## Elks Lose A Heartbreaker

BI District Game played at Amarillo against Quanah. If you didn't see this game you missed a good one! Stratford fell behind in the first half of the game but came back to the lead in the second half. All the boys really played a great game but in the final 7 seconds Quanah scored to move ahead of Stratford 66 to 65. Everyone is very proud of our Fighting Elks. Pictured left to right, Robert Williams, Brad McBryde, Greg Vandiver, Tim Hudson and Loyd Willard. Thanks to Jody Taylor for taking pictures for the Star.

## XIT Telephone To Host 39th Annual Membership Meeting

The XIT Rural Telephone Cooperative will host its members 39th Annual Meeting on Wednesday, March 7, 1990 at the Lake Rita Blanca Coliseum in Dalhart, Texas.

Member and guest registration will begin at 11:00 a.m. and will be followed at noon by a Bar-B-Q luncheon catered by Ol'Smoky.

The business session will begin at 12:45 p.m. with the introduction of guests. President James R. Wilson will preside during this

session. Secretary Walter Lasley will read the Notice of the Meeting to the membership. Manager Jimmy R. White will review the financial reports and progress of the Cooperative for 1989. Director Gary Finch will give a report to the members on the Cooperative's cellular operation, XIT Cellular.

The business session will conclude with the election of directors and the drawing of door prizes. Directors are to

be elected by the membership in each of the Cooperative's three districts: District 1-Dallam County; District 11-Hartley County, and District 111, Sherman County.

Directors whose terms are expiring are District 1-Glenn Olson; District 11-James R. Wilson and District 111-Walter Lasley. The Nominating Committee has elected to place the above-mentioned persons into nomination for re-election to these positions.

The Cooperative's bylaws also provide for nominations to be made from the floor at the annual meeting or by petition of the members. If nominations are made by petition, they must be submitted to the Cooperative's business office five (5) days prior to the annual meeting in order to be placed on the ballot.

Holdover directors are Lee Hill, Gary Finch, T.F. Baskin, 111, E.H. Little, J. W. McClellan, Jr. and James R. Spurlock.

This year three grand prizes will be awarded in the following amounts:  
One-\$300 prize  
One-\$200 prize  
One-\$100 prize.

Several additional door prizes will also be given. An added feature this year will be a kid's drawing. Each child who attends with a member can register. Members and their children are reminded that they must be present to win a prize.

The 1982 Patronage Capital Credits in the amount of \$365,766.36 will be refunded at 100%. Only members connected during 1982 qualify for this refund. The checks will be handed out to members as they register at the annual meeting. Those checks not picked up at the meeting will be mailed promptly. With this refund, a total of \$2,062,043.18 has been refunded back to XIT members since May of 1978.

For those interested in obtaining cellular service or

## Secretary Of State Appoints Dr. Harlow

Following the resignation of Frances Watson as Chairperson of the Republican Party of Sherman County; Dr. Harlow was appointed by the Secretary Of State, State of Texas, to assume the responsibilities of Republican Party Chairman, Sherman County through the Republican Primary Election on March 13, 1990. Dr. Harlow has accepted this challenge - "and it is a challenge" he states.

Dr. Harlow is consulting with Frances Watson; learning and gleaning from her wealth of experience of over

30 years as the Republican Party County Chairperson.

Due to circumstances that occurred, it was impossible to sign up for the position on January 2, 1990; therefore Dr. Harlow's name will not appear on the ballot.

He asks, if you wish to have him continue, as Chairman of the Republican Party of Sherman County, please WRITE IN CLAUDE HARLOW in the appropriate place on the ballot.

Paid Pol. Adv. Pd. for by the Republican Party, County Chairman Claude A. Harlow, Box 1103, Stratford, Texas 79084.

## World Day Of Prayer

World Day of Prayer is Friday March 2nd for all the ladies in the community. Covered Dish salad luncheon from 12 to 1 p.m., so that the working ladies can be present, at the First United Methodist Church in the Fellowship hall. All the churches in the community will be involved. Sue Hudson is in charge of the program.

This year we will focus on needs of Martha's Home Inc. in Amarillo. Monies for utilities, taxes, insurance and telephone are needed as well as personal items of: deoderants, shampoo, toothpaste, and diapers for infants, cleaning supplies; Endust, brooms, mops, clorox, dish washersoap, laundry soap, and mop buckets.

Martha's Home, Inc. of Amarillo, is a non-profit, charitable organization with accountability, where women in need find a place of refuge with food, clothing, shelter, and someone who cares. They get a HAND-UP not a HAND-OUT. Martha's

Home is for any woman who has become homeless and destitute as the result of varied, often traumatic reasons. Victims who do not require the facilities for drug/alcoholism treatment or domestic violence are welcome at Martha's Home.

This tax-exempt organization presently consists of a Board of Directors, Executive Committees, a qualified live-in supervisor, professional counselors and volunteers who are established community members and referrals. Martha's Home is an entity within the Coalition for the Homeless. The first resident was received at Martha's Home, April 21, 1988.

Martha's Home functions in harmony with other agencies and organizations within the area that can assist in obtaining education training, therapy, health care, employment, methods of self-help, the enhancement of self-worth, social and parenting skills.

## TRTA To Meet Thurs. March 1

The Business meeting will include election of officers, committee reports and other

business.

At 2:30 p.m. Mary Blinderman will give a demonstration on cooking for one or two.

There will be refreshments, fellowship and visiting. The public is invited to the demonstration. Come, learn and enjoy.

## Building A New Community For A New Century

In February of last year a pair of very successful town meetings were held which resulted in goals being set for the improvement of our community. The Community Development Committee has now completed its first year by successfully reaching almost every goal set during those meetings.

Fifty-one people originally met to voice their opinions and give suggestions for ways to improve our community. These volunteers were subsequently organized into five Task Forces, and their diligent work during 1989 produced results

for the benefit of the Stratford area.

The Community Development Committee, or CDC, was formed to involve the entire community in helping to improve Stratford and the surrounding trade area. The CDC received an official endorsement from the Stratford Chamber of Commerce and has representation from the Sherman County Commissioners Court, the City Commission, the School Board, the Hospital Board, and the Tax Assessment Board.

The citizens here have a history of being willing to

# SCOT Notes

by Timmie Brown

Happy Day to you Sherman County Older Texans, Friends, Neighbors and Scotters this 30 degree F. foggy A.M. Monday, Feb. 26, 1990. May this be a special day for each one!

We are looking at the last three days in Feb. 1990. They will be gone into the past when this is read.

Other than to say that regular activities at Scot Hall are marked "go" for week of Feb. 25 - Mar. 3 we find that two months of 1990 are history.

Senior Citizens dance in Boise City is scheduled Sat. evening Mar. 3 and a number of our Scotter plan to be there we are sure. Since Eskie Ritchie expects to be in Stratford for a few days maybe the Tuesday 42 players can meet her at Scot Hall for some good visiting and game playing.

Thursday, Feb. 22 at noon a goodly number of Scotters were on hand for enjoying meeting one another and dining. Eighty-four places were set at tables and all were filled; even a few added - we did not learn if everyone registered. The tables were decorated with cut-outs of howling coyotes, cacti, Texas maps and large ceramic ollas which formed a fitting background for the entree' of barbequed steaks. Our thanks go to directors Vicki & Dorothy for the table decorations and to Glenn Hart and his assistant, Jack Heil, for cooking the steaks. They were scrumptious! Our thanks, also, to the City employees who cleared the snow from Scot Hall area, making for safe walking and parking. Stratford and friends certainly take good care of Senior Citizens. We thank you.

Dinner guests included Judge David Lewis, Lewis Dubuque and Billy Bell, who spoke of the coming election; Mrs. Bell and son, Co. Judge Bill Fesler, Sheriff Jack Haile; sweetheart Jessie Tompkins, (Aida Mitts mother) Eskie Ritchie and Margaret Grunig, Helen Judd (Mrs. Arthur.)

The (hi-lite) of the day was the songs presented by a quartette composed of Sharon Taliaferro, Sue Plunk, Barbara Dettle and Millie Hacker. When they sang "When We All Get to Heaven" Scotters felt that they (Scotters) had a toe in the door. Thank you, young Matrons - oops, we almost wrote girls! Do come again! The meeting was an "altogether lovely" time for all Scotters.

Scotters who have birthdays in March are Doris Dyess, Shirley Foreman, Genevieve Wilson, Travis Galloway, Anita DeBord, Bill Riffe, Leona Woods, who is in the Valley, and Cone Donelson, who is in Sun

City. To you, birthday folks, Scotters will be at Scot Hall Friday, March 9th at 7 P.M. to greet you and wish you well. Birthday cake, ice cream and coffee or tea will be served and games played. Come to Scot Hall, all Scotters!

Who do you wish to have chosen "persons of the year"? It is time to let your choice be known.

Among those from Stratford, visiting Hazel Harris, Dalhart was Eskie Ritchie. Hazel is doing well, Eskie says.

Phone conversations with Senior Citizens Jewel Naugle and Minnie Cox, Plainview Ok. cheered our days this past week.

Mildred James spent a short time in Dumas Memorial Hospital but is home now and we hope fully recovered.

Family members Marian, Ronnie and Elizabeth Williams, Hilma Cleveland and Helen Mason are at home in Texas, now. Marian et al are at Plano, Tex. Hilma and Helen in Longview, Tex.

Blair Brown visited his mother Sharon Brown, Betty and Baskin Brown. Hubert and LaNelle Waldrop, Plainview, Tex. were at home in Stratford during the week-end. So nice to see them.

Drew Blake, son of the L.G. Blakes and grandson of the L.B. Blakes reports that he has enjoyed a visit to the Holy Land. Drew is serving in the Navy. We apologize for not knowing his rank.

We are saddened this A.M. by the death of Harry Ingham yesterday. Harry has been critically ill for some time due to a heart and lung condition. Scotters send prayer support to the Ingham families.

S.C.O. Timers remember in prayer support and Christian love Clarence Willmon in the death of his brother and relatives of Paul Dixon, who died Friday. Paul was a former Stratford citizen and our peer. He was Betty Lou O'Briens uncle.

To our patient and understanding Star Crew, thanks for the Valentine. The flowers have withered but the memory lingers on.

Senior Citizens and Scotters our peers and friends need our "luv" and encouraging shoulder pats. Let's be generous with them this week.

## Youth Sunday

First Christian Church will have Youth Sunday this Sunday, March 4. The senior high and junior high youth will lead Morning Worship, which begins at 10:45 a.m. A covered dish youth dinner will follow at 11:45 a.m. Orlanda Garoutte is in charge of the dinner.

Linda Young and Susie Harlow lead the senior high youth in Christian Youth Fellowship. CYF youth participating will include: Melissa Asher, Shannon Blake, Ramey Cozart, Cherise Davis, Jeremy Davis, Paul Davis, Jolina Garoutte, Neal Hauser, Elizabeth Kirkham, Brandie Lavake, Garth Palmer, LaQuita Vaughn, Derrek Wells, Robert Williams, Amber Woolsey and Julie Young.

Kenny and Paulette Palmer lead the 7th and 8th grade youth in Chi Rho Fellowship. Chi Rho youth participating will include: Shawnda Blake, Sheila Fedric, Aaron Griffith, Dean Hauser, Marcus Lavake, Jennifer Newcomb, Wendy Palmer and Ben Pigman.

Everyone is cordially invited to attend Morning Worship, according to David Harker, Minister of First Christian Church.

## Dr. Hughes To Speak

Dr. Robert Hughes, psychologist at the Bivins Rehabilitation Center at High Plains Baptist Hospital in Amarillo, Texas will be here on Sunday, March 4th at 6 p.m. at The First United Methodist Church in Stratford at 520 North Main. There will be a covered dish supper and everyone is welcomed. Bring a covered dish and a friend and come to hear Dr. Hughes speak on "Coping With The Stress Of Disabling & Handicapping Conditions."

## Fight the Discomfort of Menopause Day and Night

For 1,000 women in the Dallam and Hartley Counties area, the onset of menopause may mean days of hot flashes, sleepless nights with excessive perspiration, and an unrelenting depression and irritability. Menopause causes the loss of estrogen—an important female hormone—that may be felt throughout the body throughout the day.

Today, there is good news for women. Many of the physical and emotional symptoms of menopause can be controlled. Call your physician or call one of us. Get the facts about menopause and how you can feel like yourself again all day and night.

# Kerrick News

by Marylou McDaniel

Recent visitors to Kerrick were Bob and Mary Keyport of St. Paul, MN who drove out of their way to see Kerrick. Bob was born in the early 1900's in Kerrick, MN., a lumbering town. Located in east central Minnesota, south of Deluth, today's population is 78. At its peak there were 102 in the 40's. It is surrounded by very small farms, the largest being about 160 acres with dairy cattle and some beef cattle. There is a saw mill owned by Keyport's brother, Maurice, also a video store, a bar, post office and church.

The couple stopped for lunch at Susannah's and left the above information with Sue James.

Speaking of Susannah's, Jo June McDaniel will be cooking there four days a week.

## Living Takes a Lot of Growing Up

Living takes a lot of "growing up". But when you really get the hang of it, You can stomp your toe and jump right up, And tell the world it didn't hurt a bit. Though heartache is a bitter medicine That each of us must swallow, pretty soon We grow accustomed to the taste, and there Are some who even learn to lick the spoon.

Living takes a lot of "growing up". Some things don't turn out the way we plan, If the mountain can't be climbed, then reach The other side the best way that you can. Happiness is earned, not freely given, Like silver coins within a beggar's cup. Life is played according to the rules, And living takes a lot of "growing up".

Duane is the grandson of Thurma Gillenwaters of Fort Supply, Oklahoma, and the late Margaret Boise of Woodward, Okla. The future bride is a 1987 graduate of Waynoka High School & is currently attending Northwestern Oklahoma State University at Alva, Oklahoma majoring in business. Her fiancé is a 1978 graduate of Stratford High School and is currently engaged in ranching in Freedom, Okla.

## Study Club

GFWC/Prospectus Study Club was hostess for the Feb. Coldwater Manor Birthday party. They arranged for the first grade classes of club member Kathy Altman and Shawna Peterson to sing under the direction of Tammy Rose. Club member Lorraine Mehner was at the piano. The children made Valen-

times which they distributed among the residents.

Birthday people, Opal Bufkin, Edith Houston and John Campbell, were given balloons. Club member Frances Watson was presented a heart balloon.

Homemade ice cream and cake were served by Dana Buckles, chairman, and members Mattie Baskin, Betty Brown, Oline Caraway Dorothy Haile, Jimmie Pronger, Margaret Reed, Gayle Rhoades, Susie Spurlock, Mary W. Wisdom.

A baby shower was given for Jan Sell at the First Christian Church, Sat. Feb. 24th. Pictured are Trophena Phelps, Sherry Phelps, Jan, Lura McClellan of Dalhart and Delores Bunch.

A bridal shower was given for Nita Crowover, bride of Donald Crowover, Sunday Feb. 25th at the First Baptist Church. Pictured, Nita's sister, Shelly Frische and mother Mrs. Benny Tyler, Nita, Mrs. Lloyd Crowover, Donald's sister, Evelyn Hays and Mrs. Johnny Crowover.

## Withholding and Retirees

The payments you receive from profit-sharing or stock bonus plans, individual retirement arrangements, annuities, or deferred compensation plans are subject to withholding of income tax. You may choose exemption from withholding if you qualify, or you may increase your withholding by using Form W-4P, "Withholding Certificate for Pension or Annuity Payments." To order this form, call IRS toll-free at 1-800-424-3676.

## File Now

If you file your tax return early, you'll be more relaxed and less likely to make errors. If you have a refund coming, you'll probably get it faster.

## NOTICE OF TARIFF CHANGE TO CENTRANET® SERVICE

GTE Southwest Incorporated gives notice of its proposed tariff changes to CentraNet® service, which is a Central Office-based service that provides PBX-type features to multi-line business customers and is currently being offered in all company wire centers where such facilities exist to provide the service.

The Public Utility Commission of Texas approved a generic tariff for CentraNet® service up to 100 lines in Docket No. 7652. The proposed tariff revision would establish specific rates for CentraNet® service involving 101 to 400 lines. Other proposed revisions involve the rate applicable to changes, additions, or deletions to the data bases and a new rate is proposed for additional trunks.

The names of the three CentraNet® packages have changed from Standard, Premium, and Deluxe to CentraNet® 1000, CentraNet® 2000, and CentraNet® 3000, respectively. Direct Call Pickup has been added to the three CentraNet® packages while Multiple Call Park and Shared Speed Call 30 have been added to CentraNet® 2000, and Speed Call 30 and Call Forward Busy/No Answer Split have been added to CentraNet® 3000. Flexible Night Answer and Automatic Route Selection also have been added as new optional features.

The proposed changes and new service offerings have been assigned Docket No. 9251, and pursuant to Section 43(d) of the Public Utility Regulatory Act will become effective June 23, 1990. Rates for service will be applicable to customers who subscribe to the service as well as existing customers. Therefore, there will be no effect on any other rates of the company. The company's gross annual revenues will increase by approximately \$399,600, or less than one percent annually.

The proposed rates are on file with the Public Utility Commission of Texas, and are available for public inspection at the offices of GTE Southwest Incorporated. Persons who wish to intervene or otherwise participate in these proceedings should notify the Commission. The deadline to intervene in this docket is 3:00 p.m., March 19, 1990.

A request to intervene, participate, or for further information, should be mailed to the Public Utility Commission of Texas, 7800 Shoal Creek Blvd., Suite 400N, Austin, Texas, 78757. Further information may also be obtained by calling the Public Utility Commission Consumer Affairs Division at (512) 458-0223 or (512) 458-0227 or (512) 458-0221 teletypewriter for the deaf.

place to live. There has always existed here a tough-minded and pragmatic realization that we have to help ourselves. We also have to think about the future we are preparing for our children and grand-children. If we want them to grow up in a community which has strong values and good opportunities, then we are the only ones who can prepare it for them. If we continue to work together toward closely defined goals, we can make a measurable difference in the quality of life in our community.

The 1990 GENERAL MEETING will be held March 8th and 9th to set new goals, to encourage new volunteers to participate, and to allow those who have contributed in the past to withdraw, if they so desire. STATEMENT OF PURPOSE "Our purpose is to improve the quality of life in our community by attracting new industry, developing tourism developing arts and cultural activities, increasing the population base, and improving the aesthetic quality of our town."

1989 TASK FORCES AND GOALS SUCCESSFULLY COMPLETED: Community Image Task Force, Gaynelle Riffe, Chair. Goals: 1. Obtain School Board cooperation in utilizing cable channel 6 to improve personal community communications. DONE 2. Sponsor a community-wide training program for civic organizations to explain the who, what, when, and hows to utilize channel 6. DONE 3. Develop a long range plan for landscape design on Main Street & high profile areas. IN PROGRESS. Additional accomplishments: Made request to commissioners court for identifying sign on county barn. Prompted wildflower planting on highways. Prompted aesthetic improvement at highway intersection. Constructed Gazebo in city park. Economy & Business Task Force, Sharon Brown & Margaret Reed, Chairs. Goal: 1. To strengthen Existing Businesses by instituting a business directory. DONE Additional accomplishments: Sponsored visit from Panhandle Small Business Development Center.

Travel & Tourism Task Force Scott Buckles, Chair Goals: 1. Investigate advantages of City owned RV Park. DONE 2. Research Dumas city RV Park and pursue avenues of help available. DONE 3. Erect highway signs promoting Stratford. DONE. Additional accomplishments: Obtain gift of land for RV Park. Testified at highway department hearing for extension of fourlane highway north to state line.

Recreation & Entertainment Task Force, Ann Wells, Chair Goals: 1. To present, from July 3rd to July 26th, a children's workshop covering music, movement, drama, and graphic arts. DONE

Health, Social Services, and Education Task Force Steve Griffith, Chair, Goals: 1. Get water tower survey done correctly and submitted by July 1st, 1989. DONE 2. Present a Jr. High Career Day before the end of school year. DONE 3. Determine, by the end of 1989, exactly what will be required to establish and implement a

catastrophic fund for families. IN PROGRESS 4. Determine, by the end of 1989, if low income housing for the elderly is needed for our community. DONE (Insufficient Need).

A big thank you is due to everyone who, volunteered their time, energy, and influence to help our community. This may very well be a critical time for us, and you are helping to make the difference that will result in progress, growth and development into the twenty first century.

was just a streak going by when that high speed chase went through Kerrick recently.

Bill and Pat Boren spent a week visiting in Plano, Houston & Waco. In Houston they were guests of Joe and Judy Boren. They saw a Celtics-Rockets basketball game and did a lot of antique shopping. They spent a night in Waco with Joe Bill & Jennifer Boren.

Saturday Terry and Barbara Schoonover attended the "Make-A-Wish" Car Show in Amarillo. They had a good visit with the Boots Aventura family and saw Lorri Morgan in concert.

Sunday Kenneth and Lynn Wells, Derrek Wells, Alvin and Dayle Harris, Dean Harris went to the car show.

Dick and Marjorie Munden of Claude were overnight guests of her mother Virgie Mathews.

Ray Allen Martinez of Stratford spent the weekend with the Leonard Hawkins family.

# Chamber Chatter

By J.A. Lasley

Surely this will be our last snow! I just know that spring is just around the corner. At any rate the snow was nice and the precip. was even better.

Unfortunately the Women's Division sponsored luncheon had to be postponed; however watch, because we will be having Lynn Wells and Nancy Kimball bring the program on CASA at a latter date. Many folks have felt that this was just for members of the Women's Board, or just for women, period. WRONG! These luncheons are for the general public, as a matter of fact the public is urged to come. These programs are very informative and to your benefit to be present.

As this is going to press I will have been to Austin to the Texas Highway Trunk system meeting. It is unfortunate that more from Sherman County and Stratford could not have gone. It was the presence of several along with Judge Frizzell that 287 4-lane continued on from Moore County several years ago. I'm sure everyone is interested in its continuing on north through Stratford and not our neighboring town to the west of us. AS the old saying goes we get out of anything what we put into it.

Thanks to Scott Buckles the Chamber of Commerce has a Kaypro 10 Computer. Of course this mgr. has got to learn to make the computer do its thing, that might take some doing. I have mastered how to turn it off and on. This was very

generous of Dana and Scott, its folks like these that believes in the Chamber and what the Chamber can do for the town and county.

Congratulations to GOPHER'S on their second anniversary in being a part of Stratford and this community.

Parents don't forget the preschool screening, to be conducted on March 2 (Friday) at the Mary Allen School. This is designed for children ages three to five. Vision and hearing will also be screened. Take advantage of this parents.

Volleyball anyone? There are some that are going up to the school on Thursday evening and playing, if you so inclined go up and join. The Chamber sponsored Volleyball tournament will be coming up before you know it and we want a number of teams from here. If you are interested in forming a team please notify the Chamber or touch base with Roy McAlister.

Thanks again to the City for getting our streets cleared and safe.

# Museum Notes

Well, the snow is melting and the sun is bright again so its time to enjoy the fresh air on a trip to see the new displays at the Depot. You just may not recognize us at all! Pat Boren has been busy changing all the displays and she's done a great job!

Bill and Selma Pendleton have allowed us to show their collector plates. They began collecting several years ago and by now have quite a few. There are seven different kinds of china included in the collection. You'll find many of Norman Rockwells' scenes, each one a fond memory. Then there are the Indian chiefs and the mothers plates. Bill says he learned, after he threw some away, that the boxes collectors plates come in are almost as valuable to the collector as the plates! That should make the closet "box collectors" among us feel better!

Speaking of plates, don't miss the collection that was

given to MariHoward Engelbrecht by her mother. There are state plates, with a few surprises. There's one I'll bet you'd never seen before! Then don't forget Bonnie Borth's collection of Madonnas. It's a most unusual collection. They make a very interesting display. Each detail of the dolls means something different, such as how one stands or how the hands are placed. Even if you don't know all the details, you can still enjoy their beauty. Speaking of beauty, Ruby McNeal has loaned us some of her beautiful paintings. Ruby is another member of our local art group that has graciously supported the Depot. They have been loaning us their beautiful art since the Depot began and we appreciate them! If you've not met these ladies, come to the Depot regularly and you'll meet their work. Hope we have your favorite soon at the Depot!

The pyramid on the back of the one dollar bill is left in an unfinished condition to symbolize the quest for a more perfect government and additional states in the Union.

Keep As A Handy Guide To The Area's Best!

**GEE WILLS MACHINE SHOP**  
Owned & Operated by Gee, Diana & Sam Wills

935-3430  
134 N. Dumas Ave.  
Dumas

For most of us living and working in these oil and agriculturally-related industries here in the Texas Panhandle, properly working machinery is an economic "must"! When an engine breaks down, knowing an expert machinist is equally important! At the **GEE WILLS MACHINE SHOP**, in **Dumas**, phone **935-3430**, you'll find precision machine work done on all parts and engines as well as many other quality services.

Quite often the life of a machine can be extended by simply upgrading parts rather than having to purchase a whole new engine! If those parts need to be designed and engineered, **Gee Wills'** 18 years experience and expertise can fill this highly technical bill! He and his staff operate a shop that is equipped to handle various types of engines and parts used by the industries in this part of the country. If you are in need of quality **lathe work, crankshaft grinding and straightening**, this is the place! They also feature **TRW engine parts, Wesco valves and safety seal products** and offer **submerged ARC crank repair, align boring, cylinder boring and valve jobs**. Also, if you're experiencing some problems with older equipment, don't despair as this is one shop that can get you back in good shape with rebuilding of the parts that are no longer available. Many times, **Gee and his staff** can rebuild a part and get you back into operation quicker than if a new part had to be ordered!

For your convenience, **GEE WILLS MACHINE SHOP** is open M-F 8am - 6pm. So... this Spring, don't let timely break-downs hurt you economically, give **Gee, Diana or Sam** a call and let them get you back in operation again!

For Safe, Professional Moving

This Spring Leave The Hauling To

**TUMBLEWEED**  
CATTLE TRANSPORTS

Robert & Fay Mast, Owners

Since 1987, area cattlemen have come to rely on the services of **TUMBLEWEED CATTLE TRANSPORTS**, in **Dumas**, phone **935-5973**. They've experienced the satisfaction of knowing their cattle are being moved safely and efficiently by these local experts. Robert and Fay Mast and son, Gary, bring to this industry genuine concern for doing the job right!

These professionals have some of the most modern and up-dated equipment available... new 48-102s! Dehydration, anxiety and other factors which add up to costly weight loss at the market will not be tolerated by this trucking firm. Delivery time is determined on an average 50mph speed from chute to chute to insure a safe and efficient delivery time.

This family owned and operated business wants to get to know you and your livestock hauling needs. They're small enough to give you expert, personal service and backed by Robert's 12 years of experience in this field. From cattle to hogs, they can move your livestock anywhere, 24 hours a day. They've transported livestock to and from Colorado to Florida and throughout the entire Southwest.

Competitive in price quotes, and eager to meet their neighbors in Stratford, the Mast family invites you to call them the next time it's time to move your livestock!

We've tried to tell you about all the precise and technical operations that exist here as at all the feedyards, owned and managed by **CACTUS FEEDERS, INC.** Still... there just isn't anything like seeing for yourself to understand the successes that **CACTUS FEEDERS, INC.** has given Panhandle farmers and ranchers for over 14 years! Ask around. They'll tell you; they know from the moment their cattle unload off the trucks, they become part of a carefully orchestrated chain of events resulting in maximum gain and profitability. Isn't that exactly what every good cattleman wants from his cattle investment? How about you?

With corporate offices now in **Amarillo**, at **2209 West 7th**, phone **806-373-2333**, **CACTUS FEEDERS, INC.** still offers current and prospective customers a full-line of services including in-dept market analysis, financing, commodity futures hedging, and point-of-sale marketing to local packers. Here, you'll also find a professional staff, whose expertise include a wide-range of technology and knowledge including cattle health and nutrition.

At the yards, feed conversion rates are scientifically calculated and monitored daily by each yard's manager and his staff. With a feeding capacity of over 300,000 head of cattle, these fully mechanized yards rely upon state-of-the-art systems and equipment to insure their successes! Add a professional staff and you'll find first-rate commercial cattle feeding operations in your own community.

Why wait for Spring? Call **Jack Rhoades** now and see for yourself what is available to you at **CACTUS FEEDERS' STRATFORD FEEDYARD?**

**Spring Forward With Expert Muffler Installation**  
From  
**b & g MUFFLER**

If you own a transport truck or motor home or any oversized vehicle and are in need of professional muffler service, **Danny Doyle** can custom build and install a new muffler for your special needs! Not many muffler shops are equipped to handle both personal vehicles as well as the larger ones, but **B & G MUFFLER SERVICE**, located on the north side of **Hwy 54 West** in **Dalhart**, phone **249-5415**, has the proper tools and Danny's know-how to get the job done quickly and economically.

**Danny and Susanne** can't stress enough the importance of having your exhaust system checked regularly. With the extensive amount of driving we all do here in the Panhandle, it's important to the safety of our family and employees to have properly functioning systems in all our vehicles! Our Stratford area readers are encouraged to stop by for **Danny's expert muffler inspection** without obligation. You owe it to yourself, your family and drivers.

**Danny** would like to remind you that tail pipes, headers, and custom pipe bending are just a part of his services. He is always glad to recommend the best muffler system for your driving needs, but he also will custom build and design for your irrigation motor sheds, custom bumpers, headache racks, and trailer hitches. All are built to your exact specifications. Need someone to look at your brakes, too? Just ask **Danny**.

If you're planning to take the motor home out during the kid's spring break, now is the time to bring it in for inspection. If you need a new trailer hitch, now's the time to do it, too. So... this Spring, don't forget **Danny's B & G MUFFLER SERVICE** when you need expert muffler service or any one of the many other services available here!

**Best Western Dumas Inn** 935-6441 1712 S. Dumas Dumas

Is there a wedding reception, awards banquet or family reunion in store for you this Spring? And... are you in charge of making all the arrangements for a successful gathering? Well, it's a snap! Just down the road in Dumas is the newly redecorated **Best Western DUMAS INN!** No need to go the distance to Amarillo as **Manager, Mike Detwiller**, invites our Stratford Star readers to call him for more information about his fine Dumas hotel and their facilities. Better still, stop by for a grand tour. You'll find the 103 guest rooms and banquet rooms are top-notch. You'll also find an excellent menu from which your guests can be served.

Need extra rooms for over-flow company or out-of-town business clients? The rooms here are tastefully redecorated and many over look the beautiful, indoor heated pool and jacuzzi! What more could there be? Well, plenty! There is an excellent on-premises restaurant and a newly decorated club with large dance floor.

The restaurant features a Sunday buffet fit to please any Texas-size appetite and they open early for breakfast daily. On Wednesday and Friday nights, there is also a scrumptious three meat buffet featuring such favorites as roast beef, chicken and ribs. **DUMAS INN's** club, **The Yellow Rose** is open nightly except for Sundays and features free hors d'oeuvres from 5-7pm and big screen TV for all those sporting events. Ladies' night happens twice a week... on Tuesdays and Thursdays. To add to your dancing enjoyment nightly, there is a live D.J. playing your favorite songs, and on occasion, a live band is featured!

The friendly, efficient staff at the **DUMAS INN** greets all guests and business clients warmly and is happy to guide them to places for shopping and of historical interest. There is ample truck parking for our truck-driving guests, and our commercial rates keep us competitive with the other hotels in town. All major credit cards are welcome and so are our senior citizens, who enjoy a 20% AARP Discount. Now, doesn't planning that special meeting or celebration seem a lot easier since you know **Mike** and his staff will take care of the work for you? And don't forget, all can be yours at prices to fit any one's budget!

### Panhandle Pest Report

#### GENERAL SITUATION

Greenbug and Russian wheat aphid infestations are low at this time. A few army cutworms are being reported

#### WHEAT

The low temperatures that occurred in December apparently had a devastating impact on the aphid populations in wheat. Although greenbug numbers were not high through the fall, the cold December has made them all but nonexistent at this time. Begin routine field scouting for this pest, for what few remain will increase rapidly as warm weather sets in.

During the fall, from throughout the Texas Panhandle, I received many inquiries about infestations of dark brown aphids feeding on the roots of wheat. These aphids were identified as rice root aphids. What little information I could find on this aphid would indicate that it should not be much of a problem. Some of you differed with me on that and blamed some of the lack of "rooting down" on this aphid. I never found a situation where you could definitely say the rice root aphid was the culprit and not the extremely dry soil conditions that existed. The December cold seems to have dramatically reduced this aphid, too.

It remains to be seen that the Russian wheat aphid will do. Only a few isolated light infestations could be found through the fall. I am sure the December temperatures had a detrimental impact on the RWA, however, routine field scouting for RWA should begin now so that we are not caught by surprise.

The application for a Section 18 on Lorsban to control RWA is still pending.

The dry conditions that existed through the fall and continue now are ideal for army cutworm development. Some light infestations have already been reported, so begin routine checks for this pest. During the day they will most often be found in the loose soil around the base of the wheat plant. During the nighttime or cloudy days they will be up feeding on the leaves. They can do considerable damage in a very short time. They can feed at temperatures just slightly above freezing and will be full-grown by late March or early April.

When female elephants fight, it is said, they usually try to bite each other's tail.

The word rabies comes from the Latin and means rage or fury.

## Farmers & Ranchers To Start Withholding Taxes From Employees

Starting in January 1990, employers are required to withhold income tax, regardless of the number of employees. Prior to 1990, agricultural producers with 10 or less employees did not have to withhold federal income taxes when paying employees. Although farmers were required to withhold Social Security contributions, many were not required to withhold any income taxes under the old rules. This change will require many farmers and ranchers to ask their employees to complete a W-4 form, "Employee's Withholding Allowance Certificate". Next January, these same employees must be provided a W-2 form,

"Wage and Tax Statement 1990" by their employer.

Income taxes and Social Security payments withheld must be submitted to the IRS on a regular basis. If the accumulated liability at the end of each month (employee and employer contributions) is \$500 or more, the amount withheld must be submitted on a monthly basis by the 15th of the following month. These payments are made into an authorized bank using a pre-inscribed Federal Tax Deposit Coupon Form 8109-B.

If the total un-deposited taxes for the quarters are less than \$500, the payment is due on a quarterly basis by the last day of the month following the quarter.

## Tips & Topics

By Susie Spurlock County Extension Agent

Celebrate Nutrition Month by following the theme of "Enjoy the Taste of Eating Right," says Mrs. Susie Spurlock, Sherman County Agent with the Texas Agricultural Extension Service.

She suggests eating a diet which fits into the dietary guidelines of most health organizations and governmental agencies.

Susie said the best diet is a varied one—in moderation. "That means you should eat from all the food groups and not consume any one of them in excess," she said.

"It's okay to have a soda or a candy bar, but don't make your whole diet sodas and candy bars. You need lean meat, bread, milk and fruits and vegetables. It's too easy to buy a hamburger and forget to also buy the salad". And don't forget to exercise.

"Look at it this way: there are three forms of energy we have to be concerned about," Susie said.

First, you need energy to keep everything functioning—your heart, kidneys and

acquired through patience and practice.

Good communication involves both verbal communication, or that which we do with our words, and nonverbal communication, or that which we do with our bodies. Good communication involves not only talking, but also effective listening.

Although the principles of effective communication are relatively simple, applying them is not always easy. However, families who put in a conscientious effort will notice significant improvement in their families' communication patterns.

lungs. You also need energy to digest food and for physical activity.

It's only the physical activity over which we have much control. We should at least try to burn as many calories as we consume, she said.

Studies show that people who follow a varied diet in moderation and an exercise program have less stress and feel better about themselves, Susie said. That's what enjoying the taste of eating right is all about.

Farmers and ranchers should use Form 943, "Employers' annual Tax Return for Agricultural Employees" to report a summary of contributions. Although this form is filed annually, agricultural producers must remember that the payment of the tax liability is made monthly or quarterly, as explained above.

### Out The Library

By Dorothy Haile

Are you a stamp collector? Even if you are not, you would find the exhibit at the Sherman County Public Library very interesting. This collection has been provided by Felix R. Saenz.

This unique collection covers a wide variety of areas. The Statehood Series is very interesting. With each stamp is information of the "first day of issue" and the city where it was first issued. The stamp designer is listed, also. Historical information with an update is given on present day prosperity of the state, its industry, educational facilities and other public services.

The Wildlife Series covers state birds and flowers. Information is available on the habitat of the bird, how to recognize it, and its song or call. Flower descriptions provide color, size and some history for selection by the state.

The constitution series is timely since this year marks the 200th anniversary of the adoption of the document. A phrase from the constitution has been placed on each stamp.

There are several other series that Mr. Saenz has placed here to be seen. Come by the library to view this outstanding collection. Our grateful thanks to Mr. Saenz.

The real name for the Statue of Liberty is "Liberty Enlightens the World."

## Farmers To Elect Corn Board

Texas corn producers will elect the board of directors to administer the statewide research and promotion program proposed in an April 4 referendum sponsored by Texas Corn Producers Board (TCPB). Referendum passage will establish a statewide unified program of market development and expansion and work on control of aflatoxin, insects and other production problems. The goal of the program is to keep corn a profitable crop in the nineties.

Nine directors will be elected from a slate of nominees submitted by producers. Any corn farmer in the state is eligible to vote

## Cards of Thanks

Many Many thanks to Dr. Harlow, Brother Derrel Lewis and EMT's for their very efficient care when I needed them. Thanks again very much.

## Stratford Rifle & Pistol Club

The Stratford Rifle and Pistol Club will be holding the National Indoor Conventional Pistol Sectional March 3 and 4, 1990 in Stratford at the local range on Hwy 54 East. This will be the 19th year they have held this match. Shooters from Kansas, Oklahoma and Texas will be competing for National honors. In years past they have had local shooters to win their class for national honors. The match is open to anyone wanting to compete in Conventional Pistol.

## School Annuals

Stratford school annuals for the 1989-90 school year are on sale until March 23, and may be ordered through annual staff members or sponsor Delvin Howard for \$22 each. No extras will be ordered. The annuals will be delivered in August.

Orders from Mary Allen Elementary may be placed in principal Steve Haynes office, and orders from the middle school may be placed in principal Jim Taliadro's office. Extra annuals are available from most years since 1977 and may be purchased from Mr. Howard

or to be nominated to serve on the board of directors. A nomination must be submitted to TCPB prior to a March 4 deadline. It must be signed by the nominee (agreeing to serve if elected) and ten other corn farmers.

The statewide referendum has been called at the requests of corn farmers throughout the state. Aflatoxin has threatened corn production throughout the Blacklands and South Texas regions. Insects and diseases have also been an increasing problem in many areas. Producers have called for a research and promotion program to be financed by a unified checkoff of a maximum of one-half cent per bushel to be collected at the first point of sale. The assessment will be refunded by TCPB upon request of the producer.

Ballots will be mailed to Texas corn farmers in March. Ballots will also be available at county agents' offices. Marked ballots must be postmarked and returned no later than April 4. Producers in the current seven-county TCPB area will vote only on the directors and not in the referendum.

In a referendum, directors (by law) must be elected "at large." TCPB has voted to establish districts & directorships based upon produc-

## Special License Plates Coming This Spring

Thanks to new legislation, Texans will soon be able to obtain special license plates with the name and insignia of their favorite Texas, college or university and support a special scholarship fund for the school at the same time.

The legislation also provides for specially designed license plates and lower registration fees for Pearl Harbor survivors and Purple Heart recipients.

The plates, for passenger cars and light commercial vehicles, were approved in the last session of the Legislature. They will be available in late spring.

Collegiate plates will be issued for any public or private college or university that can certify to the department that at least 1,500 of the plates will be purchased. The collegiate plates will cost \$30 in addition to the motor vehicle registration fee. Of that cost, \$25 will be deposited in a special scholarship fund for the school. Personalized collegiate plates are available for \$40 plus all other applicable fees.

License plates for Pearl Harbor survivors and Purple Heart recipients will cost \$3, a substantial reduction in standard registration fees. Military personnel stationed in the Hawaiian Islands on Dec. 7, 1941, are eligible for the Pearl Harbor plates. Purple Heart recipients are eligible if they are still on active duty or have received an honorable discharge. Applicants must show proof of eligibility and can receive one set of the special plates.

A \$3 fee for Former Prisoner of War License plates was established by the same legislation.

Personalized Pearl Harbor Survivor and Purple Heart Recipient plates are available for an additional \$40.

Applications for special plates are available at county tax assessor-collector's offices or the highway department's Division of Motor Vehicles headquarters and regional offices.

Information on the availability of specific collegiate plates can be obtained by calling the highway department at 512-465-3639. Information about Pearl Harbor, Purple Heart, and Former POW plates is available at 512-465-3641.

### Sugar

Q. I worry about how much sugar my 12-month old daughter eats, should I let her have birthday cake?

A. An occasional sugary treat, like birthday cake, is fine. Moderate amounts of sugar can be part of an infant's balanced diet. Sugar provides calories and makes some foods taste better. Too much sugar however, can replace other more nutritious foods in the diet.

Sugar has been linked to tooth decay. Bottles of liquid containing sugar (such as juice or milk) should NOT be used as pacifiers or to put the baby to sleep. Natural sugars found in these liquids can pool around the teeth and gums and cause tooth decay.

Artificial sweeteners and foods which contain sweeteners are NOT recommended for infants.

Every baby is an individual. Consult your baby's healthcare professional for specific feeding instructions. For additional information about differences between adult and infant nutritional needs, and a copy of the Gerber Dietary Guidelines for Infants, call 1-800-4-GERBER.

tion after the passage of the referendum. During the transition, every corn producing region will be represented by producer-elected directors and representatives.

TCPB currently serves a seven-county area in the Texas-High Plains. The area produces over thirty percent

of the corn in Texas. TCPB has been very effective in implementation of insect control programs and development and expansion of corn markets. Weldon Davis, TCPB chairman, encourages all Texas corn farmers to study the opportunities of a statewide program and to participate in the election process.

### This Check Will Self-Destruct

Under a new law all IRS refund checks should be cashed within 12 months of the date on the check. After that date, the check will be invalid. The taxpayer will have to contact the IRS and reestablish his or her right to the funds before a new check can be issued.

**CHOCOLATY BRIDGE MIX**  
1/4 cup (1/2 stick) butter or margarine  
2 cups crunchy-style baked oats cereal  
1/2 teaspoon cinnamon  
2 tablespoons sugar  
1 tablespoon vegetable shortening  
1/2 cup vanilla melting wafers or chips  
1 cup dried apricot halves  
2 cups (16-oz. pkg.) "M&M's" Peanut Chocolate Candies  
3-15-p

Preheat oven to 350°F. Melt butter in large baking pan in oven; add oats cereal to pan and toss to coat evenly; sprinkle with cinnamon-sugar mixture. Bake 10 minutes. Remove from oven; let cool completely without stirring.  
In small saucepan over low heat (or in glass cup in microwave oven) melt shortening and vanilla wafers or chips, stirring frequently until smooth. Dip each apricot half in melted mixture. Place on a tray covered with waxed paper. Refrigerate until firm. Combine oats cereal, apricots and candies. Store in tightly-covered container in refrigerator. Makes about 8 cups.
