NUMBER 16

ED BENNETT was knighted "Ugly Man" winner last Thursday night at the Mother's Club box supper. He won over about six other competitors and was given a small trophy for the distinction. Making the presentation is Mrs. L. C. McLain. The Mother's Club raised several hundred dollars with the contest and box supper.

Bennett Wins "Ugly Man" Competition

Well over \$300 went into the Mother's Club "kitty" last Thursday night as the women went all out in a box supper sale and "ugly man" contest.

A rollicking style show by Hart Booster Club men preceded fund raising activities.

Ed Bennett won the unflattering title of "ugly man" with Jack Smitherman and G. C.

Graves making a strong bid for honors.

In the box supper sale, Raymond Akin, a Plainview auctioneer worked his magic of fast words and witticism to the enjoyment of the crowd.

Many of the boxes were decorated with Halloween masks, witches, and Jack-O-Laterns.

As winner of the "ugly man" contest, Bennett received a small trophy, presented by Mrs. L. C. McLain. Votes sold for 10 cents each in determining which candidate would win.

Other nominees in the contest were Boots Rogers, Malcolm Atwood, J. D. Rodgers, and Theron Morrison.

SCHOOL BOARD EMPLOYS TWO

Hart school board took two steps this week, one of which will encourage students in music and the other which will discourage them in hooky-playing.

The board announced the hiring of Mrs. Margaret Rambo as public school music teacher.

It also announced the employment of Deputy Sheriff Granville Martin as truant officer.

Mrs. Rambo's duties will begin Monday. She will teach classes in grades 1-5 and if possible will add junior high classes. Her instruction will include theory of music and will begin preparation for the addition of a band program in, possibly, two years, according to Supt. Paul Kennedy.

Mrs. Rambo was a music major in college and formerly taught public school music at Petersburg.

Deputy Martin, in his new duties at the school, will go there each school morning, pick up the absentee roll and check on students missing school.

HERE'S QUITE a set of Elk horns which Calvin Alexander brought home following a week-long hunting trip at Lemon Dam near Durango, Colo. Calvin and his brother, W. C., Ignacio, Colo., used two horses to pull the 6 point bull back to camp. Calvin used two shots to bring the big bull down.

Board Breaks Ground For New Hart School

A crisp, breezy Oct. 25, hailed Hart school trustees Friday when they put spades to work in an official ground breaking ceremony.

The spadework marked the beginning of construction for new junior-senior high school and gymnasium.

Hart's entire school body was dismissed to see the historic and traditional observance.

When board President R. G. Henderson and Milton Sharp, secretary, manned the shovels, their digging marked the beginning of a \$321,644 project, destined to be completed by the middle of June, 1964.

Supt. Paul Kennedy told the assembled students, "This building, started this day, is for you. We hope it will give you a better chance for an education."

Henderson spoke briefly. He said, "Our primary interest is for you boys and girls and your future education." He added that students need to be well-equipped to live in this scientific age.

Rev. Denzil Leonard opened the ceremony with a prayer. He

acknowledged that administrative hard work and effort have paid off and that their dreams have become a reality.

Other board members present were Doyle Davis, Charles B. Martin, and Lorenza Lee. Turstees Darrell Clevenger and

Waymon Foster were unable to attend.

Present also was Ray Nixon, a representative of general contractors Knox, Gailey and Meadors.

Architects are Brasher and Goyett of Lubbock.

Don Newman Takes New Hospital Post

Don Newman, 31, a former resident of Hart, begins duties Monday, Nov. 4, as administrator of the Castro County Hospital in Dimmitt.

For the personable Newman, the job is one more step up the business world's ladder of success.

Since his graduation from Wayland College in 1958, Newman has spiraled to one top level position upon another.

He will resign an administrative job with Southern Union Gas in making the switch to Dimmitt.

Newman is a son of Mr. and Mrs. H. E. Newman of Hart. He also has a brother, Joe, living in Hart. Upon the administrator's graduation from high school here in 1950, he began farming. He was married the same year.

For five years Newman tilled the soil and didn't decide until 1955 to go to college. From the day he enrolled, a rapid chain of events began unfolding.

It took Newman only 33 months to complete requirements for four years of college. His degree was earned in political science. Both he and his wife worked at theatres during college days.

Newman's first job was as a 1958-59 school teacher in the El Paso system. Then he got an administrative job with Southern Union in El Paso, working his way to other administrative capacities.

He has had from 10 to 15 persons under his supervision in handling such items as budget, cost control, personnel, purchasing of supplies and managing inventory.

Interviewed for the Dimmitt job, Newman was chosen to handle similar business operations.

A new hospital at the Castro County seat is expected to be completed sometime in March of 1964, with Newman at administrative reins.

The Hart graduate said, "I feel really good about coming back home and making a contribution in the community where I was reared."

Newman has not confined his studies to political science. He has an accounting degree from La Salle Extension School in Chicago and is still studying

DON NEWMAN

executive control, economics, statistics and management control with International Accountants Society.

Married to a former Plainview girl, Colleen Rich, Newman and she have two children. They're 12-year-old Beverly and 10-year-old Max.

Newman also has a brother named Max, who is the assistant principal at Levelland Junior High School.

Don's wife has a brother, Bill Rich, who lives in the Hart Community.

Time Waits For No Man

There is a time for all things under the sun.

There is a time for being born, and when that time comes, a newborn doesn't necessarily have to wait for a doctor.

Such was the case last week with Mrs. Dörmand Dunn of Hart as she awaited delivery in the Dimmitt Hospital.

Very young Clinton Wayne was born while a doctor was enroute to the hospital--delivered by two nurses on night duty.

The infant was born at 2:45 a.m., weighing in at six pounds and 14 ounces.

Both the mother and baby are reported doing fine.

CARD OF THANKS

We would like to express our thanks to those who remembered us at the passing of our mother and grandmother. We sincerely appreciate the food, flowers, and many kindnesses shown us. We would also like to thank all our friends for each and every kindness they did for us while I was in the hospital. Many thanks to all who sent cards, flowers and visited me.

The W. H. Felders family.

Mrs. Wheeler Guest Speaker

Mrs. Ralph Wheeler of Edmonson was the speaker Tuesday when the Hart Zealot Club met in the home of Mrs. J. H. Davis. Mrs. Joe Newman and Mrs. Deryl Clevenger were co-hostesses.

Mrs. Wheeler narrated slides she had taken on a tour around the world.

Present were Mmes. Carl Rambo, Walt Hansen, F. L. Bass Jr., Preston Upshaw, Glen Reed, Bob Bennett, Paul Armstrong and Ed Bennett.

Patricia Smith Has Birthday

A birthday party for five-year-old Patricia Smith, daughter of Mr. and Mrs. Harold Smith, was held Sunday in the Smith home.

Guests present were Elizabeth Stevens, Kay Nelson, Brenda Covington, Diane and Darrell Lacy, Debbie and Shortie Lacy and Terry and Kelly King.

Refreshments of birthday cake and cool-aid were served after games.

Training Union Has Party

The Intermediate Training Union Department of the First Baptist Church had a skating party Saturday evening at the Hart school gym.

The group met at the church and went to the gym and skated for a time then returned to the church for games, followed by supper of charcoal hamburgers and more games.

Sponsors of the Intermediate Department are Mr. and Mrs. Edgar Varner.

Tommy Lyons, youth director for the church and Miss Lolly Wyeatt, students of Wayland College were guests. They also helped with entertainment. Others present were Terry Newman, Jerry Heller and Ozell West.

Members present were Gary Rambo, Rickey Mitchell, June Leonard, Paula Jacks, Barbara Inscore, Pam Houston, Mandy Rogers, Linda Potts, Nancy Reed, Vicki Hankins, Dixie Irons and Rebecca Futrell.

Methodist Women Attend Meeting

There were six members of the First Methodist Church of Hart among the 138 ladies present at a District meeting, Tuesday at the First Methodist Church in Plainview.

Theme of the program was, "Witness Through Service."

A sack lunch, with coffee and tea were served at noon.

Attending the meeting from Hart were Mmes. E. H. Phillips, E. E. Foster, A. L. Aven, Ed Bennett, Paul Amrstrong, and C. B. Landers.

Science Teacher First Feature Personality

The Hart Beat is undertaking with this edition to run a personality feature each week on a different teacher in the Hart Public School system.

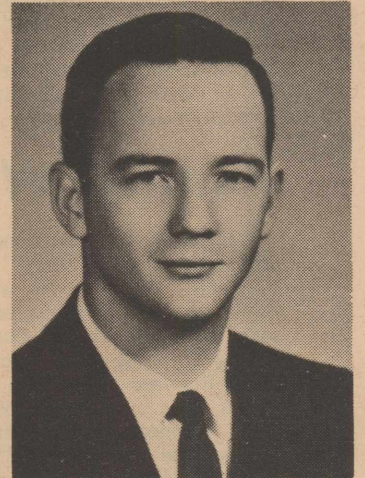

Beginning the feature is Arthur Roland Johnson, Hart science teacher.

The 23-year-old Johnson comes from Chico, Texas, graduating from high school there in 1959. His parents own a grocery store in Chico. He also met and married a hometown girl.

Johnson was an honor student in high school and continued his above average assault on grades into college. He was forced to drop out of football his senior year in high school after injuring a knee.

Johnson enrolled at John Tarleton in Stephenville after high school, attending the junior college a year-and-a-half, before transferring to East Texas State at Commerce.

He also spent a summer session at North Texas State on his way to finishing college at Commerce. Johnson received his degree in biology.

ARTHUR ROLAND JOHNSON

It hasn't been all study and no play. The teacher spends what time he can in his favorite sports, hunting and fishing.

In 1959, Johnson, his two older brothers and his father, spent a month in Alaska for some prime hunting and fishing. He has a younger brother who did not make the trip. There are no sisters in the family.

The Hart teacher also is a great sports fan.

This is his first teaching job and the Hart community has found Johnson and his wife to be welcome assets.

They both are members of the Methodist Church and are both MYF directors.

The couple was married June 23, 1962.

Johnson intends to continue his college training, planning eventually to get a Phd degree.

Church Groups Hold Meeting

Last Tuesday night, there were approximately 60 officers and teachers of Sunday school and Training Union met at the First Baptist Church for a salad supper and to plan work for the coming year.

The Sunday school superintendent, Boots Rogers, gave an inspirational talk, discussing the work and aim of the Sunday School; Ralph Futrell, Training Union director gave a talk on "Work and Aim of Training Union".

Guests from Bovina had a part on the program. Bovina pastor John Furgeson spoke. With him were the Sunday School superintendent and song leader of the church in Bovina.

RECENT VISITORS

Visitors in the home of Mr. and Mrs. Kenneth Lambert recently were his sister and husband, Mr. and Mrs. Paul Morrow of Seattle, Wash., and his mother, Mrs. Maud Lambert of Hammon, Oklahoma.

MRS. HUBERT MCLAIN

RECIPE OF THE WEEK

The Favorite Recipe this week is Sweet Potato Surprise, entered by Mrs. Hubert McLain.

A farmer's wife, Mrs. McLain and family have lived in Hart for eight years. They also lived in the community before they moved away.

There are two boys, Allen, married and living in Hart, and Bobby, a sophomore in Hart High School.

Mrs. McLain said reading and working in the yard are her favorite passtimes. She is a member of the Baptist Church.

The Hart housewife says the sweet potatoes are really good with ham.

Her recipe calls for:
6 small sweet potatoes placed in a pan, then mix

1 1/4 cups brown sugar
1 1/2 tsp. orange rind (graded)
1 cup apricot juice.

These ingredients should be mixed and cooked until thick.

Then beat one cup apricots with mixer and add two table-spoons full of butter and 1/2 cup chopped nuts

Add to above mixture and bake on potatoes.

Mirthful Style Show Put On By Boosters

A hillbilly sort of style show, filled with guffawing laughter, preceded a box supper sale and an "ugly man" contest Thursday night at the Hart school gymnasium.

Longhorn Booster Club

members, dressed in women's garb, paraded across the stage to the delight of on-lookers.

The risque dress included added dimensions, wigs, high heels, tight skirts and a negligee.

Models were introduced by Coach Eddie Nicholson, who was introduced as a feminine fashion expert from New York.

Men who performed were Paul Kennedy, Mack McKay, Verle Crick, Howard Mitchell, Theron Morrison, Everett Heller, Doug Higgings, H. L. Cheatham, Rev. E.H. Phillips, J.D. Rodgers, Carl Rambo, Malcolm Atwood, Royce Talley, Charles B. Martin, W.A. Hawkins, Boots Rodgers, G. C. Graves, Paul Armstrong, and Dub Cleveland.

HART PRESENTS Sheila Ann Brooks, 7-month-old daughter of Mr. and Mrs. Thomas L. Brooks of Hart. Grandparents are Mr. and Mrs. Paul Brooks, also of Hart, and Mr. and Mrs. E. M. Venable of Olton. Great grandparents are Mr. and Mrs. John Welty of Hart.

Attention Being Focused On Sec. Freeman's Talk

National attention will be focused Monday, Nov. 4, on High Plains grain sorghum, cotton and other agricultural aspects as Secretary of Agriculture Orville Freeman visits the area.

The Secretary will hold a public meeting in the city auditorium at Lubbock from 2 to 4 p.m. He will make a 20 minute opening address and then spend the remainder of the two hour period answering questions and responding to statements from the floor.

The Lubbock meeting is the 11th such open session held by Freeman since August throughout the nation's agricultural area.

Elbert Harp, president of the Grain Sorghum Producers Association, in urging all grain farmers to attend, said, "This could well be the most important farm meeting ever held on the Plains.

"New concepts of production and marketing are being implemented daily by farmers. To keep pace new concepts in farm policy are taking shape also as we move toward international influences on our local operations.

How well producers of grain sorghum and other area crops

fare in future farm policy decisions may well depend on how forceful they present their views to the Secretary during his area visit."

Harp went on to say that, "I deem it highly important that

every area farmer regardless of personal views or organizational ties attend the Nov. 4, meeting and express his

personal convictions and show by his attendance that he is

interested in the future of Plains farming."

Secretary Freeman will be accompanied by Congressman Graham Purcell of Wichita Falls, a member of the House Agricultural Committee. He will be introduced by R. T. Price, a Bastrop farmer and Chairman of the Texas Agricultural Stabilization and Conservation Service Committee.

Dedication To Others Pyeatt Characteristics

When Roy Pyeatt and his wife move to Tulia sometime this week, their departure is expected to leave a vacuum in the Hart Community.

The couple has lived here since 1939, and both have contributed to the general welfare of Hart and its townspeople.

Mrs. Pyeatt, a longtime school teacher, put in 10 years at Hart. She began teaching at Tulia six years ago.

Her husband, who is a farmer, part-time electrician and carpenter, was on the first committee to organize a Boy Scout troop here. His life has been wrapped in scout work since an eventful day in 1944 when scouting began in Hart.

Let's take a brief look at these person's lives since a Sept. 29, 1932, day when they married in Quitaque.

Mrs. Pyeatt already had taught two years, 1931 and 1932 in Rule, prior to marriage.

It seemed for several years afterward, she might settle to being only a mother and housewife. But when the couple moved to Hart, Mrs. Pyeatt again took to the classroom.

Her role at that time was substitute work. She didn't decide to get her degree until 1958 when she completed BS requirements at West Texas State.

Perhaps one of the strongest incentives for her to go back to college was the death of her son, John. The boy was only 14 when he accidentally shot and killed himself while hunting.

The tragedy left a hollowness in the lives of the Pyeatts, and the Hart woman tried to fill her emptiness by increasing her education and educational potential.

Dedicated to the purpose of instructing youth, Mrs. Pyeatt set about becoming more qualified. She became a full-time teacher in the Tulia school system after getting her degree.

Even though a car wreck left her with a slight speech impediment, she nevertheless continued to devote her life to teaching and to others.

She says of teaching "The life a teacher lives before a child helps to mold that child's life as well as the teaching."

Mrs. Pyeatt adds, "Teaching is half my life. There's nothing I enjoy any more than working with children and meeting their parents."

She believes it is her responsibility to see that her students are well educated, intellectually, morally and spiritually.

Mrs. Pyeatt's classroom work has included several grades, from the first-

MR. AND MRS. ROY PYEATT

history and algebra in high school.

Asked about her feelings in moving from the Hart area, she said, "Hart has been home for 25 years, and we will leave with regrets. Our children grew up here and our son was killed. We have memories that can't be erased. The finest people and our best friends live here."

After the couple move to Tulia, Pyeatt will continue to farm north of Hart for awhile, as well as a section of land near Tulia.

The couple said they are leaving a bedroom suite at the farm so they will always have a place to sleep when they visit in Hart.

Pyeatt has been farming all his life. He was reared on a farm in Swisher County.

"I was born in Arkansas and lived in Oklahoma for a little while, then we moved to the Hart area. I've been too poor ever since to get away," smiled Pyeatt.

The farmer has 920 acres in cultivation.

Pyeatt said he began his farming career with a team and can easily recall the early threshing machines, headers and combines. The headers would head wheat, and stack it on the ground in readiness for the threshing machine.

"The old standard maize," he added, "would get as high as the ceiling. It was 'crook neck', and we would head it by hand." He said about the only grain sorghum raised then was the regular maize, kafircorn and cane.

Pyeatt remembers his first tractor as being a Fordson with steel wheels. "Lots of times I drove it all night long," he added.

The farmer said the thing he remembered most about early farm days was having to watch the mules to keep them from kicking him.

"There was one", Pyeatt said, "we had to break every morning before hitching him up."

The couple discussed dust bowl days and the way things

have changed. "I'd stand and hold the corner of a sheet," said Pyeatt, "while someone else cooked dinner." "Yes," added his wife, "We could sit in the house and couldn't see the windows for the dust."

Pyeatt said he and his wife would go to town once a week with some eggs and a bucket of cream to sell. "After that," he said, "We would have just enough money to buy gas to get back home."

His wife added, "If we had 15 cents to go to the show, that was really splurging."

Pyeatt told that conditions were pretty rough when he and his wife moved to Hart. Most of the region was still pasture land. He said of his farming, "About the time I got to thinking I couldn't go on, along would come a good crop."

The farmer didn't always consider being a tiller of the soil. In 1927, the year he met his wife-to-be, Pyeatt was studying electrical engineering at Texas Tech. "I went one year and got hurt and never went back," he added.

The Hart man picked up enough electrical knowledge to help out on many occasion with neighborhood wiring.

He also has helped out in the scouting field, serving as a Scout Master for three years, on the Neighborhood Commission, the district and council boards and a special scouting board.

Pyeatt is one of the few area men to hold the "Silver Beaver" award for outstanding contributions to scouting. It is the highest award given in the council.

So he too has been dedicated to youth and their well-being.

It could be the Pyeatts' have found the most important reason for their lives is living for others.

Longhorns To Duel Cowboys In Second District Battle

The hard-hitting Happy Cowboys will come spurring into town Friday, ready to ride herd on the Hart Longhorns. Game-time is 7:30 p.m.

Only twice this season have the Cowboys rustled up enough points to take a game. They hit the win trail against Turkey in the opener, 13-0, and lassoed old rivals, Kress, 14-12, a couple of weeks ago.

But whoever sells Jim McManigal and his cowpokes short should do a mental about face.

Happy losses this year have been to power-laden Claude, 14-7. (Fans will recall that Claude whipped Silverton). Another to Silverton, 34-0, to

Class AA Friona, 40-14 and to Bovina 18-14.

In each of these games Happy carried the fight to its opponent.

A hefty line and good speed have made the Cowboys threats all year. Doyle Bryan and Tom Moudy have added the two-three punch to the number one Happy back, McManigal.

Against Turkey the big back racked up long yardage and carried the brunt of the attack. Again, against Claude, he ripped for long gainers. Moudy got the touchdown against Claude on a one-yard plunge.

Claude won only on the scoreboard. Happy had 11 first downs in the game to 7 for its oppo-

nents, and the Cowboys rushed for 251 yards compared to only 92 for Claude.

All this year the Cowboys have not been able to score more than two touchdowns in a game. Fumbles have been the death of their more serious assaults.

Silverton rose to the occasion in blasting Happy after being held scoreless the first quarter. It was only on long touchdown runs and passes that Silverton broke the game wide open.

In the next encounter Happy wandered upon undefeated Friona, a team which prior to this season had lost 27 consecutive ballgames. Friona made certain a Class "B" school wasn't going to slip up on them.

Hard running by McManigal and Moudy accounted for both Happy touchdowns against the Chiefs.

Against Kress, a team which the Longhorns played to a 6-6 tie, Happy put their workhorse to work. McManigal traveled 30 yards for his first touchdown and doubled the yardage with a 60 yard TD later in the game.

Last week against Bovina McManigal and Bryan shared scoring honors. Gary Culp, quarterback, converted after both scores. He has missed only one extra point this year.

It was only in the last 55 seconds in a gruelling game that Bovina was able to get across for the winning touchdown. Then, it was the big bruiser Tally Kelso who banged across for the Mustangs.

Happy had led 14-13 until the final seconds of play.

The Longhorns have had an open date this last week, preparing for the final district onslaughts. Even though the 'horns haven't been under game pressure, their workouts have been rugged.

Dennis McLain is expected to see much more action with the continued healing of his injuries.

Longhorns who will share honors and their respective positions are Joe Rubalcaba, halfback; Gary Heller, quarterback; Billy Farris, halfback; McLain, wingback; Kenneth Fincher, end; Phil Green, center; James Mitchell, guard; Harvey Sullivan, guard; Larry McKay, guard; Roger Lancaster tackle; Tommy Morrison, tackle; Carl Eard, end; and Mark Martin, end.

Hart has so far compiled a 5-1-1 record. The Longhorns stand 1-0 in district play.

SCRIMMAGE

On Nov. 12 at 7 p.m. there will be a girl's basketball scrimmage held in the high school gymnasium.

4-H MEETING

Elementary 4-H boys and parents will meet Tuesday, Nov. 5, in Mrs. Lemon's room. All members and parents are urged to attend.

TEACHER'S MEETING

A local teachers meeting was held Wednesday Oct. 30, at 3 p.m. at which time school will dismiss.

PLAY DATES

The senior play date has been set for March 24, and the Junior play date for April 24. These dates will have to be followed very closely since rescheduling will be virtually impossible, officials say.

This & That

BY MYRT LOMAN

It's always nice to go, but its twice as nice to come home. We enjoyed our visit with relatives but it's sure a long way to have to go to see them.

Wish to say "Thnak You", to Brother Phillips and Loytus Burres for helping out on the paper. It's so nice to have someone to pinch hit on our jobs for us. Since Loytus has so many jobs, maybe someday I can do something for her, but I seriously doubt if Brother Phillips will ever let me preach for him.

There is so much talk these days of our youth, that I thought this write up was very good, which some of the youth have compiled and titled it "The Ten Commandments of Parent-hood."

1. Parents should not open mail, eavesdrop on conversation, or search the personal belonging of their teen-agers.

2. Parents should give their teenagers an allowance in proportion to the amount of work they do around the house.

3. Parents should not use violence as a means of discipline. Forfeiting allowance, telephone calls or nights out or being given extra chores are much better disciplinary tools.

4. Parents should give teenagers an allotted time on the telephone.

5. Parents, should not ban places, people or social practices. More often than not, if parents would explain why they disapprove they would find their teenagers in agreement with them.

6. Parents should tolerate teenage clothing fads. They wore some pretty weird get-ups in their day.

7. Parents should not treat sex as a bad joke or something terrible. They should be open honest and frank.

8. Parents should see to it that their children grow up in an atmosphere where religion is important.

9. Parents should act as models for their teenagers.

10. Parents should not forget they were once teenagers and not so very different from us.

Can we and do we as parents apply these commandments to ourselves? Might be a good time to take inventory of our own lives.

A little child can teach us many, many things if we will only sometimes watch and listen. Sometimes a round table discussion on "My faults and Your Faults" is very revealing.

WEEKEND VISITOR

Mr. and Mrs. Lowell Richburg and DeAnn had a visitor last week, their granddad and great-granddad, J. L. Richburg of Memphis. They also spent the weekend in Fort Sumner with relatives.

DINNER GUESTS

Dinner guests Sunday in the home of Mr. and Mrs. Edgar Varner were their son, Jerry and family and Mr. and Mrs. Conrad Herman and son of Oklahoma City.

HOSPITAL PATIENT

Mr. and Mrs. T. B. Cox visited last week with Mrs. M. A. Martin, patient in Memorial Hospital in Lubbock. Mrs. Martin was injured in a car accident several weeks ago. She is reported to be making some improvement.

FROM PLAINVIEW

Mrs. S. L. Thedford of Plainview visited Tuesday morning in the home of Mr. and Mrs. Leonard Welty and girls.

GROUNDBREAKING for a new high school and gymnasium got underway last week across the street from the present Hart school. School trustees were present and classes were turned out for the historic event. In the picture stairstepped from left to right are R. G. Henderson, board president; Chas. B. Martin, Doyle Davis, Lorenza Lee, Milton Sharp, secretary; Paul Kennedy, supt; and building contractor representative Ray Nixon.

IN BROWNFIELD

Mr. and Mrs. Frank Sanders spent Friday night in Brownfield in the home of her brother, Mr. and Mrs. W.H. Priddy.

REORGANIZING

A re-organizational meeting for the United Fund Campaign will be held at 7:30 p.m. Tuesday in Fellowship Hall of the Methodist Church.

WEDDING ANNIVERSARY

Rev. E. H. Phillips and Roger Rodman spent the weekend in Vernon attending the golden wedding anniversary of Mr. and Mrs. Tom Lewis. Mrs. Lewis is an aunt of Mrs. Phillips.

DELEGATE

Mr. and Mrs. J. V. Wescott returned Sunday from Fort Worth, where Wescott was a delegate to the State Texas Teachers Association.

SEE GRANDPARENTS

Marcia Wescott spent Thursday through Sunday in Pampa with her grandparents, Mr. and Mrs. Tom Davis.

DINNER GUESTS

Sunday dinner guests in the home of Mr. and Mrs. H.E. Newman were Mr. and Mrs. T. B. Cox, Mr. and Mrs. Miles Cox, Mother Simpler and grandson of Newman's, Terry Newman.

PICTURES TAKEN

Student and faculty pictures were made Monday morning for the 1963-64 yearbook at the Hart school.

Legion Begins Members Drive

Hart American Legion members are being contacted this week, spurring an all-out 1963-64 membership campaign.

Commander Claude Ray announced that all veterans would be contacted in the drive. He told that dues have been raised to \$10 this year.

Ray explained that the increase was to help pay for a rise in expenses. Many community gatherings, including scouting activities are held in the American Legion building.

Senior Play

Cast Chosen

Hart's senior play cast was selected last week for a three-act mystery-comedy to be put on later in the school year.

The cast was picked by teachers in the Dimmitt High School speech department.

Name of the play is "Me and My Shadow".

Senior actors and actresses are Kenneth Fincher as the husband; Konnie Bowden, the wife; James Mitchell, doctor play boy; Carol Mousner, maid, Linda Cole, nosey neighbor; Betty Gaylon, mother-in-law; Estelle Rubalcaba, shadow; Gilbert Gusman, Indian Mystic; and Dennis McLain, county sheriff.

In charge of the production is Mrs. Jim Grubaugh.

Cotton Continues Headway

Ginners in the Hart area were telling this week of the shortage of laborers for cotton pulling here.

A number of farmers who would like to have hands are unable to get them.

With the unusually favorable weather, cotton continues to mature, even that which was planted extraordinarily late.

Ginners have estimated from talks with farmers at least 50 per cent of the cotton is open.

Farmers in scattered regions are beginning to apply defoliants.

WITH RELATIVES

Miss Johnnie Price and her aunt, Mrs. Beatrice Johnson, drove to Lubbock last week to get Miss Mary Etta Price, student at Texas Tech. They spent the weekend in Artesia with relatives.

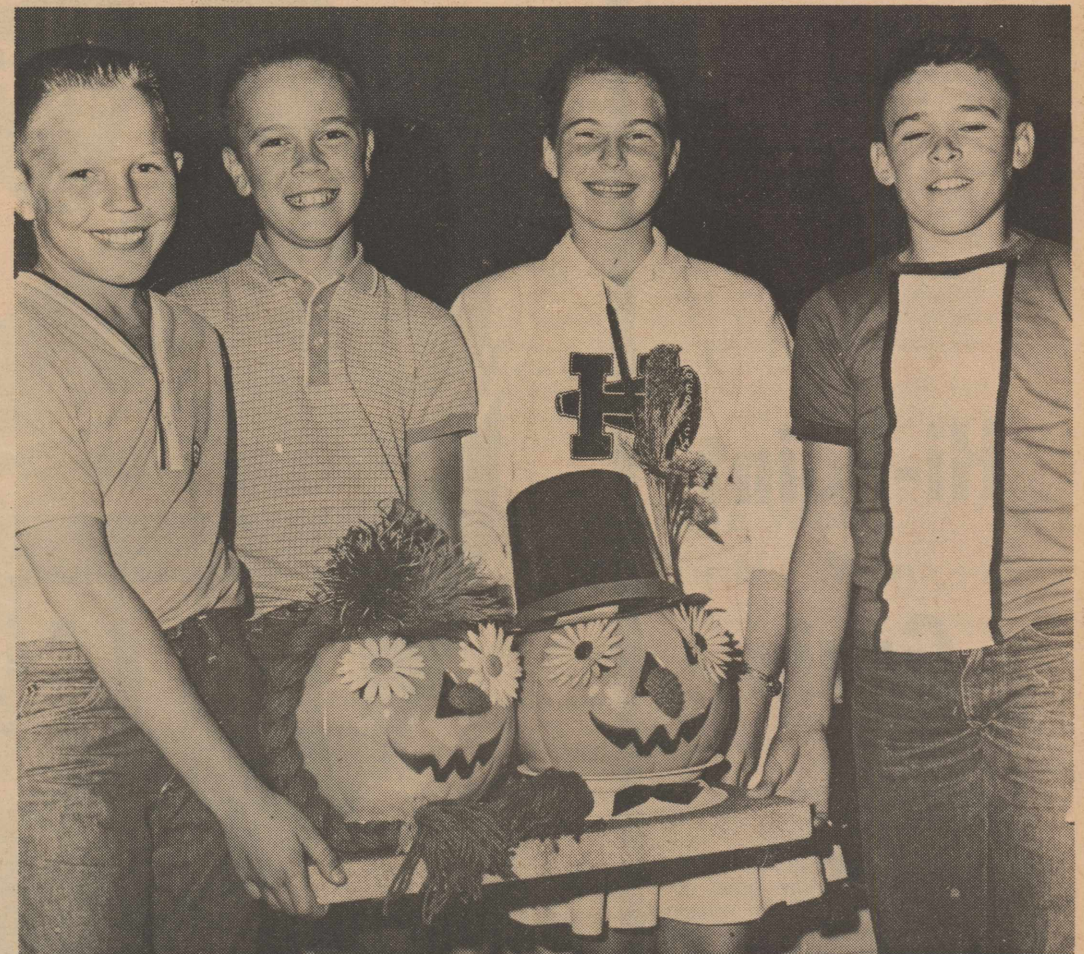

Engagement Announced

Mr. and Mrs. W.E. McClenny of Dimmitt announce the engagement and approaching marriage of their daughter, Janelle to Alvin Beavers, son of Mr. and Mrs. O. L. Beavers of Hart.

The couple plan to exchange vows, November 30 in the brides home.

BIRTHDAY PARTY

Miss Tamera Bowden, daughter of Mr. and Mrs. Bob Bowden, attended a birthday party in Dimmitt Saturday from 2 to 4 p.m. of David Nolen. He was celebrating his 4th birthday.

MISS REBECCA Futrell is a mighty popular box supper maker. At last Thursday's box supper, three Hart lads each bid as high as \$28 to share supper with her. Auctioneer Raymond Akin decided each boy would pay \$8, enabling them all to share equal company. From left to right are Billy Sanders, Harold Bob Bennett, Rebecca and Roger Brooks.

PLOW-DOWN NOW FOR MORE PROFIT NEXT YEAR

A logical way to increase profit is to increase yield without increasing the cost of the crop. You can increase yield by 10% and profit by 15% just by using fertilizer more efficiently.

You will get increased efficiency if you apply anhydrous ammonia now instead of waiting until Spring... giving the nitrogen a chance to aid in the decomposition of stubble.

As a farmer, you realize the value of your stubble. But, in order to do the most good for next year's crop, this stubble must be completely decomposed. The soil bacteria that do the work in this decomposition process must have nitrogen... more nitrogen than is naturally available in most crop land. That's why it is wise to apply anhydrous ammonia to your soil now. Nitrogen immediately starts to work, helping to decompose the turned under stubble, and release the important plant foods contained in it. Then, when you plant in the Spring, all the nitrogen you put down now, plus the nutrients it has helped release, will be waiting to feed your crop right from germination.

By providing the necessary plant food right from the start, a plow down application can increase your yield by 10% or more. Since the extra yield does not add to the cost of the crop, it can mean a 15% higher profit.

So, plow nitrogen down now!

Your best source of nitrogen, in its most efficient, usable form is anhydrous ammonia. Shamrock's Nitromite is a fine brand of anhydrous ammonia.
