The second and main session will be in the sanctuary for the regular Sunday worship service time

beginning at 10:50 a.m.

Planning A Job Search & Looking At Job Options

Today's unstable economy has forced many layoffs due to the closing of plants and offices, budget cut-backs, and the reduction of many positions in government and private agencies.

"Finding another job isn't easy. After the initial shock of job loss is over, reality surfaces and you're compelled to look for another job," said Dorothy Taylor, family life specialist with the Texas Agricultural Extension Service.

An unemployed person may want to stay in their same field, or examine new job options. Either way, strengthening job search skills is wise, said Taylor. People in executive, managerial, or corporate positions often need more than a year to find a job at a similar level. Stepping up potential may shorten an individual's period of unemployment.

The first step in a job search is to identify the areas of strength. Businesses want to hire people who can attack specific problems. The resume for instance, should highlight accomplishments; not titles, said Taylor.

A person is advised to organize a strategy. They should let lots of people know they are seriously looking for employment. A job search should be treated

like a work day with regular hours every day.

A general in a job search is that it takes one month of hunting for each \$10,000 of salary desired, so it is important that an individual take steps to insure financial security.

A person should talk to creditors, particularly their mortgage lender. Other steps in financial planning include negotiating smaller payments or grace periods, taking well-earned unemployment insurance, borrowing money to keep assets and keeping insurance policies paid up.

It is most important to bring the family together on the matter, the Extension specialist stressed. Family members should realize the reduced financial state, and cut down on luxuries. For instance, postponing an expensive vacation, even if it would relieve tension at this stressful time, will help get costs down.

Good job skills can make landing a job easy. The hard part to some people however, is choosing an occupation. The United States Department of Labor reports that there are 23,000 separate occupations in 14 fields today. Some of these include industrial produc-

TO ALL FORMER AND CURRENT INTRASTATE WIDE AREA TELECOMMUNICATIONS SERVICE (WATS/800) SUBSCRIBERS:

Southwestern Bell Telephone Company has instituted a Class Action Lawsuit seeking judicial approval of a settlement reached in Docket No. 7297, an inquiry of General Counsel of the Public Utility Commission of Texas into possible overcharges which occurred between September, 1976, and February, 1987, due to rounding practices, on bills of intrastate WATS/800 customers sent by Southwestern Bell and other telephone companies which concur in Southwestern Bell's tariff. The suit is styled "Southwestern Bell Telephone Company, Plaintiff, vs. MCI Telecommunications Corporation, A Member of the Class of Texas Intrastate WATS and 800 Service Customers Who Paid Overtime Charges From September 1976 Through February 1987, Defendant," and identified as Cause No. 471,460 in the 126th Judicial District Court of Travis County, Texas.

Pursuant to the settlement, while not admitting liability, Southwestern Bell, the other local exchange telephone companies in Texas, and AT&T Communications of the Southwest, Inc. have agreed to pay refunds to those WATS/800 customers who paid overtime charges attributable to the rounding practices for intrastate WATS/800 services at any time between September, 1976, and February, 1987. The refunds will be based upon either the actual or estimated amount of overtime charges attributable to such rounding practices. An exact refund will be determined for customers able to produce copies of their WATS/800 service bills. For customers who do not have copies of their WATS/800 service bills to establish actual overtime charges paid, an average refund of \$4.53 to \$5.95 per WATS/800 service line per month will be applied. All claims will be subject to verification. The refunds will also include interest at the rate of 7.80% per annum.

SCOT Notes

by Timmie Brown

Happy Day to you Sherman County Older Texans, Friends, Neighbors and Scotters this quietly peaceful Monday morning, June 18, 1990. At 6:15 a.m. twilight there is a hush over Stratford, Texas that portends a special day for Senior Citizens, we trust! Even the Scotter Calendar of events shows only regular activities until Thurs., June 21st when a bus trip to Amarillo will take place, if there is a demand for such. However on Sat. June 23rd a two day trip to Santa Fe is scheduled which will begin at 5 a.m. bus leaving from Scot Hall; Scotters, note that Thurs. June 28 at noon is June dinnertime!

A leisurely week to Scotters and Senior citizens! Tues. June 12th some ceramic workers and game players enjoyed a cool afternoon at Scot Hall; included were Charlene Oquin, Billie Lu Thompson, Opal Bryant, Clarence Willmon, Timmie Brown. Enjoying game night Friday June 15 were Jewel Dovel, Opal Bryant, Corda Pleyer, Rowena Williams, Clarence Willmon, Minnie Reeder, Elsie Pickens, Leona Woods, Gladys Arnold, Lillie Galloway, Timmie Brown and Dorothy Robbins, assistant director.

Monday, June 11 citizens of Sherman, Dallam, Texas counties were shocked and grieved by a tragic train-car wreck in Nebraska which resulted in the death of four persons of the Goodpasture family, Dalhart. The Goodpastures are descendants of Wm and Ida Harland, Texoma who came to the Panhandle in 1916 (GGG Vol 11 p. 297) Our apology for the fact that the paper carrying information this event has been destroyed and so, our information, Sherman County Older Texans Christian love and prayers are extended to all the bereaved family members. The deceased included 4 and 5 generations persons of the Harland family.

Congratulation and "Iuv" from SCOTers to Renne Allen and Jagee Crownover; Sara Alicia Garza; Mary K. Engelbrecht, Sheri Murphey Kristi Harrison and Michael D. Davis; Melanie Ann Hembre and James R. Elmore, Curt Wisdom and Karen Kubicek; Christie Willey and Clinton H. Wood; Jacque Chesher Bierschen and Jordan Lane; and our bowling Scotters Minnie Reeder and Joyce Brooks. Kristi Harrison is a fourth generation Blackburn and a fifth generation Flores family person.

Michael Powers arrived in Stratford from Germany June 13th to find sister Joy Powers in Dumas hospital and mother Lorelyn Powers in attendance. Nothing could dampen his spirit though; he is home.

H.L. and Geneva Haile met Alan, Patty, Nathan, Marc and Chris Haile; Marian, Ronnie and Elizabeth Williams in Angel Fire, N.M. for a Fathers day celebration. Unavoidable circumstances kept Lorelyn, Matt, Mike and Joy Powers from joining them. Scotter Fern Gupton will soon be home from the hospital. Fern has lately had her foot amputated. She is recuperating fine, and is cheerful and thankful. Power to you, Fern! Sid Anthus

became a guest at Coldwater Manor last Friday. Cyvilla Garst Butts is listed as being in serious condition in a Dallas hospital, being released from critical list Sunday p.m. June 17, 1990. Cyvilla, a former Stratfordite is Mildred James sister.

Our days were brightened by best wishes from friend Natalie Clark, Dumas, a former China painting student of the late Retta Butler; Donna Knudsens, Fla, phone call and a report from grandmother Lorraine Sams that little Samantha Rae Hart arrived at the home of her parents Kathy and Jon Hart on Saturday, June 16th, 1990 which was the 41st Wedding Anniversary of her grandparents Joyce and Wm. G. Hart. Samantha Rae is a fifth generation person of the Baskin family.

The following is the outline of the Sermon we heard Sunday 6-17 1990 a.m. Title: "The Father: A Childs Picture of God" Text: Prov. 4:1-5. Introduction: The earliest concept of God in Children comes from their perception of their parents. Long before they understand anything about an unseen God, they are forming relationships with their parents, which will help

shape their view of God.

1. God is Love if Father is love.
2. God is Holy if Father is Holy.
3. God is Giving if Father is Giving.
4. God is Gentle and Kind if Father is Gentle and Kind.
5. God is Instructor if Father is Instructor.
6. God Serves if Father serves.
7. God is Patient if Father is patient.
8. God listens if Father listens.

Preached by Pastor Derrel Lewis, First Baptist Church, Stratford. Our comment: This is the most logical, sensible, challenging and fundamental presentation of how a father (parent) can help his child shape his relationship with God. Our position: I am a child of God by redemption: of the Baptist denomination persuasion by choice: and believe this idea of fathering (parenting) is purely Christian (Jesus-following) teachings, given to help solve what seems to be insurmountable problems of child-rearing in this day and time, Amen. I ALSO believe the teachings apply to grandparents and great grandparents. That is where Senior Citizens enter the picture! Love, clean living, reverent, giving, gentle, kind, teaching, serving, patient, listening, attentive! and these to shoulder pats and "Iuv u" this week.

The Family of
Sidney L. Anthes

Dearest Friends,

We know of no other ways you could have come to our aid, during Clifford's long illness and after his death, than the ways you did help us. Your prayers, financial help, help with special chores, cards, food, flowers, visits, calls and love kept us going through the roughest times and meant so much to Clifford. The funeral service was so comforting, the music was beautiful, and the dinner was delicious. We extend a special thanks to Alton Gross, John Wagoner, Bill Kent, Dr. Harlow, Carl and Marilyn Jinnette, EMTS, Health Service nurses, A.A.'s, and I know there should be many more. We thank all who, in anyway, helped in our behalf. We love and appreciate you for your concern and assistance.

Chamber Chatter

If you recall-(or even read) my chatter two weeks ago-I left you with this thought-If you've flown recently, or even the saying goes: "You can't go anywhere without going through Dallas."

Wayports: A concept-desperately needed to provide massive airport and airspace capacity for the next century. The "wayports" concept describes a system of 4 or 5 strategically positioned airports facilities in rural, unpopulated areas and unused airspace where there would be little opposition or problems with noise or environment.

Developing major new airports in metropolitan areas is apparently futile since none have broken ground in the past 25 years. Even if monies were available public opposition could and possible doom or certainly delay new airports.

Wayports would be a true system facilities identified with and located to serve large geographical region such as: the West Coast, Southwest, Mid-Continent SE and NE, low cost rural land would be utilized. Development cost minimized A dependable reserve of airport and airspace would be available for the next generation aircraft like the proposed hypersonic transport plane and 1-million pound cargo airlifter. Wayports could be located Worldwide and be linked with those in the U.S. to provide new global entrepreneurial opportunities.

Finally-everyone knows what "Interstate" means. "Wayport" is to the airport system what "interstate" is to the highway system. No doubt we will be hearing more and more about wayports.

How patriotic are you? If you feel strongly about the U.S. flag-better you should let your Congressional, representative know-as well as back President Bush. The 4th of July is fast approaching-our independence day, do you want "Old Glory Flying"? or a pile of ashes! Exert your rights.

Coming up-so-watch the Commemorative bricks are being placed in the City Park. They should be completed by the 4th of July.

Out The Library

By Dorothy Haile

Janell Pronger

A collection of doll dish sets is on display at the Sherman County Public Library. This collection belongs to Janell Pronger, daughter of Fred and Marsha Pronger.

Janell's collection was started by her Grandmother Howard of Amarillo. This first set was purchased at an estate sale and is of antique quality.

Several of the others sets are probably antiques and are trimmed in gold. These

beautiful dishes were made in Japan, China, England and Mexico. Some are not marked by a company.

She has a unique set made in China that consists of four cups, pitcher, and tray. As you look through the cup one can see a pattern that is not visible unless it is held up to the light.

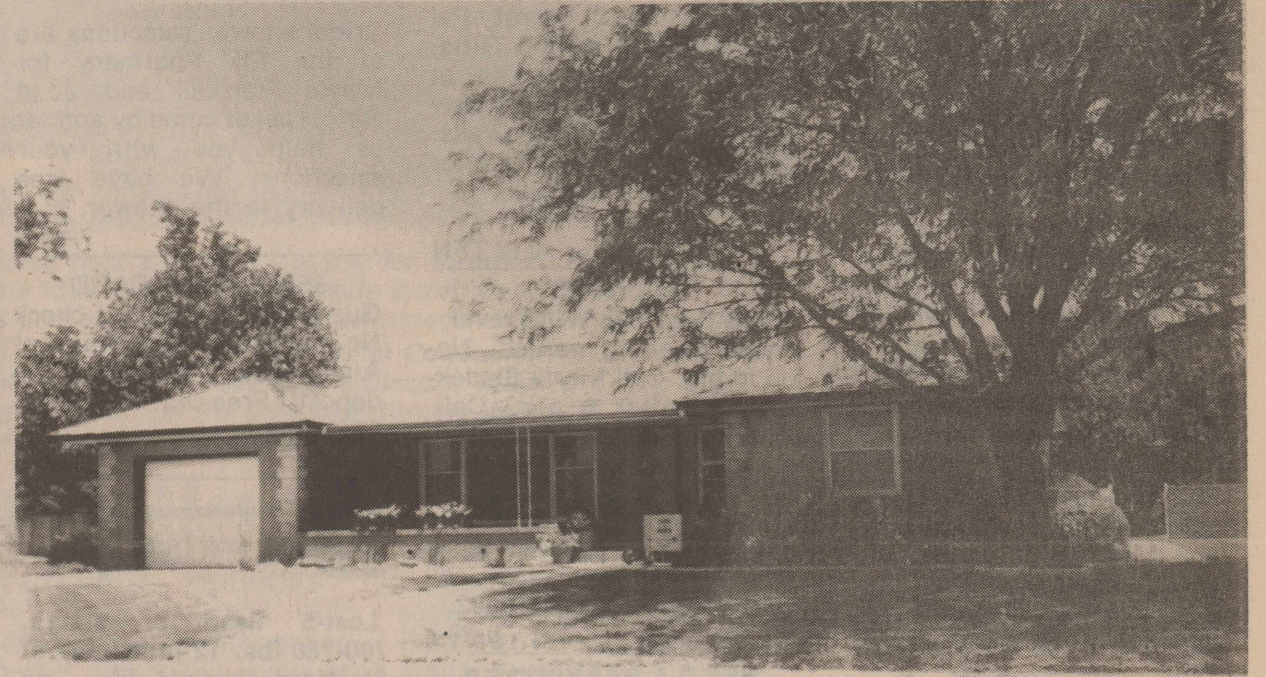

Janell's collection features doll dishes, miniatures, carved wood and a demitasse set.

The SUMMER READING

PROGRAM BEGAN on Wednesday. The children were treated to a story telling time provided by Heather Hussman. Following a mystery search, craft time, book check-out, the children were served refreshments by Gale Shafer and Blynn Bryson.

Other volunteers were Centa Luther, Jimmie Pronger, Linda Swain, Mel-lonne York, D'Lynn Reed, Janell Pronger, Misty Bruns, and Laquita Vaughn.

Unless a person realizes there are many options, they may take the first job they are offered and learn to live with it instead of finding a job that fits their values, skills, and personality and interests, said Taylor.
