## Water, Sewer Project Near

Improvements for Hart's water system are "just around the corner" and progress is being made toward construction of a new sewage disposal plant, according to developments reported this week by Mayor Ed Harris.

The city has signed a contract for \$39,422 in water system improvements and works is to begin within 15 days of July 22, date of the contract signing.

Contractor is Panhandle Construction Co. of Lubbock, low bidder on the project.

Word came last week that the Texas Water Pollution Control Board unanimously approved the City of Hart's application for relocation of sewage disposal operations.

The city, planning to construct a new plant at a cost of about \$95,000, was given permission to change the location from two miles south of Hart to half a mile north.

A plant with a capacity of 72,400 gallons of effluent daily is planned.

"We hope to sign a contract on the sewer improvements in the very near future," said Mayor Harris.

Panhandle Construction Co. was also low bidder on the sewer project.

The contract for water system improvements calls for construction to begin by about Aug. 6 and to be completed within 120 working days.

The project includes eight-inch water mains and fire hydrants in the business section, along with concrete flat storage of 200,000-gallon capacity.

Other lines in the city will be looped to put more pressure on the entire system, Mayor Harris said.

"Some of the lines in the business district have been there since we first had a town-site," the mayor said.

He said the improvements, also would result in a better water system in residential areas throughout the city.

HART MEMBERS of the Castro County Little League All-Star baseball team are shown as they talk over prospects of playing in an area tournament at Olton starting Monday. The four to make the county all-star team, from left, were Gary Rambo, Phil Davis, Billy Sanders, and Jimmy Kendrick. Jimmy and Phil were members of the Colt team of Hart

and Gary and Billy were on the Redlegs' nine. The Hart team that will play in the Olton tournament will be composed of seven boys from the Colt team and seven from the Redlegs. The Castro County All-Stars wound up their season last week as they lost a 6-2 decision to the Canyon All-Stars in the district tournament.

### CARD OF THANKS

I wish to thank each of you who sent cards, gifts, food, or made a visit, while I was in the hospital. Since I have been home, all of these kind deeds have given me such a close feeling to each of you.

My prayer is that I may so live through each passing day, that God may know the faith I hold--, the love I have for young and old--, that I may help and cheer the lone and ill and make my brother's joy my own. With Heaven's help, to never cease to make my world a world of peace, to show how much I really appreciate and care for friends like you. God bless each of you.

## Boy Scout Troop 246 At Tres Ritos Camp

Last week Boy Scouts from Troop 246 in Hart left for the high country of Tres Ritos, N.M. and a week of camping and hiking among the pines.

There were nine Scouts making the trip, along with the Scout Master and two assistant Scout Masters.

The Scouts worked on merit badges and learned the finer art of putting down tents and cooking and dish washing.

Making the trip were Scouts Clifford Ray, Randy Alford, Harold Bennett, Richard Humphrey, Mike Armstrong, Rickey Bennett, Tony Miller, Larry Henderson and Quincy Hawkins.

Scout Master was Deryl Clevenger and his assistants were Paul Armstrong and Claude Ray.

Five boys received a higher scouting rank while at the camp. Harold Bennett and Tony Miller qualified for four merit badges and Clifford Ray for two.

Six of the youths took a 20-mile hike to Serpent Lake during the week of activities.

Singled out for "tapping" and a recipient of "Order of the Arrow" was Scout Master Clevenger. He will receive the honorary society of campers honor in August.

A Scout in Troop 246 will also be eligible for the honor, and he will be announced later.
