Controlling Interest In Bank Bought

Willis A. Hawkins Sr. has purchased controlling interest in Farmers State Bank in Hart. Purchase price was not disclosed. Hawkins organized the bank in 1957 and has served as chairman of the board since then. Norlan Dudley was hired to succeed himself as executive officer and manager of the bank. Dudley opened the bank in December of 1957, and has served as president since that time. He resigned May 15 this year after suffering from double pneumonia. Directors and stockholders of the bank are Hawkins, Dudley, O. D. Dinwiddie, T. B. Cox, Edward L. Harris, Willis A. Hawkins Jr., and Kenneth Warren, vice-president and cashier. No change of policy or personnel is expected.

HART BANKERS—Willis Hawkins, right, has purchased controlling interest in Farmers State Bank and Norlan Dudley has been re-employed as bank president.

School Board Sets Tax Rate

The Hart School Board discussed the possibilities of entering the Federal economic opportunity program, heard reports by Supt. Andy Gardenhire on preparations for the coming school year, and left the school tax rate at its present level during its regular meeting Monday night. Possibility of entering the opportunity program was in the discussion stage only. The board decided to take advantage of the program when board members felt it would be bene-

ficial for the school and the students. The tax rate was set at \$1.50 per \$100 on 65 per cent of the county evaluation. This is the same rate used during the 1964-65 school year. Supt. Gardenhire reported painting and remodeling at the grade school nearly completed, and announced bus routes would be the same as last year. The only difference in bus routes will be that Negro students formerly transported to Bohner School in Olton will now be picked up on the six regular routes. This is done to comply with desegregation plans approved earlier by the board. Gardenhire also reported two persons were needed to complete the teaching staff at the school.

Retta Henderson Will Participate In Youth Meet

Retta Henderson, daughter of Mr. and Mrs. R. G. Henderson, has been chosen to attend the Texas Farm Bureau's Citizenship Seminar at Sam Houston State Teachers College at Huntsville, Aug. 10-14. She will be among 350 students from throughout the state attending the event. The seminar is the third discussion series sponsored by the bureau. According to C. H. DeVaney, president of the organization, the seminar will be an intensive course in citizenship, American heritage, the proper role of government and the threat of communism. DeVaney said the seminar is designed to complement the formal education of the youth attending. He said several lectures at the seminar will concern firsthand accounts of persons who have lived under communistic rule, while other phases will deal with the danger of America losing its system of government because of apathy and misunderstanding of issues. He said the program should prove invaluable to future citizens, giving them a better idea of what has made this country great and how to keep it that way.

A high school English teacher is needed to fill the vacancy left by Mrs. Betty Allsup, and a school nurse to replace Mrs. Corrine Comer. Resignations of both teachers were accepted by the board at the meeting. In other school action, Supt. Gardenhire announced a meeting of the tax equalization board Aug. 17, from 1-4 p.m. in the board room. Pre-school registration schedules were also announced. First graders will register Aug. 26. Parents of first year students are requested to have their children at the school at 9 a.m. They are also asked to stay until the children are properly registered, and to pick the children up at 3 p.m. First graders will attend classes from 1-3 p.m. the same day. High school registration will be held Aug. 19 and 20 from 8 a.m. to 4 p.m. while students in grades two through eight will register Aug. 27 from 9 a.m. to noon. Buses will run on Aug. 27. Classes are scheduled to officially begin Aug. 30 at 8:30 a.m.

Blending Plant In Hart Location

A new fertilizer blending plant may be in the future for Hart, according to Virgil Gordon, co-owner of Rowland-Gordon Chemical Co. in Plainview. A small warehouse for immediate use is now being constructed just north of Grain Handling Corp. When completed, two agronomists from Rowland-Gordon will be stationed in Hart to work with farmers and dealers to determine the needs of the area. Gordon estimated it would be more than a year before more steps would be taken toward building a plant.

Ol' Crystal Ball Pictures Dim Hart Football Picture

Hart football coach Jeff Smart hopes for a little more assistance from lady luck this year when the Longhorns take to the field for the 1965 football season. The fickle lady smiled but once on the thin squad last year, and the Hart 11 wound up the season with a 1-9 record. Smart expects 20-22 players to come out for early training which opens Aug. 16. Out of that number eight are returning lettermen and two have seen limited play. In his second year as head

mentor of the Hart team, Smart said he hopes injuries won't take quite as big a toll of players as they did in last year's 1-B District race. He said all indications point to Bovina as the likely district favorite again this year. But he didn't rule out the possibility of either Vega or Happy coming up with a few surprise games of their own. First workouts for the Longhorns start Aug. 16. Under a rule adopted last year by the Texas Interscholastic League, players are restricted from using pads in the first week of practice, with emphasis placed on exercise and conditioning. Full workouts in pads begin Aug. 23.

Three Youths Receive FFA State Degree

Three Hart youths were among 785 young Texas farmers receiving top honors at the State FFA convention held in Houston in July. Larry Davis, Danny Godfrey and Jerry Parker were named as recipients of the Lone Star Farmer degree, the highest award of the Texas Association of FFA. The three were among 120 boys from 53 chapters in District One receiving the honor. The degree is awarded on the basis of past and current projects handled by the boys while in the FFA program. Lanny Tucker, Hart vocational agriculture teacher, is sponsor of the local chapter.

Harlin Buys Hansen Food

The purchase of Walt Hansen Grocery was announced this week by M. C. Harlin, formerly of Levelland and Littlefield. The Harlin family will move here as soon as possible. He and his wife, Ada, have three children, Robert Craig, 10, Susan Carol, 6 and Michael Shane, 7 weeks. They are Baptist. Harlin formerly operated a grocery store in Littlefield. Walt Hansen and his family have not announced their future plans.

Terry Newman, 12-year-old son of Mr. and Mrs. Joe Newman, was burned seriously Sunday evening when the family car exploded while he was in it. Young Newman had second-degree burns over 25 percent of his body, and his father suffered second-degree burns about his hands, face and back while trying to get his son out of the burning car. Apparently butane fumes from the delivery being made at the home collected in the car and were ignited by a short in the air conditioner in the car.

Fans and supporters of the Hart Longhorns were promised last year that they could have the same reserved seats for the 1964-65 season if they so desired. This promise will be kept, and reservations can be made at the Hart Beat office. The preferred seating will be available for two weeks, starting Aug. 7.

Methodist Youth Provide Fare For Family Meeting

About 60 persons enjoyed watermelon last Wednesday night, provided and served by the M.Y.F., for family night in fellowship hall of the Methodist Church.

The church congregation gave the pastor and family the traditional "Methodist pounding" as an expression of their love and appreciation.

The film "Skippy and The Fourth R (Religion)", was shown. This showed how families and church school teachers need to be aware of the influences in a child's life which are problems to the child, and to help the child find Christian faith.

It explained the important place that parents have in the Christian education of their children.

The Commission on Christian Education met after the film was

shown.

SENATE JOINT RESOLUTION NO. 27 proposing an Amendment to the Constitution of the State of Texas, amending Article III of the Constitution of the State of Texas by adding a new Section thereto to be designated Section 48b, so as to create as an agency of the State of Texas the Teacher Retirement System of Texas, vesting the general administration and responsibility of the proper operation of said system in a state board of trustees to be known as the State Board of Trustees of the Teacher Retirement System of Texas, authorizing said Board to invest assets of said system in various obligations and subjects of investment, subject to certain restrictions stated therein and such other restrictions as may hereafter be provided by law; providing that such Amendment shall be self-enacting and shall not alter, amend or repeal Section 48a of Article III of the Constitution of Texas or any legislation passed pursuant thereto except insofar as such legislation may limit or restrict the provisions of this Amendment; providing for the necessary election, form of ballot, proclamation, and publication.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article III of the Constitution of the State of Texas be amended by adding Section 48b thereto which shall read as follows: "Section 48b. There is hereby created as an agency of the State of Texas the Teacher Retirement System of Texas, the rights of membership in which, the retirement privileges and benefits thereunder, and the management and operations of which shall be governed by the provisions herein contained and by present or hereafter enacted Acts of the Legislature not inconsistent herewith. The general

administration and responsibility for the proper operation of said system are hereby vested in a State Board of Trustees, to be known as the State Board of Trustees of the Teacher Retirement System of Texas, which Board shall be constituted and shall serve as may now or hereafter be provided by the Legislature. Said Board shall exercise such powers as are herein provided together with such other powers and duties not inconsistent herewith as may be prescribed by the Legislature. All moneys from whatever source coming into the Fund to provide retirement, disability, and death benefits for persons employed in the public schools, colleges, and universities supported wholly or partly by the state and all other securities, moneys, and assets of the Teacher Retirement System of Texas shall be administered by said Board and said Board shall be the trustees thereof. The Treasurer of the State of Texas shall be custodian of said moneys and securities. Said Board is hereby authorized and empowered to acquire, hold, manage, purchase, sell, assign, trade, transfer, and dispose of any securities, evidences of debt, and other investments in which said securities, moneys, and assets have been or may hereafter be invested by said Board. Said Board is hereby authorized and empowered to invest and reinvest any of said moneys, securities, and assets, as well as the proceeds of any of such investments, in bonds, notes, or other evidences of indebtedness issued, or assumed or guaranteed in whole or in part, by the United States or any agency of the United States, or by the State of Texas, or by any county, city, school district, municipal corporation, or other political subdivision of the State of Texas, both general and special obligations; or in home office facilities to be used in administering the Teacher Retirement System including land,

equipment, and office building; or in such corporation bonds, notes, other evidences of indebtedness, and corporation stocks, including common and preferred stocks, of any corporation created or existing under the laws of the United States or of any of the states of the United States, as said Board may deem to be proper investments; provided that in making each and all of such investments said Board shall exercise the judgment and care under the circumstances then prevailing which men of ordinary prudence, discretion, and intelligence exercise in the management of their own affairs, not in regard to speculation but in regard to the permanent disposition of their funds, considering the probable income therefrom as well as probable safety of their capital; and further provided, that a sufficient sum shall be kept on hand to meet payments as they become due each year under such retirement plan, as may now or hereafter be provided by law. Unless investments authorized herein are hereafter further restricted by an Act of the Legislature, no more than one per cent (1%) of the book value of the total assets of the Teacher Retirement System shall be invested in the stock of any one (1) corporation, nor shall more than five per cent (5%) of the voting stock of any one (1) corporation be owned; and provided further, that stocks eligible for purchase shall be restricted to stocks of companies incorporated within the United States which have paid cash dividends for ten (10) consecutive years or longer immediately prior to the date of purchase and which, except for bank stocks and insurance stocks, are listed upon an exchange registered with the Securities and Exchange Commission or its successors; and provided further, that so long as less than \$500,000,000 of said Fund is invested in the government and municipal securities enumerated above, not more than thirty-three and one-third per cent (33 1/3%) of the Fund shall be invested at any given time in common stocks. This Amendment shall be self-enacting and shall become effective immediately upon its adoption without any

enabling legislation. This Section shall not alter, amend or repeal the first paragraph of Section 48a of Article III of the Constitution of Texas as amended November 6, 1956, or any legislation passed pursuant thereto. This Section shall not alter, amend or repeal the second paragraph of Section 48a of Article III of the Constitution of Texas as amended November 6, 1956, or any legislation passed pursuant thereto, except insofar as the provisions of the second paragraph of Section 48a and any legislation passed pursuant thereto, may limit or restrict the provisions hereof and only to the extent of such limitation or restriction."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on November 2, 1965, at which election all ballots shall have printed thereon the following:

"FOR the Constitutional Amendment amending Article III of the Constitution of the State of Texas by adding Section 48b relating to the Teacher Retirement Fund and the Teacher Retirement System of Texas, revising provisions for investment of moneys and other assets of the Fund, and changing other existing provisions and making other new provisions with respect to the administration of the Teacher Retirement System."

The crop outlook in the Hart area appears to still be bright, despite persisting rainfall totaling more than six inches since last week. Some heavy hail damage was reported about eight miles north of town, toward Dimmitt, but in the immediate Hart area, a local gin-ner said, "Right now, crops look in real good shape."

A Hart couple, Mr and Mrs. Gordon Kennom, are eager to give away vegetables to their friends, most of the tasty products from their large garden, just as they have done for the past 12 years. A vegetarian's paradise, the widespread plot is described as the "Biggest garden in Hart," with its wide assortment of vegetables.

A load of grain to be given to the Baptist Boys Home in Burnet about Aug. 18 is being gathered by members of the First Baptist Church. More than 20,000 pounds of the grain have already been gathered. The group hopes to obtain about 40,000 pounds for the project.

**Proposed CONSTITUTIONAL AMENDMENT
NUMBER EIGHT ON THE BALLOT**

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 2, 1965.

HOUSE JOINT RESOLUTION NO. 57 proposing an Amendment to Section 1-a of Article V of the Constitution of the State of Texas, by adding to said Section as presently written, the following provisions: requiring automatic retirement of certain District and Appellate Judges at age seventy-five (75) or such earlier age, not under seventy (70), as may be provided by law; creating a State Judicial Qualifications Commission and providing for its composition and the qualifications, methods of selection and terms of office of its members; defining the functions and procedures of said Commission, including the duty to investigate, and hold hearings in respect of, disability and misconduct of District and Appellate Judges and to make recommendations to the Supreme Court of Texas for involuntary retirement or removal of such Judges; empowering the Supreme Court of Texas, in its discretion, to retire such Judges for disability and to remove them for misconduct, upon recommendation of the aforesaid Commission and consideration of the record made before it; defining misconduct for which said Judges may be so removed; providing that the proceedings of said Commission shall be confidential until filed in the Supreme Court with recommendation for retirement or removal; and providing that the removal provisions hereby established shall be alternative to and cumulative of those provided elsewhere in the Constitution. BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 1-a of Article V of the Constitution of the State of Texas be amended so that said Section shall hereafter read as follows:

"Section 1-a. (1) Subject to the further provisions of this Section, the Legislature shall provide for the retirement and compensation of Justices and Judges of the Appellate Courts and District and Criminal District Courts on account of length of service, age and disability, and for their reassignment to active duty where and when needed. The office of every such Justice and Judge shall become vacant when the incumbent reaches the age of seventy-five (75) years or such earlier age, not less than seventy (70) years, as the Legislature may prescribe; but, in the case of an incumbent whose term of office includes the effective date of this Amendment, this provision shall not prevent

him from serving the remainder of said term nor be applicable to him before his period or periods of judicial service shall have reached a total of ten (10) years.

"(2) There is hereby created the State Judicial Qualifications Commission, to consist of nine (9) members, to wit: (i) two (2) Justices of Courts of Civil Appeals; (ii) two (2) District Judges; (iii) two (2) members of the State Bar, who have respectively practiced as such for over ten (10) consecutive years next preceding their selection; (iiii) three (3) citizens, at least thirty (30) years of age, not licensed to practice law nor holding any salaried public office or employment; provided that no person shall be or remain a member of the Commission, who does not maintain physical residence within this State, or who resides in, or holds a judgeship within or for, the same Supreme Judicial District as another member of the Commission, or who shall have ceased to retain the qualifications above specified for his respective class of membership. Commissioners of classes (i) and (ii) above shall be chosen by the Supreme Court with advice and consent of the Senate, those of class (iii) by the Board of Directors of the State Bar under regulations to be prescribed by the Supreme Court with advice and consent of the Senate, and those of class (iiii) by appointment of the Governor with advice and consent of the Senate.

"(3) The regular term of office of Commissioners shall be six (6) years; but the initial members of each of classes (i), (ii) and (iii) shall respectively be chosen for terms of four (4) and six (6) years, and the initial members of class (iiii) for respective terms of two (2), four (4) and six (6) years. Interim vacancies shall be filled in the same manner as vacancies due to expiration of a full term, but only for the unexpired portion of the term in question. Commissioners may succeed themselves in office only if having served less than three (3) consecutive years.

"(4) Commissioners shall receive no compensation for their services as such. The Legislature shall provide for the payment of the necessary expense for the operation of the Commission.

"(5) The Commission may hold its meetings, hearings and other proceedings at such times and places as it shall determine but shall meet at Austin at least once each year. It shall annually select one of its members as Chairman. A quorum shall consist of five (5) members. Proceed-

ings shall be by majority vote of those present, except that recommendations for retirement or removal of Justices or Judges shall be by affirmative vote of at least five (5) members.

"(6) Any Justice or Judge within the scope of this Section 1-a may, subject to the other provisions hereof, be removed from office for willful or persistent conduct, which is clearly inconsistent with the proper performance of his said duties or casts public discredit upon the judiciary or administration of justice; or any such Justice or Judge may be involuntarily retired for disability seriously interfering with the performance of his duties, which is, or is likely to become, permanent in nature.

"(7) The Commission shall keep itself informed as fully as may be of circumstances relating to misconduct or disability of particular Justices or Judges, receive complaints or reports, formal or informal, from any source in this behalf and make such preliminary investigations as it may determine. Its orders for the attendance or testimony of witnesses or for the production of documents at any hearing or investigation shall be enforceable by contempt proceedings in the District Court.

"(8) The Commission may, after such investigation as it deems necessary, order a hearing to be held before it concerning the removal or retirement of a Justice or Judge, or it may in its discretion request the Supreme Court to appoint an active or retired District Judge or Justice of a Court of Civil Appeals as a Master to hear and take evidence in any such matter, and to report thereon to the Commission. If, after hearing, or after considering the record and report of a Master, the Commission finds good cause therefore, it shall recommend to the Supreme Court the removal or retirement, as the case may be, of the Justice or Judge in question and shall thereupon file with the Clerk of the Supreme Court the entire record before the Commission.

"(9) The Supreme Court shall review the record of the proceedings on the law and facts and in its discretion may, for good cause shown, permit the introduction of additional evidence and shall order removal or retirement, as it finds just and proper, or wholly reject the recommendation. Upon an order for involuntary retirement for disability or an order for removal, the office in question shall become vacant. The rights of an incumbent so retired to retirement benefits shall be the same as if his retirement had been voluntary.

"(10) All papers filed with and proceedings before the Commission or a Master shall be confidential, and the filing of papers with, and the giv-

ing of testimony before, the Commission, Master or the Supreme Court shall be privileged; provided that upon being filed in the Supreme Court the record loses its confidential character.

"(11) The Supreme Court shall by rule provide for the procedure before the Commission, Masters and the Supreme Court. Such rule shall afford to any judge against whom a proceeding is instituted to cause his retirement due process of law for the procedure before the Commission, Masters and the Supreme Court in the same manner that any person whose property rights are in jeopardy in an adjudicatory proceeding is entitled to due process of law, regardless of whether or not the interest of the judge in remaining in active status is considered to be a right or a privilege. Due process shall include the right to notice, counsel, hearing, confrontation of his accusers, and all such other incidents of due process as are ordinarily available in proceedings whether or not misfeasance is charged, upon proof of which a penalty may be imposed.

"(12) No Justice or Judge shall sit as a member of the Commission or Supreme Court in any proceeding involving his own retirement or removal.

"(13) This Section 1-a is alternative to, and cumulative of, the methods of removal of Justices and Judges provided elsewhere in this Constitution."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of the State at an election to be held on the first Tuesday after the first Monday in November, 1965, at which election all ballots shall have printed thereon the following:

"FOR the Constitutional Amendment providing for the automatic retirement of District and Appellate Judges for old age, creating the State Judicial Qualifications Commission, defining its functions; and empowering the Supreme Court, upon recommendation of said Commission, to remove District and Appellate Judges for misconduct and to retire such judges in cases of disability.

"AGAINST the Constitutional Amendment providing for the automatic retirement of District and Appellate Judges for old age, creating the State Judicial Qualifications Commission, defining its functions; and empowering the Supreme Court, upon recommendation of said Commission, to remove District and Appellate Judges for misconduct and to retire such judges in cases of disability."

Sec. 3. The Governor shall issue the necessary proclamation for the election, and this Amendment shall be published as required by the Constitution and laws of this State.

PCG Approves New Budget, Opposes New Cotton Bill

LUBBOCK—Cotton fiber analysis and spinning research, production research, technical service to cotton mills and advertising and promotion of High Plains cotton were featured items of a \$261,500 budget adopted by directors of Plains Cotton Growers, Inc.,

The budget for 1965-66 was approved at a directors' meeting in Lubbock on July 29 at which board members also voiced strong opposition to the cotton section of the omnibus

farm bill.

Agricultural, or production research to be financially supported under the budget include studies of cotton breeding and genetics, climatic effects on cotton growth and development, seedling and wilt diseases, water conservation and weed control. A total of \$40,000 was allocated in these fields for support of twelve separate research projects. Receiving grants will be the South Plains Research and Extension Center, the High Plains Research Found-

ation, Texas Agricultural Experiment Station No. Seven, (Spur), Southwestern Great Plains Experiment Station (Bushland), and Texas Technological College.

In a discussion of these research grants it was emphasized that each project would point toward or at least take into account factors which might improve the spinning qualities of area cotton.

The PCG advertising program calls attention to the advantages of High Plains cotton

and PCG services in textile and trade publications throughout the United States and foreign countries.

Service to textile mills, directed by PCG's textile consultant James Parker, assists cotton spinners in selecting the best and most economical cotton for their particular operations. According to Parker, this often leads to purchases of High Plains cotton by mills who have never bought cotton here before.

In connection with this service, funds were also allocated for expanding consultant work to selected foreign mill areas. A total of \$22,500 was set aside for technical mill service.

Regarding the budget, Donald A. Johnson, executive vice-president of Plains Cotton Growers, said: "For the most part these are funds contributed by cotton farmers, and the major items of expenditure reflect our determination to give these producers maximum possible benefits from every dollar spent."

The \$261,500 operating budget for 1965-66 was only slightly below a similar budget of \$269,900 for PCG activities in 1964-65. The organization's fiscal year runs from July 1 through June 30, with most support coming from 15 cents per bale farmer contributions. Johnson, in explaining the budget reduction, called attention to reduced High Plains cotton production in 1964 and a corresponding drop in PCG income.

Johnson reported to the group on the current status of cotton legislation. He said that although the "Cooley" bill, contained in Title IV of the omnibus farm bill, now has the best chance of becoming law, it is not a foregone conclusion that it will be passed. "Any way the votes are counted it will be a close squeeze," he said. It is expected that the bill will reach the floor of the House sometime between Aug. 2 and Aug. 23.
