SCOT Notes

by Timmie Brown

Happy Day to you Sherman Co. Older Texans, Friends, Neighbors and Scotters this fresh Monday A.M. July 19, 1990. There were a few clouds Sunday evening and earlier this A.M. The air was not so dry. We need rain! Temperature at 7 a.m. was 72 degrees F. with a high of 90 plus during the day forecast.

Wheat Harvest is over. The price of wheat locally this A.M. is \$2.71 per bushel. Reed and Reed brought the first load of dryland wheat to Stratford and Ross Wells brought the first dryland wheat to Lautz. Reed and Reeds load was on June 13th, 1990. Each load was awarded a \$100.00 prize. We are told that the wheat average yield was surprisingly good this year.

Looking at Scot Calendar all regular activities are marked "Go" with Birthday Party Friday, July 13th at 7 p.m. (Ha! Fri. 13th!). Be award of black cats, ladders etc.

Remember Amarillo Bus trip for "Whatever" on Thurs. July 20 and Guymon Senior Citizens Dance Sat. July 14th. Cowpunchers Dance, Amarillo July 21st. The Bus will be available if necessary. My! Don't these Senior Citizen "toe tappers" get around? Power to them!! How about your "garb" for the annual Hamburger Fry on July 26th. Come On! Be a good sport and laugh at yourself. It's good for US. Why take ourselves so seriously.

The 4th of July Doins at the City Park was a fine community effort. Attendance grows each year. Personally we had a good time and "got around" limitedly. We had a nice visit with Helen Taylor and admired our new family member, Little Samantha Rae Hart while parents, Kathy and Jon plus other friends hovered around. She slept serenely thru it all. Senior Citizen Rebecca Lavake was present, as were Jim Taylor, Juanita & Cone Donelson, The Alan Hailes, Friona, Ava Keener, The Galloways, Bob Burgess with daughters Bobbie and Ann, who is visiting from Saudia Arabia, Tommy & Mattie Baskin, Marguerite and Russell Terrell, The J.E. Brannans, Mary Lou Walden and grandchild, Roger Allen and Mike Powers, who

thinks American and Stratford are great place to be, with hearing disabilities one misses most of what is said even with a good sound system. and we did that very little thing, but it was fun watching others enjoyment. We did love the community music, Janice Sladek won first prize in the ice cream freeze off with Scotters Mary Hill and Geneva Haile winning 2 and 3 prizes. Scot finances were enlarged by \$133.00 from pie sales.

Cyvilla Garst Butts is recuperating at her son's home near Dallas. After a very short time in Dumas Hospital Juanita told Cone this A.M. that she is ready to come home. Don't know what the doctors say, however, since no diagnosis of her ailment has been made public. Juanita was taken to Dumas Memorial Hospital by Ambulance Sat. p.m. July 7, 1990 Juanita, take care! You are an important SCOT.

Dicy and Max Stephenson are home again after visiting the children who live in various places.

Mildred James expects to enter High Plains Hospital July 15th for Knee surgery Best wishes, Mildred, keep a "stiff upper lip"

Judge John Woods is recuperating nicely following surgery and implantation of a pace-maker. You were on Stratford's prayer list, Scotter John. We are thankful you are doing well.

Doesn't SCOTexan Richard Albert look natural and handsome among his geraniums in the Amarillo new picture in Sunday paper?

Jewel Peterson held our undivided attention for about 3 hours Sunday p.m. as she related story after story of events in her life. We visited in her home. Stratford and Texas History are losers if her stories are not taped! She is a marvel!

We extend Scot and prayer support and Christian love to Scot Winnie Everett in the death of her brother E.J. Rawlins.

We found the following statement during our random reading and hope you appreciate it, readers, Quote "Positive attitudes are built on faith. People can be described by the following statistics; 1% make things happen; 9% sit back and watch things happen; 90% wonder what happened."

We personally are challenged by this quip.

"What does liberty mean to you" was asked of some citizens in the Amarillo news, July 4th. We tried to formulate an answer (not for print). Let ALL folks, Scotter and Senior citizens, be happy and spread shoulder pats and "luv u" during this week, they make the day cooler.

To our children and grandchildren we say a big thank you for the surprize party and for all your love.

C.W. and Betty McMillion

Texhoma Cemetery Gets New Fence

Texhoma Cemetery

By Marie Worley

Tommy Welch is on the Cemetery Board-but to put up a fence he had to get the approval of the other board members which he did.

On April 26, 1989 Marie Worley started the Texhoma Cemetery Fence Fund-at The First National Bank of Texhoma.

We then made flyers and with the help of the Junior Varsity Cheerleaders we delivered them to every home in Texhoma.

The Flyers read-Did you know that the Texhoma Cemetery is the only one in many counties that does not have a fence? In memory of Our loved ones that are buried there lets put up a rail fence. There will be no up-keep and it will not catch trash. Please make your donations at the First National Bank to Texhoma Cemetery Fence Fund. Let's all get together and have the fence by Memorial Day 1990.

Our Cemetery has never had a fence and it really look

uncared for, Dewayne Baugh is the Caretaker and he does a great job of keeping up the cemetery-our cemetery is setting on a hill, with a plowed field to the west and south of it. A grass field on the north, golf course on the east.

In 1987 the Daisy Garden Club donated two brick archways which helped a lot but they weren't up but a little over a year and a man drove through one with a back hoe and tore one of the archways down, and for several years it was not repaired. On May 5, 1989 the First National Bank-hired some brick layers from Guymon and it was repaired and they done a great job and with Bill Emerson's help who welded the top back on it looks like new.

With donations and memorials we finally had half of the money we needed, and then we applied for the Riffe Foundation Grant of matching funds and we received it and ordered the fence, the Resident Lumber Co., found the rails in Arkansas and they were delivered in February.

We asked the Churches to announce in their service that we needed men and boys to volunteer to build the fence. Many showed up to work on May 5th, we got the front side and part of the West done, then came Mothers Day and Graduation so we didn't get back to it

until May 26th and it was finished, exactly eleven months to the day from the First Deposit we have our fence. The men and High School boys worked many long hard hours to get it up. Several of the women furnished sandwiches, cokes cookies, coffee to the men so they all worked through their lunch hour and ate at the Cemetery. It save them a lot of time.

Now our cemetery is one of the prettiest, best cared for anywhere. Everyone has taken such an interest you would not believe it is the same cemetery it was just one year ago.

Everyone in Texhoma would like to Thank the Riffe Foundation for helping make our cemetery fence possible.

...They brought to him many who were possessed with demons; and he cast out the spirits with a word, and healed all who were sick. -Matthew 8:16

Throughout His ministry, Jesus healed many who were "possessed of evil spirits." Nowadays, that kind of possession may take the form of addiction or some other self-destructive behavior. Are you "possessed" by a harmful lifestyle? Why not give Him a chance to heal you, just as He healed so many, thousands of years ago--- just as He is healing others today. We invite you to learn about the saving power of Christ at the church of your choice this Sunday.

Constables Exchange Data

Items received are the stick, It is called a turndoon, dress helmet, the book tells of the history of the ESSEX constables and a commemorative coin marking the 150 anniversary. Also a lapel pin.

Five years ago Johnny's son Ronnie was a YMCA Camp Counselor at Possum Kingdom. There he met Barry Box a counselor from England. They became good friends and Barry spent 3 weeks visiting with the Pulliam family before returning to England. When Ronnie married last August Barry was a groomsman in the wedding. Barry brought his brother with him when he came and his brother Roy Fox is a Constable with the ESSEX County Police Force

in England. Johnny and Roy visited a great deal about their constable jobs and how they were alike in some ways but very different in other ways. The turndoon is the only weapon they carry, they do no carry guns. Their department consists of Constables, Sergeants, Inspectors, and Superintendents. The conduct standards for the Constables are very strict.

Roy Fox

The Pulliams are busy gathering information about Sherman County Constables and Law enforcement officials and plan to send Constable Roy Fox of Essex England some memoratve items from Stratford and Sherman County.

Out The Library

By Dorothy Haile

The SUMMER READING PROGRAM at the Sherman County Library is in full swing. Each child that attends is encouraged to read or be read to for at least fifteen minutes a day or an average of 1:45 minutes per week. Seventy children read 130 hours. Those that read the required time are given a surprise treat each week. Last week they received a free snow cone from the local Snow Cone business.

Heather Hussman and Carrie Switzer tell stories each week. The children are often included to make the story come alive! They make great frogs, rain, thunder or other unique sound effects.

Dee Brannan, manager of the Stratford Ambulance Service, brought the ambulance to the library for the children to see what happens if they should ever be in an accident. D'Lynn Reed, a local EMT, served as the injured patient. Dee gave a demonstration on how to give oxygen, hook up a heart monitor, splint on a femur hare linecrack, insert an IV and care for a severe head injury. A C collar was used for a broken neck. Our grateful thanks to Dee and D'Lynn for the informative demonstration.

The mystery theme continues to be used for the programs each week. Children are encouraged to come as often as necessary to have new books to read.

Cutting Calories At Picnics

Nothing could be greater than to enjoy a summertime picnic of Southwest foods in one of the beautiful state parks. With summertime already upon us, picnics conjure up thoughts of all-American favorite foods, such as fried chicken, hot dogs, hamburgers, fajitas, potato salad, cakes, cookies, etc. How can you eat according to the dietary guidelines when so many picnic foods are high in fat, sodium, sugars and calories? Here are some suggestions:

Orangey Banana Shake

- 1 small banana, cut into chunks
- 1 container (8 oz.) plain yogurt
- 2 tablespoons wheat germ
- 1 tablespoon TANG™
- 1 tablespoon honey
- 1 teaspoon lemon juice
- 1 ice cube ***

Combine all ingredients in blender. Blend until smooth, about 30 seconds. Serve at once, garnished with a lemon twist, if desired. Makes 1-1/2 cups or 1 serving. ***

Katherine Hepburn has been nominated for 11 Academy Awards, more than any other actor.

*Grill chicken instead of frying it; remove the skin. If fried chicken is served, skip the skin.

*Grill hamburgers, fajitas, and steaks so that fat runs off during cooking.

*Trim visible fat from steaks.

*Go easy on salt and butter or margarine added to corn-on-the-cob, baked potatoes or other vegetables.

*Load up on mixed green salad or vegetable relishes. Eat smaller helpings of coleslaw, potato salad, and macaroni salad made with lots of mayonnaise or prepare lighter version of the salads by substituting light mayonnaise.

*Live up your lean hamburger with lettuce, tomatoes, onions, or other vegetables. Go easy on the barbecue sauce, catsup, mustard, relished and pickles.

*Enjoy fresh melons, bananas, grapes, cherries, peaches, plums, berries, and other fresh fruits.

*Choose fruit juices or unsweetened iced rather than soft drinks.

In addition to keeping the picnics healthy, also keep them safe. Keep hot foods hot, cold foods cold and keep them covered until eaten. Use ice chests, thermos bottles and airtight containers for food safety.

Star Extension

Star Extension Homemakers met July 3, 1990 at 2:00 p.m. with Genevieve Wilson, hostess.

The meeting was opened with the club prayer and Genevieve read "What is a report?" and "Be Careful of your Words".

Roll Call was "How I Try To Keep Harmony In My Home."

The group decided to have the "quilted Star" for our exhibit booth at the county fair. Pauline Martin was welcomed as a new member.

Ava Keener and Dortha Allen presented the program "Feudin, Fussin and Fightin in Families." Ava said that "We are all reared to think that conflict is inevitable, and perhaps it is. No two people ever think exactly alike and no two families or groups ever represent exactly the same ideas so disagreements are bound to happen."

The next meeting will be July 17, 1990 at 2:00 p.m. with Dortha Allen, hostess.

Refreshments were enjoyed by Pauline Martin, Dortha Allen, Joyce Harper, Geneva Bell, Ava Keener, Melba Keener, Leona Kelp, Doris Dyess, Jimmie Pronger and Genevieve Wilson.

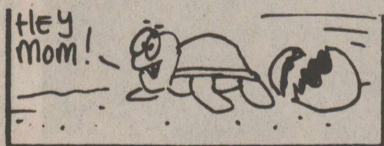

Spiced Apple Iced Tea Mix

- 2 3/4 cup TANG™
- 3 tablespoons instant tea
- 1 teaspoon nutmeg

Combine all ingredients and blend well. Store in tightly covered jar. Makes 3/4 cups.

For 1 serving, combine 1/2 cup each water and apple juice in saucepan and bring just to a boil. Pour over 1 well-rounded teaspoon tea mix in mug and stir until dissolved. Serve over ice.

For 1 quart, combine 2 cups each water and apple juice and bring just to a boil. Add 1/3 cup mix in mug and stir until dissolved. Serve over ice.

Turtles give their young no care at all. The mother sea turtle digs a hole on a beach and lays her eggs, covers them with sand and then returns to the sea. The sun hatches the eggs.
