HART, TEXAS

Consolidated With The Hart Dispatch, July 26, 1962

VOLUME 3

HART, CASTRO COUNTY, TEXAS, THURSDAY, FEBRUARY 4, 1965

NUMBER 30

MR. AND MISS HART HIGH SCHOOL are Gary Heller, son of Mr. and Mrs. Everett Heller, and Connie Bailey, daughter of Mr. and Mrs. Joe Bailey.

## '64 Bale Count Totals 16,413

Hart community's total cotton ginnings for the 1964 season came to 16,413 bales, a check at the three local gins showed this week.

The gins reporting were Hart Gin, Hart of the Plains Gin, and Hart Producers Co-Op Gin.

The final count this year represented a big increase over 1963, when the total was 14,200.

But the total was down from the record year of 1962, when the three Hart gins turned out 18,276 bales.

## Cheatham Named HHS Principal

H. L. Cheatham has been named new Hart High School principal, effective July 1.

W. A. Gardenhire, present principal, will assume the superintendent's duties at that time.

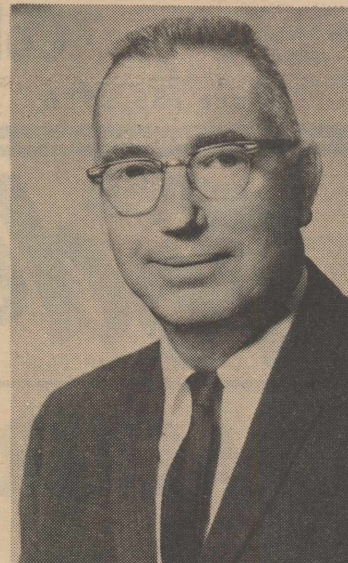

G. C. Graves is re-elected for his fourth year as grade school principal.

Cheatham has had 29 years experience and taught 21 years in Lamar County in Northeast Texas. While in Lamar County, he served as elementary and high school principal at Central High near Paris and as high school principal and coach at Delmar for two years.

He taught math in junior high at Paul H. Pewitt school in Morris County near Texarkana for five years. He then moved to Hart, where he has taught for the past three years.

His wife, Irene, teaches a section of the third grade in the Hart school.

Cheatham holds B.S. and M. S. Degrees from East Texas State College at Commerce. He is a member of the First Baptist Church of Hart, where he is a deacon.

H. L. CHEATHAM

## New Rules Announced For School Facility Use

New regulations concerning the use of school facilities for non-school connected activities were announced this week by local school administration.

In the future, all activities must be pre-scheduled through the school administration and they must be supervised by

some school personnel, selected by the administration.

A charge of \$3 per hour will be made for the use of any school facilities to any group, club or team, other than those that are school-connected.

Money will go to the personnel in charge and the custodian and no part of the money will be turned in to the school.

Time charged for will start when the doors are opened and will include all time the activity continues and the necessary time for the custodian to properly clean the portion of the building used.

The directive also stated that the school board reserves the right to terminate any and all of these privileges.

## Applications Being Taken

An examination for post-master at Hart, \$6140 a year, will be open for acceptance of applications until Feb. 23, the Commission announced today.

Competitors for the post-master vacancy in this city must have at least one and one-half years of experience (education above high school level may be substituted for nine months of experience) showing that they have the ability to conduct and manage the community's postal business efficiently.

Applicants must take a written test. Those who pass will be assigned final ratings on the basis of this test and on their experience, and fitness for the position. They must have resided within the delivery of the office for one year immediately preceding the closing date of the examination.

Complete information about the examination requirements and instructions for filing applications may be obtained at the post office for which this examination is being announced. Application forms must be filed with the U. S. Civil Service Commission, Washington, D. C. 20415.

## Cotton Sign-up

Cotton farmers who want to grow their upland crop this year under the domestic allotment plan may sign up at the Castro ASCS county office, Charley E. Hill, office manager, announced this week.

The sign-up covers the period Feb. 8 through March 26.

He pointed out that this sign-up is a new development for cotton farmers, and for that reason a special effort is being made to get the word around to interested farmers.

The domestic allotment program was also in effect for the 1964 upland cotton crop, as authorized by special legislation, and the program for the 1965 crop is very similar to last year's. But last year there was no sign-up of farmers who wanted to take part in the program.

## PTA Meeting Set Feb. 8

Hart PTA will meet Feb. 8 at 8 p.m. for a program on "Values of American Heritage."

The program will be presented by H. L. Cheatham and the FFA class. A special flag ceremony will be given by BSA.

## HART GIRLS WIN TWO, BOYS FALL

Hart's girl basketballers racked up a pair of victories but the Longhorns took two losses in action last week.

The teams resume action Friday night at Nazareth, while the Hart girls will be battling to stay in contention for the district title.

The girls are 3-2 for the district season and must defeat Nazareth to retain a chance to tie for the crown.

The boys are 1-4 in district, while Nazareth boys are leading the league.

Next Tuesday night, the Hart teams will play host of Lazbuddie.

In the girls' victories last week, Dixie Kendrick scored 24 to pace a 48-45 win over Bovina here Tuesday night, and Connie Bailey got 36 in a 53-42 win over Lazbuddie there last Friday night.

The boys lost to Lazbuddie, 67-40, and to Bovina, 45-42. Gary Heller paced the Longhorns in both games, getting 12 against Lazbuddie and 21 against Bovina.

The boys' B-team won over Bovina, 60-57, here Tuesday night, with Larry Houston scoring 15, Kenneth Sharp, 13 and Bobby McLain, 12.

## Couple Escapes Asphyxiation

A young Hart couple narrowly escaped asphyxiation last Thursday night.

Mr. and Mrs. Truman Turner were hospitalized at Plainview after they were discovered unconscious at their home by a neighbor.

The couple was released from the hospital after a short stay.

Turner, 19, is a butcher at Newsom Food in Hart.

Turner told friends he got up and stumbled around the house in a daze on Friday. He later fell, and the noise apparently attracted neighbor's attention.

Fumes from a stove the couple had left on during the night had them in such a daze they did not awaken until after noon on Friday.

## Remember When...

What was it like 'way back when'?

The local Zealot Club is seeking an answer to this question ... in relation of the history of Hart.

The club has planned its year's program around the project and will devote its program each month to a 10-year-period of the community's history.

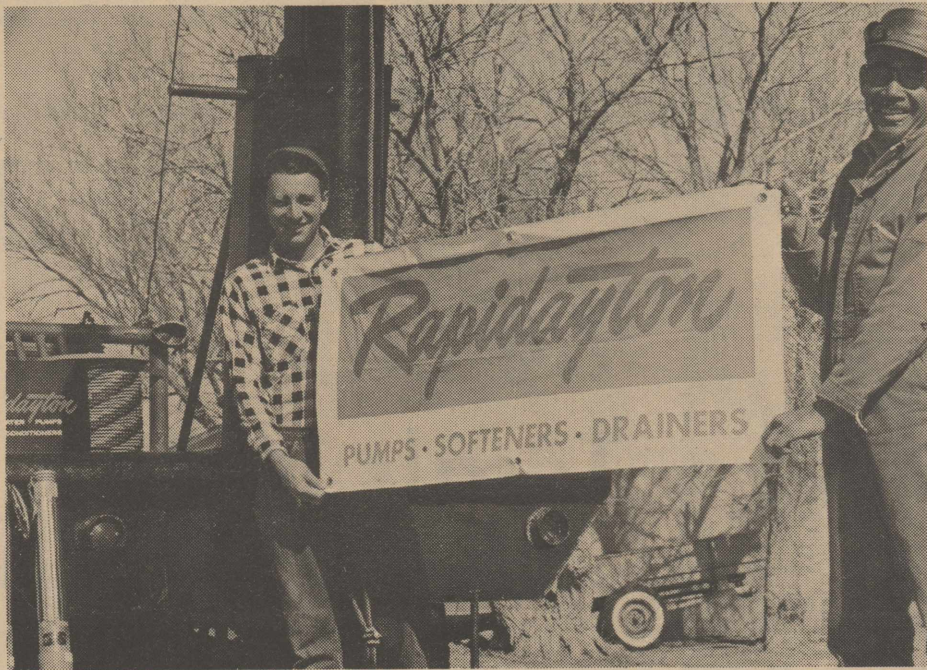

The club is asking the help of everyone in the community who might have information helpful to the project.

Borrowed objects of historical interest, such as pictures, will be returned to the owner.

The period of time covered will be from approximately 1900 to 1940.

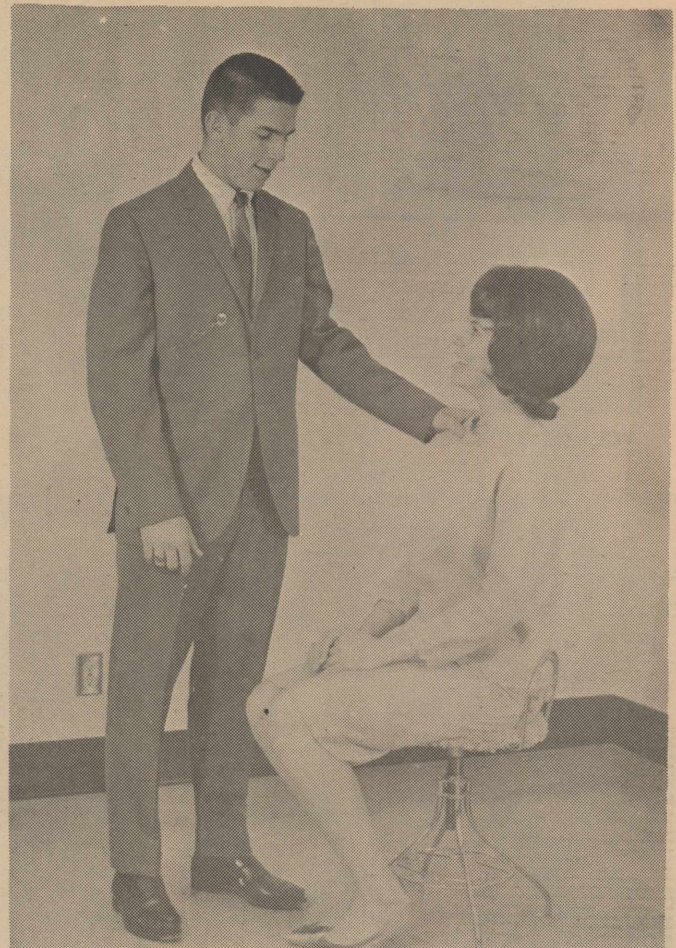

President of the organization, Mrs. Ralph Futrell, asks that anyone having objects of interest or information contact her or any member of the Zealot Club.

MRS. DIANE SANDERS

## Recipe Of The Week

Mrs. Jack Sanders gives us our recipe this week.

Mrs. Sanders and her husband, who have farmed in Hart for the past year, attend St. John's Catholic Church in Hart. They have two children, Mary Dorothy, 3, and Jacqueline, 1.

Jack lived in Hart until he was 14, then moved to Corpus Christi. He served five years in the service and moved back to Hart a year ago.

## Latin American Study Underway

WSCS met in regular weekly meeting Jan. 29 in the Fellowship Hall with Mrs. W. A. Hawkins, president, in charge.

Opening prayer was by Sue Bennett, followed by a study of Spanish Americans in the area. Judy Bansworth had charge of the study. Others on the program were Marihelen Willis and Lena Maples.

Other members present were Mable Aven, Jonnie Hawkins, and Jackie Armstrong.

### IN ARIZONA

Mrs. J. E. Jacks visited her son, John Jacks and family, in Douglass, Ariz. last week. She returned home Wednesday night.

### VISIT JACKS

Mrs. Frank Thorton and children, Debbie and Danny, of Littlefield visited her parents, Mr. and Mrs. J. E. Jacks and Paula Saturday night.

### VISIT MAPLES

Miss Mary Helen Maples of Plains visited her grandparents Mr. and Mrs. Hubert Maples, Sunday evening, Hart.

## Ladies Bible Class Meets

The program for the regular meeting of the Ladies Bible Class of the Church of Christ was on marriage and the relation of liberty to self-denial. Brother Joe Brooks brought the scripture, Corinthians, chapters 7 through 9.

Ladies attending were Mmes. James C. Kennedy, Richard Entrek, J. C. Jackson, Tom Ed Benton, Fred Hamm, Joe Brooks, Henry Hendrix, Lorenza Lee, Henry Pigg, I. V. McLain, Wayne Brown, Kenneth Covington and Jimmy Bradley.

## Good Neighbor Club Meet Held

Mrs. Homer Hill was hostess to the Good Neighbor Club Tuesday Feb. 2 at her home. Trichem painting was the program of the day.

Guests present were Mrs. Lee Harris, and Rita Bitz, Lubbock; Mrs. Joe Hill, Hereford; and Mrs. Roland Shepard.

Members present were Mmes. Paul Brooks, Ray Bennett, T. B. Cox, T. R. Davis, Kenneth Lambert, Elra Phillips, Percy Hart, J. D. Murray, W. R. Reed, John Rice, D. L. McLain, Wade Mills and Homer Hill.

The next meeting will be held Tuesday March 2 with Mrs. John Rice and co-hostess Mrs. W. R. Reed.

### IN SUNRAY

Saturday, Mr. and Mrs. Lloyd Davis, Mr. and Mrs. Truman Swopes and Alene Lilley visited with Mr. and Mrs. Freddy Lilley in Sunray.

### VISITS DAVISES

Sunday night visitors of Mr. and Mrs. Loyd Davis were Mr. and Mrs. Truman Swopes and Greg of Big Cabin, Okla. and Mr. and Mrs. Hubert Lilley of Sunnyside.

### IN FRIONA

Mr. and Mrs. Everett Cole, Gary, and Carolyn visited with their son, Mr. and Mrs. Curtis Davis and family, at Friona Sunday.

### EASY SPAGHETTI BAKE

2 slices bacon, cut up  
2 onions, chopped  
1 clove garlic, minced  
1/2 lb. ground beef  
1 1/2 tsp. salt  
1/4 tsp. pepper  
1 tsp. chili powder  
2 8 oz. tomato sauce  
3 cups water  
1/2 cup sliced ripe olives  
1/2 lb. spaghetti, uncooked  
1 cup shredded cheddar cheese

Fry bacon 2 minutes. Stir in onion and garlic. Cook till tender. Add meat and brown. Stir in seasonings, tomato sauce and water. Cover, simmer 25 minutes. Stir in ripe olives. Break half of spaghetti into greased 2 qt. casserole. Cover with half the sauce and half of cheese. Repeat. Bake at 350 degrees for 30 minutes. Uncover and bake 15 minutes longer, or until browned and bubbly. Serves 6.

### BIRTHDAY OBSERVED

Mrs. J. P. Armstrong observed her 70th birthday Feb. 2. Those visiting during the day included Mr. and Mrs. Cody Marlar, her daughter of Lorenzo; Mr. and Mrs. Deward Armstrong, a son of Texaco; Mrs. Roy Lilley, a daughter of Dimmitt; Mr. and Mrs. Owen Hankins, a daughter of Hart; Mrs. Lloyd Davis and Kim, granddaughter and great-granddaughter of Hart; and Mrs. T. B. Cox, Mrs. H. E. Loman and Mrs. Hankins.

YOU DON'T HAVE TO BE PRESENT FOR THE DRAWING. WE ARE OPENING WITH SPRING & SUMMER MERCHANDISE, WITH LOTS OF FAMOUS BRANDS.

TULIA, TEXAS

## VAUGHN'S FASHIONS

# New Museum At Wayland Now Open

PLAINVIEW, -- "Something old, something new---", could be the description of the newly established museum at Wayland Baptist College.

Ron Reynolds, instructor in art, heads the museum committee which has set up a first floor exhibit room in Gates Hall Room 154.

Materials of West Texas and the Southwest began to come in

last spring when the first tentative announcement of plans for the museum were made, with most gifts and loans coming from Plainview and nearby communities, though a man from California has made a donation, Frank Schmidt, San Diego, read about the Schreier Rock Col-

lection, while stopping overnight in Plainview, and called Dean Maurice J. Sharp to offer ore samples from Borax mines which he has collected through

his years with the Borax Corporation.

Heading the list of donors is Carrol Johnston, Plainview, former Wayland student. Many items given by Johnston were acquired at an auction of the possessions of a Silverton man who had offered the same articles to the college several years ago, before a museum was even anticipated.

Clyde Meredith, Plainview, has presented an old branding

iron, bearing the Bar X brand, which has been added to the Johnston collection of spurs, single tree and bits.

Recently Mrs. Mildred Matlock, Plainview, has presented a portion of a huge ivory tusk, believed to be that of a mastodon. This was found in a caliche pit near Benjamin, who gave it to the late Sheriff Ted Andrews who in turn gave it to Mrs. Matlock.

Items on loan from the J. A. Peret family include a Navajo bed blanket purchased in 1905 from Indians near Kerr-

ville, and two mounted buffalo horns purchased about the same time at the Buckhorn Saloon, long time San Antoniolandmark and curio shop.

In addition to the gift of the extraordinary polished and mounted rock collection, Mrs. Elsie V. Schreier, Plainview, has presented among other items a basket which is more than 100 years old and which was made of wild maidenhair fern by the wife of a Tlingit Indian Chief; an adze, a hatchet or iron fastened to a small limb with raw hide; a pottery bowl made by the Santa Clara Indians of Arizona from native clay which was primitively baked but not waterproof; a Santa Clara Indian basket; and a potlatch bowl made of cedar and decorated with bits of shell and pieces of abalone shell. Mrs. Schreier relates that vessels such as this were used for food at festive celebrations of the Tlingit Indians. When the bowls were emptied the guest were expected to go home.

In addition to the exhibit room which will be open from 8 a.m. to 5 p.m. Monday through Friday, the museum committee has a suite of rooms on third floor of Gates Hall where much time is spent cleaning and preparing items for display. They are also finding it somewhat difficult to trace origins and learn ages of some items now being brought to the museum. One such item is a small stone head about three and one-half inches long, which is part of the Johnston gifts. The head is a mystery at the moment but Reynolds reports that they are following leads.

### IN COLORADO

Jerry Kittrell went with Jimmy Sharp to Idalia, Colo. over the weekend.

SHORT SNORTS -- Crawford C. Martin of Hillsboro was reappointed by Gov. Connally to serve as Secretary of State, a term that runs concurrently with that of the governor.... Connally also reappointed to six year terms: Hall O. Woodward of Coleman to the State Highway Commission, Jack Ross of McAllen to the State Board of Pardons and Paroles, and Will Odom of Austin to the State Parks and Wildlife Commission.... State officials gave a happy birthday salute to the City of Austin on the 125th anniversary of its selection as the capital by the Fourth Congress of the Republic of Texas on January 19, 1840... State Securities Board during last month issued permits authorizing sale by 44 corporations of \$21,700,000 worth of securities in Texas, an increase of \$9.4 for the same month in 1963... Cecil Rotsch, 60, chief of the attorney general's slant well division died of a heart attack in his office here.... Conservation storage in major Texas reservoirs was 75 percent of potential capacity at end of 1964, Texas Water Commission reports..... State Librarian Dr. Dorman H. Winfrey announces that Denison Public Library has been named one of 10 winners of 1965 Book of Month Dorothy Canfield Fisher Library Awards.

## No Export Market Acreage Authorized For Cotton

Secretary of Agriculture Orville L. Freeman has announced that no export market acreage for cotton will be authorized in 1965.

Under the Agricultural Act of 1964, when the carryover is in excess of eight million bales, export market acreage for the 1965 crop of cotton cannot be authorized unless the Secretary determines that the carryover of upland cotton at the end of the marketing year (July 31, 1966) will be at least one million bales less than the carryover at the beginning of the marketing year (Aug. 1, 1965).

The national acreage allotment for 1965 has been set at the minimum level permitted by law, 16,000,000 acres, the same as for the 1963 and 1964 crops. A record high yield per acre was harvested in 1963 and a new record was established this year, according to Charley E. Hill, ASCS office manager, Dimmitt.

"It is not estimated that the carryover of upland cotton at the end of the 1965-66 marketing year will be reduced as much as one million bales below the carryover at the beginning of the year. With the domestic allotment program in effect next year, it appears that production may be lower than in 1963 and 1964. Also, the equalization program is expected to maintain domestic consumption and exports of cotton during the

1965-66 marketing year at the relatively high levels now indicated for 1964-65," Hill said.

Under this combined supply-demand outlook, the carryover of cotton on July 31, 1966 is estimated to be somewhat lower than on Aug. 1, 1965. However it is estimated that the reduction will not be sufficient to meet the statutory requirement, the large stock of cotton now on hand make the need for a substantial reduction in the carryover so urgent that an authorization for export market acreage would not be warranted, the Department said.

In 1964 export market acreage equal to 5 percent of the effective allotment for the farm was allowed. A total of 9,826 farms were approved to plant export market acreage and 47,816 were planted.

## Wayland Sets Homecoming

PLAINVIEW -- "It Started With a Dream" has been selected as the theme for 1965 Homecoming at Wayland Baptist College set for Feb. 26-27, according to Charlotte Taylor Carver, Cotton Center, secretary of alumni affairs of Student Government Association.

One of the highlights of Homecoming activities is the crowning of the Coming Home Queen, a member of the 20-year honor class on the first day of Homecoming, Feb. 26, in chapel. Three Panhandle-Plains women, all graduates of the class of 1945, have been nominated for the 1965 Coming Home Queen: Alma Alred Howell, Amarillo; Earlyne Guest Hutsell, Silverton; and Melba Jo Roberts Willis, Plainview.

Hundreds of Wayland exes and graduates are expected to visit the campus and participate in the activities including alumni chapel, parade, and a production of "Fantasticks," first Homecoming musical, class reunions, all being climaxed with basketball on Saturday night.

## Clayton On Committees

Representative Bill Clayton of Springlake has been named to five standing committees in the Texas House of Representatives by Speaker Ben Barnes.

Clayton is chairman of the aeronautics committee and will serve on the conservation and reclamation, municipal and private corporations, public health and state affairs committees.

Barnes, 26, youngest Speaker to serve in this century, said: "Many hours of study have been devoted to the make-up of these committees and every effort has been made to place members on committees which will permit them to render service not only of the people in their district, but to the entire State as well."

"I enjoyed working with Mr. Clayton during the past session and look forward to working with him again in the days ahead."

## SCOUT NEWS

Painting was the program of the meeting of the Girl Scouts Tuesday at the Scout House.

Girl Scouts attending were Gaylene Hawkins, Joan Dudley, Sharon Aven, Jeton Jones, Sharon Brooks, Jean Inscore, Marsha Seago, Kathy Weatherly, Diane Lancaster, Becky King and Brenda Covington. Leader present was Mrs. Kenneth Covington.

Brownie Troop 47 met Monday for their regular meeting at the Scout House.

Games were played before taking on the task of the cleaning of the Scout House.

A list of rules were made to be given to each Girl Scout Troop to check following their meetings to see that it is kept clean.

Refreshments following the meeting were served by Tanya DeBusk to Debbie Grider, Cindy Hill, Ann Moore, Cynthia Smart, Jana Hill, Deanna Bailey, Carla Rambo, and leaders, Mrs. Dean Grider and Mrs. Jeff Smart.

## R. L. Talley In California

SANTA ANA, CALIF. (FHTNC) Jan. 18 -- Marine Private First Class Royce L. Talley, son of Mr. and Mrs. A. L. Talley of Hart, is serving with the Third Marine Aircraft Wing at the Marine Corps Air Station El Toro, Santa Ana, Calif.

Helicopters, transports and jets of the wing provide support for the infantrymen of the first Marine Division at nearby Camp Pendleton, Calif. run tape twice

**BILL FILING BEGINS**--First bill filed in the House Of Representatives was one by Rep. Maud Isaacks of El Paso--only woman member in the house.. It would allow youngsters 15 1/2 years old to obtain drivers licenses if they pass approved drivers education courses. It's designed also to abolish the special motor scooter and motor bike licenses.

**STUDENTS HONORED** -- Chosen Who's Who at Hart High School recently are Rene Brooks, daughter of Mrs. Ernest Brooks, and David Smith, son of Mr. and Mrs. Harold Smith.

## Telephone Rates Announced

The West Texas Telephone Company has announced that effective Feb. 1, it reduced long distance rates on certain classes of calls outside the state.

Frank Field, division manager, said present late night rates for station-to-station calls placed after 9 p.m. will go into effect at 8 p.m. instead of 9 p.m. and will be in effect until 4:30 a. m. the next morning. Rates that have been in effect from 6 p.m. until 9 p.m. will now be charged from 6 p.m. until 8 p.m.

Field also said station-to-station calls to points outside Texas placed all day Saturdays will be charged the late night rate. This lets the subscriber call from 4:30 a.m. on Saturday and all day Sunday until 4:30 a.m. on the following Monday at the night rate.

## SCOUT NEWS

Fourteen Scouts of Troop 246 and six adult leaders attended a camp-out at Camp Haynes, east of Silverton last weekend. Camping, hiking, cooking, jeep riding and games were the camp's program.

The boys conducted a worship service Sunday morning.

Members attending were Tony Miller, Clifford Ray, James Jackson, Ralph Speer, Ralph Ed Bell, David Warren, Vic Nelson, Tommy Davis, David Hawkins, Andy Rogers, Gary Rambo, Jerry Heller, Mike Armstrong, and Paul Harris. Leaders attending were Deryl Clevenger, Paul Armstrong, Bill Bell, Robert Hawkins, David Nelson and J. C. Jackson.

## Feed Grain Rates Told

Farmers taking part in the 1965 feed grain program may get the top rate of payment on the entire acreage diverted into conserving uses if they sign up and actually divert at least 40 percent of the farm's feed grain base, Charley E. Hill, office manager, agricultural Stabilization and Conservation County Committee, told growers this week.

The key figures for estimating diverted acres and diversion payments are 20, 40, and 50, he explained. The minimum diversion under the feed grain program is 20 percent of the feed grain base. The maximum diversion is 50 percent of the base. There are two diversion-payment rates.

If the grower signs up and diverts only the minimum acreage, his diversion payment will be figured at the lower rate -- one-fifth of the county's total price-support rate (price-support loan plus the price-support payment)/.

If the grower diverts between 20 and 40 percent of his base, the lower rate applies to the minimum diversion and the higher rate to the balance diverted. The higher rate is one-half the county's total support rate.

If the grower signs up and actually diverts at least 40 percent of the base, the higher rate will apply to the entire acreage diverted.

Farmers signing up in both the wheat and feed grain programs may divert either feed grains or wheat under the program's substitution plan, and in this case the diversion payments will be based on the actual crop reduced. Under this plan any acreage credited to diversion from feed grains in excess of the signed intention would be paid for at the minimum feed grain diversion rate.

The feed grain program for 1965 is basically the same as in 1964. It is voluntary and applies to corn, grain sorghum and barley. Participating farmers can get diverted-acre payments and price-support payments, and they will be eligible for price-support loans on their corn, grain sorghum and barley.

Signing up is necessary and the signup covers the period Feb. 8 through March 26. It will be held at the county ASCS office.

## TREFLAN FOR WEED CONTROL IN COTTON

This is an important meeting for every Cotton Farmer in the area. It is an informational meeting to show how to and how not to get results with this pre-emergence chemical, and to answer questions. A special representative of Treflan will show colored slides of methods and results of 1964 on the South Plains. He will hold a question and answer period.

Treflan is a good weed control chemical, and used properly, will cut many dollars off cotton production. Here are some advantages:

1. Eliminate the hoe bill and our dependence on the bracero.
2. Eliminate several plowings.
3. Prevent replanting for weed control.
4. Eliminate losing cotton crops in case of rains at planting.
5. Prevent soil packing by not having to get in to fight weeds when soil is too wet.
6. Prevent stunting cotton by dirting it too much in order to fight weeds.
7. Prevent clodding soil by too wet plowing.
8. Prevent loss of cotton caused by hoe hands.
9. Prevent loss of cotton by weeds using plant food and moisture.
10. Allow more shallow planting in warmer soil, thus quicker germination.

*a man's fiber*

Cleanliness, toughness, comfort, and good looks—that's what a man wants in his clothes. That's why men go all-out for Cotton.

Cotton can be washed, scrubbed or boiled, to remove every trace of sweat or grime. It comes back fresh, ready to go again.

Cotton is cool, Cotton is warm. In hot weather it absorbs and evaporates perspiration quickly. In Winter, tightly woven Cotton is the best fabric known to shut out wind and cold. *Cotton is a man's fiber!*

### License Plates Sales Underway

Monday was the day to start lining up for license plates again. Sales started Monday and end April 1 throughout the state.

Texas Highway Department officials say that a good many people rush to buy plates the first week of sales, but the biggest flurry falls during the last week of March.

Current registration receipt, certificate of title -- and money enough to pay for the plates -- are needed to complete the transaction.

Lost receipts or ownership papers may be replaced by sending 25 cents for each duplicate desired to the Department's Motor Vehicle Division in Austin (40th and Jackson Streets). But remember -- to issue a duplicate the Department need license number, make and vehicle identification number. Receipts may also be obtained from the county in which the vehicle was registered.

Texas license plates have a "new look" this year. Each passenger plate has a three-lettered prefix followed by two or three numerals. (Commercial and miscellaneous vehicles retain their own special registration system.) The new passenger registration system enables the Department to cope with the increasing vehicle registration.

Since World War II approximately a quarter-million more vehicles have been registered yearly in the state. This trend should continue, but the new system should provide sufficient numbers for at least the next 10 years.

Texas tags this year have black letters on white. Convinced that black and white provide the most readable combination under both day and night conditions, the Highway Department alternates the color pattern. In odd years, plates have black lettering on white; in even years, it's just the opposite. It's also more economical to stay with two basic colors, the Department has decided.

Plates provide a revenue source for building and maintaining roads. They also have

another primary purpose: identification. Because of the latter, the Department strives for simplicity in plate design. Therefore, plates in Texas contain only the necessary information: license number, state and year.

The simplicity in design is of great value to the Texas police. The Texas Police Association has announced that an automobile is involved in 90 per cent of major crimes committed in the state. It is most important that plates be readable from a reasonable distance.

**COUNTY SCHOOL SUPPORT** -- Texas Committee on State and Local Tax Policy recommended that the proportionate share of the Minimum Foundation Program which is borne by local taxing authorities in the local fund assignment be increased by a total of some \$19,000,000 over the next two years.

Committee stated that State government is providing \$56 more per pupil for public school education than the national average, while local governments are providing \$93 per pupil less than local governments of other states.

No recommendation was made regarding Governor Connally's proposal that the State ad valorem tax be abolished -- one way county and city governments would have more tax leeway -- but it is rumored that the committee made its recommendation with that in mind.

**DISTILLED SPIRITS BILL** -- A measure which sponsors say will raise \$10,000,000 in tax money for the State, during the next two years, has hit the legislative hopper. It is not a liquor by the drink bill. But it would make available to people dining in Texas restaurants tiny, 2-ounce (or less) bottles of distilled spirits.

Bill calls for an annual license fee of \$500 from each restaurant providing the service. Sponsors claim it will encourage tourism while at the same time will not permit open bars.

Measure was introduced in the upper house by Sen. Jim Bates of Edinburg and in the lower house by Rep. Willis Watley of Houston.

## WALT HANSEN GROCERY

**BEST CITIZENS** -- Tommy Morrison, son of Mr. and Mrs. Theron Morrison, and Neoma Brooks, daughter of Mr. and Mrs. Paul Brooks, have been named "Best Citizens" at Hart High School.

**MOST ATHLETIC** -- Gary Heller, son of Mr. and Mrs. Everett Heller, and Dixie Kendrick, daughter of Mr. and Mrs. J. M. Kendrick, were recently chosen "Most Athletic" at Hart High School.

**TEACHER BILL IN--** A bill raising the salary of school teachers \$45 per month for each month of the school year was assured of passing in the House. Rep. George Hinson of Mineola, who is sponsoring the measure, invited other House members to sign the bill as co-sponsors. He quickly got more than 80 signatures, a majority of the House members.

Bill probably will have easy sailing in the Senate, where it was introduced by Sen. A. M. Aikin Jr. of Paris, joined by Sens. J. P. Word of Meridian, Dorsey B. Hardeman of San Angelo, D. Roy Harrington of Port Arthur and Jim Bates of Edinburg.

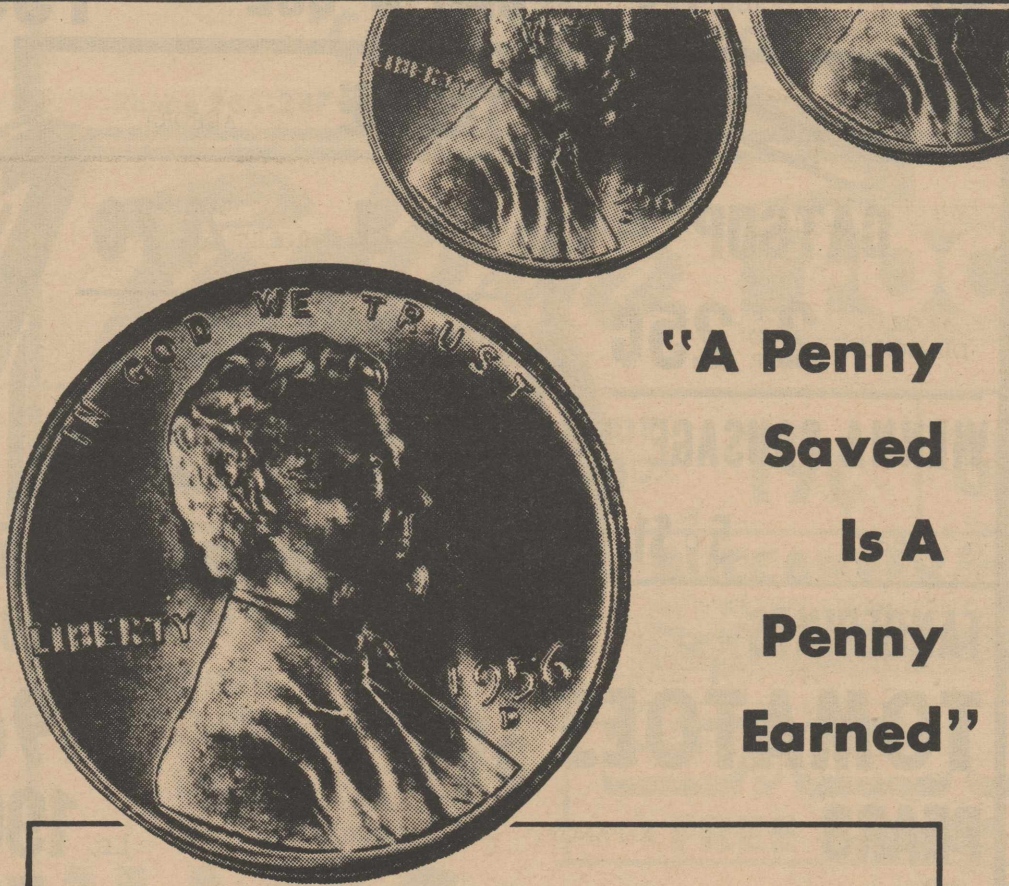

Another bill asked by the teachers, one providing for five days sick leave a year cumulative to 30 days, was introduced by Rep. Wayne Gibbens of Breckenridge. Both bills are being sponsored by the Texas State Teachers Association.

**BEEF IMPORT MEASURE INTRODUCED** - A plan to discourage the purchase of imported beef by Texans was laid out by Sen. Dorsey B. Hardeman of San Angelo.

His proposal would make it illegal - subject to fines up to \$500 and a jail sentence - to sell imported meat, unless the grocer displays a sign six by twelve inches large, with the words, "Imported Meat Sold Here," and labels packaged meat, "Product of . . ." stating country of origin.

**DIMMITT VISITORS**

Mr. and Mrs. George Webb of Dimmitt visited Mr. and Mrs. Crick and Mr. and Mrs. Hubert Maples last Thursday afternoon.
