School Meetings Set

Two important meetings on finances of the Hart school system are scheduled next week.

A special school board meeting has been set for Monday at 8:30 p.m. at the high school. At that time trustees will accept bids on \$360,000 in school building bonds approved by voters recently.

In addition, architect Herbert Brasher will be on hand to discuss details of the building program. Joe Smith of First Southwest Corp, the schools' finance advisor on the project, also

will be available to answer questions.

Patrons of the school district are invited to both this meeting and another one which is scheduled next Thursday at 8 p.m. in the high school library.

The second meeting is a public hearing on the school system's annual budget.

The budget this year totals about \$570,000--including the \$360,000 in the building program.

It is by far the largest budget in the history of the school system, Supt. Paul Kennedy said.

"We would like to invite anyone who is interested in the schools' finances out to these meetings," the superintendent said.

In the regular board meeting this month, the trustees employed three new teachers.

Youths Arrested For Ball Thefts

Three Latin-American boys were arrested in Hart Friday night for stealing baseballs at a Little League baseball game.

Granville Martin, deputy sheriff, said he took the boys to Dimmitt. One of them was fined \$40.50.

The same youth was picked up Sunday by Martin for stealing two pair of boots, clothes and a hat.

A \$500 bond was set.

The deputy sheriff said the boys would keep all the foul balls that the leaguers knocked out of the park.

All three boys must appear before a judge.

Martin also told that someone had burglarized a cigarette machine at the Green Frog Cafe of about \$20.

The break-in occurred sometime Monday night.

Horse Falls On Rider

Lloyd Davis is on crutches today. A horse fell on him last Thursday.

The accident occurred when Davis was riding his son's horse at the rodeo arena north of town.

The Hart man was bucked off then the horse fell back on its helpless rider.

Davis suffered pulled tendons in his knee and a bruised back.

He is reported getting around slowly and will be on crutches for several days.

Hart Residents Asked To Conserve On Water

Mayor Ed Harris this week asked residents of Hart to "conserve all the water possible during this critical time."

The mayor said some residents had been without water for a time earlier this week and that many others had low water pressure.

"This was because one of our city water pumps burned up Monday," Harris explained.

The mayor said the city hoped

to have the pump repaired by Wednesday.

"We are still on a \$6.00 flat rate for water here, and we hope to keep it that way. But if the people don't conserve on water, we might have to start metering it," the mayor said.

Harris also announced that the city hopes to get started the next few days on installation of several improvements in the water system.

"We expect this to give us better system throughout, along with better fire protection, when the improvements are tied in," he said.

The water improvements were approved by voters in a bond election last year.

A 200,000-gallon flat storage tank will be constructed and new eight-inch lines will go in the business district.

Postmaster Examinations To Close Tuesday, July 9

An examination for Postmaster at Hart will be open for acceptance of applications until Tuesday, July 9, the U. S. Civil Service Commission announced this week.

The exam has been announced under revised qualification standards agreed upon between the Commission and the Post Office Department.

Competitors for the \$5,805

a year vacancy must have at least 1 1/2 years of experience. Education above high school level may be substituted for 9 months of experience.

They also must have the ability to conduct and manage the postal business efficiently and to supervise employees so that customers are satisfied with the service.

Competitors must also show that they are of good reputation and that they can deal with the public agreeably and effectively.

Applicants must take a writ-

ten test. Those who pass will be assigned final ratings on the basis of the test and on their experience, and fitness for the position.

In addition, they must have reached their 18th birthday on the closing date for acceptance of applications. Persons over 70 years of age cannot be appointed.

Applications forms must be filed with the U. S. Civil Service Commission, Washington, 25, D. C., and must be received or post-marked not later than the closing date.

Redlegs Beaten By Rival Colts

Hart's Colt 45's walloped the Redlegs, 6-1, here Tuesday night, bringing an untimely end to the Redlegs undefeated record.

In a tight ballgame, Jimmy Kendrick pitched the Colts past their rivals in one of the best Little League games this season.

Gary Rambo lost his first game this year.

All out accurate fielding by the Colts led to the victory.

The Hart Redlegs had beaten their brother Colts twice before, 10-4, and 8 to 3.

The Redlegs had earlier beaten the Yankees, 13-6, before falling to their intra-city competitors.

Next game for the Colts will be Friday, July 5, with the Nazareth Cards in Nazareth.

A home game with the Yanks is set for July 12. Only four more games remain this season.

Cafe Women Manhandle Teasing Armstrong

Goodnatured Johnny Armstrong will probably be more careful how he talks around waitresses at the Green Frog Cafe.

Two of them picked him last Friday and started to carry him outside in some robust teasing.

It seems Johnny was giving the "gals" a hard time about the coffee and no ice in the drinking water.

"He kept razzing us," said Velma Entrekin, "and Dessie (Scott) told him to hush or we would put him out."

Johnny hardly had time to say, "you and who else" when Velma grabbed his shoulders and Dessie his feet.

The women said, "we started laughing so hard we had to put the red-faced rascal down at the door."

Johnny was back the next day telling the women he would have them arrested-- that he'd already hired a lawyer.

"We have to give him his coffee free now," confessed one waitress.

"He's such a big tease," said another, "it's worth it just having him around."
