SOGGY SORGHUM--Thomas Brooks examines a head of milo after the weekend of rain to determine effect of the rain on his crop. Brooks, who farms south of Hart, said he thought the rain would have little or no effect on the crop, and cutting should begin in approximately one week.

Longhorns To Go Shooting For Turkey Friday Night

Trouble seems to come in about 10-week periods for Hart High School football coach Jeff Smart.

This year, he is in his third troubled week. And this week appears to be one of the more troubled he will have to face during his annual 10-week football dilemma.

For this Friday the slender Longhorn football squad must travel to Turkey to do battle with the Turks, who last Friday night downed a common opponent of the two clubs, Silverton, 8-0.

Silverton earlier downed the Longhorns, 42-12.

And, to add to the head

Hart PTA Meet Held

Hart PTA held its first meeting of the year recently and voted to purchase \$550 in playground equipment for the grade school grounds.

A get-acquainted hour was held for new teachers and parents. Games were led by Mrs. Lanny Tucker and ice cream and cookies were served to approximately 100 members and children by a committee headed by Mrs. Loyd Davis.

PTA officers for this year are Deryl Clevenger, president; Mrs. Vernon Mapp, vice-president; J. V. Westcott, treasurer; Mrs. Ben Kennedy, secretary; Mrs. Jeff Smart, historian; and Mrs. Lanny Tucker, parliamentarian.

Committee chairmen are Mrs. Vernon Mapp, program; Mrs. Loyd Davis, food; Mrs. Lanny Tucker, hospitality; H. L. Cheatham, audio-visual; Mrs. Jack George, budget and finance; Mrs. Warren Lemons, publications.

Next meeting will be Oct. 11 and the program will be presented by the Hart Boy Scout and Girl Scout troops.

practice and may see little action in this week's game.

Other injuries don't appear to be serious, but have seriously hampered practice sessions for the club.

Smart is making some adjustments in the line this week with tackle Larry Henderson slated to take over the center slot, and center Gary Cole moving to guard. If Harris is able to play, he will take over the other guard position.

In the backfield, Smart said he plans to use sophomore W. A. Hawkins III at the quarterback spot, and move senior quarterback Doug Martin to halfback to take more advantage of Martin's speed.

Smart said last year Turkey fielded one of the finest ball clubs Hart played, and they had much of their same material back this year.

One of the biggest worries for the Longhorns will be halfback Jerry Lane, who raced 50 yards for the lone touchdown in the Silverton-Turkey game.

Another halfback, Johnny Mullins, may give the visitors some trouble too. He scored the lone touchdown for the Turks in their 32-8 loss during the first week of action against Happy.

Fullback Charles Hammer made conversions on both the touchdowns for the Turks, so he may be another ball carrier for Hart to watch for.

Lane and Jim Robinson were the defensive workhorses for Turkey in both games, and both are again expected to carry a big lead for the Turks Friday.

Game time is 8 p.m. at the Turkey stadium.

Electrical Storm Hits Hart Area, Brings Moisture

A heavy electrical storm Saturday evening knocked out several transformers in the Hart area, and along with the loss in electricity came a medium-sized rain.

The loss of power for about an hour late in the afternoon caused several stores to close earlier than usual, but no other harmful effects were noticed from the storm.

All together, weekend rain dropped from 1 1/2-2 inches of rain on the area, but the only result seems to be good.

C. G. Benningfield, manager of Hart of the Plains Gin said he thought the major result of the rain would be a successful start for newly-planted wheat, and, "If it stays dry and hot," for the next few weeks, farmers would feel no ill effects on fall crops.

Sorghum harvesting didn't seem to be affected very much by the rain, since DeWayne Brown at Farmers Grain Co. said some farmers were already test cutting Tuesday, and more would begin today and tomorrow.

In fact, he said the grain would probably thresh better than before the rain as soon as it dried out completely.

Wister Clevenger, Hart Grain manager, concurred with that opinion, and said grain was threshing well before the rain and should do even better now.

He said the harvest wasn't actually delayed very much, since few farmers had started in earnest. He said some farmers had started sampling this week, but he didn't expect heavy work to begin until next week.

On the Edd Bennett farm, southwest of Hart, Mrs. Bennett estimated 1 3/4 inches of rain had fallen, but said she didn't know how the rain would affect crops.

Mrs. Paul Brooks said the crops on their farm south of town looked good, and, "If it clears off and stays dry, everything will be all right."

Mrs. Lorenzo Lee voiced about the same opinion for their farm northeast of town, where approximately two inches of rain fell.

Deryl Clevenger, east of town, said he had two inches of

rain, and on his south farm measured 1.8 inches.

He said he didn't believe the rain would affect crops much for bad or good, but would improve definitely wheat ground.

He said cotton wouldn't be affected, since, "Not enough was open to make any difference."

Woman Hurt In Mishap

A two-vehicle accident Saturday night southwest of Hart slightly injured a Southwestern Public Serviceman's wife and heavily damaged the service company's vehicle.

Mrs. Glenn White, who had gone with her husband while he did repair work on transformers damaged by lightning, suffered a cut on her forehead as a result of the mishap.

A car driven by Buford Haydon of Sunnyside was the other vehicle in the accident. No information was available as to the extent of damage to the Haydon auto.

Charles Stimson, Southwestern representative in Plainview, said Mrs. White was kept for a short time at the hospital, and is now home.

He said damage to the service truck was "very heavy", and that it might have to be replaced.

Accident Injures One

A one-car mishap at 4:30 p.m. Sunday slightly shook up the driver, and heavily damaged his auto.

The accident occurred on the north side of Running Water Draw on Farm Road 168, just past the curve going out of the draw.

Highway Patrolman Bill An said a late model station wagon driven by Ott Lee Bray of Levelland, overturned after rounding the curve.

The car, loaded with paint, was estimated to be a total loss by Angel.

Bray was taken to Olton Community Hospital for treatment of cuts and bruises and released.

New Deal Blas

New Deal's Lions rolled up a 24 point halftime bulge, then coasted to a 40-0 win over Hart, the second loss by the Longhorn squad in as many tries.

Lion quarterback Gary Winningham was the man of the hour for the Lions. The senior quarterback picked up two touchdowns in the first half and added another in the second to roll up nearly half of the total Lion point output.

Halfback Dwayne Agnew collected a single TD in the first half and another in the second to pick up another 12, and senior halfback Lawson Smith picked up the other touchdown in the second quarter.

Fullback Mike Heald ran one two-point conversion in the second half, and tackle Billy Mitchell ran another on the last Lion touchdown.

The Lions had their hands on the ball for four sets of downs in the first half, and made the most of it by scoring all four times.

Two interceptions and two fumble recoveries by the Lions helped the New Deal cause considerably, and long gainers all night by Agnew and Winningham kept the Hart defense in turmoil.

Winningham rolled up 135 yards in nine carries, while Agnew collected 162 in 11 tries.

Fullback Heald, chosen before the game as the "Lion of the Week" by his teammates, picked up 39 yards in 11 attempts, but his two points were far below his first game total of 20 against Roosevelt the previous week.

Smith picked up 53 yards in three carries, while halfback Sammy Darty collected 51 yards in 11 tries to round out the Lions big gainers.

W. A. Hawkins III once again turned in a good rushing night for the Longhorns. The little sophomore picked up 86 yards in nine tries. Senior quarterback Doug Martin topped that mark by four yards in the same number of tries.

Fullback David Smith gathered up 20 yards in eight tries, while George Bennett had 31 yards in four carries.

The Lions drew their first Longhorn blood late in the first quarter of action, when Winningham pitched back to Agnew on the Hart 29. The speedy halfback then raced 21 yards for the first score.

Winningham's handoff to Darty on the attempted conversion failed to get Darty through the Hart defense.

On the kickoff, Martin had re-

turned the ball 19 yards from his own 15, when the slippery turf became a little too slippery, and his feet went out from under him.

Three plays later, the Longhorns were still a yard shy of the first down, and tackle Larry Huston booted the ball to the New Deal 15.

Darty returned the ball to the New Deal 22, but two more plays netted the Lions only six yards. Then Winningham once more took command, and with 2:29 still left in the first quarter, danced 72 yards for the second Lion TD.

Fullback David Smith foiled the second conversion attempt by downing Darty before he got through the Hart line.

The next kickoff proved to be a preview of things to come. The kick was short, and the ball bobbed around before Huston finally pounced on it to keep it in Hart's possession.

But on the next play, Martin's pass attempt went into the hands of Lawson Smith at the New Deal 47.

This time it took the Lions five plays to reach the magic stripe, with Smith racing 40 yards down the sideline for the TD. Hawkins made a last-ditch effort at the elusive halfback, but it was all to no avail.

A fumble on the conversion attempt once again blocked the Lion's efforts for a two-point-er.

Hart's efforts with the pigskins after the kickoff again last only four plays, ending with Huston's kick to the New Deal 35. A penalty against the Lion's on the second down put them in a hole too deep to run out, but once again lady luck smiled.

End Gary Justice booted the ball to the Hart 35, where Martin bobbled the ball, and Darty pounced on it to give the Lions a new lease.

Fullback Heald carried the major ball-carrying load to the Hart four, and Winningham went up the middle for the fourth Lion score of the half.

An offside penalty on the conversion moved the ball back to the Lion eight, and Larry Bingham fumbled the ball on the final conversion try of the half.

Hawkins returned the ball 41 yards on the kickoff to the New Deal 48, but time ran out before the Longhorns could capitalize on their position.

Second half was almost a repeat of the first, with the Lions scoring the first time they got the pigskin.

 Wayne Price and Joey Sherman then began to alternate at the quarterback slot for the Lions, but the New Deal attack bogged down with the young playcallers at the slot.
 So Winningham once again went back into the game for the Lions, and as usual, produced.
 Agnew took the ball to the Hart nine, before a penalty moved the ball back to the Hart 20. Then Winningham handed off to Agnew for the final Lion score on a 20-yard scamper.
 Tackle Billy Smith, a terror on defense for the Lions all night, got a chance with the ball on the conversion, and the choice proved to be a good one, as he scored the second Lion two-pointer in a row.
 Hawkins then began to alternate

with Martin at the quarterback spot for the Horns, and the half-back - turned - quarterback moved the ball club to their second first down of the half.
 Then one more miscue ruined Hart chances, as Hawkins dropped the ball and Lion Curtis Wilson jumped on it at his 19-yard line.
 But freshman quarterback Sherman returned the favor and the 'Horns Gary Cole took the ball at the New Deal 10.
 Four plays netted the Longhorns exactly one yard, and the ball went over on downs.
 New Deal had almost the same luck, piling up a total of -1 yard before Justice booted out to his own 45.
 A last-minute pass from Martin to Larry Parker took the 'Horns to the New Deal five, but time ran out before the Hart eleven could keep from being blanked.

KITCHEN KORNER

The weather is really going from one extreme to the other in just one days time. You may need a coat in the morning and an air conditioner in the afternoon. We will all probably have early colds from this and should be extra cautious about taking a coat when we go out in the evenings. The meal planning is as hard to get planned weatherwise as the weather. I am sure you have found that the timing on meats vary and so often if a meat is tough it will not get done in the time allotted for it in any recipe. I have known some who are just starting to cook and for whom this is sometimes a big disappointment.

SMOTHERED CHICKEN

1 baking hen
2 cans cream of chicken soup
salt and pepper to taste

Cut or have your butcher cut up the hen for frying, dredge in flour, salt and pepper well, brown well in a skillet on both sides. Lay in a buttered baking dish, pour soup over it until it is covered. If there is not enough soup, add some milk. Bake covered at 350 degrees for one hour, then uncover and cook for 30 minutes.

ORANGE GUM-DROP COOKIES
1 c. shortening
2 c. brown sugar
4 whole eggs
2 c. flour
1/2 tsp. baking powder
1/2 tsp. salt
1 lb. orange slice candy (cut up)
1 c. pecans (cut up)

Cream shortening, add sugar, mix. Add eggs. Sift dry ingredients together and add to creamed mixture. Stir in candy and nuts. Bake in a lined pan (no shortening) for 45 minutes at 300 degrees. Take out of oven, cut and roll in powdered sugar.

You're an old timer if you think the town square is not a person.

VISIT LOMANS

Mrs. Violet Faye Legg and three sons of Amarillo visited Monday in the home of Mr. and Mrs. H. E. Loman.

ONE YEAR AGO IN HART

Hart's first bale of cotton is in, ginned and set out in front of Farmers State Bank. B. H. Rogers brought in the first load of cotton to Hart Producer's Co-Op Gin from the Perry Farm five miles east of town on the Kress highway Sept. 18.

The Hart Longhorns will face District 6-B Turkey here Friday in the third game of the season and the second game of 1964.

Between 100 and 125 people turned out Saturday for the formal opening of Hart Co-Op Gin north of town.

ASCS community committeemen were announced this week by Charley E. Hill, office manager. For Hart, Community E, they are Wade Mills, chairman and delegate; Roy Taack, vice-president and first alternate delegate; David Nelson, regular member; Greg Hoelting, first alternate; and John Gilbreath, second alternate.

The home opener was somewhat spoiled for the Longhorns here Friday night, as they won several battles but lost the war 24-6 with the New Deal Lions.

"Fires don't just happen—they are caused" Joe Smetana, safety director of the Texas Farm Bureau, pointed out in a graphic fire demonstration held last week in Hart High School. He went on to name the three causes for most fires: "men, women, and children."

Three Years Ago In Hart

Homecoming activities at Hart will be kicked off tonight at 8 with a bonfire followed by a downtown snake dance in cars. Deputy Sheriff Granville Martin and the fire truck will lead the snake dance.

Three inches of rainfall was measured Saturday and Sunday in Hart with some hail reported east of town.

First cotton of the year for Hart rolled into Hart of the Plains Gin Saturday from the W. H. (Bill) Sharp farm eight miles northeast of Hart. The 440-pound bale was ginned and placed on display in front of Farmers State Bank.

Hart School board met Monday night to discuss what is described as an "Overcrowded situation" in Hart schools. Enrollment this year showed an increase of 102 students over last year. Of this number, 100 are first grade students.

Hart's Longhorns, after scrapping tough Springlake in a hard-fought battle, play host to the New Deal Lions here Friday night at 7:30 in the homecoming game.

Hart Mothers Club has been organized for the 1962-63 athletic season to assist in giving the community a complete athletic program. The club will prepare meals for the football boys before each game. They are planning to purchase needed equipment to boost athletics in our school.
