NUMBER 15

**EARLY START FOR GRIDDERS**—A group of fifth and sixth grade youngsters are getting a head start on some of their friends at other schools by learning football fundamentals in their spare time. Pictured, front row, left to right are Artie Sennett, Dirk Rambo, Steve Cox, David Harris and Dennis Hill. In the middle row, left to right, are Ricky Black, Alex Luna, Scott Rice, Mike Leonard, David Hawkins, Ike Graves, Wayne Ethridge, and coach G. C. Graves. Back row, left to right, are Henry Javier, Paul Harris, Kirk Hansen, Mike Villegas, W. A. Scott and Johnny Ethridge. Other members of the team not pictured are Allen Shives, Jim Tucker, Stanley Dyer, Mickey Rodriguez and Duane Clevenger.

## Maize Harvest Nears Finish

Rainfall measuring between .70 and 2.00 inches fell over the weekend but won't affect a maize harvest expected to be near bumper crop proportions, if a short sampling of farmers and elevator operators is any indication.

Elevator operators reported approximately 70 per cent of the harvest complete when the rain hit over the weekend, and about

the only major result of the rain was a few days of delay in harvesting.

Slight amounts of hail were reported in nearly all areas surrounding Hart, but little damage was caused by the ice.

Fields had dried out early enough Tuesday for harvesting of grain to resume, although moisture tests were running high.

Cotton didn't appear to be too adversely affected, although some farmers said grades might be lowered as a result of dirt being blown up into open bolls.

Heaviest rains seemed to be south and west of town, with the lowest amount measured east of Hart.

Two inches of rain were reported on the R. J. Murray farm southwest of Hart, and 1.60 was noted on the Leonard Welty place. Mrs. Welty said high winds dirtied some opened cotton, and grades may be lowered as a result.

Grain harvesting is completed on the Welty farm.

Mrs. David Nelson, who husband also farms south of Hart, said they received a slight amount of hail, but it "didn't seem to hurt anything."

Theron Mossison, also farming east of town, measured between .70-.80 inch of rain, and noticed no hail. Maize cutting wasn't quite finished on the farm, and Mr. Morrison said he wouldn't be able to get back in the fields for several days.

He didn't estimate damage to the cotton, but said, "No rain could be called good for cotton this late."

Mrs. Wade Mills said a little more than an inch of rain fell on their farm north of town, and she didn't know when they would be able to get back into the fields.

She said maize in the area was already late because of earlier hail storms, and harvesting had just started. She said on their place the maize would probably be dry enough to cut before the ground would dry out enough for combines to get back in.

Approximately the same amount of rain was measured on the Sam McGill farm, also north of town. McGill said he hadn't started harvesting yet, and the effect of the rain on cotton would depend largely on the weather after the rain.

West of town, Willis Hawkins Jr. measured 1.50 inches, and thought the rain would slow harvesting about two days.

"We received very little hail, but I don't think cotton has been hurt at all," said Hawkins.

He said not much cotton was open, but what had opened probably will have a slightly lower grade because of dust during the storm.

## Kids Form Team, Get Early Start

What do you do when you have a group of youngsters who want to play football, but who are too young to compete in school-sponsored contests?

Hart Elementary School Principal G. C. Graves seems to have found the answer.

Graves is the coach of such a group, call The Red Devils.

Composed of fifth and sixth graders, the group practices after school, and holds intrasquad scrimmages to practice what is taught in the sessions.

Graves said he became interested in such a group to teach fundamentals of football, including passing, punting, and running.

He said each boy bought his own equipment, and the group is not connected with the school.

He said he thought the program was a good method to promote interest in sports, while at the same time teaching fundamentals of the game to those interested.

Most of the instruction is carried on to "give the youngster better insight into the game, and to teach basic safety skills."

The team actually has enough players to form two teams, and they have been divided into two squads to play a short game before two of the regular football contests at the Hart field.

Graves said if interest was high enough after football season, the same sort of instruction would probably be offered in basketball and track.

Members of the team include Henry Javier, Paul Harris, Kirk Hansen, Mike Villegas, W. A. Scott, Johnny Ethridge, Ricky Black and Alex Luna. Also on the squad are Scott Rice, Mike Leonard, David Hawkins, Ike Graves, Wayne Ethridge, Artie Sennett, Dirk Rambo, Steve Cox and David Harris.

Also listed are Dennis Hill, Allen Shives, Jim Tucker, Stanley Dyer, Mickey Rodriguez and Duane Clevenger.

## Spelling Bee Plans Told

Judge Raymond E. Wilson of Dimmitt, who is also Castro County Superintendent of Education is the 1966 spelling bee director for Castro County.

Some time before April 9, the Castro county bee will be held, and the champion will go to Amarillo April 23 for the annual regional elimination for the national spelling bee.

Last year, Harold Bob Bennett, son of Mr. and Mrs. George E. Bennett of Hart was the Castro County champion and received one of the cash prizes in the regional bee. He was a seventh grader in Hart Junior High and therefore is eligible to compete in 1966.

The Amarillo Globe-News, which has sponsored the High

Plains area bee since 1949, also has a unique secondary contest—the junior spelling bee, open only to contestants from the sixth and lower grades. The national bee is open to all students, 16-years of age and under, through the 8th grade.

The Castro County Junior champion for 1965 was Donnie Shive, also of Hart. He is the son of Mr. and Mrs. Eldon Shive.

First place winner in the regional bee will go to Washington during the first week in June, 1966, to participate in the national spelling bee. The winner also receives several other attractive prizes, and his (or her) school will have a full year of use of the Britannica film service. A traveling plaque, carrying the names of all regional winners since 1949, will hang at the school of the winner.

Each county champion receives an engraved plaque and a gold pen. Each county junior champion is given a trophy and a silver pin during the intermission at the regional bee.

In the school contests, each winner receives a Paper-Mate pen, encribed "School Champion" and a blue and gold ribbon likewise imprinted. Each school junior winner receives a red and gold ribbon trophy. Each student who entered the bee receives a ribbon trophy also.

The national spelling bee, sponsored by newspapers throughout the 50 States, is in its 38th year. High Plains champions have placed fairly high in the contests, but none has won the national crown.

Castro County has had a regional champion, in Odetta Ball of Nazareth, who won the 1952 bee. She is now Mrs. D. K.

Robinson, and a member of the faculty of Tascosa High School in Amarillo.

## School Carnival, PTA Supper Set

A Halloween carnival, preceded by a PTA-Sponsored supper, is scheduled here Saturday Oct. 30.

The supper will be served in the school cafeteria, starting at 5 p.m.

Coffee, pie and cold drinks will be served until the carnival closes.

The carnival will get under way at 7 p.m. in the school gymnasium and continue until 10:30 p.m.

Each class will have a booth and bingo, dominoes and a cake walk will be offered.

## Hart Teachers Visit Dimmitt

Two elementary school teachers from Hart attended the classes in Dimmitt Tuesday as a part of an interschool "visitation."

The visitation is to allow schools to get new teaching ideas by exchanging teachers.

The two, Miss Sammie Cooper and Miss Neoma Daberry, were replaced for a day in the Hart school system by two Hart PTA members, Mrs. Shirley Tucker and Mrs. Melba Harris.

Both teach the first grade at Hart.

## Cub Scouts Start Year

Hart Cub Scouts will begin their regular monthly meetings Oct. 28 at 8 p.m. in the Legion building.

All Cub Scouts, parents and leaders are asked to be present for the meeting.

Application blanks will also be available for boys wishing to join the organization.

Cub Scout program has been developed for parents of 8, 9 and 10-year-old boys to use with and for their sons.

The program is basically a home-centered one, with much emphasis placed on work with parents and family.

All persons interest in assisting with the local group are asked to attend the Oct. 28 meeting.

Texas National Guardsman Colonel Ross Ayers has been promoted to the grade of brigadier general and Commanding General Luther E. Orrick of the 49th Armored Division now has two-star status.

# Longhorns Try Tough Bovina

League leading Bovina comes to town Friday night, seeking win number three in district competition, and if past games are any indication, should do so with ease.

Hart's luckless Longhorns have yet to pick up a win this season, and must face a team that last week downed one of the pre-season conference favorites, Happy, 21-6.

On top of that, the Longhorns suffered their worst loss of the season last week to lowly-rated Lazbuddie, 48-0.

The big number ran the total points scored against the Longhorns to 236, and left the 'Horns with their previous total of 38.

Bovina thus far is the district leader in the scoring department, picking up 68 points in two contests, and allowing two opponents 20 points.

For the season, Bovina is even, picking up three wins against three losses.

In season play, Bovina has scored 84 points and allowed opponents 71.

The thin 'Horn squad is still intact as far as injuries go, and the team should be in good physical shape for the contest.

But the Mustangs are like-

wise in good shape and should deal the 'Horns misery if the game holds true to past form.

Leader of the misery dealers is halfback Dean Stanberry.

Stanberry is the breakaway threat for the Mustangs and is also a leader in the defensive secondary.

He intercepted two passes in the Bovina win over Texline in the district opener for those two teams, and ran one back for a touchdown.

Fullback Carl Harris does most of the Pony running up the middle, and is also capable of the long run for points if given a little room.

Roman Ramirez, Mustang lineman, is the point after specialist for Bovina and kicked five of seven in the Texline game. And the game was the first time he had tried the upright scoring route.

Another scoring threat comes in the form of halfback Scotty Rundell, who has one 70-yard run to his credit for six points.

Ramirez and Eddi Corn will anchor the Mustang defensive line from the tackle spots, and should be the big defensive threat to the Longhorns.

**JUNIOR CLASS LEADERS**--New officers of Hart High School's Junior Class are Jerry Smith, vice-president; Sherilyn Morrison, president; Larry Parker, parliamentarian; Cheryl Newman, reporter; Martha Sharp, treasurer; and Robbie Rice, secretary.

### HIGHLIGHTS AND SIDELIGHTS

#### COURTS SPEAK

State Supreme Court heard rival arguments as to whether Rice University alumni have a right to appeal the lower courts' decision that permitted Rice to admit Negro students and charge tuition.

Rice trustees filed action to allow integration and eliminate tuition restrictions. This despite trust fund restrictions imposed by founder William Marsh Rice in 1891. Trustees now maintain that Atty. Gen. Waggoner Carr is the only one who could have appealed the decision favoring their action. Carr left the appeal up to the alumni group.

High court held in a Waco case that cities are liable for damages where property owners are denied reasonable access to their property by highway construction.

In a companion case, however, court denied damages to another firm because it had access to its property by another

street.

#### HOUSE COMMITTEE APPOINTMENTS

House Speaker Ben Barnes has appointed Rep. Vernon J. Stewart of Wichita Falls chairman of the House Interim Committee on Juvenile Crime.

Named to serve with him are representatives W. T. Dungan of McKinney, John Ray Harrison of Pasadena, Alonzo W. Jamison Jr. of Denton and George H. Richards of Huntsville.

Committee is charged with the responsibility of studying the growing juvenile crime problem in the state with particular emphasis on developing a program for its prevention.

Group will make recommendations to the next Legislature on legislation needed to combat the problem and implement the program.

Second session is scheduled Oct. 29 in Lufkin and a third in Houston Dec. 3-4.

**EIGHTH GRADE OFFICERS**--New officers for Hart's Eighth Grade class are Andy Rogers, president; Mike Armstrong, vice-president; Don Sanders, secretary; Sheila Gardenhire, reporter, and Barbara Hansen, treasurer.

MRS. LEWIS H. SMITH

## Recipe Of The Week

Mrs. Lewis H. Smith gives us our recipe this week.

Mrs. Smith works at New-som Grocery as a butcher. The Smiths have two chil-dren, Kay and Jim.

### MILLIONAIRE DESSERT

- 1 c. milk
- 1 lb. marshmallows
- 1 lb. vanilla wafers
- 1 c. drained pineapple
- 1 pt. whipping cream (whipped)
- 1 c. pecan meats (chop fine)
- 6 maraschino cherries (cut in halves)

Place milk and marsh-mallows in double boiler and melt. Cool and beat well. Mix whipped cream, drained pine-apple and nuts into cooled marshmallow mix and pour over wafer crumbs which were sprinkled over bottom of pyrex square. Sprinkle the rest of the crumbs on top and press down with hands. Dot with cherry halves and place in refrigerator to firm.

### IN LUBBOCK

Mrs. Buster Aven was in Lub-bock to visit her sister, Mrs. Glenn Jones, and father W. H. Williams.

## KITCHEN KORNER

I have enjoyed a cookbook that I have with recipes dating back to 1872 and, reading them, it is hard to realize that things were so different.

I have heard so many people say they would like to have a recipe for old fashioned bread started and there is one in this book, so I will put it in this column, hoping the ones who wanted it will see it.

In a quart jar, mix 1/2 cup sweet milk and cold water (just 1/2 cup when mixed) add 1/2 cup sugar and 1/2 cup flour. Place in a warm place and stir occasionally. In a day or two, add another tablespoon flour. It takes a week or 10 days. Before used to bake next day, add 1 quart of water to the start-er about 3 p.m. At bedtime pour into a crock or pan, mix to a batter with a little flour, cover and let stand until morn-ing. Take out 4 tablespoonfulls and place in a jar and add 1 cup sugar. Set this away for next baking day. To the rest of the batter, add small amount of shortening and salt and flour and proceed as you would with any bread. If the starter is used once a week it will work fine.

### MOLASSES GINGER COOKIES

- 3/4 c. shortening
- 1 c. sugar
- 1 egg
- 4 tablespoons molasses
- 1 tsp. salt
- 2 c. flour
- 2 tsp. soda
- 1 tsp. cinnamon
- 1 tsp. nutmeg
- 1 tsp. cloves
- 1 tsp. ginger

Mix in order named. Roll into balls the size of walnuts. Roll in granulated sugar. Bake in 350 degree oven for 12 min.

A few drops of vinegar in the water in which you wash ash trays will remove the tobacco smell.

### PLAIN CAKE WITH TOPPING

Bake a white cake mix in a loaf pan then top with whipped topping to which you add 3/4 cup drained crushed pineapple. Top with candied cherry.

# STATE CAPITAL Highlights AND Sidelights

AUSTIN--Gov. John Connally's sudden cancellation of plans to go to Japan and Viet Nam this week added a note of tension to the Austin scene. Connally's statement indicates that he sees the possibility of a special session of the Legislature on congressional legislative redistricting or voter registration.

"We are awaiting federal court decisions on the poll tax, congressional redistricting and House redistricting, any one of which could cause action on my part within the next few weeks," Connally stated.

If federal judges throw out either congressional or house reapportionment acts of the 59th Legislature -- without specifically allowing additional time for redrawing lines in regular session -- Connally may have to call a hurry-up session before the early 1966 filing deadline.

Should the federal courts invalidate the poll tax as a voting requirement, Texas could be left without a voter registration procedure. This, too, could make a special session necessary on short notice.

Hearing on the attorney general's suit attacking the poll tax is not until mid-November. Judges already have heard arguments on redistricting challenges, however, and rulings could come at any time.

Connally also made clear he fears defeat of key constitutional amendment proposals in the Nov. 2 election and plans an all-out personal campaign on behalf of four-year-terms for statewide officials.

## ENROLLMENTS UP

More students than ever before have enrolled in Texas colleges...and most institutions are bulging at the seams.

Average enrollment increase among the 22 state-supported colleges and universities in the

state is 13.8 per cent. Stephen F. Austin College in Nacogdoches had the largest increase at 34.9 per cent. Arlington State College's 2.9 per cent was the smallest.

University of Texas' population increased 2,229 this year, representing a percentage increase of only 9.3. This is 4.3 percent below the state average.

Average increase among the 32 public junior colleges reached 26.9 per cent. Cisco Junior College's 59.8 per cent increase leads all others. Smallest increase was the 2.1 percent recorded by Laredo Junior College.

Largest recorded increase among independent senior colleges and universities was the 30.9 per cent at Bishop College, Dallas. Sherman's Austin College enrollment fell of 2.5 per cent.

## AG OPINIONS

Atty. Gen. Waggoner Carr has ruled the Civil Rights Act of 1964 isn't applicable to rules and regulations of Texas A&M University regarding discrimination by sex.

Also, Carr said the Board of Directors of the school has the right to issue rules and regulations making the University either an all male school or coeducational.

Carr said the present policy of the Board to exclude women because the applicants aren't wives or daughters of staff members or students, or widows or daughters of deceased staff members, is discriminatory and constitutes unreasonable class distinction.

Rulings were in response to a request by H. C. Heldenfels, president of the Board of the Texas A&M University system.

In another opinion, Carr ruled that the issuance of a state warrant for the payment of an honorarium to a United States employee delivering a commencement address at the University of Houston would violate the state constitution.

## OIL PRODUCTION INCREASED

Texas Railroad Commission has cranked the November oil production allowable up to 30 per cent of potential. It's a high mark for the year.

Commission, recognizing recommendations of 10 out of 13 oil purchasers, set production for next month at 2,976,361 barrels daily. This compares with 2,944,109 barrels for October under 28.8 per cent formula and 2,884,856 for November, 1964, under 28.4 per cent factor.

## SOLDIERING--

Draft quotas have doubled and local boards no longer are as liberal in deferment policies for students.

Col. Morris S. Schwartz, state Selective Service director, still is recommending deferment of undergraduate students enrolled for 12 or more semester hours.

A student is recommended for deferment only if there is enough evidence to prove he is making progress toward his bachelor's degree in four years, or in five if the degree requires additional study, Schwartz said.

A student may take even less than a full load if he is able to complete his college training in four or five years.

Col. Schwartz said draft headquarters would not recommend deferment of students tak-

ing less than nine hours.

Those who drop out of school carry less than the full academic load, or are placed on scholastic probation, can expect termination of deferments.

About 450 Texas doctors have been ordered to take required physical examinations by Texas draft boards as part of anticipated calls for doctors, dentists and veterinarians to enter active armed forces duty in January.

At the present time, only those born in 1937 or later will be affected.

## COMMUNICABLE DISEASE

As the state's population increases, the number of communicable disease cases increase. Gonorrhea accounts for more illness than any other disease plaguing the state's inhabitants, says the State Department of Health and this year's total tops last year's by almost 1,000.

Strept throat is second behind gonorrhea, in the number of cases each year. Only last week, 631 cases were reported, as compared with 759 cases of gonorrhea. Syphilis is third, with 140 cases noted last week.

## BUSINESS BOOMING

Texas retail sales for August totalled nearly \$1,300,000,000. This is a record for August, seven per cent above August 1964. So states the UT Bureau of Business Research.

Bureau reported "General optimism" for a high sales level throughout 1965. Christmas shopping season volume is expected to top the 1964 record

by five to 10 per cent. Automobiles, major items of household equipment, color television sets and other leisure goods are major contributors to the sales boom.

## ILLNESS STRIKES GOVERNOR

Flu confined Gov. Connally to his bed all last week.

On advice of his doctor, he cancelled speeches in El Paso, Paris, Houston and Dallas. He's taking no chances on a relapse, since he is scheduled to leave the country for Japan and Viet Nam on a State Department-sponsored tour for governors late this month.

## SHORT SNORTS

State Securities Board last week granted ten applications for permits to sell \$6,321,298 in securities in Texas, according to Securities Commissioner William M. King.

## TEXAS BUYS PLANE

State is buying, for \$85,000 a used, 11-passenger twin-engine airplane for use of the governor and other state officials.

Legislature this year appropriated \$275,000 for purchase of the plane and allotted another \$150,000 to maintain it. But Connally elected to save money and invest in a time-tested used model which has been completely reconditioned and equipped with latest safety and communications equipment.

of play and the stop of Holt (61),

BY MIKE READ

About a year ago, the hapless Longhorns from Lazbuddie provided the only bright spot on an otherwise dull year of football at Hart. Hart's always-fighting Longhorns picked up that very-welcome 1964 Homecoming victory at the expense of the Lazbuddie crew.

But the 1965 Lazbuddie Longhorns are a far cry from the 1964 version, and they showed Friday just how far they have come as they powered past an improved Hart team to hand the Hart Longhorns a 48-0 defeat.

The loss at Lazbuddie leaves Hart winless this season, but it gives Lazbuddie a 2-3 record -- with losses to strong teams from Sundown, Wilson, and Happy.

Lazbuddie pushed seven touchdowns across the goal line during the course of the game, and most of them were on explosive plays for long yardage. But explosive or not, Lazbuddie controlled the game.

During the first half, Lazbuddie picked up four touchdowns and had one scoring play called back on a penalty. Three of the touchdowns were on runs of 22, 40 and 14 yards -- the last score coming on the last play of the first half.

Lazbuddie picked up 183 yards on offense during the first half, all of them on the ground. And during the first half, the Lazbuddie defense was limiting the Hart team to 34 yards on offense -- equally divided between running and passing.

Lazbuddie scored once in the first quarter, three times during the second and three times during the final period of play.

Larry McKay began the game by kicking off to the Lazbuddie 10-yard line, and Lazbuddie's Gary Matthews returned the boot to the 39. The Hart defense yielded only three yards,

and Hoppy Jennings punted 17 yards to the Hart 41.

Hart managed only seven yards on three plays, and David Smith punted to the Lazbuddie 30-yard stripe.

Putting the ball in play from their own 32, Lazbuddie turned to Terry Parham. Parham picked up the first first down of the game by running 51 yards to the Hart 17.

Craig Schumann boomed through to the 2-yard line for another first down. On third down, Lazbuddie quarterback Tim Foster moved in from the half-yard line for the TD. Jennings kicked the extra point try wide to leave the score 6-0.

Larry McKay returned the Lazbuddie kickoff 12 yards to the 32. Hart could gain only four yards before Doug Martin punted to the Lazbuddie 34.

David Smith caught Lazbuddie quarterback Foster for a five-yard loss back to the 29. A penalty on the next play moved the ball up to the 43, and Parham fumbled on the following play.

Smith recovered the ball on the Lazbuddie 38, but Hart could gain only a yard before Martin punted to the 10. A penalty moved the ball back to the 43. Martin punted again, getting the partially-blocked boot down to the 29. A penalty moved the ball up to the 32, and Martin was trapped back at the 38 as he was trying to pass.

Lazbuddie took over on the 38, and Schumann fumbled at the 46 and Hart got the ball.

Martin lost to the 48 and then passed to George Edd Bennett for a first down at the 31. Four plays later, Lazbuddie took over on the 34.

The Hart defense held, and Jennings punted to the Hart 35. Smith gained two yards, and Martin picked up the first down on the 48.

W. A. Hawkins III broke loose into Lazbuddie territory, and a play moved the score to 14-0. Joe Quirk first down at the 44.

Two plays later, the handoff gave Lazbuddie the ball at the 47, and Schumann moved forward about six yards.

On the next play, Schumann broke loose across the goal line for a potential TD. A penalty on the next play moved the ball to the 23. Three plays later, Schumann moved forward and Parham broke through for 22 yards for a first down.

This time, Schumann was good, and Lazbuddie led with 3:00 left.

Martin returned the kick 16 yards to the 39, and gained to the 43 on the next play. Parham fumbled on the next play to Lazbuddie.

Foster was limited to a three-yard loss on the next play. Parham broke loose for 40 yards up to the 43, and Jennings kicked the extra point good, and Lazbuddie led with 1:40 left.

Smith returned the kick 15 yards to the 48, and a play netted no yards. Parham dropped back and was blocked. Parham's own punt at the 48 was downed by a horde of Lazbuddie players.

Lazbuddie took over on the 48 with 12 seconds left in the half. On the next play from scrimmage, Schumann burst through the defense for a score. Jennings kicked the extra point good, and Lazbuddie led 14-0 at the half.

back on the 30. Martin passed to the Lazbuddie 45, but the receiver there was Lazbuddie's Gary Matthews -- who returned the intercepted ball to the Hart 31.

With fourth and five, Matthews went up the middle to the 17. And then Schumann blasted up the middle for the score. Jennings' kick was blocked by David Harris, but Lazbuddie had a 33-0 lead with 7:25 left in the game.

Hawkins returned the kickoff 18 yards to the 33, but Jennings intercepted Hawkins' first-down pass at the 40.

Hawkins fired through to nab quarterback Foster for a 16-yard loss back to the Lazbuddie 44. Schumann moved the ball back into Hart territory at the 50, and Smith spilled Matthews back at the Lazbuddie 46 -- and forced Lazbuddie to punt.

David Brooks fielded the ball on the 15 and returned it to the 21. But Hawkins jump pass over the line was intercepted by Lazbuddie at the 37.

Martin spilled Matthews for a one-yard loss, but then Schumann boomed his way around end for 38 yards and the touchdown, except for the penalty which moved the ball back to the 43 -- the second TD for Lazbuddie called back on a penalty.

The Hart defense stiffened and held -- breaking up two long passes -- and Hart got the ball on the 40.

Hawkins passed to Larry McKay for 15 yards to the Lazbuddie 45 and a first down. Hawkins' next pass a jump pass over the o

over the line -- was intercepted and returned to 48. Lazbuddie again began practicing their aerial attack. Foster passed to Bobby Morris on a play good to the Hart 35 and a first down. Then he passed to Jennings for the touchdown.

Jennings passed to Morris for the extra points -- and Lazbuddie took a 41-0 lead with 2:24 left in the game.

McKay returned the kickoff 19 yards to the 34. David Brooks picked up a first down at the 49. David Rice moved the ball to the Lazbuddie 49 -- with 39 seconds left. Brooks moved to the 44 and Quiroz went to the 41 -- inches shy of the first down -- with 6 seconds left in the game.

Lazbuddie got the ball by throwing Gary Rambo for a three-yard loss -- with 4 seconds left in the game.

On the last play of the game, Foster threaded his way 56 yards for a touchdown. Jennings' kick was good, and Lazbuddie's game-ending burst left them with a 48-0 victory over Hart's Horns.

Doug Martin took the kickoff and returned 16 yards to the 38. W. A. Hawkins took over the quarterbacking chores for Hart, and, on the second play from scrimmage in the second half, he passed to David Smith for a first down at the 48.

But then the Hart drive ground to a halt at the Lazbuddie 47. Smith dropped back and punted to the 33. Smith's 14-yard punt was the only Hart punt in the second half.

Bennett spilled Gary Matthews for a five-yard loss, and the Hart defense forced Lazbuddie to punt. Hawkins fielded the ball on the 23 and returned 24 yards to the 47.

Hart moved the ball to the Lazbuddie 45, and a penalty provided the first down on the 30-yard line. Hawkins picked up another first down -- on a fourth and inches need situation -- by moving the ball to the Lazbuddie 17.

This drive marked the first -- and the only -- time during the game that the rock-hard Lazbuddie defense allowed Hart to penetrate the 20-yard line.

Hawkins passed incomplete, Martin lost a yard, Bennett gained back to the 17 and Hawkins -- rolling back trying to pass -- was dropped at the 23 to end the only serious Hart threat of the game.

Seven plays, one first down and one penalty later, Hart had stopped Lazbuddie at the 30. And the Hart defense had stopped Lazbuddie's explosive offense for the entire period.

But then -- trying to rally -- the Hart eleven found themselves suddenly beset by a rash of fumbles and intercepted passes and slippery Lazbuddie backs.

Hawkins missed the punt and had to chase it down on the Hart 33. Three plays and a penalty had the Hart gridders

## Meet The Teachers ...

Teacher introductions this week come from Mrs. Barsha Carter and Donald Ewing, both junior high instructors at Hart.

Mrs. Carter teaches seventh and eighth grade English, and doubles in high school speech, while Ewing coaches junior high athletics and also teaches junior high science.

Mrs. Carter, who graduated from West Texas State University in 1963, is sponsor of the eighth grade and the junior high pep squad.

Ewing is also an eighth grade sponsor.

Originally from Taos, N.M., Mrs. Carter graduated from high school in Dalhart.

While in college, she was a

member of Alpha Delta Pi sorority, Alpha Psi Omega Fraternity, the Buffalo Masquers, and the Canterbury Club.

She lists as hobbies china and oil painting and theatre work.

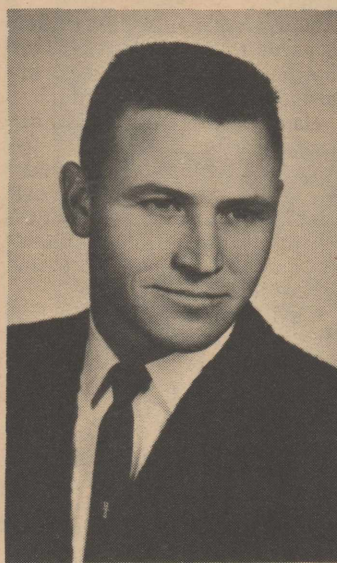

Her husband is an insurance adjustor in Plainview, and they are members of the Episcopal Church.

Ewing lists Tulia as his home town, and graduated from high school there. He graduated from West Texas State in 1962.

He and his wife have one daughter, Donna Carol, 19-months, and belong to the Baptist Church.

## PTA Program

### Set Nov. 8

The first Hart PTA program with students participating will be held Nov. 8 at the Hart elementary school.

Third grade classes taught by Mrs. Irene Cheatham and Mrs. Betty Stephens will present a short operetta, "The Boy Who Wanted Two Drumsticks", for the group.

Mrs. Margaret Rambo, music teacher for Hart Schools, will direct the musical part of the event, which concerns Thanksgiving.

## ONE YEAR AGO IN HART

The Hart Longhorns locked horns with the Lazbuddie Longhorns here Friday, and Hart's homecoming was enhanced with the first victory of the season. Prior to the game, Rene Brooks, Hart Cheerleader, was crowned Homecoming Queen. Longhorn co-captains Tommy Morrison and Harvey Sullivan presented crown, bouquet and sash to the new queen.

With a victory to spur them on, the Hart Longhorns travel to Bovina this week to tangle with the Mustangs. Bovina's Mustangs are likely to prove themselves very rough competition indeed.

High on the list of homecoming activities last week at Hart High School were a couple of crownings -- Homecoming Queen and Bon Fire King. The HHS Pep Squad elected football co-captain Gary Heller to the kingly position.

### VISIT GODFREYS

Mr. and Mrs. Ralph Higdon of Amarillo visited Sunday in the home of her sister, Mr. and Mrs. Carl Godfrey.

### IN PLAINVIEW

Mr. and Mrs. Robert Brooks were in Plainview Sunday in the home of their son and family, Mr. and Mrs. Bob Ed Brooks, where they celebrated Mrs. Robert Brooks' birthday.

### VISIT ARMSTRONGS

Mrs. Bobby Brooks of Plainview spent Tuesday in the home of her parents, Mr. and Mrs. J. P. Armstrong.

## Freshman Class Meeting Held

The freshman class of Hart High School met to discuss what to have for the Halloween Carnival. They decided on the "Animal Pull".

Elected to the decorating committee were Linda Bailey, Vicki Hankins, June Leonard, Phil Davis, Richard Murray, and Joe Quiroz.

Committee to set up the animals include Nancy Reed,

Rebecca Futrell, Lewis Heck, Tony Miller, Tony Martinez, Jackie Fincher, Randy Alford and Brenda Armstrong.

Sign committee is composed of Bobbie Ethridge, Cathy Sharp, Ina Featherston, Iona Clevenger, Sandra Lacy and Reba English.

Iona Clevenger, president, presided at the meeting.

## Three Years Ago In Hart

The Hart Longhorns will face the difficult task of stopping some of the best backs in Class B. football this Friday evening when Bovina invades Hart stadium.

Harold Bob Bennett, fifth grade, took first grand prize in the poster contest at Hart Schools last week during Fire Prevention Week. Mike Armstrong, also in the fifth grade, took second grand prize.

Regular meeting time for Hart teen town recreation center is 7:30 to 11 p.m. Friday nights. The center will be open after the ballgame Friday night with the Scepters, a band from Plainview, scheduled to play for the teenagers.

The Hart Volunteer Fire Department answered three calls last week. A combine caught fire on the Jimmy Ray Davis farm earlier in the week. A second fire was answered Thursday morning when a car belonging to Ed Bennett caught fire in front of the Methodist Church. The third was a call to the Taylor Sewell farm where a house caught fire.

## Tide's Plow-Down Program

In The Fall Of 64...

Made You Money This Season

### ASK YOUR NEIGHBOR:

If he followed Tide's Plow-Down Program last fall he will tell you it made him money. Lower application costs, higher production, maximum efficiency and production in a farming operation.

### NOW IS THE TIME:

As soon as possible after combining, shred stalks and apply TIDE'S prescription blend fertilizer to get maximum decomposition of the stubble and bring your soil nutrient level up to its needed point.

And to take advantage of the soil conditioning effect brought on by the decomposition of your grain stubble--use TIDE Bulk Fertilizer NOW. Put down part of your Nitrogen, all of your Phosphate and Potash now and have all of the needed nutrients available to your PLOW-DOWN fertilizer program. See your nearest TIDE representative.

### TAKE THE GUESSWORK OUT OF YOUR OPERATION:

TIDE will test your soil and (or) analyze your plant tissues FREE of charge. Then a prescription fertilizer can be blended specifically for your farm.

### NOW WITH TRACE ELEMENTS:

TIDE'S Prescription Blended Fertilizers now contain proven trace elements. Available Sulphur, Sulphate of Potash and Magnesium and still at competitive prices. The BEST in blended fertilizers to aid you in producing highest possible yields.

### ON YOUR TURN ROW STORAGE:

Only TIDE can give you the convenience of bulk service at the field . . . with no handling, 4,000 lb. spreaders filled in minutes with high analysis, prescription blended fertilizer . . . no time lost in "ROADING" equipment. Fertilizing at its peak of efficiency for efficient growers who desire to reduce operational costs.

Don't pack your soils -- use standard size spreaders furnished by TIDE Products. By using small spreaders and our "on-YOUR-farm" bulk storage you can reduce this soil compaction problem. Efficiency at its peak in the fertilizer field -- spreaders filled in minutes on your own turn row from TIDE'S Bulk storage; no wasted time "ROADING" spreaders to and from the field. See your local TIDE representative.
