Enrollment Hike Seen For School

Hart School District will gain approximately 20 new pupils and one new teacher as a result of the unanimous decision of the school board to approve desegregation.

The board acted last January after the Texas Education Agency sent out directives calling for a desegregation plan from each school district before the school district could receive Federal funds.

Arson Suspect In Gin Fire

Arson is a prime suspect in a fire at Hart Producers Co-Op Gin office July 18.

The Sunday morning blaze caused an estimated \$2,000 damage to the interior of the office, destroying a vault and charring most of the gin records.

Gin manager E. E. Foster said a tool box and tools, new wrenches, a calculator and a transistor radio were thrown out of a back window of the office by someone who broke in to the office before the fire.

Records were strewn over the office floor, but the most important records were saved.

A new tire taken during the break-in was found the next day near the lake next to the gin.

Heavy damage was reported to the interior of the office and a big cleanup job is expected.

Also being investigated here is a break-in at Generalgas, Inc., on Sunday, July 18. The intruders broke into a coke machine and possibly made off with some change. Nothing else was taken, according to officers.

At the time of the decision, 18 Negro students living in the Hart area were transferring out of the district and attending Bohner school in Olton.

The board quickly sent back their integration plan, and it was one of the first integration plans in the state accepted. Olton received verbal approval of their plan this week, and is still waiting for the written approval.

The school district received about \$35,000 in Federal funds, last year through school lunch, vocational and National Defense Education act programs. If integration had not been approved, the school would not have been eligible for much of this aid.

In normal years, about \$25,000 is received by the school from the federal government, but it is higher last year because of the school building program.

The added pupils, together with a normal increase, will bring total enrollment in the district more than 700, according to Supt. Andy Gardenhire.

Last year, the total was 671 so the added increase will entitle the school to one extra teacher.

The school board will hold its regular meeting Monday to complete final plans for the upcoming school year.

WATER, WATER EVERYWHERE--It's not really quite everywhere, as the temperatures in the Hart area continue to be high and farmers wish water was more plentiful. Area wells have been doing overtime as a result of the hot sun and dry sky.

Dolls Are Readied For Children Home

Some time ago, on a Sunday morning, Mrs. Avory Adams was sick in bed, listening to a radio program which originated from the Children's Home in Waco. The children were the subject of the program, and Mrs. Adams wondered what she could do to help them.

After much thought and discussion with her pastor, his wife, and other ladies, a project was begun in January. For more than six weeks, as she lay in bed, her fingers were busy sewing clothes for dolls. At that time she dressed over a dozen dolls.

Now she has dressed 23 of

these dolls and mounted them on Christmas card boards. Each doll is named for the lady who gave it.

Other ladies are dressing dolls to assist Mrs. Adams. Mrs. Mabel Aven is dressing two. Mrs. Adams has one yet to dress, and hopes to obtain four more to dress, to make a total of thirty dolls from the Hart Methodist Church.

When they are finished, the Plainview District Superintendent, J. E. Shewbert, and his wife will take the dolls to the Children's Home, in time for Christmas. And 30 little girls who would not otherwise have had a doll will have them.

DOLL DRESSER--Mrs. Avory Adams is pictured with some of the dolls which she has dressed. The standing bride doll is 58 years old and was a gift from her father, E. E. Wheeler. The other standing doll also belongs to Mrs. Adams, and is a nippon doll with an antique blonde china head, which dates back before 1880. Other dolls pictured were given to Mrs. Adams by the ladies of the Hart Methodist Church, along with a mountain of scraps, thread and decorations.

Youngsters Participate In Baseball Camp

Five boys from Hart, David Bass, Kirk Hansen, David Harris, Don Sanders and Larry Sanders, recently participated in the third session of the West Texas Baseball Camp at Lubbock Christian College, according to Coach Bobby Moegle, director of camp baseball instruction.

Morning sessions at the camp were spent working with boys at various positions. Time was also spent on hitting.

In the afternoon, boys were broken down by age groups for further work on a team basis. Several scrimmages were held, with complete games on Saturday and Sunday afternoons.

Assisting Moegle with the baseball instruction were Kal Segrist, who had charge of the oldest group; Earl Parker, who worked with the middle age group; and Bill Dean, who directed the youngest group.

After baseball instruction was completed, the campers had plenty of recreational activities on tap. Tournaments in badminton and table tennis were conducted, in addition to activities in basketball, tennis, swimming and golf. Danny Mason, Tech golf coach, was in charge of the recreational program and offered golf instruction to those interested. Mason was also in charge of the dormitories.

"We are pleased with the turnout at this session," commented Dr. Herman B. Segrest, over-all camp director. "We feel these boys profited greatly from this experience—both physically and mentally."

"After he stops yelling at you, don't forget to ask for our ball back."

COMMITTEE APPOINTMENTS
Lt. Gov. Preston Smith has made several committee appointments.

To the Texas Legislative Council, research arm of the Legislature, he appointed Sens. Neville H. Colson of Navasota, Lois Crump of San Saba, George Parkhouse of Dallas, Murray Watson of Mart and J. P. Word of Meridian.

Sen. Jim Bates of Edinburg will head the Senate Investigat-

ing Committee. Other members are Sens. H. J. Blanchard of Lubbock, Dorsey B. Hardeman of San Angelo, Grady Hazlewood of Amarillo and Bruce Reagan of Corpus Christi.

Sens. Culp Kreueger of El Campo, Criss Cole of Houston and Charles Herring of Austin will serve on the Legislative Study on Multiple Use and Pollution of All Waters of Texas, with Krueger as chairman. Three representatives and five private citizens also will serve on panel.

COURTS SPEAK

Third Court of Civil Appeals, invalidating part of Texas Regulatory Loan Act, has held small loan companies dealing in bonds and securities are subject to inspection by State Banking Department.

Forty-four Allied Finance Companies sued the Banking Department claiming they are exempt from its examinations. Appeals court instructed district court to reopen case as to penalties against 40 of the Texas-based concerns.

An Austin district court enjoined Texas Railroad Commis-

sion from enforcing order that natural gas purchasers must extend lines to all producers in a field. Rio Grande Valley Gas Company, ordered to run its lines to West Port Isabel Field, brought the suit.

BOUNDARY MEETING SET

First formal meeting of new Texas-Louisiana boundary commission will be held here August 10.

Land Commissioner Jerry Sadler expressed hope a line between the two states finally can be agreed on for submission to their legislatures and congress. Agreement would prevent litigation and permit both states to be able to identify their land for purposes of oil and gas leasing and other useful purposes, he said.

Texas members of the commission are Sadler, Atty. Gen. Carr, Sen. Martin Dies Jr. of Lufkin, Sen. Jack Strong of Longview, Rep. Davis Crews of Conroe, Rep. Charles Wilson of Lufkin, and Larry Temple, executive assistant to Connally.

REDISTRICTING SUIT FILED

Nine Republicans filed a motion to intervene in a federal court challenge of constitutionality of the new congressional redistricting act.

They charged the Texas Legislature failed to create 23 districts of equal population as ordered by the court in 1963 and that the redistricting act "constitutes an extreme and indeed classic case of gerrymandering against certain political and

metropolitan groups."

Inequalities were cited in Dallas, Bexar, Jefferson, Orange, Ector and Midland counties. Districts, the new plaintiffs maintained, vary from 9.7 per cent above the average to 9.7 below. They asked the court to apportion the state into proper districts after an investigation supervised by a mastery in chancery.

SHORT SNORTS

Gov. Connally has named Jack Goren of Dallas, vice-president of Neiman-Marcus, as state chairman for United Nations Day, Oct. 24.

House Speaker Ben Barnes represented Texas on the proposed Guadalupe National Park near El Paso at a hearing before House and Senate committees on interior and insular affairs. State Parks and Wildlife Commission has endorsed conversion of an area near El Capitan Mountain into a national park.

Committee of the Governing Boards of State Colleges and Universities has unanimously endorsed the Constitutional Amendment that provides for reallocation of the ad valorem tax, increases the amount from five cents to ten cents and increases the number of participating institutions from 12 to 17. Proposal will go to the voters on Nov. 2.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article III of the Constitution of the State of Texas be amended by adding Section 48b thereto which shall read as follows:

"Section 48b. There is hereby created as an agency of the State of Texas the Teacher Retirement System of Texas, the rights of membership in which, the retirement privileges and benefits thereunder, and the management and operations of which shall be governed by the provisions herein contained and by present or hereafter enacted Acts of the Legislature not inconsistent herewith. The general

Said Board shall exercise such powers as are herein provided together with such other powers and duties not inconsistent herewith as may be prescribed by the Legislature. All moneys from whatever source coming into the Fund to provide retirement, disability, and death benefits for persons employed in the public schools, colleges, and universities supported wholly or partly by the state and all other securities, moneys, and assets of the Teacher Retirement System of Texas shall be administered by said Board and said Board shall be the trustees thereof. The Treasurer of the State of Texas shall be custodian of said moneys and securities. Said Board is hereby authorized and empowered to invest and reinvest any of said moneys, securities, and assets, as well as the proceeds of any of such investments, in bonds, notes, or other evidences of indebtedness issued, or assumed or guaranteed in whole or in part, by the United States or any agency of the United States, or by the State of Texas, or by any county, city, school district, municipal corporation, or other political subdivision of the State of Texas, both general and special obligations; or in home office facilities to be used in administering the Teacher Retirement System including land,

equipment, and office building; or in such corporation bonds, notes, other evidences of indebtedness, and corporation stocks, including common and preferred stocks, of any corporation created or existing under the laws of the United States or of any of the states of the United States, as said Board may deem to be proper investments; provided that in making each and all of such investments said Board shall exercise the judgment and care under the circumstances then prevailing which men of ordinary prudence, discretion, and intelligence exercise in the management of their own affairs, not in regard to speculation but in regard to the permanent disposition of their funds, considering the probable income therefrom as well as probable safety of their capital; and further provided, that a sufficient sum shall be kept on hand to meet payments as they become due each year under such retirement plan, as may now or hereafter be provided by law. Unless investments authorized herein are hereafter further restricted by an Act of the Legislature, no more than one per cent (1%) of the book value of the total assets of the Teacher Retirement System shall be invested in the stock of any one (1) corporation, nor shall more than five per cent (5%) of the voting stock of any one (1) corporation be owned; and provided further, that stocks eligible for purchase shall be restricted to stocks of companies incorporated within the United States which have paid cash dividends for ten (10) consecutive years or longer immediately prior to the date of purchase and which, except for bank stocks and insurance stocks, are listed upon an exchange registered with the Securities and Exchange Commission or its successors; and provided further, that so long as less than \$500,000,000 of said Fund is invested in the government and municipal securities enumerated above, not more than thirty-three and one-third per cent (33 1/3%) of the Fund shall be invested at any given time in common stocks. This Amendment shall be self-enacting and shall become effective immediately upon its adoption without any

enabling legislation. This Section shall not alter, amend or repeal the first paragraph of Section 48a of Article III of the Constitution of Texas as amended November 6, 1956, or any legislation passed pursuant thereto. This Section shall not alter, amend or repeal the second paragraph of Section 48a of Article III of the Constitution of Texas as amended November 6, 1956, or any legislation passed pursuant thereto, except insofar as the provisions of the second paragraph of Section 48a and any legislation passed pursuant thereto, may limit or restrict the provisions hereof and only to the extent of such limitation or restriction."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on November 2, 1965, at which election all ballots shall have printed thereon the following:

"FOR the Constitutional Amendment amending Article III of the Constitution of the State of Texas by adding Section 48b relating to the Teacher Retirement Fund and the Teacher Retirement System of Texas, revising provisions for investment of moneys and other assets of the Fund, and changing other existing provisions and making other new provisions with respect to the administration of the Teacher Retirement System."

"AGAINST the Constitutional Amendment amending Article III of the Constitution of the State of Texas by adding Section 48b relating to the Teacher Retirement Fund and the Teacher Retirement System of Texas, revising provisions for investment of moneys and other assets of the Fund and changing other existing provisions and making other new provisions with respect to the administration of the Teacher Retirement System."

Sec. 3. The Governor of Texas shall issue the necessary Proclamation for the election and this Amendment shall be published in the manner and for the length of time required by the Constitution and laws of this state.

**Proposed CONSTITUTIONAL AMENDMENT
NUMBER EIGHT ON THE BALLOT**

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 2, 1965.

HOUSE JOINT RESOLUTION NO. 57 proposing an Amendment to Section 1-a of Article V of the Constitution of the State of Texas, by adding to said Section as presently written, the following provisions: requiring automatic retirement of certain District and Appellate Judges at age seventy-five (75) or such earlier age, not under seventy (70), as may be provided by law; creating a State Judicial Qualifications Commission and providing for its composition and the qualifications, methods of selection and terms of office of its members; defining the functions and procedures of said Commission, including the duty to investigate, and hold hearings in respect of, disability and misconduct of District and Appellate Judges and to make recommendations to the Supreme Court of Texas for involuntary retirement or removal of such Judges; empowering the Supreme Court of Texas, in its discretion, to retire such Judges for disability and to remove them for misconduct, upon recommendation of the aforesaid Commission and consideration of the record made before it; defining misconduct for which said Judges may be so removed; providing that the proceedings of said Commission shall be confidential until filed in the Supreme Court with recommendation for retirement or removal; and providing that the removal provisions hereby established shall be alternative to and cumulative of those provided elsewhere in the Constitution. **BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:**

Section 1. That Section 1-a of Article V of the Constitution of the State of Texas be amended so that said Section shall hereafter read as follows:

"Section 1-a. (1) Subject to the further provisions of this Section, the Legislature shall provide for the retirement and compensation of Justices and Judges of the Appellate Courts and District and Criminal District Courts on account of length of service, age and disability, and for their reassignment to active duty where and when needed. The office of every such Justice and Judge shall become vacant when the incumbent reaches the age of seventy-five (75) years or such earlier age, not less than seventy (70) years, as the Legislature may prescribe; but, in the case of an incumbent whose term of office includes the effective date of this Amendment, this provision shall not prevent

him from serving the remainder of said term nor be applicable to him before his period or periods of judicial service shall have reached a total of ten (10) years.

"(2) There is hereby created the State Judicial Qualifications Commission, to consist of nine (9) members, to wit: (i) two (2) Justices of Courts of Civil Appeals; (ii) two (2) District Judges; (iii) two (2) members of the State Bar, who have respectively practiced as such for over ten (10) consecutive years next preceding their selection; (iiii) three (3) citizens, at least thirty (30) years of age, not licensed to practice law nor holding any salaried public office or employment; provided that no person shall be or remain a member of the Commission, who does not maintain physical residence within this State, or who resides in, or holds a judgeship within or for, the same Supreme Judicial District as another member of the Commission, or who shall have ceased to retain the qualifications above specified for his respective class of membership. Commissioners of classes (i) and (ii) above shall be chosen by the Supreme Court with advice and consent of the Senate, those of class (iii) by the Board of Directors of the State Bar under regulations to be prescribed by the Supreme Court with advice and consent of the Senate, and those of class (iiii) by appointment of the Governor with advice and consent of the Senate.

"(3) The regular term of office of Commissioners shall be six (6) years; but the initial members of each of classes (i), (ii) and (iii) shall respectively be chosen for terms of four (4) and six (6) years, and the initial members of class (iiii) for respective terms of two (2), four (4) and six (6) years. Interim vacancies shall be filled in the same manner as vacancies due to expiration of a full term, but only for the unexpired portion of the term in question. Commissioners may succeed themselves in office only if having served less than three (3) consecutive years.

"(4) Commissioners shall receive no compensation for their services as such. The Legislature shall provide for the payment of the necessary expense for the operation of the Commission.

"(5) The Commission may hold its meetings, hearings and other proceedings at such times and places as it shall determine but shall meet at Austin at least once each year. It shall annually select one of its members as Chairman. A quorum shall consist of five (5) members. Proceed-

ings shall be by majority vote of those present, except that recommendations for retirement or removal of Justices or Judges shall be by affirmative vote of at least five (5) members.

"(6) Any Justice or Judge within the scope of this Section 1-a may, subject to the other provisions hereof, be removed from office for willful or persistent conduct, which is clearly inconsistent with the proper performance of his said duties or casts public discredit upon the judiciary or administration of justice; or any such Justice or Judge may be involuntarily retired for disability seriously interfering with the performance of his duties, which is, or is likely to become, permanent in nature.

"(7) The Commission shall keep itself informed as fully as may be of circumstances relating to misconduct or disability of particular Justices or Judges, receive complaints or reports, formal or informal, from any source in this behalf and make such preliminary investigations as it may determine. Its orders for the attendance or testimony of witnesses or for the production of documents at any hearing or investigation shall be enforceable by contempt proceedings in the District Court.

"(8) The Commission may, after such investigation as it deems necessary, order a hearing to be held before it concerning the removal or retirement of a Justice or Judge, or it may in its discretion request the Supreme Court to appoint an active or retired District Judge or Justice of a Court of Civil Appeals as a Master to hear and take evidence in any such matter, and to report thereon to the Commission. If, after hearing, or after considering the record and report of a Master, the Commission finds good cause therefore, it shall recommend to the Supreme Court the removal or retirement, as the case may be, of the Justice or Judge in question and shall thereupon file with the Clerk of the Supreme Court the entire record before the Commission.

"(9) The Supreme Court shall review the record of the proceedings on the law and facts and in its discretion may, for good cause shown, permit the introduction of additional evidence and shall order removal or retirement, as it finds just and proper, or wholly reject the recommendation. Upon an order for involuntary retirement for disability or an order for removal, the office in question shall become vacant. The rights of an incumbent so retired to retirement benefits shall be the same as if his retirement had been voluntary.

"(10) All papers filed with and proceedings before the Commission or a Master shall be confidential, and the filing of papers with, and the giv-

ing of testimony before, the Commission, Master or the Supreme Court shall be privileged; provided that upon being filed in the Supreme Court the record loses its confidential character.

"(11) The Supreme Court shall by rule provide for the procedure before the Commission, Masters and the Supreme Court. Such rule shall afford to any judge against whom a proceeding is instituted to cause his retirement due process of law for the procedure before the Commission, Masters and the Supreme Court in the same manner that any person whose property rights are in jeopardy in an adjudicatory proceeding is entitled to due process of law, regardless of whether or not the interest of the judge in remaining in active status is considered to be a right or a privilege. Due process shall include the right to notice, counsel, hearing, confrontation of his accusers, and all such other incidents of due process as are ordinarily available in proceedings whether or not misfeasance is charged, upon proof of which a penalty may be imposed.

"(12) No Justice or Judge shall sit as a member of the Commission or Supreme Court in any proceeding involving his own retirement or removal.

"(13) This Section 1-a is alternative to, and cumulative of, the methods of removal of Justices and Judges provided elsewhere in this Constitution."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of the State at an election to be held on the first Tuesday after the first Monday in November, 1965, at which election all ballots shall have printed thereon the following:

"FOR the Constitutional Amendment providing for the automatic retirement of District and Appellate Judges for old age, creating the State Judicial Qualifications Commission, defining its functions; and empowering the Supreme Court, upon recommendation of said Commission, to remove District and Appellate Judges for misconduct and to retire such judges in cases of disability."

"AGAINST the Constitutional Amendment providing for the automatic retirement of District and Appellate Judges for old age, creating the State Judicial Qualifications Commission, defining its functions; and empowering the Supreme Court, upon recommendation of said Commission, to remove District and Appellate Judges for misconduct and to retire such judges in cases of disability."

Sec. 3. The Governor shall issue the necessary proclamation for the election, and this Amendment shall be published as required by the Constitution and laws of this State.

STATE CAPITAL Highlights AND Sidelights

AUSTIN--Not even prolonged spring rains were enough to dampen Texas tourism this year.

Attendance at tourist attractions the first six months of 1965 increased 14 percent over the same period last year.

A midyear survey by the Texas Tourist Development Agency shows that 14,069,333 visitors were counted by 18 attractions and the state parks, with some places showing a 25 percent increase in out-of-state visitors.

Largest single increase was reported by the Fort Davis Historic Site in far West Texas. Although the fort still is undergoing restorations, the tourist load there increased almost 50 per cent.

Other leaders in the visitors' increase were the Old Stone Fort at Nacogdoches, Big Bend National Park, and a replica of the original Fort Bliss in El Paso.

VISIT LANCASTERS

Mrs. Jim Willborn, and Mrs. Oscar Telchik, sister and mother of Mrs. Lester Lancaster, visited the Lancasters over the weekend. Mrs. Willborn stayed for a longer visit.

SCREWWORMS BACK

A combination of mild winter weather and inattentiveness of the part of the livestock producers is believed to be behind a sudden spiral upward in the number of screwworm cases reported last month.

In a joint report the Texas Animal Health Commission and the US Department of Agriculture reveal that 129 Texas cases were confirmed between May 3 and June 26. Only 35 cases were reported in the entire Southwest in June, 1964.

FEDERAL MONEY

Austin, Corpus Christi, San Antonio and Houston are hub-cities in areas given top priority in a matching-fund program for construction of facilities for the mentally retarded. They will get first shot at some \$50,000 in federal funds soon to be available.

Priority list, which will be one of the controlling factors in the allocation of the federal funds by the State Department of Health, is part of a plan now in the hands of the US Surgeon General. He has authority to approve it or ask that changes be made.

Applications for funds first go to the State Advisory Council for Mental Retardation Facility Construction. Applicants must have their half of the funds for any proposed project in hand, in liquid assets.

TRAINING MANPOWER

Texas Industrial Commission is urging Texas communities to look into benefits of the Manpower Development and Training Act as a way of adding impetus to industry attraction.

In Texas, the act is administered jointly by the Texas Education Agency and the Texas Employment Commission.

Industrial Commission has scheduled six Industrial Planning Seminars to explain the Act. They will be held in August in Austin, Dumas, McAllen and Sweeney.
