LET'S GO LONGHORNS—Konnice Bailey, Hart head cheerleader, center and other cheerleaders strike a pose as they get ready for the coming football season. Left to right are Rene Brooks, Dixie Kendrick, Miss Bailey, Linda Popejoy and Martha Sharp.

Hart Short-Handed As Grid Year Nears

Football season is fast approaching in Hart, and action on the practice field is beginning to pick up as the Longhorns prepare for the first game of the season.

With only five returning lettermen from last year's team, the outlook for football is not the brightest in Longhorn history.

Jeff Smart, new head mentor for the Longhorns, had this to say, "The season doesn't look too good for the Longhorns right now."

The coach went on to say, "I am pleased with the way the boys are working out, but it looks like we're going to have a rough time of it this year."

Having lost eight starters during the past year, the new coaches face a rebuilding job, and the difficulty facing them can be recognized from the turnout for football practice—it's averaged about 15 boys so far this fall.

With 11 players on the field, the Longhorns will not have large reserve on the bench this season.

A scrimmage has been set with Amherst today at 7:30 p.m. The scrimmage starters will average 153 lb. per man across the board. The 153 lb. average will make the Longhorns one of the lightest teams in the district.

As if the picture wasn't dark enough, the Longhorns have already had to start thinking about injuries. A knee injury in practice put one of the potential Longhorns out of action for at least a week.

As the coach put it, "We're picked at the bottom of the barrel in the district, and we're really going to have to hustle not to end up there."

Returning starters this year are Tommy Morrison, Harvey

Sullivan, Mark Martin, Larry Heller and Larry McKay. McKay is the only junior in the returning group.

Captains for the forthcoming season will be Tommy Morrison and Harvey Sullivan.

The Longhorns will take to the field against Silverton for the first game of the season—to be played at Silverton, Sept. 11. The first home game will be against New Deal Sept. 18.

Booster Club Has Meeting

The Hart Booster Club met this week, under the direction of Carl Rambo, club president.

The main items of business were (1) a decision to hold meetings on Tuesdays this year and (2) the decision to buy sideline markers for the football field.

The next meeting of the Booster Club will be at 8 p.m. Tuesday in the school cafeteria, and the main order of business will be the election of new officers for the coming year.

Revival Set

The First Baptist Church at Hart will conduct a revival Sunday through Sunday, starting this Sunday.

Revival services will be twice daily—at 10 a.m. and 7:30 p.m. at the church.

Rev. Clifford Palmer will be the evangelistic preacher, and Jimmy Hallcom will lead the singing.

An open invitation is extended to all Hart area residents to attend one or more, any or all of the revival services.

James Kennedy New Cubmaster

James Kennedy will replace Miles Jackson as cubmaster in Hart.

Kennedy volunteered for the job at a meeting Monday night of the district scout executive, Bob Hickman, and the Lions Club scouting committee.

Jackson has moved to Plainview.

Three additional den mothers are needed for the year's program.

Hickman delivered the re-chartering applications for Troop 246 at the Monday meet.

Hickman will conduct a troop committee training session Monday Sept. 28 at 8 p.m. in the legion hall. All troop members and prospective committee members are urged to attend.

Attending the Monday night meeting were Hickman, Robert Hawkins, Bob Reed, Stewart Newsom, Dwight Miller, Deryl Clevenger and James Kennedy.

Scout Plans Underway

A meeting of patrol leaders and Scout leaders was held Saturday night in the Deryl Clevenger home.

Those attending were Danny Rice, Donny Black, Mike Armstrong and leaders, Deryl Clevenger, Dwight Miller and Paul Armstrong.

Plans were made for the coming year in Scouting. It was decided that the weekly Scout meeting would be at 4:30 p.m. on Mondays.

The group plans to recruit all boys 11 to 14 years of age who are interested in Scouting.

Hart Enrollment Is Almost 600

After three days of school, enrollment in the Hart Schools stands at 589 pupils—404 in elementary school and 185 in junior and senior high school.

Superintendent Paul Kennedy in releasing the figures said that final enrollment should easily top 600 by the time peak enrollment is reached in late October.

The superintendent also said that more than 600 people attended the open house ceremonies during the weekend at the new school building. The open house began with a dedication ceremony, where Homer Garrison of Plainview spoke. Garrison, a Plainview banker, is a former resident of Hart.

In spite of the conversion of the old high school building to a completely elementary school, certain problems are arising from sheer force of numbers in the grade school.

As the school superintendent put it, "We're busting out at the seams over there—especially the second, fourth and fifth grades." There are two teachers in each of the three grades mentioned, and there are 75 students in the second grade, 74 in the fourth and 66 in the fifth.

The main problem is in the second and fourth grades, which are taught in self-contained

classes. Facing almost 40 pupils for the entire day is proving something of a strain on the teachers in those two grades.

Kennedy said that something would have to be done to reduce the sizes of the largest classes in the elementary school in the very near future.

First Grain!

Hart's first load of grain of the year was delivered Tuesday at 5:15 p.m. by Cleve McLain, who farms four miles south of Hart.

McLain delivered the 13,360 pound load to Farmers Grain Co. The milo tested 16.0 per cent moisture.

The Hart farmer said he planted the Pioneer 846 milo on April 28 and watered three times after planting. Before planting, he put on 300 pounds of dry fertilizer and pre-watered once.

McLain said he expected the milo to average between 5,000 and 6,000 pounds per acre.

Clevenger Gets Award For Work With Scouting

Deryl Clevenger, Scoutmaster of Troop 246, has received a scholarship from the National Council, Boy Scouts of America, as a result of his work at Philmont Scout Training Center, Cimarron, N.M.

The scholarship is for Clevenger and his wife and was awarded on a basis of outstanding leadership in scouting, church, civic and community organizations.

It is made available by the Seas and Roebuck Foundation, the national and State Associations of Soil and Water Conservation Districts and members of the National Rural Relationships Committee of the Boy Scouts of America.

Scholarships went to 160 men from all 50 states.

The program was launched eight years ago by the National Rural Scouting Committee of the Boy Scouts of America.

It serves as a means of paying tribute to the services of community minded men across America, who serve as volunteer leaders to boys through the Scouting movement.

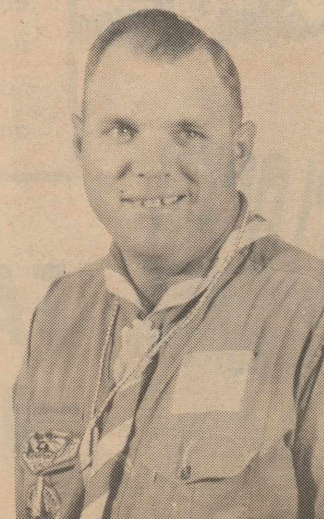

Purpose of the conferences is to study the newest and most effective program ideas and outreach methods to the changing population characteristics of our times.

Clevenger has been Scoutmaster of Troop 246 for the

past three years. The troop is chartered to the Hart Lions Club.

A member of the Church of Christ, Clevenger is president of the Hart PTA, member of the Hart Lions Club, member of the Hi-Plains Rock Club of Plainview, and is a Sunday School teacher.

Under his leadership, Troop 246 plans and carries out regular troop meetings, using the patrol method, and a year-round camping program of troop hikes, district camping and participation in the council summer camp.
