## Hart Readies For Homecoming

Hart High School's Homecoming--1965 version--unreels Friday night at the school, topped off by the football contest between Hart and Texline.

Activity will actually begin Thursday, when students in High and Junior High School observe Western Day.

Following the Junior High football game with Vega at 6:30 p.m. the same day, cheerleaders will lead a pep rally at a bonfire for the High School squad.

Homecoming Queen for 1965 will be crowned at the half-time of the game between Hart and Texline. The three nominees for the honor are Donna Daubert, Charlene Moses, and Martha Sharp.

A reception for the exes will be held following the game in the school cafeteria.

HOMECOMING QUEEN HOPEFULS--Nominees for the title of Homecoming Queen--1965 were named this week. Pictured, left to right, are Charlene Moses, Donna Daubert and Martha Sharp.

### 'Horns Will Test Texline

While neighboring Nazareth travels to Vega in a clash of District 1-B powers, in a deciding game of the district race, another pair of teams meet in Hart Friday night to fight out another type of contest.

This one is to see who will in all probability wind up on the bottom of the same district contests.

Extra incentive for the Hart team will be the fact that this Friday is Homecoming on the Longhorns' stomping grounds, and the game will probably be the last chance the 'Horns have to pick up a win.

Another reason the thin squad has to top the Tornadoes is last year's score, a 20-0 affair with the Texline squad coming out on the long end of the score.

But after viewing the optimistic side of the picture, thoughts turn to the other side, and things don't seem quite as bright.

For the season, Hart opponents have been rolling up points at the rate of 39.5 a game, while the Hart squad has managed to average just less than five.

In district competition, the record is even worse, with opponents picking up 42 points on the average, while Hart has collected a 3.5 points per game mark.

To top all that, the Longhorns will be operating without the services of two, and possibly three, of the starting backfield members.

W. A. Hawkins III, who missed the Vega game because of a broken hand last week will probably also miss this week's contest as well, and halfback Joe Quiroz, who suffered a leg injury in the first quarter of the Vega contest, will be out for the rest of the season.

## Vote Goes With State

Hart and Castro County residents went with the state in state amendment votes Tuesday with the exception of one.

While the state voters were rejecting amendment No. 2, to increase the veterans' land fund, Hart voters voiced approval of the measure, as did Nazareth and Castro County voters as a whole.

In the rest of the voting, Hart, Castro and state voters approved Amendments No. 1, No.

3, No. 5, No. 6, and No. 8.

Amendment No. 1 allows a five percent increase in ad valorem taxes for use in college and university building funds, No. 3 approves matching funds with Federal government for aid to needy persons, No. 5 approves a new system for handling the Texas State Teacher retirement fund and appointment of officers of the fund, No. 6 approves loans to college students, and No. 8 provides for compulsory re-

tirement of state court judges at age 75, and also provides for removal of judges from office in case of disability.

The two Nazareth districts just north of Hart, however, disagreed with the state trend.

Nazareth voters rejected the college building fund amendment, and approved three other amendments which were rejected on the state level.

Amendments approved by the two district were No. 2, which was the veterans land fund increase; No. 7, which was to allow tax exemptions from certain state taxes for hospitals which contributed as much as \$150,000 a year for medical aid to indigent persons, and No. 4, which would have given the top state officials four-year terms instead of two-year jobs.

Two amendments, No. 9 and No. 10, were rejected by Hart, both Nazareth districts, Castro County and the State.

The first, No. 9 would have allowed the legislature to set the salary of the Lt. Governor and the House Speaker, and also give an increase in pay to state legislators, while No. 10 would have given four-year office terms to state representatives.

## Hart Teachers Visit Dimmitt For Workshop

Hart school teachers will attend a reading workshop in Dimmitt Nov. 13.

Purpose of the meeting is to teach new methods of teaching reading.

Topics listed on the program include the use of instrument training in elementary and secondary schools, developing listening skills, developing study skills and comprehension power building.

Also among the topics listed is the visual memory approach to spelling and vocabulary improvement.

Specialists in each field will present the programs in special meetings.

TWO SPOOKS--Above are a couple of the spooks who turned out for the Halloween carnival Saturday night. A PTA supper was one of the attractions of the evening.

## Third Graders To Presents PTA Program

P. T. A. will meet Nov. 8 at 8 p.m. in the school gymnasium. The program, "Developing A Community Climate for Education" will be presented by the third grades.

Teachers of the third grades are Mrs. H. L. Cheatham, Mrs. Max Stephens and Mrs. Hazel Rigdon. There will be a film shown by Mr. Cheatham.

GRAB BAG BOOTH--Shown above is the grab bag booth at the Halloween carnival Saturday night at Hart school. A total of 15 booths were presented.

**KITCHEN KORNER**

The holidays are all coming closer to us at quite a rapid pace and our thoughts just naturally turn to cakes, candies and heavier foods.

With Thanksgiving but three weeks away it makes me wonder if in the last few years we haven't neglected to take this day and set it aside to give thanks for all our good fortune, good health and bountiful crops. It seems as if more and more people every year drop this custom which is one of our many Early American customs handed down for years.

**CINNAMON APPLESAUCE SALAD**

- 1 pkg. Cherry Jello
- 1 c. applesauce
- grated cheese
- 1 -- 10¢ pkg. red hots
- 1 c. hot water
- 1 c. cold water

Dissolve red hots in 1 cup boiling water, add to jello. Then add 1 cup cold water and the applesauce. Let set until ready to use. Cut into squares. Serve on lettuce leaf with grated cheese sprinkled on top.

**HAYSTACK CANDIES**

- 1 pkg. caramels
- 1 c. angel flake coconut
- 3 T. cream

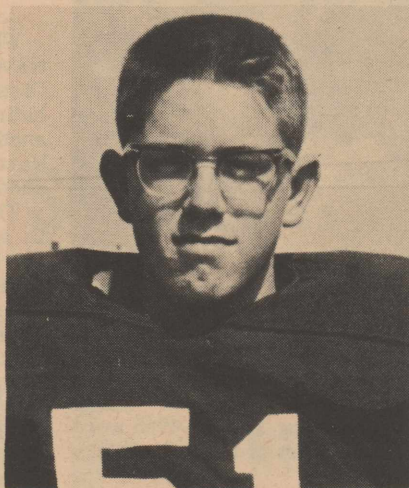

Melt caramels and cream together in double boiler. When melted, add 1 cup coconut and stir well. Drop by teaspoon on waxed paper, let stand until hard.

Tom Vestal of Plainview and the mothers of the Brownies and Girl Scouts.

Those present were members of troop 158, with Mrs. Kenneth Covington as leader; troop 404 with leaders, Mrs. James Kennedy and Mrs. Jack Dyer; troop 333 with leaders, Mrs. Arthur Cheves and Mrs. Orvil Friday; and troop 47, with leaders Mrs. Leonard Welty and Mrs. Clarence Kerns.

## C. B. Landers Honored For 50th Anniversary

Mr. and Mrs. C. B. Landers were honored on their 50th wedding anniversary Oct. 31 in Fellowship Hall of the First Methodist Church.

Miss Debbie Landers, a granddaughter, registered 150 guests.

Refreshments of cake, punch, coffee, mints and nuts were served from a table covered with a white cloth under pink net and centered with a fall floral arrangement. A silver coffee service completed the arrangement. Assisting in serving were Mrs. Burt Mardis and

Miss Jan Landers, both of Muleshoe and granddaughters of the couple.

An original poem, written by Mrs. Doris Hess of Amarillo, Landers' sister, was recited at the reception.

Out-of-state guests were Mr. and Mrs. A. J. Dieter, of Vancouver, B.C.

All seven of the couple's children were present. They are Paul Landers, Austin; Charles Lee Landers, Westminster, Calif.; Vernon Landers, Garden Grove, Calif.; Jimmy Dale Landers, Westmin-

ister, Calif.; Bob Landers, Huntington Beach, Calif.; Boyd Landers, Muleshoe; and Mrs. Joe West of Earth.

### CORRECTION

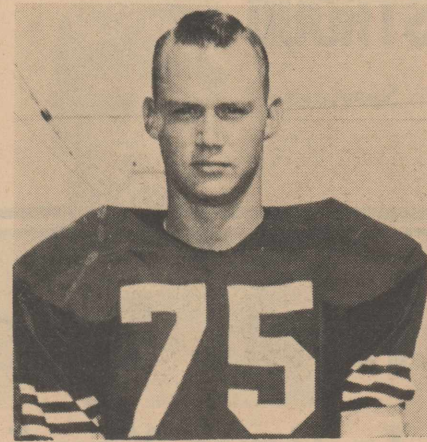

An article in last week's paper about Christmas dolls failed to note that Mrs. Mable Aven dressed four of the dolls and furnished much of the material for the dolls' clothing.

### CARD OF THANKS

I wish to thank all the workers and those who donated to the PTA supper which was a success. Everyone did their part so well. Also wish to thank all my committee workers who were so faithful to help me.

# S & H FARM AND RANCH SERVICES

Box 202

Canyon, Texas

Mr. Landowner:

The farm program passed by the 89th Congress, among its many provisions, permits the sale or lease of cotton allotment acreage across county boundaries under certain conditions.

S & H Farm and Ranch Services, basically an organization interested in farm and ranch sales and loans, offers a service in connection with the sale/lease or purchase/lease of cotton allotments.

This service will operate on the same "ask and bid" principle as used by Merrill Lynch-Pierce-Fenner & Smith, Inc. in "over-the-counter" sale of stocks and bonds.

We will be ready to service and close transactions immediately after the referendum, required by the Act of Congress, passes in this county.

Your local representative, whose signature appears below, can explain the mechanics of this service we offer to you.

Vote and be prepared to act the day after the referendum passes in your county.

## Drama Set At Wayland

PLAINVIEW -- "Little Mary Sunshine," the first production of the 1965-66 school year, is being presented by the drama and music department at Wayland Baptist College, Plainview.

The musical comedy will be at 8:30 p.m., Nov. 5; at 8 p.m. Nov. 6 and 12; and at 1:30 p.m., Nov. 13. All seats are reserved. Tickets are \$1.50 for adults and 75 cents for students. Seats may be reserved by calling CA 4-5521, Ext. 79, in Plainview, or by writing the speech department at Wayland College.

Nov. 5, the musical will be presented in conjunction with the week-long International Relations Conference, following the climactic banquet. Nov. 13 an afternoon matinee performance will be a part of the activities for College Preview Day.

Jerry P. Watson, instructor in speech, who directed last year's musical Homecoming hit, "The Fantasticks," is to direct this production. William A. Vessels, associate professor of music, is musical director.

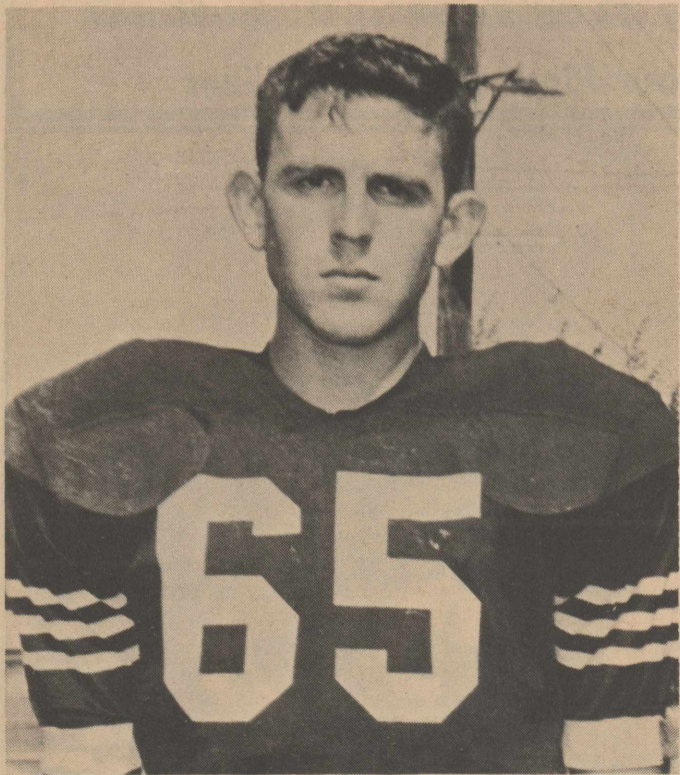

## Warrens Host Oct. 29 Party

Mr. and Mrs. Lyndall Warren were hosts for a Halloween party Oct. 29 from 6:30 to 9 p.m. honoring their children Cathie and David.

After a wiener and marshmallow roast, games were played.

This was a special meeting and consisted of a Call to Prayer and Self-Denial. Mrs. Edd Bennett led the program and was assisted by Mmes. Howe Parker, Douglas Gossett, Bob Bennett and Jeff Smart.

Mrs. W. A. Hawkins Jr., president, conducted a business session prior to the program.

Following the program, salad luncheon was served to all present.

Guests present were the Rev. Douglas Gossett, the Rev. E. H. Phillips of Anton, Ed Bennett, E. E. Foster, and Bill Bell.

Members of the society present were Mmes. Willis Hawkins Sr., W. A. Hawkins Jr., Ed Harris, Ed Bennett, Hubbert Maples, Mable Aven, Howe Parker, E. E. Foster, Douglas Gossett, Bob Bennett, Jeff Smart and C. B. Landers.

The next meeting took place today at the Earth Methodist Church. This was the fall district meeting.

## Sixth IRC Set At Wayland

PLAINVIEW -- Dean of the United Nations correspondents, Alexander Gabriel, has accepted an invitation to speak at the climactic International Relations Conference banquet Friday, at Wayland Baptist College, Plainview.

The banquet gets underway at 6:30 p.m., in Slaughter Memorial Center on campus. Tickets to the event are \$1.75 a person and must be purchased by 5 p.m. Thursday. The area people will be able to make reservations by calling CA 4-5521, Ext. 52, in Plainview, then picking up the tickets before the banquet.

"World Peace -- Western Europe" is theme for the IRC which opens Monday. Conference personalities coming to give emphasis to Spain and the Netherlands are: Luis Jordana, First Secretary, Embassy of Spain, Washington, D. C.; Marcelino Fernandez, Consul of Spain, Houston; and J. C. Beekman, Consul General of the Netherlands, Houston.

Officially opening the sixth IRC is the Thursday evening reception for the dignitaries at 8:30 in Home Life Building.

## Tech Meets New Mexico

LUBBOCK--Texas Tech well in the running for the Southwest Conference title, takes on non-conference foe New Mexico State in Jones Stadium at 7:30 p.m. Saturday.

Each team helped its alumni celebrate homecoming last weekend. Texas Tech blasted Rice 27-0, and New Mexico State triumphed over Eastern New Mexico University 41-6.

Warren Woodson, whom Tech teams have faced many times in the past--at Hardin-Simmons and Arizona--has long been considered one of the leading offensive tacticians in the nation. Now, he's come up with a stingy defensive eleven. In fact, his Aggies kept the West Texas Buffaloes, until then undefeated, from scoring any points on the attack in a 10-2 victory at Canyon.

Texas Tech, second only to Arkansas in the SWC race, abandoned its formula of winning just the close ones, by scoring twice in the first quarter against Rice as 43,355 fans watched last week. In the process, however, the Raiders lost linebacker-placekicker Kenneth Gill to a knee injury.

Plenty of reserved seats remain on sale for the New Mexico State Contest. Tickets are also being sold for Tech's other home game, with Baylor Nov. 13.

# Vega Slaughters

Vega's Longhorns picked out another song in their continuing series of Panhandle hits concerning District 1-B -- Friday night's version coming out to the tune of Vega 41, Hart 0.

Halfback Kenny Purcell and quarterbacks Vince Barclay and Johnny Haliburton all played their own particular version of musical havoc with the Hart squad during the evening.

The result was a 20 point outpouring in the first stanza, with single tallies in each of the remaining periods.

Another quarterback, Lester Kirkland, also added a few hot football licks, and fullback Tommy Wells did the toe-tapping duties for the Vega eleven by booting five extra points in six tries.

Purcell started the whole affair, tripping 14 yards for the first Vega score. Haliburton had earlier set up the series of plays leading to the first marker on the scoreboard when he swiped a Doug Martin aerial on his own 20.

Wells added his first extra point on the point after play.

Then, only five plays later, Haliburton took a Hart punt on his own 45 and raced untouched for the second Vega score. This time Wells was not quite as lucky, and his boot went awry.

Shortly before the quarter ended, Purcell once again took the pighide in his capable hands, and after 230-pound tackle Jerry O'Conner threw a key block, headed toward the Hart goalline on a 55-yard touchdown romp.

Ever-present Wells once

more added the extra.

In the second quarter, things picked up for the Hart combo, and they racked up three first downs before a last ditch try by George Edd Bennett ended up a yard short of a first down on the Vega 10.

Once more the Vega crew cranked up its football machine and this time took only three plays to grind out another Vega football fan favorite.

The key play was an aerial from Barclay, who was standing on the 50, to Haliburton at the 32. Haliburton then raced to the end zone marker.

Near perfect Wells once more booted a single-pointer on the conversion try.

When third quarter action started, it was same song, fifth verse.

Barclay lost the ball when Larry Huston pounced on a fumble at the Hart 32, but Ronnie Ringle returned the favor three plays later when he latched on to a loose pighide formerly belonging to Bennett at the Hart 20. Barclay then made up for his earlier miscue with a 20-yard run for goalline grass.

Wells added his, ho hum, fourth extra point.

The final tally of the game came early in the fourth period when Kirkland rambled 29 yards for six and Wells once again hit the goalpost bullseye.

Early game plays seemed to indicate a heartier Hart offensive threat, after the Longhorns picked up Purcell's first period fumble.

HALFBACK—Kenny Purcell, Vega halfback, rounds left end on his way to a 31-yard run to the midfield stripe midway through the second quarter of action in the Longhorn game.

...y inched the ball... Bennett drove five... crashed to the 25... and new life... Richardson set

halfback Joe Quiroz back to the 30, and carries by Bennett and McKay managed to move the ball only back to the 27.

It was then that Haliburton made his swipe of the Martin pass.

A face-mask grabbing penalty on the Hart squad moved the ball from the Vega 20 to the Vega 35, and Purcell advanced the ball to the 43 on a play that saw Quiroz leave the game for good with a leg injury.

A pass from Haliburton to Richardson moved the pighide to the Hart 28, and a run by wingback Gayle Koeninger cut the distance to the goalline in half.

Purcell then made his first paydirt scamper.

The next serious move by the Hart squad was at the beginning of the second quarter, when Bennett returned Wells' kickoff to the Hart 39.

A penalty on the first play moved the ball back to the Hart 35, and Doug Martin's pass attempt to McKay fell short.

Halfback David Brooks netted no yards when he bobbled the ball on the third down.

Larry Huston's kick rolled to the Vega 35 before Purcell returned it 11 yards, with a penalty on the Vega squad gave Hart another chance with the ball on the midfield stripe.

Hart seemed to take heed of lady luck's new found smile, and Martin rolled to the Vega 45, then Bennett took the ball to the 40 before another penalty wiped out both efforts and set the ball back at midfield.

Hart was not to be denied however, and fullback David Smith made up all the lost distance and 11 extra yards on the next play when he went to the Vega 29.

A first-down pass attempt by Martin fell short, but Bennett decided to keep the streak going by slamming through for four more yards to the Vega 25.

Martin picked up another pair, and Bennett once more went four for the first at Vega's 19.

Smith took the ball to the 15 and Bennett added another yard before Koeninger broke through

to drop Smith for a two-yard loss.

Bennett made up the two on the next play, but his next ball carrying chore died at the 10-yard stripe, a yard from the needed first down.

A nonchalant stroll across the field by an unconcerned dog provided a brief respite for the Hart fans from the sad tidings coming from the field in the third quarter.

But other than the pooch's walk there was little for Hart fans to be happy about.

TOUGH GOING—Vega quarterback Larry Kirkland finds the going a little rough with Larry McKay's death grip on one leg.

**Three Years Ago In Hart**

In recent weeks, Paul Kennedy, superintendent of Hart Public Schools, has become gravely concerned over the speeding of adults in Hart school zones. He reports that there are over 500 pupils attending classes daily in Hart schools and this large enrollment has created a traffic problem. When several hundred parents bring their young ones to classes, they seem to forget that there are speed signs and traffic laws. The 15-20 mph. zones go unnoticed.

Jim Coleman has recently been called as music and educational director of Edmonson Baptist Church. Rev. Herbert Row is pastor.

The Hart Junior High football team has finished the 1962 football campaign, compiling a record of two wins against four losses.

The Happy Cowboys and the Hart Longhorns meet this week in Happy. The Cowboys hold the lead in District 1-B and Hart is about as far as in the cellar as a team can be.

**ONE YEAR AGO IN HART**

Trans-Continental Telephone and Electronics, Inc. has announced the purchase of West Texas Telephone Company from the T. A. Singer family. West Texas Telephone Company which serves the Hart area, has headquarters in Dimmitt.

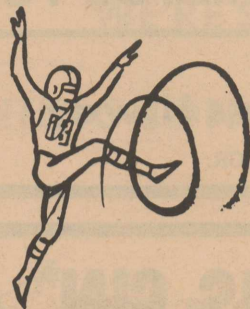

The Longhorns take to the road this week for the last and longest trip of the current football season—traveling to Texline to take on the Tornados.

Hart voters turned out in droves Tuesday, casting a total of 423 ballots in general election, and the results could all be summed up in one word—Democratic.

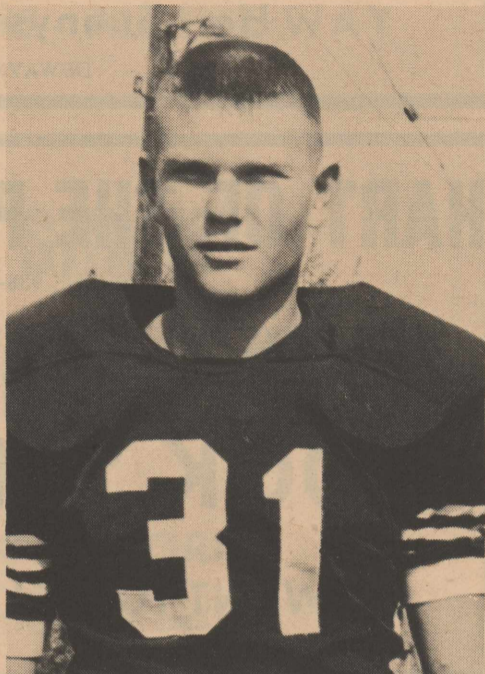

Some changes have been made recently around the old town—and they are changes for the better as far as traffic safety is concerned. New street signs have been installed in most of the necessary places.

Hart Junior Riding Club recently held 1964 finals with the following events: keyhole race, pole bending, barrel race, flag race and ring race. Trophies were given to the high point entries and ribbons were given to first, second, and third place winners in each event.

**Letter To The Editor**

Dear Editor:

Operation Christmas Cards. The only source of income the cemetery has is by contributions such as the operation Christmas cards and memorials to the deceased.

Now is the time to make a decision about sending Christmas greeting to local friends and neighbors!

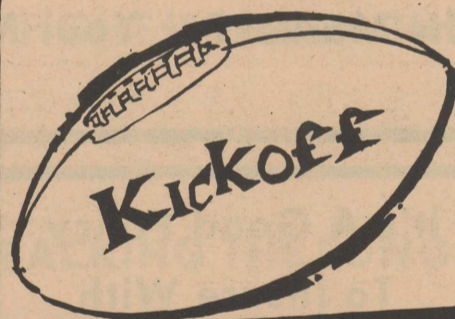

Instead of sending cards why not send the amount of money you would spend on local cards to the "Hart Cemetery Fund"?

Your names will be published in this paper in the form of a greeting and your friends will know you remembered them by your contributions to the "Hart Cemetery Fund."

Please send your contributions to the "Hart Cemetery Fund" in care of the Farmers State Bank.

Mrs. Ray Bennett was in Hale Center last week visiting Mrs. Bobby Wardlow.

## Bufs Last Home Game Is Saturday

**CANYON**---After winning its first five games, West Texas State will take a two-game losing streak into this Saturday's final home game of 1965 against Drake University of Des Moines, Iowa. The Bulldogs' record is also 5-2.

Although the Bufs dropped a 27-12 decision to Memphis State in Memphis last weekend, the coaches felt the team played pretty well overall and was mostly just "outhorsed."

Drake, just as have the five previous opponents of the Panhandle team, has an outstanding quarterback in Ron Royer. For the past five weekends, the West Texas State defense has had to contend with John Goodman of Arizona State, Les Obie of Trinity, Jon Henderson of Colorado State University, Sal Olivas of New Mexico State and Billy Fletcher of Memphis State. Royer's record ranks with any of the aforementioned group and he may be just as hard to stop. He has amassed 1,038 yards in total offense in seven games, 199 of which has been gained on the ground. His passing record is 51 completions in 98 tries, for 839 yards and seven touchdowns.

Buffalo quarterback Hank Washington hit 10 targets at Memphis to bring his season's total to 88, two more completions than former record-holder Jim "Corkey" Dawson of Borger had in 1960. Both Buff ends, Ted Wheeler and Roy Armentrout, surpassed the record for catches in one season against the Tigers. Wheeler now has 25 receptions

for 227 yards and Armentrout has 24 for 343. The record was 23 set by Bill Cross in 1950. Cross still holds the yardage mark of 456 although Armentrout needs only 114 in the final three games to shatter that mark.

One big thing the Bulldogs will have going for them this weekend is momentum while the Bufs will need to build some. Drake has lost only to Iowa State, 21-0, and Western Kentucky, 28-21, this season. Since they won their last five games in 1964 that means the Bulldogs have won 10 of their last 12. They handled Abilene Christian with ease, 24-7, last weekend, and as a matter of fact, all of their wins have been by at least 14 points.

Only in their opening loss to Iowa State have the Bulldogs been held to less than 17 points. Their average output is 20.7 compared to 18 for WTSU. Reports from Des Moines say the victory over Abilene Christian was "the Bulldogs' best game of the year." Fullback Ray Brown (437 yards rushing) and end Manley Sarnowsky (29 catches; 51 points) complement Royer very effectively and will certainly be a stiff challenge to the "Unfriendly Society," the WTSU defensive unit which was pushed about a bit in the recent defeats.

Another gloomy note in Canyon is the fact that Buffaloes lost two members of the Society to injury. Safety Steve Haterius suffered a dislocated shoulder and guard Marc Allen, who won the MVP award for his work against New Mexico State, received a broken bone. Both are probably out for the season.

### IN HOSPITAL

Mrs. T. U. Smith is in a Lubbock hospital this week for observation and will be there a few days.

## PUBLIC NOTICE

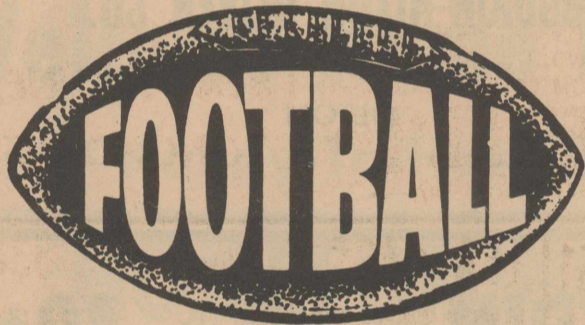

TAKE NOTICE that on the 26th day of July, 1965, the City Commission of the City of Hart, Texas, duly adopted Ordinance 25 of the City of Hart, Texas, being an ordinance requiring weeds and grass to be cut upon premises within the city limits of Hart, Texas, and requiring that rubbish and trash be removed therefrom; fixing a penalty for failure to comply with such ordinance, and providing that same shall be done by the city in the event of such failure and providing for the fixing of a lien upon the property for the expense incurred in removing said weeds, grass, and/or rubbish and trash; declaring that allowing weeds to grow and trash and rubbish to accumulate to be a public nuisance, all in accordance with the provision of Article 4436, Revised Civil Statutes of the State of Texas, defining a violation of said ordinance as a misdemeanor and providing a penalty upon conviction of a fine not to exceed Two Hundred and No/100 Dollars (\$200.00) and providing that each and every day's violation shall constitute a separate and distinct offense, and providing that in case the owner or occupant of any lot, lots or premises under the provisions of said ordinance shall be a corporation, and shall violate any provision of said ordinance, the president, vice president, secretary, treasurer of such corporation, or any manager, agent or employee of such corporation shall be also severally liable for the penalties provided.

Finishes New  
Major Project**

Southwestern Public Service Company construction crews have finished a major transmission line construction project, representing an investment of nearly \$1,500,000, designed to provide additional electrical power capacity for the Dimmitt-Hart area.

Two new transmission lines, a new interchange substation and rebuilding of an existing transmission line were the major projects in the improvement program.

A 115,000 volt line was constructed from Plant X, near Earth, to the new Castro County Interchange, seven miles west of Dimmitt. Eventually, this line will be completed from the new interchange station to Hereford and be an additional strengthening factor in local electric service in the future.

At the interchange station, the voltage is stepped down from 115,000 to 69,000 volts and the power is carried to Dimmitt on a new 69,000 volt transmission line, of H-Frame Construction. The transformer used to step-down the voltage at the interchange station can carry a load of 40,000 kilowatts, and virtually triples the amount of electric power that will be available to customers in the Dimmitt-Hart area.

The final step in the transmission line and interchange station phase of the new construction was the rebuilding of the 69,000 volt transmission line from Dimmitt to Hart. This power artery is now of H-Frame type construction, replacing the previous single pole wishbone type line.

In addition to the transmission work a new distribution substation was constructed at Hart and that community's distribution system rebuilt and major improvements were made to the distribution system at Dimmitt to complete the coordinated project.

"The electric load growth in Castro County has been one of the fastest throughout our company's 45,000 square mile service area. These new improvements which firm up our

Tascosa wheat was the top in yield with 69.4 bushels in the 1965 wheat variety test at the High Plains Research Foundation according to Loyd Langford; associate agronomist. This variety has been consistently high in yield for the past five years at Halfway. It has also been consistently high in baking qualities, Langford said.

Caddo and Bison varieties were not significantly lower than Tascosa in the 1965 test.

Seven wheat varieties tested in 1965 were: Tascosa, Caddo, Bison, Commanche, Improved Triumph, Kaw and Triumph.

The tests were planted Oct. 23, 1964, at a seeding rate of 100 pounds per acre and harvested June 23, 1965. All varieties received a fertilizer application at planting time of 125 pounds of 11-48-0 per acre and a topdress application of 46 pounds of nitrogen from ammonium nitrate on March 8, 1965.

A 6-inch post plant irrigation was applied Oct. 30 for germination. Irrigations during the growing season were applied at jointing, March 16; early boot on April 24; and when grain was milky, May 10.

Bronco oats was the top yielding variety with 98.7 bushels per acre in 1965 in a test of six varieties of oats at the High Plains Research Foundation. The oat varieties tested by Loyd Langford in 1965 included: Bronco, Cimarron, Alamo X, Alamo, New Nortex, and Mustang.

power sources and the ability to distribute that power when it reaches the local communities will make it possible for the area to grow electrically for many years, to come", Earl Brock, the electric company's Dimmitt-Hart manager, said.

The million dollar-plus improvement in the Castro County area is part of Southwestern Public Service Company's 1965 construction program calling for the investment of an additional \$24,000,000 throughout its service area.
