquainted." He said that all children entering school for the first time, who did not register last April, should come by his office and get their room assignments.

All children entering school will be expected to have shots for small-pox and diphtheria, according to school officials. The policy has been altered at Bohner School, which us-

CLEM KADIDDLEHOPPER—This was the typical dress of Olton merchants Friday at the "Krazy Daze" celebration. Mrs. David Maxey dolled up in this comical attire as "Clem Kadiddlehopper." She was chosen the "Funniest Dressed Woman" at the affair. Her size 14 shoes presented Mrs. Maxey with quite a problem before the day ended. It seems she got tired of dragging those huge workshoes around.

## City Rolls In Laughter At 'Krazy Daze' Garbs

They said it couldn't happen twice. But it did.

For the second consecutive year, Olton went berserk.

It all happened on a typical day, Krazy Day, that is, at the town's annual Krazy Daze celebration Friday.

Merchants, who were dressed in wacky costumes, portrayed everybody from "Clem Kadiddlehopper" to "Wild Bill

Hiccup." The town was rolling with laughter as men dressed like women and vice versa.

Chosen as the nuttiest dressed man woman were J.H. Cartwright, water superintendent, and Mrs. David Maxey.

Cartwright's attire was accented by a blond wig and a white shirt, worn backward. "Clem Kadiddlehopper" was

the character Mrs. Maxey was representing, as she dragged her size 14 workshoes.

Local stores were filled with bargains. Some merchants even paid the customers to take certain items from their stores.

Three drawings were held on the square Friday afternoon in observance of "Krazy Daze" as local merchants gave away various prizes. In conjunction with the affair a fat Negro Ladies' sack race, a children's sack race, and a children's onion race were held.

Prizes were given to the top three winners in the children's races. A \$25 cash prize was given to Ruby Brown, the lone entry in the Negro women's race.

The following people were winners at one of the three drawings held at the square. Those whose names were drawn received merchandise prizes from local business firms.

Parsons Furniture, Virginia Miller; House of Flowers, Aida Salvador; Smith and Struve, Wynona Cure; Nelson Shamrock, Ronda Robertson; Olton Drug, Joyce Daugherty; Whittingtons, Mrs. Guy Gouche, Plainview; Superior Cleaners, Larry Smith; Thomas Furniture, Tommy Black; Plainsman Farm and Ranch, Raneer Berry; Sherman Food, Mrs. Wadsworth; and J.C. Jones, Renee Dennis.

Others were Bley Station, John Simmons; Northside Gift Shop, Mrs. G. Elkins; Cash-was, Mrs. W.A. Cure; Dairy Mart, Mrs. Ben Henson; Robertson Mobil Station, Donna Green; White Auto, Jovanna Whittle; Bizzells, Mrs. Gerald Elkins; Colonial Beauty Shop, Mary Dennis; Duncan's 5 & 10, Mrs. Bill Lunsford; Olton Meat Co., Armando Anzaluda; and Gray Grocery, Elkin Weaver.

Hubert's Barber Shop, Mary Black; Dorris Machinery, Sherrie Thompson; Olton Farm Supply, R.J. Caviness; Marshall Station, Demingo Adeldia; Anita's Beauty Shop, Sherrie Thompson; Pollard's Cleaners, Nora Lee Martin; K Department Store, Mike Weaver; Lester's Cleaners, Mrs. J.D. Thomas.

LADY SHERIFF GETS HER? MANI—There seems to be some doubt in this lady sheriff's mind, as to whether she is putting a man or woman in jail. The action took place Friday at the city's annual "Krazy Daze" celebration, as merchants and their employees decked out in all sorts of hilarious costumes. Dressed as the lady sheriff is Bernice Smith, city secretary. Her victim is J.H. Cartwright, city water superintendent, who was selected as the "Funniest Dressed Man" at the celebration.

MRS. J.D. MYRICK

## Ceremony Unites Hart Girl And Jake Myrick

Miss Freddie Sue Popejoy became the bride of Jake Dennis Myrick in a double-ring ceremony performed Saturday evening in the First Baptist

Church, Hart, by the Rev. Denzil Leonard, pastor.

Parents of the bride are Mr. and Mrs. Fred Popejoy and the bridegroom's parents are Mr. and Mrs. D.D. Myrick, all of Hart.

The couple stood before an arch entwined with emerald greenery and pink satin wedding bells. Candelabra holding pink tapers and greenery formed the background. Baskets of pink gladioli and pink satin roping completed the background decorations.

Mrs. Weldon Davis, organist, and Weldon Davis, soloist, provided traditional wedding selections. The bride chose a gown of crisp nylon organza designed with a scalloped Sabrina neckline and long sleeves that tapered to petal points over the hands. The fitted lace bodice extended into an organza skirt enhanced by alternating tiers of wide lace that swept into a chapel train.

The elbow length veil of silk illusion flowed from a tiara of seed pearls. She carried a cascade bouquet of white Frenched carnations and a white orchid atop a white Bible.

Miss Connie Popejoy served her sister as maid of honor. Bridesmaids were Mrs. Lonnie Bradley, Plainview and Mrs. Olen Bearden of Snyder, both sisters of the bride.

Candlelighters were Linda Popejoy, sister of the bride, and Steve Myrick, brother of

the bridegroom.

The attendants wore identically styled frocks of pink polished cotton with rounded necklines and full gathered skirts. They wore tiny beaded hats with the honor attendant wearing a short pink veil attached to her hat. They carried cascade bouquets of Patricia pink gladioli with satin streamers.

Best man was Ralph Myrick, brother of the bridegroom. Ushers were Lonnie Bradley of Plainview and Olen Bearden of Snyder, brothers-in-law of the bride.

Parents of the couple and the bridal party were in the receiving line for the reception which followed the ceremony in the Fellowship Hall of the church.

Guests were registered by Mrs. Wyona Clark of Friona, sister of the bridegroom.

Pink candles and the bridesmaids bouquets centered the table covered with white net over white taffeta.

Reception assistants were Mrs. John Lacy and Mrs. Conrad Riddles.

For traveling, the bride chose a beige cotton suit with beige and white accessories.

Mr. and Mrs. James Busby, Cynthia and Steve visited in Lubbock Sunday with relatives.

Rev. and Mrs. M.B. Baldwin visited Saturday morning with Myrtle Clayton.

HART PRESENTS--The three children of Mr. and Mrs. Joe Dee Hicks of Hart. Left to right are J.D., 18 months, Twila Gaylynn, 3 1/2, and Shala Denise, six months. They are the grandchildren of Mr. and Mrs. J.E. Hacker of Hart and Mr. and Mrs. H.L. Hicks of Dallas.

### SCD Farm Tour To Be Staged In Hart Area

Wade Mills, chairman of the Board of Supervisors of Running Water Soil Conservation District, has announced that the annual SCD tour of farms will be held August 29.

The tour this year will be in the Hart and Sunnyside areas, with emphasis on the study of water conservation measures and irrigated pasture grass.

The Cleveland Indians have lost 13 straight games in Yankee Stadium.

### Longhorn Grid Coaches Call Special Meeting

A special meeting of all Hart High School football players has been announced by Coach John Blocker.

The meeting is scheduled Saturday, Aug. 12, at 8:30 p.m. in the Hart High School gymnasium.

Tri-captains for the 1961 Longhorns are Larry Lee, Eufimo Rublabaca and Johnny Kirtrell.

The squad will have 14 returning lettermen, five squadsmen and 10 freshmen.

### Former Resident Of Hart Is A Speaker At Meet

Miss Gertrude Golladay, who attended Hart schools, will be one of the principle speakers at the Ninth Annual Reading Conference at West Texas State College today.

Miss Golladay, a professor of English at Arlington State College, is the daughter of the late Ed Golladay, who worked here for the railroad in 1940.

The topic Miss Golladay will speak about is "Characteristics of a Good Reading Program."

CLOSE CALL---Buddy Thomas seems in abut of a rush to touch home plate, as he slides safely into the base, to score a needed run for Farmers Gin in the Little League play-off game Monday afternoon. Grabbing at the ball to tag out Thomas is Bobby Turner, catcher for Olton Co-Op Gin. Calling the action is Dorman Thomas. Farmers Gin won the game 11-10.

### Farmers Gin Named Champs As Little League Climaxes

Little League baseball season drew to a close here Monday afternoon in a neck-and-neck play-off game, as Farmers Gin slipped by Olton Co-Op Gin 11-10, to take the league's championship.

Dewayne Campbell scored the winning run for Farmers Gin in the last of the sixth inning. Campbell, opening batter, walked to first, then stole to third. Buddy Thomas then walked.

Tony George then stepped up to the plate and drove the winning run across the plate, after hitting a long sacrifice fly.

The game's lead had changed hands several times before Campbell's run broke the 10-10 tie to end the game.

The play-off resulted after the two gins' teams ended the season with identical season records of 5-3.

The final scheduled Little League action was played last Thursday night as the Olton State Bank romped over Farmers Gin 24-6 and Halfway downed Thompson Implement.

Tying for third place in the league with 4-4 records were Halfway and Olton State Bank. Finishing last place was Thompson Implement with a 6-2 record.

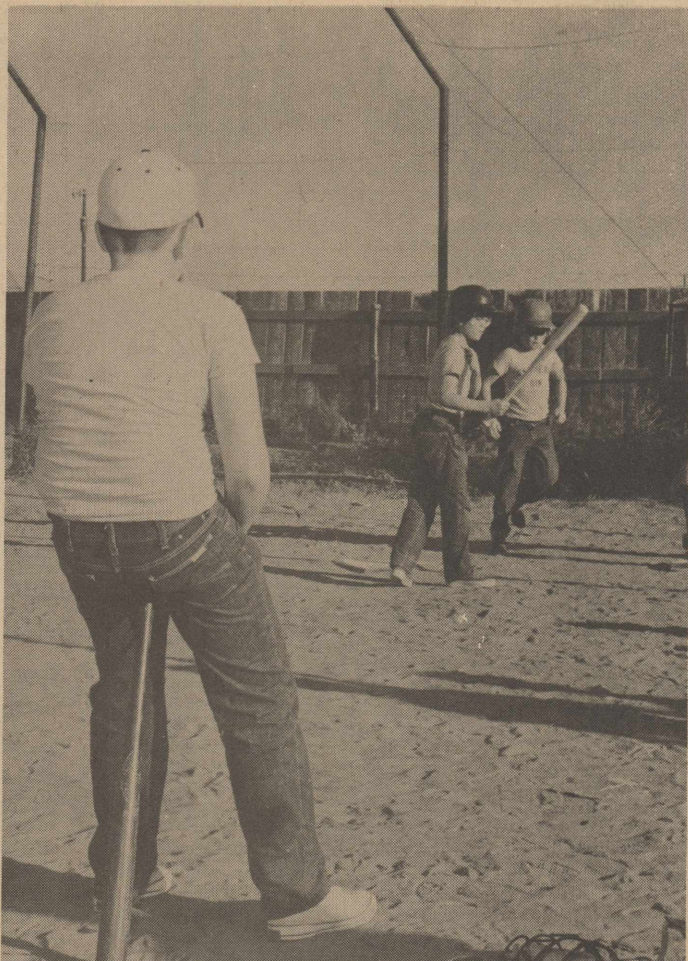

Coaches of the teams were: Farmers Gin, Johnny Schenck, Jerry Mathis and Elmer Houston; Olton Co-Op Gin, Robert Williams, Bill Lunsford and A.G. Huguley; Olton State Bank, Gene Trotter and Clinton Billingsly; Halfway, Wayne Shelling; and Thompson Implement, Charlie Polk and Conner Parsons.

The 1961 Little League season began here June 19.

Players on the two top teams were:

Farmers Gin: Scotty Jones, right field; Jerry Kemp, catcher; Carl Roberts, second base; Dewayne Campbell, third base; Buddy Thomas, shortstop; Tony George, centerfield; Danny Dial, left field; Eldin Weaver, pitcher; and Mike Anderson, pinch hitter.

Olton Co-Op Gin: Bobby Turner, catcher; Stevie Collins, shortstop; Garland Huguley, pitcher and first base; Mike Trotter, third base; Johnny Lewis, fielder; Eddy Hooper, fielder; Randy Reynolds, fielder; Robert Williams, pitcher and shortstop; and Richard De La Cerda, third base.

TIRED SPECTATOR?!---Danny Dial doesn't seem too excited about the baseball game, as he awaits his turn to bat in the Little League championship play-offs Monday between Farmers Gin and Olton Co-Op Gin. Dial seemed kinda tired, so he just plopped down on the first thing he could find, and it happened to be his bat. In the background are teammates Jerry Kemp (with bat) and Carl Roberts.

The Rosses also visited their daughter-in-law, Mrs. Tom Ross, who returned home with them.

### Wise County Reunion Is Set

The annual Wise County reunion will be held Sunday, August 20, in MacKenzie State Park, Lubbock.

A program has been arranged, according to the secretary of the group.

Each family attending is requested to bring a picnic lunch.

### Beauty Salon Is Burglarized Here Tuesday

Peggy's Beauty Salon was burglarized here Tuesday night.

Four cans of beer, which Mrs. Poret uses in shampooing hair, and about eight bottles of soft drinks were stolen, according to Police Chief Emmett Burrow.

Burrow discovered the burglary about 9 p.m. He said the thief entered a window at the rear of the building and went out the front door.

It was the third time this summer the shop has been burglarized, according to Burrow.

### Police Chief Warns Drivers Without License

Police Chief Emmett Burrow warned this week that he is going to crack down on teenagers who are driving here without a drivers license.

Burrow said, "Students without drivers license can't drive their cars to school this year, or I'm gonna file on them if I catch them."

Burrow also said he wants to remind area people that "the speed limit while school is in session is 15 MPH, within two blocks in any direction from the nearest point of a school building."

### Hooper Remains Semi-Conscious, But Improving

## Hymns Have Played Vital Role In History of U.S.

(EDITOR'S NOTE: This is the second in a series of five stories on hymn singing in America, published by The Enterprise as part of the National Newspapers Hymn Poll. Every reader of the Enterprise is urged to write the name of his favorite hymn on the official ballot printed with this story. Mail it today so your vote can be included in the national tally. We will publish local and national results.)

From the days of Martin Luther, through the Methodist revivals of Charles and John Wesley, to the evangelical meetings of Moody and Sankey, hymns have played a vital part in our history—as well as an essential role in religion.

"Hymn singing," according to Rev. Dr. Daniel A. Poling, editor of Christian Herald magazine, "serves as an expression of faith and an uplifting force to unite man, God and family." A study of hymn singing also reveals how closely hymns are tied to history. The Pilgrims, in their first voyage across the Atlantic, were strengthened spiritually by singing psalms from the Bible.

The first book printed in America was a hymnal—"The Bay Psalm Book."

Luther added strength and popularity to the Protestant Reformation by writing hymns to the tunes of popular German songs. He thus restored religious singing to the people—and composed dozens of hymns himself.

Charles Wesley (who, with his brother, John, founded

movements at the turn of the century, dominated by Philip Phillips, Ira Sankey and Dwight L. Moody, contributed the gospel song.

But music was an essential part of religious services for thousands of years prior to Protestantism.

Jewish people traditionally chant their religious services in a minor, somewhat somber, key.

Moslems call the faithful to daily prayer by a sing-song chant.

Hindus and Buddhists frequently use music, as well as dancing, in their religious ceremonies.

Roman Catholics have sung mass in Latin for centuries. But religious music never achieved its high degree of integration with religious services until the advent of Pro-

testantism. Indeed, most of the hymns we remember from childhood were composed by some of the most famous reformers and ministers in Protestantism.

Luther wrote "A Mighty Fortress Is Our God."

## City Declines Tax Check Without Penalty Payment

The City Council Tuesday night spelled out its policy in regard to payment of delinquent taxes.

The council voted to return a check for \$135.19 to a taxpayer who submitted it in full payment for taxes which became delinquent after June 30.

The man, whom city officials said they did not wish to identify, gave the city a check for \$135.19, but, did not pay an additional \$14.20 which became due as a penalty after the June 30 deadline, according to Berniece Smith, city secretary.

Meeting in regular session, the council refused to accept a check because a taxpayer withheld payment of a penalty incurred when the taxes became delinquent.

After the city's mosquito sprayer pickup was heavily damaged last week when it fell from a hoist while being repaired in a local garage, the council voted to accept a check for \$185 from an insurance company as payment for the vehicle.

The council discussed what it called "junk" around the El Patio Cafe in south Olton. The council asked Police Chief Emmett Burrow to tell the cafe owner to clean up around the cafe.

There is a city ordinance which says a person can't collect "junk" in the city limits without a license to operate a junk yard.

acres, whichever is greater, and receive payment for such diversion. Secretary Freeman stated that "under such program it would be our judgment that the support price (for wheat) should be fixed at a national average of \$2 a bushel." This would be 83 1/2 percent of parity. The support this year is \$1.79 or 75 percent of parity.

(2) An exemption from marketing quotas is limited to 13.5 acres per farm or the highest acreage planted for harvest in 1959, 1960, or 1961. The present exemption is 15 acres.

(3) Price support is limited to producers who do not exceed their reduced 1962 acreage allotment and who divert an acreage at least equal to ten percent of their previous acreage allotment to conservation uses, with payments in cash or in kind on up to 45 percent of normal production for such diversion.

(4) Payments in cash or in kind up to sixty percent on normal production on wheat acres voluntarily removed from production above the mandatory ten percent diversion.

(5) Authority for producers to plant castor beans, sugar, sunflower, safflower, or sesame, if designated by the secretary, subject to the conditions that no payments shall be made with respect to diverted acreage devoted to any such commodity.

(6) Increases the marketing penalty from 45 to 65 percent of parity price and establishes stricter computation of amount subject to penalty in cases of noncompliance with allotments.

(7) Provides that where producers can prove their 1959 and 1960 acreages and yields, these figures shall be accepted.

(8) Authority for three years, beginning with 1962, for the secretary to increase durum wheat acreage allotments if the supply warrants. No export subsidies on durum if acreage is increased.

### Registration

ually permits classes to being early so the school can dismiss five weeks in the fall during cotton harvest.

This year the school will begin August 28, the same time the other Olton schools do, and will dismiss only three weeks. But in addition to the three-week dismissal, the school will meet on a "half-day" basis during the busy part of the cotton harvesting season.

The day classes begin, August 28, will serve as registration day at Bohner School. Students in grades one through five will have their names posted by the doors of the rooms to which they have been assigned.

Room numbers and registration times for the first five grades are as follows:

First grade: 8, 10, 11, 12 and 14---rooms, August 24-25 from 8:45 a.m. to 10:45 a.m.---registration.

Second grade: 15, 17, 19 and 21---rooms, August 24 from 9 a.m. to 3 p.m.---registration.

Third grade: 20, 22, 23 and 24---rooms, August 24 from 9 a.m. to 3 p.m.---registration.

Fourth grade: 25, 26, 27 and 28---rooms, August 25 from 9 a.m. to 3 p.m.---registration.

Fifth grade: 29, 30, 31 and 32---rooms, August 25 from 9 a.m. to 3 p.m.---registration.

Registration for junior high school students is as follows: Eighth grade: August 24 from 9 to 10:30 a.m.

Seventh grade: August 24 from 10:30 a.m. to 12 p.m.

Sixth grade: August 24 from 1 to 2:30 p.m.

High School registration times are as follows: Seniors: August 24 at 9 a.m. Juniors: August 24 at 10:30 a.m.

Sophomores: August 24 at 1 p.m. Freshmen: August 24 at 2:30 p.m.

Give yourself plenty of living space on the highways---tail-gating is a dangerous practice.

OHS HIGH STEPPERS---These five pretty misses will strut in front of the Mustang Marching Band next year. They are attending the twirling and drum major school this week at Lamar Tech, Beaumont. Left to right: Diane Smith, sophomore twirler; Cheryl Poteet, junior twirler; Bobbie Lynn Tollett, sophomore drum major; Barbara Kirkpatrick, senior twirler; and Sandra Cox, senior twirler.

## 'If' Is Big Word On Missile Sites

If you've been a little worried about whether and when the government will begin storing missiles in Olton's "backyard" . . . take it easy.

### 1961 Budget

CONTINUED FROM P-1

the cut comes under replacement of vehicles.

A maintenance of plant budget of \$15,078 for 1960-61 was replaced with a figure of \$5,000. Biggest cut is in replacement of equipment which dropped from \$6,571 to \$1,500.

A total of \$4,044 was spent for capital outlay on buildings and equipment in 1960-61. No money is allotted for this category in the new budget.

Smaller cuts were made in the administration expenses, teaching expenses, and operation of plant.

Choate, 56, new mathematics teacher, was formerly employed in the Graham schools. Previously, he taught at Olney and Andrews. He has a BS degree from North Texas State Teachers' College and a Master of Education Degree from Sul Ross.

Mrs. Kathryn Cope, 46, was employed last year at Rosenberg. She has also taught at New London and Overton. Mrs. Cope has a BS degree from Stephen F. Austin State Teachers' College.

Grady Cope, 51, was also employed at Rosenberg. He has taught at Overton and Garrison. He has a BS degree and MA degree from Stephen F. Austin State Teachers' College. Miss Peggy Ruth Swaizey, 27, will teach at Bohner School. She has a Bachelor of Music degree from Trinity.

If the project goes through, it probably won't happen until 1962 or later, anyway.

Cong. George Mahon reported last week from Washington that a missile base in the Lubbock area looks "virtually impossible before 1962."

That means no missile sites are likely to be built this year or next in Lamb County as part of the "missile silo ring" around Lubbock.

Mahon, chairman of the house military affairs committee, said the Air Force has requested neither the authorization nor funds to establish a Minuteman missile base near Lubbock and isn't expected to before 1962 at the earliest.

People across the South Plains have been stirred up about these possibilities over the past month, ever since the government started sending survey teams out to get easements from farmers.

Among farmers contacted near Olton are Fred Schaefer, James Cowart and DeWayne Wilks, all of whom farm north of town.

These easements, according to Mahon, are "purely for exploratory purposes. They want to determine whether the area is suitable for such a base."

But he said the Air Force wouldn't have requested the survey if it weren't "seriously considering" establishing a missile base in the area.

Requests for authorization and funds would depend solely on what the explorations develop, Mahon said.

Engineers will conduct seismographic tests to determine area geological characteristics. Proposed silos to store

the missiles would be 80 feet deep and must be planted in firm ground as far away from the water table as possible, according to Mahon.

Also, the survey must determine if there are adequate roads and bridges to support the missiles when towed in by trucks; adequate communications to link the sites with Reese Air Force Base, proposed con-

rol center; and adequate utilities to power the sites.

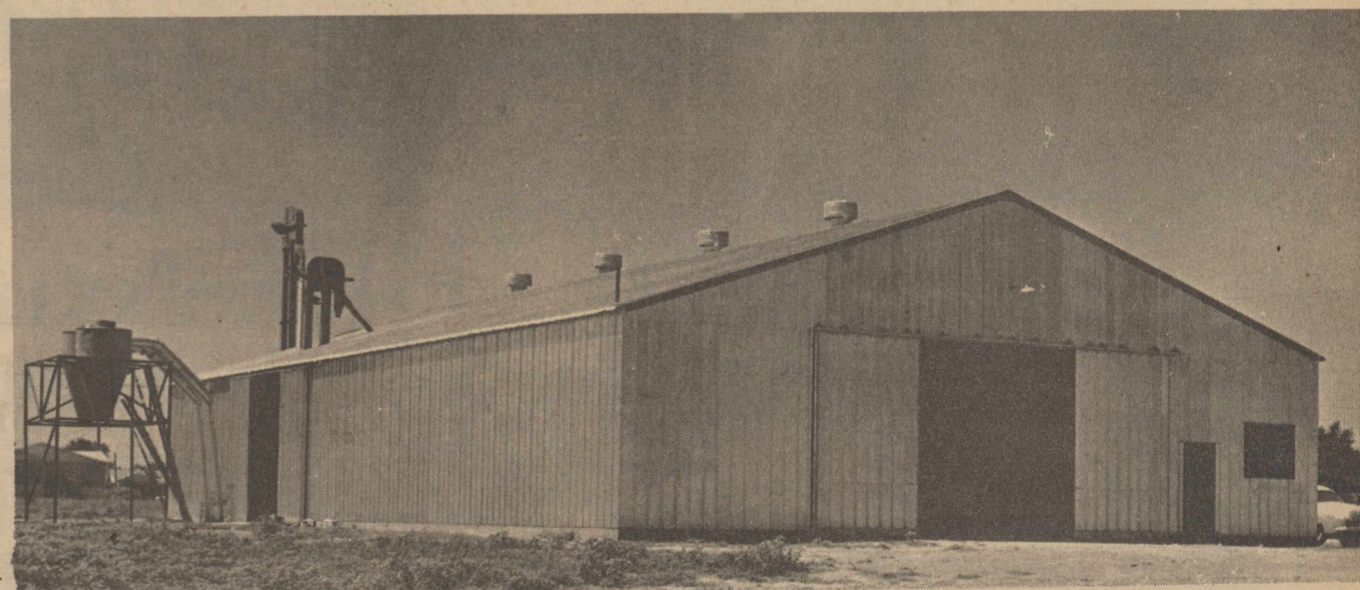

Area farmers have expressed concern about the blasting, saying it would ruin their irrigation systems. Mahon said the seismographic tests are no different than tests conducted in the area many times by oil company exploratory crews.

He also said the silos would be drilled, not blasted.

A gospel meeting which began Sunday at Main Street Church of Christ is continuing this week.

Clemon M. Muse, a former Olton man, is evangelist for the services, which will be held through Sunday.

Services are being conducted at 10 a.m. and 8 p.m. each weekday. Sunday worship services will be at 11 a.m. and 7 p.m.

**Recipe Of The Week**

This recipe for Neopolitan Cookies was donated by Mrs. Billy McAlister. "It makes eight dozen cookies that can last forever," she said.

**Dark Dough**  
3 cups sifted flour  
1/4 teaspoon salt  
1 teaspoon soda  
1/2 teaspoon cinnamon  
1/2 teaspoon cloves  
1 cup shortening  
1 1/2 cup brown sugar, firmly packed  
2 eggs  
1 cup nuts, chopped  
1 small package semi-sweet chocolates

Sift the flour, salt, soda, cinnamon and cloves together and set aside. Combine the shortening and brown sugar, add the eggs and beat well. Add the flour mixture and the nuts and chocolate and blend well.

**Light Dough**  
2 cups sifted flour  
1/2 teaspoon salt  
1 teaspoon vanilla  
1/2 teaspoon almond extract  
1/4 teaspoon soda  
1/2 cup shortening  
3/4 cup sugar  
1 egg  
2 tablespoons water  
3/4 cup raisins, finely chopped  
12 candied cherries, finely chopped

Sift together the flour, salt and soda. Blend the shortening and sugar and add the egg, almond, vanilla and water. Add the flour mixture and blend thoroughly. Add the raisins and cherries.

Pack half of the dark dough in a waxed-paper-lined pan, 10 x 5 x 31. Add all the light dough and pack firmly on top. Add the remainder of the dark dough and pack firmly. Refrigerate at least 24 hours.

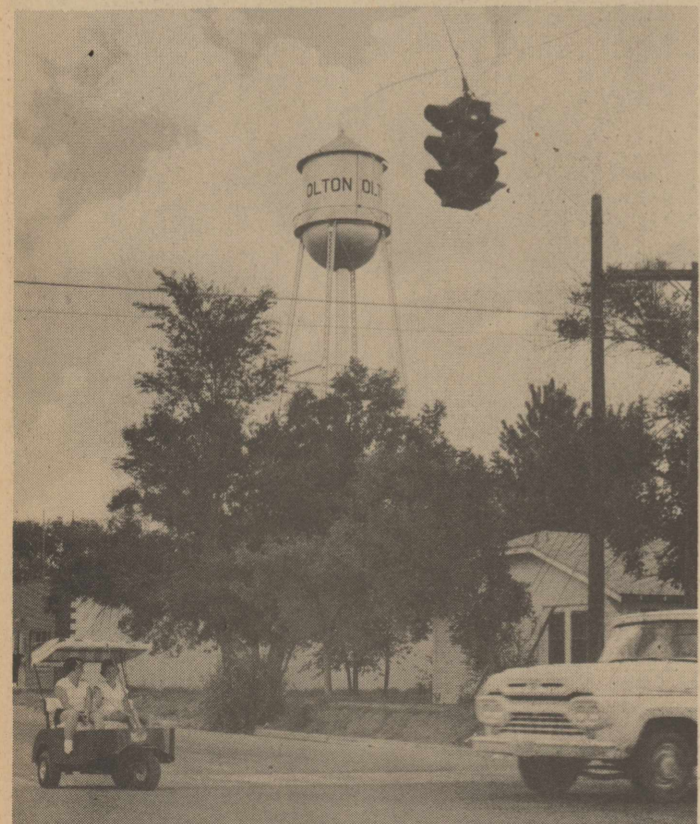

When needed, cut length-wise in 3rds, and slice individual cookies. Bake in a 400 degree oven for 10 minutes. Keep dough not used in refrigerator. Makes eight dozen cookies.

**Harold Carson Accepts Music Scholarship**

Harold Carson returned recently from a trip to Princeton, N.J., where he accepted a one year scholarship with the New School of Music Study.

The New School of Music is a branch of Princeton University.

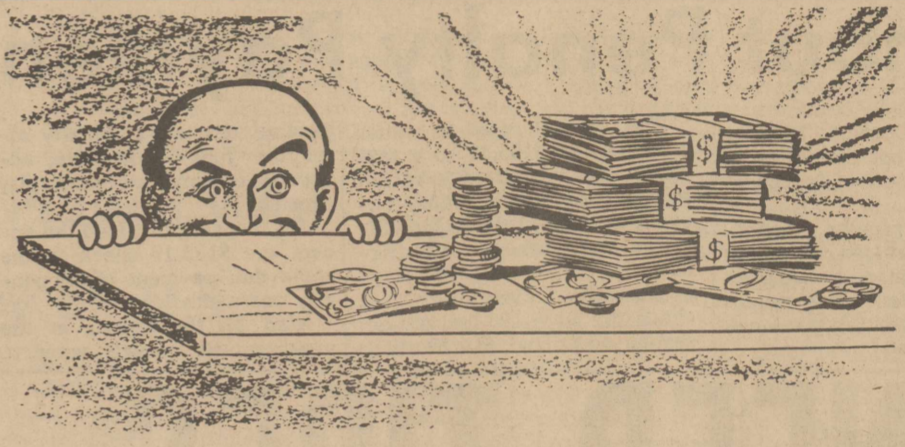

Carson will be studying methods of teaching piano. He will begin his study in the fall of 1962. Harold Carson is a graduate of Olton High School; attended Wayland Baptist, Plainview, and the St. Louis Institute of Music, St. Louis, Mo.. He will begin his 12th year of teaching in the Olton Schools in the fall.

**Money**  
*...it's a fascinating subject*

**M**oney is very beautiful stuff to look at . . . not so much, perhaps, because of its artistic design as because the sight of it reminds us of the many pleasing and necessary things it can do for us.

. . . Yet . . . if we're not careful about how we handle it, we may thoughtlessly cheat ourselves out of some of the finer things our money can bring us.

. . . Because only a part of each dollar we spend puts actual goods and services into our hands. Whether we like it or not . . . some of that dollar also goes to-

ward the upbuilding and support of the community in which it is spent . . . to pay for the schools and churches, the roads and streets, the police and fire protection and other social facilities that make up modern living . . . and to make stronger that community's economy.

. . . If the area benefitting from our trade is that in which we live, then we get for ourselves all that our hard-earned money pays for . . . and often many times over . . . in better business, better jobs, better living among more good and useful neighbors.

GOSH, LOOK!—These two youngsters just can't seem to believe that they can pick their choice drum stick from all this chicken. Little Lisa Johns, 6, is all smiles after finally making her selection. She is the daughter of Dr. and Mrs. Basil Johns. Her companion, Gary Gregory, 8, could hardly wait to start munching the vittles. He is the son of Mr. and Mrs. Dan Gregory. The scene took place at the ORC barbecue.

NEVER TOO YOUNG—Little Nah Wilks may be only 2 1/2-years-old, but she wasn't too young to enjoy the annual ORC barbecue Friday night. Helping her manage her big drum stick is her mother, Mrs. Dewayne Wilks.

# ORC Golf Tourney Nears Final Round

Golf flights began to dwindle this week, as competition grew tight in the annual City Golf Tournament which got underway at the ORC course July 30.

Semi-finals began this week in the seven flights and one flight winner named. Winner and runner-up in each flight will be given trophies. Each

consolation winner will receive a gift certificate.

Results through Tuesday showed:

Championship flight: T.J. Roberson beat Archie Sorley, Basil Johns downed Gilbert Roberson, Andy Andrew defeated Bob Duncan, and Carroll Cox shut out Luis Hair. Andrew went on to beat Cox.

Championship consolation: Roberson will play Hair for the title. Roberson beat Sorley and Hair nipped Duncan.

First flight: Frank Cornelius will play Bob Copeland to see who plays Jack Estes for the crown. Cornelius beat G.H. Buchenau, Copeland won over H.B. Carson, George Richards beat Deryl Machen, then lost to Estes.

Second flight: George Clark will clash with the winner of the Leroy Hackler and James Hall competition. Clark beat G.T. Sides, Hall beat Conner Parsons, Hackler downed C.S. Silcott, Owen Norfleet defeated Eldon Franks, then lost to Clark.

Third flight: Bert Stewart beat Ray Copeland, Dan Gregory won over Flake Price, Charles Polk stopped Walter Malone.

Third consolation: Price will meet Malone and the winner will play Copeland.

Fourth flight: R.V. Allcorn won the flight by downing Sam Kendall 2-1. Allcorn beat Joe Hall, G.H. Bley defeated Kenneth Ray, Vernon Nixon downed Robert Edwards, Kendall stopped Howard Hall, Kendall beat Nixon, Allcorn defeated Bley, then Kendall.

Fourth consolation: Hall will play Ray and Edwards is matched with Hall.

Fifth flight: J.L. Snider will play Neil Wells in the finals. Snider beat Don Franks, Owen Jones beat Herman Meyer, Bill Kemp defeated Bill Weaver, Neil Wells won over Max Malone.

Fifth consolation: Winner of the Franks-Meyer match will meet Weaver for the championship.

Sixth flight: Forrest Latimer beat Quentin Redinger, Kenneth Campbell defeated DeWayne Wilks.

Sixth consolation: Redinger will meet Wilks.

## Tex-Hart Grain Co. To Have New Manager

Mr. and Mrs. Lester Flippo and daughters of Kress in the near future will move to Hart where he has accepted the management of the Tex-Hart Grain Co.

The Flippos are members of the Church of Christ. The daughters are Jannie, who will be in the eighth grade, Donna who will be in the fourth grade, and Shirley, age 5.

Flippo worked at the Kress Grain Co. before accepting the management of Tex-Hart.

## Man Is Improving After Suffering Burns In Mishap

Bill Rich who was burned July 31 while filling his pickup with butane, is reported to be in good condition.

He was rushed to the Plainview Hospital where he stayed three days. He received burns on his face and arms.

### CARD OF THANKS

I wish to express my appreciation to each of you for your prayers, cards, notes, flowers, visits, calls and all other expressions of your love shown me since my injury.

You have been most kind to Pappy and me and we are grateful to each of you.

We still think Hart should be spelled HEART. May God bless each of you in my daily prayer.

## Olton People Show Concern Over Russian's Space Flight

Doubt that it actually happened, doubt that the U.S. space program will be speeded up, fear that the U.S. lost prestige with other countries, and belief that the space race doesn't even matter—these were some of the reactions of Olton people to the Soviet earth-orbiting feat.

A local survey showed early this week that some are surprised, unimpressed and worried by Maj. Gherman Titov's 17 trips around the earth.

There was little criticism of the American space efforts with only a few chiding remarks offered on failure of the U.S. to orbit a human being.

Most of those interviewed looked on the Soviet accomplishment as propaganda to be used by Soviet Premier Khrushchev in the cold war.

Here are some comments taken in Olton:

Mrs. H.B. Maxey Jr., housewife and former teacher—"It was quite a surprise. I didn't think they were that much ahead of us. I think we treasure human life more than they do, and I don't think it will make the U.S. try to send up anyone faster than it previously planned. It might make the U.S. lose prestige with other countries."

Fred Thompson, automobile dealer—"It is quite an accomplishment. Russia will be stronger and harder to deal with now. I think we lost a lot of prestige. I think our space plans will hold just what they were; I don't think it will make the U.S. send a man into an orbital flight sooner."

Sue Hair, beautician—"What difference does it matter if we are second? What good is it going to do us to live out in space anyway? I think the U.S. is just wasting money on all these space projects. However, I imagine it might make Kennedy ask for even more troops. I think people should stop studying all this scientific stuff and show a little love for Christ instead, then we would win the so called race. I don't think it has any bearing on the fact that the U.S. will send a man into space sooner than it planned."

C.E. Bley, Olton pioneer—"I think it will make the U.S. try to get a man into an orbital flight faster, it only seems like human nature for us to try harder. Other countries are going to think Russia is quite ahead of us in the scientific field. It is quite an achievement for the Russian people."

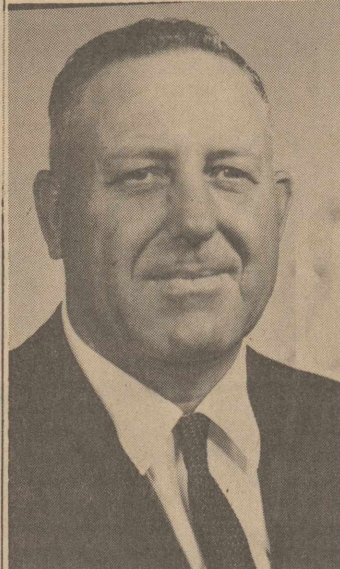

Dr. Basil Johns, local doctor—"I think it will put us in a more cautious situation over Berlin. The U.S. will lose prestige. I don't think it will cause us to try and send a

man into orbital flight sooner than planned, though."

H.R. Curtis, farmer—"He (Khrushchev) sure did it at a convenient time, so he can get back to Kennedy's speech. I think it will give Khrushchev more backing with his bluff on the Berlin crisis, but I don't think Kennedy will back down any on his stand on Berlin. It does mean we're behind in the scientific part of it. I think it will make the U.S. try to send a man up faster, like last time Russia sent a man into space (Gagarin), it made the U.S. get on the ball and stepped up a little so we could get a man up there."

Alfred White, Church of Christ minister—"I think the Russians could use this type of space ship to drop atomic bombs any place it wants to. I don't think we are far behind Russia, but Russia uses so many of these events for propaganda. The greatest harm endangering the American people isn't from the physical standpoint, but the spiritual. The low morals of the American people will be their destruction. No nation has been destroyed but from within."

Gerry George, college student—"I don't think the Russians could use this type of space ship yet to drop atomic bombs. In fact I doubt that they even sent a man into space,

TRUITT SIDES

## Truitt Sides Is Fund Campaign Vice-Chairman

Truitt Sides, Lamb County Red Cross Chairman, was appointed Regional Vice-Chairman to represent this area in the 1962 Red Cross March Fund Campaign.

The Midwestern Area Office in St. Louis, Mo., made the appointment. Sides has been active in the Red Cross program for more than 20 years and has been Lamb County Chairman since August, 1955. He will assist with the organization of the Fund Campaign in Lamb and the surrounding counties.

The quota for Lamb County, \$9,980, was set approximately the same as last year, at the board meeting last Friday. Plans will be completed at the September meeting.

but the propaganda can hurt our influence some, of course."

Dick Bentz, school hand director—"I guess it is proved that the (Titov) was in space. But if this is true, I believe this is Russia's first man in space. I don't think Gagarin went into space. We really can't tell what Russia is doing, but all our dealings are so much out in the open. I think it is possible that the Russians could use this type of space ship to drop bombs, but then so could we. I don't think it will effect our influence with other countries because some of them think Russia is trying to 'hood-wink' them anyway."

Glenn Singleterry, grain elevator manager—"I don't know what they have now, even if they did have a man in space. But everytime Russia does something the U.S. hurries to catch up."

### HART TO HART

CONTINUED FROM PAGE 2

Carrie Shelton of Midland visited last week with her sister Mrs. Elmer Gray.

Orval Lee Hughlett, Richard Hughlett and Gene Johnson left Tuesday for a two week camping trip in Colorado.

Carol Davis is attending summer camp at Ft. Sill, Okla., this week and next week.

No damage was reported from a grass fire near the railroad tracks in Hart Friday. The Hart Fire Department was called to the scene.

The new 1961-62 phone books were distributed to Hart residents last week.

The new water line which was being laid in Hart was completed last week.

Ed Bennett, whose eyes were severely burned three weeks ago when an anhydrous ammonia tank exploded, had the bandages removed from his eyes last week.

Norlan Dudley and Clint McFarland completed the business transaction of selling Dudley's interest in the Heart of the Plains Gin to McFarland last week.

### HART WOMAN

A Hart woman was injured in a auto accident southwest of Hart last week, when the pickup she was driving went out of control and overturned on a country road.

Mrs. Ed Bennett and her son George were riding in the vehicle. Mrs. Bennett suffered a small cut on the head, but her son was uninjured.

## ..YOU'LL GET THE ANSWERS TO THESE QUESTIONS

- ✓ What does it cost to produce a hundred pounds of beef under local conditions?
- ✓ How does a balanced ration compare with a single source supplement?
- ✓ How many pounds of feed does it take to produce a pound of beef?
- ✓ What can a feeder do to widen the gap between market price and feed costs?

These are just some of the questions that will be answered during the course of

## THE ALLEN JOHNSTON SELF FEEDER CATTLE DEMONSTRATION

The 20 Whiteface Heifers in this demonstration, owned by Allen Johnston, have been moved from the lot behind Sanders-Paris Co. to a new lot behind Olton Farm Supply.

This self-feeder cattle demonstration is designed to help farmers and ranchers realize more from their cattle-feeding operations.

Come by and watch the progress of these heifers. We can give you the "facts and figures" on their rate of gain and the costs.

This project is sponsored by Olton Farm Supply and the Ralston Purina Company, in co-operation with the Olton Chamber of Commerce and Agriculture. A committee composed of businessmen and farmers checks these cattle periodically to verify all facts connected with the demonstration.

## Record Cotton Crop Forecast For Area

A bumper crop of cotton that could be an all-time high record amount is expected for Lamb County this year. About 203,000 bales of cotton (500-pound bales) have been estimated for production in Lamb County by the Lubbock Cotton Exchange and the Plains Cotton Growers, Inc.

### Special Session For HS Band Is Scheduled

Members of the Olton High School Band will have a special meeting Tuesday, August 15, at 6:30 p.m. in the band hall, according to Dick Bentz, director. Bentz reminded all eighth graders to also attend the meeting. Band uniforms will be issued and a special practice held for the band's opening performance Sept. 1 at the Mustangs' first football game.

### VISIT FENTS

Mrs. J.F. Miller and son Allen of Texarkana were guests in the I.V. Fent home.

### 200 Yearbooks Are Distributed At Annual Party

Two hundred 1960-61 annuals were handed out to high school students Monday night, as the group met in the school cafeteria for a "Annual Signing" party.

Mrs. Joe Harper was sponsor of the annual this year and Miss Barbara Williams was editor.

David Howton will serve as sponsor of the yearbook next year and Miss Lana Hair will be the new editor. She will be assisted by Miss Sammie Clark as assistant editor.

### Archie Davis, Partner Take Tourney Crown

Olton Recreation center's golf pro, Archie Davis, and Mrs. W.T. Hall Jr. won the Scotch-Foursome golf tournament Sunday at ORC course with a score of 46.

A deadlock resulted for runners-up as R.V. Allcorn and Mrs. Max Malone shot a 47 tie with Laus Hair and Mrs. Owen Norfleet.

A play-off to break the tie will be played on nine holes. Trophies will be awarded to the two winners and the runners-up. The tourney, sponsored by Olton Women's Golf Association, was hosted by women of the community, as they paid the entry fee.

About 50 couples competed in the tourney.

### Mrs. L.J. Rice Is Injured In Car Accident

Mrs. L.J. Rice of Hart suffered leg and arm injuries last Thursday, when the car which she was driving struck a cow, causing the vehicle to overturn.

At the time of the accident, Mrs. Rice and her two children, Robbie and Danny, and Mrs. Ode Hindman were in route to Hart from Amarillo. No one else was injured in the mishap.

The car was estimated as a total loss.

This would be an increase of about 28,000 bales over last year's county cotton production of 175,696 bales.

In 23 area counties the production estimate was set at an enormous 2,256,000 bales. An output of that size would surpass the all-time high of 2,025,433 bales produced in 1958 and would give a hefty gain over last year's crop of 1,942,787 bales, the second largest on record.

It would contribute an estimated \$343 million to the area economy in gross income from lint alone, not counting the value of many millions of dollars worth of cottonseed.

A total production of 1,016,000 bales is predicted for Lamb, Hale, Bailey, Hockley, and Lubbock counties.

August is regarded by many veteran farmers as a "critical month" in the making of a crop in this area. Cotton that is blooming can quickly deplete moisture in the top two feet of soil. An cotton may shed many of its forms in August if ample moisture isn't available.

However, pre-planting moisture and rains later in the season gave the cotton as a whole ample moisture to "load up" well.

A few bales are expected by farm observers to come in late this month, but harvest on the High Plains isn't expected to get into full swing until October.

Also coupled with the bright cotton outlook are prospects for another bumper sorghum crop. Grain sorghum harvest is expected to get underway early in September.

### Boy's Condition Is Unchanged In Hospital

Robin Brown's condition remained unchanged Wednesday in Methodist Hospital, Lubbock.

The lad, who is confined to the isolation ward, remained unconscious after suffering head injuries, when he was hit here by a car about two months ago.

Robin, son of Mr. and Mrs. M.G. Brown, has been confined to the hospital since the mishap.

### Gives Birthday Party For Mother

Mrs. Maude Cure of Riverside, Calif., was given an ice cream supper Sunday night in honor of her birthday in the home of her daughter, Mrs. Everett Loveless.

Those attending the party were Mr. and Mrs. W.A. Cure, Mrs. Lorene Stewart, Mr. and Mrs. W.G. Stewart and Coby, Mr. and Mrs. Clifford Curry, Billy Ellen and Kyle, and Mr. and Mrs. Everett Loveless, Charlotte, Jerry and James.

### VISIT IN TULIA

Mr. and Mrs. L.E. Silcott and Mr. and Mrs. C.S. Silcott visited the D.A. Nixes in Tulia Tuesday.

### NEW YORK VISITORS

Guests in the C.E. Bleyhome this week are Mr. and Mrs. Wayland Stevens and children, Chad, Shawn, and Kirk, all of New York City, N.Y.

### VISIT PARENTS

Mr. and Mrs. Dickie Scruggs of Odessa visited here last weekend in the home of their parents, Mr. and Mrs. Rex Sherry, and Mr. and Mrs. J.C. Scruggs.

**PRIZE WINNER**—Ruby Brown is all smiles, as Dick Whiteley, Olton Chamber of Commerce manager, hands her the \$25 prize money she won "Krazy Daze." Ruby received the money after winning the Fat Negro Ladies sack race.

**SACK RACE WINNERS**—This three youngsters are "tuckered out" but happy, after winning the prize money in the sack races for kiddos held in conjunction with "Krazy Daze." Left to right are Tommy Black, third place, Lipe Hernandez, second place, and Alberta Garza, first place winner.

**"KRAZY DAZE KIDS"**—"Wild Bill Hiccup" snapped up a few years from the days of the "Old West" to the "Roaring Twenties" to find himself this little "Charles-ton stepping" gal. The scene took place here "Krazy Daze" as Tommy Green put on these western duds and Mrs. Herman Meyer dressed like the teenage girl of yesterday.

**ONION RACE WINNERS**—This trio of kiddos took the top three prizes in the onion rolling race here "Krazy Daze." Cash prizes of \$7.50, \$5 and \$4.50 were given to the first, second and third place winners, respectively. Left to right: Alazo Heronida, second place winner, Bobby Garcia, third place, and Kenneth Moss, first place.

**COMICAL COSTUMES**—These two women, Mrs. Roscoe Thomas, left, and Mrs. Clyde Truelock, took advantage of "Krazy Daze" as an opportunity to dig out some of their old dresses, and they came up with these two nutty costumes.

**WORKING HOBO!**—This hobo got kinda mixed-up like the rest of the Olton people "Krazy Daze" and decided to try her hand at working. But she just couldn't manage to stop her habit of smoking cigar butts, even for one day. Dressed as the hobo is Ramona Rodriguez.

**FOUR STOOGES**—This quartet pulled some crazy antics "Krazy Daze" while parading around in these silly costumes. Note next year's styles being modeled by this "Miss America of 1952." Left to right: Luli Quiroz, Daniel Rey, Raymond Hernandez and Mrs. J.L. Small.

**HEADLESS MAN?!**—Mrs. Carol Moss didn't seem to care if her escorts had a head or not "Krazy Daze." Enjoying the fun as her headless friend is Conner Parsons. Mrs. Moss's four-jointed eyelashes were one of the day's featured attractions.
