NUMBER 13

HART CHEERLEADERS CONNIE BAILEY, left, and Martha Sharp hope this "Good Luck 4-Leaf Clover" will bring the Longhorns just that Friday night when the Hart team meets Nazareth in the district opener. Nazareth is unbeaten and the Longhorns have lost their first four games.

Longhorns Try Nazareth Team

The Longhorns return to Hart this week to take on the Nazareth Swifts in the first conference game of the season -- with the Swifts as the home team.

The Horns will be attempting to turn the pre-conference trend of losses into a conference-opening victory for the Swifts. This is the first year in Class B ball for the Swifts, and they will be trying to begin their conference history with a victory.

Last year the Horns downed the Swifts 18-0, but they were often hard pressed to keep the Swifts down.

This year things have been different for the Horns -- and for the Swifts, too.

The Horns are finding competition rougher than it has been for a long time. The Longhorns have yet to win a game this year, and the Swifts have

yet to lose a game this year. Nazareth upset the Anton Bulldogs 18-6 for their season opener -- it was this same Bulldog team that downed Hart 32-12 last week.

And then Nazareth downed the Dimmitt "B" team 32-8.

The Horns will have the advantage of experience this week, for the two victories are the only games the Swifts have played so far this season.

But the Swifts are a more versatile appearing team than are the Longhorns. The Swifts have been successful this year both on the ground and in the air.

Against Anton the Swifts scored on three running plays. Larry Ringwald scored the first time. Gerald Brockman scored the next two times.

Against Dimmitt the Swifts scored and scored. Ricky Gerber started things off with a sweep around right end. The Greg Pohlmeier took a pass from quarterback Marvin Hoelting -- the pass went 20 yards, and then the run went for another 21 yards and the touchdown.

Gerber scored twice more on runs to round out the touchdown gathering for the Swifts.

The Swifts will come into Friday's game with a 2-0 record, then, and Hart will be carrying an 0-4 standing.

PTA Meet Set

A panel of three teachers and three parents will discuss the problems of Hart School at a PTA meeting Oct. 12.

The fifth and sixth grade music classes will have the program.

An open house will be held in the music classes.

The fifth grade science class has an exhibit in the trophy case at the high school.

Hart Boys Win Honors

Three Hart boys took honors in the national finals of the American Association of Sheriff's Poses and Riding Clubs held at Fort Worth, Dis-

trict 30 arena, Oct. 2, 3, and 4.

James McLain, son of Mr. and Mrs. Cleve McLain, took a second place in the relay team. The youngster rode with Mike McKaslin and Blair Leftwitch, both of Lubbock.

Harley Malone, son of Mr. and Mrs. Lloyd Davis, won fourth place in the wagon race. Harley rode in the wagon and Lonny rode his horse, Skipper.

The Hart Riding Club is in District I and finals were held Sept. 13.

Each district has five playdays from April to August with a point system kept on members of all the clubs.

The members who have the most points in each event get to go to district finals.

First and second place winners at district are entitled to compete in the national event.

Playday games, all played on horses, are Keyhole, Rings Relay, Flags, Potatoes, Barrels, Poles and Wagon.

At this year's national event, there were 1,223 entries with games starting at 10 a.m. and ending at 3:30 a.m.

The Hart boys entered the competition at 2:30 a.m. and according to their parents, were "wide eyed and did good even if the sand was two feet deep."

The 1965 national finals will be held at Altus, Okla., district 151.

Mrs. Carter Rites Held

Funeral services for Mrs. Florence Carter, 74, were held Friday at 3 p.m. in the First Methodist Church in Hart with the Rev. E. H. Phillips officiating. He was assisted by the Rev. Denzil Leonard, pastor of the First Baptist Church, Hart.

Burial was in the Hart Cemetery under direction of Dennis Funeral Home, Dimmitt.

A resident of Castro County for 40 years, Mrs. Carter died Thursday at her home in Hart. She was born Jan. 28, 1890 in Denton.

Survivors include her husband, L.M. Carter; one son, Boyce Carter, Dimmitt; a daughter, Mrs. L. F. Rice, Hart; three grandchildren, Robbie, Danny and Scott Rice, all of Hart; five brother and three sisters.

Pallbearers were Herman Burress, Edd Bennett, Edwin Holland, H. C. Nelson, Billy Hackleman and Truitt Boothe.

RIDING CLUB WINNERS -- Shown above, in the first photo, is James McLain, son of Mr. and Mrs. Cleve McLain, with his second place ribbon, which he won on a relay riding team in national competition at Fort Worth Oct. 2, 3 and 4. In the second photo, are Harley Malone son of Mr. and Mrs. W. C. Malone, and Lonny Davis, son of Mr. and Mrs. Lloyd Davis, with their fourth place ribbons.

Premature Defoliation Is Discussed

BY W. F. "BILL" BENNETT
AGRONOMIST

Weather conditions during the past two to three weeks have affected growth of cotton. Leaves on cotton plants are dying and plants in some instances are being completely defoliated. There is some concern that this has been due to a plant disease or root rot of some type.

Dr. Bob Berry, extension plant pathologist, Texas A & M University, Lubbock, has examined some of these affected cotton plants from this area. The condition of the plants, reports Dr. Berry, is not due to the presence of plant diseases. Certain cotton diseases, such as Verticillium wilt or Fusarium wilt, are present on the High Plains, but they are less widespread in their distribution and would have been present before the rain.

Death of cotton leaves is probably due to desiccation of the plant. If no more irrigation water was applied after Aug. 25, cotton had, in the main, started hardening off and maturing which for practical purposes put a plant under drouth stress. Moisture in the form of rain at a later date resulted in increased metabolic activity and growth of the plant. During active growing periods, leaf openings called stomates open up and plants take in water and becomes turgid. With the advent of sunshine and lower humidity, the plant leaf is desiccated due to the slow closing of the stomatal openings. The desiccation of the leaf in this manner would have the same effect as chemical defoliation of cotton.

Since most of the cotton in the area was already matured, this condition will have little or no effect on yields. It might even have a beneficial effect where cotton was too rank in growth.

AMERICAN LEGION

Zone 11 of the American Legion and Auxiliary will meet Thursday, Oct. 15 at 7:30 in the Tulia Legion Hall.

Everyone is urged to attend.

Boll Weevil Control Spray Report Given

Around 99 percent of the farmers in the diapause boll weevil control spray area have now signed permits allowing cotton fields to be sprayed.

Agriculture Commissioner John White's office announces that around 3,358 of the 3,434 farmers contacted have signed spray permits. Only 76 farmers have refused to sign permits and quite a few of these are outside the present spray boundary. In addition, Fred Roy of the Commissioner's office reports that his men were unable to contact around 50 farm operators who had moved out-of-state or otherwise could not be found. Fortunately, most of these were also outside the spray area, Roy says.

A county - by - county breakdown of the sign-up and refusals follows:

Briscoe - 272 signed, 12 refused; Crosby - 806 signed, 2 refused; Dickens - 545 signed, 5 refused; Floyd - 812 signed, 37 refused; Garza - 287 signed, 7 refused; Hall - 133 signed, 3 refused; Kent - 187 signed, 2 refused; Lubbock 63 signed, none refused; Motley - 252 signed, 8 refused.

Roy said that spray permits are being sought from all farmers in the nine county area with the exception of Lubbock County even though all cotton land in these counties will not be sprayed. He explained that this was to allow a little leeway in case it was necessary to change the spray boundary.

When a farmer in the spray area refuses to sign a spray permit, his fields are "flagged" and not sprayed.

ANTON STOPS

It was homecoming last week for the Anton Bulldogs, and the Bulldogs hamstrung the visiting Longhorn herd to top off the day's celebrations.

The fired up Antonteam drew first blood -- so to speak -- and second blood and third blood before the Longhorns could put together a single touchdown. The net result was a 33-12 defeat -- the fourth in a row for the hapless Horns.

The Horns were hurt badly by their own mistakes, as the Bulldogs turned two recovered Horn fumbles and an intercepted pass into touchdowns.

But the Horns were pretty well out-played throughout the game by the Anton gridders. The Bulldogs led 16-12 in first downs, 400 to 172 in total yardage, and 6 to 0 in pass completions.

The Bulldogs tied a Bell to the Longhorn herd -- a Willie Bell, 152-pound senior half-back.

Bell ran, caught passes, recovered fumbles, broke up passes, tackled, blocked, scored touchdowns and made life miserable for the Horns throughout the game.

The Bulldog offense was explosive and sudden, and the Horn defense was often caught looking and chasing after a long-departed Bulldog on his way to the end zone.

The weather for the game was perfect, but the football climate in Anton was not. A gentle breeze blew across the field from one end zone toward the other, and temperature was crisp but not cold. But it was homecoming in Anton, and the Bulldogs and fans were set for a victory.

Joe Bob Sanders started the game by booting the ball to the Bulldog 25-yard line. Bob Conkin scooped it up, returned it to the 32 and the Anton group headed for the far end of the field.

Junior quarterback Mike Couch picked up the first first down of the game on the first play from scrimmage of the game. He carted the ball to the 43-yard line.

Then Nicky Biffle and Conkin

started carrying the payload. Biffle to the 30 -- Conkin to the Hart 46 -- Biffle to the 43 -- Conkin to the 37 -- Biffle to the 37 -- Conkin to the 35 -- Biffle to the 26, the 23, and the 21.

A penalty moved the ball to the 18, and Willie Bell sailed around his own left end into the end zone. Danny Lambeth kicked the extra point, and the Anton fans had a 7-0 lead to cheer about -- with 6:09 left in the first quarter.

Paul Swanson attempted an on-sides kick, but Tommy Morrison covered the ball at the Bulldog 46. David Smith moved to the 39, and fumbleitis struck -- with Larry Conkin recovering on the 37 for Anton.

Biffle stopped at the 37, and then Bob Conkin stopped at the 37 -- with a bit of help from Morrison.

Couch went to the air, and there he found a Horn weakness. He hit Willie Bell good to the 4-yard line.

Biffle moved the ball one yard, and Couch plunged in for the second Anton TD. Again Lambeth kicked the extra point, and the Bulldogs took a 14-0 lead with 2:57 still showing in the first period.

Again Swanson tried for an on-sides kick. The Horns put the ball in play from their own 46, and it looked like they were going to even things up quite a bit.

Seven plays and three first downs later, the Horns were at the Anton 20 and knocking on the door. David Smith went to the 18, Doug Martin moved to the 15 and Smith boomed to the 5-yard line.

But then fumbleitis struck again, and Willie Bell jumped on the ball in the end zone -- Anton taking possession then on the 20.

Bob Conkin pushed his way out to the 23, and then Willie Bell sailed 77 yards around his own left end for another six points. Lambeth kicked the extra point, and Anton led 21-0 with 10:33 left in the half.

LONGHORN DAVID SMITH breaks loose on a 24 yard run to the Hart 42 on the first play of the second half against Anton.

LONGHORNS, 33-12

BOB SANDERS downs Anton's Willie Bell after an 11-yard run to the Anton 40. Coming up to help are a pair of Longhorns.

Swanson tried the onside kick but the ball came back to the Bulldog 44-yard line. Swanson was unable to gain any yardage, and the Bulldogs carried to the 8-yard line.

Swanson was trapped at the 13-yard line on a return, and then it was the Bulldogs' turn to move the ball. Swanson carried 6-yards to go, and then to the midfield.

Swanson touched the punt, and finally the Hart 40. But for nothing. A 15-yard penalty for roughing the player gave the Bulldogs a first down at the 27.

Swanson moved to the 29-yard line, and Bell galloped to the end zone. Couch took the ball and David Smith plucked it from the air and hit Rodriguez for a loss to the 35, and the Willie Bell gathered in a Heller pass and raced to the 31.

Conkin carried into the end zone, but a penalty moved the ball out to the 12.

Couch carried to the 7-yard line again, and again a penalty moved the ball back to the 12. Finally Couch hit Swanson for the touchdown -- with 11 seconds left in the third quarter.

Lambeth missed the kick, and the score went to 27-6 for the Bulldogs.

Lambeth had to kick twice to keep the kick-off inside the playing field boundaries, but he put the second kick into the end zone.

The Horns picked up a first down, but were unable to move past the 41 yard line. Danny Rodriguez punted into the end zone, and the Bulldogs took over at the 20.

Sophomore Ricky Reep was running the club, and they picked up a first down at the 37 and ran into trouble.

Bell to the 37, penalty to the 32, Conkin to the 43, penalty to the 37, Bell to the 37 -- and then Harvey Sullivan intercepted a Reep aerial at the Anton 42.

Eleven plays later the Horns had their second and final touchdown. Heller and Sullivan did most of the offensive damage on this drive. And the Horns picked up three first downs along the way. After a penalty gave the Long-

Bulldog 34. It took the Bulldogs several seconds to catch up with the ball, but Bell finally fell on it at the 34.

Bob Conkin picked up the first down by tearing down to the Hart 28 on a fake punt from the Anton 43 -- Rodriguez finally hauled the rambling full-back down.

Conkin gained another first down at the 18, and then the drive came to rather sudden stop. Couch gained to the 15, and then he passed incomplete. Bell couldn't get his hands on the ball as Couch tried to set up the previously successful sweep around left end, and Dan Rodriguez pounced on the ball at about the 25 and moved to the 43-yard line.

The recovery actually only delayed the Bulldog TD. For Ronald Glass broke through to hit Rodriguez for a loss to the 35, and the Willie Bell gathered in a Heller pass and raced to the 31.

Conkin carried into the end zone, but a penalty moved the ball out to the 12.

Couch carried to the 7-yard line again, and again a penalty moved the ball back to the 12. Finally Couch hit Swanson for the touchdown -- with 11 seconds left in the third quarter.

Lambeth missed the kick, and the score went to 27-6 for the Bulldogs.

Lambeth had to kick twice to keep the kick-off inside the playing field boundaries, but he put the second kick into the end zone.

The Horns picked up a first down, but were unable to move past the 41 yard line. Danny Rodriguez punted into the end zone, and the Bulldogs took over at the 20.

Sophomore Ricky Reep was running the club, and they picked up a first down at the 37 and ran into trouble.

Bell to the 37, penalty to the 32, Conkin to the 43, penalty to the 37, Bell to the 37 -- and then Harvey Sullivan intercepted a Reep aerial at the Anton 42.

Eleven plays later the Horns had their second and final touchdown. Heller and Sullivan did most of the offensive damage on this drive. And the Horns picked up three first downs along the way. After a penalty gave the Long-

horns a first down at the 15, Sullivan boomed to the 10. Heller gained to the 8-yard line, and Sullivan carried clear to the 2-yard point.

Sullivan carried to the 1/4 yard position, and Heller shot through into the end zone for the TD.

Sullivan was stopped short, and the Horns trailed 27-12 -- with three and a half minutes left in the game.

Joe Bob Sanders kicked to the 27, and Ronald Glass returned to the 33.

Eight plays later the scoring for the game was all over, and the Bulldogs had tallied again.

Bob Conkin gained to the 42 in two carries, and Couch picked up the first down at the 45.

Lambeth carried to the 48, and Couch lost to the 46. Couch passed incomplete, and then he hit Bell good to the Hart 24.

The next play, the Couch to Bell combination worked perfectly -- and the Bulldogs had their last touchdown.

Wheat, Feed Compliance Is Explained

Persons operating under some types of leases, agreements or arrangements will not be relieved of liability for offsetting compliance with the 1965 wheat and feed grain programs, according to Charley E. Hill, ASCS office manager, Dimmitt. Hill listed the following examples:

1. Cash renters (lessees).
 2. An individual member utilizing the services and/or equipment from the family operation on land the county committee deems would have been operated as a family venture in the absence of the diversion programs.
 3. A producer on the farm who in prior years operated in such a manner that he would not have been restricted from complying with the offsetting-compliance requirement but who now is operating under a lease or agreement which shifts control of operation to someone else.
 4. A farm operator or a landlord unless he can show that the condition which results in his lack of control cannot be construed as a scheme or devise to evade the offsetting compliance provision.
- "There will be a very limited possibility of being excused from liability for offsetting compliance under the 1965 programs," Hill said.
- The 1965 programs have been announced in advance of the

planting of crops and Hill advises producers to plan 1965 crop acreages to be in compliance with their intentions under all provisions of the programs.

"Under the excess wheat provision of 1965, an acreage up to 150 percent of the allotment may be produced under the program if an intention is timely filed to use the excess wheat provision", Hill notes.

He adds that with the inclusion of this provision, there will be "little if any justification" for excusing producers from liability for offsetting compliance on another farm in 1965.

ton and Amarillo also were seriously considered as sites. Thirty-nine cities originally expressed interest in having the facility.

OIL PRODUCTION HELD --
Texas Railroad Commission held Texas oil production to 27.9 per cent of potential.

New order will peg October production at 2,866,252 barrels a day, compared with an October 1963, figure of 2,878,206 under a 28 per cent order.

SHORT SNORTS -- State Department of Public Safety veteran George W. Busby -- who has served in Dallas, Sherman, San Antonio, Uvalde and Austin stations during his 28 years' service -- is due a Distinguished Service Award from the American Association of Motor Vehicle Administrators.....Securities Commissioner William M. King reports permits for the sale of \$49,500,000 in stocks were issued to 42 firms during August--second largest dollar volume in the agency's history -- bringing the year's total to \$337,000,000...Republican State Headquarters advises that Democrats Hardy Hollers of Austin and William Robert Smith of San Antonio will head a Statewide Texans for Goldwater-Miller group...Hearing on application of Portland Savings and Loan Association for a charter is set for November 25 by Savings and Loan Commissioner James O. Gerst.... State Banking Board set hearings on charter applications of Brook Hollow State Bank, Dallas, Fritch State Bank at Fritch and Harris County State Bank, Houston, and on Sept. 25 will hear applications of Colonial State Bank, Wake Village and Downtown State Bank, Houston.

Farm Census Coming

CENSUS TAKERS will visit every farm and ranch in the United States during November or December as part of the 1964 Census of Agriculture, conducted by the U. S. Bureau of the Census. Census questionnaires will be delivered by mail; the farmer will answer the questions and keep the questionnaire until the census taker calls for it. Answers are confidential and are used only for statistics. From the last Census of Agriculture in 1959 the nation learned that the number of farms had dropped by about 1 million in five years, but farm production had increased.

Highlights
AND Sidelights
 by Vern Sanford

BY VERN SANFORD
 TEXAS PRESS ASSOCIATION

Speaking before more than 300 district and county attorneys, sheriffs and judges at a Law Enforcement Conference here, Atty. Gen. Waggoner Carr proposed the following 8-point program:

- (1) Expand training and edu-

cation of law enforcement officials;

- (2) Provide more officers and pay them better;

- (3) Teach personal knowledge of confinement to juvenile offenders;

- (4) Teach and gain increased parental responsibility;

- (5) Make parents financially

responsible for damage done by juveniles;

- (6) Place responsibility on juveniles themselves through such programs as the Texas Youth Conference;

- (7) Continue and improve the annual Attorney General's Law Enforcement Conference; and

- (8) Step up local community "crime drives".

SHELL GAME-- State Sen. William Patman of Ganado and Rep. Paul Haring of Goliad have entered strong protests with the State Parks and Wildlife Commission, on behalf of their constituency, opposing an application by Heldensfels Brothers for oyster shell in Copano Bay.

According to Haring, Heldensfels Brothers wants to use the shell to build a road by Copano Bay. But the State Highway Department would readily accept the use of lime instead.

Protestors insist that dredging in the bay would kill off live oyster reefs and destroy fishing, sporting and tourist attractions in the area.

A-G OPINIONS -- Attorney General Carr has ruled that Rep. H. G. Wells of Tulia, who represents Briscoe, Hale, Swisher, and Floyd Counties, should get legislative pay through this term even though he now is attorney for the high Plains Underground Water Conservation District No. 1. Wells is not running for reelection.

Carr also held that professional roller derby contests are not taxable under the Admissions Tax Law of Texas; and that "concrete containers" to be used as burial vaults, in garden-type cemeteries to keep graves from settling, are funeral merchandise under

state law and are not exempt as crypts or mausoleums.

APPOINTMENTS--Gov. John Connally has appointed George Dowlen of Canyon as Criminal District Attorney of Randall County. He succeeds the late Truett G. Hull Jr.

Connally also picked Paul N. Howell of San Antonio to succeed E. E. Voigt on the San Antonio River Authority Board. Howell, an oilman, also is a director of the San Antonio HemisFair.

PALMETTO DAM PROJECT --Edna and Ganado area people packed a Water Commission hearing room when Bureau of Reclamation representatives and the Jackson County Flood Control District took up consideration of the proposed Palmetto Bend Dam Project.

Most of those attending the hearing favored construction of the 15-mile dam which would cost \$48,150,000 to build. However, Commission Chairman Joe Carter said no written protests had been received.

Harry Burleigh, area planning engineer of the Bureau of a dam across Navidad River to form a reservoir with a capacity of 192,000 acre feet and a conservation level of 44 feet.

Part two of the plan would extend the dam across nearby Post Oak Branch and Lavaca River.

Burleigh said that the first phase, if authorized by the Commission, plus the Federal House and Senate and the people of Jackson County, would satisfy Jackson County's water needs for about 19 years.

Approval of both phases at one time would result in savings, Burleigh stated. But Commissioner Otho Dent was reluctant to consider part two immediately.

"If phase one is an entity unto itself and you don't intend to do anything with phase two for 15-20 years, I'm not in favor of the state surrendering its rights to control of water in the second watershed at this time," Dent said.

Commission, which will write the state's comments on the project, took the matter under advisement after six hours of discussion.

HEARING CONCLUDED---- A legislative study committee completed its hearings on congressional redistricting and settled down to figuring how to draw 23 districts of equal population.

At the final meeting in Austin Rep. John Traeger of Sequin suggested a redistricting plan which would create a new 16-county district in the Guadalupe River Basin. His proposal also would combine the East Texas districts of Congressmen John Dowdy of Athens, Wright Patman, Texarkana, and Lindley Beckworth of Gladewater.
