DERYL CLEVINGER, master of ceremonies of the annual Teacher Appreciation Banquet, is shown with others at the head table. A good crowd was on hand for the event.

150 Attend Banquet

A crowd of about 150 was on hand last Thursday night as Hart held its annual Teacher Appreciation Banquet in the school cafeteria.

Dr. F.W. Mattox, president of Lubbock Christian College, told the group that "it is up to teachers to preserve our American heritage."

The speaker traced the rise of communism, noting that the communists now control half the world after only 25 years of work.

"What will be the outcome of this battle for the minds of men?" Dr. Mattox asked. "It is up to you teachers."

The speaker said America can stay on the right course only so long as the Constitution is upheld.

"Some have said it is outmoded," he declared, "but it is our greatest guarantee for freedom."

Deryl Clevinger served as master of ceremonies for the banquet. Invocation was by B.H. Rodgers and welcome was by Geneva Brooks. Response was by H. L. Cheatham.

After a meal of baked ham, school personnel were introduced. Entertainment was by a girls' trio from Wayland College. Benediction was by the Rev. Denzil Leonard.

Hart Basketball Teams End Season With Victories

The Longhorns defeated Lazbuddie, 54-51, and Happy, 74-45.

The Hart girls beat Lazbuddie 56-53, but lost to the district champion Happy girls, 69-49.

Carl Ward led the way as the Longhorns took Lazbuddie, scoring 20 points, David Gardner got 12, Kenneth Fincher 10 and Billy Farris 9.

The Longhorns trailed by 46-38 at the end of the third quarter, but rallied for a three-point win.

Hart boys led all the way against Happy, as Fincher controlled the boards with 30 rebounds, a season high. Gardner scored 24, Farris 19, and Heller and Fincher 13 each.

Hart girls also had to come from behind in their victory over Lazbuddie, as they trailed 40-35 at the end of the third quarter.

A final spurt gave the Hart team a 56-53 win, led by Dixie

Kendrick's 34 points and Connie Bailey's 21.

Against Happy, the girls got off to a bad start and never recovered. Kendrick scored 20, Bailey 18 and Retta Henderson 11.

High Plains Beet Growers File USDA Application

High Plains Sugar Beet Growers Inc. and Punta Alegre Sugar Corporation have filed an application with the United States Department of Agriculture for a beet sugar plant in the Plainview area for 1966.

Rep. George Mahon made this announcement in Washington Saturday following a conference with the USDA.

He said that arrangements have been made for the capital to construct the mill and these arrangements now are contingent upon granting of an adequate sugar allotment by the USDA.

Charles Martin, president of the Hart Sugar Beet Association, and Norlan Dudley, banker, left Hart Monday night by plane for Washington, D.C.

After the Saturday conference High Plains Sugar Beet Growers Inc., filed a formal application with the USDA for a sugar allotment.

Contained in the application are signed agreements by farmers in this county and seven others, pledging that they will provide the required acres of sugar beets.

Competition for a sugar allotment is keen with applications expected from Maine, Arizona, Texas and other states. Only two new mills will be approved at this time.

It will be several weeks before a final determination on the applications is made by the USDA.

Principal Says Teaching Is Like Taking A Voyage

"Teaching is like taking a voyage. Each day is a new experience."

This is the way G.C. Graves, Hart Elementary School principal, feels about his profession.

A veteran with 21 years experience in this field, Graves has taught at Hart two and a half years.

Before this, he taught at Big Spring, Coahoma, San Angelo and Plainview.

He says that while he was in high school, he decided to become a coach because he was interested in working with youth.

A graduate of Big Spring High School, he has a BA de-

gree from Howard Payne College at Brownwood and a Masters degree from Texas Tech.

He majored in administration and education and minored in physical education and social studies.

He is now taking extra graduate courses to "help gain more background."

A sports enthusiast, he is keenly interested in football, basketball, swimming, fishing, golf and tennis.

"There are many rewarding experiences in the profession of teaching," he says, adding:

"One of the greatest, I think, is watching the student develop mentally, socially and physically."

Governor Connally got a new lighter cast on his damaged right arm, was pronounced in pretty good physical shape, but doctors said it will be six or eight months before he regains full strength.

Excise taxes collected on cigarettes in Texas last month came to \$7,300,000, up from \$7,200,000 a year ago, despite U.S. Health Service warnings about evils of smoking.

Texas schools have been urged by the governor to give special emphasis to the state song, "Texas, Our Texas", during Public School Week, March 2-6, and Texas Historical Period, March 2-April 21.

BUSINESS IMPROVES--The 1963 index of Texas business activity was up 5.4 per cent on the average monthly level over the previous year, according to The University of Texas Bureau of Business Research.

Austin, Amarillo and Beaumont showed highest gains. They were followed closely by Corpus Christi, Houston, Fort Worth, Galveston and Waco. No city showed a percentage decline.

Bureau predicted that 1964 will be another good year as far as personal income and

business activity is concerned if the federal income tax bill now in the Senate is passed.

"INSTANT" HOSPITALS

The State Health Department is keeper of some 92 storehouses of medical and treatment supplies (furnished by the federal government) which could be converted into hospitals almost instantly in the event of disaster.

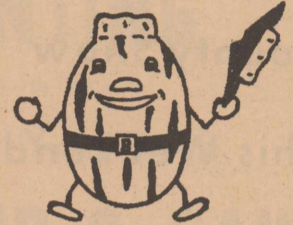

Eleven more "hospitals" are expected to be added to the list

this month, and a master plan calls for 450 of these facilities eventually. The State Health Department is directing the Civil Defense Emergency Hospital program, and encourages local authorities to provide the needed storage space.

Speed, drinking and wrong-side driving are three main factors in fatal traffic accidents Department of Public Safety Director Homer Garrison Jr., told a traffic courts conference.

TEXAS PRESS ASSOCIATION

AUSTIN, Tex.--Twenty-eight Democratic and 15 Republican candidates banged through the starting gate before last week's filing deadline in a dramatic beginning to a political year that opened with relative calm.

A ruckus over the would-be U.S. Senate candidacy of McAllen Congressman Joe Kilgore, and Gov. John Connally's last-minute hesitancy about running for re-election, highlighted the filing-deadline spectacular.

Kilgore decided not to run against U.S. Sen. Ralph Yarborough. Connally, acknowledging that he had considered retirement, went ahead and filed for a second term.

Conservative Democrats boiled over the Kilgore incident, said it might result in a second

Republican senator from Texas. Jack Cox, the GOP's 1962 candidate for governor against Connally, was a surprise entry in the Republican senate contest--at five minutes before deadline.

The Republicans fielded a complete slate for state offices (except judicial) and congressional races.

Connally ended up with opposition from liberal Don Yarborough of Houston, Mrs. Johnnie Mae Hackworthe of Brenham and Rev. M.T. Banks of Beaumont, a Negro. Republican candidates for Governor are Jack Crichton of Dallas and Harry Diehl of Houston. Yarborough is opposed by Democrats John Van Cronkhite and Gordon McLendon, both of Dallas. Cox and George Bush of Houston, and Dr. Milton V. Davis and Robert Morris, both of Dallas, are the GOP senatorial candidates.

Here is the complete lineup for other statewide offices:

Lieutenant Governor----Preston Smith of Lubbock (incumbent) and Albert Fuentes Jr. of San Antonio, Democrats; and Horace Houston of Dallas, Republican.

Congressman-at-large----Incumbent Joe Pool of Dallas, Bill Elkins of Greenville, Robert W. Baker and Bob Looney, both of Houston, Democrats; and Bill Hayes of Temple, Republican.

Attorney General-Incumbent Waggoner Carr of Lubbock, Democrat; and John Trice, Waco, Republican.

Commissioner of Agriculture Incumbent John White of Wichita Falls and Millard Shivers, Waco, Democrats; and John B. Armstrong, Kingsville, GOP.

Land Commissioner-Incumbent Jerry Sadler of Grapeland and Fred H. Williams of Dallas, Democrats; and John A. Matthews of Abilene, GOP.

Comptroller--Incumbent Robert S. Calvert of Austin, Democrat and Dallas Calmes Jr. Houston, GOP.

Treasurer--Incumbent Jesse James, Austin, Democrat; and Fred S. Neumann, Beaumont, Republican.

Railroad Commissioner (full term)--Incumbent Ben Ramsey, San Augustine, Democrat.

Railroad Commissioner (unexpired term)--Incumbent Jim C. Langdon of Austin, and Jesse Owens of Vernon, Democrats; and Don Flanagan, Richardson, GOP.
