PTA Supper Set Saturday

One pie or \$1..... This is the contribution each Hart parent is being asked to make to the PTA-sponsored supper set Saturday night in the school cafeteria.

Proceeds from the supper will be used to pay for playground equipment now in use on the school grounds.

PTA leaders have stressed that donations are being sought from both members and non-members of the PTA.

Parents are asked to have either the pies or the money at the cafeteria by 2:30 p.m. this Saturday. Serving will start at 5 p.m.

Coffee, pie and cold drinks will be served until the Halloween carnival closes at 10:30 p.m.

Carnival will get underway at 7 p.m. in the school gymnasium.

Along with a booth by each class, the carnival will offer bingo, dominoes and a cake walk.

Gary Hart Shows Lambs

Gary Hart, son of Mr and Mrs. Joe Percy Hart, took two Southdown lambs to Dallas to the State Fair earlier this month.

The lambs, named Matt and Buddie, placed 15th and 21st respectively in a class of 59 Southdown lambs.

Judge was Myron Hillman, of Manhattan, Kansas.

Gary and his father flew to Dallas for the fair. The youngster is a fifth grade student here and has been in 4-H work for two years. He raises Southdown and Hampshire lambs.

School Carnival Will Highlight Hart Halloween

Officials of Hart Public Schools have asked that all citizens of the Hart community observe Saturday, Oct. 30, as Halloween in Hart.

Highlight of the night will be a PTA supper in the school cafeteria, followed by a carnival at the school.

The supper will start at 5 p.m. and last until the carnival begins at 7 p.m.

Coffee and pie will continue to be served in the cafeteria by the PTA until carnival closing time at 10:30 p.m.

SURPRISE, GIRLS! — Mrs. Johnny Hawkins and Mrs. Jeff Smart don't really seem too enthusiastic at the presence of the camera. Both were guests at an early morning "come as you are" coffee at the home of Mrs. Sammy McGill this week. The event, sponsored by the Zealot Club, was attended by 19 persons.

'Horns Go To Vega To Seek First Win

Hart's Longhorns make a long trek north Friday night to tackle another set of Longhorns, this time the Vega variety.

Still seeking their first win, the Hart squad sees little but deepening gloom settling over the Hart crystal football. Vega leads the District 1-B race in games won for the season, and is thus far undefeated in conference play.

And last week while Hart was dropping its seventh consecutive game to Bovina, 35-0 the Longhorns from Vega were upsetting highly rated Happy, 41-0.

The Vega team holds down a 5-1 record for the season, and leads scoring in the district with 181 points. The total is 51 points greater than the next closest club, Happy, the unhappy victim of last week's encounter.

The Vega 'Horns are as stingy in the defense department as they are liberal in the offense category.

They lead the league both in season and district statistics so far, allowing 36 points for the season, and eight in conference play.

Meanwhile, Hart has allowed 275 points for the season, while picking up a meager 38 points for the season.

Big problem for the Hart club will be five Vega backs, all equally adept at picking up points.

Johnny Haliburton, Vince Barclay, Kenny Purcell, Lester Kirland and Lee Cramer have all crossed the scoring stripe for the Vega squad, with

Cramer doing most of his work by the booting method.

Last week, Cramer kicked five extra points in six tries. And the miss was his first of the season.

Purcell is the punt and kickoff return specialist for the Vega team. In the same game last week, Purcell picked up two touchdowns, one a spectacular 88-yard kickoff return. The long return came after a moderately spectacular 60-yard effort.

Favorite running spot for the Vega club seems to be the ends, with all but one of their touchdowns against Happy coming on long end sweeps.

Hart Cemetery Fund Drive Gets Underway

Directors of the Hart Cemetery Fund have started the yearly drive for upkeep on the Hart Cemetery.

Area residents are asked to contribute money normally spent for sending Christmas cards to friends locally to the fund.

All persons interested are asked to send donations to the Farmers State Bank, and persons are asked to make checks payable to the Hart Cemetery Fund.

City residents drew a pointed reminder from Mayor E. E. Foster and city council mem-

bers on cleanup of vacant lots within the city this week.

The council reminded residents that lot owners are required to cut weeds and grass and remove rubbish and trash from city lots under an ordinance passed in July.

The council also reminded residents that under provisions of the ordinance, if lots are not cleaned up, the city may undertake the job, then fix a lien upon the property for the expense involved in removing weeds, grass, rubbish and/or trash.

Negligent owners may also face a fine up to \$200, with each day of a continuing violation of the ordinance constituting a separate violation.

Council members also said if the occupant of any lot, lots or premises falling under the ordinance should be a corporation, the president, vice president, secretary, treasurer, or manager, agent or employee of the corporation may also be liable for the penalties involved.

The council said enforcement of the ordinance was becoming a necessity since dry grass, weeds and rubbish in some vacant lots were becoming a fire hazard for nearby buildings and fences.

Hart School Honor Roll Is Released

The first six weeks honor roll for Hart High School and Junior High has been released.

Seniors on the A honor roll were Doug Martin, Rene Brooks and Anita Rubalcaba. Junior on the list were Rosemary Carter and Sherilyn Morrison, sophomore was Davis A. Harris, and freshman was Iona Clevenger.

Eighth graders on the A list were Paul Armstrong, Harold Bennett, Sheila Gardenhire and Ruth Harris, and seventh graders were Joan Dudley and Denise Lowrey.

On the all A's and one B list in high school were Retta Henderson, senior; Rosemary Lee and Susan Walker, juniors; David D. Harris, sophomore, and Reba English, freshman.

Junior high students on the B honor roll were Terry Newman, Andy Rogers, Barbara Hansen, Pam Shive and Belva Carter, all eighth graders.

SOPHOMORE CLASS OFFICERS—Officers of the sophomore class at Hart are Pam Houston, secretary; Linda Shive, vice-president; Mandy Rogers, president; Patricia Richburg, treasurer, and Danny Rice, sergeant-at-arms. Not pictured is David Brooks, reporter.

STATE CAPITAL Highlights AND Sidelights

AUSTIN—State attorneys are set to make a hard-nosed defense of the Texas poll tax law now under federal court attack.

Pre-trial conferences in the suit were held quietly here and in San Antonio last week (Oct. 21.) Trial date has been postponed from mid-November to Dec. 1, in order to allow both sides more time for preparation.

Assistant Atty. Gen. Hawthorned Phillips scheduled a flight to Washington this week to take a deposition from U. S. Atty. Gen. Nicholas Katzenback in effort to show that Katzenback once testified before Senate Judiciary Committee that Texas' poll tax is not discriminatory toward Negroes.

In view of late trial date and certain appeals to U. S. Supreme Court regardless of initial ruling here, the three-judge trial court issued a statement in affect advising Texas who want to be sure they qualify to vote in state and local elections next year to pay their poll taxes.

Leaders of massive poll tax drives just now getting under way already had concluded there was no other safe course.

Outlook now is that if repeal is ordered, first major state and national elections affected will be those of 1968.

WORKMEN'S COMP RATE

State Insurance Board staff has recommended revised workmen's compensation rates that will result in average re-

duction of 2.9 per cent for Texas employers.

Rates for some of 600 categories will advance, others will be substantially slashed. Overall effect is a decrease. Same rating formula produced a 2.3 per cent increase last year. Board Chairman Wn. Hunter McLean concluded that the industrial safety record of Texas businesses has improved.

Board Thursday (Oct. 21) held public hearing on the recommended slash, which would reduce premiums about \$4,500,000 next year.

AG RULES

Atty. Gen. Waggoner Carr cleared the way for state participation in two federal welfare programs.

In one opinion, he held that State Department of Public Welfare can pay out of federal allocations cost (estimated at \$5,000,000 a year) of training adults to become self-sufficient.

In another, he said Department can set up advisory committees, with state agency employes as members, and pay their travel expenses out of federal allotments when they are working on such federal programs as day care services for children.

Other rulings by Carr held that:

*Department of Public Welfare may make a contract with a private insurance company for the protection of the trainees on various projects and pay for the premiums with money from the

Economic Opportunity Act of 1964.

*A substitute member of a joint board appointed by the Interstate Commerce Commission is not a federal employe and he may receive his salary for his services as an examiner for the Texas Railroad Commission.

*No license is required for a beauty shop at the rest home operated by Order of Easter Star for retired members.

*Mixed fertilizers must be registered prior to distribution, but those falling below minimum chemical content (less than 24 per cent of nitrogen, phosphorus or potassium) can not be registered.

*Dallas County school trustees are not liable when school buses are used for extracurricular activities under outlined procedures.

*Jefferson County auditor's maximum salary is \$15,000, with a minimum of \$1,200 allotted for his service to special districts.

COLLEGE BOARD MEETS

During its second meeting, the new Coordinating Board, Texas College and University System, unanimously endorsed proposed constitutional amendments to create \$85,000,000 student loan fund and to boost state property tax five cents for building purposes at 17 institutions.

Board also heard report that public junior colleges face potential financial crisis due to a 35 percent jump in enrollments and fixed level of appropriations.

Members certified adequate financing is in sight for new higher education programs approved by Board's predecessor agency and gave clearance to a million dollar repair program for 1966.

They further agreed to participate in the new federal program to establish regional technical services and accepted job of administering the higher edu-

cation facilities (building aid) act.

Board will meet again Nov. 15.

APPOINTMENTS
Gov. John Connally named Dr. Noble Price of Lamesa and Dr. William Kenneth Thurmond of Fort Worth to State Board of Health. He reappointed Dr. Hampton C. Robinson, chairman, to another term.

Dr. Price succeeds Dr. Vance Terrell of Stephenville and Dr. Thurmond succeeds the late Dr. Gus Pinkerton of Tyler.

Dr. Richard M. Botard of Kingsville and Dr. Kenton R. Fickes of Houston have been appointed by the Governor to the State Board of Veterinary Medical Examiners. They succeed Dr. Max Pachar of Orange and Dr. Victor L. Kothmann of Mason.

Al Ramirez, Mayor of Edinburg, is Connally's choice for Deputy Director of Migrant Programs in the Texas Office of Economic Opportunity. He will coordinate all migrant-related programs under the Economic Opportunity Act.

Victor B. Fain, publisher of the Nacogdoches Daily Sentinel, was named a member of the Texas Commission on Indian Affairs, succeeding the late W. R. Beaumier, publisher of the Lufkin Daily News.

Three members reappointed to the Board of Regents of Lamar State College of Technology, are Garland Shepherd and J. B. Morrise of Beaumont and A. H. Montague of Orangefield.

Edwin N. McKay of Waco has been named Legislative Director for the Texas Farm Bureau. He is charged with coordination of state and national legislative activities of the Bureau and policy development of its training programs.

Texas Hospital Association appointed Spencer Guimarin of Austin as director of its \$12,000,000 health careers program designed to recruit youngsters into health service.

State Bar of Texas named Walter C. Holloway IV of Dallas as its assistant general counsel.

BEAUTIFICATION ACT STUDY

Lt. Gov. Preston Smith, concerned with security of federal highway funds for Texas, asked the Legislative Council to make a study of the new Federal Highway Beautification Act.

Act would control outdoor advertising and junkyards along highways and provide for landscaping and scenic enhancements. States failing to comply by Jan. 1, 1968, would be penalized in federal aid allotments.

About 17,500 miles of interstate and federal-aid primary highways in Texas are affected by the law. Smith asked the Council to determine effect on city zoning ordinances and type of new state legislation needed to comply.

RAIL CAR SHORTAGE

A critical shortage of rail cars confronts the West Texas grain harvest areas, reports Agriculture Commissioner John White.

White said top officials of three railroads assure that priority is being given to sending new hopper cars to the loading areas.

Cabbage is very plentiful right now and inexpensive at the market. A cabbage slaw is nice to use with pork which we tend to cook more often this time of year.

PINEAPPLE SLAW

- 3 c. cabbage
- 1 c. pineapple tidbits (drain)
- 1 c. apples (unpared and diced)
- 1 c. miniature marshmallows
- 1/2 c. celery, chopped

Combine all ingredients and toss with sour cream dressing—

DRESSING

- 1 c. sour cream
- 1/2 c. vinegar
- 1/4 c. sugar
- Dash salt and pepper

APPLESAUCE BREAD

- 2 c. flour
- 1 tsp. baking powder
- 1 tsp. salt
- 1 tsp. soda
- 1 tsp. cinnamon
- 1/2 tsp. nutmeg
- 1/2 c. butter or shortening
- 3/4 c. sugar
- 1 tsp. vanilla
- 1 c. applesauce
- 2 eggs
- 1/2 c. walnuts

Sift all dry ingredients except sugar together, cream butter, add sugar, creaming well. Add vanilla and eggs and beat well. Blend in dry ingredients mixing thoroughly. Add applesauce and chopped nuts. Mix only enough to blend well. Pour batter into loaf pan that has been greased. Push batter into corner of pan leaving the center slightly hollowed, allow 20 minutes before baking. Bake at 350 degrees for 60 minutes. Cool thoroughly before slicing.

1965 Cotton Loan Program Is Explained

Castro County ASCS Committee has approved cotton loan clerks located at gins, banks, cotton warehouses and offices of cotton buyers to assist cotton producers in the preparation of Form - A Cotton Loan documents.

The preparation of Form - A Cotton loans is the same this year as in past years. However, the handling of the documents after being prepared has been changed beginning with the current crop.

When the Form - A Cotton loan has been prepared, money may be received by check from the loan clerk or gin or from the ASCS office by bringing or mailing the loan documents to the office.

Loans for cotton which is mortgaged to Farmers Home Administration must come to ASCS office for disbursements of funds. If the cotton is produced on a farm by a tenant and the landlord has a share in the cotton the loan must be made jointly to the tenant and the landlord. This will apply in any case when more than one person owns a share of the cotton being pledged as collateral for the loan. Joint loans must be signed by each person having an interest in the cotton or may be signed for the landlord by the tenant, if such tenant has on file in the ASCS office the required "Power of Attorney" form.

Cotton loan clerks will not accept signatures of agents unless presented with a copy of the Power of Attorney form.

Most "Power of Attorney" forms for agents that are on file in the ASCS office are not sufficient for signing cotton loans and farmers are urged to contact the ASCS office, prior to obtaining a loan if they intend

to sign as an agent.

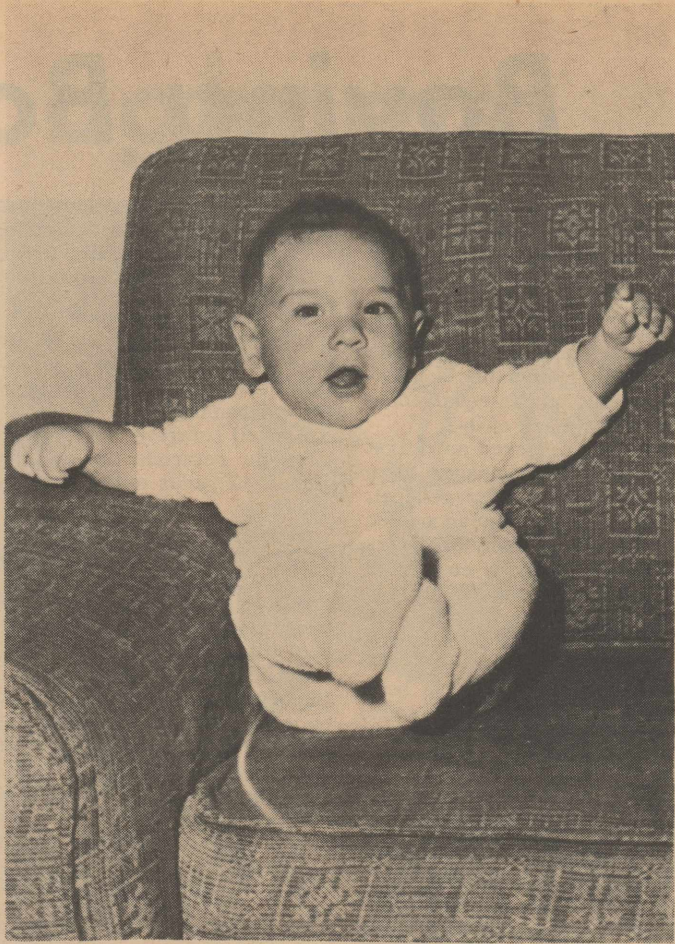

An agent for a producer who has a copy of the "Power of Attorney" form with form number and date in the upper left corner showing "ASCS-211,2-2-62" has the authority to sign cotton loans as an agent. Those with other form will have to have this new form executed. The forms may be obtained from ASCS office.

If there is a lien against the cotton, it must be waived before the loan clerk approves the loan. This may be obtained by having the lien holder sign the waiver on Form-A or by obtain-

ing the signature on a separate form, CCC-679 and taking this form along when obtaining the loan. All lending agencies have been supplied with this form.

Producers will not receive a copy of the loan document at the time of preparation, but will be mailed a copy after the loan forms are received in the ASCS office.

Warehouse receipts and cotton loan documents will be held in County ASCS offices until July 31, 1966, which is loan maturity date and may be repaid at the office anytime prior to maturity.

Bovina Batter

Two teams kept their district records perfect last Friday, when Bovina's Mustangs downed Hart's hapless Longhorns, 35-0.

Bovina now stands 3-0 in the district race, and the 'Horns possess an unenviable 0-3 district record and an equally dismal season mark of 0-7.

The Ponies racked up 21 first downs to Hart's meager four, and the Bovina field general, Scotty Rundell alone accounted for almost as many yards as all the Hart backs combined.

Rundell twisted, tossed and turned for 133 yards, while seven Longhorn backfield men accounted for 162.

The score might have been worse, but the Bovina squad collected a whopping 110 yards in penalties, and one 65-yard touchdown run was called back because of a miscue.

Rundell started the scoring barrage at the end of the first quarter, when he plunged 1 1/2 yards for a tally to cap a 72-yard scoring march the second time the Ponies held the ball.

Rundell also added two extras on a 1 1/2 yard conversion run.

Halfback Carl Harris then picked up the first of two tallies in the second half on a four-yard run, and 216-pound tackle Roman Ramirez added the extra via the kicking route.

Then Bovina once more took possession, this time on the Hart 29, after a fake kick and run by Larry Huston failed to pick up a first down for the Longhorns.

Fullback Dean Stanberry capped that drive with a 1/2 yard smash up the center.

Harris added his second tally late in the third period on a one-yard scoring knock, and Jerry Roach passed to Rundell for the conversion points.

Stanberry added the final six points in the fourth quarter on a six-yard dance.

And while Bovina's offensive unit was having a field night, the boys on the defensive crew had almost as good a record.

Led by Ramirez, tackle Eddi Corn and guard Don McKinney, the Mustang defense allowed the Hart squad on the Bovina side of the field but once, and that the first time the Horns had the ball.

On that particular series, 'Horn fullback David Smith recovered a fumble on the Bovina 45, and the Hart squad drove to

the Mustang 31 before Smith lost the ball on a return fumble.

Other than that series, it was a long, long night for Hart backs.

The only time the ball penetrated the Bovina half of the field was on punts, and those didn't always work to the Longhorns advantage.

Rundell started the action when he returned the opening kickoff 10 yards to his own 30-yard line.

Stanberry immediately picked up 15 additional yards on the next play, and moved the ball another yard before halfback Alan Carson lost the pigskin which Smith recovered.

Sophomore halfback David Brooks advanced the ball a yard to the Bovina 44 for the 'Horns and W. A. Hawkins III picked up four more on the next play.

Smith was stopped at the line of scrimmage on the next play and it looked as if the 'Horns would have to punt.

But Larry Huston took the snap and rambled nine yards and a first down on the play.

Then the Bovina defense stiffened and Hawkins made no gain and Smith fumbled to give the Ponies the ball again.

End Bill Caldwell pounced on the loose ball at the Bovina 27, and Stanberry moved the ball to the 29, when Harris took over.

Harris took the ball to the 40 and a first down. An offside infraction pulled the ball back to the Bovina 35, but Harris was up to the occasion and rambled 65 yards for a touchdown.

But the ol' penalty bug was still with the Mustangs, and the play was nullified, moving the ball back to the Bovina 38.

Stanberry ran into a little more trouble on the next play when he bobbled a pitchout, and barely managed to pounce on the pighide at the 36.

Rundell then took over and moved the ball to the 42. Harris picked up another three yards, and Rundell moved the ball for the first time into Hart territory, finally being pulled down at the Hart 42.

George Edd Bennett broke through to stop Rundell for no gain on the next play, but Harris jogged nine yards on the following call, just short of a first.

Doug Martin and Larry Parker teamed up to frustrate Stanberry on his first down try, but Rundell took over on fourth down and picked up the single yard needed.

Then Rundell scampered 26 yards before finally being pulled down by Bennett on the five.

He bulled his way to the Hart 1 1/2 on the next play, then broke over for the touchdown.

Ramirez' boot for the extra was no good, but a penalty against the Longhorns gave the Ponies another chance, and Rundell ran the ball in for extras on the second try.

Ramirez booted the kickoff to the Hart 13 and Larry McKay returned to the 31 to set up the Hart offense.

Martin then took to the air for the first time, connected with Hawkins at the 38.

But Hawkins made no gain on the next play, and Martin overthrew Parker on the third down try.

Huston's boot rolled dead at the Bovina 43, and once more the Mustang offense was back in business.

Stanberry managed to get the ball for one last play before the quarter ended, but Smith and

Parker teamed stocky little fullback

Billy Bob Bell on the following Jerry Roach for loss, and a moved the ball vina 28.

END OF BOVINA GAIN—Halfback Scotty Rundell stops short after being hit by Hart defender W. A. Hawkins III. However Rundell picked up seven yards and a first down on the play, which came midway in the fourth quarter.

After the half, Hart seemed to be trying out the Bovina brand of offense.

After W. A. Hawkins returned Ramirez' kick from the end zone to his own 12, Smith bulled his way to the 21, and a penalty moved the ball to the 26 and the second Hart first down of the game.

Martin then moved the ball to the 33 and Smith picked up two more before an incompleated pass by Martin set up a kicking situation.

But once again the waiting Bovina secondary was doomed to disappointment at Huston ran on the fake kick, and picked up another first down.

There Hart's luck ran out, however, and three success at-tempts netted the 'Horns but a single yard, and Huston was forced to perform a real kick. The effort was the last ser-

ious effort by the Hart squad on offense, and the 'Horns managed to pick up only one other first down.

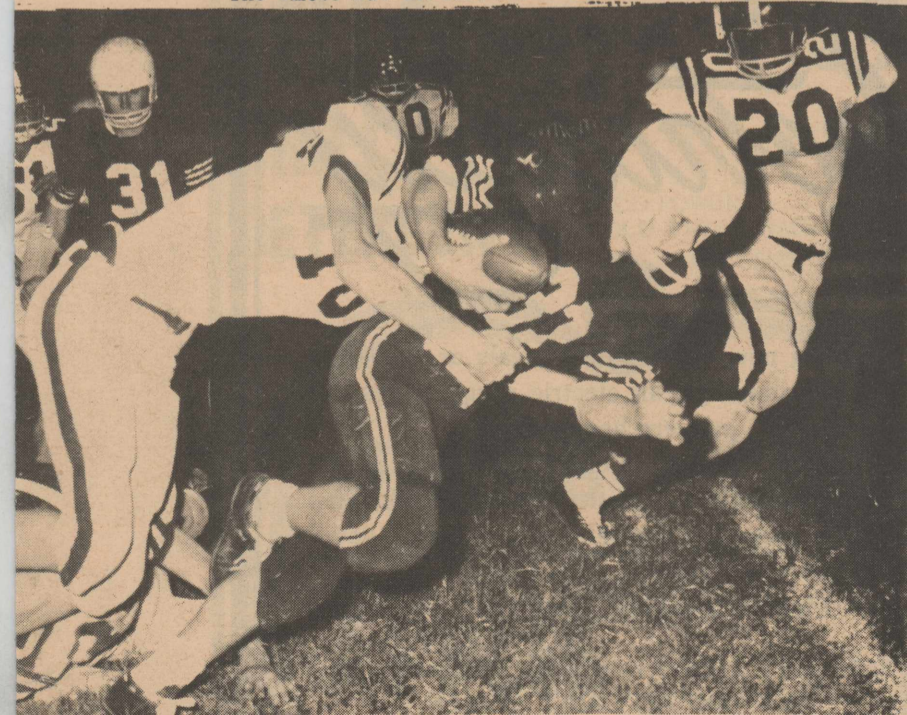

That one came after Harris scored his second touchdown late in the third stanza.

McKay returned the kickoff from the 12 to the 27. Then Smith advanced the ball to the 29 and Hawkins took it to the 30.

For some reason, Bovina declined a penalty on the Hart squad, and Hawkins advanced the ball within inches of a first down when he carried the ball the the 36 1/2.

Martin decided he had nothing to lse on the next play and he went for the first down and made it by about a foot.

But there the streak ended. Martin ran once for no gain, and on the following pass at-tempt, Bovina center Billy Marshall intercepted the ball.

LONGHORN—Longhorn halfback W. A. Hawkins III drives for a six-yard gain in the Hart-Bovina encounter. Trying to stop Hawkins' progress is back Jerry Roach, while halfback Carl Harris (20) comes up to assist.

Grain Sorghum Group Announces New Service Men

In a major expansion of its membership service program, the Grain Sorghum Producers Association today announced the addition of two field service representatives. In recognition of the increased problems being brought about by the rapid changing of production and mar-

keting patterns in both the North Plains and South Plains, the new representatives are being established in the heart of each area rather than in the headquarters office, according to Elbert Harp of Abernathy, president of the organization.

Rudie Tate is being named as North Plains representative and will be headquartered in Dumas and Y. F. Snodgrass is being named the South Plains representative to be headquartered at Abernathy according to Bill Nelson, executive vice-president of the farmer supported commodity group.

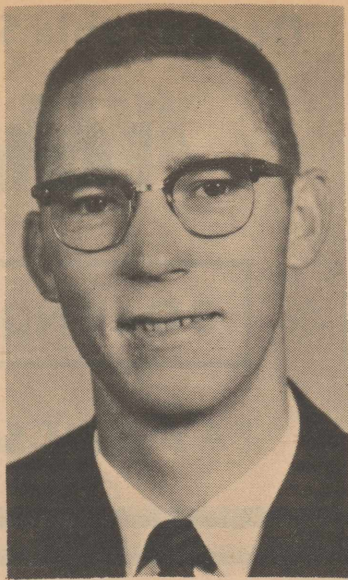

Nelson said that each of these individuals are highly qualified with experience and education for their respective assignments.

Snodgrass attended Texas Tech College School of Business and from 1955 to 1963 was the field man for the High Plains Underground Water District and has worked with farmers throughout the South Plains in developing improved irrigation practices and water conservation methods. He will continue to operate his grain and cotton farm in Hale County.

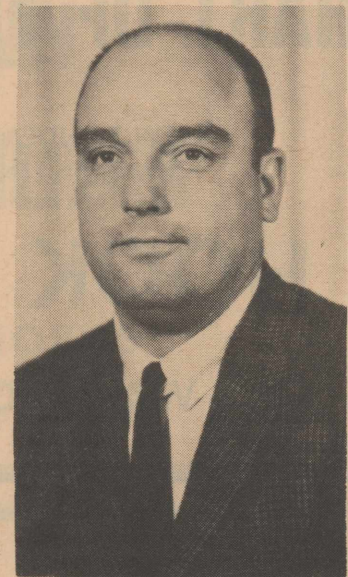

Tate until recently was county agricultural agent with the Texas A&M Extension Service in Dallam County at Dalhart and previous to that was assistant agricultural agent for Moore County in Dumas after graduating in animal husbandry from Texas Tech.

Nelson pointed out that the Association is pleased to be able to announce this expanded membership program in order to be of assistance to local groups such as County GSPAs, Young Farmers Associations, Chambers of Commerce Agricultural Committees, and others conducting activities effecting the future of grain sorghum in the respective areas.

He said that the need for such service is exemplified on the North Plains as shown in Sherman County where the acres of grain sorghum expanded from 51,000 in 1960 to 70,000 acres in 1965, as well as a yield per acre increase from 49 bushels per acre on a County-wide av-

RUDIE TATE

Y. F. SNODGRASS

erage to an expected 85 bushels per acre this year making the total production of grain sorghum increase from 1.9 million bushels in 1960 to 6.1 million bushels in 1965, in this one county alone. This change in production has brought corresponding problems on the farmer, in the market place, and in government policy which the Association has been effective in coordinating for a stronger position for grain sorghum.

Tips Offered To Avoid 'Little' Auto Accidents

Little auto accidents that cost plenty but never get into the reported statistics account for two thirds of all our accidents. They are especially common in parking lots, driveways and on narrow neighborhood streets.

According to Changing Times, the Kiplinger magazine, odds are that in the next five years you will have one auto accident serious enough to report and two of the little ones, too minor to report.

The serious one will cost no more than the deductible amount in your insurance coverage; the two little ones could cost you almost twice as much and many times the annoyance. What can you do to avoid the toll? This month's issue offers these five tips to help you recognize and avoid little accident hot spots:

In parking lots, be lone. Park away from the crowd when you can. The extra steps help protect your car from abrasion and impact. The stray grocery cart is a prime offender, but door-banging from a closely parked neighbor is another annoying problem.

Get it off the street. Considering the protection from vandalism, hit-and-run damage and theft, a garage pays off. When you must leave you car on the street, don't park too close to other vehicles and get as near the curb as possible. Try to park on a street with little traffic and near a street light.

Watch the back in front. The rear-end collision is common and not so minor anymore. Remember that the vehicle in front can come to an extremely fast stop.

Leash the kids and pets. Children and dogs in cars are a leading cause of accidents where the traffic is dense. Buckle a child's safety belt and cage or chain the animals whether on a long trip or driving in town. One other word of advice is to watch out for kids or pets in the car, even if they're in the car ahead.

Keep out of tight corners.

Give other cars, busses, trucks all the time and room they need. Drivers to steer clear of include the motorist who's lost and trying to feel his way along.

"At best, the small accident is annoying, inconvenient and an unplanned expense, reasons enough to stay alert and avoid it," according to Changing Times. "But the best reason of all is that the accident that starts out small doesn't always end that way."

And here we go with Medicare, looking forward to many, many ailments previously beyond our means. --Changing Times.

Dimmitt Man West Texas Is Speaker Museum Coffee For Lions Set Friday

The Lions Club met Oct. 25 at noon at Alford's Cafe.

Bill Hawthorne, guest speaker from Dimmitt, gave a talk on the meat industry.

Guests present were Jack George and Claude Ray.

Members present were Ernest Martin, Joe Bailey, T. B. Cox, O. D. Dinwiddie, Norman Dudley, Ed Harris, Kenneth Lambert, Stewart Newsom, Bill Rich, W. T. Sanders, Kenneth Warren, DeWayne Brown, John Holloway and Andy Gardenhire.

Child Suffers Broken Arm

David Warren, son of Mr. and Mrs. Lyndall Warren, broke his arm after a fall while playing at school last week.

The boy was taken to the hospital in Amarillo and is back in school this week.

A treat is in store for residents of Olton, Littlefield, Hale Center, Hart, Earth, Morton and Floydada Friday if they attend the "Know Your Museum" coffee and program at the West Texas Museum in Lubbock.

The coffee begins at 10 a.m., followed by a special program by Mrs. Russell Bean in the museum auditorium.

"Modern Religious Prints", a circulating exhibition from the Museum of Modern Art, will be on display in the museum auditorium. "Handicrafts of the South Pacific" will be shown in the rotunda gallery. A collection of "Barbed Wire and Branding Irons" remains on display in the art gallery.

The "Know Your Museum" coffee will give individuals an opportunity to visit and become familiar with their own area museum, which is a state-supported institution, Mrs. James Spears, chairman of the mem-

bership committee of the Museum Women's Council, said.

Interested persons have been asked to contact their friends to organize a group to attend the coffee.

The museum is open free to the public Monday through Saturday from 9 a.m. to 5 p.m. and Sundays from 2-5 p.m.

MRS. AVORY ADAMS is shown above with one of her dolls and wardrobe. Mrs. Adams has made wardrobes for 30 dolls since January.

DOLL DISPLAY—Shown above are dolls and outfits made by Mrs. Avory Adams. Dolls have been purchased by ladies of Hart Methodist Church and others.

Dolls, Dolls More Dolls

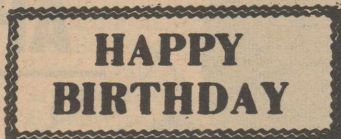

A new doll on Christmas morning is the dream of most little girls.

For 30 such young ladies at the Children's Home in Waco, the dream will be a reality this year, thanks to a group of Hart citizens, including the ladies of the Hart Methodist Church.

Mrs. Avory Adams of Hart, who has been confined to bed in traction with arthritis, has made complete outfits of clothing for 30 dolls since January.

These dolls and their wardrobes have been purchased by the ladies of the Hart Church and others and will be sent to the home in Waco in time for Christmas.

The Adams family lives east of Hart, where he farms. The couple has two married sons, one in Plainview and one in Amarillo, and five grandchildren.

PUBLIC NOTICE

TAKE NOTICE that on the 26th day of July, 1965, the City Commission of the City of Hart, Texas, duly adopted Ordinance 25 of the City of Hart, Texas, being an ordinance requiring weeds and grass to be cut upon premises within the city limits of Hart, Texas, and requiring that rubbish and trash be removed therefrom; fixing a penalty for failure to comply with such ordinance, and providing that same shall be done by the city in the event of such failure and providing for the fixing of a lien upon the property for the expense incurred in removing said weeds, grass, and/or rubbish and trash; declaring that allowing weeds to grow and trash and rubbish to accumulate to be a public nuisance, all in accordance with the provision of Article 4436, Revised Civil Statutes of the State of Texas, defining a violation of said ordinance as a misdemeanor and providing a penalty upon conviction of a fine not to exceed Two Hundred and No/100 Dollars (\$200.00) and providing that each and every day's violation shall constitute a separate and distinct offense, and providing that in case the owner or occupant of any lot, lots or premises under the provisions of said ordinance shall be a corporation, and shall violate any provision of said ordinance, the president, vice president, secretary, treasurer of such corporation, or any manager, agent or employee of such corporation shall be also severally liable for the penalties provided.

PASSED AND APPROVED on the 26th day of July, A. D., 1965.

APPROVED:

E.E. Foster

Mayor

TEXAS NEEDS THE 4 YEAR TERM FOR BETTER STATE GOVERNMENT!

- Enables our governor and other officials to concentrate on the complex problems facing Texas.
- Eliminates forcing our statesmen to spend almost half their time running for office (39 other states already have the 4-year term.)
- Makes possible increased effectiveness and influence for Texas leadership in national affairs.
