HART, CASTRO COUNTY, TEXAS, THURSDAY, NOVEMBER 11, 1965

NUMBER 18

QUEEN CANDIDATES—Homecoming queen candidates during activities Friday night arrived by convertible. Pictured left to right are Martha Sharp, Charlene Moses, and Donna Daubert. Miss Daubert was named queen of the 1965 version of the annual affair.

Hart Exes Gather For Homecoming

Texline spoiled Hart's annual Homecoming football game by the score of 20-0, but everything else came off as Homecomings should.

the highlight of the event, but halftime activities provided the main point of interest for many fans.

The Hart Shorthorns started the festivities off in the right mood Thursday by downing Vega 44-8, to end their season with a perfect record.

Following the game, cheerleaders Rene Brooks, Martha Sharp, Pam Houston and Linda Popejoy led the crowd to a bonfire and pep rally.

Thursday was also Western Day at the school, with the atmosphere of the Old West enlivened by the students' costumes.

Things got started a little earlier Friday, with a short parade led by the Homecoming Queen candidates in a convertible leading the way downtown. Once downtown, the cheerleaders once more got into the act by having another short pep rally.

The Texline-Hart game was

Senior captain Doug Martin placed the crown on Donna Daubert, and the senior Queen was given a bouquet of roses by senior Captain Larry McKay, and yet another senior captain, Billy Bob Bell presented her with the "Homecoming Queen" ribbon.

David Smith, the fourth captain of the group, escorted Miss Daubert to the center of the field for the ceremonies.

Martha Sharp, one of Miss Daubert's attendants, was escorted to the center of the field by McKay, and Charlene Moses, the other attendant, was escorted by Bell.

Following the game, exes gathered in the school lunchroom for a short coffee.

Mrs. Newsom, 63, Dies

Mrs. J. J. Newsom, 63, died at her home in Hart on Nov. 8 after a long illness.

Funeral services were conducted 2 p.m. at First Baptist Church with burial in Tulia Cemetery.

Mrs. Newsom was born in Rainbow, Tex., July 9, 1902, and was a member of the Baptist Church for many years.

She had served as church treasurer for 16 years, taught a Sunday school class, was president of the WMU, and had worked in the Training Union until her health began to fail three years ago.

Mrs. Newsom was married to Jess Newsom June 4, 1931, in Aspermont, and they moved to Hart from Tulia Oct. 25, 1935.

Survivors include her husband; one son, Stewart, of Hart; one daughter, Mrs. Frank Riley of Lubbock; a sister, Mrs. Dick Rigby of Lockney; four brothers, I. M. Stewart of Ink, Ark., John Stewart of Long Beach, Calif., Clyde Stewart of Brawley, Calif., and Thurman Stewart of Tempe, Ariz. and her father, I. M. Stewart of Lockney, and nine grandchildren.

Funeral arrangements were under the direction of Wallace Funeral Home of Tulia, with The Rev. Denzil Leonard, the Rev. G. C. Applewhite of Lockney and the Rev. Douglass Gossett officiating.

Pallbearers were Tony Smitherman of McLean, Don Newman of Dimmitt, Dean Phillips of Amarillo, and Deryl Lacy C. W. Seago and Kenneth Warren, all of Hart.

Honorary pallbearers were Miles Cox, Ernest Martin, John McLain, Robert Brooks, E. I. McLain, Pete Brown, Jack Smitherman, and H. E. Loman, all of Hart, and Roy Pyeatt of Tulia.

Longhorns To End Season With Battle At Happy

Hart's Longhorn football team winds up its season this Friday, and for most persons concerned, the end of the game will probably be a welcome relief.

The 'Horns tackle Happy, a pre-season favorite to take for share district 1-B championship honors, and the prospect of at least a single season win seems dim.

In fact, the prospect of scoring is beginning to seem about as dim. The last time the 'Horns crossed the goal stripe was against Nazareth in the first district contest, five long games ago.

And Happy comes into the contest after a week's rest,

Send-Off Set

Hart Booster Club will hold a sendoff rally and meeting at the cafeteria Monday night, Nov. 15 at 7 p.m. for the high school boys and girls and junior high boys and girls basketball teams.

Guest speaker will be Charlie Lynch, freshman basketball coach at Texas Tech.

There will be refreshments for all and a short program.

Everyone is invited to attend the meeting.

holding down the number two spot for most points scored in the district.

Leader of the Cowboy squad is quarterback Gary Culp, a specialist on both defense and offense. Also capable of the long scoring play is halfback Ralph Frost, who handles most of the Happy ball-carrying duties when Culp does run the keeper.

Point-after man for the Cowboy group is Randall Johnson.

To top off the woes for Hart coach Jeff Smart, two key backs for the Longhorns are still on the disabled list and probably will miss this week's final action.

Senior fullback David Smith, who suffered a head injury in the Vega contest, will probably still be out of action, while a broken hand for halfback W. A. Hawkins III has eliminated him from further participation this year.

Five seniors on the Hart squad are slated to suit up in the maroon and white for the final time Friday night.

In the group, including Smith, who is a 170-pound fullback, is quarterback Doug Martin, a 137-pound starter.

Also listed are Billy Bob Bell, a 160-pound guard; Larry Huston, a 175-pound tackle, and Larry McKay, a 160-pound end,

Hart Girls Open Season In Basketball

With football season nearly over, basketball is impatiently waiting on the sidelines for the roundball season to begin.

Basketball players and fans alike have only a short time to wait, since the first game is set today.

That's when the Hart girls' squad tackle the Lockney fems in a pair of contest.

Gametime is set for 6:30 p.m. at the Hart High School gym.

HOME-COMING QUEEN— Donna Daubert, Hart's 1965 Homecoming Queen, accepts a bouquet of roses from Hart captain Larry McKay. Miss Daubert was named during halftime activities of the game between Hart and Texline.

Letter To The Editor

Dear Editor,

Hart owes a tremendous debt of gratitude to Coach Don Ewing as he spent many hours above and beyond the call of duty. In his words, "It was a great finish to a great season." Amid the chaos that followed in the dressing room, they boys expressed their gratitude, "Three cheers for the coach!" There seems little need for further explanation of what happened.

Sincerely,
James Mitchell

Hart, Texas

HOMEcoming PEP RALLY—A vacant lot downtown was the scene Friday as Hart cheerleaders Rene Brooks, Martha Sharp, Pam Houston and Linda Popejoy led a group of spectators in a spirited cheering session preceding the Hart-Textline football contest.

Three Years Ago In Hart

Democrat John Connally carried Hart easily in the governor's race in Tuesday's general election, polling three times as many votes as Republican Jack Cox.

The Hart Volunteer Fire Dept. met Nov. 5 for a regular meeting and voted to buy some new fire extinguishers for the department.

Last Friday evening the Longhorns fell hard to the Happy Cowboys. The game progressed as many fans expected and Hart seemed to be completely outclassed from the very beginning.

Jo Sanders received a broken collarbone in a basketball game played last Thursday.

The annual Plainview-Merchants and Edmonson Farmers Dinner was held Nov. 1 at the Edmonson Community Center. Raymond Akin of Plainview was master of ceremonies.

VISIT KITTRELLS

Mr. and Mrs. Don Hoffman and family of Lubbock spent Sunday visiting in the home of Mr. and Mrs. Jerry Kittrell and family.

SCHOOL MENU

NOV. 15, - 19, 1965

MONDAY — Barbecued wieners, potatoes in cream sauce, green salad, cornbread, chocolate pudding, milk and butter.

TUESDAY — Chili Beans, buttered spinach, whole kernel corn, cornbread, applesauce cake, milk and butter.

WEDNESDAY — Frito pie, whipped potatoes, green salad, hot rolls, gingerbread, milk and butter.

THURSDAY — Longhorn Burgers and french fries, catsup, pickle, onion, mustard, relish, cheese slice, apple cobbler, milk and butter.

FRIDAY — Fish squares, catsup, tomato slice, pepper rings, whipped potatoes, ice cream bar.

Methodist Youth Meeting Slated

"The Shining Light" sub-district, Methodist Youth Fellowship will meet Sunday Nov. 14, Oklahoma Lane Methodist Church. Registration is at 2 p.m. and the program at 2:30 p.m.

The theme is "Help Somebody Today." There will be a guest speaker.

Lion Official Talks At Meet

The Hart Lions Club met Nov. 8 at 12 noon at Alford's Cafe for a regular session.

Lion R. W. Robinson of Hereford, district governor of District 2-T1 appeared on the program as guest speaker.

A donation to the Lions Club of \$100 was presented to Lion Bos Dewayne Brown by Mr. Brock of Southwestern Public Service for the purpose of helping with the street sign project, being sponsored by the Lions Club. Lion Andy Gardenhire was installed as a new member by District Governor Robinson.

Guests present were Ralph Futrell of Hart and Brock of Southwestern Public Service, Dimmitt.

Members of the club present were Joe Bailey, W. W. Clevenger, T. B. Cox, O. D. Dinwiddie, Norlan Dudley, Wade Mills, Bill Rich, W. T. Sanders, Kenneth Warren, Joe Newman, DeWayne Brown, John Holloway, David Willis and Andy Gardenhire.

Tech-Baylor Battle Set

LUBBOCK—Texas Tech, already attractive to bowl selection committees, hopes to keep in the running for the Southwest Conference championship in its game with Baylor here Saturday afternoon.

Coach J. T. King's Red Raiders have posted a 7-1 mark, with Baylor and Arkansas (at Fayetteville Nov. 20) remaining. Baylor is 3-4.

Texas Tech has managed to defeat Baylor only once in the past 15 meetings. That victory came in 1961 as H. L. Daniels kicked a last-minute field goal making the score 19-17. The series stands at 17-5-1 in Baylor's favor.

According to comparative scores, anything can happen Saturday Tech had to rally to a 26-24 win over Texas Christian, and the Horned Frogs nipped Baylor 10-7. But after the Raiders barely edged Texas A&M 20-16, Baylor trounced the Aggies 31-0. Texas took Tech 33-7 and Baylor 35-14.

Saturday night, after Baylor had lost to Texas, the Red Raiders amassed their biggest score of the season in swamping New Mexico State 48-9.

A crowd of more than 40,000 is expected. Reserved seats were available in several sections as the week opened.

KITCHEN KORNER

It is so nice to have several different salad recipes for around the holidays, but I've found I had better try them out beforehand to be sure they are like by some of us at least. Here are a couple of salad recipes.

CREAMY ORANGE SALAD

1 pkg. orange jello
1 c. hot water
1 pkg. cream cheese
1/4 c. orange juice
2 T. lemon juice
1 T. grated orange rind
2 oranges sectioned or 1/2 c. mandarin oranges

Dissolve jello in hot water. Gradually add cream cheese, blending until smooth. Add juices and chill until slightly thickened. Then add orange sections and rind. Pour into molds and chill until firm.

CHERRY SOUR CREAM SALAD

1 pkg. cherry jello
1 small can crushed pineapple (drained)
1 No. 2 can dark sweet cherries (drained and pitted)
1/2 c. nuts (chopped)
1/2 pt. sour cream

Add enough water to juice drained from cherries and pineapple to make 1 1/2 c. liquid. Heat and dissolve jello in hot liquid. Chill until mixture thickens slightly. Add pineapple, cherries and nuts. Fold in cream. Pour into molds and chill.

The secret of a successful meal is to serve hot foods hot and cold food cold. Lukewarm meals are not good meals.

ONE YEAR AGO IN HART

The Hart Longhorns return to Hart this week to close out the 1964 football season and challenge the Happy Cowboys.

Cotton harvest in the Hart area is running somewhat ahead of last year, but cotton producers are still needing a killing frost. As of Wednesday afternoon, the three gins in Hart had turned out 820 bales of the fluffy 1964 crop.

Football season is just about over, and helping to bring down the curtain on the gridiron action is the approaching basketball season. Actually, the basketball season has already approached, with six 1964 games already past history.

A contract for 23.9 miles of construction of F.M. Roads 2479, 1055 and 2657 in Lamb and Castro Counties has been awarded to a Lubbock firm, it was announced this week in Austin by the State Highway Commission.

VISIT LOMANS

Mrs. Bob Legg and boys of Amarillo and Mrs. Legg's mother, Mrs. James Pistole of Denver, Colo., visited Sunday afternoon in the home of Mr. and Mrs. H. E. Loman.

MRS. LOUIS CARTER

Recipe Of The Week

Mrs. Louise Carter, home-making teacher, gives us our recipes this week.

Mrs. Carter is the mother of three children.

APPLESAUCE CAKE

- 3 1/2 c. flour
- 2 c. white sugar
- 2 t. cinnamon
- 1/2 t. salt
- 1 1/2 t. allspice
- 1 1/2 t. cloves
- 2 t. soda
- 2 whole eggs
- 2 c. raisins
- 2 c. applesauce
- 1 c. cooking oil
- 1 c. chopped nuts

Soak nuts and raisins in water while mixing cake. Mix flour, sugar, cinnamon, salt, cloves, allspice and soda. Make a hole in the middle of the mixture and add applesauce, eggs and oil. Mix well for about 5 minutes. Drain raisins and nuts. Dredge in flour. Fold into cake mixture. Pour into a greased lined tube pan and bake 45 min. at 350 degrees and 15 minutes at 375 degrees. When done, cover tightly and cool. Then ice.

LEMON ICING

- 6 T. butter
- grated rind of 1 1/2 lemons
- 4 1/2 c. confectioners sugar

Junior High Sunday School

Class Meets

The Junior High Sunday School class of the First Methodist Church met Nov. 6 at 1 p.m. at Plainview for a Sunday school party.

The group attended a show and had hamburgers and all the trimmings.

PTA Council

Meets At Happy

The Castro-Swisher Bi-County Council met Oct. 25 at Happy.

Officers were elected for the year, and Mrs. Ben Kennedy will serve as vice-president.

Attending from Hart were Mr. and Mrs. Deryl Clevenger.

Those present were Veronica Cox, James Heller, Jeton Jones, Andy Rogers, Becky King, Marsha Seago, Joan Dudley, Donnie Black, Shelia Gardenhire, Gaylene Hawkins, Quincy Hawkins, Barbara Hansen, Mike Armstrong, Rogert Brooks, Robert Brooks, Linda Gossett, Sandy Bennett, Ralph Ed Bell, Linda Gossett, Harold Bennett, and the teachers, Mrs. Edd Bennett, Mrs. Charles Black and Mr. and Mrs. Leland Hodges.

Connie Bailey With Tex-Anns

LEVELLAND--South Plains College Tex-Anns made their first public appearance Tuesday night in the College gymnasium. The performance was during halftime at the basketball game between SPC Texans and Wayland College freshmen.

The drill team is composed of 26 members and four alternates. These were selected from a group of more than 50 applicants during the first week of college. Serving as judges were sponsors Mrs. Myrtle Lucke and Miss Nancy Morris, and sophomore Tex-Anns returning to the team this year. Decisions were based on appearance, ability and academic work.

Included on the team is Connie Bailey of Hart.

The drill team will perform once a week at home basketball games and at two out-of-town games, the first being in Odessa Jan. 11. They will also make appearances at civic functions and out-of-town events during the year. They performed recently at the annual college parents night. The girls were hosts for a reception honoring their parents, faculty members and administrators in the Student Union Building after several drills were presented.

Tex-Ann uniforms feature the college colors of orange, white and blue, and include: orange full skirts and boleros, white western boots, hats and shirts, blue dogger ties and college emblems.

Four state and 11 Texas towns are represented in the Team. They are from Texas, Georgia, New Mexico and Hawaii. Texas towns represented are: Level-land with 16 members; Lamesa, 2; Sundown, Sudan, Abernathy, Crosbyton, Spur, Hart, Morton, Littlefield and Brownfield.

VISIT ARMSTRONGS

Mr. and Mrs. Charles Armstrong and children visited Sunday in the home of Mr. and Mrs. J. P. Armstrong.

IN GORDAN

Mrs. Louise Carter and three children were in Gordon over the weekend to visit relatives.

HART VISITORS

Mr. and Mrs. A. R. Bostick of Olton visited several friends in and around Hart Sunday.

Miss Murray Is Honored

With Party

Miss Charlotte Murray was honored with a birthday party celebrating her 17th birthday Nov. 7 at the home of Mrs. R. J. Murray.

Sunday supper was served to Sherilyn Morrison, Cheryl Newman, Kay Smith, Marsha Sharp and Helen Jo Murray.

Teachers Give PTA Program

The Hart PTA met Nov. 8 for an evening meeting.

Following a short business session, Mrs. Stephens and Mrs. Cheatham, both third grade teachers, gave a Thanksgiving program.

Room count was won by Mrs. Stephens' third grade class and by Mrs. Stockstill's senior class.

The PTA project for this year is to purchase some playground equipment for the grade school. This equipment has been delivered and installed on the playground.

Church Festival Is Slated Here

The First Methodist Church of Hart will hold a Thanksgiving Harvest Festival Wednesday Nov. 17 at 7:30 p.m. in Fellowship Hall of the church.

Guest speaker will be the Rev. Dr. Frank Charlton, minister of St. Paul's Methodist Church in Abilene.

Mrs. Charlton will accompany her husband and they will be guests in the home of their daughter and family, Mr. and Mrs. John Bannworth and Steve.

Everyone is invited to attend the annual supper and festival activities and hear the Rev. Charlton speak.

Miss Dudley Is Honored

Miss Joan Dudley was honored with a "Come As You Are" birthday party Nov. 6 at 7 a.m. at the home of her parents, Mr. and Mrs. Norlan Dudley. Her mother was hostess for the occasion, and escorted the guests to her home.

Refreshments of orange juice rolls and hot chocolate were served to Misses Gaylene Hawkins, Jeton Jones, Veronica Cox, Sheila Gardenhire, Barbara Hansen, Becky King, and the honoree, Joan Dudley.

SCOUT NEWS

Den 1 of the Cub Scouts met Nov. 4 in the afternoon.

Following a check of their books for advancements and a short discussion on hiking, the den hiked to the Tex-Hart Grain Elevator.

Mrs. Tom Burrus met the Cub Scouts there, served refreshments and drove them back to town.

Cub Scouts attending were David Armstrong, Neil Burrus, Duane Clevenger, Mike Leonard, James McLain, Theron Hawkins, and James Warren. Den mothers Benowain Burrus and Joan Clevenger also attended.

IN WACO

Mr. and Mrs. Ed Bennett will be in Waco Wednesday through Friday attending the 75th anniversary of the Methodist Home for Children. They are representing the Plainview district. Gov. John Connally, a Methodist layman, will open the anniversary with a major address.

STUDENTS ARE HOME

Linda Phillips of Farwell and Alan Brewster of Dalhart came to Hart with Warren Gossett from Abilene Christian College. Their parents picked them up here and took them to their homes.

Mrs. Cox Leads WSG Program

The Wesleyan Service Guild of the Methodist Church met Nov. 3 at 7 p.m. at the church.

Subject of the program was "Christian Imperatives." Mrs. T. B. Cox was program leader, and her subject was "Automation and Leisure." Mrs. Douglas Gossett chose "What Is Automation?", and "Enforced Leisure as a Solution." was discussed by Mrs. Robert Brooks. Mrs. Andy Gardenhire chose "The Role of The Church." The meditation was given by Mrs. Bill Bell.

Mrs. T. B. Cox, president, presided at the business meeting.

Mmebers present were Mrs. Cox, Gardenhire, Bell, Brooks, Gossett and Buster Aven.

Next meeting of the guild will be Dec. 1 at 7 p.m. at the Methodist church. and Mrs. Marvin Reed will lead the program, which will be entitled "Where the Women are."

VISITS FRIENDS

Mr. and Mrs. C. D. Adams and children, and Mr. and Mrs. Aubry Myers and children spent Sunday evening attending church and visiting friends.

Mrs. Leonard Is Honored

The ladies of the First Baptist Church honored Mrs. Denzil Leonard with a salad supper on her birthday recently.

The guests were greeted at the door by Mrs. Edgar Varnier.

Miss Myra Applewhite, former resident of Hart, presently Spanish professor at Wayland Baptist College, was guest speaker.

Miss Applewhite did graduate work in Spain, and lived with a Spanish-speaking family while there. She gave a history of that country, told of the customs of the people, and related personal experiences. She also showed films made in Spain and Portugal.

Mrs. Howard Mitchell presented birthday gifts from the ladies of the church to the honoree, Mrs. Leonard.

WSCS District Meeting Held

The Fall District Meeting of the Woman's Society of Christian Service was held in Earth, Thursday Nov. 4. Mrs. Elton Wyatt, Petersburg, presided. Mrs. Jack McIntosh of Floydada gave the meditation.

After reports from district and conference officers, Mrs. William Finkner of Petersburg showed slides, "Acts, Then and Now".

A salad luncheon was served at noon.

Mrs. Wyatt conducted the business session in the afternoon.

Mrs. Ed Bennett, Mrs. T. B. Cox, Mrs. Mabel Aven and Mrs. Douglas Gossett attended from the Hart WSCS.

VISIT NEW MEXICO

Mr. and Mrs. Paul Brooks and family visited in Clovis, N.M., Sunday in the home of Mr. and Mrs. James Brooks. On the way home, they stopped in Bovina to visit with Mr. and Mrs. Elmer Venable.

Church Meeting Is Scheduled

The Plainview District Workshop will be Tuesday Nov. 16, 7-9:30 p.m. in First Methodist Church, Plainview. All commission chairmen, church school teachers, (adult, youth and childre), Superintendents and lay leaders are asked to attend.

Andy Gardenhire will participate on the program for Christian Social Concerns and Mrs. Gossett will be teaching a class for teachers and workers with boys and girls elementary class V, and VI.

VISIT GOSSETTS

Sunday, Mr. and Mrs. A. F. Phillips, Ty and Linda, of Farwell, Mr. and Mrs. Brewster and Alan of Dalhart, and Mr. and Mrs. T. L. Kent of Farwell visited in the home of the Rve. and Mrs. Douglas Gossett.

S & H FARM AND RANCH SERVICES

Box 202 Canyon, Texas

Mr. Landowner:

The farm program passed by the 89th Congress, among its many provisions, permits the sale or lease of cotton allotment acreage across county boundaries under certain conditions.

S & H Farm and Ranch Services, basically an organization interested in farm and ranch sales and loans, offers a service in connection with the sale/lease or purchase/lease of cotton allotments.

This service will operate on the same "ask and bid" principle as used by Merrill Lynch-Pierce-Fenner & Smith, Inc. in "over-the-counter" sale of stocks and bonds.

We will be ready to service and close transactions immediately after the referendum, required by the Act of Congress, passes in this county.

Your local representative, whose signature appears below, can explain the mechanics of this service we offer to you.

Vote and be prepared to act the day after the referendum passes in your county.

Shorthorns Tromp Vega, 44-8

BY JAMES MITCHELL

The Hart Shorthorns came out with spirits high and fire in their eyes to stampede their way to a perfect season taking the toll of the Vega Shorthorns 44-8.

With the district championship in their pockets the Shorthorns, somewhat resembling the Green Bay Packers, showed everyone how to play the game as they ran roughshod for three quarters and coasted the final stanza with everyone getting a chance to show his stuff.

The boys of Coach Don Ewing gave a tremendous effort to play their finest game of the season and raise Hart's future football hopes.

Hart wasted no time in getting on the scoreboard. On the second play from scrimmage, quarterback Quincy Hawkins hit Donnie Black with a perfect pass and Black rambled 57 yards for the first of six touchdowns. Heller passed to Brooks for two points to extend the lead that was never broken.

Vega lost a yard in three plays and had to punt. The punt was short and Hart had good field position at their own 47.

Hawkins lost 13 trying to pass but speedy Roy Ethridge made 34 yards on a reverse that almost went for the touchdown.

Two plays later Danny Smith slammed up the middle and didn't slow down till he reached the promised land 31 yards down the field.

Two plays after the kickoff Roger Brooks covered a Vega fumble to give the Horns the ball at Vega's 44.

It took the offensive machine

ATTORNEY GENERAL SPEAKS

Licensed beauty operators cannot legally work in barber shops, shampooing, tinting or styling hair of male patrons says Atty. Gen. Carr. Barbers and beauty operators, he cautioned, have separate state licensing laws and regulatory boards.

In other opinions, Carr concluded that the Dallas Junior College District has no authority to tax intangible assets or rolling stock of railroads; and that a "pour and shake" flour is prohibited from sale because it does not meet standard measures and is not designed for "special or limited use."

SECOND CONFERENCE

The second annual conference of the Central Texas Industrial Development Council will be held Nov. 12 at Baylor University in Waco, the Texas Industrial Commission announced here.

Council is comprised of Central Texas community leaders actively engaged in industrial development programs. It is charged with attracting industry to the area and encouraging the expansion of existing industry.

BUSINESS INDEX DOWN

Texas business activity index dropped six per cent during September from an August high, according to the U. T. Bureau of Business Research.

Index still was 7.9 per cent above September of 1964.

Biggest monthly drop was in Dallas (14 percent). Fort Worth and Houston had small declines and San Antonio a six per cent increase.

Business for the first three quarters averaged 12 per cent above the same period for 1964.

just five plays to grind out those 44 yards pushing it over from the two yard line. Hawkins went the final distance and added two more points to give Hart a 22-0 advantage at the beginning of the second period.

It didn't take Hart long to get possession of the ball again as Ethridge stole a Vega aerial four plays after the kickoff.

Danny Smith capped the 45 yard drive with an example of the supreme effort given by the boys as he carried four Vega defenders the final four yards to give Hart a commanding 28-0 lead.

The second half saw a continuation of the first.

The Vega runner almost got loose on the kickoff, but Hart made up for its lackness as they plastered the runner and recovered his fumble at the 35.

Three plays later Hawkins took the ball after an excellent fake and sailed 20 yards untouched, mostly because the line had opened a hole big enough for a truck.

Mark Porter turned in a fine run to add two more points.

By this time everyone on the Hart squad had played and Vega managed to push across its only touchdown with point after effort successful.

Hart got in the final punch two plays after kickoff. Hawkins followed the usual excellent blocking, broke into the open and went 52 yards for the final touchdown.

Porter appeared stopped on the extra point try but pushed over for the final two points of the game. The final stanza was scoreless as everyone got another chance to play.

INSURANCE RATE CUT

State Board of Insurance approved an average decrease of 2.9 per cent in Texas workmen's compensation rates, effective Dec. 1.

Annual savings on premiums are estimated at \$4,500,000 a year.

There are about 600 categories of compensation coverage. Some will be increased, some decreased sharply, but the overall average cut will be 2.9 per cent.

TOP OFFICIALS QUIT

Two top state appointive officials have resigned.

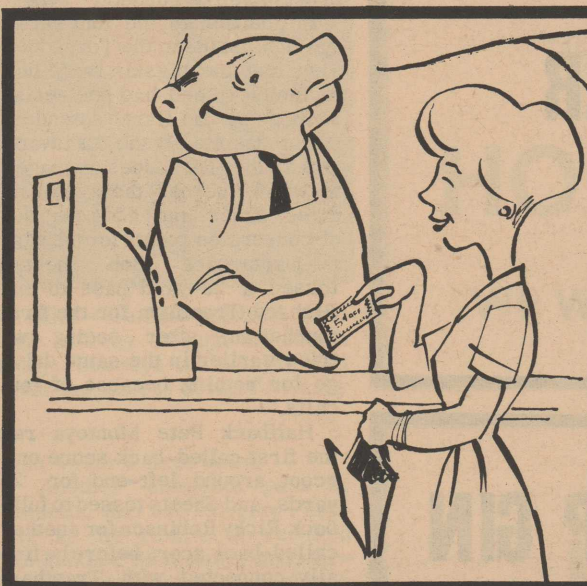

Insurance Commissioner J. N. Nutt said he was leaving his post, effective Nov. 1, to return to private business.

Dr. Cyril J. Ruilmann asked to be relieved as acting Commissioner of Mental Health and Mental Retardation before Jan. 1. He said he would "pursue a long standing interest in medical education and private practice."

Dr. Shervert H. Frazier, director of the Houston State Psychiatric Institute for Research and Training, was named to replace Ruilmann.

TEXLINE TRIPS L

A white Tornado of sorts rolled into the Hart football stadium Friday night, and when the dust had settled, Hart's Longhorns found themselves on the short end of a 20-0 score.

A sparse Homecoming crowd saw the two teams fight to a 0-0 deadlock at the half, but Texline's Tornadoes came back from the halftime interlude with new ideas.

In a foul-filled third quarter, fans saw the Tornadoes slam for the two touchdowns, and have three more called back for infractions.

In addition, the Texline team picked up a total of 120 yards in penalties, and had one player ejected from the game for "unsportsmanlike conduct."

In addition to the foul yardage against them, the Tornadoes also lost the pigskin twice due to fumbles, and had one aerial swiped by a Hart defender.

But despite all the disadvantages, the Tornadoes managed to whirl across the goalline three times and add one set of conversion points for the win.

Quarterback Bob Sheets tossed a 28-yard pass to end Richard Trantham for the first touchdown, after seeing two tries earlier in the same drive go for nothing because of foul calls.

Halfback Pete Montoya ran the first called-back score on a scoot around left-end for 25 yards, and Sheets tossed to fullback Ricky Robinson for another called-back score before he finally connected with Trantham for the official six-pointer.

Montoya ran over the points, and Texline was off and running.

Only four plays later, after a Texline player had jumped on a loose Hart pighide, halfback Mike Field trotted 35 yards for six more, and the Tornadoes could have packed up and gone home at that point.

But just before the third period ended, Field trotted 31 yards for, what was soon to be evident, another run for fun. The referees moved the ball back to the Hart 36, and there the Texline drive stalled.

Montoya added the capper late in the fourth period, when he topped an 81-yard Texline drive with a 41-yard run of his own for the final six points.

Lane Sheets, 170-pound halfback for the Tornadoes, caused a little excitement of his own, when the referees ejected him from the contest in the final period, after he protested an incomplete pass call a bit too vigorously.

Montoya started the action for the two ball clubs when he returned the opening kickoff 19 yards to his own 29.

Field advanced the ball 12 yards on the next carry for a first down for the Texline crew, but four more plays, including a five-yard offside penalty, left the ball at the Texline 45.

Frankie Sinta's punt took a big hop at the Hart 26-yard line and halfback David Brooks bobbled the ball, and the Tornadoes were once more in possession.

Montoya immediately moved the ball to Hart's 19, but one among many of the Texline penalties left the ball at the Hart 26.

Fullback Sheets took the ball to the Hart 23, but a fourth-down pass by quarterback Sheets to Trantham went wild at the Hart four, and the Longhorns took over at that point for the first time.

Larry McKay, playing in the backfield for the game, moved the pighide to the 24, and George Edd Bennett took it five more yards to the 29.

Then McKay moved the ball to the 33 for the needed yardage and the first down.

Two successive carries by Bennett took the ball to the Hart 41, and it was McKay who once again provided the needed yardage, this time a five-yard effort to the Hart 46.

Bennett scraped through for a couple of yards on the first down play, then quarterback Doug Martin ran with the ball for the first time, and picked up 16 yards to the Texline 36 and a new series of downs.

But there the drive stalled. Martin gained only a yard on the next play, Bennett picked up two more on a second down, McKay added another two, and Bennett fell a yard shy of the needed yardage on his last carry.

A penalty, an imcompleted pass and a short yard run later, the Tornadoes had lost three yards from where they started, and Ricky Robinson booted the ball to Hart's 45, where workhorse McKay picked up the pighide and went back 15 yards.

But Hart had its problems on the series, and Larry Huston was forced to boot from the Texline 41.

The kick was a long spiral to the Texline 8, but Field immediately stopped part of the advantage by returning to his own 23.

The Tornadoes drove 12 yards for a new first down in the next pair of plays, but Bob Sheets had trouble with the foot-

ball on the first new series, and recovered on

TORNADO FINALLY HITS PAYDIRT—Texline halfback Pete Montoya crosses Hart's goalline midway through the fourth quarter of the contest last Friday. Montoya crossed the goal stripe after a 41-yard run despite the efforts of Hart's Larry Parker.

Hart took the kickoff once more, and this time marched to the Texline 33 before the old fumble bug bit once again and Martin gave up the ball to Bob Sheets at the Texline 33.

The Tornadoes once again mounted their offensive machine and started to grind out the yards, but this time it was Hart's turn for the break, and Brooks picked off a Tornado pass at this own five-yard stripe to stop the threat.

Same story again. The Hart drive died at their own 23, and Huston's boot went almost straight up, landing 10 yards up the field.

A series of penalties moved the ball all the way back to the Texline 27. From there, Robinson punted to the Hart 37, but the Hart drive netted exactly two yards, and Huston's kick went to the Texline 19, where it rolled dead.

The Tornadoes once again started up their ball-toting machine, and this time it paid off, with Montoya crossing the goal after a 41-yard run.

Hart mounted its final drive from its own 27.

Bennett took the ball to the 32, and Martin passed to Bennett to

the 44 for a first down.

Another complete pass by Martin, this one to Larry Parker at the Texline 46 resulted in another first down, and Martin threw yet another completion to Bennett at the Texline 21.

But once again the ol' clock had decided time was up, and Martin was downed by a swarm of Tornadoes as the clock ticked off the final six seconds.

SOCRING SUMMARY

Texline—TD's, Richard Trantham, on 28-yard pass from Bob Sheets; Mike Field on 35-yard run; Pete Montoya on 41-yard run. Extras, Montoya ran one conversion.

Hart--None.

Cotton farmers, still dazed from passage of a cotton program sharply different from any seen before, were hit Monday of this week by the imposition of micronaire premiums and discounts on government loan cotton.

Then, as if these weren't enough, here comes the Secretary of Agriculture with the third blow. On Wednesday he announced arbitrary changes in skip-row planting regulations that will seriously hamper many producer operations.

Micronaire, or fiber fineness, is a fiber quality factor useful in determining spinning potential. Mill men and the trade have used "mike" readings to adjust cotton prices for some time. And this being the case, Donald A. Johnson, executive vice-president of Plains Cotton Growers, Inc. said: "Cotton farmers here and elsewhere generally find little or no basis for criticizing micronaire premiums and discounts on cotton that goes into the loan."

"Even so," Johnson said, "High Plains farmers do have

a legitimate gripe. The premiums and discounts were injected into the program just as the High Plains is beginning harvest operations while most of the cotton from other areas is already sold or in the loan."

The following schedule will apply to cotton entering the loan after Oct. 31 unless the cotton was classed prior to Nov. 1 without a micronaire reading: 2.6 "mike" and below.....300 point discount.

2.7 to 2.9-----165 pt. disc.
3.0 to 3.2----- 60 pt. disc.
3.3 to 3.5-----no disc.

or premium
3.6 to 4.8-----14 pt. prem.
4.9 to 5.1-----no premium or discount

5.2 to 5.4-----15 pt. disc.
5.5 and above---50 pt. disc.

The effect of these premiums and discount will vary from farm to farm. But looking at the 1964 High Plains crop gives some idea of the over all effect.

That year was a good year for micronaire on the Plains and the total loss to farmers would have come to about \$400,000 in round figures, or about 1.5 percent of the gross lint value of the crop.

Plains cotton that miked 2.6 and below -- "wasties" -- came to about 40,000 bales. Under the new schedule of premiums and discounts this cotton would have carried a 300 point discount (\$15 per bale) instead of the 400 points (\$20 per bale) actually lost last year for a net gain of \$200,000.

Cotton in the 2.7 to 2.9 range came to 104,000 bales and the 165 point discount (\$8.25 per bale) would have cost farmers \$858,000.

Cotton which miked 3.0 to 3.2 was approximately 180,000 bales. This would have carried a 60 point discount (\$3.00 per bale) for a loss of \$540,000.

In the 3.3 to 3.5 range the High Plains produced 308,000 bales which would have carried neither premium nor discount.

By far the biggest percentage of cotton fell in the 2.6 to 4.8 mike range and would have qualified for a premium of 14 points (70 cents a bale). There were about 1, 154,000 bales in this class which would have netted producers a gain of \$807,800.

Again in an even bracket, 4.9 to 5.1, were about 35,000 bales.

Less than one-half of one percent of our cotton miked into the discount range above 5.2.

These are only loan values, without taking into account any premiums over the loan which may be paid by the trade.

Some observers even feel that the added marketability of the cotton this year, which again promises to be a good year for micronaire, will more than offset any losses.

Of far greater import to the High Plains were the changes made in skip-row planting regulations. These in effect levy acreage penalties on farmers who use skip-row patterns leaving less than four blank rows between rows of cotton.

Measurements of cotton acreage planted to the various skip-row patterns for 1966 and

a comparison with this year's measuring method is shown below:

2 rows cotton, 1 blank, 66 2/3 percent charged as cotton this year, 86 2/3 percent charged as cotton in 1966; 2 rows cotton, 2 blank, 50 percent charged as cotton this year, 65 percent charged as cotton in 1966; 4 rows cotton, 2 blank, 66 2/3 percent this year, 76 2/3 percent in 1966; 4 rows cotton, 4 blank, 50 percent this year, 50 percent in 1966; 2 rows cotton, 4 blank, 33 1/3 percent this year; 33 1/3 percent in 1966.

It will be noted that the patterns which involve skipping four rows were not changed from present methods. But the most widely used planting systems on the Plains have been two in--one out and two in-two out.

For producers whose moisture conditions require that they plant in one of these patterns moisture conditions require that they plant in one of these patterns the change simply means from 18 to 23 percent reduction in the land on which they can plant their allotments.

As an example, a farmer with a 100-acre cotton allotment this year could plant two in - one out and scatter his cotton over 150 acres of land. Next year if he utilized the same system he could only cover 115.5 acres with the same allotment-- a 23 percent cut.

With a two in-two out pattern, he could have planted a 100-acre allotment on 200 acres this year. In 1966, using the same pattern, he will have to stop at 153.8 acres -- 18.1 percent less.

J. D. Smith, president of Plains Cotton Growers has pointed out that the simplest way to figure out how much land a given allotment may cover is to multiply by a factor. Two in-one out patterns will require multiplying by the factor of 1.53 multiplying the farmers acreage allotment by 1.15. Two in-

two out would call for multiplying by the factor of 1.53 to determine maximum permissible acreage. Four in - two out is figured by multiply the allotment by 1.30.

Different conditions on individual farms and different areas of the High Plains make it impossible to calculate the economic effect to the area in dollars and cents.

Farmers without sufficient irrigation water or who farm dryland may decide to plant skip-row in spite of the acreage penalty. This will reduce total production through what amounts to an acreage cut.

Producers who have sufficient water may abandon skip-row planting and both quantity and quality of production may be hurt to some extent.

Either way, farm income and the area economy will suffer. And Plains Cotton Growers, Inc. representing High Plains Cotton producers has vigorously protested the move.

George Mahon, 19th District Congressman, issued this statement:

"Over a period of many months, along with a number of other members, farmers and farm organizations, I had steadily protested any change in skip-row practices. The proposed change is wholly unwarranted, especially in view of the drastic changes and readjustments which must be made by farmers as a result of the new farm law. We already had enough farm problems without this additional blow."

Seems he agrees with us, there's "no rest for the weary."

ATTEND FUNERAL

Mr. and Mrs. E. E. Foster attended the funeral of her cousin, J. W. Pruitt, in Lubbock last weekend and went on to Merkle to visit Foster's brother and family, Mr. and Mrs. S. R. Foster.

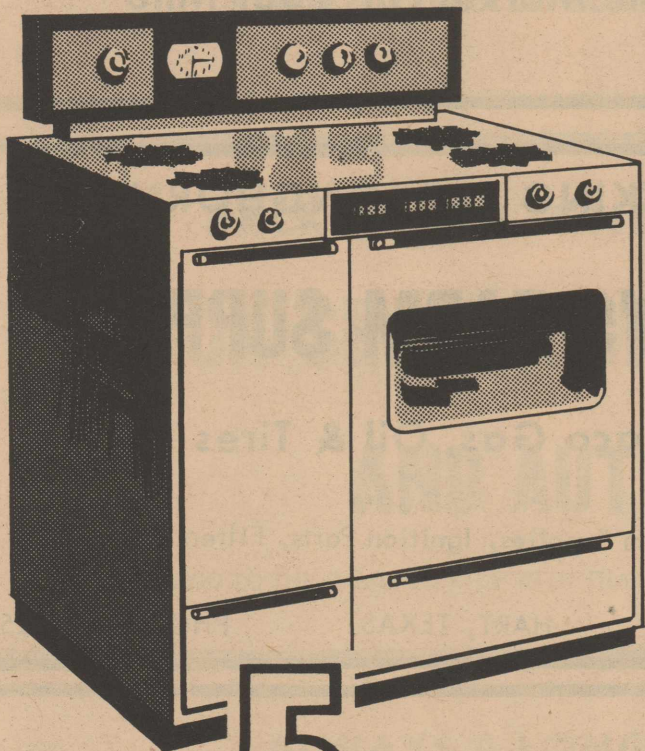

IN O'DONNELL

Mr. and Mrs. Leonard Welty and girls were in O'Donnell to visit her parents, Mr. and Mrs. J. D. Putman over the weekend. Mrs. Putman had a bad fall Thursday and broke her right arm.

IN AMARILLO

Mr. and Mrs. C. B. Landers were in Amarillo on a business trip Tuesday.

Side-Effects From Drugs Can Be Driving Danger

AUSTIN--The Texas Safety Association today reminded drivers that many drugs, such as those which relieve nasal congestion and combat allergies, can contribute to traffic accidents.

"Many modern lifesaving and health-restoring drugs can affect reaction time or sensory functions," J. O. Musick, TSA general manager, said, "Drivers should use caution when taking such drugs."

He emphasized that all persons do not experience side-effects from drugs but those who do should not drive.

He further warned that side-effects do not always show up immediately.

Many drugs induce sleep and cause inattentiveness several hours after their consumption," Musick explained.

He cited six major types of drugs which may impair driving ability. These are:

1. Antihistamines -- Certain brands have unpredictable side-effects on different individuals. They can cause sudden drowsiness, or a dizzy spell that makes a person unfit for driving.

2. Pain relievers and sedatives -- These can affect reaction time and sensory functions. Some give such a strong feeling of well-being that a driver may forget driving is a demanding business. Others may make a driver sleepy, dim vision or interfere with his concentration and reflexes.

3. Tranquilizers -- Great care must be exercised to avoid some surprising effects. Some people become giddy, others experience sudden episodes of drowsiness, faintness or disorientation.

4. Nerve stimulants -- Often these are recommended for the tired traveling person. The best rule is never take more than one. While, reportedly, they increase alertness and driving efficiency, as soon as the effect of the first tablet wears off, a person should stop driving at once and get plenty of rest. The brief period of stimulation (about two hours) is followed by greater exhaustion and depression. Additional pills will only put a driver into a "zombie-like" trance and make him a menace on wheels.

5. Motion-sickness drugs -- These may be helpful for passengers in a car; but for the driver, they can be dangerous. They may slow reaction time or have harmful effects on driving alertness.

IN CARLISLE

Mrs. Judd Davis spent the weekend in Carlisle visiting Mr. and Mrs. Lee Harris. Saturday they went to the Texas Tech football game. Mrs. O.C. Kittrell accompanied Mrs. Davis as far as Lubbock, where she spent the weekend with her children, Mr. and Mrs. Johnny Kittrell and Mrs. M. A. Davis.

Coming Events

NOV. 15

Fire Dept.

NOV. 16

American Legion

NOV. 18

WSCS
Beta Sigma Phi

6. Wonder drugs -- Some of the valuable drugs that fight infections also can produce side effect, such as nausea, temporary deafness, and occasionally, a loss of the sense of balance.

Musick urged motorists under the care of a physician to heed his advice about driving while taking drugs, and advised those persons making across-the-counter purchases of these types of drugs to take note of warnings on labels concerning side-effects.

"Remember, traffic is hazardous, even when drivers are in complete control of all physical and mental faculties!" he concluded.

Bufs Show Strong Offense

CANYON--It took the best of offensive showing since the third game of 1963, but the West Texas State Buffaloes are assured of their first winning season since 1962 after a 20-14 win over Drake in last Saturday's home finale.

The Buffs, now 6-2 with two games to play, rolled up 435 yards in total offense against the Bulldogs, 269 of which came on the ground. Don "Preacher" Dennis had nearly half of that total with 132 yards in 17 trips for a 7.77 average.

Dennis was easily the outstanding back in the game. The Dallas Lincoln grad scored twice on a 34-yard run and a 93-yard kickoff return. He returned one other kickoff for 28 yards, brought three punts back 25 yards, caught two passes for 53 yards, one of which ate up

more than half the distance in the winning drive and blocked well for others. In all, he handled the ball 24 times and gained 331 yards.

Obviously, the offensive line played one of its better games, led by giant George Allen, 250-pounder from Longview.

This week, the Buffaloes travel to Beaumont for the first meeting ever with Lamar Tech. The Cardinals own a 5-3 record for the season, but lead the Southland Conference with a perfect 3-0 mark and are assured of at least a tie for the crown.

Offensive leader for Tech is quarterback Phillip Primm, a former teammate of WTSU's Rick Barrett at Pasadena High. With Primm doing the quarterbacking, the Cardinals have averaged 23.5 points per game. With out the junior signal caller, their average is just six. He's missed two games and returned to the lineup only last week.

Vernon MacManus linebacker, and Jake David, safety, are

rated among the best in the state at their positions. MacManus has been averaging 20 stops per game and David has picked off six enemy aeriels.

A glance at comparative scores shows the game to be a tossup. Each lost to New Mexico State. Tech by 21-20 and the Buff by 10-2. Each beat Trinity. WTSU made it 34-6 and Lamar Tech recorded a 21-3 win over the Tigers last weekend. So you pay your money

and take your chances. The Buffs have lost two defensive starters since the Trinity fracas so Lamar Tech could be rated a slight favorite because of the home field advantage.

The only sure thing is that both teams will throw the football. The Buffaloes have put it in the air 214 times in eight games while the Cardinals have averaged 18 attempts.

Gun Accident Increase Is Cited As "Alarming"

AUSTIN--The Texas Safety Association today issued a Firearm Safety Alert and labeled a sharp increase in firearm accidents "alarming."

"During the past year, firearm accidents in Texas have shown about a 13 percent increase," J. O. Musick, TSA general manager, said, "This is alarming and of special concern with the opening of the hunting season."

He urged more caution in the use of guns in the field and especially the handling and storing of guns in the home.

"More and more firearm accidents are occurring in the home than in the field. It seems that while many hunters may be extremely careful in the field, they get careless with their firearms at home," Musick noted.

In 1963, there were 165 firearm fatalities in Texas. Of this number, 88 fatalities occurred in the home. Preliminary reports for 1964, show a total of 185 firearm fatalities, with 103 occurring in the home.

"Home firearm accidents occur throughout the year, but the opportunity for an accident with a gun in the home is greater during the hunting season," he added.

"Special precautions should be taken to make sure that non-shooters in the gun owning families are made aware of firearm hazards. A home without at least one firearm today is hard to find. On the other hand, ignorance of proper handling seems to be commonplace."

The safety director lists several rules for firearm safety in the home. These include:

Treat every gun as if it were loaded. When handling and demonstrating, keep the muzzle in a safe direction. Remove the clip if it has one. Open action and leave it open.

When cleaning, the same rules apply. Keep others away if possible. Lubricate gun properly, but not too much.

Store guns out of the reach of children and be sure they are unloaded and uncocked. Lock up whenever possible and store ammunition away from firearms--out of sight.

When practicing with an empty gun, be sure it is actually empty. Even with an empty gun, aim at a safe backstop. Never point a gun at anything you do not intend to shoot. Remember, it's always the unloaded gun that kills!

In addition to taking these precautions in the home, Musick advised sportsmen to be careful in transporting guns to and from the field.

"Always carry guns unloaded. Break down whenever possible and keep your gun in a case or wrapped securely," he said.

As a final warning, the safety director suggested hunters

use common sense in the field and choose hunting partners with care.

"Check the habits of your hunting partner. If he's careless with his gun and fails to observe safe hunting rules, don't go hunting with him."

"Remember, the life you save may be your own," he concluded.

HIGHLIGHTS AND SIDELIGHTS

SHORT SNORTS

Agriculture Commissioner John C. White proposes strict enforcement of egg laws aimed at off-quality eggs from out-of-state.

Atty. Gen. Carr filed suit for injunction and \$3,900 in penalties against O. J. McCullough of Houston for building a dam across the San Jacinto River near Conroe.

Biggest library construction program in Texas under matching funds provision of the Library Services and Construction Act (\$175,000) got underway at Brownwood Nov. 4.

Bowie, Carson, Crosby, Ector, Garza, Hill, Jackson and Midland counties received distinguished service awards of Texas State Historical Survey Committee for interest in local history and marking landmarks.

Texas Highway Commission will initiate a study of the Highway Beautification Act bill to determine the manner in which its provisions may be effected.

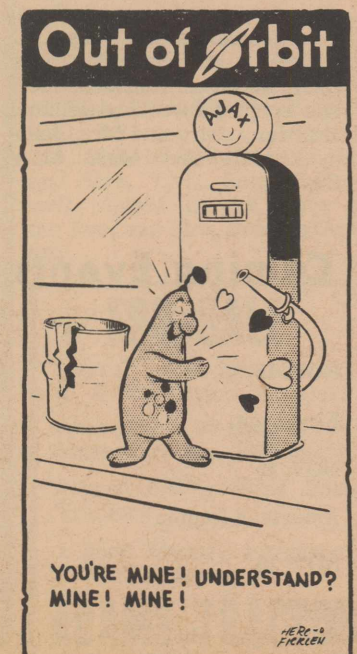

Gov. Connally has approved Neighborhood Youth Corps projects in Olton, Orange, Slaton and Paducah.

Two Will Serve As Managers For Basketball Team

Sheila Gray and Carol Miller will serve as managers for the Hart Junior High Basketball team this season.

Both have been doing their chores since workouts began in preparation for the first junior high contests.

First games of the year is scheduled for Nov. 22.

VISIT TALLEYS

Mr. and Mrs. J. T. Stanton and daughter of Portales, N.M. Mr. and Mrs. Alan McLain of Lubbock and Mr. and Mrs. Muriel Bussey and baby of Dimmitt were Sunday guests in the home of Mr. and Mrs. A. L. Talley.

VISITS GOSSETTS

Warren Gossett was at home over the weekend visiting his parents, the Rev. and Mrs. Douglas Gossett. Warren is attending Abilene Christian College.

NOTICE

NOTICE--We are now booking PAG and Northrup King seed. Would appreciate your early order. Jones Seed and Farm supply. 17-tfc

PUBLIC NOTICE

I am not responsible for debts other than those made by me. Jessie Raymond Blankenship

IN PLAINVIEW

Mr. and Mrs. Robert Brooks went to Plainview Sunday to visit her mother, Mrs. A. T. Matsler.

WANTED

CUSTOM plowing, deep breaking, listing and fertilizing--Call Robert Gonzales at Hart 938-2335 or call Juan Romo at Olton 285-2015. 18-4tc

WANTED--Your insurance business. All lines. Insurance at cost. Castro County Farm Bureau Branch office, Hart, Texas. E. L. (Sonny) Hochstein, agent. Office hours, Monday through Friday. 9-12, 10-tfc

TEACHERS' MEET

Mrs. Louise Carter and her daughter, Rosemary, will go to Happy to a teachers' meeting Nov. 17.

Wheat Test Results Told

"Timing of wheat irrigation is of maximum importance in influencing the amount of take home money from wheat," says James Valliant, water engineer at the High Plains Research Foundation. "Irrigation properly applied and in balance with fertilizer is the key to profitable wheat production in the Texas High Plains. This would mean increased dollars returned per dollar invested balanced with highest net return or practical efficiency."

Tascosa wheat was planed Oct. 28, 1964, on land from which

grain sorghum had just been harvested. The wheat was irrigated to a stand after being planted dry. The most profitable yield was secured when irrigated at jointing, boot, head, and dough states in 1965. This irrigation test produced 67.7 bushels per acre. The last, or dough state, irrigation was added in 1965 due to the lack of rainfall from May 10 to June 1 at Halfway. This dough stage irrigation had not been necessary in previous years when adequate May rainfall had been received. The gross return from the four irrigations was \$91.40 per acre. The pumping cost at 75 cents per acre foot only was deducted, giving the net return of \$73.02 per acre. Irrigation at the

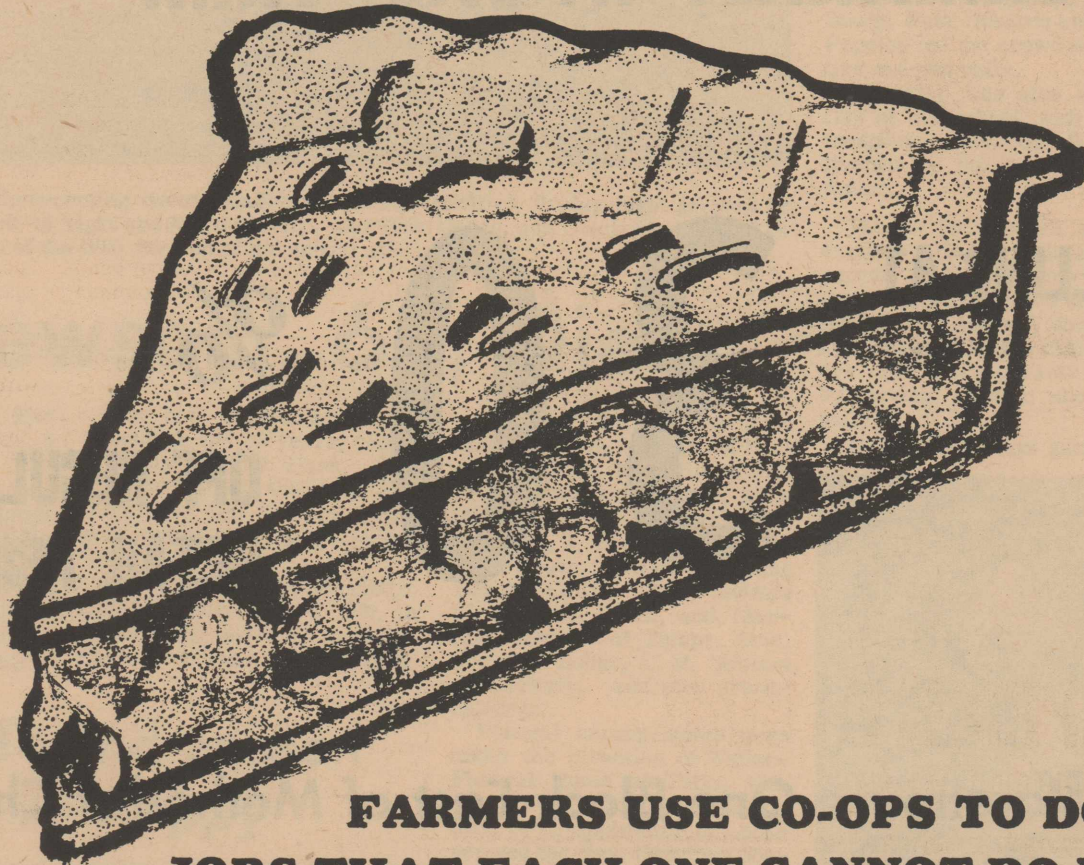

jointing, boot, and head stages produced 58.9 bushels per acre in 1965.

Wheat will normally use approximately eight and one half inches of moisture from Nov. 1 to March 21. Planting on moisture from fall rains plus an irrigation after a stand is established or dry planting and irrigating to a stand appeared to provide adequate winter moisture for wheat. An extra February irrigation in 1965 was unprofitable as it reduced the yield to 48 bushels per acre.

Dr. Earl H. Collister, director of the Foundation, said, "this research program on wheat irrigation was designed to find ways and means of more efficient farming for the High Plains of Texas."

CO-OPS ARE AS AMERICAN AS APPLE PIE

FARMERS USE CO-OPS TO DO TOGETHER JOBS THAT EACH ONE CANNOT DO FOR HIMSELF.

They work through the American Free Enterprise system to increase efficiency, cut costs and to increase their incomes. There is a cooperative gin near you. Talk with the manager or one of the directors about becoming a member.

- ★ For your cotton, we offer Trailer-to-Textile-Mill service at the Co-op gin.
- ★ The best ginning equipment, experienced personnel, top notch service.
- ★ Aggressive selling in world markets by your marketing association.
- ★ Cottonseed crushed at a cooperative oil mill.
- ★ Bales stored at efficient cooperative compress.
- ★ Quality cooperative planting seed at farmer prices.

Earnings from all these successful farmer-owned businesses returned to the men who grew the cotton. Where else can you find all this?

COOPERATING DOESN'T COST ... IT PAYS!
