Rev. and Mrs. Hal Dungan Prepare For Missionary Service In Japan

Hal Dungan, pastor of the First Christian Church of Knox City, and his wife, Sarah, recently attended the college of Missions of the Christian Churches for three weeks in preparation for their future Christian service on a foreign field.

The college was sponsored by the United Missionary Society, the mission arm of the Christian Churches.

Session I of the college was held in Indianapolis, Indiana, starting June 17. This phase of study familiarized the students with the various groups which support the missionary in training and on the field.

On June 20, Session II began after the college of Missions faculty and students had moved by bus to its campus on Crystal Lake near Frankfort, Mich. This study was concerned with preparing the missionary candidates for their general task.

Among the subjects studied during the college were organization and administration of the mission work of the Christian Churches, the spiritual foundations for missionary service, the strategy of mission, the present and past history of work being done by Christian Church Missionaries, Church growth and group dynamics.

The Dungans do not know definitely where they are going or when they will start the next step of training which is a seven month general orientation course on missions at the Missionary Orientation Center, at Stony Point, N.Y. This center is jointly sponsored by several protestant denominations including Methodist, Presbyterian, and Christian Churches.

In September the United Christian Missionary Society's Division of World Mission will meet to assign missionary candidates to a particular field. The Dungans have expressed a preference for Japan, but they may be assigned to other areas such as Argentina, India or Congo.

O'Brien Plans Homecoming

The O'Brien homecoming will be held Oct. 3 and 4 and those who have relatives or friends whose address has been changed since the last homecoming are asked to contact Peggy Grindstaff at phone 658-7131 or Jan Johnston, 658-4962 in O'Brien.

Further details of the homecoming will be announced later.

Local Merchants Give Face-Lift To Businesses

Enlargement of their prescription department began last week at Jones Drug and after the Rx department was doubled in size the "Jones boys" began a complete removal of fountain and booths and the modernization and face-lifting of the business is expected to be completed this week.

Monday morning saw some more men busy on Main street as workmen removed the front of Clonts Furniture and began replacing the front in aluminum and glass, a very pleasing and modern front appearance.

Two doors farther south on Main onlookers were confronted with more modernization as the business establishment of Hoge Pharmacy is sporting a complete new front.

ATTENDING CAMP

Mrs. Floyd Bailey and Mr. and Mrs. Wayne Hardin accompanied 38 young people of the Four-square Church to Siloam Springs Arkansas Friday and the group plans to return home Friday night.

Funeral Services For Tom R. West Held Sunday

Funeral services for Thomas R. West, 69, Benjamin Postmaster, who died Friday, July 25, were held at the Benjamin Baptist Church Sunday at 2 p.m., with Rev. K. E. Woolley, officiating, assisted by Rev. Lynn Wilson of Olney.

Burial was in Benjamin Cemetery under direction of Smith Funeral Home of Knox City.

Mr. West died unexpectedly of an apparent heart attack while at work in the lobby of the Benjamin postoffice at 5:30 p.m. Friday. He had been postmaster in Benjamin since 1940 and was due to retire in August at the retirement age of 70.

He was born Aug. 5, 1894 in Vera in Knox County, the son of Mr. and Mrs. John West, and married Edith Conner, Sept. 5, 1920.

He spent all of his life in Knox County, chiefly as a farmer before becoming the Benjamin postmaster.

He served in World War I as a staff sergeant and was a member of the Baptist Church and Masonic Lodge.

Survivors include his wife, three sons, Wayne of Seymour, Adrian of Fort Worth, and Leroy of Benjamin; his mother, Mrs. Patsy West of Benjamin; three sisters, Mrs. Nancy Hamilton of Benjamin, Mrs. Fannie Tucker of Rotan and Mrs. Nora Hale of Mattson; five brothers, Ike of San Antonio, Jesse of Polson, Calif., Wilburn of Lamesa, George of Merkel and Joe of Wink; and five grandchildren.

Pallbearers were Johnny Britton, Joe Smith, Lee Snailum, Jack Idol, Rex Dillard and Louis Tarlton.

Knox City Native Chosen For Honor

Thomas Lloyd Wright, a native of Knox City, has been chosen for listing in the 1964 edition of "Outstanding Young Men of America." Wright is a 1953 graduate of Hardin-Simmons University and is head of the publicity department for the Democratic national committee.

Wright was born here March 9, 1932, and is a graduate of Hale Center High School.

The publication is compiled by the Junior Chamber of Commerce of the U. S. Wright was nominated for the honor by Kenneth Hill, H-SU alumni director.

The Knox City native has headed the publicity program for the Democratic national committee since earlier this year, and formerly was community relations director for the U. S. Peace Corps. Prior to that, he was director of public relations for the Baptist General Convention of Texas.

Wright is a nephew of Misses Blanche and Clifford Elliott of Knox City.

Pastor Dick Biggs Shows Color Slides Of Holy Land

Dick Biggs, minister of the Church of Christ in Knox City was featured speaker at the Knox City Lions Club Wednesday noon.

Mr. Biggs was introduced to the club by Bruce Campbell Sr.

Mr. Biggs' program was a talk and colored slides of his recent trip to the Holy Land.

Numerous pictures were in evidence of Israel and the Jordan River. The river irrigates thousands of acres of land at the present time and plans are under way now to install a 9 1/2 pipe to take in more of the desert, he said.

Mr. Biggs closed his program with a prayer.

Rev. Tony Longval Resigns As Pastor Of Baptist Church

Rev. Tony Longval has resigned as pastor of the First Baptist Church, effective Aug. 9, it was announced to the eHerald.

Rev. Longval, pastor of the Knox City Church for the past two years, will be pastor of the Monterey Baptist Church in Lubbock.

New Controls Cost Farmer Again --

"The farmer gets less and less for more and more," is a common complaint these days and as a matter of fact cotton prices are down from \$6 to \$12 a bale this year over last year.

Brooks Campsey of O'Brien Coop Gin said all cotton must have a micronaire reading this year before it can be sold.

A reading of 5.5 and above will mean a 25 point discount; 4.9 to 5.1 is even; 3.7 through 4.8 is premium of plus 13; and is the only reading to be on the plus side of the scale; 3.3 through 3.6 is even; a reading of 3.7 - 3.0 - 3.2 results in up to 50 point discount and on a 500 pound bale would be \$2.50; 2.7 through 2.9 means 150 points or \$7.50 a bale.

Despite this added expense a farmer receives \$6 minimum to \$10, less a bale no wthan he did last year.

Since the mike reading is mandatory before cotton can be sold, cost is six cents per bale to get the test providing the farmer has signed up—25 cents per bale if he hasn't; and if additional samples are needed the fee will be 35 cents each.

All in all \$10 less per bale is a conservative estimate over last year and 20,000 bales ginned in O'Brien alone will obviously be \$200,000 less for the farmer if he has the same number of bales and same quality cotton he produced before.

KC Graduates Enroll At Lubbock

George Egenbacher of Knox City, son of Mr. and Mrs. Herman Egenbacher and Daniel C. Jones, son of Mr. and Mrs. S. D. Jones, Knox City, are presently enrolled as summer school students at Lubbock Christian College.

Egenbacher is a 1962 graduate of Knox City High School and Jones is a 1963 graduate.

Lubbock Christian College, now in its seventh year and presently engaged in its third summer school, is fully accredited by the Southern Association of Colleges.

They are among 135 students who registered for this session.

IN LUBBOCK

Mrs. Cordelia Woodward is representing the Knox City W. S. C. S. of the Methodist Church at the 15th annual School of Missions held in Lubbock Monday through Friday of this week. Outstanding speakers and teachers are on the program.

Former K-Citizen, A. Lee Ward, Is Promoted To Gen. Supt. Of Burlington

The Herald received word Wednesday from Jim Cornish, publisher of the Post Dispatch that A. Lee Ward, superintendent of Postex Mills in Post has been promoted to general superintendent of Erwin Mills Nos. one, four and six as well as being in charge of bleaching, finishing and sewing operations in Durham, N. C.

Ward was born and raised in Knox City and graduated from Texas Technological College in Lubbock in 1950.

He became a trainee at Postex Cotton Mills and worked his way up to superintendent when Burlington Industries purchased the mills in the late 1950's.

Ward has been extremely active in community affairs and is presently president of the Post Rotary Club, a School trustee, president of the Post Housing Authority, which has 28 houses

under construction at the present time.

He has been president of the Junior Chamber of Commerce, Little League Baseball, the Babe Ruth Baseball, and Post Chamber of Commerce. He is a past member of the Board of Stewards of the First Baptist Church and was chairman of the Building Program.

Ward will assume his new duties August 17 and his family plans to join him Sept. 1.

Ward and his wife Marquette, are the parents of four children, three of which are in school.

Mrs. Ward is a native of Munday.

Residents Sister Dies July 22

Mrs. R. H. Howell of Munday died at 8:45 p.m. July 22 in Baylor Hospital in Seymour where she had been a patient for three weeks. She had been ill for a year.

Funeral was held at 5 p.m. Friday at the First Baptist Church in Munday with Rev. John Street, pastor, and Rev. W. H. Rooker of Dallas, officiating.

Burial was in Johnson Memorial Cemetery.

Survivors include her husband, a daughter, Mrs. Doris Bryant of Dallas, two sons, Rex of Seymour and Bobby of Greenville, seven grandchildren and one great-grandchild, three sisters, Mrs. Allie Henry of Knox City, Mrs. Zeddie Phillips of Hico, and Mrs. Fannie Beason of Wichita Falls.

Survivors include her husband, a daughter, Mrs. Doris Bryant of Dallas, two sons, Rex of Seymour and Bobby of Greenville, seven grandchildren and one great-grandchild, three sisters, Mrs. Allie Henry of Knox City, Mrs. Zeddie Phillips of Hico, and Mrs. Fannie Beason of Wichita Falls.

Sgt. Joe Watson To Complete Military Service Friday

Sgt. Joe E. Watson, military science instructor at Hardin-Simmons University will close off his military service Friday, July 31.

Sgt. Watson is retiring from the Army after 22 years of service. He has been appointed as postal clerk in the Abilene Post Office and will start to work there early in August.

He has been a member of the H-SU ROTC faculty since June, 1960.

Born in Knox City, Watson graduated from high school here and attended Tarleton State College and North Texas State University. He entered the Army in 1942 and served as a first lieutenant with the Third Infantry Division in Europe during World War II. He was wounded in the Kolmar campaign in December, 1944. In addition to the Purple Heart, his campaign decorations include the Croix de Guerre.

Sgt. Watson also served three years in Japan during the Korean War and spent another three-year hitch in Germany. He went to Hardin-Simmons from Fort Wolters, where he was assigned after service in Germany.

Sgt. Watson has two brothers, Abe Watson and Earl Watson, still living in Knox City, and a sister, Mrs. L. W. Graham resides here also.

IN HEREFORD

Mr. and Mrs. George Wall and Deborah and Mrs. Estelle Bolin visited Mr. and Mrs. Lincoln Bolin and family in Hereford recently.

VISIT IN PROPPS HOME

Mr. and Mrs. E. B. Britton of Stamford visited in the home of Mr. and Mrs. A. E. Propps Sunday.

HERE FROM ARIZONA

Mr. and Mrs. Elmer Wall Jr., and daughter of Prescott, Ariz., spent last week here with his parents, the H. E. Walls and other relatives.

Mrs. Millie Shelton Services Held In Colorado City

Funeral services for Mrs. Millie Shelton, 76, who died Thursday morning in the Brazos Valley Care Home where she had lived for the past seven months, were held at 3 p.m. Friday in Kiker and Son Chapel in Colorado City, with Dr. P. D. O'Brien of Houston, officiating.

Burial was in Colorado Cemetery.

She was born July 4, 1888 in Alabama, and she and her husband, George Shelton, moved to Colorado City in 1912. They moved to Baytown in 1955 where Mr. Shelton died shortly thereafter.

She was a member of the Baptist Church.

Survivors are two daughters, Mrs. Jim Venable of Baytown, and Mrs. E. S. Miles of Colorado City, four sons, Carl of Knox City, George of Albuquerque, N. M., Mason of Baytown and Wendell of Dallas; two sisters, Mrs. Ada Condon of Lawton, Okla., and Mrs. Rosa Phillips of Houston; 13 grandchildren and 11 great grandchildren.

Garden Club Has Meeting Tuesday

Members of the Knox City Garden Club met in a called session at the home of the president, Mrs. B. F. Cornett, Tuesday at 2:30 p.m.

The resignations of Mrs. B. B. Bowden, third vice president, and Mrs. W. H. Clonts, secretary treasurer were accepted with regret.

Mrs. Claud Reed was elected third vice president and Mrs. C. J. Reese was elected secretary treasurer. Other officers are: Mrs. B. F. Cornett, president, Mrs. J. M. Averitt, second vice president, and Mrs. Goodson Sellers, secretary-treasurer.

The Garden Club will have their first meeting the second Tuesday in September at 2 p.m. in the Womans Club.

S. S. REPRESENTATIVE TO BE HERE WEDNESDAY

A representative of the Social Security Administration will be in Knox City at the New City Hall on Wednesday, August 5, 1964 from 10 a.m. until noon. You are invited to meet with the representative to file your claim or to obtain information or assistance concerning social security.

She will enter the University of St. Louis to work on her masters degree in Sept.

IN MIDLAND

Mrs. C. A. Hull is visiting her brothers in Midland.

FARM and RANCH Notes

JOE W. DOBY
COUNTY AGRICULTURAL AGENT

Beef cattle producers and dairymen often fail to notice the hidden damage inflicted by cattle grubs. These losses begin when heel flies attach their eggs to cattle and continue through the period when the grubs appear as lumps in the back. Grub losses can be reduced with timely applications of any one of the three recommended systemic insecticides. The insecticides are called systemic because they are distributed inside the body of the animal and carried to the site where the grubs occur. Since only one application is necessary, proper timing is all important. Early applications of systemic insecticides are considerably safer and more effective than later ones. The treatment time might possibly vary within the state, but greater efficiency will be obtained when applications are made between May 1 and September 1 or as soon as possible after heftily activity ceases.

With Co-Ral apply either a 0.375% or 0.25% concentration as a spray. If the 0.25% spray is used, make 2 applications not more than 3 months apart. The 0.375% concentration should be applied only once per year. With either spray concentration, the animals should be wet to the skin as thorough coverage is essential. Do not treat sick or emaciated animals or calves less than 3 months of age. Treat animals 3 to 6 months of age only lightly. Co-Ral should not be used with pyrethrins, allethrin or synergists.

A new Ruelene "pour-on" formulation has received approval from the Pesticides Regulation Division, ARS, USDA for use on cattle for control of hornflies, lice and cattle grubs. This new produce, Ruelene 8R, is available in a ready to use formulation with no mixing required and has not been known to cause burning or severe scouring of the hide, as was experienced with Ruelene 25E.

ELISE SLAUGHTER IS HONORED WITH PARTY

Elise Slaughter was honored with a party Saturday on her sixth birthday. Cake and punch was served to Timi Lou Graham, Patti Lane, Adrian Jones, Diane Clonts, Stacy Angle, Mary Clarke, Gayle Tankersley, Jan Lowrey and Donna Kathley.

PUBLIC NOTICE

Proposed CONSTITUTIONAL AMENDMENT NUMBER TWO ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 3, 1964.
HOUSE JOINT RESOLUTION NO. 8 proposing an amendment to Section 59 of Article XVI of the Constitution of the State of Texas establishing certain requirements relative to the enactment of laws affecting particular conservation and reclamation districts; providing for an election and the issuance of a proclamation therefor.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 59 of Article XVI of the Constitution of the State of Texas be amended by adding thereto a new Subsection which reads as follows:

"(d) No law creating a conservation and reclamation district shall be passed unless notice of the intention to introduce such a bill setting forth the general substance of the contemplated law shall have been published at least thirty (30) days and not more than ninety (90) days prior to the introduction thereof in a newspaper or newspapers having general circulation in the county or counties in which said district or any part thereof is or will be located and by delivering a copy of such notice and such bill to the Governor who shall submit such notice and bill to the Texas Water Commission, or its successor, which shall file its recommendation as to such bill with the Governor, Lieutenant Governor and Speaker

of the House of Representatives within thirty (30) days from date notice was received by the Texas Water Commission. Such notice and copy of bill shall also be given of the introduction of any bill amending a law creating or governing a particular conservation and reclamation district if such bill (1) adds additional land to the district, (2) alters the taxing authority of the district, (3) alters the authority of the district with respect to the issuance of bonds, or (4) alters the qualifications or terms of office of the members of the governing body of the district."

Section 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this State at an election to be held on the first Tuesday after the first Monday in November, 1964, at which election all ballots shall have printed thereon the following:

"FOR the Constitutional Amendment establishing certain requirements relative to the enactment of laws affecting particular conservation and reclamation districts."

"AGAINST the Constitutional Amendment establishing certain requirements relative to the enactment of laws affecting particular conservation and reclamation districts."

Section 3. The Governor of Texas shall issue the necessary proclamation for the election and this Amendment shall be published in the manner and for the length of time as required by the Constitution and laws of this State.

AUSTIN—State Board of Control is willing to go only halfway in the drive to take energetic tourists to the top of the capitol dome.

State purchasing and house-keeping agency asked for \$16,950 to open the dome to the fifth floor. Sightseers now must stop at the fourth floor landing.

Board of Control looks with disfavor on tourists going 41 feet higher, to the tip-top.

"Structurally," said the Board "the capitol dome is thoroughly safe for its intended and original purpose—which was not as a tourist attraction."

Cost of opening the dome to the public — complete with a guide service, security, repainting and janitorial service — was estimated at an additional \$52,000.

Even opening the fifth floor landings is complicated enough, said the Board.

Included in its recommendations were \$4,000 for a grill to catch objects dropped from the lofty landing; \$3,000 for a ventilation system in the stairwell areas "to keep people from dropping out from exhaustion while climbing;" \$2,000 to run a water line and install a fountain; \$2,500 for annual repainting to hide the work of slogan-writers; and \$350 for a first aid kit.

COURTS SPEAK — Texas Supreme Court has declined to reconsider an earlier decision holding off pipe shipping rates set by the Railroad Commission in 1962 while they are in contest. High court refused the Commission's request for rehearing. Oil field truckers called for suspension of the new rates, claiming they give railroads an unfair advantage.

In another case heard by the Supreme Court, a Railroad Commission production formula for Fairway Field in East Texas, largest U. S. oil discovery in the last eight years, is under attack. W. L. Pickens brought the action to void the formulas for the field in Anderson and Henderson Counties. Pickens claims the formulas would allow neighboring leases to drain oil from under his property. Under the commission order, allowables would be based 50 per cent on tract size and 50 per cent on acre feet of oil-bearing sand beneath.

District court here has upheld the order.

Finance companies won a major battle with the State when the Third Court of Civil Ap-

peals in Austin refused Regulatory Loan Commissioner Frank Miskell's motion for rehearing on the State's case against Termpplan, Texas Public Finance, Beneficial Finance and Consolidated Credit.

Court affirmed the opinion of the 53rd District Court in Austin that the 1963 Texas loan act cannot be licensed unless 51 per cent of its stock is owned by Texans is unconstitutional.

EDUCATION — JOB OPPORTUNITY — Texas Department of Public Safety is offering educational opportunities along with jobs for young men who can qualify.

Fifty will be selected between August and October for the DPS Law Enforcement Academy here. Graduates of the four month school, covering 800 hours of instruction in 95 subjects, will fill vacancies in the highway patrol, license and weight, motor vehicle inspection or driver licensing divisions.

Young men 21 to 35 who can meet physical and mental requirements will be given qualifying examinations on August 8, September 12 and October 10. School will begin on November 19. Students earn \$375 a month while in training and \$438 to \$453 a month on graduation.

REDISTRICTING — Fourth in a series of public hearings held by the Legislative Council Study Committee on Congressional Redistricting will be held in San Antonio. Legislators seek public opinion on the way to draft redistricting to conform with the U. S. Supreme Court edict. It's a matter which must be settled during the session, after higher education proposals and tax matters are out of the way.

His idea conflicts with those of Governor Connally and Atty. Gen. Waggoner Carr who have said redistricting should be the first item on the Legislature's agenda.

PASSENGER TRAIN HEARING SET — Railroad Commission issued notice that it will hold hearings on the Texas and Pacific Railway's request to discontinue operation of two passenger trains now operating between Fort Worth and El Paso.

Fort Worth hearing will be held on September 15, and the El Paso hearing on September 17. Railroad claims it has suffered a net loss of \$200,000 on these trains over the past year.

FOOD STAMP PLAN — William M. Herndon, who administers the commodities distribution program for the State Department of Public Welfare, says the Federal Food Stamp Program, just passed by Congress, will take at least five years to filter down into all counties which otherwise would participate in the surplus commodities distribution program.

Under the proposed program, low-income and no-income families may trade federally-supplied stamps for food at any grocery store, instead of limiting their supplies to those items declared commodities and distributed on a county-agent basis. Luxury and imported items will be exempt from the plan.

Egenbacher

Implement Co.

Barred from stamp "shopping" list are bananas, coffee, cocoa and tea.

But the switch must be gradual because current surpluses must be used up, and it has not been determined yet how much Congress will appropriate for the program.

YARBOROUGH ASKS SCREW-WORM FUNDS — Sen. Ralph Yarborough's Austin office announced he has urged the Senate Subcommittee on Agriculture Appropriations to earmark \$5,500,000 to continue the screw-worm eradication program in the Southwest.

Unless a barrier zone is established along the Mexican border, Yarborough said, reinfestation of "free" areas will occur and a \$12,000,000 investment in the program will be lost.

PARKS OVERCROWDED — All state parks in Texas are overcrowded, says Director W. M. Gosdin.

Gosdin pointed out that 47,944 persons visited Corpus Christi State Park on Easter weekend and the level has held up thru mid-summer. Other major parks such as Garner, Inks, Goose Island, Brownwood and Fort Parker are handling capacity crowds.

A \$160,000 expenditure at Huntsville State Park provided only a third of the facilities that could be utilized, reports the parks chief.

New expansion projects at Falcon, Lake Whitney and Dam B will help take care of next year's visitors but probably won't come close to meeting demand for park facilities, Gosdin said.

APPOINTEE — Tom E. Beard County Attorney for Hill Coun-

ty, has been appointed by Governor Connally as District Attorney for the 66th Judicial District.

RETAIL SALES ON RISE — UT Bureau of Business Research's seasonally-adjusted index of retail sales in Texas shows a two per cent rise in June. Bureau reports that in the first six months of 1964 retail stores recorded a rise of five per cent over the first half of 1963.

Biggest increases over the 1963 period were made by automotive dealers and stores dealing in women's ready-to-wear.

But every retail category showed a rise, except meat-less grocery stores.

SHORT SNORTS — State Education Commissioner J. W. Edgar still is looking into complex legal angles of an Eagle Pass school controversy in which former Odessa W. T. Poulos was dumped as superintendent two weeks after he was hired, in the wake of a school board election.

The highway and heavy construction industry in the U. S. cut its industrial accident rate in half between 1948 and 1961, according to Hugh McMillan, president of the Texas Highway-General Contractors.

Korktown Community Bank, DeWitt County, and Security Bank of Spring, Harris County, were chartered by State Banking Board.

Texas Employment Commission announced it has selected 200 youth counselors to work in the intensive Federal-State effort to rehabilitate unskilled and unemployed youth.

CARD OF THANKS

We would like to express our heartfelt thanks to our many friends for the cards, letters, flowers and food, and especially to those who helped make our burden easier to bear.
 The Tom West Family

IN WILSON HOME

Mr. and Mrs. Glen Dake, Jimmy and Larry of Durango, Colo., Dan and Gary Lewis of Albuquerque, N. M., Mr. and Mrs. Bobby Lewis of Edmond, Okla., Myretta Taylor, Midwest, Okla., have been guests in the home of Mrs. S. J. Wilson and family.

ATTEND FRANKLIN REUNION

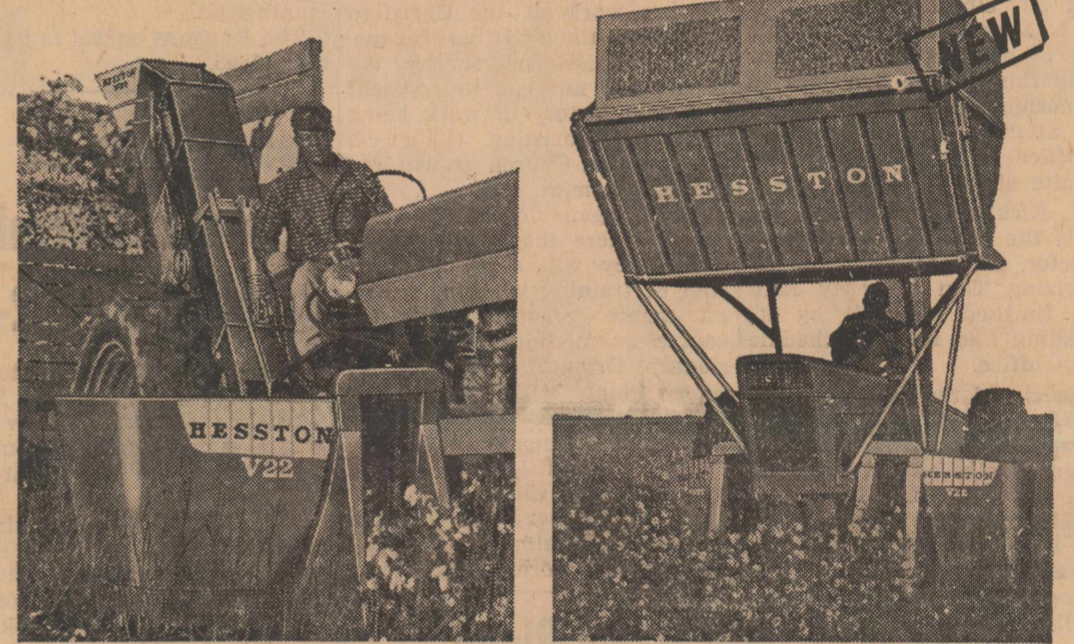

Those attending the Franklin reunion in McKenzie Park in Lubbock over the week end were Mr. and Mrs. Bill Lankford, Janet Kay Lankford, Mr. and Mrs. Charles Lankford, Mandy, Lydia, Mrs. J. S. Wilson, Alice, Minnie, Mr. and Mrs. Glen Dake, Jimmy, Larry, of Durango, Colo., Dan and Gary Lewis of Albuquerque, N. M., Mr. and Mrs. Bobby Lewis of Edmond, Okla., and Myretta Taylor of Midwest, Okla.

ANNOUNCE BIRTH

Mr. and Mrs. Carroll Lee Eggleston of Anton announce the birth of a son, Steven Lee, born Friday, July 24 at 7:45 p.m., he weighed 6lbs., 10 ozs. Grandparents are Mr. and Mrs. Lee Eggleston of O'Brien and Mr. and Mrs. McGill of Temple.

Mr. Eggleston, former teacher in Knox City schools, will teach math and coach the Junior High boys at Anton next year, as well as scout for the high school team.

TRAILER OR BASKET?

HESSTON[®] VERSUS YOUR PICKER
can mean up to \$20 more profit per acre!

Whether you call it a brush harvester, as Hesston does... or a flexible roll stripper, as some others do... the Hesston V-22, with its rotating nylon brushes and rubber paddles will do in one trip what a spindle picker takes two or three trips to do. To see just how the V-22 stacks up, tests were conducted by the University of Arkansas and Oklahoma State University, comparing the Hesston V-22 to a spindle picker.

In Arkansas, the Hesston V-22 harvested 23% more lint, 20% more seed, and saved 10 minutes per acre. It boosted profit per acre by \$14.36. In Oklahoma, the V-22 produced \$17 to \$20 more profit per acre than the spindle picker. In an Alabama demonstration, Hesston earned \$17.28 more profit per acre.

Hesston works in cotton making up to three bales; it will strip shoulder-high, irrigated cotton, and it has proven its efficiency in open and storm proof varieties, rank stalks, and bumble-bee cotton.

ONLY the Hesston V-22 Basket model offers exclusive front dumping... hydraulically! So easy to position for unloading. Capacity is approximately 1,000 pounds.

Have some questions? Hesston has a new piece of literature that tells all about it, answers all your questions. Send in the coupon for information on the Hesston V-22 Brush Harvester, and the Hesston Hi-Net Cotton System.

PUBLIC NOTICE

Proposed CONSTITUTIONAL AMENDMENT NUMBER ONE ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 3, 1964.

SENATE JOINT RESOLUTION NO. 6 proposing an amendment to Section 5 of Article VII of the Constitution of the State of Texas so as to remove the authorization to transfer not exceeding one per cent annually of the total value of the permanent school fund to the available school fund.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. Section 5 of Article VII of the Constitution of the State of Texas is amended to read as follows:

"Section 5. The principal of all bonds and other funds, and the principal arising from the sale of the lands hereinbefore set apart to said school fund, shall be the permanent school fund, and all the interest derivable therefrom and the taxes herein authorized and levied shall be the available school fund. The available school fund shall be applied annually to the support of the public free schools. And no law shall ever be enacted appropriating any part of the permanent or available school fund to any other purpose whatever; nor shall the same, or any part thereof ever be appropriated to or used for the support of any sectarian school; and the available school fund herein provided shall be distributed to the several counties according to their scholastic population and applied in such manner as may be provided by law."

Section 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors at an election to be held on the first Tuesday after the first Monday in November, 1964, at which election all ballots shall have printed thereon the following:

"FOR the Constitutional Amendment to remove the authorization to transfer not exceeding one per cent annually of the total value of the permanent school fund to the available school fund."

"AGAINST the Constitutional Amendment to remove the authorization to transfer not exceeding one per cent annually of the total value of the permanent school fund to the available school fund."

Section 3. The Governor of Texas shall issue the necessary proclamation for the election and this amendment shall be published in the manner and for the length of time as required by the Constitution and laws of this State.

Pesticides Should Be Used With Care TSA Warns

The Texas Safety Association today warned homeowners of the misuse of pesticides and reported that about 75 per cent of pesticide accidents occur to children under age 10.

"Householders, apartment dwellers, home gardeners and farmers are using more pesticide chemicals each year, and when used according to instructions these pesticides have achieved striking success," J. O. Musick, TSA General Manager said.

"However, pesticides must be handled with care and directions must be followed meticulously for safety as well as for best results."

There are about 50,000 trade-named pesticide products. These are made up from about 200 basic chemicals. These materials help keep homes free of ants, roaches, silverfish and other fish. They also protect flowers, trees from damage by insects and plant disease, and they keep out destructive rodents and clear lawns of unwanted weeds.

Pesticides which are highly toxic are required to be labeled with a skull and crossbones, the word poison printed in red, and the proper antidote.

Musick advised reading the label on each container before use as pesticide spray in one container may be quite different from the spray in another.

He reported that about 75 per cent of the accidents from misuse of pesticides occur to children under age 10, and about 90 per cent of these occur among children under age five.

"Most of these accidents could be prevented if adults would allow the general safety rules for use and storage of pesticides," he emphasized.

The safety director suggests the following precautions:

1) Read the label. Follow instructions for application and heed all directions and warnings.

2) Store pesticides in locked cupboards or rooms where children, pets or irresponsible persons cannot reach them. Do not store near food of any kind.

3) Keep pesticides in their original containers only. Always

keep containers tightly closed. Never put pesticides in unlabeled gallon jugs, pop bottles, buckets, cups, paper bags or other common food containers.

4) Use only the amount of pesticides called for on the label.

5) Do not smoke while using pesticides, and avoid breathing spray mists or dusts. Be sure to wear suitable mask or respirator if the label recommends it. Keep sleeves rolled down and collar buttoned.

6) Always wash hands and face after using pesticides. If exposed to dust or spray mist, change clothing. If pesticide is spilled on clothing, remove clothes immediately and wash yourself with soap and water.

7) When using insecticides or other pesticides sprays or dust in the house, remove or cover food and water containers. Do not leave aquarium or fish bowls exposed. Be sure to keep pets out of the treated area until the spray mist has settled completely. This is particularly important if you use one of the currently popular insecticide fumigating devices.

8) Don't leave empty pesticide containers where they will be a hazard to humans, especially children, or to animals. Burn paper bags and cardboard boxes, being sure to stay out of the smoke. Never re-use cans and bottles that have contained pesticides.

In closing, Musick said if you should suddenly feel sick while using a pesticide, or shortly thereafter, call a doctor immediately.

"Doctors and hospitals have available information to treat you effectively if they are called promptly," he explained. "In an emergency, be sure to take the pesticide container and label with you when you go to the doctor's office or hospital."

ATTENDING CAMP

Kelton Smith, son of Mr. and Mrs. Z. I. Smith, is attending Camp Sorooptimist at Argyle for two weeks. He will return home August 1.

IN DALLAS

Mr. and Mrs. Sammy White and children and Jalene Seitz spent Wednesday and Thursday of last week in Dallas visiting Mrs. Cecil Seitz in Baylor Hospital and visiting Six Flags Over Texas.

"Magical Pill" Can Be Both A Bane And Boon

The "magical pill" can be both a bane and a boon.

If we depend on our modern drugs to the extent that we neglect good hygiene and proper first aid, we are in effect making the pill — or wonder drugs — our bane.

There are several reasons why the prevention of infection, through good personal hygiene and proper first aid, is important. Many kinds of germs and most viruses are not controlled by chemical agents.

The germs of whooping cough, brucellosis, and certain other bacterial diseases respond rather unsatisfactorily to our weapons. Chemical agents other than antibiotics, which we had long ago, do not neutralize the toxins or poisons produced by germs.

Therefore, tetanus and botulism, which are associated with toxins, are still dread diseases.

The story is told about a mother of several children who thought she was "building up" her children's resistance against winter colds and infections by giving them regular doses of antibiotics. How mistaken she was.

The increasing resistance of many germs to antibiotics is causing more and more concern. Accordingly, it is advisable to prevent infection and to obtain proper care early, if infection appears.

In case of wounds and burns, however, minor they may seem, make sure of proper first aid preliminary to medical care.

Wounds and burns usually require sterile dressings after application of other indicated first aid.

If infection develops in a wound, evidenced by local redness, swelling, and tenderness, obtain immediate medical care.

Follow hygienic habits to prevent respiratory infection. Pneumonia caused by a resistant germ is the dread disease it always was.

Adhere to an immunization schedule advised by your physician.

Secure medical care early for infections, but do not insist that your doctor prescribe an antibiotic, because promiscuous use of antibiotics favors development of germs resistant to them.

Alcoholism Is Growing Disease Problem AMA Says

Alcoholism is a growing disease problem confronted frequently by families, communities and physicians.

As with many other diseases it can be treated, but not really cured. The alcoholic can learn to completely control his disease but the affliction cannot be stamped out so that he can return to alcohol without adverse consequences.

While the treatment primarily involves merely not taking a drink, the course of the treatment is often long, harrowing and beset by relapses. As with so many diseases, early detection usually brings about better results.

Among the signs of the disease are increased consumption of alcohol, often combined with constant thinking about drinking and making it an important part of life.

The alcoholic usually drinks more than he intends, or gets drunk when he doesn't intend to, for he uses alcohol as a drug rather than a beverage. Despite obvious excesses, however, he usually denies that he drinks too much or offers alibis for his drinking.

Other symptoms include getting drunk alone, taking an "eye-opener" in the morning, digestive disturbance and loss of appetite.

Modern medical drugs may save your life someday, but why not postpone that day as long as you can by practicing good hygiene and proper first aid.

Streams In Desert Places

Ozelle Stephens

"But my God shall supply all you needs according to His riches in Glory by Christ Jesus." (Phil. 4:19).

Although the promises of God are rich and true, one has to war against the principalities of

evil which would enter the mind. When a thought enters the mind, think it out as you would to do a job before quitting it. Fleeting thoughts muddy the mind; causing uneasiness of heart, and unstable ways.

One can live calm and steady, doing each job with confidence, have a happy and successful life, without fear and nervousness if he puts his trust in the WORD of GOD. Jesus said unto him, "If thou canst believe, all things are possible to him that believ-

eth, and missing time from work or duties because of drinking.

Alcohol, aside from its addictive qualities, also has a psychological effect that modifies thinking and reasoning. —One drink can change the thinking of an alcoholic so that he feels he can tolerate another, and then another, and another.

Most alcoholics cannot break the cycle alone, for it means giving up the thing in life he wants most.

Help for the alcoholic can come from many sources — the physician, the clergy, governmental agencies such as the local health department and volunteer organizations like Alcoholics Anonymous.

In addition the family can help by listening to his problems and helping him to face them realistically; encouraging him to help himself, but without scolding or lecturing him.

And, when he gives up drinking, keep up his morale, emphasize his good points, not his bad ones — After all, he's sick — not wicked.

evil which would enter the mind. When a thought enters the mind, think it out as you would to do a job before quitting it. Fleeting thoughts muddy the mind; causing uneasiness of heart, and unstable ways.

One can live calm and steady, doing each job with confidence, have a happy and successful life, without fear and nervousness if he puts his trust in the WORD of GOD. Jesus said unto him, "If thou canst believe, all things are possible to him that believ-

eth (Mk. 9:23). Know God, believe His WORD and He will cast you out all doubt; Streams of confidence and happiness will flood your heart and mind. His word is a Strong Tower of which you can run into and be safe in these trying days in which we now live.

RETURN FROM O'DONNELL

Mr. and Mrs. J. L. Setphens returned early this week from O'Donnell, where they visited his mother, who is ill.

PUT A TIGER IN YOUR TANK!

Visit Six Flags Over Texas this summer. More than a hundred acres of fun for everyone. Be sure to include a ride on Humble's "Happy Motoring" Freeway. Even youngsters can safely steer the miniature sports cars. Stop at your Enco dealer's before you go. He has coupons for you, each worth 50¢ on a child's ticket for Six Flags.

"NO, EMMA...
IT'S IN THE GASOLINE!"

NEW HIGH-ENERGY ENCO EXTRA GASOLINE BOOSTS POWER THREE WAYS:

1 Cleaning Power! Dirt can clog even a new carburetor in a few months of normal operation—causing hard starting and rough idling. Your very first tankful of New Enco Extra will start to clear away these deposits—in new engines or old—to improve power and mileage.

2 Firing Power! Spark plug and cylinder deposits can cause misfiring, pre-ignition and hot spots. New Enco Extra neutralizes these harmful deposits—to help your engine fire smoothly, to help preserve the power of new cars and restore lost power to many older cars.

3 Octane Power! New Enco Extra has the high octane that most cars now need for full smooth performance without knocking. You'll get all these extras with New Power-formula Enco Extra gasoline—it puts a tiger in your tank! *Happy Motoring!*

Mrs. Tommy Tapp and sons are visiting her sister in Houston.

Rev. and Mrs. Hankins were Tucumcari, N. M. visitors last Thursday and Friday. Their daughter Fredey, who has been visiting them, returned home with them.

The revival at Truscott Baptist Church is in progress this week and will continue through the week. Rev. White of Thalia is evangelist and Ben Stephens of Wichita Falls is song leader.

Mrs. Irene New has returned from Denton where she taught this summer.

sabrina neckline, scalloped three-quarter length sleeves, and skirt. She wore a seed pearl tiara with a short veil. Her bouquet was composed of white carnations.

The Matron of honor, Mrs. Linda Runkles of Lubbock and the bridesmaid, Mrs. Melanie Whitley of O'Brien sister of the groom, wore red cotton satin with bell skirts and carried long-stemmed red carnations.

Bestman was Aubrey Burrows of Sweetwater, and groomsmen were Mat Verhalen, father of the groom.

Ushers were: Curtis Steel, brother of the bride, and Ronnie Verhalen, brother of the groom. Reception was held at the First National Bank Community Room in Post.

After a trip to Fort Worth and Dallas, the couple will make their home in Stillwater, Oklahoma, where they will both attend Oklahoma State University.

Mrs. Bob Donaldson Honored With Party

Mrs. Bobby Donaldson was honored with a gift party in the home of Mrs. Victor Thomas on Thursday, July 23.

She is the former Pamela Sue Darr and was married to Bobby Donaldson on July 1, in the Knox City Baptist Church.

Guests were greeted by Mrs. Thomas and presented to the honoree, her mother, Mrs. Dewey Darr and to Mrs. W. L. Donaldson the bridegroom's mother.

Judy Meinzer registered the guests.

The refreshment table was laid with a white lace cloth over blue and centered with white roses. Serving were Mrs. Tommy Richardson and Mrs. Oscar Mangus.

Piano selections were given by Pam Waldrip.

Hall-Gentry Vows Solemnized Saturday

Miss Janis Louise Hall and David Anthony Gentry exchanged double ring wedding vows Saturday night at the home of the bride's parents, Mr. and Mrs. Hester A. Hall.

Rev. K. E. Woolley, pastor of the First Baptist Church of Benjamin, officiated for the double ring rites.

The bridegroom is the son of Mr. and Mrs. O. L. Gentry of Knox City.

The couple were married before an arch covered with white crepe paper and decorated with blue and white flowers. At the peak were two large white bells.

Maid of honor was Miss Judy Gilbert and Buddy Tolson was best man.

The bride wore a white lace over taffeta street length dress, with a white pillbox hat covered with nylon net, with matching accessories. She carried a white Bible.

The maid of honor wore a blue whipped cream dress with white accessories.

The reception was in the home of the bride's parents. The table was covered with a white lace table cloth over blue. Blue ribbons printed with the names of the bride and groom were placed in the center of the table near a centerpiece of blue peonie flowers.

The bride is a senior in the
