

All Around The Town

By Mary Ann Sarchet

The menu for Tri-County Meals for next week includes:

Monday, November 7-Roast Beef, Gravy, Creamed Potatoes, Broccoli & Cheese, Lime Jello Salad, Roll, Milk

Wednesday, November 9-German Sausage, Greens, Potato Salad, Apricot Cobbler/Diabetic Cobbler, Cornbread, Milk

Friday, November 11-Chicken Strips, Gravy, Oven Fried Potatoes, Peas & Carrots, Mandarin Orange Salad, Roll, Milk

Menu subject to change without notice.

The telephone number for Tri-County Meals at the Hope Center is 455-1053.

Gifts to Tri-County Meals can be sent to Box 421, Quitaque, TX 79255.

Paco and Debbie Clendennen have moved to Silverton, and are making their home in the house that was occupied for many years by Josephine Anderson.

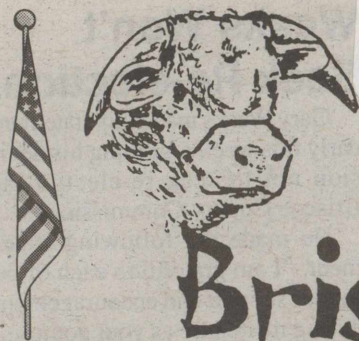

Lanny Arnold has purchased the Fred Arnold ranch from his parents, and soon will be moving back to Silverton.

We are happy to welcome these people to Silverton, and hope they will be very happy here!

Just a reminder that flu shots are being given at a clinic at the Silverton City Hall today from 9:00 until 11:30 a.m., and from 1:00 until 3:30 p.m.

VOLUME 97 NUMBER 44

City Calls Special Election To Deal With Two Sales Tax Propositions

Voters in Texas have the option of imposing local sales tax. This tax helps finance communities' economic development efforts. Voters can only approve a sales tax rate up to 2%. Texas allows a maximum of 8.25% sales tax. Only 2% of this tax is allowed to go back to the community in which the sale occurred. Currently, Silverton has a sales tax of 7.25% of which 1% comes back to the community. This 1% brings approximately \$20,000 per year in revenue to Silverton.

The Silverton City Council passed two ordinances allowing two propositions for the November 8, 2005 election. These ordinances authorize the total imposition of three-quarters of one percent sales tax increase for the community. A three-quarters percent increase of sales tax could generate an additional \$15,000 per year for the City of Silverton.

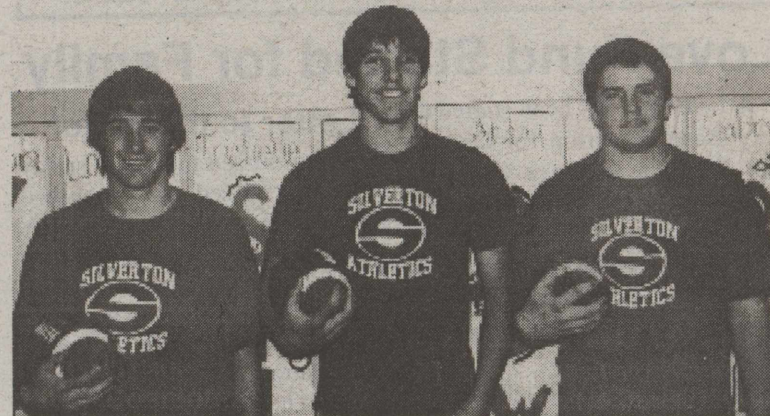

The sales tax is paid by everyone, not just residents. Anyone buying anything taxable in

Silverton pays this tax.

The two propositions on the November 8 ballot are:

1. Proposition 1 is for economic development. This proposal is for the adoption of Section 4B sales and use tax at the rate increase of one-half of one percent to be used for economic development efforts. An economic development board made up of seven directors appointed by the city's governing body administers the sales tax funds. Three of the seven directors cannot be employees, officers or members of the city's governing body. All directors are appointed to a two-year term.

2. Proposition 2 is for street maintenance. The rate of one-fourth of one percent increase is to provide revenue for maintenance and repair of municipal streets. The street maintenance sales tax expires four years after it takes effect unless the voters authorize continuance in an election held for that purpose.

Three Silverton Owls passed important football milestones at Hedley on Friday, October 21, when Yance Forbes (left) and Jacob Francis (right) went over 1,000 yards rushing, and Gid Mayfield (center) went over 1,000 yards passing. These three players are vital to the success of the team, both on offense and defense. *Briscoe County News Photo*

Pioneer Room Is Voting Place For Elections

Both special elections to be held on Tuesday, November 8, will be held in the Pioneer Room at City Bank in Silverton. Quitaque voters will vote at the Hope Center.

Polls will be open from 7:00 a.m. until 7:00 p.m.

Christmas in November Planned Nov. 5

Silverton Chamber of Commerce will be providing an opportunity for all local crafters to present their merchandise Saturday, November 5, from 10:00 a.m. until 4:00 p.m. at the Showbarn in Silverton. Booth space is available, so call Amy at 823-2555 to reserve yours today.

Our Lady of Loreto Catholic Church will be serving Mexican food, and many people already have reserved booths, so make plans now to do early Christmas shopping at the "Christmas in November."

No admission fee will be charged to come and shop and enjoy a visit with your neighbors and friends.

Vote 'Yes' If You Are Against Gay Marriages

When you go to the polls to cast your ballot on the proposed Texas constitutional amendments, you must remember to vote 'for' proposition number two if you are against gay marriages.

The wording is such that you are saying 'yes' or 'no' to marriages between one man and one woman.

Since most of the gays will be sure to go to the polls, it is important that those who share the opposite view be sure to cast their ballot. Historically, the number of people who go to the polls to vote on constitutional amendments is very low. This makes it more important to work for a large turnout of voters on Tuesday, November 8.

UMW To Have Stew Lunch, Bake Sale

UMW of the Silverton United Methodist Church will have its annual Stew Lunch and Bake Sale on Tuesday, November 8 (Election Day). This will be in the Church Fellowship Hall.

The lunch begins at 11:00 a.m. and continues until all the stew is gone.

You may have all the stew you can eat for \$5.00.

Silverton's cheerleaders (left to right) Heather Tiffin, Townlil Ziegler, Shandy Forbes, Kelsi Birdsong, Trichelle Ramirez, Brittany Tiffin and (front) Owl mascot Destiney Wilson, were pictured at the football game Friday night. They enjoyed cheering with the 'Going Band From Raiderland.'

Love Fund Started for Family

A love fund has been started at City Bank-Silverton for Dennis and Rebecca Jennings who lost their home and all their possessions to fire Thursday night, October 27.

They lived on FM 145 southeast of Silverton. Fortunately the family escaped from the home without injury.

Mrs. Jennings is the daughter of Mrs. Joe (D') Kitchens.

Mrs. Jennings, an alumna of "The Going Band from Raiderland," was instrumental in bringing the 45-piece group here for Friday night's football game. A tailgate meal was served to them before the game.

Letter to the Editor

If you missed the game Friday night, we missed you because it was a time of great community spirit. The Going Band From Raiderland wasn't just entertaining, they cheered for our boys like true Owl fans and made for such a festive atmosphere that the crowd couldn't help but laugh and cheer more. Kudos to our cheerleaders and music techie, Clay Strange, for adapting so well to the band's members. And who can forget our own Skyler Stephens directing the band. One can go a lifetime and spend big bucks to sit in front of that much brass ensemble like we

Art Students to Have Exhibit November 5

Silverton Senior and Seventh Grade Art Students will display their artwork at the Showbarn Saturday, November 5, during the Christmas in November event.

The public will be allowed to vote for "Best of Show" in each had during the impromptu half-time show, and we got it for free!

The 45 band members were a wholesome, energetic bunch and seemed touched by the banner and cards from the Silverton students and by the meal served by our Girl Scouts. They promised Girl Scout Leader Becky Jennings, a band alum, to come back next year. Everyone at the game was appreciative of the Jennings family, the ones responsible for inviting the Raiders. But it was the gestures to reach out to the family, because of the loss of their home in the fire the night before, that made it seem like we are a community of people who can support each other in hard times but party together and have fun too. If you don't live here, we understand, but we feel sorry for you.

Cindy Comer

Weeks Won't Seek Re-election

Gary Weeks made this statement early this week regarding his decision not to seek re-election as Briscoe County Commissioner.

He made the following statement: "I am grateful to each of you for our support and encouragement during my tenure as your commissioner, but it is time for a change. I will not seek re-election as commissioner of precinct four.

"Our precinct is blessed with many talented individuals and I am confident we will chose a new commissioner that will not only continue the smooth and efficient operation of our precinct and county but will work toward newer and better procedures.

"Harvey, thank you for your loyalty and hard work. You take very good care of our roads and made our spray program successful. You sure made being commissioner much easier."

division for \$1.00.

Donations will be accepted, with the proceeds going toward buying new brushes for the school art department.

SIX-MAN COACHES SURPRISED BY UIL

The Texas Six-Man Coaches Association supported having three teams from each district qualify for the playoffs, but with only one state champion.

Last week, however, the University Interscholastic League Legislative Council approved a third team from each district for the playoff brackets and two state champions.

Caprock SWCD Taking Orders For Windbreak Trees

Caprock Soil and Water Conservation District is currently taking orders for windbreak trees. Tree seedlings will be offered from Texas Forest Service. Orders will be taken for larger trees as well. Container-grown fruit trees are now available for order. Caprock SWCD also sells drip supplies for optimum care of your trees.

A minimum order is required on the seedlings orders. There is no minimum on the larger trees. The earlier you order, the better chance you have of getting the varieties you want. Many of the trees will be sold out in a short time.

For more information, call 806-823-2341, Extension 101, or go by the Natural Resources Conservation Service (NRCS) office in Silverton located at 410 Lone Star.

Upcoming Meetings

Second Monday of each month-County Commissioners meet at 10:00 a.m. in the County Courtroom; City Council meets at 7:00 p.m. at City Hall

Second Tuesday of each month-Silverton Chamber of Commerce, 7:00 p.m., Pioneer Room at City Bank-Silverton; Silverton School Board, boardroom, 8:00 p.m.

First and third Thursdays of each month-Silverton Fire Department, 7:00 p.m., City Hall

Fourth Thursday of each month-Briscoe County Activities Association, 7:00 p.m., Showbarn in Silverton.

Three Important Steps

One of the most popular books in the late 1990's was entitled "What they don't teach you at Harvard Business School," which is now regarded as a classic in the business fraternity. The book proposed that there are three things you are not taught that you desperately need to say: (1) I'm wrong; (2) I'm sorry; (3) Please help me.

Unless you say (1) you'll never move on in business. Unless you say (2) you'll be arrogant. Unless you say (3) your self-efficiency will be your downfall. Sounds very similar to what Jesus teaches doesn't it? (1) Confess your sins (James 5:16) (2) Repent and change (Luke 13:3) (3) Ask for forgiveness (Luke 11.4) Refusing to do any of the three will result in losing your soul.

May we help you with any of your needs?

October 29, 1936-Reservation for special train to Centennial must

be made by November 2 . . . Silverton Owls win 18-7 over local Outlaws . . . Mrs. B. V. Lowrey is claimed by death . . . Miss Valera Williamson and Mr. Lem Weaver were united in marriage Saturday night. The ceremony was performed at the Baptist parsonage in Childress . . . Editor Roy Hahn wrote: "Fifty years ago the fifteenth of November, M. C. Potter came to Briscoe County. That's quite a while ago. His nearest neighbor was 18 miles away. Silverton nor Quitaque were in existence at all. He says that the first few years he spent in digging the canyons through the country. I think Bob Stevenson helped him a little with the project. All the buffaloes were still little calves and all the Indians were papooses at that time. Anyway, it was a long time ago and anyone who will stick with a place that long deserves a lot of credit . . .

Lem Weaver left a trail of broken hearts behind him when he left the rank of single blessedness Saturday evening. Here he has been slipping around town with that self satisfied look, apparently never a worry, and at peace with the world, fooling everyone into thinking that he was a confirmed bachelor, but now alas, he has gone the way of all flesh and taken unto himself a wife, the hypocrite. Too bad gals, but he's gone, and that's all there is to it" . . . Mr. and Mrs. Lowell Rowell announce the arrival of a daughter . . . Miss Pauline Davis and Mr. Marlin Jarnagin were married Saturday night . . . Noel Deavenport will leave next week for Los Angeles, California where he will attend a machinists' school . . .

November 5, 1925-Charlsie Glynn Allard was surprised Saturday afternoon on returning from a neighbor's and finding a roomful of her playmates ready to receive her. The surprise was in remembrance of her seventh birthday. Attending were Roberta and J. C. Turner, Baby Rose Morgan, Norma Thompson, Jessie and Pauline Buchanan, Mary Eva and Walter Allard, jr., Gladys Fay, Lewis Johnson, Hazel and Freddie Lee Ellison, Genella Fort, Imagine, Earlin and Shirley Pitts, Johnnie Marie and Buddie Junior Simpson, Eva Lou Pollard, Wallace Alexander, Fay Allard, Frances Buchanan and Mrs. Poe and Ms. Johnson . . . Terry Evans has returned to the Flat, frost having ruined his father's crop on the plains . . . Mrs. Henry Heckman and little daughter, Lorene, were shopping in Clarendon Monday . . . Mrs. J. R. Steele was in town Saturday. She said that Mr. Steele was getting better and would be home this week from Mineral Wells where he had been for the baths . . . D. H.

Owls Close Out Home Football Games With 70-24 Victory

"The Going Band From Raiderland" cheered the Owls on to a 70-24 victory in the last home game of the season Friday night with their music and yelling along with the cheerleaders. The band was a feature that was enjoyed by students and fans alike.

Players, cheerleaders and their parents were introduced before the game began.

Silverton kicked off to open the game, and the runback was stopped by Gabriel Vargas, Jacob Francis and Albert DeLeon. The Owl defense was led by Francis, Drew Reed, Diego Ramirez and Vargas as the Kress Kangaroos were allowed a first down to the Silverton 15 before shutting them down and getting the ball on downs.

Francis ran for two first downs before Gid Mayfield passed complete to Reed for a touchdown. DeLeon kicked the PAT, and with 4:16 remaining to be played in the first quarter, the Owls moved ahead 8-0.

DeLeon kicked off and Mayfield stopped the return. Mayfield sacked the passer and the Kangaroos were forced to punt on fourth down.

Vargas ran for a first down, after which Francis carried a couple of times. Mayfield passed to Reed complete for a touchdown with 1:12 remaining in the first quarter. DeLeon kicked the PAT, to give the Owls a 16-0 lead.

When DeLeon kicked off, Vargas recovered the onside with 1:10 remaining in the first quarter.

Mayfield passed to Jesse Reynolds after which Vargas ran for a first down. Francis carried to the Kress two-yard line, then scored on the first play of the second quarter. There was no PAT, and the Owls held a 22-0 lead.

The next possession for Kress was inefficient, with the 'Roos fumbling and recovering their own fumble on fourth down. The ball went back to the Owls with 9:10 remaining before halftime.

Forbes picked up 14 yards before dashing into the endzone for another Owl touchdown. There was no PAT, and with 8:38 remaining in the first half, the Owls extended their lead to 28-0.

The Owls stole the ball away from Kress on their first-down play, and with 7:38 remaining before-halftime, Mayfield passed to Forbes for another touchdown. DeLeon kicked the PAT, to extend the Owl lead to 36-0.

Diego Ramirez kicked off for the Owls, and Ory Johnson brought down the return. In spite of defense by Ramirez, Reed and Francis, the Kangaroos scored with 5:38 remaining before halftime and kicked the PAT, to narrow the Owl lead to 36-8.

When Kress kicked off, Vargas returned the ball for a few yards. Forbes scored on the next play,

Jose Hernandez kicked the PAT, and the Owls moved into a 44-8 lead.

Kress scored with 4:47 remaining before halftime, kicked the PAT, and narrowed the Silverton lead to 44-16.

When Kress kicked off, Reed controlled the ball near the 35-yard line. Forbes ran for a first down, then picked up eight yards more before Francis raced into the endzone again. DeLeon kicked the PAT, to give the Owls a 52-16 lead.

Ramirez kicked off and Kress controlled the ball on the 32. They passed complete for a touchdown with 3:32 remaining before halftime, kicked the PAT, and narrowed the Owl lead to 52-24.

When the Owls went back on offense, Kress intercepted a Silverton pass with no runback. Silverton's defense was led by Johnson and Reed, and on third down Forbes intercepted a Kress pass and carried it into the endzone with 1:53 remaining in the second quarter. There was no PAT, and the Owls held a 58-24 lead.

When Kress went back on offense, Mayfield got the ball back for the Owls, and a pass from Forbes to Francis scored with 39 seconds remaining before halftime. There was no PAT, and the Owl lead was extended to 64-24.

There was no further scoring before halftime.

Kress kicked off to open the second half, and Forbes and Francis went to work picking up yardage for the Owls. Ethan Long ran for six yards before running into the endzone for Silverton's final touchdown. With 5:37 remaining in the third quarter, the game ended at 70-24 under the 45-point rule.

Fans were glad when Forbes returned to the game in the second quarter after his having missed school during the week due to illness.

Last game for the Owls this season will be at Lazbuddie Friday night, with kickoff at 7:30 p.m.

Texas Cooperative EXTENSION

David Hawkins, CEA-Ag
Briscoe County, Texas

Many cattle producers are feeding winter supplements already. This is due to dry pastures throughout the state. The Corpus Christi area hasn't had any significant rain since May. This has caused producers to begin feeding hay nearly two months early. The base pastures can mean more than increased hay costs; they can mean weak and stressed cattle. Low intake of energy from grass can cause cattle to lose weight, and can have detrimental effects on both immune and reproductive systems.

Attitude, a U10 girls 3 v 3 soccer team, took first place in the recent Amarillo 3 v 3 Challenge. The girls also finished first in the U10 boys division at the Palo Duro Soccer Association's 3 v 3 Shootout. Most recently, they took third place at the Regional Kick It 3 v 3 Shootout tournament in San Antonio which qualified them for a national tournament in January in Orlando, Florida. The team includes (back row, left to right) Maryssa Briseno, Poppi Davis, Beth Turnbow and Coach Marcus Rulow; (front row) Brittney Perez, Aubri Perry and Halee Jackson. These girls are ranked 10th in the nation. Aubri Perry is the granddaughter of Harvey and Patricia McJimsey.

Silverton Event to Benefit Amarillo Soccer Team's Tournament Trip

Bingo for Nationals will be held Saturday, November 12, in the Pioneer Room at City Bank-Silverton. The fundraiser will begin at 6:00 p.m. with supper consisting of hamburger, chips, lemonade or coffee and dessert for \$5.00.

Carry-out is available. Call 823-2426 after 3:00 p.m. on November 12.

Bingo games begin at 7:00 p.m., with two sets of four games each. The charge will be \$5.00 per set (four games in each set), two cards for each game. Blackout at the end of each set. Winnings will be half

the pot. \$3.00 per card or \$5.00 for two cards.

Tickets, prizes and gift certificates will be given for winning. Next week there will be a list of all the prizes to be given.

These items will be sold after the meal: Coke, Dr. Pepper, Diet Coke, Sprite, bottled water, coffee, tea, homemade ice cream, brownies and Rice Krispie treats.

All proceeds go to helping the soccer team girls go to Nationals in January.

Sign up for a chance to win a \$200 gas card to be given away November 30. \$1.00 per ticket.

OBITUARIES

MELVA JEAN SWEATT

Graveside services for Melva Jean Sweatt, 78, were conducted in the Silverton Cemetery at 2:00 p.m. Monday.

Mrs. Sweatt passed from this life Friday, October 28, 2005, at her home in Silverton.

She was born in Loyal Valley April 11, 1927 to Robert and Lena Rhea. She was one of ten children. Throughout her life, she loved and was very close to her six sisters and three brothers. She was of a generation that is tough, not afraid of work or the challenges life gives. She always had a smile, a giving spirit and time to visit.

She was married to E. H. Sweatt for 39 years until his death in 1990. They had resided in Eldorado, the Pitchfork Ranch at Guthrie and retired to Silverton in 1987.

She is survived by a daughter, Carla Sweatt of Silverton; a son, Tirk and wife Cindy of Shamrock; three grandchildren, Trae, Sarah and Luke; one brother, Donald Rhea of Seattle, Washington; and four sisters, Opal Woods of Cleveland, Georgia, Daphne Lytle of Stigler, Oklahoma, Wanda Morris of Barksdale and Shirlene Vines of Canadian.

The family requested memorials be made to Hospice Hands of West Texas in Lockney.

KAYLIN ALISA YANCEY

Kaylin Alisa Yancey, infant, of Canyon, died Tuesday, October 25, 2005.

Graveside services were conducted at 10:00 a.m. Saturday in the Silverton Cemetery with Ted Kingery, Church of Christ minister, officiating.

Survivors include her parents, Kayla Davis of Canyon and Curtis Green of Denver; a brother, Mikel Yancey of Canyon; a sister, Kandiss Yancey of Canyon; her grandparents, Brenda Cowdrey of Plainview and Ray Stephens of Amarillo; and numerous aunts, uncles and other relatives.

Grief is the agony of an instant, the indulgence of grief the blunder of a life.

Benjamin Disraeli

DEE ARNOLD

Services for Dee Arnold, 49, of Lazbuddie were conducted at 3:00 p.m. Saturday, October 29, at the First Baptist Church in Silverton with Jess Little and Chad King officiating. Burial was in the Silverton Cemetery by Myers-Chancellor Funeral Home.

Mr. Arnold died of the complications of cancer on Wednesday, October 26, at the Odyssey Hospice in Amarillo.

He was born July 23, 1956, in Tulia to Walter and Gail Arnold. He married Pat Heckman at Claude November 24, 1973. He had worked as a cowboy in feed lots and ranches throughout Texas, New Mexico, Kansas and Oklahoma.

He enjoyed hunting and fishing and preparing the fish and game he bagged. He was known and appreciated by his family for his campfire cooking skills.

Survivors are his parents, Walter Arnold of Silverton and Gail Arnold of Lazbuddie; a daughter, Monica Whisenant of Lazbuddie; two sons, Jay Arnold of Dodge City, Kansas, and John Arnold of San Angelo; three grandchildren, Casen Hawkins and Morgan Hawkins, both of Flomot, and Justin Whisenant of Lazbuddie; a brother, Bob Arnold of Farwell; two sisters, Jeanette Lee and Mindy Marrs, both of Amarillo; and his grandmother, Laverne Mercer of Silverton.

In lieu of flowers, the family suggested that memorials be made to Odyssey Hospice of Northwest Texas Hospital, 7201 Evans Boulevard, Amarillo, TX 79106.

The best thing to give to your enemy is forgiveness; to an opponent, tolerance; to a friend, your heart; to your child, a good example; to a father, deference; to your mother, conduct that will make her proud of you; to yourself, respect; to all men, charity.

Francis Maitland Balfour

Cherish all your happy moments; they make a fine cushion for old age.

Christopher Morley

Uniform Module Size Helps Gins Keep Costs Down

Concentrating on consistency, especially in the module construction phase of cotton harvest operations, is turning out to be one of the key areas for growers and ginners to keep costs down in 2005.

To help spread the word and focus grower attention on the importance of constructing uniformly sized modules, the Plains Cotton Growers staff has helped develop and distribute a poster about the importance of uniform module size and encourages growers to construct modules that contain at least 10-12 bales.

The poster was sent to cotton gins throughout the High Plains region. Any gin that has not received a copy of the poster or who would like to obtain additional copies should contact Plains Cotton Growers.

Anyone who would like to download and print their own copies can find the poster on the PCG website (www.plainscotton.org). Just click the link on PCG's Home Page to find both Tabloid (11x17) and Legal (8.5x14) size versions of the poster in Portable Document File (PDF) format. The PDF files can be downloaded and printed out in either color or grayscale.

Following the 2004-ginning season many High Plains ginners realized that while a majority of growers do construct 10-12 bale modules, some consistently produce modules that hold only 8-9 bales.

Growers that make undersized 8-9 bale modules require significantly more trips to the field to transport the same amount of cotton to the gin as a producer that averages 10-12 bales per load.

With diesel prices still hovering above \$3 per gallon, cotton producers and their ginners are scrambling to find every possible way to increase efficiency and save money during the 2005 harvest season.

Unfortunately for growers there's not much that can be done to reduce daily fuel consumption rates during harvesting operations. For ginners, the options aren't much better as their ability to achieve savings is also keyed on keeping vehicles and equipment moving as efficiently as possible.

Constructing and hauling uniformly sized modules that average at least 10-12 bales per load can significantly cut the amount ginners have to spend on module hauling and will also prevent the need for having to charge extra to bring in undersized modules.

Fall Festival King and Queen presented during the coronation ceremony Saturday night in the school auditorium were Will Boedeker, son of Terry and Robin Boedeker, and Holly Vernon, daughter of Harlen and Linda Vernon. They were the senior representatives.

Fall Festival Princess and Prince presented in the Coronation Ceremony in the school auditorium Saturday night were Shana Smith, daughter of Lee and Krista Smith, and Blaine Patton, son of James Alan and Kari Patton, who represented the first grade.

Junior Varsity Owls Regain Winning Form at Kress, 56-30

Silverton's Junior Varsity Owls traveled to Kress for the second time this season to play the Kangaroos and brought home a 56-30 victory.

Kress kicked off to the Owls and the ball was covered by Thomas Watson on the 37. Kanon McGee carried the ball for six yards and a pass from Cooper Cogdell to Carlos Garcia moved the Owls to the 12-yard line. Cord Stidham carried the touchdown and Filimon Martinez kicked the PAT to give the Owls an 8-0 lead.

Martinez kicked off for the Owls, and Reese Scarborough tackled the return. Defense was led by Garcia, Blake Strange, Cade Holt and Calvin Daugherty, and brought about a Kress punt on fourth down, the ball covered by Holt.

Holt ran for 10 yards and McGee ran 40 yards for another touchdown for the Owls. Martinez kicked the PAT, to give the Owls a 16-0 lead with 2:49 still on the first-quarter clock.

When Martinez kicked off for the Owls, Kress returned the ball for a touchdown. The PAT was good, and with 2:35 remaining in the first quarter, the score stood at 16-8.

When Kress kicked off, McGee returned the ball to the 22. Runs by McGee were unable to pick up a first down, and Cogdell punted the ball for the Owls.

Kress fumbled on first down, and the ball was recovered by Stidham. McGee ran to the two-yard line, and Holt scored. There was no PAT, and with 7:57 remaining before halftime, the score stood at 22-8, favoring the Owls.

Stidham kicked off and Scarborough made the tackle. Defense was led by Garcia, Shane Estes and Scarborough, and the Owls got the ball back on fourth down.

Runs by McGee and a complete pass from Cogdell to Garcia moved the ball downfield. McGee carried a touchdown which was

called back due to a penalty against the Owls. Holt picked up seven yards and Stidham made a first down. Stidham made a first down from the twenty-yard line. There was no PAT, and with 1:36 remaining in the first half, the Owls led 28-8.

Stidham kicked the ball into the endzone for a touchback, and Kress scored on their first play. There was no PAT, and with 1:13 remaining in the second quarter, the score was narrowed to 28-14.

Kress kicked off and McGee returned the ball to the 30. Runs by Holt, McGee and Estes weren't enough to make a first down, and the first half ended without further scoring.

Stidham kicked the ball into the endzone and it was brought out to the 20. Defense was led by Holt as the Kangaroos proceeded to make another touchdown. The PAT was good, and with 6:46 remaining in the third quarter, the 'Roos had narrowed the score to 28-22.

When Kress kicked off, McGee returned the ball to the 30. Runs by Holt and Stidham moved the ball a few yards, and McGee scored. Martinez kicked the PAT, and with 5:13 remaining in the third quarter, the Owls moved into a 36-22 lead.

Stidham kicked off again and defense was led by Stidham, Garcia and Estes. McGee intercepted a Kress pass and ran 40 yards for a touchdown. There was no PAT, and with 2:24 remaining on the third-quarter clock, the score became 42-22.

Kress' next offensive series was abbreviated by a fumble recovery by Estes.

Runs by Estes preceded a touchdown run by Holt. Martinez kicked the PAT, and with 6:19 remaining in the game, the Owls held a 50-22 lead.

The Owl defense held on the next Kress series, and when the Owls got the ball back, Holt ran for a touchdown from 28 yards

Calvin Daugherty (90) is pictured putting the rush on a Kress ballcarrier in the JV Owls game at Kress last Thursday evening. Reese Scarborough (88) is also in the action. Photo by Madeline Stone

Junior High Owls Earn 32-24 Victory Over Kress Kangaroos

Silverton's Junior High Owls traveled to Kress Thursday afternoon of last week for their last road game of the season, and brought home a 32-24 victory over the 'Roos.

The defense led by Skyler Beesinger, Brooks Brock and Chase Stidham held the Kangaroos in the first series of plays in the game, and when the Owls got the ball Brock ran 25 yards to the endzone for the first touchdown of the game. The PAT kick was blocked, and with 4:44 remaining in the first quarter, the Owls held a 6-0 lead.

In spite of defense by Blaze Cogdell, Stidham and other Owls, Kress scored on a six-yard pass. There was no PAT, and Kress knotted the score at 6-6 with 44 ticks remaining on the first-quarter clock.

Brock made a 50-yard kickoff return with 31 seconds remaining in the first quarter. Weston Howell passed complete to Stidham for the PAT, to give the Owls a 13-6 lead.

When Kress began on offense again, Howell caused a fumble which John Perkins recovered on the Owl 32. There was a fumble on an Owl handoff, and Kress picked up the ball and carried it to the endzone for a score. With three seconds remaining in the first quarter, Kress narrowed Silverton's lead to 13-12.

The Owls were unable to move the ball in their next series, and Kress scored on a 12-yard run. There was no PAT, and with 4:33 remaining in the second quarter

out. There was no PAT, and with 2:34 remaining to be played in the game, the Owls held a 56-22 lead.

Kress scored again with 1:38 remaining in the game, the PAT was good, and the 'Roos trailed 56-30.

This was the last game of the season for the Junior Varsity Owls, who have been very successful for the past couple of years.

Kress moved ahead 18-13.

The next Owl offensive series was cut short by a fumble which Kress recovered, but the Silverton defense made things hot for the 'Roos, and Brock intercepted a pass to give the Owls possession again.

Runs by Howell and Brock failed to make enough yardage for a first down, and the ball went back to Kress. The first half came to a close with no further scoring.

Brock made a 45-yard kickoff return for a touchdown to open the second half. A pass from Cogdell to Beesinger scored the PAT. With 5:52 remaining in the third quarter, Silverton regained the lead 20-18.

Kress ended their next series of plays with a punt which Howell returned 46 yards to the 'Roo five. Brock scored on a five-yard run, there was no PAT, and with 2:36 remaining in the third quarter, the Owls held a 26-18 lead over the 'Roos.

Defense by Perkins, Howell, Cogdell and Stidham brought about a Kress punt, and the Owls scored on a 58-yard run by Howell early in the fourth quarter. There was no PAT, and with 4:19 remaining to be played in the game, Silverton held a 32-18 lead.

Texas Cooperative EXTENSION

David Hawkins, CEA-Ag
Briscoe County, Texas

The Panhandle and South Plains have seen an alarming number of cotton rats this year. Properly known as the hispid cotton rat, the pest has been seen in higher numbers this year than in the past 50. While it doesn't affect cotton, the rat can damage melons, pumpkins and gourds, and can carry the plague and tularemia. The vermin is typically a range dweller, and stays away from closely mown areas. Fortunately, it has a high mortality rate, and only lives for about one year. There are no registered toxicants to control the rat, so Extension specialists suggest using traps in home areas and mowing excess vegetation.

Establishing winter pastures makes economic sense every fall, but especially this year. Dry conditions have created hay shortages throughout the state, so producers are counting on winter forage production. Pastures are usually seeded between Sept. 15 and Nov. 15, but drought and the high cost of fertilizer have kept producers from seeding early due to financial risk. Extension recommends that producers be prepared to seed as soon as it rains, and to wait for a good stand before fertilizing.

Kress scored on a 44-yard fumble return with 16 seconds remaining in the game. There was no PAT, and Silverton's lead was reduced to 32-24.

The game ended with little more action.

Silverton's Junior High Owls will play their last game of the season on Payne Field with Lazbuddie Thursday afternoon, with kickoff scheduled at 5:00 p.m.

CARDS OF THANKS

To each and everyone of you who are interested in having a beautiful cemetery: We have had a paid worker all during the summer months. Their contract doesn't cover the months of October-March, which means we don't have any one person being responsible for the care of our beautiful cemetery. This is to inform each and every person who might be just driving through, that all of us can do our part during this period as well as the Silverton Cemetery Board (SBC). The board members take different months to try to keep our cemetery clean. If each of you would do your part by picking up trash or beer/soda cans, it will look nice all through the winter. Thank you in advance.
