HART, CASTRO COUNTY, TEXAS THURSDAY, JUNE 9, 1966

10 CENTS A COPY

DEPUTY GRANVILLE MARTIN AND SHEENA QUEEN

Deputy, Dog Track Thieves

Deputy Sheriff Granville Martin and his police dog, Sheena Queen, tracked down a Latin American youth last Friday in a muddy field on the Swisher and Castro county lines.

The youth was later jailed in Dimmitt in connection with the theft of telephone wire which has been stolen over a period of two to three weeks in Castro, Swisher and Hale Counties.

A second youth was apprehended Saturday at Lubbock by Texas Ranger Raz Renfro. The boys, ages 14 and 17, were transferred to Lubbock this week, according to a spokesman at the sheriff's office in Dimmitt.

A third companion believed

to have been with them was still at large.

Boys reportedly were spotted taking wire late Friday night on Hwy. 194 between Hart and Edmonson by four employees of West Texas Telephone Co., Dimmitt.

Officers of the three counties were notified when the youths fled at sight of the telephone company employees.

Martin and his dog, along with Sheriff Jack Cartwright, were called in on the case and shortly after midnight, tracked down one boy.

Officers said much of the wire had been taken from near Sunnyside, Nazareth and in Hale County the past two weeks.

AT SCHOOL

Head Start In Hart

Head Start has come to Hart.

Superintendent Andy Gardenhire announced this week that Hart has recently received a grant of \$4,815 to finance the federal program.

Gardenhire explained the purpose of the program, which will continue through Aug. 26, is to "help solve the problems of non-English speaking students who have other handicaps which would keep them from progressing out of the first grade in one year."

The daily program begins at 8 a. m. and dismisses at 1:30 p. m.

Activities include "learning to play with other children, vo-

cabulary work, forming proper behavior habits, physical fitness, and health corrections, self-expression and ways to become a better citizen."

Children getting a "head start will have a daily schedule something like this:

They will be greeted at 8 a. m., then they will go to the rest rooms and wash their hands.

At 8:15 they will be given a snack, listen to records and watch slides to help get oriented into an "English-speaking" day.

They will be given a lesson in coloring and finger painting at 8:45, followed by "quiet time" at 9:15.

Music time will be held at 9:45, story time at 10 and playground activity at 10:15.

They will have lunch at 10:30 and take a nap at 11 a. m.

P. E. activities in the room will be held at 11:30 and then back to the play ground for recess at 11:45.

A 30 - minute lesson is scheduled from 12:15 to 12:45 followed by story time.

Coloring, drawing and finger painting will again take over at 1 p. m. and at 1:20, more nourishment at milk time.

And at 1:30, Head Start will finish with "time to go home".

BOARD HIRES TWO COACHES

Two new coaches have been hired by the Hart school board, according to Superintendent Andy Gardenhire.

Jim Rich of Brownwood is new boys' basketball coach and Bruce Rhodes of Lazbuddie is the new girls' basketball coach.

Rich is a graduate of Plainview High School, where he participated in athletics and was an outstanding basketball player. He played college basketball at Howard Payne and lettered three years.

He is married and his wife is also a graduate of Howard Payne College. They expect to move to Hart the latter part of the summer.

Rhodes is a graduate of Clovis High School and Eastern New Mexico College. He teaches English and math.

County's Cotton Farmers Vote Down Transfer Plan

Castro County cotton farmers do not wish to sell their cotton acreages to cotton farmers in other counties.

Last week cotton farmers in this county voted down the proposal 366 to 248. There were 644 votes cast in the referendum with 30 votes thrown out.

A "yes" vote by a two-third majority would have been necessary to permit transfer of acreages to other counties in Texas.

Balloting started May 16 and ended May 25. Ballots were mailed out to all known cotton producers.

Total cotton allotment for Castro County comes to 52,995 acres.

Results of the referendum will not affect the transfer of upland cotton allotments from one farm to another within the same

county and it will not affect transfers across county lines from one farm to another owned or controlled by the same person.

Both of these kinds of transfers are already provided by law.

The "no" vote here means that cotton allotments from this county to another county will not be made during 1967 upland cotton year.

New Schedule Announced For Summer Play Program

A new schedule for Hart's community summer recreation program was announced this week.

A gym program for students in grades 4 through 8 is scheduled from 9 to 11 a. m. on Mondays, Wednesdays and Fridays.

Gym program for students in grades 7 through 12 is set from 8 to 10 p. m. Mondays and Thursdays.

Both gym programs will include ping pong, volleyball, badminton, shuffleboard, handball, weightlifting, tumbling, basketball and dodgeball.

Swimming at Olton swimming pool for all grades is set 1 to 3 p. m. Mondays and Wednesdays.

Bus will leave from the front of the grade school building at 1 p. m. and return at 3:15 p. m. Price will be 75 cents per student.

Skating for all ages, free, will be held in the grade school gym from 9 to 11 a. m. Tuesdays and Thursdays.

Two skating sessions will be held Saturdays from 7 to 10 p. m. in the grade school gym with admission set at 75 cents per session.

Library books may be checked out at the grade school in Mrs. Duffey's room from 1 to 3 p. m. Tuesdays.

Books from the high school library may be checked out from 1 to 3 p. m. Thursdays.

THE LOCKS ARE GONE--Sharla Carson, 7-year-old daughter of Mr. and Mrs. Joe Ed Carson of Hart, got her long hair trimmed short for the first time this week. It may have brought tears to mother's eyes, but Sharla's cooler in the hot weather the area has had in recent days.

County Goes For Martin

Castro County voted for Crawford Martin as state attorney general, 258-227, over his opponent, Franklin Spears, in the second Democratic primary Saturday.

Alfons Maurer was elected as commissioner of Precinct 4 by a 229-136 vote over his opponent, W. H. Simpson.

Annual On Sale

Hart School has five 1965-66 school annuals for sale at \$4.25 each. Check at the Superintendent's office.

STATE CAPITAL Highlights AND Sidelights

AUSTIN, Tex.--Comments by legislators and water leaders generally were favorable on the \$3,700,000,000 preliminary 'water for Texas' plan of the Texas Water Development Board.

This massive plan calls for a 'rescue operation' for the Lower Rio Grande Valley irrigated region, where a recent court decision knocked out water rights of more than 100,000 acres.

Project, to be designed by the Bureau of Reclamation, would use two big reservoirs on the San Antonio River (Cibolo in Wilson County and Goliad in Goliad County), two on the Guadalupe River (Confluence in Victoria County and Cuero in DeWitt County) and one on the Lavaca-Navidad Rivers (Palmetto Bend) to link to a 190

mile canal to the Lower Valley.

Water from the three watersheds could be used for a number of years. As needs in those valleys develop, a canal would be linked to the northern end of the pipeline-and-canal system which would start at Texarkana Reservoir, go west to Dallas and Fort Worth to meet their future needs, then down the Trinity, Brazos and Colorado Rivers to link with the southern portion of the canal. Then it could be said that water from Lake Texarkana was being used in the Lower Valley--after repeated use and re-use along the 980 miles of the State in the Sinton and Baffin Bay regions also would be supplied from the canal.

In addition to the 14 reservoirs connected with the State

Water Project, the big plan proposed 46 other reservoirs or enlargements. These would supply in-basin needs in all parts of the state except Far West Texas, where there simply is not enough stream flow to justify reservoirs.

For that region, a massive research and development plan is proposed. First, a special West Texas office of the Water Development Board would seek ways to spread present supplies as far as possible. This would include recharge of the Ogallala formation from the 36,000 playa lakes in the High Plains, deepening of those rainwater lakes to cut down evaporation.

Plan also calls for West Texas to be designated by Congress as part of a study by the Bureau of Reclamation for finding new supplies for the Southwest, in the hope of bringing water from the Columbia River in Oregon by 1985, when Plains ground water supplies are expected to become severely depleted.

ATTORNEY GENERAL RULES Atty. Gen. Waggoner Carr has held that veterans and fraternal organizations may charge a service fee for serving drinks from liquor owned by members without having a private club registration permit.

In other recent opinions, Carr decided:

Texas Educational Foundation, Inc., operator of Gary Job Corps Center, San Marcos, is not exempt from state motor fuel taxes.

Clarewood House, a Harris County retirement home for aged, is entitled to ad valorem tax exemption as an institution of a purely public charity.

State agencies may pay registration fees for employees attending required courses of instruction in new laws, programs, etc.

Only licensed engineers are legally entitled to use such titles as "sales engineer," "safety engineer," etc.

Parolee "eloper" from another state cannot be turned over to proper authorities without usual extradition formalities. (Restatement)

State military men on official trips are not entitled to free use of toll roads, and a law attempting to give them that privilege is invalid.

A soil and water conservation district does not have the power to create a separate, non-profit corporation for operating a natural gas distribution system.

SHORT SNORTS--Cigarette tax total for May was nearly \$3,000,000 over the \$7,600,000 take a year ago, and \$1,000,000 over April of 1966. Liquor and wine tax income is down from 1965.

Texas State Teachers Association endorsed a new statewide water plan on grounds that it will promote greater industrial development and help provide local school districts more tax funds for education.

Arlington State and Texas Western University presidents, deans of South Texas and Southwestern medical schools and the director of the Cotton research Committee should be compensated for official travels on an actual-expense basis.

Segal Wheatley of San Antonio and Douglas DeCluitt of Waco have been added to the Texas Election Law Study Committee.

IT HAPPENED IN HART.....

ONE YEAR AGO

Roy Pyeatt, who farms five and one-half miles north of Hart, brought the first load of wheat into Hart elevators Monday afternoon.

The Rev. Douglas Gossett has been named to succeed the Rev. Elmer Phillips as pastor of the Methodist Church of Hart.

Firemen named new officers Monday night. Those named were Lyndell Warren, Bobby Reed, T. R. Warren, W. T. King, Richard Entrikin and Stewart Newsom.

The Chamber of Commerce announced that it will collect items of need for the Hale Center tornado victims.

THREE YEARS AGO

Winners in the picture contest were La Glenda Wilson, first, Bobby Van Burress, second, and a tie for third between Bill Warren and Kim Davis.

Vacation Bible School has been in progress this week at the First Methodist Church in Hart, with a report of being well-attended.

Hart student swimmers have been helping out with instructions in the summer swimming program. Mrs. Eddie Nicholson and G. C. Graves are the adult instructors. There are 42 swimmers registered for the lessons.

Laura Dudley Hosts Party

Debbie and Kirk Hansen were honored with a farewell party, Saturday June 4 at the home of Laura Dudley. The affair was a yard party. Refreshments of cokes, lemonade, cookies and potato chips were served.

Those attending were the honorees, Debbie and Kirk Hansen, and Dena Gardenhire, Larry Sanders, Dee Anne Clevenger, Ike Graves, Beverly Hill, Scott Rice, Nancy Graves, Dennis Hill, Jennifer Smart, Alan Shives, Jean Foster, Craig Harlin, Rhonda Newsom, David Bass, Debbie Bailey, Steve Cox, and Gayle Reed.

KITCHEN KORNER

BY LELA GALLION

With school out it really makes a difference in trying to think up meals and those extra snacks that the children seem to require. Why not try this for a mid-afternoon snack or evening dessert?

Jello Rainbow Cake
1 package each (3 oz pk) of Black Raspberry, Lime, Lemon, Orange and Strawberry Jello
2 1/2 cups cold water
5 cups boiling water
1 cup whipping cream

Dissolve each package of jello separately in 1 cup of boiling water. Add 1/2 cup cold water to each. Chill each jello until just thick. Whip the black raspberry and pour into a large angel food cake pan which you have lined with waxed paper extending 3 inches above pan. Let this layer chill while you whip the next flavor and then pour on the top of raspberry jello and do this until you have used all your flavors. Let stand overnight or until well set. Turn out carefully on to serving plate and frost with whip cream. Let stand until you are ready to serve, then slice as a cake. This makes a very attractive dessert. You may of course use any different varieties of flavors as your tastes may vary.

Tuna Bake
1/3 Cup chopped green pepper
3 tablespoons chopped onion
3 tablespoons shortening,
4 tablespoons flour
1 teaspoon salt
1 can cream of mushroom soup
1 7 oz can of tuna
1 1/2 cups of milk
1 can of biscuits

Cook pepper and onion in shortening until tender, add salt and flour blend. Add soup and milk cooking until thick. Add flaked tuna. Pour mixture into buttered baking dish and top with biscuits. Bake in moderate oven 30 min.

ATTEND SHOWER

Mrs. Hubert Maples visited her son and family, Mr. and Mrs. Glen Maples Saturday, and while there attended a bridal shower for her granddaughter, Mrs. Glenn Ann Schoen, in the home of Mrs. Rickey Higdon.

Schoen is in the army following induction May 19. He is stationed at Ft. Bliss at present.

Grain Marketing Year Changed

Grain sorghum marketing year for Commodity Credit Corporation minimum sales pricing purposes has been changed from July 1 through June 30 to Oct 1 through Sept 30. The change will be in effect for 1966-67.

This action will put grain sorghum on the same marketing year as corn and will result in a parallel escalation of CCC's minimum sales price for corn and sorghum throughout the entire marketing year. A beginning date of Oct 1 will more closely coincide with the major harvest in the West Texas-Kansas-Nebraska area.

This change results in a transitional period between the end of the current marketing year June 30 and the start of the new year Oct 1. During this three month transitional period

and for the first month (October) of the new marketing year, CCC's feed grain minimum sales price will be the 1966 crop loan rate plus an initial markup as usual to reflect the receiving cost.

Starting Nov. 1, CCC's minimum price for corn and grain sorghum will begin to escalate by the amount of the monthly increment for carrying charges.

Grain sorghum minimum price for 1966-67 will be based upon the 1966 crop loan rate which is 13 cents per cwt. below 1965. However, sales made by CCC will be at the higher of the market price or the feed grain minimum.

GETS AWARD

Bill Sanders, son of Mrs. M. L. Simpson, was awarded the American Legion Citizenship Award at Dimmitt Junior High graduation. He is the grandson of Mr. and Mrs. M. M. Smitherman and Mr. and Mrs. Frank Sanders of Hart.

Sunburn Time Here Again

One dermatologist (skin specialist) has predicted that suntanning some day will no longer be a "status symbol" and that people will quit basking their outer hides to a golden brown each summer.

The dermatologists have long known of the hazards of suntanning, such as premature aging of the skin and various freckles and blemishes.

Sun bleaches the hair, too, and over a period of time the sun-bleached hair becomes brittle and unmanageable. However, the damaged hair will eventually grow out.

The physical benefits of tanning are almost nil. The only beneficial effect of sunlight, other than the psychological lift of sporting a good tan, is the formation of vitamin D, and the American diet already provides an ample supply.

Gradual tanning with a minimum of discomfort is possible for most people. Gradual exposure to the sun is the safest and simplest method of acquiring an attractive tan. As a general rule, begin with 15 minutes exposure the first day, and increase the time by a few min-

utes a day. The time of day is important, with the midday period, when the sun is directly overhead, being the hottest for burning purposes.

But your doctor also knows that, whatever the future brings, some Americans today still are suntanners, and thus the American Medical Association suggests that if you must tan, do it without burning.

Continued tanning brings gradual changes in the blood vessels of the exposed surfaces. The connective tissue of the skin degenerates, causing wrinkles and a coarsening of texture. The "V" of the neck becomes permanently reddened and freckle-like dark spots appear on the skin. These spots can sometimes be the start of skin cancer.

VISIT CLAYS

Mr. and Mrs. James Clay and children of Nara Visa, N. M. spent the weekend in Hart visiting Mr. and Mrs. T. A. Clay and Mr. and Mrs. T. R. Davis, their parents. T. A. Clay was in the hospital in Dimmitt last week.

PET OF THE WEEK is Ginger, 6-year-old dog given to Cheryl and Terry Newman by the Max Stephens. Here, Ginger waits patiently for Terry to return from taking his driver's license test.

CARD OF THANKS

The family of Mrs. Hattie Young wishes to express their deep appreciation of the kind messages, flowers, deeds and prayers extended to them during the loss of their beloved mother. We realize more how much our friends mean.

Mr. and Mrs. Jimmie H. Davis & Duane from Hart
 Mr. and Mrs. Jack Guthrie & children from Dimmitt
 Mrs. Neta Jo Uzzel & children from Oklahoma City, Okla.
 Mr. and Mrs. Ray Young & Children from Winters, Calif.

VISIT BROOKS

Mr. and Mrs. Bob Edd Brooks and family of Plainview visited Sunday in the home of his parents, Mr and Mrs. Robert Brooks.

J. C. Webb Gets Degree

James C. Webb, graduate of Hart High School in 1957, received his Bachelor of Science Degree in electrical engineering from the University of Texas June 5.

Prior to attending the university, Webb spent four years in the U. S. Air Force and attended Amarillo Junior College for two years.

While attending the university, he received a tuition aid scholarship from the Women's Auxillary Pandhandle Chapter of the Texas Society of Professional Engineers in Amarillo. He is a member of the Institute of Electrical and Electronics Engineers.

He has accepted a position as technical and managerial trainee with the Aluminum Company of America at Port Lavaca.

Webb is the son of Mrs. Bernice Webb, Amarillo, and is married to the former Ione Van Vliet.

The graduation services were attended by Mrs. Bernice Webb, Mrs. Perry Van Vliet, Allene Van Vliet, Pam Houston and C. P. Little.

VISITING BROOKS

Cynthia Armstrong, daughter of Mr. and Mrs. Deward Armstrong of Clovis, N. M., is here spending the summer with her grandparents, Mr. and Mrs. Robert Brooks.

VISITING CHEATHAMS

Mr. and Mrs. H. L. Cheathams recently went to Texarkana and brought their granddaughter and Mrs. Cheatham's mother, Mrs. Moore, home with them for a visit.

WSG Officers Are Installed

Installation of officers was the program at the meeting of the Wesleyan Guild of Hart First Methodist Church Wednesday June 1.

Installing officer was Mrs. Douglas Gossett. Devotional center featured a cross, candles, Bible, praying hands and a world globe. "The Challenge of the Cross" was the subject.

Each officer accepted a cross as symbolic of her service with appropriate Scripture to guide her in the coming year, as she approached the altar.

Mrs. Bill Bell was presented a life membership.

New officers installed were president, Mrs. T. B. Cox; vice-president, Mrs. Buster Aven; spiritual life secretary, Mrs. Bill Bell; recording secretary-treasurer, Mrs. Andy Gardenhire; secretary of Christian social relations, Mrs. C. W. Seage; and secretary of missionary education, Mrs. Robert Brooks.

Next meeting will be June 15 at 7 p. m. at the church.

CALIFORNIA TRIP

Mr. and Mrs. Willis Hawkins Sr. and David and Theron Hawkins, sons of Robert Lewis Hawkins, left May 22 to attend the marriage of Leta J. Harris to Dennis Heiny in San Diego. The wedding was at 8 p. m. May 26. Leta J. Harris is the granddaughter of the Senior Hawkins'. The Hawkins later visited in the home of their daughter, Mr. and Mrs. S. A. Harris of San Diego, Calif. With other relatives in Bloomington, Calif. They returned home June 4.

WHO'S NEW

Mr. and Mrs. Jerry McKay of Fort Worth are the parents of a son Ricky Lynn weighing 9 pounds, 8 ounces born March 29. Grandparents are Mr. and Mrs. Elmer McKay. Mrs. Elmer McKay is at Fort Worth this week helping with the new grandson.

AT CAMP

Sherilyn Morrison and George Bennett spent part of last week at camp at Ceta Canyon.

HART PRESENTS Benny and Penny Bennett, children of Mr. and Mrs. Ike Bennett. Grandparents are Mrs. A. C. Bennett of Gunter and Mr. and Mrs. Homer Smith of Whitewright.

NATIONAL GUARD

Danny Godfrey has joined the National Guard Unit at Clovis, N. M. and has gone to Fort Bliss, where he will be for two weeks. Then he will be home until the last of July, when he will leave for his six month's training.

RETREAT

Miss Kay Smith and Miss Linda Bailey accompanied Douglas Gossett to the Shining Light Sub-District Retreat at Ceta Canyon June 3 and 4. Mike Hinkerson of Lazbuddie was elected new president of the district for the coming year.

IN LUBBOCK

Mrs. Dwight Miller and Mrs. Derryl Clevenger took Carol Miller, Ione and Deanne Clevenger to Lubbock to attend the Youth lectureship at Lubbock Christian College this week. They will return Friday.

VISITS PARENTS

Tommy Morrison, son of Mr. and Mrs. Theron Morrison, spent a week at home from Texas Tech, then returned for the first session of summer school.

IN ARKANSAS

J. J. Newsom, Mrs. Stewart Newsom and girls and Mrs. Frank Wylie and children went to Ink, Ark. this week to visit relatives.

VISIT DAVISES

Mr. and Mrs. Louis Sweatt of Jal, N. M. are staying here parents, Mr. and Mrs. T. R. Davis, while Sweatt spends time at the bedside of his mother, Mrs. Ed Sweatt, who is ill in the Plains Memorial hospital in Dimmitt. Mrs. Ed Sweatt is also the aunt of Mrs. W. A. Hawkins Sr.

VISIT KEENOMS

Mr. and Mrs. Wayne Brown and children of Potsboro visited recently in the home of his grandparents, Mr. and Mrs. G. C. Keenom.

HOME FOR THE SUMMER

Neoma Brooks, daughter of Mr. and Mrs. Paul Brooks, is home for the summer from West Texas State College. Miss Brooks was on the dean's honor roll with a 3.0 average.

VISIT BELLS

Mr. and Mrs. Thurston Tollett and son, Art, of Olton enjoyed a fish fry in the home of Mr. and Mrs. Bill Bell and sons last week. Mrs. Tollett is a sister of Mrs. Bell.

IN COLORADO

Mr. and Mrs. Lloyd Davis and daughter and Mr. and Mrs. Sam McGill and daughter spent the weekend in La Marr, Colo. at the home of Mr. and Mrs. George Langtroup.

great for getting things done
a personal extension phone

This busy homemaker finds her days are easier and she gets more done because a phone is where *she* is. Her own personal extension phone in the kitchen often helps her do two things at once, like watching dinner and phoning a PTA list. For a helper in your kitchen, order a colorful personal extension phone from the telephone business office.

WE'RE IN THE MARKET FOR YOUR WHEAT

Again this year, we are glad to have the opportunity to serve farmers of the Hart area as they harvest their wheat.

We want to say "Thank You" for your past business and invite you to bring us your wheat.

We appreciate your business.

New Wheat Allotment Deadline Near

Farmers who wish to be considered for a "new farm" allotment for the 1967 crop of winter wheat on a farm which does not have a 1966 wheat allotment should get in touch with the ASCS county office during the next few weeks. Jim Elder, chairman, Agricultural Stabilization and Conservation County Committee, said today. Such farmers have until July 1 to file applications for such an allotment.

A producer eligible to file such an application is one with a farm for which no wheat allotment has been established and for which neither the owner nor the operator has an interest in the wheat allotment on any other farm, who has available land and adequate equipment and facilities for the successful production of a wheat crop on the farm, who during the last five years has had at least two years' experience in producing wheat, and who as an operator expects to receive 50 percent or more of the current year's income from the total production on the farm (not including the anticipated income from wheat produced on a "new farm" allotment.)

Other factors are involved, and it is suggested that interested producers discuss the details with officials at the ASCS county office.

The chairman said that formal application for a "new farm" wheat allotment may be made by filing a written application at the ASCS county office prior to the July 1 deadline.

Swim Safety Rules Told

With the outdoor swimming season here again, the safety experts predict with certainty that more than 6,000 Americans will drown in the coming months.

They will drown in swimming pools, in lakes and streams, at ocean beaches. Some will drown while in for a refreshing swim and others will fall out of boats or off docks and piers.

Many, if not most, of these drownings need not happen.

Today's Health, the family magazine of the American Medical Association, offers some basic safety rules that will help to avoid a tragic water accident for your family --

- * Learn to swim and to relax in the water.
- * Never swim alone.
- * Do not swim when overly tired or when the water is extremely cold.
- * Do not over estimate your ability and endurance.
- * Swim at protected pools or beaches under the supervision of a trained lifeguard.
- * If a boat overturns, stay with it and don't try to swim a long distance to shore.
- * Never dive into waters of unknown depth.
- * Try new activities, such as water skiing or scuba diving, only after learning the skills from qualified instructors.

IN OKLAHOMA

Mr and Mrs. T. R. Davis went to Oklahoma City, Okla. last week to visit their son, Mr. and Mrs. Bob Davis.
