First Place Winners were Shane Sawyer, son of Mr. and Mrs. Layton Sawyer, and Trisha Tillery, daughter of Mr. and Mrs. Sandy Tillery, both of Stratford. At right is Bill Benson, director of the Texas and Southwestern Cattle Raisers' Foundation, which donated the awards.

Nearly 450 4-Club members from around the state were winners at the 1990 Texas 4-H Roundup at Texas A&M University June 4-6.

More than 2,400 young people participated in 41 contests at the biggest Texas 4-H event held each year.

In addition to contests, 107 scholarships totaling \$591,000 were awarded to outstanding teens by the Texas 4-H Foundation, the service organization of the Texas Agricultural Extension Service 4-H Youth

Development Program. Texas has the largest 4-H scholarship program in the country.

Scholarship recipients were judged on their 4-H experiences, leadership skills, projects, community services, personal need, and academic performance.

A favorite part of Roundup is the 4-H Food Show. Contestants prepare dishes based on favorite recipes in one of four categories-nutritious snacks and desserts, fruits and vegetables, breads and cereals, and main dish. First-place prizes were \$750 scholarships.

In 40 other contests ranging from agronomy and entomology to rifle shooting and talent skits, young people were judged according to their knowledge and skills. Many of the contests featured method demonstrations and illustrated talks.

"Roundup is a time to recognize outstanding young people as well as adult leaders, alumni and sponsors," said Gayle Hall Laine, 4-H youth specialist and Roundup coordinator. "It's an excellent learning opportunity for hundreds of young people."

Shane Sawyer and Trisha Tillery won First Place in the Beef Cattle Junior Symposium/Donors: American Breeders Service, Texas and Southwestern Cattle Raisers' Found, District 1.

Beef Cattle Junior Symposium means any phase of the beef cattle industry. Topic is production-oriented and relates to management practices such as beef cattle nutrition, reproduction, selection and health.

Area Foundation Pledges Funds

Financial reform legislation affecting Texas' schools has greatly altered the local schools' ability to improve and repair some of its present facilities, making it necessary to seek alternative sources of funds for some projects. The Area Foundation has pledged \$10,000 toward the cost of retopping the track around the football field which is badly in need of repair.

In other action, the Foundation pledged \$1,500 toward the purchase of a new Cable TV Interrupt Warning System which was requested by the local office of Emergency Management Services.

Both of the above projects will require additional funding from other sources for their implementation.

Public Notice

TO ALL FORMER AND CURRENT INTRASTATE WIDE AREA TELECOMMUNICATIONS SERVICE (WATS/800) SUBSCRIBERS:

Southwestern Bell Telephone Company has instituted a Class Action Lawsuit seeking judicial approval of a settlement reached in Docket No. 7297, an inquiry of General Counsel of the Public Utility Commission of Texas into possible overcharges which occurred between September, 1976, and February, 1987, due to rounding practices, on bills of intrastate WATS/800 customers sent by Southwestern Bell and other telephone companies which concur in Southwestern Bell's tariff. The suit is styled "Southwestern Bell Telephone Company, Plaintiff, vs. MCI Telecommunications Corporation, A Member of the Class of Texas Intrastate WATS and 800 Service Customers Who Paid Overtime Charges From September 1976 Through February 1987, Defendant," and identified as Cause No. 471,460 in the 126th Judicial District Court of Travis County, Texas.

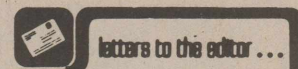

Pursuant to the settlement, while not admitting liability, Southwestern Bell, the other local exchange telephone companies in Texas, and AT&T Communications of the Southwest, Inc. have agreed to pay refunds to those WATS/800 customers who paid overtime charges attributable to the rounding practices for intrastate WATS/800 services at any time between September, 1976, and February, 1987. The refunds will be based upon either the actual or estimated amount of overtime charges attributable to such rounding practices. An exact refund will be determined for customers able to produce copies of their WATS/800 service bills. For customers who do not have copies of their WATS/800 service bills to establish actual overtime charges paid, an average refund of \$4.53 to \$5.95 per WATS/800 service line per month will be applied. All claims will be subject to verification. The refunds will also include interest at the rate of 7.80% per annum.

Claim Forms And Additional Information

Those customers who think they may be entitled to a refund or who desire more information must call 1-800-782-3026, 8:30 a.m.-4:30 p.m., Monday through Friday, or write to WATS Refund Pool Administrator, One Bell Plaza, Room 670, P. O. Box 650376, Dallas, Texas 75265-0376, to request a WATS Refund Information Package. The WATS Refund Information Package will contain further information regarding the lawsuit and eligibility for a refund, a description of documentation required to support a customer's claim for refund, and a refund claim form to be filled out and submitted requesting a refund. REQUESTING A WATS REFUND INFORMATION PACKAGE DOES NOT OBLIGATE YOU IN ANY WAY.

All claims for a refund must be received by the Refund Pool Administrator by Friday, October 5, 1990, and all rejections of the settlement (that is, requests for exclusion from the class action lawsuit) must be received by the Court by Wednesday, September 5, 1990. Only those who respond by filing a claim or by filing a rejection of the settlement, as explained in the WATS Refund Information Package, will receive notice of future developments in this proceeding.

Dear Friends,

We all love the 4th of July, ice cream, watermelon and fireworks, but because of the dry weather, PLEASE be very careful of your fireworks as a fire could be a complete disaster for the farmers and ranchers.

SCOT Notes

Cards of Thanks

by Timmie Brown

Happy COOL day to you Sherman County Older Texans, Friends, Neighbors and Scotters this 65 degree temperature at 7:30 A.M. Monday morning, June 25, 1990.

We trust Sherman County, especially Senior Citizens, are not too "limp" this day after experiencing the 105 degree temperature of yesterday. Scotters at Tucumcari Sunday evening about 8 p.m. Central Daylight Time were informed that citizens there had endured a temperature of 108 degrees during the day. Let us all use common sense today if we are called upon to weather another 105 degree sizzler!

Remember that Scot Dinner is Thursday June 28, 1990 at Noon. Hosts for the occasion are John and Leona Woods, Roscoe and Doris Dyess, Gene and Mary Foster, Doris Parker, Gladys Arnold and Cleve Garrison. Let us bring the coolest, most delicious food we can think of to Scot Hall on Thursday, the coolest, most comfortable place in town for Senior Citizens to meet.

Then for the "Scotter - Toe-Tappers" and guest the same Scot Hall will be the coolest, most comfortable place in Stratford for them to enjoy an evening of dancing on Saturday, June 30. Come down to the Hall, Dancers and friends, for the evening. Other regular activities are going on at Scot Hall for Scotter's pleasure. Take advantage and be present for them.

Writing of dancing reminds us that H.L. & Geneva Haile were among other Air Force Veterans of W.W.II and their wives who were guests of the present personnel of Carswell Air Force Base at Ft. Worth, Tx. on Sat., June 23, 1990. The occasion was to honor former Air Force Generals, Jimmie Stewart in particular, who was speaker for the day and memorial services held at the Base. The Exercises closed with a formal ball held in the Crystal Ball Room of High Rengency Hotel in Ft. Worth. "Betchu" H.L. and Geneva were the handsomest couple there! They represented S.C.O.T. creditably and we are proud of them and their "Senior Pep".

On Thursday June 21, riding SCOT bus into Amarillo for a day of "whatever" were Director, Vicki Gore, driver also; Mary Hill, Billie Lou Thompson, Zola Brannan, Nadine Miller Glennis Owens.

Saturday June 23 at 5 o'clock A.M. the SCOT Bus left Stratford for a two day trip to N.M. On board were driver, Jack Gore, the most patient, long suffering man known, Director Vicki Gore, assistant director, Dorothy, Joyce Harper, Genevieve Wilson, Elsie Pickens, Minnie Reeder, Myrtle Starker, Rose Wells, Timmie Brown. The group intended to go to Sante Fe on Saturday but due to information of a certain convention being held there on Saturday, a decision was made to go to Albuquerque that day. After breakfast in Tucumcari the next stop was Clines Corner. By the time the bus door was open there a young lady was exclaiming, "You are from Stratford and my grandparents live there". She is Annie McClellan, Lewisville, Tx. grand-daughter of Scotters Velma &

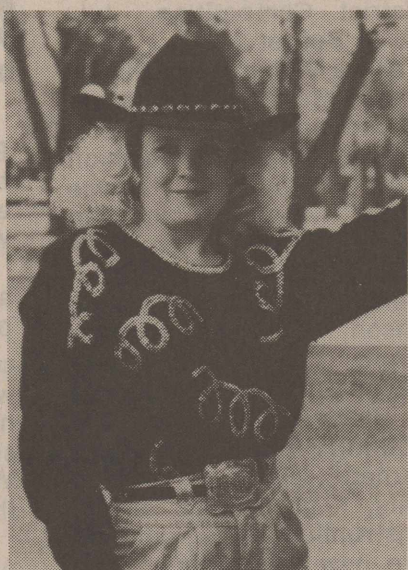

Virgil Plunk. And daughter of Linda Plunk McClellan, Lewisville, Tx., Annie, was with a group of 18 people from Trietsch Memorial United Methodist Church, Lewisville, Tx., which was returning home from a missionary camp in Espanola N. Mex., where they helped in numerous church related activities. David, Annes brother, was a group member but was not available. Annie is a "dear" just like Velma and Virgil. They attended Annes H.S. Graduation June 3, 1990 - Velma tells me June 24!

Our party had reservations at American Motor Inn, 12999 Central N.E. Albuquerque. We visited Indian Pueblo Cultural Center, where we attended the Indian Dances. The dancers were of the Zuni tribe. During a very short interview with a young Indian Pottery artist, in answer to our question as to where he was educated, he - an Indian - smiled as he tried to tell us what the initials SIPIP stands for. Evidently our stupid look prompted the smile while we tried to grasp the name of the school. Indian Polytechmc is ALL we remember.

In the Museum at the center we, Vicki, Rose, Timmie, were carried away by various exhibits such as a hand woven rug made in Sicily about 1665 - and Mail Armour for a horse. How could a horse maneuver wearing such trappings?

We spent a short time in the evening attending an open-air concert at the Fair ground. We had dinner at an Old Timer Restaurant. In both Tucumcari and Albuquerque we were shown many courtesies and enjoyed many privileges as Senior Citizens.

Most of Sunday was used in getting into and especially getting out of Santa Fe and reaching Stratford by 10:30 p.m. The highlight in Santa Fe was a tour of the City on Roadrunner Trolley. We are sure one cannot see and understand in any manner present day Santa Fe during a short stay as by this tour and lecture. Our guide was amazing in his poise,

Robin Lee Davis, 22 year old daughter of Jim & Barbara Davis, would like to thank the following for their sponsorship of me in the College National Finals Rodeo Queen Contest where she has just returned from in information, presentation and diction. He is of Indian - Spanish descent and college graduate. We asked!

Happy co-incidences do occur in Stratford too! For instance last Friday A.M. an elderly man came into the Elk Drug inquiring about the Pendleton Real Estate office. Ever helpful Debbie Vandiver called Bill Pendleton stating that a Mr. Yerby (Leslie) was inquiring about Bill's father, Bob Pendleton, and believe it or not Bob was right there, in the office with Bill. Result? Old friendship renewed, memories recalled - richness of life relived. Leslie, 85 years of age, now recalled the names of horses he rode years ago when he worked for Bob 97 (?). Needless to say Bob is visiting in Stratford and attending church on Sunday (First Christian Church). WE recall Ethel Yerby, Leslie's sister, who cared for (baby sat in today's lingo) Erma Lee and Kathrine Bonar while their late parents Lee Ellen and Russell were busy at "Bonar Drug".

Scots congratulations and best wishes to Jim Bob Brown, coach Jerry Pugh, Texhoma, Dr. Mike Flores, Steve Dettle, Ken Wight, Ronna Jo (Engelbrecht) Riffe, Mark E. Durham and Karen Waters for their success in the fields of endeavor, and line of

Our thanks to everyone who helped put out the grassfire last week near the Flying Service. It had the potential for being very serious but, with your help, it was contained and little harm was done. The flag of our nation may be adorned in a very elaborate and costly manner, or it may consist of merely an inexpensive piece of material mounted on a wooden stick. The important thing is not the price of it, but the meaning. Therefore, whenever we see the flag go by we should pay homage to it, and we should display it at our homes and places of business; at least on national holidays. Finally, we should teach our children that the flag represents the glorious history of our freedom, and that this is why they should salute and respect it. It is our sacred banner, as the Bible tells us, and it is used to proclaim our liberty. Attend your House of Worship, which you were allowed to choose as one of the blessings represented by our nation's flag, which with the help of God will wave forever in the skies over our free land.

The things that the flag stands for were created by the experiences of a great people.

Chamber Chatter

And summer is officially here?! - Harvest golden grains are being cut and hauled in. Time is flying by and we are fast approaching our nation's Birthday! July 4th.

Once again, Martha Ellison, Public Affairs Chairman of the Chamber, is on the move, and our evening July 4th, in the park is taking shape!

I'm excited! There are to be some new food booths added (if you have not called in for yours - you'd better). And of course we (Women's Chamber) are anticipating you "Super Ice Cream Makers" to come up with um-um good ice cream - really test the judges pallets. There will be new games this year. Toy Walk for the young fry, Cow Calling for all ages, Creme Your Favorite Person a balloon toss (instead of eggs) for different ages, and

how much and how quick can you eat a whole pie?

For you who play an instrument, love to sing, have a favorite song on tape, there will be a recording set up at the Park. Throw away inhibitions - shyness- and step up to the mike and let it all out. This is a first, but we anticipate it will grow. Don't hide your talents, share them, read a poem, prose, sing a song, play a fiddle, horn, guitar - become a Star!

A different program - a walk through the Commemorative Bricks, that feeling of nostalgia.

Fireworks - fireworks - fireworks!!! and a reminder to you who like to shoot fireworks yourselves, be ever so careful, as dry as it is, we don't need a disaster - only a joy celebrating the birth of our great nation.

And then there will be a Street Dance, The Panhandle Drifters, in charge. All makes for a great evening. Everyone come and let's fellowship, celebrate and by all means participate.
