

THE KNOX COUNTY HERALD

VOLUME 58

KNOX CITY, KNOX COUNTY, TEXAS, THURSDAY, SEPTEMBER 24, 1964

7FN CENTS PER COPY

NUMBER 44

During the past few weeks we have received rumors of women being scared by a prowler and Monday we tried to verify or refute these claims. We know of at least six local women who have been scared out of their wits by some man trying to break in their house when the men were absent. One of the women, and the first one we'd heard of that had been approached, awoke in the middle of the night to discover a prowler crawling in a window near her bed.

Someone is sick, sick and we are afraid someone is going to get shot if something isn't done. . . . We have no suggestions other than to take all necessary precautions and to be sure and pull shades or curtains when you turn your lights on. . . . We feel certain people qualified in this sort of thing are doing all they can to safeguard our well being.

INTERESTING — Received a long letter from Vaughn Gruben last week and since it was so interesting, we reprinted it so Vaughn's many friends will get to hear from him also. Mrs. Gruben and their daughter was here a few days last week on a visit. Vaughn's letter will be found elsewhere in this edition.

Mrs. C. C. Hoge, one of our best writers has written a feature story this week on the A. P. Denton family—hope you enjoy it as much as we have.

We think the Dentons an admirable family, too, and we learned long ago that A. P. is a man of few words, and when he does talk it pays to listen. . . . and that he says exactly what he thinks. Probably his best trait, at least from his family's standpoint is his tenacious desire for his children to get the best education possible. It has obviously been hard to educate his children, but in two years David will graduate and so ends a long list of Denton children to start to make their mark in the world with a good education to fall back on.

COMPLIMENTS — Ordinarily we make a minimum of 25 trips a day down the back alley bordering the Herald, yet haven't paid any attention to the conglomeration of junk and trash that had accumulated there until the wife pointed it out to us last week. Admittedly it looked awful and the back was so full we couldn't use the back door. We solicited the help of Gus Martinez and his sons and as they did such a good job other businesses came forward and by evening the whole alley was as spic and span as you can get it. We don't know whether we were so dirty that the rest have been waiting on us all this time or whether our getting cleaned up was inspiration to get this part of the business district clean for a change. To cap the whole thing off the city graded the alley. It sure looked nice and pretty Saturday.

NEW CAR SHOWING—Knox City's three automobile dealers will show their new line for '65 beginning today with Branham Chevrolet showing their line of Chevy's first and Friday Egenbacher Motors will show four of their latest versions of Plymouth with Lankford Motors giving you a view of Ford's contribution this year. We heartily agree with all three manufacturers that their offerings are the best ever. People in the know predict 1965 for the best car buying year Americans have ever seen, and we sincerely believe this year's crop is by far the best ever devised.

PRICE-WISE a new car hasn't gone up nearly as bad as one would imagine. . . . how many of us will buy a stripped down version with only a heater as the only accessory? You can buy one "like the good old days" only it will run faster, farther, cheaper, for only \$1800, but the biggest percent of Americans want the \$2000 version with \$2000 worth of accessories.

Any way, go by and see for yourself — all of our dealers will devote the rest of the week to the showing and explaining their product. . . . they are all proud. . . . and we believe rightly so.

RECENTLY BEAUTIFIED—was the addition of a complete new front to compliment the large expanse of glass was added to Hoge Pharmacy. . . . Owner Paul Hoge also repoured a new sidewalk and repainted the inside of his store before stopping. Clonts Hardware and Furniture remodeled the front of their furniture store and added the large plate glass front for better visibility and a more attractive appearance.

KC To Play At Rochester Friday

The Knox City Greyhounds will journey to Rochester for the contest between the Greyhounds and the Rochester Steers Friday, Sept. 26. Game time is 8 p.m.

Rochester's probable starting lineup will be LE, Johnny Wyatt, LT Bill Penman, LG Tommy Helmes, C. Darrell Strickland; RG Jerry Hearn, RT John Ballard, RE David Hollingsworth QB Glen Hollar, LH Buford Berryhill, RH Steve LeFevre and FB Raymond Greenwood.

Coach Ted Darland reports that while Rochester has several injured players, that Knox City still had three men out of play on account of injuries, and that it will be a hotly contested game.

Knox City fans are urged to go to Rochester to back their team.

Guthrie Defeats Benjamin 66-0

The Guthrie Jaguars defeated the Benjamin Mustangs 66-0, Friday night.

Lloyd Koppledge and Don Havens shared the scoring honors with three TD's each, and Ronnie Flowers scored two of the touchdowns for the Jaguars.

J. H. Ueckert Dies; County Demos

Services Held In Olney Chapel

Funeral services for J. H. Ueckert, 201 N. Ave. M, Olney, were held at 2 p.m. Sunday from the chapel of Lunn Funeral Home in Olney.

Officiating was Rev. Don Campbell, pastor of the First Christian Church in Olney.

Ueckert, 88, died at 12:15 p.m. Friday, Sept. 11, in Hamilton Hospital.

A native Texan, he was born July 31, 1876 at Bellville, Texas, and married Laura McCarty at Archer City, March 12, 1907. His wife died June 11, 1964.

Ueckert, with his wife, moved to Benjamin in 1949 and moved to Olney, where he has made his home until his death. He has been a member of the First Christian Church since a young man.

Survivors are one son, T. H. Ueckert of Iowa Park; one daughter, Mrs. H. O. Smithwick of Olney; six grandchildren, five great grandchildren, nephews and nieces.

Pallbearers were Lee Snailum, Vernon McCanlies, Leroy Melton, Tillman McWhorter, Jim Crowner, Mike McCarty, B. B. Bridges and S. M. Lewis.

Burial was in Holiday Cemetery under direction of Lunn Funeral Home of Olney.

Plan Fund-Raising Dinner; Talk

A group of Knox County's Democratic leaders met at the courthouse in Benjamin Tuesday night to appoint committees and discuss plans for a fund-raising dinner to be held in the county in the near future.

STEERING COMMITTEE — Mo Wiggins, chairman and Collins Moorhouse chairman of the County Executive Committee.

TICKETS — David Counts, chairman, Knox City; and Sue Bumpas, Benjamin; Bud Nelson, Munday; Mr. Roberts, Goree; Mrs. Coulston, Vera; Mike Albus, Rhineland; J. B. Eubank, Truscott; and Dwight Key, Abe Watson and Doyle Graham.

FOOD — Butch McCanlies, chairman, and co-chairmen are Johnnie Fulton, Ed Johnson, Tip Albus and L. A. Parker.

ENTERTAINMENT — Bill Sams, chairman, and H. H. Partidge, Carl Coulston, Walter Coffman and Aaron Edgar.

ADVERTISING - PUBLICITY — Aaron Edgar and Jim Hill.

VISITS DAUGHTER — Mrs. O. L. Jamison spent several days with her daughter and family, Mr. and Mrs. Tom Harrison in Richardson recently.

Aspermont Rolls Past Knox, 14-0

The Knox City Greyhounds suffered their first loss of the season last Friday night at Aspermont with the final score of 14-0.

Aspermont made its first touchdown in the second quarter with David Frazier scoring for the Hornets. Try for extra point failed.

The Hornets made their final

touchdown late in the third period, with Jesse Ledesma carrying the ball for 64 yards to pay dirt.

Fullback James Ray carried the ball over for the double

- No. 83 Dwayne Bradford, E, 100

Junior High Loses To Crowell, 30-16

The Knox City Greypups lost their first game of the season to the Crowell Junior High team Monday night at Crowell.

Amador Gonzales made Knox City's first touchdown in the first thirty seconds of the ball game, try for extra points was good, and the Greypups led 8-0.

Crowell made two touchdowns in the second quarter and led 16-8 until Ronald Curd tied the score again, by making another TD for the Pups. Run for extra points was again successful.

Crowell came back from half-time and made two more touchdowns, to win with a score of 30-16.

The Pups next scheduled game will be at Paducah Monday, October 5.

Nancy Jo Lippard Is Semifinalist In Scholastic Test

Supr. W. R. Baker of Carney Schools in O'Brien announced today that one of the school's students has been named Semifinalist in the 1964-65 Merit Scholarship competition.

He said the student became semifinalist through her outstanding performance on the National Merit Scholarship Qualifying Test. This test of educational development was given in more than 17,000 high schools last March.

Student cited for her high achievement is Nancy Jo Lippard.

She will be among 14,000 seniors throughout the country who attained Semifinalist status. The Semifinalist group is composed of the highest scoring students in each state and in United States territories.

Each Semifinalist now moves a step closer to winning a four year Merit Scholarship to the college of his choice. Semifinalists must substantiate their qualifying test performance on a second examination, be endorsed by their schools, and fulfill certain routine requirements to become Finalists.

All Merit Scholars are selected from the Finalist group.

AT LAKE BROWNWOOD

Mr. and Mrs. Otis Harbert and Mr. and Mrs. G. E. Wilson spent the past week fishing at the Brownwood Lake. Harbert said they had fairly good luck, considering the 12 inch rain that fell while they were there.

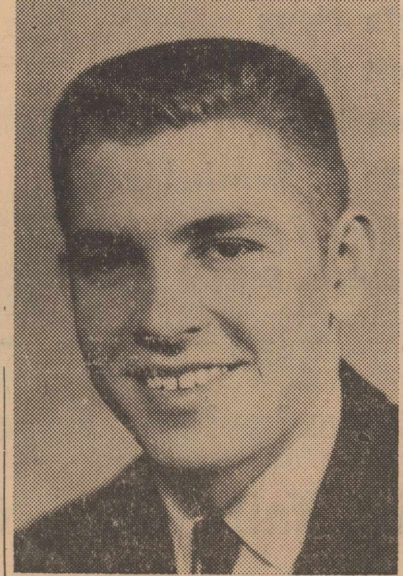

ATTENDS FUNERAL

Mr. and Mrs. Carl Shelton were in Amarillo Sunday and Monday to attend funeral services for her uncle, O. D. Clements, who died in the Veterans Hospital in Houston Sunday. Funeral was held in Amarillo Monday.

MRS. GRACE MOORMAN MAKES DONATIONS

It was announced to the Herald this week that Mrs. Grace Moorman of Munday has donated a cord clamp instrument for newborns, a wall clock for the nursing station, 2 roasters, 6 pie pans, 6 cake pans, 2 bread pans, and a caseroll pan and collender of stainless steel for the kitchen, to the Knox County Hospital.

F. F. A. Elects Officers And Sweetheart Here

The Knox City F. F. A. supervised by Leon Burkham had their annual '64-65 meeting Friday, Sept. 4. New officers were elected as follows: President, Johnnie Montandon; vice president, Ronnie Worley; secretary, Bill Cornett; treasurer, Jimmy Tankersley; reporter, Jerry Myers, and sentinel, Doug Logsdon.

Phyllis Tankersley was elected sweetheart for 1964-65. She was elected on the basis of poise, beauty, and personality. She will represent the local chapter of the F.F.A. at the 1965 West Texas Fair and in the district contest.

ATTEND FUNERAL

Mrs. M. S. Denton and Mrs. Delbert Lloyd were in Houston last week to attend the funeral of Raymond Joachim, father-in-law of Billy Denton.

ATTENDS ART GUILD

Mrs. Hazel Long and Mrs. Ruby Bridges attended the West Texas Porcelain Art Guild in Sweetwater recently.

conversion to end the scoring for the night.

Coach Ted Darland reports that Ray Penman, Bill Cornett and Richard Rodriguez made the highest grades on the film grading.	

O'Brien Wallops Hobbs, 58-32

James Duncan scored 28 points and Carleton Rhodes 24 for the O'Brien Bulldogs in their opening game of the season with Hobbs last Friday night.

Roy Harvey scored the other six points for the 6-man O'Brien team and Tommy Lay, and Freddie Martinez did the scoring for the Hobbs team.

The Harmonettes Entertain Lions Club Wednesday

Knox City's High School girls vocal sextet the Harmonettes, entertained the Lions Club members Wednesday at the Methodist Fellowship Hall.

Jack Coats and E. H. Tankersley Jr., were program co-captains Wednesday and the group was introduced by Jack Coats.

Vocalists are Belle Burnett, Glenda Cox, Paula Myers, Kay Reeves, Linda Reed, and Jan Sutton, and Mrs. Kenneth Myers accompanied them on the piano.

The Harmonettes sang a medley of "Side By Side," "Dream," "Blue Moon," "Shine On Harvest Moon," "Everybody Loves A Lover," "I Was Only Teasing You," and "Cuddle Up A Little Closer."

Miss Cox expressed thanks to the club for the opportunity to sing and "we especially thank Mr. Coats for asking us to sing," she said.

They concluded the program with "Lucky Old Sun."

The Harmonettes have been entertaining clubs, meetings and social functions for the past four years, and as all the girls are seniors this will be their last year to sing together.

Trail Shrine Club To Meet Sept. 30

The McKenzie Trail Shrine Club will meet at the Cliff House in Stamford at 7:30 p.m. Wednesday, Sept. 30.

Election of officers will be held at the short business meeting. Wives and guests are invited to attend.

Entertainment will be provided by the Wichita Falls Shrine Club.

The McKenzie Trail Shrine Club is composed of members from Knox, Jones, and Stone-wall counties.

CARD OF THANKS

I wish to express my sincere appreciation to all of my former customers throughout Knox County and all the surrounding area for the fine patronage shown to me through the years. I think of all of you and the rest of my friends very often. Whether it was a Thunderbird or a \$100 junker, I want each of you to know that each transaction to me was greatly appreciated, for I know, regardless of the type of automobile, it meant as much to that individual as one did to the other person.

I say "Thank You" from the bottom of my heart that what success I might ever achieve in life was due to your continued loyalty to me throughout the many years while I was at "home" in Knox City — May God bless each of you is my prayer. Thank you, Knox City — your memories to me are never to be forgotten. VAUGHN GRUBEN

Cotton Classing Office Is Now Open
The Munday Cotton Classing Office opened for the season on Monday, Sept. 14, with A. D. Peebles, in charge. The office is operated each season by the Cotton Division of Agricultural Marketing Service, U. S. Department of Agriculture. Receipts early in the week were near 1,000 samples but heavy rains Tuesday and Wednesday stopped harvest completely. Classing for the week totaled 1,898 samples with grades as follows: 3 percent Strict Middling, 10 per cent Middling, 15 per cent Strict Middling Light Spot, 47 per cent Middling Light Spot, 9 per cent Strict Low Middling Light Spot and 10 percent Middling Spot. Staple lengths for the same period were 30 per cent 7/8, 25 per cent 29/32, 16 per cent 15/16, 7 per cent 31/32 and 14 per cent 1 inch and longer. Micronaire readings 2.9 to 5.5 with 16 per cent 3.0-3.4, 74 per cent 3.5-4.9, and 9 per cent 5.0 and above. Market activity is slow with a few reports of cotton going into trade channels at 35 to 50 points over loan price.

District Meeting Is Slated In Seymour
All members of the Brazos Valley District Committee, Boy Scouts of America, are reminded of the District Committee Meeting. The date is Monday, Sept. 28, at 6:30 p.m. at Roddy's Cafe in Seymour. The District Chairman is A. L. Cox, of Seymour. Judson Balch is the district commissioner. Several committeemen have been added to the District Committee quite recently. These, as well as the other members are reminded that there is quite a lot of business that must be attended to. Make plans now to attend, Noel Crenshaw, Executive Director, of Seymour said, "and when you see another member, remind him." All members of the Executive Board of the Northwest Texas Council are especially urged to attend.

CALIFORNIA GUESTS
Mr. and Mrs. Jack Stubbs have as their house guests, Mr. and Mrs. Carroll Kennedy of San Luis Obispo, Calif.

New, Bigger Plymouth Fury For 1965

Plymouth's new entry in the low-priced, full-sized car field, the 1965 Fury, has a completely new body, a new, longer wheelbase of 119 inches, wider front and rear tread, and greater over-all width. There are 22 Fury models in four different series: Fury I, Fury II, Fury III, and Sport Fury. New Fury sedans are the longest-wheelbase Plymouth sedans ever produced. Large new Fury station wagons are on a 121-inch

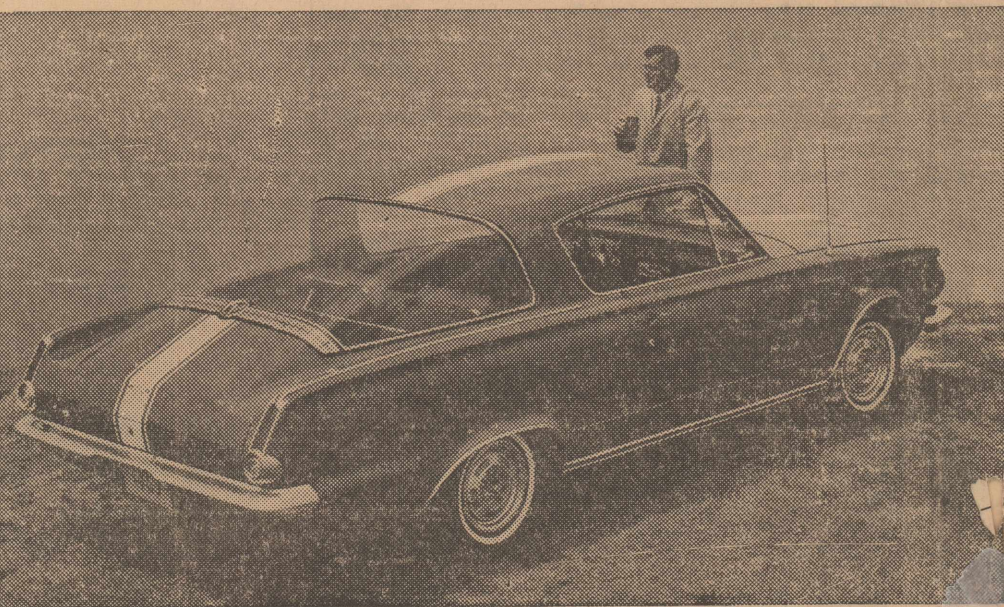

wheelbase. The 1965 Fury styling accentuates its increased size as shown in this picture of the Fury III two-door hardtop. Body lines are crisp and angular. There is a choice of five engines, ranging in displacement from the 225 cubic inch economy six to the 426 cubic inch high-performance V-8. Plymouth continues to provide a 5-year or 50,000 mile warranty on engine and drive train components for all lines of 1965 cars.

The County Sears Foundation Gilt Show was held Saturday morning, September 19, at Vera. Wes Russell, Debra Patterson, Kathy Roberson, Vera; and Kerry Cash of Gilliland, had gilts in the show. The judge was Leon Burkham, Knox City Vo-Ag teacher.

The top gilt in the show was exhibited by Kerry Cash followed by Wes Russell, Kathy Roberson and Debra Patterson. Wes also exhibited the county boar.

The top gilt and the boar will be shown in the area show Saturday Sept. 26, at Wichita Falls. Parents and club members entering the show will be guests of the Sears Foundation for lunch.

The annual field day at the Texas Experimental Ranch, north of Throckmorton will be held Wednesday, Oct. 1, from 9 a.m. to 3 p.m.

The program will include a tour of experimental pastures and presentation of research results. A demonstration and address by Dr. J. C. Bonsma, of Pretoria, South Africa, will be given during the afternoon program. Dr. Bonsma is recognized as a world wide authority on reproductive physiology of cattle. He can tell by looking at a cow whether she is a slow breeder, non-breeder or regular breeder.

Dr. Bonsma is serving as a visiting professor at Texas A and M for a year.

Barbecue lunch prepared by the Miller Brazos Soil Conservation District will be served for \$1.25. Free lunch tickets will be given to the first 100 non-residents of Baylor and Throckmorton counties.

The ranch is located 10 miles north of Throckmorton or 20 miles south of Seymour on US 183 and 283.

A group of 25 cantaloupe and watermelon growers from Munday, Goree and Knox City met last week and organized the

Munday Cantaloupe Growers Association. The purpose of the organization is to promote the production and sale of cantaloupes and watermelons.

Officers elected were Boyd Meers, president; Buddy Urbanczyk, vice president; James Smith, secretary-treasurer. Elected to the board of directors were Edward Smith, 3 years; Gene Wood, two years and Garon Tidwell, one year.

The board of directors will have the responsibility of hiring a shed manager and a seller for the organization.

Intentions of planting about 650 acres of cantaloupes next year were given by the growers present. One variety, Imperial 45, was voted upon as the most desirable to plant.

The 1964 Agricultural Census will be taken in November and December of this year. The Census Bureau does not have enough permanent employees to do the job, so local residents will be employed. The crew leader will be in charge of the census in his district. The crew leader will hire the enumerators for his district. Most districts consist of one county but others may cover two full countries. He will be a full time employee of the Census Bureau while working.

Each enumerator will be appointed in October and enumerators in November. The crew leader's name will be published as soon as it is known. If you are interested in applying for a crew job write: Mr. Percy R. Millard, Regional Director, Bureau of Census, 708 Jackson St., Room 201, Dallas, Texas 75202. Enumerators and crew leaders must be residents of the precincts and county in which they are employed.

Constitution Week Terminated Sept. 23

One hundred and seventy-seven years ago on Sept. 17, 1787 the Constitutional Convention which gave the world the Constitution of the United States of America was ended. Today the National Society of the Daughters of the American Revolution spearheads the observance of national Constitution Week from Sept. 17-23. The main purpose of this observance is to encourage all citizens to re-read their Constitution and thereby to become more familiar with their rights as citizens of this great Christian nation.

Public schools were contacted asking cooperation of teachers in theme writing assignments, discussions of our American Heritage, and chapel assembly programs, throughout the nation. Public libraries were asked to put out displays, posters, copies of the Constitution itself and related reading material.

Also many local organizations were asked to use the theme of Constitution Week for programs and other reminders to their members of our great and dearly bought heritage.

During Constitution Week—Sept. 17-23, American were asked to re-read the Constitution, and to remember America in their prayers.

THE STATE OF TEXAS
To: GUADALUPE HERNANDEZ, JR.
GREETING:

You are commanded to appear by filing a written answer to the plaintiff's petition at or before 10 o'clock A. M. of the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday the 9th day of November, A.D., 1964, at or before 10 o'clock A.M., before the Honorable District Court of Knox County, at the Court House in Benjamin, Texas.

Said plaintiff's petition was filed on the 24th day of August, 1964. The file number of said suit being No. 5729.

The names of the parties in said suit are:
ELENA CEVALLOS HERNANDEZ, as Plaintiff, and GUADALUPE HERNANDEZ JR., as Defendant.

The nature of said suit being substantially as follows, to wit: Plaintiff alleges that Plaintiff and Defendant have not lived or cohabited together for more than thirty (30) months; that there were no children born or adopted as the result of said marriage; that there is no community property; and that Plaintiff desires that the bonds of matrimony be severed by decree of divorce, as is more fully shown by Plaintiff's Petition on file in this suit.

Issued this the 22nd day of September, 1964.

Given under my hand and seal of said court, at office in Knox County, Benjamin, Texas, this the 22nd day of September, A. D., 1964.

District Court, Zena H. Waldron, Clerk, by Florine Weibron, deputy, Knox County, Texas. 4tc44

PRESENTING *Cadillac* FOR 1965

SO NEW! SO RIGHT! SO OBVIOUSLY CADILLAC!

The 1965 Cadillac is the most dramatically new Cadillac in sixteen years; new from chassis to rooftop and new from start to stop. Its remarkable styling—elegant, majestic and impressive as never before—establishes it instantly as an all-time Cadillac great. And not only is it an inspiration to look at—it is a revelation to drive! The marvelous responsiveness of Turbo Hydra-Matic is now standard on all eleven models. A new concept of frame and suspension gives the car incredible steadiness and levelness of ride—even under the severest conditions of cornering and handling. And there is quiet—quiet beyond anything you imagined possible in a motor car! Cadillac's new and more spacious interiors are marvelously rich and luxurious—and include such personal options as an exclusive tilt and telescope steering wheel. Cadillac owner or Cadillac admirer—you owe yourself a journey at the wheel without delay.

You will know at once that this is—in every way—the new Standard of the World!

SEE AND DRIVE THE NEW 1965 CADILLAC—NOW ON DISPLAY AT YOUR AUTHORIZED CADILLAC DEALER

T. May, publicist, and reporter chairman.

Mrs. Stephens and Mrs. Averitt were in charge of the Mission Study lesson "The History of W. M. U."

Mrs. Wall dismissed the eleven members with a prayer.

'Do It Yourself' Camping Planned

The Junior and Cadette Girl Scouts of Knox City wish very much to join other girls from Nor-Cen-Tex Council for a "Do it Yourself" troop camping week end.

This event will be held at Lake Pauline, at Quanah, on Oct. 10th and 11th. It will be a primitive camp with each troop furnishing its own shelter, food and other equipment. Every moment has been planned with activities that sound exciting and rewarding.

The only drawback for Knox City girls at the time is the "shelter" part. They are allowed to beg, borrow or—(of course, a Girl Scout wouldn't steal!)

If you have or know of a tent the girls might borrow, will you please contact Romain Stubbs (658-4982) or Mary M. Campbell (658-4902)?

Please help find shelter for all 30 of these girls. They have all had a year of scouting and are ready to do troop camping.

VISITS GRANDPARENTS
James Hopkins of T.C.U. spent last week end visiting his grandparents, Mr. and Mrs. Ben Brad-tord.

D-Day Nearing For A. P. Dentons

By MRS. C. C. HOGE

When commencement exercises are announced at Hardin-Simmons University in 1966 it should be D-Day for the A. P. Denton family of Knox City for their 6th child will graduate from college.

David will be No. 5 to graduate from Hardin-Simmons. Mr. and Mrs. Denton own and operate a small grocery store and filling station in Knox City and the job of sending six children through college has not been easy.

Mrs. Denton said sending one at a time would not have been so bad, but several years there had been two in college at the same time and once they had three in college at one time.

Both Mr. and Mrs. Denton realize the importance of an education, he attended Hardin-Simmons in 1919 and taught in a rural school in 1920-21.

He and Miss Ruth Moreland were married in Benjamin, Texas, October 1, 1927. She was a secretary for the late D. J. Brookerson, an attorney for Knox County.

Mrs. Denton is a native of Kent County. Denton was born in Oklahoma and moved to Knox City in 1912.

Since they are members of The Baptist Church they want their children to attend a church related college. All six are graduates of the Knox City High School. The first, A. P. Jr., graduated in 1947 and attended Texas Tech then transferred to Midwestern and was graduated in 1951.

He is now a civilian instructor at Lowry Air Base, Denver, Colo. He is married and has four children.

Ruth Jane, the first daughter was also graduated from high school in 1947, she chose to attend Hardin-Simmons and was graduated in 1951.

She taught school 3½ years and is married to T-Sgt. J. R. Pridogon, they live at Minot Air Base, North Dakota. They have four children.

Anna Lois was the next to graduate from high school in 1949. She was a 1952 graduate of Hardin-Simmons. She has been a school teacher for nine

THE KNOX COUNTY HERALD, KNOX CITY, TEXAS, THURSDAY, SEPTEMBER 24, 1964

Cub Scouts Meet At Legion Hall

The four Dens of the Cub Scouts held their Pack meeting at the Legion Hall Tuesday at 7:30 p.m.

A program was presented to the parents and an exhibit of their handcrafts were on display with vegetables that had been hand-grown.

Noel Crenshaw, Scout executive, Seymour, met with the Cub Scouts and parents to help organize a new Den for new boys to become Cub Scouts for their first year.

Mothers are needed to help with the Cubs and anyone interested, please contact Clyde Bouldin or Jack Land, the Scoutmasters.

Bob Harrison won a prize for guessing the amount of beans in a jar and Den I, won the bear prize to keep until the next Pack meeting for having the most parents present at the meeting Tuesday.

The following boys were presented awards, David McLaughley, Brent Railsback and David Ivy.

Three years in the Throckmorton school and the past 6 in the Olney school. She is married to William Bruton and they have one son.

Burt graduated from high school in 1951 and from Hardin-Simmons in 1955. He taught school for six years and was a geologist for three years and is now engaged in the Insurance Business in Abilene. He is married and has one son.

Lou Ella was a 1961 graduate of the Knox City school and as was the custom with the Denton family went right on to Hardin-Simmons where she was a popular student and was graduated this past June. She is now a teacher in the Rosamond, Calif., public schools.

Last but not least is David, who is a junior at Hardin-Simmons and is majoring in Business Administration. He may not follow in the foot steps of his brothers and sisters in the teaching profession, but he will have climaxed the dream of his parents that all their children would have a college education.

Mr. and Mrs. Denton deserve a medal for their efforts to educate their children.

ENTERTAIN GUESTS

Mrs. Mildred Stubbs entertained Saturday night with a Spanish supper for her guests, Mr. and Mrs. Carroll Kennedy of San Luis Obispo, Calif; Mr. and Mrs. E. H. Wilson of Big Spring,

Mr. and Mrs. H. C. Armstrong and Roxana of Fieldton, Miss Billie Reidheimer, Miss Kitty Larson of the University of Houston and Mr. and Mrs. Jack Stubbs and family, and Mr. and Mrs. Verne Stubbs and family of Knox City.

People, Spots In The News

BIG SPLASH is made by Larry Penacho of San Diego, working out on water skis at Cypress Gardens, Fla.

'MISS JAZZ FESTIVAL' at Juan Les Pins, France was Christina Reed, here sittin' pretty.

WHO'S this coming? . . . Oh, just more people . . . So what? Nanook, of Cincinnati zoo, can't get too thrilled about it.

Letter to Editor: --

Dear Hills:

I have finally found a spare moment to drop you a line and place two ads with you.

We anticipate getting the Herald every Saturday morning to find out how old K. C. and fine citizens are doing. You can't help being concerned about a community that you were born and raised in and spent your entire life in before we came to Hobbs (New Mexico).

Although to our surprise we are enjoying our new home very much. I have never been in a city this size for it and its people to be so friendly. When we arrived here and inquired about the churches we found there were 28 Baptist Churches and I believe most of that 28 visited our home insisting that we come to their church. Well, we joined the First Baptist Church which is the largest. In fact it is so large it has outgrown itself. The pastor holds two services on Sunday morning. But they have a new auditorium just about finished that will take care of the complete congregation. But even at this size it is friendly and the pastor is able to call everyone by his first name! He is Billy Barber.

Brother Barber was raised in Weatherford, Texas and finished the Fort Worth Seminary with Rev. Emil V. Becker, the pastor I went to the Philippines, Japan and Hong Kong with last year. He had also pastored at Lubbock, in the same association with Bro. Tony Longval.

I have never seen such a school system. Of course all this oil income makes the school systems very well off financially. The auditorium cost over one million dollars. The biggest percentage of the schools are air conditioned and more modern than most colleges. And I hate to admit it, but they are ahead of Texas schools scholastically speaking. In fact you get everything in grammar school in the class room. The pupils cannot take their books home and get mom and pops help, he must get it himself.

Another thing is the City of Hobbs due to its being quite an industrial town, due to oil, has an extremely high rate of college graduates in its adult population.

The people are very common and dress very conservatively. You may be talking to a million-

HOME FROM COLLEGE

Home from college over the we send were Jinx Keeder, Martha Kay Waldurip, Dennis Anderson, Bobby Robinson and Don Reeves.

IN LUBBOCK

Mr. and Mrs. Melvin Lowrey and Jan visited Mr. and Mrs. Sam Floyd in Lubbock over the week end.

HERE FROM TULIA

Mr. and Mrs. Weldon Mansfield and children of Tulia visited in the home of Mr. and Mrs. M. H. Mansfield last week.

VISITS PARENTS

Max Bradley of Philadelphia, Pa., is visiting his parents, Mr. and Mrs. Guy Bradley.

aire rancher and he'll have one pocket off his Levis' and a toe out of his boot and yet may be richer than you ca imagine. People are very friendly and their wealth sure doesn't show.

When I first arrived in Hobbs I sold an elderly attorney a new Cadillac convertible. He came in in about 60 days and I've never seen such a used up automobile in my life to be so new. I asked what in the world he had been doing with that car.

He replied, "I bought that car to let the top down so me and my buddies could hunt rabbits at night on my ranch."

I asked if he couldn't find something less expensive to hunt in and he replied, "I only live once, and I spent a lot of my youth in a half dug out here before there was a town, and brother I'm going to live it up, so these kids of mine won't be fussing over it when I'm dead and gone."

So I told him power to it—I've got another Cadillac when that one's used up—

We moved here in February and there has been over 200 homes built on to the north of us since that time. I just hope it doesn't grow too big.

Our oil economy is amazing. They have been drilling in Lea County since the 20's and our average rig count per week is still around 55.

There is quite a bit of land going into cultivation each year, and of course the irrigation water is the same as on the high plains.

If you are ever in or close to Hobbs, drop by to see us.

Sincerely,
Vaughn Gruben.

Streams In Desert Places

Ozelle Stephens

"And ye shall seek me and find me, when ye shall search for me with all your heart." (Jeremiah 29:13).

When you enter your place of prayer open your heart and mind unto the Lord so He might enter and reign in your soul; let Christ live in you. It is through Christ that you really know God's perfect way for you. He will reveal to you wisdom and strength, and a solution to all your trials and needs. He will forgive all your doubts and despairs, take away your fears and depressions and grant you child-like faith that you will feel and know His faithfulness at all times. His holy presence will be like Streams of refreshing joy.

KAY'S KOLUMN

By KAY REEVES

I always write my column on Monday night and then turn it into the Herald office on Tuesday morning. This Monday night I went to sextet practice before writing my column. It brought to mind that this is the last year of our singing together.

The Harmonettes consist of six senior girls, Paula Myers, Glenda Cox, Linda Reed, Belle Burnett, Jan Sutton and me. We are accompanied by Mrs. Kenneth Myers. We have been singing together for four years.

Many times we forget to thank the person who is responsible for our opportunity to sing, and that is Pauline So for six grateful girls I say "Thank You, Pauline."

Knox City was well represented in the West Texas Fair last week. I wish I had a list of the

names and awards received by our F. F. A. boys competing at the fair, but then I'm sure you've heard of their accomplishments. Then, of course, Belle Burnett participated in the Sweetheart contest. I think all these boys and girl deserve a pat on the back.

Last week our band was un-journeyed to Aspermont. We were unable to live up to the previous record of no losses. That loss was the first and the last for the season! Next week we play Rochester and we are really going to WAX them!

Last week our band was unable to march for the lack of five yard markers. So this week we are really looking forward to a great half-time show. I don't see how they could be any greater than they already are.

Knox City High is blessed with a fine band but I must put in a gold star for our pep club. They are a very valuable group. I think they look real smart in their new uniforms!!

ATTENDS NURSES MEETING

Mrs. Alton Fitzgerald attended a symposium on Nursing care of the cardiovascular surgical patient sponsored by District 15 of the Texas Nurses Association at the auditorium of Hendrick Hospital Saturday.

ENTERTAINS CHOIR

Mrs. Melvin Lowrey and Mrs. Buddy Angle entertained the Chancellette Choir of the Methodist Church Wednesday, Sept. 16 at the Lowrey home. Attending were Guinn Angle, Karen Clonts, Jacqueline Crownover, Anne Hoge, Jill Thompson, Pam Pack, Gala Watkins, Donna Railsback, and LuAnn McGaughey.

Tomorrow is the day for Senior pictures so all the Seniors are really getting prettied-up. Of course, for such a good-looking group, that isn't hard? Ha! That is about it for this week. I hope to see everyone at Rochester this Friday.

BEAT ROCHESTER!

Methodist Conference Here Sept. 27

Dr. Hubert Bratcher, superintendent of the Stamford District of the Methodist Church will hold the first quarterly conference at the Knox City Church Sunday evening Sept. 27, at 7 o'clock.

He will also bring the evening message. After services there will be a social hour in order that the membership may meet Dr. Bratcher.

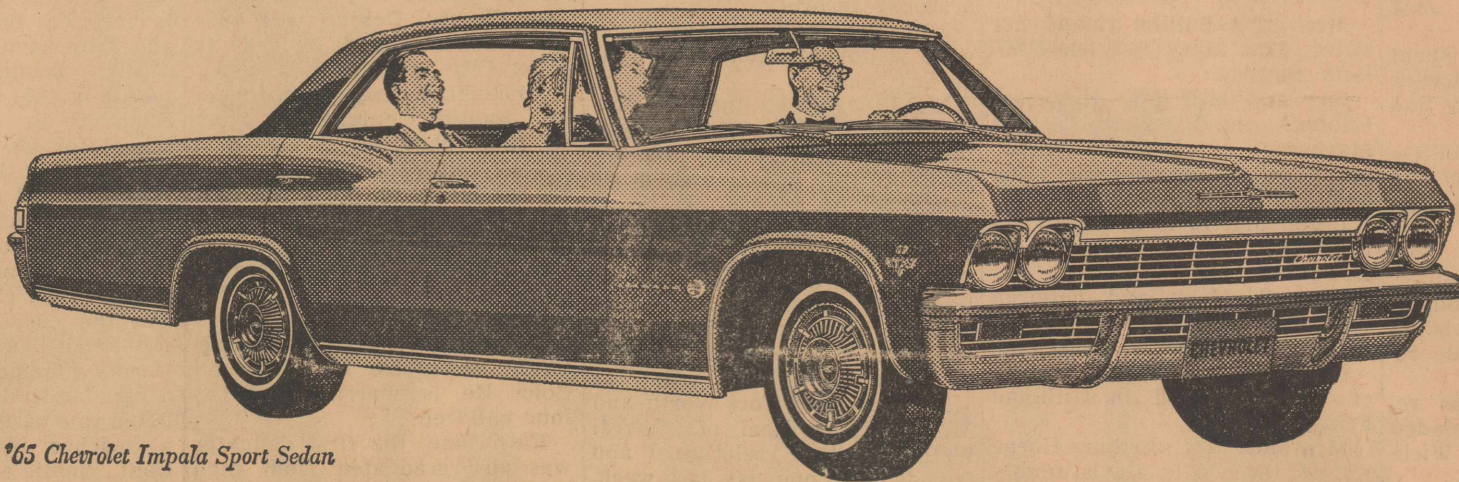

CENTER OPEN FRIDAY

The Youth Center will be open on Friday night after the football game with Rochester.

ANNOUNCE BIRTH

Mr. and Mrs. James Albus announce the birth of a daughter in the Knox Co. Hospital. She has been named Charlotte Marie and her grandparents are Mr. and Mrs. Clarence Herring, and Mr. and Mrs. Pete Albus, all of Rhineland.

now! the beautiful shapes for '65

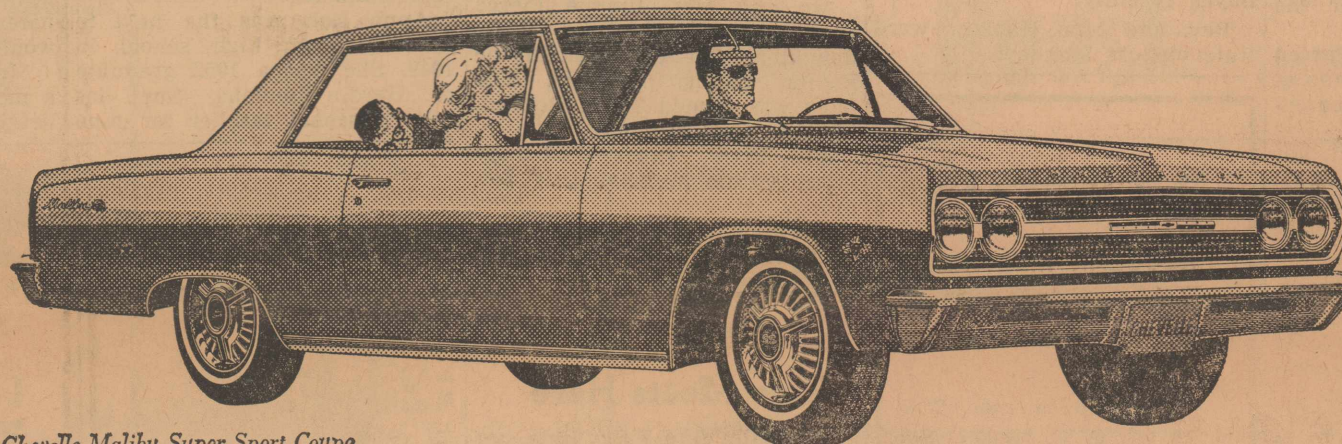

'65 Chevrolet Impala Sport Sedan

Chevrolet Impala '65

It's longer, lower, wider—with comforts that'll have many an expensive car wondering why it didn't think of them first. More shoulder room, more leg room up front. Curved side windows, an

instrument panel that's a conversation piece. In fact, just about everything's new right down to the road. And even that'll seem newer because the Jet-smooth ride is smoother than ever.

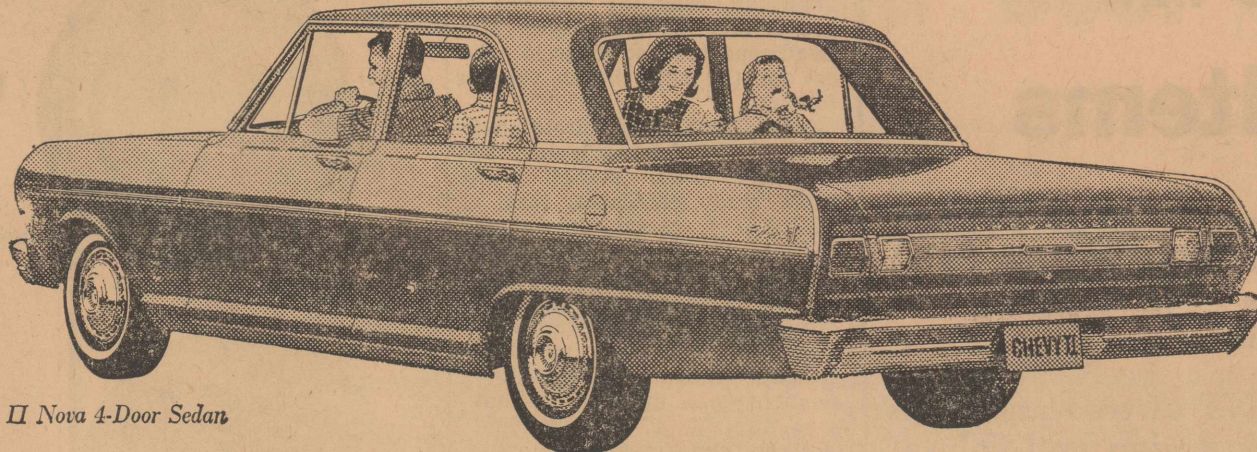

'65 Chevelle Malibu Super Sport Coupe

Chevelle Malibu '65

Here's all that made Chevelle America's most popular new-sized car—plus some new surprises. Like those cleaner, bolder lines. Like the silky way its new ride skims over the choppiest roads. Like

V8 power that'll make you think we stole some of Corvette's stuff—which we did. All told, five engines are available from a quieter six to a V8 that comes on 300 horses strong.

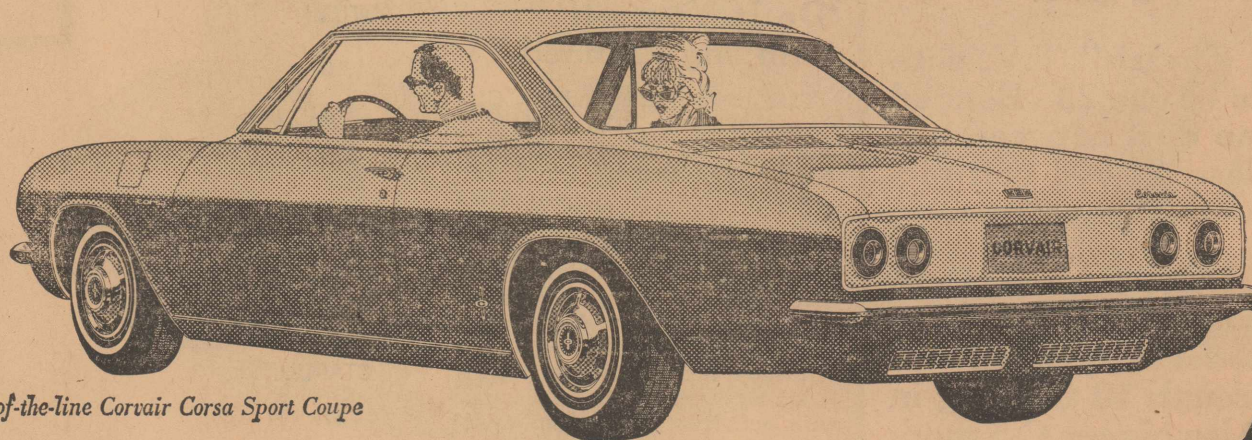

'65 Chevy II Nova 4-Door Sedan

Chevy II Nova '65

It may be the expensive-est looking thrift car you've laid eyes on. But thrifty it is. The big difference being that Chevy II's marvelous mechanical efficiency now wears a debonair new look. And

offers a new range of engines, including a new 300-hp V8. You could get the idea that saving you money was the last thing we had in mind—if it weren't for that price sticker on the window.

New top-of-the-line Corvair Corsa Sport Coupe

Corvair Corsa '65

How's this for sport with an international flair! The longer, wider design gives all closed models a hardtop roof, along with more shoulder and entrance room. And to go with the racier look,

there's up to 180 hp available in the new Corsa series, up to 140 hp in the Monza and 500 series. Also a flatter riding independent suspension, more responsive steering and a wider road stance.

See 5 beautiful shapes for '65—Chevrolet, Chevelle, Chevy II, Corvair & Corvette—at your dealer's

STATE CAPITAL
Highlights
AND Sidelights
by Vern Sanford
 TEXAS PRESS ASSOCIATION

Speaking before more than 300 district and county attorneys—sheriffs and judges at a Law Enforcement Conference here, Atty. Gen. Waggoner Carr proposed the following 8-point program:

1. Expand training and education of law enforcement officials;
2. Provide more officers and pay them better;
3. Teach personal knowledge of confinement to juvenile offenders;
4. Teach and gain increased parental responsibility;
5. Make parents financially responsible for damage done by juveniles;
6. Place responsibility on juveniles themselves through such programs as the Texas Youth Conference;
7. Continue and improve the annual Attorney General's Law Enforcement Conference; and
8. Step up local community "crime drives."

SHELL GAME — State Sen. William Patman of Ganado and Rep. Paul Haring of Goliad have entered strong protests with the State Parks and Wildlife Commission, on behalf of their constituency, opposing an application by Heldenfels Brothers of Corpus Christi to dredge for oyster shell in Copano Bay.

According to Haring, Heldenfels Brothers wants to use the shell to build a road by Copano Bay. But the State Highway Department would readily accept the use of lime instead.

Protestors insist that dredging in the bay would kill off live oyster reefs and destroy fishing, sporting and tourist attractions in the area.

A-G OPINIONS — Attorney General Carr has ruled that Rep. H. G. Wells of Tullia, who represents Briscoe, Hale, Swisher and Floyd counties, should get legislative pay through this term even though he now is attorney for the High Plains Underground Water Conservation District No. 1. Wells is not running for re-election.

Carr also held that professional roller derby contests are not taxable under the Admissions Tax Law of Texas; and that "concrete containers" to be used as burial vaults, in garden type cemeteries to keep graves from settling, are funeral merchandise under state law and are exempt as crypts or mausoleums.

PALMETTO DAM PROJECT —Edna and Ganado area people packed a Water Commission hearing room when Bureau of Reclamation representatives and the Jackson County Flood Control District took up consideration of the proposed Palmetto Bend Dam Project.

Most of those attending the hearing favored construction of the 15-mile dam which would cost \$48,150,000 to build. However, Commission Chairman Joe Carter said no written protests had been received.

Harry Burleigh, area planning engineer of the Bureau of Reclamation, outlined the two-part project. It will begin with construction of a dam across Navidad River to form a reservoir with a capacity of 192,000 acre feet and a conservative level of 44 feet.

Part two of the plan would extend the dam across nearby Post Oak Branch and Lavaca River.

Burleigh said that the first phase, if authorized by the Commission, plus the Federal House and Senate and the people of Jackson County, would satisfy Jackson County's water needs for about 19 years.

Approval of both phases at one time would result in savings, Burleigh stated. But Commissioner Otho Dent was reluctant to consider part two immediately.

"If phase one is an entity unto itself and you don't intend to do anything with phase two for 15-20 years, I'm not in favor of the state surrendering its rights to control of water in the second watershed at this time," Dent said.

Commission, which will write the state's comments on the project, took the matter under advisement after six hours of discussion.

HEARINGS CONCLUDED — A legislative study committee completed its hearings on congressional redistricting and settled down to figuring how to draw 23 districts of equal population.

At the final meeting in Austin Rep. John Traeger of Seguin suggested a redistricting plan which would create a new 16-county district in the Guadalupe River Basin. His proposal would combine the East Texas districts of Congressmen John Dowdy of Athens, Wright Patman of Texas and Lindley Beckworth of Gladewater.

Unless the study committee of the Texas Legislative Council comes up with something better, Traeger served notice he intends to submit his plan to the next Legislature.

Sen. George Moffett of Chilloche, committee chairman, indicated repeatedly that the panel is aiming for a plan in which no district varies more than five per cent in population from the mathematical average of 416,508.

OIL PRODUCTION HELD — Texas Railroad Commission held Texas oil production to 27.9 per cent of potential.

New order will peg October production at 2,866,252 barrels a day, compared with an October, 1963, figure of 2,878,206 under a 28 per cent order.

MENTAL RETARDATION PLAN — Texas' biggest effort to initiate a plan reaching into many communities for combating mental retardation is under way.

Planning work was authorized by a special committee appointed by Governor Connally.

Goal of the committee is to measure the size of the problem, pinpoint available services and accurately forecast needs to treat and prevent retardation. A

long-range study is planned under federal grants.

Mental retardation afflicts 300,000 Texans. Over 8,000 mentally retarded children are born each year, the committee was told.

LUBBOCK CHOSEN — After inspections covering 12,000 miles and 17 cities, the State Board for Hospitals and Special Schools picked Lubbock as the site for a new school for the mentally retarded. Estimated cost is \$2,500,000.

School will serve an 84-county West Texas area.

Plainview, Odessa, El Paso, Levelland, Midland, Fort Stockton and Amarillo also were considered seriously as sites. Thirty-nine cities originally expressed interest in having the facility.

DISASTER PLAN STUDIED — A new "hospital zone support concept" which would link all Texas hospitals in the event of a major disaster was unveiled here.

Texas Medical Association and the State Advisory Committee on Health and Medical Aspects of Civil Defense have set up a statewide conference of disaster medical care directors. They will detail medical and health disaster plans.

SHORT SNORTS — State Department of Public Safety veteran George W. Busby — who has served in Dallas, Sherman, San Antonio, Uvalde and Austin stations during his 28 years' service—is due a Distinguished Service Award from the American Association of Motor Vehicle Administrators. . . . Securities Commissioner William M. King reports permits for the sale of \$49,500,000 in stocks were issued to 42 firms during August — second largest dollar volume in the agency's history — bringing th year's total to \$337,000,000. . . . Republican State Headquarters advises that Democrats Hardy Hollers of Austin and William Robert Smith of San Antonio will head a state-

Encephalitis Not As Bad As Name Might Sound

It's the unknown that frightens . . . particularly if it is a disease with a long name like encephalitis.

In recent weeks the ominous sounding word — encephalitis—resounded across Texas. The

wide Texans for Goldwater-Miller group . . . Hearing on application of Portland Savings and Loan Association for a charter is set for November 25 by Savings and Loan Commissioner James O. Gerst. . . . State Banking Board set hearings on charter applications of Brook Hollow State Bank, Dallas, Fritch State Bank at Fritch and Harris County State Bank, Houston, and on September 23, will hear applications of Colonial State Bank, Wake Village and Downtown State Bank, Houston.

reason: an encephalitis epidemic in the South Plains and Houston areas.

The epidemic is definitely on the decline, health officials reported, but many continue to be concerned.

One woman in a central Texas town, miles from the epidemic areas, refused to let her children go swimming, afraid that they might "catch" encephalitis.

Others, however, sought information about this little known disease. And they discovered that this terrible sounding name is a Greek derivative meaning "an inflammation of the brain."

Encephalitis — a virus disease—is not communicated from man to man, so far as scientists now know. The mosquito carries the virus from infected birds or small reptiles.

Not all persons bitten by mosquitoes become sick. Only a small percentage show signs of illness. Sometimes this may be so slight as to be passed off as a mild case of flu. Severe infections may be accompanied by high fever, stupor, mental confusion, coma, tremors and sometimes convulsions in infants.

Some exhibit only a few sym-

ptoms. There is no vaccine to prevent the disease in man, and there is no magic cure once a person contracts it.

The answer lies in prevention—mosquito control. Mosquitoes breed, multiplying by the thousands, in puddles of standing water, small potholes, grassy edges of ponds and irrigation seepage areas.

Eliminate these breeding places, destroy adult mosquitoes with recommended insecticides, check all screens on your home for holes or cracks and if you are outdoors during the evening—mosquito feeding time—wear protective clothing and insect repellent.

Rather than shrinking in front of the disease with the strange name, join your efforts with those who are fighting encephalitis's vector—the mosquito.

PATTERNS FOR PROGRESS

The Industrial Foundation - Tool for Community Development

In little more than ten years Industrial Foundations have been established in 182 Texas communities. These are communities — both large and very small — which have recognized the vital need for a community financing group in securing new industry.

Called by various names, the Industrial Foundation is a community-wide organization with the prime objective of creating payrolls. Its functions vary from community to community, but basically its purpose is to provide development funds for the land, brick and mortar required for new industry.

It is one of the best ways to show favorable community attitude towards new industry or to help finance the expansion of an existing local industry. By having community money invested in an industry the community becomes more interested in seeing that the industry profits and grows.

The Community Industrial Development Foundation is another PATTERN FOR PROGRESS.

WTU's area development representatives have information about the creation of industrial foundations. These facts are available to growth-conscious communities on request through your WTU local manager.

Blood Pressure Is Body's Barometer

The ups and downs of your blood pressure helps to forecast the state of your health, somewhat like the readings of a barometer helps to forecast the weather.

If the arterial blood pressure becomes too low to circulate the blood properly, certain vital or-

gans, particularly the brain, fail to function. Dizziness on standing, fainting, or cold skin may be due to blood pressure that is too low for your body's needs.

High blood pressure, properly called arterial hypertension, is an abnormal state of the circulation that may be a cause as well as a result of arterial disease.

Hypertension appears to be a complex of influences from our inheritance, emotional life, diet, stress, exercise and the body's response to the vicissitudes of life. A disease of this nature hardly can be expected to respond to a pill or a potion or be cured by a single course of some panacea.

Hypertension requires a lifetime of management. The patient and his doctor, working together, plan a living pattern, supplemented by various medical procedures, that will result in the longest and most useful life the patient can live.

In dealing with hypertension, first there must be a medical history and a complete physical examination. Therapy often includes various medications which your doctor prescribes. Diet and weight control may be an important part of the

treatment. And a planned way of life often is essential, involving hours of sleep and exercise, periods of rest and frequent vacations away from the problems of home and the stress of business.

Blood pressure tends to increase with age. High blood pressure will ultimately produce disabling or fatal complications. To help prevent complications, long-time management must be planned.

It is highly important in combatting hypertension that there be close rapport between the patient and his physician. It is essential that the patient understand his disease, know the need for continued treatment and be willing to tolerate the occasional unpleasant effects of some of the drugs used. The patient must look to the long term good to be obtained.

High blood pressure may con-

1946 Study Club Has Meeting

The 1946 Study Club held its opening dinner Tuesday night at the Womens Club with Mmes. Ted Darland, Jerry Odum, A. J. Keathley and Charles Lankford as hostesses.

A buffet dinner was served as the guests arrived. The table was centered with an arrangement of orchid and white flowers in an orchid container, centered with a cloth. Theme for the club year will be "Take Time." This was carried out in the decorations for the party. Clocks centered the individual

tables and were accented with miniature orchids.

Mrs. Sam E. Clonts introduced Mrs. Clyde Williams who was commentator for the style show, which was presented by Kemletz Department Store.

New fall fashions from sportswear, lingerie and dressy knits were presented. Models were: Mmes. Zane Branham, Russell Boyd, B. F. Carnett and Misses Cyndy Johnston, Carolyn Crowover, Jan Sutton, Linda Reed and Glenda Cox.

Mmes. Roger Williams, A. V. Kemletz and Jobe Denton assisted with the show.

A short business meeting was held following the fashion show. Resigning from the club were Mmes. Robert Ferrier, Neil Perdue and Bob Bryant. Mrs. Jim Rea asked for a three months leave of absence.

Next meeting of the club will be Oct. 6, when club members will tour the homes of Mrs. Angel Waldrip and Mrs. Herman Egenbacher. Hostesses will be Mmes. George Wall, Jimmy Lynn and Vic Lowrey.

IT'S THE LAW in Texas

DRAMA IN THE COURTROOM

We've all seen a great many courtroom dramas in the movies on the stage or on television. Too many, some may say, but there's no denying the drama to be found in the courtroom.

A theatre seat or a comfortable chair in front of the TV screen is the closest many of us ever get to a courtroom. It's from such a vantage point that most of our ideas come today about court procedures and how a trial is carried on.

Stage and screen trials normally present only the highlights and take many shortcuts in the interest of brevity and audience appeal. Often an attorney is pictured making objection after objection to the questions vehemently, pompously, or sarcastically — and often in a voice louder than necessary — according to the demands of his role, and depending upon whether he's on the side of the villain or the hero. The judge then raps for order, and booms out, "sustained," or "overruled," and those of us in the audience usually are at a loss over why he made his decision.

In a real courtroom it's true that attorneys protest against what's being done or said, as a means of assuring a fair trial, and the judge must allow or disallow each objection.

The principals in the real courtroom are just practicing common sense when they follow the follow the "rules of evidence" in placing facts before the judge and jury. It there's to be a fair trial and a just verdict, there must be true facts.

Evidence in the courtroom may take several forms, but two are most common. Answers to questions from a witness under oath are the best-known type of evidence. Exhibits — written records, letters, "the murder weapon," and other physical objects having to do with the case — are the next most common. "Depositions," or written statements, from a witness who for some reason is unable to appear personally in court, are sometimes admitted as evidence in certain cases.

Perhaps you've heard: "A trial is not a contest of learning, skill, or tact between lawyers, but a proceeding to find out the truth according to the evidence received and the law as explained by the judge."

That's about the size of it, and that's the way each of us wants it to be if ever we are placed on trial or taken to court for even so much as a speeding ticket.

(This newsfeature, prepared by the State Bar of Texas, is written to inform — not to advise. No person should ever apply or interpret any law without the aid of an attorney who is fully advised concerning the facts involved, because a slight variance in facts may change the application of the law.)
