Hart High School Graduates Twelve

Twelve Hart High School seniors graduated Friday in commencement exercises in the high school auditorium.

Robert Wright was class valedictorian with a 91.61 grade average, and James Mitchell, with a 91.23 average, was salutatorian.

Konnie Bowden, Jo Ann Clark, Linda Cole, Billy Joe Farris, Kenneth Fincher, Betty Galyon, David Gardner, Dennis McLain, James Mitchell, Estella Rubalcaba, Joe Rubalcaba and Robert Wright were the graduating seniors.

Joe Rubalcaba served as president of the graduating class, which was sponsored by Mrs. Carol Grubaugh. David Gardner was class vice president, Betty Galyon was secretary and Konnie Bowden was treasurer of the class.

Mrs. Paul L. Kennedy presented awards to the outstanding graduates. Billy Farris was named the outstanding athlete and the outstanding student in agriculture. David Gardner, who won the American Legion Citizenship Award, was the outstanding bookkeeping student. Betty Galyon was the outstanding girl athlete, and Linda Cole was the outstanding student in typewriting--she also received a scholarship from church-affiliated colleges. Kenneth Fincher, who received the \$200 PTA scholarship, was the outstanding student in social studies. Estella Rubalcaba won both an American Legion Citizenship Award and the school citizenship award.

Robert Wright, valedictorian, won the Valedictorian's Trophy. He also received both a science and a mathematics medal. He won the \$250 Perry Foundation scholarship, as well as scholarship offers from all state-supported schools and church affiliated schools.

James Mitchell, salutatorian, received scholarship offers from church-affiliated schools and was the teachers' selection as outstanding English student.

Mrs. Deryl Clevenger presented two \$200 Zealot Club scholarships--one to Konnie Bowden and one to Linda Cole.

Delivering the valedictory address, Robert Wright spoke

of the power of "purpose in life." He said, "Purpose has been the power that shaped the destinies of most of the world's great men. Without purpose, they would have remained unknown to fame."

Speaking for the graduating class, Wright said, "We have a purpose in life--thanks to our splendid teachers."

The salutatorian, James Mitchell, viewed the high school diploma as a claim on the future. Drawing an analogy to the gold-rush days of the past, Mitchell said, "Our high school graduation is a claim we seniors have staked in life." Speaking for the senior class he said that the graduates "are looking for an opportunity to develop our abilities to their fullest and use them wisely."

Hart High School Principal Malcolm Atwood presented the graduating seniors to school board member Lorenza Lee, who presented the diplomas.

Hart Farmer Dies Of Burn

I. C. Sharp, 52, died Monday of burns suffered May 13 when an explosion and fire ripped through a four-room rent house on his farm 12 miles northeast of Hart.

The explosion was apparently set off by a spark as Sharp was unplugging an electric refrigerator in the house a quarter of a mile from his home. Apparently gas had accumulated from either an open jet or a leak and was ignited by the electrical spark.

Funeral services were Monday, May 25, at 4 p.m. in the First Baptist Church in Plainview, under the direction of Wallace Funeral Home.

Survivors include his wife; sons, Ricky of the home and Charles of Roswell, N.M.; daughter, Mrs. Gordon Pierce of Norman, Okla.; brothers, J.P., Lewis, Howard, Al, Milton and Bill, all of Tulia, Laban of New Mexico, and Edward of Denver, Colo., and sisters, Mrs. L. F. Edwards of Tulia and Mattie Scoggins of Dimmitt.

Morrison To Boys State

Representing Hart American Legion Post 311 at a state workshop will be Tommy Morrison, 6 year old son of Mr. and Mrs. Theron Morrison, Star Rt., Kress, according to Legion commander Claude Ray. Jack Flint is the district commander.

This is an annual American Legion Boys' State government workshop in Austin, June 4 to 11.

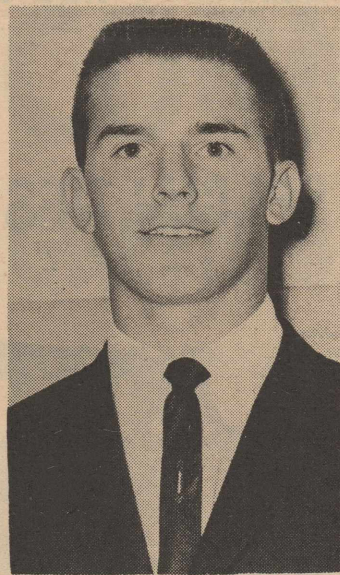

By teaching government procedures at the local, county, state and national levels, the Boys State program educates youth in the duties, rights, privileges and responsibilities of citizenship. Boy's State is held on the Campus of the University of Texas with approximately 700 boys participating. Political parties are organized and offi-

cers are elected during the meeting.

A similar program for girls sponsored by the American Legion Auxiliary units of Texas, will be held June 17-26.

Morrison has been a member of the Hart football team for three years, has participated in track for three years and has played basketball for one year. He has held class offices for two years and been an active member of F. F. A. for three years.

He was selected as meeting qualifications of leadership, personality, honesty, character, co-operativeness, scholarship and physical fitness for Boys State.

SIDE-DRESS

WITH THE FULL MIGHT OF NITROGEN

It's now or never for this year's cotton and grain crops. The nitrogen needed for an abundant, high quality harvest should be applied before the 12th week of growth or before the plant begins to boot or bloom. Anhydrous ammonia supplies this nitrogen in the largest quantity by volume and in the most usable form. We recommend and sell Shamrock Nitromite because we know it to be a fine brand of anhydrous ammonia. 82.2% nitrogen.
