Scot Notes

by Timmie Brown

Happy Day to you Sherman County Older Texans, Friends, Neighbors and Scotters on this moisty Monday A.M. December 17, 1990. At 5 o'clock A.M. the temperature is 37 degrees F; wind 11 mph out of the W; Chill factor 24; humidity 99%; some snow predicted. Maybe a good day for Senior Citizens to stay in the house and use the telephone to communicate with friends and neighbors.

Other than regular activities at Scot Hall only Game Night, Friday Dec. 21 is scheduled. Remember to bring a gift for the Community Pantry if you have not done so. This is the only community wide activity Scotters take part in as an organization. We should make a good showing.

Scot Hall will be open Christmas week and following in case out of town visitor would like to see our improvements.

Birthday people present at the party Friday night were Ruby McNeal, Alda Mitts & Al Hacker. (Dec. 15 is really Al's birthday.) Greeting them were Dicy & Max Stephenson, Clarence Willman, Millie Hacker, Opal Bryant, Corda Pleyer, Gladys Arnold, Rowena Williams, just returned from a trip to Fla., Irene Butler, Dorothy Robbins, Timmie Brown. We enjoyed the fellowship, cake and ice cream as well as the privilege of wishing the guest Happy Birthday and many more.

Have you toured our town and appreciated the Christmas lights? Judging took place the 18th That was the ideal time for the tour. We were impressed by the effort citizens put forth and are appreciative of it. Stratford looked beautiful!

We are glad to welcome Ms Katie Parrish nee Katie Green Gainsville back to Stratford to make her home. Katie is the daughter of the late Susie and Marian Green. Her address is 507 N. Chestnut.

It was so nice to have a cheery word with Carrie Crabtree (Mrs. Roger), Nita Taylor, Aldah and Eual Allen while in Dalhart last Friday.

Marihoward Engelbrecht held open house Tuesday, Dec. 11 for all former Stratford Music Club members. The luncheon served at

12:30 began a fun time of reminiscing while feasting in the loveliest yuletide setting imaginable. The huge Christmas tree and musical Santas in the living room, the beautiful victorian tree in the formal music room and the 5 ft. tall drummer-boys on the driveway bidding guest goodbye were enjoyed by adult visitors as much as they delighted young Matthew Taliaferro. Doris Pleyer brought a puzzle relating to the titles of some thirty Christmas songs. Solving the puzzle caused lots of recall which delighted everyone. The last to be mastered was an outlined square with lines of stars and such little figures coming down. Shannon Taliaferro became champion by her answer "Let It Snow". Gloria (Pleyer)

McDaniel, Houston, Tex. sent the puzzle to her mother Doris. Guest at the luncheon were Marylou McDaniel, Timmie Brown, Lillie Galloway, Joyce McBryde, Doris Pleyer, Lorraine Mehner, Shannon and Matthew Taliaferro, Betty Lou O'Brien, Lori Dietrich.

Attending the Walter Lee funeral Dec. 12 were his niece Virginia (Lee) and Jack Spratt, Texhoma and nephew (Johnny Lee) Judge Johnny and JoAnn Lee, Spearman, Tex. Virginia recalled that on Dec. 12, 1954 her father, Henry Lee, was buried. Henry was the oldest son and Walter the youngest son of the late Mr. and Mrs. Lewis Lee. Thirty Six (36) years passed between Henry's and Walters burials.

And so Mrs. Gales, Amarillo, won the Cruise given away by Wheel of Fortune! We found an inconspicuous mention of it in the Amarillo News. Several Stratford people make non-serious attempts at solving the phrases.

If you are interested in oil development in Sherman county, read the Legal Notice in Dec. 13, Stratford Star.

Among our improving healthy-wise peers are Faye White and Mr. Allison, Agent Jim Allisons father. Woody Gay's surgery was postponed until January. We have no report on friend Levi Worley. Saturday evening Dec. 15 Betty and Baskin Brown entertained the local Scot Dancers in their home with a Snack supper. Twenty seven people were present including guests Robert Lee, Virginia and Jack Spratt. The group continued the party with dancing at Scot Hall.

Friends are saddened by the deaths of pioneer Dr. Pieratt who lived in Dalhart and Dumas many years; the death of Mrs. Scott formerly of Kerrick, and of Wilma Sue Graves of Texhoma. Our prayers is that all grieving ones may be comforted. Amen.

Apologies to the Crabtree sisters and readers for last weeks error in names. All old timers know that Mildred is the Baptist misionary and Ida is a teacher, Forgive, please!

And so closing out Scot Notes for 1990 our wish to readers is: Blessed Christmas-Happy New Year and "May the best you've ever seen be the worst you'll ever see!"

In addition, the product line will include ANI and Automatic Location Information (ALI) display units compatible with, and similar to, those offered by Southwestern Bell Telephone Company and other local exchange carriers in Texas. Highplains Windbreaks

By Richie Brotherton

What can windbreaks do? Besides beautifying an area, windbreaks are an economical conservation measure. On the farmstead; windbreaks can reduce fuel requirements, provide personal comfort, and protect farm animals and home gardens.

Trees are nature's outdoor air conditioner. Hot summer winds and raw wintry blasts are common occurrences in Sherman County. Local landowners are encouraged to install effective windbreaks. Guidance on designs, selection of trees and follow-up maintenance is available from the Soil Conservation personnel.

In the long run, windbreaks, pay. Where natural protection is lacking, windbreaks protect your home or farmstead against frigid storms and soil blowing winds. Add to this the beauty, permanence and homelike setting trees bring to your property. The cost is far outweighed by returns in comfort and economy.

Contact the Sherman County Soil and Water Conservation office to place tree orders. Both bare-root and potted trees are available again this year for late March delivery.

Chamber Chatter

by J. A. Lasley

8 more shopping days--plenty of time--lots of activity in this small community and such a giving one.

There will be "Tip Top Bucks" circulated through out Stratford. Some call them "Funny Money" whatever. They are in 5.00 amts. recipients can spend them at any of our merchants for merchandise or/ and service. The merchant receiving the "Tip Top Buck" have only to bring them to or mail them to the Chamber office and we pay them-full value. Any merchant, who has never been given a paper 5.00 Tip Top Buck, and doesn't understand-call 2260, for explanation. \$5.00 Tip Top is worth \$5.00 cash. Its just another incentive to shop in Stratford.

Saturday morning the ambassadors of the Chamber had a ribbon cutting for the "Sugar Shack" along with tasting, sampling the goodies. Many who were there could remember when it was a Phillip 66-a busy corner-a good omen for Karen Perrin and Joan Palmer. Saturday was a pretty day to get out.

The discovery ctr at the Imaginarium will be replaced in Jan. Watch and anticipate. Over 2000 went thru these past weeks. Not only was it great for youngsters but we oldsters enjoyed. A real treat for Stratford.

Catch the Spirit and give out a lot of "Merry Christmas".

Your Right To Know

by Terry Kennedy

We just spent the week in Austin at a school for Emergency Management. The course was Civil Defense Systems-Programs and Policies. The basic thought for the course was that Emergency Management is Civil Defense--with added features. There were so many books handed out, that they had to ship about 30 pounds of material for the people who flew in to the course!

Basically, what this means for Sherman County is that there is a slide presentation available. If you need a program from 15 to 30 minutes in length, you can get it here. All you need do is call 2021, and give the dates you want the presentation.

Merry Christmas
