NUMBER 23

SANTA'S HERE---Santa arrived in Hart Saturday to visit with all the children and hear their heart's desires for

Christmas. Young and old turned out to greet the jolly gentleman from the North Pole.

Smells Bad, Still 'Okay'

New water and sewer facilities now being installed in the city of Hart are expected to be completed shortly after the first of the year, Mayor Ed Harris said Tuesday.

"We want to warn people in advance that their water may have a funny taste and smell as we convert to new lines," the mayor said.

"But we also want the people to know that this doesn't mean there is something wrong with the water.

"It will be a temporary situation, brought about by the fact that the lines are being chemically treated against bacteria."

The mayor emphasized that the water will not be harmful, even though it may have a strange taste and odor temporarily.

First Baptist Christmas Program Held

Choirs of First Baptist Church presented a Christmas program in song Sunday evening during the regular worship hour.

The adult choir, under direction of Milton Sharp, sang "Share the Christ Child" after which a prayer was given by W. L. Cleveland.

Mrs. Malcolm Atwood presented a reading, "The First Christmas". "O Little Town of Bethlehem" was then sung.

The Junior Choir, directed by Mrs. Milton Sharp, sang "Silent Night, Holy Night" and "O Holy Night".

"O Come All Ye Faithful" was rendered by the Adult Choir, with Mrs. Joe Hart, soloist. "Hark, the Herald Angels Sing" was also presented.

Mrs. Milton Sharp and Tommy Lyons presented "Star of the East". "Joy to the World" was also presented.

Mrs. Malcolm Atwood presented "Keeping Christmas". The choir then sang "There is a Song In The Air".

H. L. Cheatham gave the benediction.

Mrs. Carl Rambo was at the piano and Mrs. Weldon Davis at the organ.

After the worship service, the group went to Fellowship Hall for refreshments and presented the pastor, the Rev. Denzil Leonard and family with a dining table, an artificial arrangement for the table, a table pad and two table cloths.

SCHOOL HOLIDAYS

Hart School will dismiss Friday, Dec. 20 for 10 day Christmas Holidays.

Dec. 26 Set As Holiday

Mayor Ed Harris this week declared Thursday, Dec. 26 as an official holiday in Hart, along with Christmas Day.

The action came Tuesday after a city council meeting.

Farmers State Bank will be closed Dec. 25 and 26, along with most other businesses in town.

Worship Service Set

Churches of Hart will have a Community Worship Service at First Baptist Church Sunday, Jan. 5, at 6:30 p.m.

The Rev. E. H. Phillips, pastor of First Methodist Church, will bring the message. A program of songs will also be presented.

Following the service, an hour of fellowship will be held in Fellowship Hall.

FIRE AT CLEANERS

Fire broke out in a dryer at Hart Cleaners Tuesday afternoon, but the blaze was extinguished before major damage was done.

Owner John Holloway said only the dryer was damaged.

EDITORIAL

A pretty girl, all dressed up and adorned with accessories, is, for most boys, a joy to behold.

In a way, a community can be like a pretty girl, especially at Christmastime.

When the Christmas lights and decorations go up, the people who put them up do so to make their community more beautiful.

They do it not only for themselves, but for the enjoyment of others.

Recently it has come to our attention that decorations and lights have been stolen from homes all over Hart.

These acts have appeared to be pure vandalism, or meanness, and not a theft of something the thieves felt they needed.

It is enough that this sort of thing is against the law. It is not only theft, but also might be classed destruction of property.

We are not pointing a finger at anyone, but we do believe something should be done to stop these acts. Not by law enforcement, particularly, but by parents who might ask questions when youngsters are out late without explanation.

Vandalism of this kind makes people angry, as angry as you would be if someone messed up the appearance of the girl you love--or, in this case, the appearance of the community you love.

Mother's Club Meeting Held

The Hart Mother's Club had a recent meeting at the school cafeteria. Mrs. Everette Heller, president, conducted the meeting and Mrs. Howard Mitchell, secretary-treasurer, reported on past meetings and the money collected and disbursed so far this year. Mrs. Heller opened the meeting for discussion of projects for the Mother's Club.

The members voted to purchase for the school a large Sonicator, which will take care of many bumps and bruises of the whole student body. Also voted on was a fiber-glass pole for use by the track team, and

then the last payment on the stadium scoreboard was made. The Mother's Club also presented the school with a check for the purchase and developing of the film of each football game.

Dub Cleveland, head coach, thanked the Mothers for their help and interest this year and explained how the athletic department of the school is trying to help the boys develop physically and mentally for the coming football season.

The Mother's Club expressed appreciation to the community for supporting all its activities and projects.

GINNING REPORT

Although harvesting of cotton in the Hart area was almost at a standstill last week, gins continued to run around the clock getting empty trailers ready for farmers.

The damp weather kept most farmers out of the fields but, by Tuesday noon, trailers were again pouring into the gin yards.

A check Tuesday showed 10,692 bales ginned with 1,100 bales on the yards.

Hart Bowling Teams Tie For First Place

In bowling competition last Tuesday night a Hart team, composed of Bob Lacy, Darrell Lacy, Stewart Newsom and Rod Roland of Hart and Freddie Hall and Mark Taylor of Dimmitt, tried for first place in the first half of play.

Tied with the Hart team is a team from Dimmitt, composed of Irvy Kirby, Bill Hackleman, Jim Cleavenger, V. C. Hopson and Lee Jones.

Each team has won 30 games and lost 22. When the two teams bowled against each other Dimmitt swept the series with two wins to one for Hart. Dimmitt won one game by only two pins.

These teams bowl in the Fall Classic League in Dimmitt.

CHRISTMAS JOY---Monica Phillips, 4-year-old daughter of Mr. and Mrs. Monte Phillips of Littlefield, is shown standing before a Christmas tree in the home of her aunt, Mrs. Calvin Alexander.

Wesleyan Guild, WSCS Hold Party

Ladies of the W.S.C.S. and Wesleyan Guild held their annual Christmas party Tuesday Dec. 10 in Fellowship Hall of First Methodist Church at 7:30 p.m. with 22 members and guests present.

A salad supper was served and a short program followed. Mrs. Paul Kennedy gave the Christmas story and Miss Ronnie Cox sang "Silent Night". The group had a Christmas tree and exchange of gifts.

Present were Mmes. Robert Brooks, C.B. Landers, E. E. Foster, Wamon Foster, Ena Bowden, Edd Bennett, Theron Morrison, Ed Harris, Buster Aven, Mabel Aven, Paul Kennedy, T. B. Cox, Claude Cox, E. H. Phillips, Lee Harris, Polly Sanders, E. I. McLain, Willie Alexander, Willis Hawkins Sr, Eleanor Hinkley and special guests Rev. Phillips and Ronnie Cox.

Mrs. Polly Sanders and boys were host Sunday for a birthday dinner honoring her brother, Tony Smitherman of McLean. Guests were Mr. and Mrs. Jack Smitherman, Mr. and Mrs. Guy Ford Jr. and Melinda and the honoree, Tony, wife and daughter.

J. V. WESCOTT

Vocational Ag Teacher Finds Job "Challenging"

"I originally became interested in teaching because I felt that teaching might be a stepping stone to a better paying job."

Instead, J. V. Wescott, vocational agriculture and fifth grade teacher in Hart Schools, found the teaching profession to be "interesting and challeng-

ing."

"And", he adds, "the salary is improving."

Wescott has been teaching nine years, all in Hart School.

Who influenced him toward this profession?

"My high school vocational agriculture classes and my vocational teachers had the most influence on me in that direction," he says.

The teacher is a hunting and fishing fan and takes a great interest in gardening.

"I like to watch football, basketball and baseball, too," he notes.

He graduated from Seminole High School and got his BS in agriculture at Texas Tech. He has a Master's in education from West Texas State University. He minored in educational speech.

"I plan to attend school at least one semester every two years," says this educator, who believes in continuing his education.

Finishes Navy Training Course

SAN DIEGO, CALIF----- Preston A. Harrison, son of Mr. and Mrs. James Harrison of Star Route 2, Hart, completed basic training Nov. 27, at the Naval Training Center, San Diego, Calif.

The nine-week training includes naval orientation, history and organization, seamanship, ordnance, and gunnery, military drill, physical fitness, first aid and survival.

During the training recruits receive tests and interviews which determine their future assignments in the Navy. Upon completing the program they are assigned to service schools for technical instruction or to ships and stations for on-the-job training in a Navy rating specialty.

Naval training produces the power in seapower by supplying qualified personnel to man the ships, aircraft and shore stations of today's Navy.
