GREETING GUESTS at the Hart Producer's Co-op Gin dinner Saturday night are, left to right, Theron Morrison, Dean Sanders and Ike Bennett.

200 Turn Out For Co-Op Meet

Stockholders of Hart Producer's Co-op Gin held the ninth annual meeting Saturday night at the school cafeteria with approximately 200 attending the barbecue dinner.

New directors elected for three year terms are Warren

Lemons and Vernon Mapp. They replace out-going directors, L. W. Bennight and S. R. Hutto. David Nelson was re-elected.

Business meeting was conducted by Dean Sanders, president, and report of audit was presented by Don Nickels of Lubbock with gin earnings at \$7.16 per bale.

Hutto, in behalf of the membership presented a chair to E. E. Foster, who retired as manager of the gin April 30. New manager is Ike Bennett, who moved here from Lubbock in April.

Wesley Master of Southern Farm Supply, Amarillo, presented a 10-minute film on co-op fertilizer and music was furnished by Mrs. Keith Howard of Dimmitt.

Other out-of-town guests included John McQuien, manager of Plainview Co-op Compress; Dick McClung, Plains Co-op Oil Mill, Lubbock; Jesse Mickey, Plains Cotton Cooperative, Lubbock; Stanley Pace, Grower's Seed Association Lubbock; Wayne Martin, Plains Co-op Oil Mill, Plainview; and Don Russell, Southern Farm Supply, Amarillo.

Jerry Smith At Boys State

Jerry Smith, 17-year-old son of Mr. and Mrs. F. A. Smith, is in Austin for the 1966 Boys State, to run through Saturday.

He was selected by the faculty of Hart High School on the basis of leadership, character, integrity and scholarship.

American Legion Post 311, Hart, is sponsoring the trip. Smith is president of the student council at Hart High School for the 1966-67 term, was pin-up boy in the 1966 annual, vice-president of FFA in 1966 and is a member of the Hart Riding Club.

Methodist Youth To Work

Senior high youth of the Hart Methodist Youth Fellowship will be looking for odd jobs this Saturday, June 18.

Need any windows washed, lawns mowed, or any other work to be done? Call 938-2462 any time after 6 A. M. Saturday.

Anyone planning to be out of town Saturday may call any time this week. Charge is 75 cents an hour.

FUNERAL

Mr. and Mrs. Alvin Talley attended the funeral of Talley's sister-in-law, Mrs. C. R. Dameron of Hereford, last week.

Heavy Rains, Some Hail Strike Hart Community

Rainfall up to two and a half inches was reported in the area after dark skies dumped the moisture here last Friday.

Charles Martin, who lives east of Hart on the Nanny Farms, reported two and a half inches and noted that the crops look good.

He said that the rain came at a "perfect time" and added that the wells would have been turned on the next day had it not rained.

On the northeast end of the Nanny Farms, B. H. Rogers and M. C. Gardner reported heavy hail damage to the cotton.

Tump McLain reported two inches of rainfall and no hail. He said that the crops are looking good there.

Damage to crops from hail and high winds was reported by F. A. Smith. He farms southwest of Hart.

Wade Mills, north of town, reported two inches of rain

with crops doing fine. He expected to start cutting wheat sometime this week.

Official rainfall report for this month was set at 2.38 inches.

Pyeatt Delivers First Area Wheat

Roy Pyeatt, who farms five and one-half miles north of Hart, has delivered Hart's first wheat of the 1966 crop for the sixth consecutive year.

Pyeatt brought in Castro County's first load Monday at 7 p. m. to Hart Grain Co.

The load, weighing 12,760 pounds, was grown on irrigated land and is making 25 to 26 bushels to the acre. Moisture content was 15 per cent.

The Early Triumph wheat had a test weight of 59 pounds.

Pyeatt said some heads were shriveled, probably due to the late freeze.

Hart Grain manager, Wister Clevenger said Pyeatt will receive a premium price of \$2.00 per bushel for the first load, 40 cents above market price.

Riding Club Attends Meet

Hart Riding Club attended the third district play day at Lubbock Sunday, June 12 in the Lubbock Rodeo Association Arena.

Registrations were held from 8 to 10 A. M. and then church services were held. Actual games start at 11 A. M.

There are nine games, all played on horseback, including keyhole, pole bending, flags, potato spearing, barrels, ribbon race, baton relay, ring spearing and the wagon race.

The group from Hart had 14 contestants and a number of fans. This time they had 213 personal points and 174 club points.

On Vacation

The Hart Beat office closed today to allow the staff to take a summer vacation.

Office will open Monday June 27.

Lyndall Warren Is Elected Chief By Hart Volunteers

Lyndall Warren was recently elected fire chief by the Hart volunteer fire department.

Other new officers include Richard Entricken, assistant fire chief; Dub Bruington, captain; Dwayne Davis, lieutenant; T. R. Warren, secretary-treasurer; and Lloyd Davis, drill master.

Membership committee members are Stewart Newsom, W. T. King, Rod Roland, Entricken and Bruington.

A project of selling tops for trash barrels is being considered by the department.

There are 19 active members of the Hart fire department.

Others include Kenneth Warren, Doyce McAdams, Aubrey Meyers, Bob Reed, Jim Smith, Darryl Lacy, Calvin Alexander, Bobby McLain, Pepper Martin and Roger Lancaster.

CO-OP GIN DINNER—Crowded cafeteria scene is shown above at the Hart Producer's Co-op Gin dinner here Saturday night. Business session was held following dinner.

No Burning Of Residue

The ASC State Committee has determined that deliberate burning of crop residues, other than flax, violates reasonable conservation principles and will be considered a practice tending to defeat the purposes of the Agricultural Conservation Program.

Counties have been asked to use available means to remind farmers of this decision of the State Committee at this time, since there have been reports of extremely rank wheat, barley and rye stubble in some areas.

Farmers who burn stubble risk the loss of cost-share payments under the 1966 ACP.

LETTERS TO THE EDITOR

Dear Editor

At 4 p. m. on Thursday, June 16, I will depart from Lubbock by way of Braniff International. I will first stop in Dallas and from there go to Mexico City, arriving at 9:11 p. m. that night.

This is just the beginning of what I believe will be a most exciting summer. I will attend classes at the Universidad Ibero-Americana in Mexico City and will probably study Spanish, since I have no knowledge of the language.

My roommate (whose name I do not know) and I will be staying in the home of Ira. Maria Eugenia Vinas during our 7-week school session. I will register for classes on Friday, June 17. Classes start on Monday, June 20 and continue until July 30.

I will have two 75-minute classes each morning 5 days a week starting at 8:00-9:15 and another class at 10:40-11:55. The first 3 weeks I will take First Year Spanish I and the last 3 weeks, I will take First Year Spanish II. So you see, I will have my hands full. There are 3 tours included in the school which are obligatory. The students have a selection of tours which they may choose from.

Last year there were 514 students enrolled from 150 American colleges and universities. More than 50 Canadian students participated with token representations from England, Denmark, Honduras, Columbia,

Cuba, and other Latin American countries.

I'm looking forward to my trip with high anticipation and expecting to have a most exciting summer.

STATE CAPITAL HIGHLIGHTS

NATIONAL GUARD--Sunday 7, 000 men from the 49th Armored Division and 5,000 members of the 36th moved into North Fort Hood for two weeks of extensive field training. But Texas Adjutant General Thomas Bishop said he has heard nothing to indicate a possibility of a call into Federal service for the Texas National Guard units.

Answering charges that the Selective Service office in Texas is shirking on draft calls, draft director Col. Morris Schwartz said 102,130 Texans who enlisted and another 16,274 who had been drafted were in the armed services as of March 31.

Although racial records are forbidden in the armed forces, Schwartz said it is evident from the places where the 53-percent draft rejection rate of Texas are greatest, the high proportion of rejections occur among Latin American and Negro youths, who failed some service tests.

In April, Schwartz said, Texas' draft quota was only 866 but 1,458 Texans volunteered and another 1,133 were inducted by draft.

OIL RULE CHANGES--Oil exploration companies got their third boost of the year from the Texas Railroad Commission when the Commission increased from five to ten the number of oil wells in a new onshore field which get bonus production allowables.

This 10-well rule was urged by spokesmen for major and independent oil companies as a way to speed up identification of new reserves to meet oil supply demands in the 1970's.

Earlier this year, the Commission extended from 18 to 24 months the period during which wells in newly-found fields get bonus allowables, exempt from proration, and granted higher discovery allowables for offshore wells to allow quicker pay-outs there.

APPOINTMENTS -- Mrs. Raybourne Thompson of Houston, Wendell W. Mayes of Brownwood, and E. Gary Morrison of Austin have been appointed by Governor Connally to Board of Regents of Texas Woman's University. Reagan Houston III of San Antonio has been re-appointed.

Mrs. Gladys Drake, assistant professor of education of the deaf at Texas Woman's University, has been appointed by Lt. Gov. Preston Smith to Citizens Advisory Committee to work with the Texas Legislative Council's Study Committee on Services for the Deaf. Findings are to be reported to the 60th Legislature in January, 1967.

ONE YEAR AGO

Water from the rain caused the lake next to Hart Producer's Co-op Gin to become a lake surrounding the gin. The lake left some cotton trailers in six feet of water and nearly flooded out farm laborers in nearby buildings.

Hart's special summer classes are in full swing, with enrollment in reading classes reaching 18 and additional pupils being tutored in high school math.

The Methodist Youth Slave Day will be held Saturday from 8 a. m. until 4 p. m. Anyone needing lawns mowed, windows washed and other odd jobs may contact one of the youths.

Mr. and Mrs. Charles Black were among travelers to Jamaica courtesy of the Phillips Purolator sales.

THREE YEARS AGO

Joe Bob and Billy Frank Sanders, sons of Mrs. Polly Sanders, went to work one morning only to find a thief had robbed their paper racks, - in fact they took the racks, newspapers and the money.

Rain, hail, wind-whipped sand, root-rot and thrip have left the crops in the area rather poverty-looking. The heavy rains which have fallen this month have slowed business on every corner.

Hart Lion Club speaker, Dr. Arthur Golhke of High Plains Research Center has chosen a timely subject for his speech Monday. The soil scientist will speak to Lion members on the problems of root-rot.

Hart's Redlegs Little League team remains unbeaten in five outings, having won four, and tied one.

CONGRATULATIONS ...

METHODIST YOUTH FELLOWSHIP

DINNER SCENES at the Hart Producer's Co-op Gin dinner are pictured above and below. Out-of-town guests are shown in one picture and diners in the cafeteria in the other.

Youth Council Meeting Held

First Methodist Youth Council of Hart met last Sunday afternoon to plan their program. This council is composed of the officers, George Ed Bennett, president; Miss Sherry Morrison, vice-president; Miss Linda Bailey, secretary-treasurer; and the program area chairmen. These are witness, Ricky Bennett; outreach, Miss Brenda Armstrong; faith, David Brooks; citizenship, Larry Parker; fellowship, Miss Kay Smith.

The adult workers with youth are also in the council and they are Mrs. Margaret Morrison, senior youth class teacher and youth division superintendent; Mrs. Ed Bennett, Jr. high youth class teacher and chairman of the commission on education; Mr. and Mrs. Newlon Roland, senior youth counselors; and Mrs. Bill Bell, jr. high youth counselor. The pastor and the church school superintendent, Joe Bailey, are also members of the youth council.

An installation service for these officers of the Methodist Youth Fellowship will be held next Sunday during the evening worship service beginning at 6:30 P. M.

The youth have planned a work day for this Saturday, in which they will work by the hour at odd jobs. This money will be used to help defray expenses of those youth going to McMurry's summer assembly. Those interested in having the youth work for them may call the church office No. 938-2462.

Other things they have planned for the summer week days include fun nights on Wednesdays (except for fourth Wednesdays, then it will be on Thursday nights.) These programs will have a devotional time. The events are swimming and picnic party, the picture "Sound of Music", a sing-song at the parsonage, ice cream supper, a hootenany (talent show), a hay ride, a skiing party, and a jubilee watermelon party. The junior high group will be meeting separately on Friday nights June 17, July 8, Aug 5, and with the seniors Aug. 17.

The more serious and spir-

itual part of the program for the summer includes the Sunday School classes for junior high youth, and for senior high youth at 10 A. M., the evening programs for both groups at 5:30 P. M., the worship services of the church, and the summer seminar.

The summer seminar has been set four nights of the week beginning Monday, July 18. The youth have chosen as a theme, "Methodist Beliefs for Today". Resource and inspirational speakers have been invited one night each to speak on the following successive topics: "Beginnings", "Doctrines", "Organization and Mission", "Membership as Disciples of Jesus Christ". The youth will also be participating in the church's summer revival, tentatively set Aug. 7-12.

In addition to these, some of the youth will be participating in the conference college and camp programs. About ten junior high youth are registered for the camp at Ceta Canyon, Rt. 1, Happy, next week. Warren Gossett and Mrs. Bill Bell will be working as counsellors in this camp.

The senior highs will have their camp at Ceta Canyon Aug 1-5, called "Youth in Dialogue".

McMurry College, Abilene, is sponsoring two assemblies for youth this year. The first one June 21-25, is for mid-high school youth in ninth and tenth grades. The second assembly is for senior high school youth in the 11th and 12th grades. It is to be July 5-9. About five Hart youth are planning to attend this latter assembly. One adult counsellor is required for each 10 youths attending. Youth have the opportunity to take short courses of study in most of the fields of Christian belief and endeavor, recreation, and inspirational worship services.

Another opportunity for youth interested in missions of the church will be to attend the "Outreach" camp at The Butman Methodist Camp, Rt. 4, Merkel, July 18-22

Local Methodist pastor has the necessary registration information for those desiring to attend.

KITCHEN KORNER

BY LELA GALLION

Since June is dairy month I thought I would use some recipes using dairy products. Milk is not as fattening as some may think and we all need some milk or milk products every day in our diets.

- BACON-CHEESE SPECIAL**
 Baking sheet Preheated broiler
 8 sandwiches
 8 strips bacon
 Butter, softened
 4 sandwich buns, cut in half
 2 eggs, well beaten
 2 C (1/2 lb.) shredded Swiss Cheese
 1/2 t salt
 1/8 t pepper
 1/2 t paprika
 1/2 t Worcestershire sauce
 1 t lemon juice
 Dash of garlic salt
 Dash of celery salt

Cut bacon strips in half and cook partially. Butter cut side of buns; toast under broiler until lightly browned. In a bowl combine eggs, cheese, salt, pepper, paprika, Worcestershire sauce, lemon juice, galic and celery salt. Spread on toasted side of bun; top each with 2 pieces of bacon. Place on baking sheet; broil until cheese is lightly browned and bacon crisp.

Add a new twist to breakfast by sprinkling Cheddar cheese over scrambled eggs and allow just to melt before serving. Serve with blueberries and cream, butter-cinnamon toast and milk.

- CHOCOLATE-PEANUT-ICE CREAM PIE**
 Pie plate, 9 inch
 Preheated 350 deg. oven
 1 1/2 cups graham cracker crumbs
 1 T sugar
 1/4 C peanut butter
 3 T butter, melted
 2 C (12 oz., Pkg.) Semi-sweet chocolate pieces
 1 C whipping cream
 1 t vanilla
 1 quart vanilla ice cream, softened
 Half and half or Milk
 Salted Spanish Peanuts

Mix crumbs and sugar; blend in peanut butter with pastry blender. Blend in butter, Press crumb mixture firmly against botton and side of pie plate. The easy way is to use an 8-inch pie plate inside the 9-inch plate to press crumbs into shape. Bake 8-10 minutes; chill thoroughly. In a small saucepan over low heat melt chocolate pieces in whipping cream; stir in vanilla. Cool, Spoon ice cream into crust, dribbling chocolate sauce (takes about 2/3 cup) among the spoonfuls of ice cream to give marbled effect; cover and freeze. Thin remaining chocolate sauce with a little half and half or milk. To serve pie, spoon chocolate sauce over each serving and sprinkle with salted Spanish peanuts.

Milk Facts
 Did you know that one quart of milk weighs 2.15 pounds?
 * * *

To make one pound of butter requires approximately 21 pounds of whole milk.

One pound of whole milk cheese takes 10 pounds of whole milk and one gallon of ice cream takes 12 pounds.

'Common Sense' Is Rule For Getting Good Sun Tan

With the return of warm, sunny days, millions of Americans are once again toasting exposed skin at the beach, beside the pool, in the backyard, almost anywhere out of doors. Many of the sunbathers are using one of the sunscreen lotions and creams that are now readily available, in an effort to acquire a tan with a minimum of burning and discomfort. Actually, your doctor will tell you that suntanning has little or no beneficial effect on your health. Excessive tanning can cause premature aging and wrinkling of the skin, and can be the trigger that brings about skin cancer. But, if you insist on tanning, you will be interested in some facts on sunscreen lotions and creams. Sunscreens are chemicals which absorb various wave lengths of ultra violet rays to various degrees. They do not shut out all radiation, else you would never tan. Among the most effective sunscreens are some long, technical names—para-aminobenzoic acid and its derivatives, the salicylates, and a digalloyl trioleate compound. Read the label to be sure the product you select is a sunscreen.

Apply the sunscreen product at least every two hours, after each swim, and whenever the protecting film may have rubbed off. Give vulnerable areas such as neck, shoulders and nose a double dose.

Also available are artificial suntan lotions which produce a color change on the skin simulating a natural tan. It is important to realize that artificial suntan products do not provide protection against sunburn unless they also incorporate a suncreening agent.

Lubricate the skin to help prevent excessive drying effects of the sun. Apply an emollient cream or lotion before retiring.

Even more important than use of lotions and creams is the exercise of common sense: Don't stay in the sun too long.

JUDY SIMS

Recipe Of The Week

Our recipe this week comes from Judy Sims, 14-year-old daughter of Mr. and Mrs. Sid B. Sims.

Judy plays basketball at Hart School and is a member of the Baptist Church. She has one brother and one sister.

ANGEL DELIGHT

1 C dark or golden raisins
1/4 t grated orange peel
1 T lemon juice
1/4 C sherry
4 egg whites
1/4 t salt
1/2 C sugar
3 or 4 angel food cake pieces

Combine raisins, orange peel, lemon juice and sherry. Cover and let stand 3 or 4 hours or overnight. Beat egg whites with salt to soft peaks. Gradually beat in sugar to make a meringue. Fold cake pieces into

meringue, then marinated raisins and any remaining marinade. Spoon into 1 1/2-quart souffle dish or similar baking dish. Bake in moderate oven (350 degrees F.) about 25 minutes. Serve warm with custard sauce, whipped cream or light cream. Makes about 8 servings.

Federal legislation to bring farm workers under a federal minimum wage has been introduced by liberal, labor-minded legislators in every year at least since 1956.

And agriculture interests have been able until 1966 to defeat such measures on the grounds that they were inequitable and impractical and that they would hurt, not help, farm worker, farmer and consumer alike.

But in 1966 reason and sound logic have not prevailed in the House of Representatives. The house has passed and sent to the Senate H. R. 13712 which would extend minimum wage coverage to all hired farm labor on farms where more than 500 man-days of agricultural labor were employed during any calendar quarter of the preceding calendar year. Members of a producer's immediate family and piece-rate hand-harvesting workers who commute to work from their homes and who worked less than 13 weeks in agriculture the previous year would not count toward the 500 man-days.

Minimum wage for farm workers in the House bill would begin at \$1 per hour in February, 1967, and increase 15 cents per hour each year to \$1.30 per hour in 1969. Overtime provision, however, would not apply to agriculture.

Also, the complete overtime exemption for cotton compresses and cottonseed oil mills would be eliminated and the specific minimum wage exemption to workers in cotton gins would be knocked out. The overtime exemption for gins would be retained.

Industrial workers now under the minimum wage law would be raised by this new bill from the current \$1.25 minimum to \$1.40 next Feb 1, then to \$1.60 an hour Feb 1, 1969.

Newly covered workers in industry would start at a \$1 minimum next Feb 1, and go up 15 cents each year for the next four years. Most processors of agricultural products will fall in one

or the other of these two categories.

"Man-day" in the agricultural section of the bill means any day during any part of which an employee performs any agricultural labor.

The wage paid to an employee would include the reasonable cost, "as determined by the Secretary of Labor," to the employer of furnishing the employee with board, lodging or other facilities if furnishing such facilities were a customary practice of the employer.

Only a limited number of

farmers on the High Plains would be directly affected by the wage bill. But Ed Dean, Labor relations representative for Plains Cotton Growers, Inc., believes that no farmer who uses hired labor would escape the indirect effects.

He points out that if the relatively few larger farms are paying \$1.30 an hour, the labor shortage would force smaller farmers to meet the level in order to get competent help.

The increase in labor costs to cotton service and supply establishments that would come about through passage of the bill, and even the increase in the industrial minimum wage, would also have repercussions to the farmer. Industry will have no alternative but to pass their additional costs right back to producers and consumers in the form of higher prices if the bill becomes law.

Dean went on to say: "The bill is clearly inflationary when inflation is one of our most serious domestic problems; it

would raise the cost of growing cotton when prices and production are being reduced, and it would create more unemployment among the most unskilled workers in the country when the federal government is spending vast sums of taxpayer money to help these very people."

Dean fears that the future implications in this bill may be even more serious than the damage it would do currently. "The bill is the 'foot in the door' that could eventually admit to the farmer's house a host of ills in the form of union organization of farm labor, 40-hour week provisions with overtime pay, and higher and higher minimums."

These are some of the reasons given by Dean to explain the continued and intensified opposition to the bill by Plains Cotton Growers.

The bill is now in the Senate

Agriculture Subcommittee, of which Texas' own Democratic Senator Ralph Yarborough is now chairman. Yarborough became chairman of the subcommittee only recently following the death of Senator Pat Mc Namara (D.-Mich.)

There is now no indication as to when the subcommittee may consider the bill or whether hearings will be held. But Dean says it will likely come up in June and that it isn't too early for Texas people to express to Senator Yarborough their feelings about the bill by letter, telegram or by phone.

He says: "This is a bill which at first glance may not appear too ominous to High Plains farmers. But its near and long term implications are such that every farmer on the High Plains and elsewhere should in no uncertain terms make their opinion of it known to both Senator Yarborough and Senator John Tower.
