

# THE KNOX COUNTY HERALD

VOLUME 60

THE KNOX COUNTY HERALD, KNOX CITY, TEXAS, THURSDAY, JANUARY 21, 1965

TEN CENTS PER COPY

NUMBER 9

As you will note the school trustee election will be Saturday April 3, so guess the city aldermen will have their election on Monday, the 5th. The Chamber of Commerce will have its election Tuesday, March 2, and to those who have served so long and faithfully, we should all say "thanks."

Most of the jobs are not only thankless but more times than not bring down the ire of the citizens.

Most, we believe, do their best, regardless of what we sometimes think.

Attended the Press meeting at Haskell recently with Bob Harrison, and it looks to us as though a college is definitely in the books. Hope so, anyway. Mrs. Luther Burkett got off on the uh, right foot when she commented that it was fortunate there were so many newspapers in the area! Anyway, none of the newspapers can say they don't have competition.

We're for it 100 per cent and think it's fine for several reasons.

A few of them are: first, The government will help build and maintain them and we may as well be first in line; second, One has only to look around and see and read the necessity; third, it would help in the long run the entire area more than any other project; and, we would like to sign up for a course in writing.

Regardless of location, it will help the entire area, naturally, we would like to see it built on the outskirts of Knox City...

**THINK IT OVER** — "The most expensive commodity we have in America is honesty..." these were the words a judge told a group of Mexican Nationals who received their naturalization papers to live in the United States. Frank Hunt was a witness and interpreter for the gathering some years ago, and he said he had never forgotten them.

Weigh them any way you please and they are true. Frank said it doesn't cost anything to be dishonest or a rat, but it is extremely hard and expensive to be honest.

We will file those words away with some more a friend told his son at an early age.

Here they are: "A bargain is not a bargain unless you purchase something you can use," Roy Arledge, our State Representative told his son Jack, when he was very young.

Wish our dad had confided this important lesson to us.

Frank Henderson, the brick expert, will be here Thursday night and will talk to a group — anyone who is interested — at the City Cafe at 7:30 p.m. Friday, Jan. 22.

Plan now to attend.

Bill Sams suggests we start a shirt factory — material can be bought in Post and there are enough women here to make an awful lot of shirts... Bill sees a way to hire at least 40 to 50 women.

This is another good idea, and it would work too, if enough people want it to.

Every expert we've talked to on civic improvement and economic industrial growth suggests that a town development resources and industry it now has before scouting new territory.

We don't have a solution or answer, but we do feel certain we can do anything we want to do, if we want it badly enough.

We are also convinced that instead of "how much will it help me," we need to stand together to see how much it will help our town, then the "help me" will get there sooner than you think.

Anyway, let's try to see what we can do collectively, we are well aware now what can be accomplished as an individual.

Pvt. Jimmy Joe Reid left Knox City last Sunday for a few days visit with his sis and family, Mr. and Mrs. B. T. Evans in Midland... He departs at 10 a.m. today for Oakland, Calif. where he will embark for Okinawa for a 15 month tour for Uncle Sam.

## Dr. Anthony Hunt Speaks In Rochester About Junior College For This Area

Dr. Anthony Hunt, president of Howard County Junior College in Big Spring spoke to a group of interested area citizens in Rochester Thursday night on possibility and necessity of a higher education for high school graduates.

Dr. Hunt said it has been estimated that at least 40 per cent of the graduates won't be able to further their education this year due to lack of space in the present colleges and a money shortage at home.

In regard to how much a college costs Dr. Hunt said "the highest price commodity is ignorance."

He concluded that democracy depends upon an educated and enlightened citizenship.

Benefits of a Junior College he said for one was that it was the only school in the U. S. that originated in America, the rest were borrowed from Europe.

A junior college will also take care of students who plan to transfer to college; they can get two years of college at or near home; a junior college also has an adult program, courses available that can't be obtained elsewhere; students can also take no-credit courses as on the job training in skilled occupations.

Dr. Hunt said 44 per cent of the students are drop outs, 56 per cent graduate; of this amount 27 percent go to college and one-third of this amount will never get a degree.

Considering the number of dropouts and high juvenile arrests and convictions, more money is spent on these "duds" than any college would cost, he told the group.

As an example he said he had one student who was not qualified to do anything; he took a night course in auto mechanics for one year and is now steadily employed at over \$6,000 a year... "People like

## K C Welcomes Three Families

Knox City welcomed three new families this month.

Mr. and Mrs. Arnold Davis and children have recently moved into the Rea home on East 8th Street. Mr. Davis will head the new SCS seed testing plant to be established here.

They are from Maryland. Mr. and Mrs. O. O. Autrey have moved to the Vaughn Gruben home. They are from Trent, Texas. He will operate the new recreation hall next door to the gas office.

Mr. and Mrs. Bill Fletcher and two children will move to Knox City about the 30th of January. They are from Wichita Falls and will live in the house belonging to Mrs. T. S. Edwards east of the Clinic.

Mr. Fletcher is with the Lone Star Gas Company and is a service representative.

## Girl Scout Fund Drive Set Jan. 21

A Girl Scout Fund Drive will be conducted in Knox City on Thursday, Jan. 21 through Saturday, Jan. 23, Mrs. A. J. Keathley, chairman of the drive, announced today.

She said contributions may be sent to Box 252, in Knox City, and personal calls will be made in Knox City during the three day drive.

There are approximately 50 girls in the three Knox City troops, she said, and that any and all contributions will be appreciated.

### ATTENDS FUNERAL

Mr. and Mrs. A. E. Propps were in Seymour Tuesday to attend funeral services for his brother, Jack Propps, who died in a Wichita Falls hospital Monday.

### VISITING IN PROPPS HOME

Mr. and Mrs. E. B. Britton of Stamford were visitors in the Buck Propps home last Monday evening.

this are producers and not wards of society," he said.

Howard County Jr. College also has a cooking for restaurateurs course and Dr. Hunt said he could place 400 cooks in good jobs tomorrow—"there are just not enough trained people," he continued, "we could place 450 men a month in the electronics field alone."

Another advantage of a Junior College, he said was that there was no research done—that they believed in teaching.

There was always time and enough teachers to give a student all the personal supervision he would require.

Dr. Hunt said a number of people always tried to make a junior college and senior college competitive with each other. He said this was wrong that there was a place and a need for both.

Dr. Hunt said the war babies were beginning to start to college and that there were 4,118,000 young people in the U. S. in 1964; there will be seven and one-half million of these in 1970 and by 1975 it will increase to eight and one-half million.

As for Texas in 1963 there were 23,000 college students, in 1964 there were 23,000 predicted, but there was actually 31,000; in 1965 it is predicted, conservatively, that there will be 34,000 students and by 1970 Texas will have 46,000 students, or double the 1963 enrollment.

Dr. Hunt said Dallas lost an electronics plant last year that would have boosted its economy 180 million a year due to the fact that there were not enough skilled people in Texas. Dallas is now planning not one but three junior colleges to keep this from happening again.

For a large number of college students keeping them home a couple of years is important, he said, and gave a number of examples to put his point across. A junior college would bring a lot of culture into the area as well as increase population and help the economy.

Dr. Hunt said it was a proven fact that higher education pays a 20 to one dividend—"We should ask not how much does it cost but how much it will cost not to have it."

The U. S. Chamber of Commerce recently completed a world-wide survey of literacy and economics and found that Switzerland, one of the poorest countries in natural resources, but the highest literate nation, was also the best financially. Switzerland has been known for many many years for its high educational standards.

Dr. Hunt said Mexico is now "going all out" for a higher education for its citizens.

In conclusion Dr. Hunt said the only way to safeguard our free enterprise was to make it possible for the people to make a decent living, "this is the only way to accomplish a free enterprise," he said.

Some students will not be able to get a college degree, but those that can't can go to college to study in a vocational program so he can earn a living, he pointed out.

## Former Residents To Go To Japan As Missionaries

Rev. and Mrs. Beryle C. Lovelace, minister of music and education at the First Baptist Church in Littlefield, will go to Japan soon for a five year term of service. They were employed as missionary associates of the board of the Southern Baptist Foreign Mission, according to a board announcement from Richmond, Va.

Rev. Lovelace is the son of Mr. and Mrs. W. E. Lovelace, of Knox City. The couple left Monday for 10 days orientation at Richmond, Va., and will be back in Lubbock January 28 and will leave for Japan in May.

Rev. Lovelace will direct music at Kanto Plains Baptist Church, an English language church located just outside a U. S. air base near Tokyo.

## NO ROOM FOR MEDIOCRITY—1

# Education Faces New Challenges

(Editor's Note: This is the first of a series of articles by Harley Pershing for the Fort Worth Star-Telegram —The Herald will run the 13 articles to better acquaint Herald readers on the importance and necessity of more and better schools.)

By HARLEY PERSHING  
A new era, a new age, a new future is opening for the youth of Texas.

It is a period of life with bold new ideas, new concepts of living, challenging problems that mankind didn't know existed 30 years ago.

The atom, the rocket, the space capsule, the Scott Carpenters, the Gordon Coopers set the stage for this new venture, an exciting but uncharted course through history.

Where it will lead and when it will end depends on how far man wishes to go and push himself to get there.

And whether Texas and her sister Southern states want to join this intellectual foot race depends, to a great extent, on what happens in her classrooms during the next few months.

Texas, her government and her people, can continue down the present meandering path of indifference or strive for the opportunities that lie ahead, opportunities that stir the imagination.

To reach the challenging goals Texas must provide her youngsters and adults too, a quality of higher education more finely honed than thought possible a few years ago, top educators

## Methodists To Have Special Spanish Speaking Classes

Beginning Jan. 31, at 7:30 p.m. a study on Spanish-Speaking Americans will be held in the Methodist Church. There will be a film lasting 30 minutes and the Rev. Joe Martinez of O'Brien, will make a talk.

The study will continue on the following Monday, Tuesday and Wednesday nights under the direction of Rev. Jarrell Sharp.

## Jack Propps Rites Held In Gilliland

Funeral services for Jack Propps, 79, who died in a Wichita Falls hospital Monday, were held at the First Baptist Church in Seymour Tuesday, with Rev. Robert Devin pastor of the First Christian Church in Graham and Rev. E. D. Anderson pastor of the Seymour First Christian Church, officiating.

Burial was in Gilliland Cemetery.

Mr. Propps was born Aug. 4, 1885, in Baylor County. He married Eron Morrison May 22, 1907. Survivors include the widow; a son, Son of Vernon, two daughters, Mrs. Maurine McDonald of Seymour and Mrs. Corinne New of Gilliland; a brother, Buck of Knox City, seven grandchildren and seven great-grandchildren.

## March Of Dimes In Progress; Donations Needed To Help Curb Birth Defects

Mrs. Louise Graham, chairman of the Knox County March of Dimes urged every citizen of the county to "please give all you can to the March of Dimes," in an appeal this week.

Knox County's quota is \$1,500 and money sent to other areas will not be attributed to Knox County's quota, Mrs. Graham said.

Youth Center will be open after the game Friday and students will be charged 50 cents for admission. The entire proceeds will go to the M.O.D., the Herald was told.

Gene Hamilton, owner of City Cafe, will donate all coffee sales Thursday to the March of Dimes and anyone desiring to give extra donations for their coffee may do so.

say. This challenge, this mandatory responsibility of the future, is the catalyst that prompted Gov. John Connally to demand acceptance of his plan for producing excellence in education beyond the high school.

This plan, now being developed by his committee of 25 to study the needs of higher education, is hoped to show the way Texas can educate her youth 'or life in the future.

One of the major subjects of this committee, which now has started its 15-month study, is the role of the junior college in Texas, and its place in the academic future.

It will decide whether the

junior colleges now supported by tax money are meeting the needs of the communities they serve and if not what can be done to aim them in that direction.

Many other questions will have to be answered by the committee, answers which, if accepted by Texas and her people, will cost money to put into operation. Some of them are:

1. Does Texas have a sufficient number of junior colleges?
2. What can be done to make certain that junior colleges receive as such and not seek elevation to senior college status?
3. How can state financial aid be revised to enrich the program of instruction taught at junior

colleges?

4. What makes a junior college and how can such a institution be established?

5. Why can't a junior college have excellence in instruction and remain as such?

6. Is there a need for the junior college?

7. What programs of instruction should be available and what should be discarded at the junior college level?

8. What role must the community assume in striving for excellence in education in the junior college.

These are but a few of the questions. Many of the answers are readily available and close at hand for committee members.

They can be found in the book-filled office of Dr. C. C. Colvert at the University of Texas College of Education.

The balding, sharp-eyed, quick talking Dr. Colvert is an expert in the field of junior colleges. He is the professor in charge of the program for teaching junior college instructors.

He is something else, too. He is a champion of the junior college, its place in the community its importance to business, industry and commerce and its all-important role in the unending challenge of enlightening the individual.

Dr. Colvert, like other leading educators and planners, does not consider the cause of excellence of education in the South lost, even though there has been a lag in preparation for achievement.

Some of his ideas and those of other educators will be discussed during subsequent parts of this series of articles.

While the series does not seek to eclipse the work of the governor's committee nor to pre-empt the efforts, it will seek to show some of the problems and present some of the answers.

It will also strive to show that the hour is growing late for higher education, that of the junior or community college level, and that much has to be done if Texas is to cross the threshold into the vast future.

(Next: What Is a Junior College?)

## Knox County Bloodmobile Will Be Here Today; Donors Are Urgently Needed

There is an urgent need for blood for the sick and injured. An appeal is being made by leaders here to recruit donors so that people of Knox County can obtain a supply when the need arises.

There is no charge for blood supplied by the Knox County blood program, it was pointed out this week. However, in all instances all hospitals have a charge for processing, matching and administering blood. Blood administration in a hospital is extremely technical and only experienced and qualified personnel can test blood and give transfusions.

Quota is based on one-half pint of blood for every three and one-half per cent of the population. Knox County's quota is 265 pints and so far it collected only 164 pints last year.

The Red Cross Bloodmobile will be here today at 12 Noon until 6 p.m. at the First Methodist Church Fellowship Hall.

During 1964 some 237 pints of blood have been provided for residents of Knox County. This includes blood maintained at the County hospital and blood transferred for residents who require blood away from home.

During 1964 Knox County residents contributed 40 pints; and Rhineland, 32 Monday; 92, totaling 164 pints compared to 237 supplied.

## POLL TAX TIME ALMOST GONE!

Tax Assessor-Collector J. A. Smith said Wednesday poll tax receipts were coming in slowly.

Now is the time to pay taxes Smith advised in order to save delinquent fines.

January 30 will be the last day in which to pay poll tax payments, too, he said.

## Samantha Graham Is Participate In Debate Tournament

Samantha Graham, student at North Texas State University, and daughter of Mr. and Mrs. Jeff Graham, was a participant in the "Golden Spread" debate tournament held in Amarillo Jan. 7, 8, and 9.

She and her colleague from N. T. S. U., won the Junior Womens Division of the debate tournament.

Samantha is the only freshman debater on the team.

There were 38 teams from Wyoming to Florida entered in the tournament. Samantha has also won third place in the Senior Womens Oration at the tournament.

## Brick Meeting Will Be Held Friday, 7:30

Frank Henderson, Tyler, a specialist in the field of brick manufacturing, will be in Knox City tonight, and a public meeting has been set aside for Friday night at 7:30 p.m. at the City Cafe.

Mr. Henderson has been retained by the Chamber of Commerce to analyze soil and "look the situation over" in this area to ascertain the feasibility of establishing a brick manufacturing plant in this area.

All interested persons are urged to attend the meeting.

## Area Junior College Survey

I (am) am (not) interested in a Junior College for this four-county area consisting of Haskell - Knox - Throckmorton and Stonewall.

NAME \_\_\_\_\_  
ADDRESS \_\_\_\_\_  
PHONE \_\_\_\_\_ (Male) (Female) AGE \_\_\_\_\_

I am interested in the following subjects: \_\_\_\_\_

I (am) (am not) a High School graduate.

I (am) (am not) interested in attending adult education classes.

I (am) (am not) interested in attending night classes.

I will graduate \_\_\_\_\_ and (would) (would not) be interested in attending a Junior College in this area.

Fill out and return to the Knox County Herald

RED CROSS BLOOD PROGRAM

### Lions Have A Regular Meeting

Knox City Lions held their regular weekly meeting at the City Cafe Wednesday and in absence of a regular program the time was spent on business.

Lion President Jim Ross reminded the club members that the Bloodmobile would be at the Methodist Church today from 12 Noon until 6 p.m. and that Knox County was considerably overdrawn (101 pints) during the past year.

The March of Dimes is now in progress, he said and the county's quota is \$1,500. Chairmen could not be obtained in Benjamin, Munday and Goree, it was announced.

The 1946 Study challenged the Lions Club and other civic organizations to donate \$5 or more to the MOD.

Knox City Lions donated \$25. Ross told the group that although polio was almost whipped the March of Dimes is now being used to mostly combat birth defects.

County Agent Joe Doby wrote the club a letter thanking the members for their contribution to the recent Junior Livestock Show.

A motion was made, seconded and voted unanimously by the club to endorse the proposed Junior College for the four-county area.

Bob Harrison explained to the businessmen of the club that a retail credit program was held last week in Haskell and he had attended the four meetings. He told the group it was most informative and was well worth the four dollars per person. The University of Texas Extension Department is the author of the program and will put the study course on for \$4 per person if 12 or more will attend classes.

Seventeen promised to attend at the Lions club.

### Knox City Defeats Archer City 58-56

The Knox City High School Basketball teams played Archer City here last Friday night and the boys team won 58-53 with Ray Penman high point with 19, and the girls won 37-35 with Wilma Fahring high point with 17.

Tuesday night Knox City played their first district game with Munday, there and the boys won 69-43 with Johnny Montandon making 19 points, Brack Shaver 18, and Ray Penman 14.

The girls lost, 39-34 with Wilma Fahring making 14 points and Twyla Standlee 14.

Both teams will play Paducah here this Friday. The girls will play at 7 p.m.

On Tuesday, Jan. 26, both teams will play Crowell, there.

Tuesday, Feb. 2, Paducah, at Paducah, and Friday, Feb. 5, they will play Crowell here.

### Sen. Hightower Appointed To Ten Committees

Senator Jack Hightower, who was sworn in Tuesday as the new Senator for the 23rd Senatorial District, received appointment to ten of the Senate's 23 Standing Committees. The appointments were announced Wednesday by Lt. Governor Preston Smith.

Senator Hightower was named as chairman of the Labor and Management Relations Committee, a signal honor for a freshman Senator. The other committees to which he was appointed are: Agriculture and Livestock, Contingent Expense, Counties Cities Towns, Insurance, Legislative Congressional and Judicial Districts, Military and Veterans Affairs, Oil and Gas, State Affairs, and Water and Conservation.

Senator Hightower said "I am delighted that Lt. Governor Smith has given me these opportunities to serve on committees which will be considering legislation vitally important to our district."

### School Census Now In Progress

Knox City schools are now in the process of taking the annual school census. Mrs. E. F. Branton, elementary school principal, and H. D. Bankston, high school principal, are the census trustees.

Census blanks have been passed to all school children, and Supt. E. A. Youngblood requests the cooperation of the parents in filling out the forms and returning them to school.

Anyone who has a child, who was born after Sept. 1, 1947, and before Sept. 1, 1959, must fill out one of these forms.

Those who failed to get a census blank are asked to contact Mrs. Branton or Mr. Bankston before Jan. 31.

### E. V. Dennington Services Held In Cisco Tuesday

Funeral services for E. V. Dennington, 89, of Cisco, who died Sunday night in the Graham hospital were held at 2 p.m. Tuesday in Cisco with Rev. Lewis of Eastland officiating.

Burial was in Romney Cemetery at Cisco.

Mr. Dennington was born April 5, 1875 in Gorman.

Survivors are two sons, Ross of Cisco, Joe of Alamogordo, N. M., and four grandchildren.

He was an uncle of Mrs. A. W. Swearingen and H. C. Dennington and Jess Dennington of O'Brien.

### Funeral Services For Mrs. Irene Prather Held In California

Funeral services for Mrs. Irene Prather, a former Knox City resident, were held in Delano, Calif., Monday.

Mrs. Prather was the former Irene Holland and a niece of Mr. S. L. White.

She is survived by a son, Robert and a daughter, Mrs. John McKillough of Delano.

### Mrs. Phillips Is Shower Honoree

A miscellaneous shower honoring Mrs. Norman Phillips was given in the fellowship hall of the O'Brien Baptist Church last Saturday afternoon.

Patricia Hendrix and Mrs. Fred Carver registered the guests and LaDocia and Frances Hendrix served. The table was laid with a white net cloth over blue satin and centered with an arrangement of white flowers.

Mrs. Phillips is the former L. Near Hendrix, daughter of Mr. and Mrs. B. B. Hendrix.

She was married to Norman Phillips on Nov. 25, in Wichita Falls.

Mr. Phillips is the son of Mr. and Mrs. Norman Phillips Sr., of Bayonne, New Jersey.

### School Trustee Election April 3

A school trustee election has been called for April 3, 1965, at the American Legion Hall, according to Superintendent E. A. Youngblood.

Otis Harbert will be election judge.

There will be three terms expired; Lloyd Waldrip, Joe Roy Smith and Sam E. Clonts.

Filing deadline will be March 3 at 5 p.m.

Forms for filing may be secured at Superintendent Youngblood's office.

### Earl Alvis Named President Of Rochester Bank

Earl Alvis was elected president of the Home State Bank in Rochester at a regular meeting of the stockholders Wednesday, Jan. 13.

Alvis succeeds John Michaels who was named vice president along with E. Hob Smith of Knox City. C. Humphrey of Stamford, was elected chairman of the board.

Elected to the board of directors were Alvis, Michaels, R. A. Shaver Jr., Allen Bell, Paul Russell, and O. B. Ratliff of Lubbock, E. Hob Smith and H. W. Humphrey.

Don Adkins was elected cashier and Gladys Glover and Mrs. Jane Short were named assistant cashiers.

### Joe Doby Speaks To '46 Study Club

County Agent Joe Doby spoke to members of the 1946 Study Club on Civil Defense Tuesday at the Womens Club. He showed a film, "Fallout," which gave information and instruction for protection in the event of a nuclear explosion.

Members of the Knox City Brownie Girl Scouts sang, "The Growing Up Tree," for the Club. The 27 girls were accompanied by Mrs. Buddy Angle. Mrs. John Grindstaff Jr., introduced the girls.

Miss Sue Egenbacher played, "Narcissus."

Hostesses for the afternoon were Mmes. Robert Howell, Archie Lieb, Jimmy Lynn and Vic Lowry. Coffee, punch and cookies were served to the members and the Brownies.

The club accepted the resignation of Mrs. Dan Smith with regret. Mrs. Sam E. Clonts was granted a three months leave of absence.

Members of the club who will help with the Red Cross Bloodmobile were announced.

Mrs. Charles Lankford gave instructions to the members for holding the Mothers March Thursday night. The club voted to donate \$5 to the march. It was announced that proceeds from the Kennel Friday night would be donated to the drive.

Mrs. A. J. Keathley announced the Girl Scout Drive would also start Thursday and would run through Saturday.

### Junior High Loses To Aspermont

The Junior High teams played Aspermont there Monday night and the boys lost by 10 points and the girls team lost by four points.

They will play in the Goree tournament tonight (Thursday). They will play Seymour at 5:30 p.m.

### Tax Man Sam Has This To Say--

If you haven't read your tax instructions that you received in the mail about January 1, now is a good time to start. There are more taxpayers that cost themselves by simply failing to take time to read the instructions than there ought to be. These folks simply don't take the deductions that they have coming to them. Most of us don't like to read but being lazy when it comes to reading tax instructions costs more than we can afford. If you start now, April 15 will be a nice beautiful day.

### HD Training Meet Will Be Held In Benjamin Jan. 22

The annual training meeting of the Texas Home Demonstration Association of District 3 will be held in Benjamin starting at 10 a.m. on January 22. The T. H. D. A. chairmen and council chairmen from 15 counties are expected. Miss Fern Hodge, District Extension Agent, County Home Demonstration Agents and other visitors will be attending.

Mrs. Walter Byrd, Rotan, District THDA Director, will have charge of the training program. Knox County chairmen who will be receiving the training are Mrs. Homer Martin and Mrs. J. R. Brown.

During the January H. D. Council meeting plans for the year were presented by the following committees and accepted: education, expansion and exhibit; year book; finance; health and safety; 4H; and recreation. Members of each H. D. Club will consider these plans and report their action on each set of recommendations to the council at the February meeting.

Training on the functions and responsibilities of the County H. D. Council was given by S. C. Kinsey.

Plans were made for the luncheon to be served for those attending the THDA Training meeting.

# STATE CAPITAL Highlights AND Sidelights by Vern Sanford

TEXAS PRESS ASSOCIATION

AUSTIN — The 59th Legislature, faced with the heaviest work load in state law-making history, eased into its second week with some top Senators and Representatives on the absent list. A good many legislators took off for Washington to attend the inauguration of President Johnson.

These events highlighted the Legislature's opening week: Rep. Ben Barnes of DeLeon was elected Speaker of the House of acclamation. He is the youngest speaker named since reconstruction days.

Sen. Tom Creighton of Mineral Wells was named president pro tempore of the Senate, to preside when Lt. Gov. Preston Smith is not present. In choosing Creighton, the Senators went against tradition when they passed over Sen. A. R. Schwartz of Galveston, who was next on the seniority list. Schwartz has opposed closed door sessions.

A record \$3,500,000,000 budget bill, calling for an increase of \$97,300,000 in general revenue spending was introduced in the Senate. Proposal calls for \$567,300,000 general revenue spending, compared to \$599,500,000 recommended by Gov. John Connally.

Lt. Gov. Smith named full membership on 24 Senate stand-

ing committees. The Senate was thus organized and ready for business on the second day of the session.

In the House, Barnes—whose speakership campaign had to be conducted in a few days due to unexpected appointment of ex-Speaker Byrō Tunnell to the Railroad Commission—conferred with members day and night in an effort to speed committee appointments there.

Representatives drew priority numbers for bills.

Despite controversial decisions to be made on congressional and legislative redistricting, big finance and other matters, Smith and Barnes expressed confidence the Legislature can complete its work within 140 days. But some lawmakers weren't so sure.

**BETTING BILL SHOWN**—The battle over whether Texans are going to bet on horse racing has begun again. This time Rep. Maurice Pipkin of Brownsville is introducing the race track betting bill. Last session Rep. V. E. (Red) Berry of San Antonio couldn't get it through the Legislature.

Pipkin's bill would allow both thoroughbred and quarter horse racing on licensed tracks. Also, the city, county, and state could

collect taxes from the track operators. Before a track could be licensed in a county, voters in that county would have to call and approve a referendum.

The bill is backed by Texas Racing Association, which has raised more than \$150,000 from some of the most prominent men in Texas ranching and business. Opposing the association will be a group of businessmen being organized by the Texas Council of Churches and the Texas Baptist General Convention.

Pipkin said the state would get \$20,000,000 a year from a sliding tax of from four to six per cent on all bets and that the state would get millions more from increased tourism. One of the first men to speak in opposition, Rep. J. C. Whitfield of Houston, said, "The plain facts are that legalized racing and gambling not only damage the moral fabric of our people, but the revenues they bring in are more than offset by losses in other, more legitimate fields of commerce."

**LIQUOR BILL INTRODUCED**—A Texas Restaurant Association bill which would make legal the selling of two-ounce bottles of liquor in licensed restaurants has been introduced.

Sen. Jim Bates of Edinburg is handling it in the Senate and Rep. Willis J. Whatley is in charge of it in the House.

The bill would permit customers to fix their own drinks from the small bottles of liquor. This would go part of the way for those people who like to buy their liquor by the drink. Church groups and others will oppose it.

**REDISTRICTING PLANS**—Committee of the Texas Legislative Council, which is made up of representatives from both houses of the Legislature, has prepared two plans for congressional redistricting.

According to a Houston federal court order, the Legislature must redraw the present 23 districts so that their populations will vary no more than five per cent from the mathematical average of 416,508 and they must do the job by August 1.

Both plans would give South Texas a new congressman. They would have a district from Laredo to South San Antonio and from Del Rio to Zapata.

Also, both plans would put parts of Dallas, Tarrant and Bexar counties with other counties to equalize district populations. This reshuffling would require some current congressmen to run against each other if they

## Truscott News By MRS. H. A. SMITH

Buster Ford and sons of Monday visited his sister, Mrs. R. B. Glidewell and son Thursday.

Mrs. Allie Moorhouse of Benjamin spent Thursday afternoon with the H. A. Smiths.

Mr. and Mrs. Horace Haynie were in Crowell Wednesday.

Mrs. Gene Whitaker and daughter of Abilene spent the week end with her mother Mrs. L. A. Haynie and other relatives.

Mr. and Mrs. Ewell Jobe of Harte, spent a few days visiting her brother Rev. Fred Hankins and wife last week.

Mr. and Mrs. Hugh Giles of Fort-Worth spent the week end with her mother, Mrs. W. Rake and husband.

Rev. and Mrs. Fred Hankins visited their daughter Freddye in Abilene Tuesday.

Dennis Eubank of Post visited his parents the J. C. Eubanks Thursday.

Jack W. Brown and Harold Barry are visiting in Boca Raton, Fla., at the polo games arena. Harold will remain during the polo season, and Jackie will return in a few days.

Some legislators said they liked the plans, but many said they did not like them and that they expect plans by individual members to be proposed as soon as introduction of bills begins.

**TAX REVISION RECOMMENDED**—Texas Commission on State and Local Tax Policy has suggested methods of obtaining \$15,300,000 in new state revenue (per biennium) through a variety of tax revisions.

Commission said making sales tax applicable to telephone and telegraph service and other utility tax changes would pick up \$11,200,000; modernizing the inheritance tax, \$6,000,000; and removal of the sales tax exemption on farm machinery, \$9,000,000.

But not all the Commission's recommendations would mean more revenue. Losses would come from repeal of the theatre admissions tax, \$1,200,000; repeal of the chain store tax, \$7,200,000; and exemption from the production tax of gas used in field operations in the field where it is produced, \$2,500,000.

Main purpose of recommended changes is "to achieve greater equity in taxation and greater ease in administration and compliance," said the commissioner.

**BUDGET PROPOSALS**—The Legislative Budget Board, a group of top legislators which drafts the Legislature's spending proposals, has said funds for the Soil Conservation Board should be increased by \$73,928 for the next two years, including \$25,000 each year for watershed planning.

The increase for the board, which coordinates the programs of the various soil conservation districts, also would include \$11,924 for the Sherman Soil Conservation District, one of the last to organize.

The Legislators' budget proposal recommends that state mental hospital administrator's salaries be raised from \$15,000 to \$20,000.

Proposal also recommends that employees in state mental hospitals get raises.

An alternative to Gov. Connally's plan unifying higher education has been drawn by the Board.

Report calls for placing all 22 state-supported four-year colleges or universities under four master boards of regents and chancellors. Texas Commission on Higher Education would be reduced from 15 to nine members but given increased powers to approve individual course offerings in all institutions.

Connally's plan calls for a central coordinating board for all universities and colleges supported by the state.

**IN WICHITA FALLS**  
Mr. and Mrs. Henry Jones were in Wichita Falls Saturday.

**HERE FROM W-F**  
Mr. and Mrs. Bob Robinson of Wichita Falls spent Sunday visiting Mr. and Mrs. Eddie Shaver and other relatives and friends.

**HERE FROM ARLINGTON**  
Mrs. Olie Ilesing of Arlington spent a few days visiting her this week.

Mr. and Mrs. Dean Wright of Fritch were week end visitors of her parents, Mr. and Mrs. C. C. Browning.

Mr. and Mrs. Elmo Gossett of Dallas spent the week end with her mother, Mrs. R. B. Glidewell and other relatives here.

R. B. Glidewell Jr., spent the week end visiting friends in Ft. Worth.

Mrs. Jackie W. Brown was a Vernon visitors Wednesday.

Mr. and Mrs. Horace Haynie spent the week end visiting their children in Wichita Falls.

Rev. and Mrs. Fred Hankins received a message Sunday that her aunt, Mrs. Ona McCrayer of Lubbock died Saturday night. Burial was in Roby Monday afternoon. The Hankins' attended the services.

Mr. and Mrs. Chester Roberts of Abilene visited her sister, Mrs. Marion Chowning and father Sunday.

Mr. and Mrs. Glenn McGuire and Mr. and Mrs. A. Horne visited relatives in Arlington, Sunday.

Mr. and Mrs. Barbee and Mr. and Mrs. Fanning and mother of Goodlett visited Mrs. W. G. Hollis and Mrs. J. Jameson Sunday.

Miss Delma Ruth Morgan of Denton spent the week end in the Bromley home.

Mr. and Mrs. Loy Hollis of Lubbock visited his mother, Mrs. W. G. Hollis recently.

Dud Ellis spent last week in Fort Worth and his sister, Pampa spent the week end visiting him here.

J. H. Coltharp of Seymour visited relatives in Gilliland Sunday.

Doris Navastel of Gilliland spent last week out of school with the mumps.

Mrs. Arthur Horne was a Seymour visitor Friday.

### What They Wore... by PHYLIS JOYCE

LINGERIE HAS HAD A STRANGE HISTORY. WOMEN'S "UNDER-DRAWERS" WERE FIRST WORN BY MEN. IT WAS NOT UNTIL THE 12TH CENTURY THAT A KNITTED GARMENT LIKE AN ELONGATED STOCKING OR TIGHTS (CALLED OPERA DRAWERS OR CALECONS) WAS DEVELOPED FOR THE WOMEN OF THE FRENCH STAGE.

THE PETTICOAT OF THE 17TH CENTURY IN EUROPE WAS IN TRIPPLICATE. THE OUTER LAYER WAS CALLED A "MODEST" THE SECOND WHICH OCCASIONALLY WAS ALLOWED TO SHOW THE "RASCAL" AND THE INNER SKIRT, THE "SECRET".

UNTIL THE 1920'S THE PETTICOAT WAS THE ONLY TYPE OF SLIP USED. THE SLIP AS WE KNOW IT CAME INTO EXISTENCE DUE TO THE NEW ONE-PIECE DRESS OF CHANEL AND VIONNET.

TODAY... WHEN BUYING LINGERIE AND LOUNGEWEAR WEAR LOOK FOR THIS LABEL... THE SYMBOL OF DECENTY, FAIR LABOR STANDARDS AND THE AMERICAN WAY OF LIFE.

Mission of Ysleta by E. M. Schwetz

## THE MISSION OF YSLETA

### The Church that changed sides!

When the Indians revolted against Spanish rule in 1681-2 in the upper Rio Grande Valley in New Mexico, refugees sought safety at the mission at El Paso del Norte (now Juarez). One group settled on the Mexican river bank and named its community Ysleta del Sur (South). This settlement was established in 1681 and a mission was completed the following year on a small island in the Rio Grande.

The Rio Grande changed its course and the site is now in Texas. Ysleta and its mission are generally given the distinction of being the oldest permanent settlement in Texas . . . truly a church that changed sides!

### CHOOSE THE SIDE OF FREEDOM...with U. S. Savings Bonds!

Thus, Ysleta del Sur, the refuge of the oppressed, became the earliest of settlements to identify itself with a brave, new land of freedom.

Today, millions of Americans choose the side of freedom and they do something about it — by purchasing U.S. Savings Bonds.

Every dollar you invest in Savings Bonds gives Uncle Sam exactly that much help in the vital task of safeguarding liberty for yourself and your family. Buy Savings Bonds at your bank or on the payroll savings plan where you work.

## '65 Chevelle

by Chevrolet

Chevelle Malibu Super Sport Coupe

(discover the difference)

### Find out what 350 hp feels like

in America's favorite intermediate size car

Next time you're feeling low, come on in and plunk yourself down in the bucket seat of a Chevelle Malibu Super Sport. Flick the ignition—bring that special-order 350-hp power plant to life. Then go find a road and try not to smile.

We think it's the greatest pep pill since weekends—and that goes for the other Chevelle V8's too. The 195-hp. And the 250- and 300-hp jobs we can order for you.

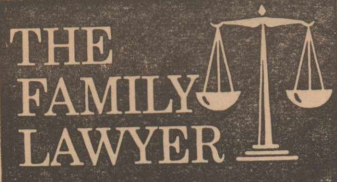

And of course if power doesn't sell you right off, maybe Chevelle's short turning radius and overall handling ease will. Or its Full Coil suspension ride. Or its all-vinyl, carpeted interior. Or maybe it's just plain old Chevelle value.

**BACK SEAT DRIVING—**

In the folklore of motordom, few characters rank as low as the back seat driver. His pesky loud-mouth advice (coming from either a front or back seat) takes all the joy out of life for the long-suffering man at the wheel.

To a considerable degree, the law shares in this disdain. Back seat driving has been judicially described as "this abominable practice."

But the law isn't thinking about etiquette. It is thinking about safety. The law frowns on back seat driving because it so often rattles the driver. One court estimated that in nine cases out of 10, it does more harm than good.

Still, what about that 10th case? When safety says so, back seat driving may be not just permitted but even required. The passenger who is injured in an accident may find his right to collect damages jeopardized by his own failure to voice a protest.

Thus, a court denied the claim of an injured passenger who had made no complaint about a speed of 30 miles an hour thru a blinding mist. By his very silence, said the court, "he willingly joined the driver in placing the danger."

How can you tell when to speak up? The law will usually require such action if:

- 1) you are in a position to recognize the hazard;
- 2) you have reason to think that the driver will not be careful on his own initiative; and
- 3) there is time enough for your protest to do some good.

It is only natural that social amenities will have a certain amount of influence on a passenger's behavior.

Understandably, a girl does not want to be known as a wet blanket; a boy is afraid to be called "chicken." But if you let such considerations seal your lips when the circumstances cry "DANGER!" then your forbearance may well cost you your right to damages.

It may also cost you your life.

**Mrs. James Taylor Speaks To Lions On Student Guidance**

Mrs. James Taylor, Student Guidance Counselor for Knox County Schools was principal speaker at the Lions Club Wednesday, Jan. 13.

She was introduced by Program Chairman Zeb Smith.

Mrs. Smith began the guidance program here in 1961 after legislation was passed in 1959 to hire people in this profession.

She holds a degree in Home Economics and a Masters Degree in Counseling and Guidance.

She resides in Leuders where her husband is pastor of the Methodist Church.

One of the major purposes, she said was to seek out talented pupils in the first stage of their education as well as help those not so fortunate. She assists all pupils to assess their ability and aptitudes and educational needs.

"That is a broad range," Mrs. Taylor said.

After aptitude tests are given the counselor and student try to evaluate and get to understand "yourself," she told the group, "and this is extremely hard for us to do."

Jobs of every description are on record at the school library she said and are kept up to date monthly so student can see and try to decide what they want to become after graduation, or what to take in college.

There are approximately 23,000 on record at present.

"Jobs with preference now, 10 year from now may not exist," she said.

A counselor tries to evaluate and achieve realistic goals for students. As an example she said a child with an IQ of 80 hardly would be capable of becoming an outstanding brain surgeon, and instead of trying to achieve this goal he would probably be encouraged to become some other facet in the medical field.

She hastened to explain that an IQ was not everything, and gave examples to point out her statement.

She reported Knox City was well above the national normal in all subjects last year, and said she didn't see any change in the scholastics for this year.

She thanked the club for the opportunity to speak and said the weak link in the counseling chain was to assist students who do not go to college.

**Flameless Electric Water Heaters**

New Ease of Installation...

Economical, Convenient

No need to stand and wait for hot water to travel from a distant water heater. Flameless electric water heaters can be installed conveniently near the point of use. No flue or vent is required for clean, quiet, flameless electricity. And now, with WTU's new low rate, a separate meter is unnecessary.

**SPECIAL 1¢ RATE**

The 1¢ rate in effect for residential customers of West Texas Utilities using an electric water heater adds up like this—the first 300 KWH used are calculated at the regular rate. The next 400 KWH used are calculated at the special 1¢ rate. Ask for details at any WTU office.

\* Plus Fuel Cost Adjustment and Sales Tax.

**FREE WIRING —** to customers served by WTU who purchase an approved Electric Water Heater from a local appliance dealer or local plumbing supplier. Ask about this FREE WIRING at your local WTU office.

## Edward Bianchi Selected For Scout Chairman

Edward B. Bianchi has been selected as chairman of the Leadership Gifts Club of the Boy Scout Development Fund by general chairman, John Gavin. Bianchi, active in civic and scout affairs, will have the executive board of the Northwest Texas Council as vice-chairman. This group will solicit the entire thirteen county area, including Knox City and Knox County.

An associate of Tom B. Medders in independent oil operations, Bianchi came to Wichita Falls in 1945 following service in the Navy. He was a four-year letterman in football and baseball at SMU and was 1940 captain of the SMU baseball team.

He is vice president of the Northwest Texas Council Boy Scouts of America and also the North Texas Rehabilitation Center and formerly a director of Kiwanis. He is institutional representative to the Boy Scouts from the First Presbyterian Church where he is an elder.

He also belongs to the North Texas Oil & Gas Association, the Wichita Club, and the Wichita Falls Country Club. Mrs. Bianchi is the former Iris Parker and the couple has six children.

The \$350,000 Boy Scout Development Fund will be used to further develop and improve Camp Perkins located north of Wichita Falls and purchase and develop a 725 acre wooded camp south of Bowie. A Council Service building is also included in the development fund.

## O'Brien News

MRS. SAM JOHNSTON

Mr. and Mrs. J. A. Thorn of Hawley visited Mr. and Mrs. Charles Thorn and family Sunday.

Mrs. A. A. Cox is visiting Mr. and Mrs. Wallace Cox and boys in Fort Worth this week.

Mr. and Mrs. John Covey and Nelda and Mr. and Mrs. L. A. Covey and family visited Mr. and Mrs. Jerry Covey in San Angelo Sunday.

### Has Glandular Fever

Mrs. R. M. Johnston spent last week in San Angelo with Mr. and Mrs. Bobby Fall, Jenny Lind and Julianna. Jenny Lind has the glandular fever and will be out of school for several weeks.

Mr. and Mrs. Ivan Rowan and Keith were in Wichita Falls last week for Keith to have a tonsillectomy. He is home and doing fine.

### Lowell Rowan in Paikstan

Mr. and Mrs. Lowell Rowan of San Antonio spent the weekend with Mr. and Mrs. Milton Rowan and Debbie. Lowell left this week for Paikstan where he will be stationed for 12 to 15 months.

Mr. and Mrs. J. R. Spayberry of Blue spent Sunday evening with Mr. and Mrs. Adelle Herring and boys.

Mr. and Mrs. James Creel and family spent Sunday with Mr. and Mrs. Ayres Cox and Carol. Mrs. O. S. Johnston spent Monday in Abilene attending a world book meeting.

Visiting Mr. and Mrs. Don Whitley and girls Monday night were Mr. and Mrs. Buster Lowrey and daughter of Knox City. Mr. and Mrs. Royce Manning and son of Abilene spent the week end with Mr. and Mrs.

### IN MIDLAND

Mrs. Larry Linn and Patt visited Mr. and Mrs. Fred Linn in Midland last week end.

### VISITS SISTER

Mrs. C. L. Bailey of Wichita Falls is spending the week with her sister, Mrs. T. S. Edwards.

### Orval Manning

Mrs. Frances Hudson moved to Weatherford last Sunday to make her home.

### Danny Hudson Honored

Danny Hudson was honored with a go-away party last Friday night at the Fellowship Hall. Mr. and Mrs. Darrell Lewis and Mrs. Velda Reid were the sponsors.

Twenty-three classmates attended the party.

### TEAMS HOST DUNBAR

The girls and boys basketball teams were hosts to Dnubar of Munday last Friday night. The girls won with Roxye Day high point with 19 and the boys won with James Dnucan scoring 32.

They played their first conference game here Tuesday night with Goree. The boys lost 55-52 with James Dnucan again high point. The girls won 33-26 with Shirley Johnston high point scorer.

They will play Weinert here Friday night.

### PASTOR TO GRADUATE

Rev. Cecil Foster will graduate from the Baptist Theological Seminary in Fort Worth tonight. Mr. and Mrs. S. N. Reed will attend the graduation.

### Community Circle Meets

The O'Brien Community Circle met at the school Monday night for their regular monthly meeting. Mrs. Jack Neatherly, vice chairman, was in charge of the meeting.

Mrs. Doris Herring read the minutes of the previous meeting. Motion was made and passed to pay \$27. to the Haskell County Polio Fund for the polio vaccine.

Motion was also made to pay \$42. for groceries that were bought for the Christmas boxes for the needy families.

Doughnuts, coffee and cocoa were served.

### Mrs. Phillips Honored

Mrs. Norman Phillips, the former LaNear Hendrix, was honored with a gift tea in the banquet hall of the O'Brien Baptist Church Saturday, Jan. 9.

Mrs. Fred Carver and Pat Hendrix registered the guests, and Frances and LaDocia Hendrix served.

Serving table was covered with blue satin overlaid with white net and centered with floral arrangements.

Gift from the hostess was an electric skillet. Parents of the bride are Mr. and Mrs. B. B. Hendrix of Knox City and the groom is the son of Mr. and Mrs. Norman Phillips Sr., of Bayonne, N. J.

### Visiting Parents

C. H. Underwood and Jim and Don Johnston spent several days at home last week between semesters. They were to register Monday and Tuesday this week. All of the boys are students at South Plains Junior College in Levelland.

### Texas School Lunch Menus Feature USDA Beef-Chicken

Texas schools participating in the national school lunch program have been allotted 8,022,000 pounds of frozen beef and 2,490,000 pounds of frozen chicken bought by the U. S. Department of Agriculture during 1964.

This represents Texas' share of the 51.9 million pounds of chicken and 178.5 million pounds of frozen beef purchased to help schools meet protein requirements for lunches served under the school lunch program, explains John J. Slaughter, area food distribution director of USDA's Agricultural Marketing Service.

The allotments will provide about 1½ servings of beef per child per week, and 7½ servings of chicken per child during this school year.

Around 3,320 schools operated cafeterias under the national school lunch program in 1964—the largest single feeding operation in the state. These cafeterias feed nearly 30 per cent of the students enrolled in elementary and high schools.

Under the program, USDA contributes cash and foods accounting for about one-fifth of the cost. Children's meal payments make up around 60 per cent of the cost and local and state sources pay the remaining 20 per cent.

The State Education Agency will allocate the beef and chicken among Texas schools participating in the national school lunch program and the State Department of Public Welfare will make distribution.

## Hospital Notes

Patients in the Knox County

Hospital January 18, 1965: Ennis Carter, Rochester, Tony Meyers, Munday, Mrs. L. C. Franklin Munday, Mrs. Elizabeth West, Benjamin,

Mrs. Jodie Beavers, Munday, Mrs. H. H. Gore, Vera, Miss Maud Isbell, Munday, C. C. Anderson, O'Brien, J. H. Bilbrey, Goree, Jan Corley, Rochester,

Mrs. H. H. Grimes, Weinert, Roy Petty, Benjamin, Cassie Lansford, Munday, Nettie Lansford, Munday, Stacey Leach, Knox City, C. V. Ashley, Weinert, Jim Hackney, Weinert,

## Postoffice-Store Burglarized At Truscott, Jan. 14

Truscott's post office and an adjoining grocery were broken into last Thursday night and \$45.89 in cash was removed from the postoffice safe after the door was "peeled."

A postal inspector from Wichita Falls said apparently that was all that was removed from the office.

Entry into the grocery was made through a hole the thugs made in the wall. There were two holes as they ran into a beam.

Fifteen one pound cans of coffee, a stick of bologna, 22 cartons of cigarettes, two boxes of cigars, a carton of pipe tobacco, and \$3 or \$4 in change plus two Cokes were the loot taken from the store.

Knox County's sheriff's department was notified of the burglary Friday morning and investigation is still under way.

## Fort Worth Rodeo Begins January 29th

Activity at the Will Rogers Coliseum is beginning to pick up with the return of Stock Show President and Manager, W. R. Watt from Denver, Colorado, Saturday.

Watt was assured during the annual meeting of the Rodeo Cowboys Association that all five of the current rodeo champions will be competing at the Fort Worth Rodeo, January 29 thru February 7.

Heading the list of rodeo cowboys planning to be in Fort Worth is Dean Oliver, Boise, Idaho cowboy who won the 1963 and 1964 crowns of All-Around Cowboy Champion and Calf Roping Champion. Other reigning champions scheduled to compete at Fort Worth are: C. R. Boucher of Burburnett, Texas, Steer Wrestling; Marty Wood of Bowness, Alberta, Canada, Saddle Bronc Riding; Bob Wegner of Auburn, Washington, Bull Riding and Jim Houston of Omaha, Nebraska, Bareback Riding.

Opening day parade of the 1965 Stock Show is scheduled for 2:00 p.m. January 29. Over 125,000 spectators lined Fort Worth sidewalks for the 1964 parade.

## Firemen Have Regular Meeting Thursday Night

The Volunteer Fire Department met Thursday night. Plans were made to have the Fireman's Banquet on February 13.

With the new officers taking their respective positions, the report was received from Secretary-Treasurer on the financial standing of the department. It was decided to look into the possibility of changing the electrical system on the older fire truck over to a 12 volt system. This will allow the installation of a two-way radio in this truck since is responsible for making calls outside the city limits.

It also makes calls within the city limits thereby giving constant communication with all law enforcement agencies in the area. At a later date there might be the need for installing a radio in the new truck.

Money for this project will come from the fund established by the city. This fund is set aside and designated for use by the fire department for the purchase of equipment.

The department also holds swimming pool bonds that paid \$32 interest.

At the end of the business

## Streams In Desert Places

Ozelle Stephens

The greatest and wisest teacher said "All must become as little children if we understood the Father's love and come into His Kingdom." True religion is a very simple thing. It is a child like faith and trust in God at all times and in all circumstances.

This kind of trust carries with it complete confidence in God's love and power and an understanding in your heart that it works for you in any hour of need. Trust Him Now.

## Report of Condition of the

# CITIZENS STATE BANK

of Knox City, Knox County, Texas, at the close of business on Dec. 31, 1964. State Bank No. 1326 Federal Reserve Dist. No. 11.

**Cotton Classing For Season, Over**

The Agricultural Marketing Service, Cotton Classing office in Munday closed last week. According to A. D. Peebles, who was in charge of the office, the samples classed during the week numbered 6,725, this brought the season total to 72,077. Grades during last week were, as follows: five per cent Middling Light Spotted and higher 20 per cent Strict Low Middling Light Spotted and 5 per cent Low Middling Light Spotted, 15 per cent Middling Spotted, 55 per cent Strict Low Middling Spotted and lower. Approximately 15 per cent of the samples classed last week were reduced in grade because of grass or bark. The staple distribution last week was 20 per cent 7/8 and shorter, 50 per cent 29/32, 25 per cent 15/16 and 5 per cent 31/32 and longer. The micronaire readings last week showed 30 per cent of the samples classed were below 3.5, 67 per cent fell in the 3.5 to 4.9 range and 3 per cent micronaired 5.0 or higher. Cotton in the Munday territory continued to sell last week at prices well above loan value for most grades. Middling Light spots sold for 35 to 70 point over loan value, Strict Low Middling Light Spots brought 75 to 90 points over loan and the Spotted and lower grades got 80 to 140 points over loan. Wasty cotton sold for 100 to 175 points over the Commodity Credit Corporation loan rates.

**Barbara Wilson And Melvin Wilson, Wed Here, January 16**

Barbara Wilson, daughter of Mr. and Mrs. Harvey Wilson and Melvin Wilson of Munday were united in marriage Saturday, Jan. 16, in the Foursquare parsonage in Knox City. Rev. Floyd Bailey, pastor of the Foursquare Church, performed the single ring ceremony. The couple will make their home in Munday where Mr. Wilson is employed.

**IN MIDLAND**

Mrs. Frank McAuley Jr., spent last week end in Midland with relatives.

**Taxpayers May Get A Break In '64**

The new dividend exclusion feature of the 1964 tax law may give Texas taxpayers a break. If either the husband or wife has excludable dividends they can exclude the first \$200. The 4 percent dividend credit has been reduced to two per cent. The average investor will benefit more by having the large exclusion. The advantage in Texas is due to dividends being considered community income. In non-community property states they could only exclude \$100 for the husband or the wife if the stock was all in the name of one spouse. In Texas, it pays to have a spouse in the house.

**LIONS SERVE AREA WELL**

Here are a few of the accomplishments the local Lions Club has done in the past year to live up to their motto "We Serve." They have donated \$83. to the Lions International DO-CARE program to help many hungry people in other lands; have bought glasses for needy persons totaling \$41.05; helped a local school group by placing an ad on the Band Boosters calendar; They have donated \$25. to the Knox County Historical Association donated \$50. to help the FFA and 4-H boys with their stock show. These are just a few of the ways of helping their city besides bringing enjoyment through carnival rides and helping the Lighthouse for the Blind with broom sales each year.

O. L. Patterson  
Children Honor  
Parents With Party

The children of Mr. and Mrs. O. L. Patterson honored their parents with an open house reception at their home east of Benjamin, Sunday, January 10. Mr. and Mrs. Patterson were married Jan. 13, 1915 at the Methodist Parsonage in Vera, by the Rev. C. D. Pipkin. Mrs. Pipkin was their only witness. Immediately following their marriage they arrived by buggy at their present home site and have lived there since. Mrs. Patterson was the former Veta Love, daughter of the late R. L. Love and Kitty Love. She was born in Hunt County and moved to Rotan in 1906 and coming to Vera in 1912. Mr. Patterson was born in Cundiff, Texas, near Springtown and came with his late parents, J. W. Patterson and Elizabeth Dees Patterson to the ranch where he now lives, in 1897. They have three children, Mrs. Truitt (Annette) Hester of O'Brien; Mrs. Tom (Janis) Collins of Rotan; and LaMoyné Patterson, County Agent of Blanco County, Johnson City. They have four grandsons and three granddaughters. Assisting with the open house was Mes. Medlin Patterson of Spearman, E. Darwin of Lubbock, Alva West of Henrietta, Howard Chappell of Fort Worth, W. M. Breed of Wichita Falls, Loran Patterson of Vera and Walter Trainham of Benjamin. The serving table was gold covered overlaid with an ecru lace cloth. The gold toned floral arrangement centered the serving table flanked by gold candles in gold candleholders. Serving appointments were of milk glass and silver. The granddaughters assisted in registering the approximately 150 guest s that called from 2 to 5 p.m.

ATTENDS FUNERAL

Mr. and Mrs. A. W. Swearingen and Cled Swearingen of Jayton spent Tuesday in Cisco attending funeral services of their uncle, E. V. Swearingen.

Carbon Monoxide  
Winter's Favorite  
Partner In Death

The winter killer — carbon monoxide — takes its toll of lives about this time each year in Texas, it was announced this week by Dr. J. E. Peavy, Commissioner of Health. You, too, may be flirting with carbon monoxide poisoning if you make a habit of any of these practices. Do not drive around in your auto on cold winter days with all windows and vents tightly closed. Do you sometimes warm up the car engine in your garage without first opening the garage door? Do you neglect a checkup of exhaust and manifold on your car unless something starts rattling or falls off? If your answer to any of these questions is "Yes," you are taking a chance and asking for trouble. Carbon monoxide is an odorless, colorless, tasteless gas that comes from your auto exhaust. In the open air it usually is dissipated without harm to anyone. But in an enclosed space it can be deadly. Every winter brings reports of deaths from carbon monoxide poisoning. The gas can seep up through floor boards from a leaky exhaust. The victim becomes drowsy and then "falls asleep." It takes only a short time for an engine running in a closed garage to fill the building with deadly gas. No one knows how many auto accidents are caused by motorists whose reaction time is somewhat slowed by a small seepage of carbon monoxide into a closed auto. If your exhaust and manifold are in good shape and fitted tightly, you are more likely safe. But it's even safer to leave a rear window open a crack. While the car is moving you can probably escape danger with a leaky exhaust. The most dangerous time comes sitting in

Truscott HD Culb  
Has Meeting

Mrs. Wm. Rake was installed as president of the Truscott Home Demonstration Club Jan. 14 at a meeting held in the Truscott Community House.

Mrs. Marie Gillespie, the Club's council delegate, installed officers with the assistance of Mrs. J. R. Brown, council president.

Other officers installed were: Mrs. Don Daniels, vice president; Mrs. E. A. Tomanek, secretary; Mrs. E. J. Jones, treasurer; Mrs. H. P. Gillespie, county council delegate; Mrs. Jack W. Brown, reporter; and Mrs. A. C. Adcock, parliamentarian.

Committees for 1965 include, Meses: J. G. Adcock, Idoma Chowning, and Jack Hickman, program. Meses. Edgar Jones,

a parked car with the motor running and the windows closed. This is a frequent occurrence in cold weather when the auto heater is turned on. Always open a window when you're parked with the motor running.

Carbon monoxide poisoning is a serious health hazard. Remind yourself and your family to be on the alert against this danger.

HERE FROM ABILENE

David Denton, student at Hardin-Simmons University, spent the week end with his parents, Mr. and Mrs. A. P. Denton.

IN ABILENE

Mr. and Mrs. Bob Vaughn spent Saturday in Abilene.

Bill Owens and J. R. Brown, finance; Meses. R. C. Daniels, Don Daniels and Warren Corder, health and safety; and Meses. Marie Gillespie, J. W. Brown, and E. A. Tomanek, expansion, education and exhibits.

Members will take turns providing recreation at meetings.

The club accepted all council recommendations for 1965.

A standing vote of thanks was given to Mr. and Mrs. Bill Rake for getting a new community house pump.

Club members voted to serve lunch to the Crowell Rotary Club March 24 and to donate food for the luncheon at the THDA training meeting Jan. 22. Those sending food are to take it to the post office by Friday morning.

A refreshment plate was served by Mrs. Rake. Next meeting will be Jan. 28. Miss S. C. Kinsey will present a program on "More Mileage from the Family Dollar."

Reviews Book For  
Knox City Club

Mrs. C. P. Baker of Munday reviewed the book, "Take My Hand," by Dorothy Clark Wilson for members of the Knox City Garden Club Tuesday afternoon.

She was introduced by Mrs. Goodson Sellers.

The table of the day was arranged by Mrs. David Eiland.

Mrs. W. E. Braly announced that the annual Farm and Ranch day, sponsored by the Burling-

ton Railroad, will be held Wednesday Jan. 20, in the Munday School building, and a special program on Flower arrangement will be given by Mrs. George Beavers of Vernon at 10 a.m.

A lecture will be held for the women visitors in the afternoon.

Visitors present for the book review were Meses. J. T. Gilpin, Russell Boyd, John Atterbury, Phil Colehour, Paul Hoge, and Mrs. Bratcher.

Members of the club voted to plant flowers or shrubs on the hospital grounds on Arbor Day.

RECEIVES INAUGURAL  
INVITATION TO WASH.

Olie Ray Garrison, son of Mr. and Mrs. Wesley Garrison of Arlington, former Knox City residents, has received a special invitation to the Inaugural ceremonies for President Johnson and Vice President Humphrey.

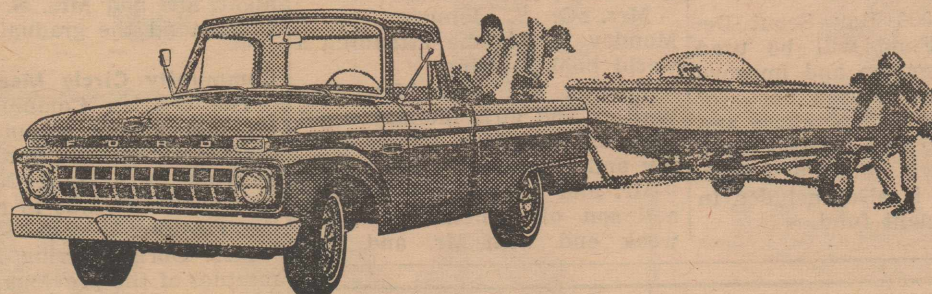

VISITS IN DENTON HOME

Recent guests of Mr. and Mrs. A. P. Denton were Mrs. Denton's brother and wife, Mr. and Mrs. Frank Moreland of Portland, Oregon.
