FOOTBALL IN THE AIR—Hart's Longhorns may take the phrase literally Friday night when they meet the Silverton Owls. In scrimmages earlier this week, the team concentrated on passing and smoothing out the rough edges for the season opener.

## Burglar Strikes Cox Auto, Misses Open Cash Register

A nighttime burglar walked past an open cash register and tackled a safe containing only business papers in a break-in at Cox's Auto Parts last Tuesday.

Claude Cox said the prowler entered through the east door of the building, walked past the cash register containing some loose change, and broke out a window to the building's office room.

Cox said moved furniture

seemed to indicate the would-be thief was going to remove the safe to open it, when he discovered it was already opened.

He said papers from the safe were scattered throughout the room, but nothing of value was missing.

## WALT HANSEN HEADS HART BOOSTER CLUB

New officers for the Hart booster club have been elected. Named as president of the group was Walt Hansen. Max McKay was picked as vice president.

Everett Heller was named to the secretary-treasurer post of the organization.

The club meets each Tuesday at 8 p.m. in the school cafeteria.

## Girl Scouts

### Go To Lubbock

The Hart Girl Scouts went to Lubbock Monday for a party.

Attending the event were Kathy Alexander, Cathie Warren, Carol Miller, Diane Lancaster, Marsha Seago, Sharon Brooks, Jeton Jones, Sandy Bennett, Becky King and the sponsor, Mrs. Miller.

Next meeting of the group will be Sept. 14 at the Girl Scout House, from 4-5 p.m.

## Man Hurt As Pickup Hits Train

A Hart man had a narrow escape Wednesday afternoon when a pickup he was driving ran into the side of a train about two miles east of Hart.

Max Gonzales, traveling east on Texas 194, struck the train just as it was beginning to cross the highway near the Tide fertilizer plant. The train was headed north, just before the spur line joins the main east-west line leading into Hart.

Gonzales was taken to Dimmitt by Parson's ambulance, but his injuries were not believed to be serious.

Engineer W. P. Stevens of Childress said he had just started up from Tex-Hart Grain Co., when he suddenly stopped for a car headed west.

He said he had just started up again when Gonzales came along. Stevens said apparently Gonzales thought the train was still stopped and couldn't stop in time when he realized his error.

Gonzales, who works for Wade Mills of Route D, Nazareth, was hauling a trailer loaded with hogs when the mishap occurred.

Castro County Deputy Sheriff Granville Martin estimated damage to the pickup at \$300.

## DONKEY BALL SET SUNDAY

Might as well get out the liniment, because there will probably be more than a few sore muscles Sunday.

Cause of the pain will be a donkey baseball game between the Hart Volunteer Fire Dept. and Hart Farmers.

The reason for the extra physical exertion is to collect funds for a fire truck for the department.

Gametime is 3 p.m. at Sanders baseball field. Admission to the event is \$1 for adults and 50 cents for students.

Anyone wishing to donate money for the truck may bring or mail checks to the Hart Volunteer Fire Dept.

Clint Finney of Plainview is producer of the game.

## Hart Longhorns Meet Silverton

It's that time of year again, and despite pre-season blues which settled over the Hart football camp, things seem to be looking up a little for head mentor Jeff Smart.

The Longhorns tackle class A Silverton Friday, and the note of gloom in Coach Smart's voice isn't quite as loud as it was before last Friday's scrimmage with Jayton.

Smart said the scrimmage was fairly even, and against Jayton that statement seem to hold a gleam of hope for the young teens.

Hart still lacks the depth to assure Coach Smart a night of sleep free from the nightmare of a single injury breaking up the whole team. But at last count, the Longhorns were marking 20 boys for duty in the season opener, which is much better than a low point of 12 players out during pre-season training.

Silverton meanwhile, will be trying for its first win of the season, after dropping a 16-6 game to Claude last week.

The Owls led 6-0 going into the fourth quarter of last week's game, but saw that lead erased early in the quarter.

Experience is fairly even on the two squads, with Silverton returning 11 lettermen and six starters, while Hart has eight lettermen and the same number of starters returning.

Both coaches view the district races with about the same amount of enthusiasm, since both collected but a single win

in their respective districts last year.

Probable starters for the Hart group will be Larry McKay, a 160 pound senior, at right end, and Larry Parker, a 125 pound junior, on the other end.

Smart said McKay did an out-

## Riding Club Totals Told

Rainy weather hampered some activities of the Hart Junior Riding Club, but points were totaled for the year and final places decided.

Nelda Henderson took first place in the Pee Wee girls division. Dana McLain picked up the second place spot.

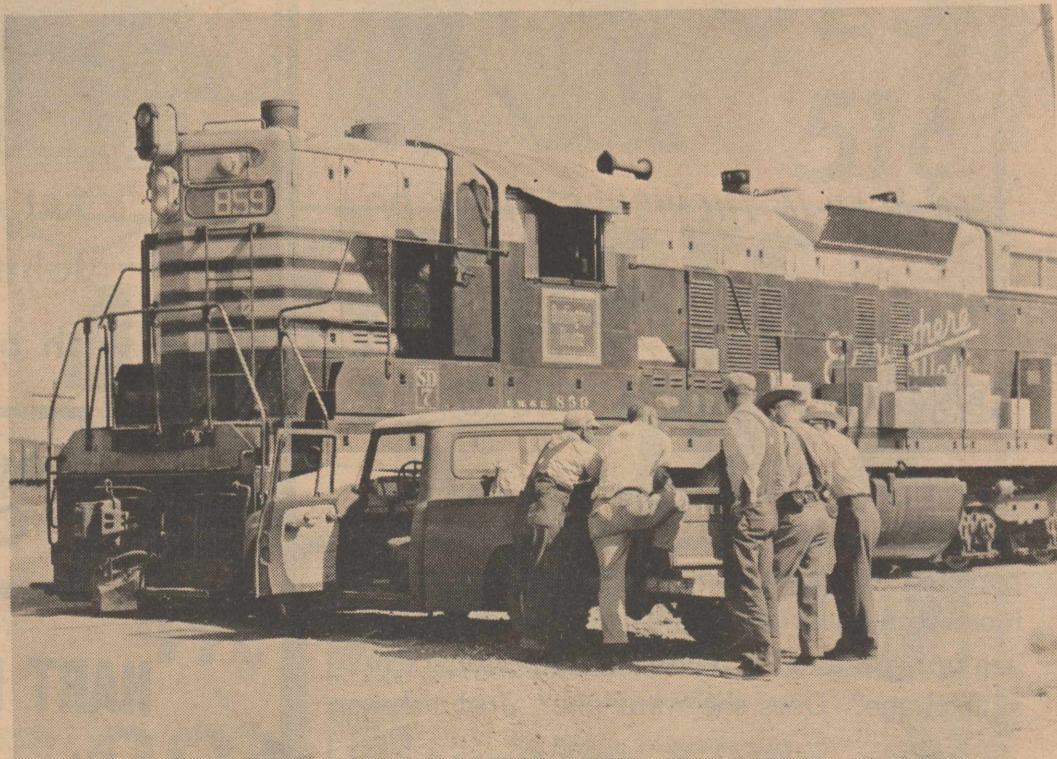

In the Pee Wee boys division, James McLain finished first, with Harley Malone in second and Terry McLain in third. Gary Swindle finished fourth.

In the junior division, Margaret Swindle finished first, while Rex Henderson took first place for the boys.

Don Sanders was second and Larry Sanders third in the boys division.

Senior division winners were Retta Henderson and David Dalton.

Pam Houston finished second and Roma Lee Swindle third in the girls division, while Jim Swindle was second and Jerry Smith third in the boys section.

NARROW ESCAPE SCENE—Max Gonzales of Hart escaped serious injury Wednesday afternoon when a pickup truck he was driving hit the side of a north bound train engine where the track crosses Texas 194. Gonzales skidded an estimate 40 feet before crunching into the side of the train.

standing job defending Jayton in scrimmage action, and expects him to be the workhorse for the defensive line Friday.

At tackles will be Larry Huston, a 174 pound senior, and Larry Henderson, a 190 pound sophomore.

Guard positions will be manned by 160 pound senior Billy Bell and 116 pound sophomore, Paul Gusman.

Bell was another standout for the Longhorns last week, and he too is being counted on to carry much of the defensive team's weight.

Center for Hart will be 165 pound sophomore David A. Harris.

Doug Martin, who ran behind Gary Heller at the quarterback slot last year, moves into the starter's position. A senior, he weighs in at 135.

Holdong down the halfback spots will be George Bennett, a 150 pound junior, and W. A. Hawkins III, a 120 pound sophomore.

Fullback will be veteran David Smith, 170 pound senior.

For the Owls, ends will be William Enriques, 165 pound junior, and John McGavock, 145 pound senior.

Tackles for Silverton will be Howard Tomlin, 160 pound senior and Randy Hughes, 170 pound junior.

Next to center, Roger Bingham, 180 pound senior will hold down one guard spot, while Jerry Perkins, 160 pound senior will occupy the other.

Holding the ball will be Darrell Long, 160 pound senior.

Quarterback for the club still is undecided, with either John Montague, 160 pound senior, or Lynn Edwards, 130 pound senior, scheduled to run the club.

Two lettermen hold down the halfback slots, with Wayne Rampley, 145 pound senior at one, and Bailey Loyd, 135 pound senior at the other.

Fullback will be Monte Smith, 208 pound senior. Smith is being counted on by Coach Tom Thornburg to carry the load in the backfield for the Owls. He was timed in 10.6 in the 100 yd. dash last spring, and, if that old football nemesis, injury, doesn't strike, could cause the Longhorns trouble.

Captains for Hart will be four seniors who will alternate during the season. Quarterback Martin, fullback Smith, tackle Bell and end McKay will handle the job of speaking for the team.

Kickoff time for the game is 8 p.m.
