OLD RANCH STYLE FRIED YEAST BREAD

1 pkg. dry yeast
1 c. warm water
2 T. sugar
2 T. shortening

2 c. flour
2 t. salt

Dissolve yeast in warm water. Add sugar and shortening. Sift flour and salt together. Add flour to liquids and mix to make a soft dough. Let rise 30 minutes. Turn on flour-board and roll out to 1/2 inch thickness. Cut into strips and drop into hot deep fat. Brown both sides well. Drain on paper towels and keep hot in oven until ready to serve. Yield: 8-10 servings.

DEKALB

302 STORM PROOF Cotton

New Vigor—Yield—Quality

Here's a strain-cross developed especially for areas where a definite storm proof boll is desired. Medium height, erect plants have short branches and great uniformity. Hybrid vigor makes 302 somewhat earlier than standard storm proof varieties. DeKalb tests show substantial increases in lint yield over most popular varieties, under both irrigation and favorable dryland conditions. Be sure to try this fine variety.

"DEKALB" is a Registered Brand Name. Numbers are Variety Designations.
