## CITY ACTS TO STOP VANDALISM

### Methodists Set Revival

First Methodist Church, Hart, will hold its summer revival meeting Aug. 7-12. The Rev. and Mrs. Rex Mauldin will be preaching and singing during the services.

Services are scheduled for 7 A. M. and 8 P. M. during the week days through Friday. Men of the Church will serve breakfast at 6:30 A. M. in the Fellowship Hall of the church building, but the service will be in the sanctuary. The general public is invited to participate. His first sermon here will be Sunday morning at 10:30 A. M. following Sunday School at 9:30 A. M.; then Sunday evening at 7:30.

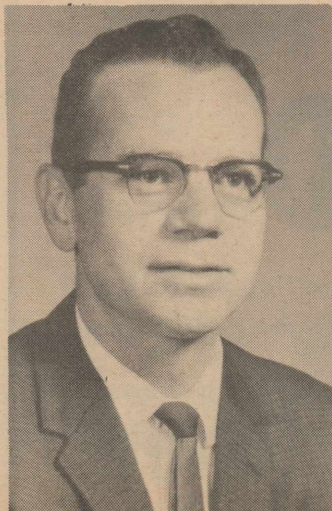

There will be group meetings in the evening at 7:30 for children, youth, and adults, Mon.-Friday.

Elementary III-VI children will meet with Mrs. Mauldin and Mrs. Gossett. Youth will meet with Warren Gossett, youth director. Adults are invited to meet with the pastor.

Mauldin is a native of Amarillo, where he graduated from high school in 1946. He entered McMurry College that fall and graduated with the Bachelor of Arts degree. He studied for the pastoral ministry in The Perkins School of Theology, Southern Methodist University, Dallas, and received the Bachelor of Divinity degree in 1954. He has served as pastor for churches at Fargo, Aspermont, Munday, and is in his third year at Hale Center.

He and Mrs. Mauldin have worked in revivals throughout the conference. She is also a graduate of McMurry College with a Bachelor of Science degree in music. She has taught school in Wilbarger County, Dallas, Aspermont, and Hale Center. She is a certified director of music in The Methodist Church. They have five children.

In preparation for the meeting, Methodists have been holding prayer meetings in the Womens Society of Christian Service, Wesleyan Service Guild, Methodist Men, Youth fellowship and Saturday Aug. 6, they will hold a prayer vigil at the church.

Commissioner Holloway Inspects Vandalism

### \$100 Reward Is Offered

A cedar tree was cut down at Ed Harris Lumber Company.

A litter container was set fire at Kittrell T. V. Shop.

Both actions took place in the past week in Hart.

So Hart city councilmen are taking a little action of their own.

In a regular meeting last Friday night, the council established a \$100 reward for the arrest and conviction of person or persons committing vandalism, damage or destroying property within the city.

This decision, councilmen explained, resulted from outbreaks of vandalism here during the past two or three years.

Mayor E. E. Foster is also contacting businesses to see if they wish to donate to a fund to pay for a night watchman.

In other action, councilmen considered two bids for trash hauling and granted a contract to Louis Gonzales at the rate of \$175 per month, the low bid.

Present for the meeting were Foster, Councilmen Buster Aven and John Holloway and City Secretary Mrs. Bob Reed.

### Latin Charged In Slaying Here

Johnny Alvarado was charged Sunday with murder and is being held in Dimmitt jail in lieu of \$5,000 bond, according to Deputy Sheriff Granville Martin.

Alvarado was charged in connection with the death of Juan Rangel, 35, Hart farm laborer, who was stabbed to death on a country road near here early Sunday.

The suspect was arrested at Hart of the Plains Gin Co. about 6 a. m. Sunday.

Martin said Alvarado lived in a labor camp at the gin but was not employed there.

According to Martin, witnesses to the stabbing said a group was parked in a turn row when an argument and fight between Rangel and Alvarado started. Others in the group were reported to have stopped the fight and then the two men walked up the road.

Martin said Rangel then came back to the group, who saw that he was hurt and took him to the hospital at Dimmitt. Alvarado was identified by the other members of the group.

A weapon had not been found as of Monday although Martin said officers had searched the area where the reported stabbing was said to have occurred. The officer added that the area was "strewn with beer cans".

Funeral services for Rangel were held Tuesday at 4 p. m. at Hart Methodist Church with Rev. Douglas Gossett officiating.

Burial was in Hart Cemetery with Dennis Funeral Home of Dimmitt in charge.

Rangel was employed by David Nelson and had resided here about four years.

He is survived by his wife and seven children.

**LETTERS TO THE EDITOR**

Dear Editor,

The parents of the Head Start Summer School met in the Rubalcava Community Center, Tuesday evening at eight o'clock. Mrs. Clay, teacher of the program, gave an overall goal of Head Start which is to insure that no young child shall lack the environmental stimulation and opportunity which will make it possible for him to fulfill the complete range of his development capacities, improve the child's physical health and abilities, help the emotional and social development of the child by encouraging self-confidence, curiosity, and self-discipline, improve the child's mental processes and skills with particular attention to conceptual and verbal skills, establish patterns and expectations of success for the child which will create a climate of confidence for his future learning efforts, and increase the child's capacity to relate positively to family members and others while at the same time strengthening the family's ability to relate to the child and his problems and increasing the sense of dignity and self-worth with the child and his family.

Mrs. Flores interpreted in Spanish, and also told the parents of children in Head Start program of the importance of education. Mrs. Flores said education is our freedom and freedom should be everyone's business and also encouraged

the Spanish speaking to participate in and to attend P. T. A. this coming term. Everyone was interested and questions were answered. A social hour followed our meeting.

## Ellis, Gardner Vows Said

### In July 23 Kress Service

Before an archway of palms, tree candelabra and blue and white flowers, flanked by basket arrangements of white gladioli, carnations, daisies and candelabra, Miss Serena Sue Ellis became the bride of David C. Gardner. The ceremony was performed Tuesday July 23, in the Kress First Methodist Church by the Rev. Douglas Gossett, pastor of Hart Methodist church.

Parents of the couple are Mr. and Mrs. Henry Ellis of Kress and Mr. and Mrs. M. C. Gardner of Hart.

The bride, given in marriage by her father, wore a gown of white satin, fashioned with fitted bodice, long tapered sleeves and full dropped skirt which terminated in a chapel train. Organza roses accented the back waistline. From a crown of pearls and crystals, fell a veil of silk illusion. She carried a white Bible topped with white roses. She carried her maternal grandmother's silk handkerchief, given to her by her husband. Mrs. Ellis made her daughter's wedding gown and those of the bridal attendants.

Matron-of-honor was Mrs. Dennis Ellis of Fort Worth, sister-in-law of the bride. Miss Mary Crawford of Kress and Miss Judy Lawson of Wolforth were bridesmaids. They wore blue crystalline dresses with blue skirts and blue hats with brief circular veils. Their bouquets were of red roses.

Best man was Roger Davis of Hart. Serving as groomsmen were Ronnie Gardner and Gary Heller of Hart and ushers were Ronnie Ellis of Kress and Dennis Ellis of Fort Worth.

Traditional wedding music was provided by Mrs. Betty Heller of Hart, organist, and Charles Gardner of Fort Hood, the groom's brother.

Mrs. Joe Hill presided at the register for wedding and reception guests. Those making up the houseparty for the reception following the ceremony, held in the Fellowship Hall, were Mmes. Buel Graham, Raymond Walker, Glenn Jolly, Daryl Dixon, and Misses Betty Cole and Cleda Moring.

The bride's table was laid with a white net cloth over blue and featured a centerpiece of candelabra garlanded with greenery and flowers.

Mrs. Gardner is a 1965 graduate of Kress High School and attended Draughon's Business College in Lubbock. Gardner graduated from Hart High School and attended Texas Tech before joining the Armed Services.

The groom's parents hosted a rehearsal dinner at their home in Hart Friday evening.

The newlyweds will be at home temporarily in Mineral Wells and soon will move to Fort Rucker, Ala., where the groom is being transferred for advanced helicopter training.

### Cover Crops Are Discussed

A cover crop consists of a small grain, such as rye or barley, or a winter growing legume, such as vetch or peas, or a combination of small grain and legume, usually interseeded in the middles of a cultivated crop.

A cover crop of rye interseeded with cotton should be seeded after the last cultivation is completed. This will insure the cover crop of adequate time to make sufficient growth prior to the harvesting of the cultivated crop. This will provide adequate time protection against wind erosion.

Cover crops can be interseeded with a cultivated crop by using a regular grain drill with part of the discs removed, or with a special built inter-row seeder or broadcast with a whirlwind type seeder at the same time the last cultivation is performed.

Cover crops tend to serve two purposes:

(1) They provide a protective vegetative cover for the land during the winter and early spring months against wind erosion.

(2) They maintain or improve the physical, chemical and biological condition of the soil.

## Try These Satisfying Sandwich Fillings

Whip up some cream cheese, and then accent it with any of the following combinations: Chopped apricots and prunes; crisp bacon crumbles and pickle relish; shredded dried beef, minced onion and chili sauce; chopped raisins and peanuts; peanut butter, grated orange rind and orange juice; orange marmalade and walnuts; crushed pineapple, chopped green pepper and pecans; blue cheese and onions. Serve these tasty fillings on a variety of breads.

Peanut butter is a versatile sandwich filling, too. Team up either creamy smooth or chunk style peanut butter with: Chopped raw apple and crisp bacon crumbles, using cream to blend; chopped dates and figs with flavor spark of fresh lemon juice; chopped pecans and honey; applesauce and sliced dates; chopped ham and sliced bananas; marshmallow cream.

## Northwest Texas Educational Lab Head Named

Kenneth Laycock of West Texas State University at Canyon has been named the Northwest Texas area coordinator for the Southwest Educational Development Laboratory.

Laycock's appointment was announced today by Dr. Edwin Hindsman of Austin, executive director of the Laboratory, which will introduce educational innovation throughout the two-state region of Texas and Louisiana.

Laycock will organize the Laboratory's task forces in the 51-county Northwest Texas area, which includes Lamb and Castro Counties.

He will meet with school superintendents, college and university representatives and directors of other organizations

--businesses, industries, and cultural organizations ---- interested in school improvement at the elementary and secondary levels.

In the Northwest Texas area Laycock will work with a 24-member area advisory council, composed of eight representatives from elementary education, eight from secondary education, and eight from higher education.

## Student Jobs Increasing

A survey of job openings in four-year and two-year accredited colleges shows that over 80 per cent of all students who apply for jobs get them, and one out of three schools has more openings than it can fill.

These and other findings, released July 1, are in Changing Times' special report based on a survey of 250 accredited colleges throughout the country.

Here is what they report:

In general the bigger the college, the greater the proportion of students who work. At universities with 20,000 or more enrolled, 50 per cent of the men and 40 per cent of the women work. In small schools the percentages are substantially lower. And the bigger the town in which the school is situated, the greater the chance of finding work.

The best way to get a job,

THE PERILS--Left to right are Eddie Reed, singer who will leave for the army Sept. 1, and Jerry Parker, Larry Parker, Rickey Bennett and David Brooks. The group has played in Olton, Silverton, Dimmitt and Hart and played over the weekend at Ruidosa Teen-Ritz. They will appear again in Ruidosa Aug. 18-19-20. The group started playing together in November of 1965.

according to the survey, is to register at the placement office early; know how to type, take shorthand, keep books, garden, play an instrument, repair autos, and so on. In short, have a skill.

On the average, men stu-

dents earn around \$495 during the academic year, nearly \$590 in the summer. Women make about \$410 in the school year, slightly more in the summer. But the range is wide--\$1,100 to \$1,200 a year at Loyola in Chicago, and \$350 a year at

Clark in Vancouver, Washington.

Hourly pay varies widely, ranging from \$1 an hour to \$5 an hour, depending on job and experience.

The best paying jobs are faculty assistant, tutor, research assistant, recreational assistant and lifeguard.

The average student worker puts in nearly 13 hours a week but some work up to 20 hours or more. However, more colleges named a figure well under 20, with the average about 16 hours.

The number of students seeking jobs will increase steadily, but so will the number of jobs. Nearly 70 per cent of the colleges say they've already noticed more openings becoming available. The federal government's new "College Work-Study Program" gets credit for this, as do local manpower shortages and the efforts of school placement officers.

### Proposed CONSTITUTIONAL AMENDMENT NUMBER ELEVEN ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 8, 1966.

SENATE JOINT RESOLUTION NO. 19 proposing an Amendment to Section 49-d, Article III of the Constitution of the State of Texas, declaring state policy regarding optimum development of water reservoirs; providing for the use of the Texas Water Development Fund under such conditions as the Legislature may prescribe by General Law in the acquisition and development of storage facilities and any system of works properly appurtenant thereto; providing for the sale, lease or transfer of such facilities under General Laws; providing for long-term contracts for water storage facilities; authorizing the issuance of an additional \$200,000,000 in bonds by the Texas Water Development Board upon a two-thirds (2/3) vote of the elected members of each house; providing that anticipatory legislation shall not be invalid because of its anticipatory character; providing for the necessary election, form of ballot; and proclamation and publication.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 49-d of Article III of the Constitution of the State of Texas be amended to read as follows:

"Section 49-d. It is hereby declared to be the policy of the State of Texas to encourage the optimum development of the limited number of feasible sites available for the construction or enlargement of dams and reservoirs for conservation of the public waters of the state, which waters are held in trust for the use and benefit of the public. The proceeds from the sale of the additional bonds authorized hereunder deposited in the Texas Water Development Fund and the proceeds of bonds previously authorized by Article III, Section 49-c of this Constitution, may be used by the Texas Water Development Board, under such provisions as the Legislature may prescribe by General

Law, including the requirement of a permit for storage or beneficial use, for the additional purposes of acquiring and developing storage facilities, and any system or works necessary for the filtration, treatment and transportation of water from storage to points of treatment, filtration and/or distribution, including facilities for transporting water therefrom to wholesale purchasers, or for any one or more of such purposes or methods; provided, however, the Texas Water Development Fund or any other state fund provided for water development, transmission, transfer or filtration shall not be used to finance any project which contemplates or results in the removal from the basin of origin of any surface water necessary to supply the reasonably foreseeable future water requirements for the next ensuing fifty-year period within the river basin of origin, except on a temporary, interim basis.

"Under such provisions as the Legislature may prescribe by General Law the Texas Water Development Fund may be used for the conservation and development of water for useful purposes by construction or reconstruction or enlargement of reservoirs constructed or to be constructed or enlarged within the State of Texas or on any stream constituting a boundary of the State of Texas, together with any system or works necessary for the filtration, treatment and/or transportation of water, by any one or more of the following governmental agencies: by the United States of America or any agency, department or instrumentality thereof; by the State of Texas or any agency, department or instrumentality thereof; by political subdivisions or bodies politic and corporate of the state; by interstate compact commissions to which the State of Texas is a party; and by municipal corporations. The Legislature shall provide terms and conditions under which the Texas Water Development Board may sell, transfer or lease, in whole or in part, any reservoir and associated system or works

which the Texas Water Development Board has financed in whole or in part.

"Under such provisions as the Legislature may prescribe by General Law, the Texas Water Development Board may also execute long-term contracts with the United States or any of its agencies for the acquisition and development of storage facilities in reservoirs constructed or to be constructed by the Federal Government. Such contracts when executed shall constitute general obligations of the State of Texas in the same manner and with the same effect as state bonds issued under the authority of the preceding Section 49-c of this Constitution, and the provisions in said Section 49-c with respect to payment of principal and interest on state bonds issued shall likewise apply with respect to payment of principal and interest required to be paid by such contracts. If storage facilities are acquired for a term of years, such contracts shall contain provisions for renewal that will protect the state's investment.

"The aggregate of the bonds authorized hereunder shall not exceed \$200,000,000 and shall be in addition to the aggregate of the bonds previously authorized by said Section 49-c of Article III of this Constitution. The Legislature upon two-thirds (2/3) vote of the elected members of each House, may authorize the Board to issue all or any portion of such \$200,000,000 in additional bonds herein authorized.

"The Legislature shall provide terms and conditions for the Texas Water Development Board to sell, transfer or lease, in whole or in part, any acquired storage facilities or the right to use such storage facilities together with any associated system or works necessary for the filtration, treatment or transportation of water at a price not less than the direct cost of the Board in acquiring same; and the Legislature may provide terms and conditions for the Board to sell any unappropriated public waters of the state that might be stored in such facilities. As a prerequisite to the purchase of such storage or water, the applicant therefor shall have secured a valid permit from the Texas Water Commission or its successor authorizing the

acquisition of such storage facilities or the water impounded therein. The money received from any sale, transfer or lease of storage facilities or associated system or works shall be used to pay principal and interest on state bonds issued or contractual obligations incurred by the Texas Water Development Board, provided that when moneys are sufficient to pay the full amount of indebtedness then outstanding and the full amount of interest to accrue thereon, any further sums received from the sale, transfer or lease of such storage facilities or associated system or works may be used for the acquisition of additional storage facilities or associated system or works or for providing financial assistance as authorized by said Section 49-c. Money received from the sale of water, which shall include standby service, may be used for the operation and maintenance of acquired facilities, and for the payment of principal and interest on debt incurred.

"Should the Legislature enact enabling laws in anticipation of the adoption of this Amendment, such Acts shall not be void by reason of their anticipatory character."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on the first Tuesday after the first Monday in November, 1966, at which election all ballots shall have printed thereon the following:

"FOR the Constitutional Amendment authorizing the issuance of an additional \$200,000,000 in Texas Water Development Bonds and providing for further investment of the Texas Water Development Fund in reservoirs and associated facilities."

"AGAINST the Constitutional Amendment authorizing the issuance of an additional \$200,000,000 in Texas Water Development Bonds and providing for further investment of the Texas Water Development Fund in reservoirs and associated facilities."

Sec. 3. The Governor of Texas shall issue the necessary proclamation for the election and this Amendment shall be published in the manner and for the length of time as required by the Constitution and laws of this state.

### Proposed CONSTITUTIONAL AMENDMENT NUMBER SIX ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 8, 1966.

HOUSE JOINT RESOLUTION NO. 37 proposing an Amendment to Article III of the Constitution of the State of Texas by adding thereto a new section, Section 51-d, so as to provide for the payment of assistance by the State of Texas to the surviving spouse and minor children of law enforcement officers, custodial personnel of the Texas Department of Corrections or full-paid firemen who suffer violent death in the course of the performance of their duties as law enforcement officers, custodial personnel of the Texas Department of Corrections or as full-paid firemen; providing for the necessary election, form of ballot, proclamation, and publication.

**BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:**

Section 1. That Article III, Constitution of the State of Texas, be amended by adding Section 51-d to read as follows:

"Section 51-d. The Legislature shall have the power, by general law, to provide for the payment of assistance by the State of Texas to the surviving spouse and minor children of law enforcement officers, custodial personnel of the Texas Department of Corrections or of full-paid firemen who suffer violent death in the course of the performance of their duties as law enforcement officers, custodial personnel of the Texas Department of Corrections or as full-paid firemen."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this State on the first Tuesday after the first Monday in November,

1966, at which election all ballots shall have printed thereon the following:

"FOR the Constitutional Amendment providing for the payment of assistance by the State of Texas to the surviving spouse and minor children of law enforcement officers, custodial personnel of the Texas Department of Corrections or full-paid firemen who suffer violent death in the course of the performance of their duties as law enforcement officers, custodial personnel of the Texas Department of Corrections or as full-paid firemen.

"AGAINST the Constitutional Amendment providing for the payment of assistance by the State of Texas to the surviving spouse and minor children of law enforcement officers, custodial personnel of the Texas Department of Corrections or full-paid firemen who suffer violent death in the course of the performance of their duties as law enforcement officers, custodial personnel of the Texas Department of Corrections or as full-paid firemen."

Each voter shall mark out one of said clauses on the ballot, leaving the one expressing his vote on the proposed Amendment. In counties using voting machines, the above provision for voting, for and against this Constitutional Amendment, shall be placed on said machine in such a manner that each voter may vote on such machines for or against the Constitutional Amendment.

Sec. 3. The Governor of Texas shall issue the necessary proclamation for the election and this Amendment shall be published in the manner and for the length of time required by the Constitution and laws of this State.

### Proposed CONSTITUTIONAL AMENDMENT NUMBER EIGHT ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 8, 1966.

HOUSE JOINT RESOLUTION NO. 24 proposing an amendment to Article VI of the Constitution of the State of Texas by adding a new Section thereto, Section 2a, to provide for voting on electors for President and Vice President, and on all state-wide offices, questions or propositions by persons qualified to vote in this State except for meeting county or district residence requirements, and to provide for voting on electors for President and Vice President by otherwise qualified United States citizens who have moved into or out of the State preceding a presidential election.

**BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:**

Section 1. Article VI of the Constitution of the State of Texas is amended by adding a new Section thereto, Section 2a, to read:

"Section 2a. (a) Notwithstanding any other provision of this Constitution, the Legislature may enact laws and provide a method of registration, including the time of such registration, permitting any person who is qualified to vote in this State except for the residence requirements within a county or district, as set forth in Section 2 of this Article, to vote for (1) electors for President and Vice President of the United States and (2) all offices, questions

or propositions to be voted on by all electors throughout this State.

"(b) Notwithstanding any other provision of this Constitution, the Legislature may enact laws and provide for a method of registration, including the time for such registration, permitting any person (1) who is qualified to vote in this State except for the residence requirements of Section 2 of this Article, and (2) who shall have resided anywhere within this State at least thirty (30) days next preceding a General Election in a presidential election year, and (3) who shall have been a qualified elector in another state immediately prior to his removal to this State or would have been eligible to vote in such other state had he remained there until such election, to vote for electors for President and Vice President of the United States in that election.

"(c) Notwithstanding any other provision of this Constitution, the Legislature may enact laws and provide for a method of registration, including the time for such registration, permitting absentee voting for electors for President and Vice President of the United States in this State by former residents of this State (1) who have removed to another state, and (2) who meet all qualifications, except residence requirements, for voting for electors for President and Vice President in this State at the time of the election, but the privileges of suffrage so granted shall be only for

such period of time as would permit a former resident of this State to meet the residence requirements for voting in his new state of residence, and in no case for more than twenty-four (24) months."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this State at an election to be held on the first Tuesday after the first Monday in November, 1966, at which election all ballots shall have printed thereon the following:

"FOR the Constitutional Amendment permitting persons qualified to vote in this State except for the residence requirements in a county or district to vote for Presidential and Vice Presidential Electors and for all state-wide offices, questions or propositions, and permitting citizens of the United States recently arrived or departed from the State to vote for Presidential and Vice Presidential Electors."

"AGAINST the Constitutional Amendment permitting persons qualified to vote in this State except for the residence requirements in a county or district to vote for Presidential and Vice Presidential Electors and for all state-wide offices, questions or propositions, and permitting citizens of the United States recently arrived or departed from the State to vote for Presidential and Vice Presidential Electors."

Sec. 3. The Governor of Texas shall issue the necessary proclamation for the election and this Amendment shall be published in the manner and for the length of time as required by the Constitution and laws of this State.

### Proposed CONSTITUTIONAL AMENDMENT NUMBER FIFTEEN ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 8, 1966.

SENATE JOINT RESOLUTION NO. 33 proposing an Amendment to Section 6, Article XVI, Constitution of the State of Texas, to authorize state participation in programs financed with funds from private or federal sources and conducted by local level or other private, nonsectarian associations, groups, and nonprofit organizations for establishing and equipping facilities for assisting the blind, crippled, or otherwise physically or mentally handicapped in becoming gainfully employed, for their rehabilitation or restoration, or for providing other services essential for the better care and treatment of the handicapped.

**BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:**

Section 1. That Section 6, Article XVI, Constitution of the State of Texas, be amended to read as follows:

"Section 6. (a) No appropriation for private or individual purposes shall be made, unless authorized by this Constitution. A regular statement, under oath, and an account of the receipts and expenditures of all public money shall be published annually, in such manner as shall be prescribed by law.

"(b) State agencies charged with the responsibility of providing services to those who are blind, crippled, or otherwise physically or mentally handicapped may accept money from private or federal sources, designated by the private or federal source as money to be used in and establishing and equipping facilities for assisting those who are blind, crippled, or otherwise physically or mentally handicapped in becoming gainfully employed, in rehabilitating and restoring the handi-

capped, and in providing other services determined by the state agency to be essential for the better care and treatment of the handicapped. Money accepted under this subsection is state money. State agencies may spend money accepted under this subsection, and no other money, for specific programs and projects to be conducted by local level or other private, nonsectarian associations, groups, and nonprofit organizations, in establishing and equipping facilities for assisting those who are blind, crippled, or otherwise physically or mentally handicapped in becoming gainfully employed, in rehabilitating and restoring the handicapped, and in providing other services determined by the state agency to be essential for the better care or treatment of the handicapped.

"The state agencies may deposit money accepted under this subsection either in the state treasury or in other secure depositories. The money may not be expended for any purpose other than the purpose for which it was given. Notwithstanding any other provision of this Constitution, the state agencies may expend money accepted under this subsection without the necessity of an appropriation, unless the Legislature, by law, requires that the money be expended only on appropriation. The Legislature may prohibit state agencies from accepting money under this subsection or may regulate the amount of money accepted, the way the acceptance and expenditure of the money is administered, and the purposes for which the state agencies may expend the money. Money accepted under this subsection for a purpose prohibited by the Legislature shall be returned to the entity that gave the money.

"This subsection does not prohibit state agencies au-

thorized to render services to the handicapped from contracting with privately-owned or local facilities for necessary and essential services, subject to such conditions, standards, and procedures as may be prescribed by law."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified voters of this state at an election to be held on the first Tuesday after the first Monday in November, 1966, at which election all ballots shall have printed on them the following:

"FOR the Constitutional Amendment authorizing assistance to the blind, crippled, or otherwise physically or mentally handicapped, in the form of grants of public funds obtained from private or federal sources only, to local level or other private, nonsectarian associations, groups, and nonprofit organizations for establishing and equipping facilities to assist the handicapped in becoming gainfully employed, for their rehabilitation or restoration, or for providing other services essential for the better care and treatment of the handicapped."

"AGAINST the Constitutional Amendment authorizing assistance to the blind, crippled, or otherwise physically or mentally handicapped, in the form of grants of public funds, obtained from private or federal sources only, to local level or other private, nonsectarian associations, groups, and nonprofit organizations for establishing and equipping facilities to assist the handicapped in becoming gainfully employed, for their rehabilitation or restoration, or for providing other services essential for the better care and treatment of the handicapped."

Sec. 3. The Governor of the State of Texas shall issue the necessary proclamation for the election and this Amendment shall be published in the manner and for the length of time as required by the Constitution and laws of this state.

**KITCHEN KORNER**

BY LELA GALLION

This heat has my appetite down and all those I talk to are at a stand still but the many garden vegetables taste better than most any thing we can think of at the present time.

The home grown peaches are really a treat as the taste is just so much better than the others and they are ripe here in our area at this time. Try the Fresh Peach Cobblers, Fresh Peach Ice Cream and see if you don't enjoy them.

Watch for our paper next week celebrating Hart's part in Castro county Jubilee.

**EASY DILL PICKLE RECIPE**

- 6 quarts of water
- 3 c. vinegar
- 1 1/2 c. salt

Bring pickles to a boil in the above mixture, put 1 teaspoon alum and sprigs of dill into each jar. Fill jars cover with liquid and seal. For Kosher dill pickles add a small clove of garlic to each jar.

**UPSIDE DOWN PEACH CAKE**

- 2 T. melted butter
- 1/3 c. brown sugar
- peaches to cover bottom of pan
- Place all of above ingredients in bottom of pan
- Batter
- 1 c. flour
- 1 t. baking powder
- 1/8 t. salt
- 1/2 c. sugar
- 1 egg
- 1/3 c. milk
- 2 T. melted butter

Beat egg, milk and butter. Add dry ingredients. Pour batter over fruit.

Bake at 375 degrees for 30 to 35 min.

MRS. ANDREW SAENZ

## Guzman, Saenz Vows Said In July 30 Ceremony

In an impressive double-ring ceremony, held at St. John Catholic Church at Hart, July 30, Miss Isabell Guzman became the bride of Andrew Saenz. Father Raphael Chen officiated.

The church was decorated with white mums, and pink and blue carnations.

Miss Guzman is the daughter of Mr. and Mrs. Gilbert Guzman Sr. and Saenz is the son of Mr. and Mrs. Solomon Saenz of Dumas.

The bride, given in marriage by her father, wore a white lace wedding gown with a veil which fell from a crown of pearls. She carried a bouquet of orange blossoms.

Attending her sister as maid-of-honor was Geneva Guzman. Bridesmaids were Alma Saenz, Dumas, sister of the groom; Anita Rubacaba and Juanita Rubacaba, both of Hart; Mary Verver and Linda Perez, both of Tulia; and Leonila Macias of Hart.

Flower girl was Abby Macias and ring bearer was Joel Rubacaba both of Hart.

Attending his cousin as best man was Armondo Saenz of Morton. Groomsmen were Gilbert Guzman Jr. of Amarillo, brother of the bride; and Paul Guzman of Hart, brother of the bride; Manuel Ontweras of Kress; and Roy Garcia of Edmonson, cousin of the groom. Ushers were Juan Soliz of Plainview and Mateo Angaldua of Tulia, cousin of the bride.

The maid-of-honor was attired in a white dress with lace bodice and a crown of pearls, and wore a corsage of white carnations. Bridesmaids wore pink dresses with matching hats and white carnations. The flower girl wore a white dress with lace bodice.

The reception was held at the Nazareth Community Hall with approximately 300 registering. The hall was decorated with white mums and pink and blue carnations.

A rehearsal party was held at St. John Catholic Church Thursday July 28 at 9 p. m.

The bride is a graduate of Hart schools, which she attended 10 years. The groom also attended Hart Schools.

They will make their home in Dumas.

# STATE CAPITAL Highlights AND Sidelights

AUSTIN, Tex.—How you drive that automobile during the next 12 months will determine what you pay for car insurance a year from now.

Traffic violations, as well as accidents, will appear on your experience record and will count against you.

New plan designed by the State Board of Insurance will hit where it hurts the most. . . the purse.

Or conversely, if you care to look at it that way, it will lighten the load on those who are penalized by higher rates because of the carelessness of others. And that's the way it really is, since some kind of increase is necessary.

Penalty points now are being assessed motorists for accidents and major violations. . . including speeding.

One penalty point will mean a 15 per cent hike, two points 35 per cent, three points 60 per cent and four or more points 90 per cent.

Major violations-- like driving while intoxicated, negligent homicide, hit and run or felony driving offenses-- will cost drivers three points.

Two points will be assessed for driving while a license is suspended or for violations resulting in suspension.

One point will be charged for accidents where there is injury or death-- or property damage over \$50 -- and for speeding. Speeding points are not counted until one or two "free convictions" in the preceding year or three years.

After 1969, penalties will be based on driving records over a 36-month period.

Twelve exceptions to the "point" rule are listed, however, and one of them includes accidents in which the driver is not at fault.

Unlike the old retroactive, statewide plan of 1960-62 which created so much controversy, the current plan is based on experience in 26 separate rating territories and considers no offenses prior to Aug. 1.

APPOINTMENTS ANNOUNCED Gov. John Connally has named former Atty. Gen. John Ben Shepperd of Odessa as chairman of the new State Fine Arts Commission. He selected as additional members Tom Lea of El Paso, Ralph McCullough of Houston, Paul N. Howell of San Antonio, Edward L. Melin of Amarillo and Dewey C. Bradford of Austin.

Connally picked Tom McCrummen Jr. of Austin to succeed Maurice R. Bullock of Fort Stockton on the State Securities Board.

Robert A. Westbrook of Elgin was named to the Governor's Committee on Aging and Robert W. Olson of Dallas to the State Board of Registration for Professional Engineers.

Vernon McDaniel of Austin, Henry H. Dewar of San Antonio, and State Sen. Bill Moore of Bryan were appointed to the Southern Regional Education Board of Control.

Stanley Banks Sr. of San Antonio and Walter Long of Austin were reappointed to the State Library and Historical Commission.

ATTORNEY GENERAL RULES -- Texas must go on daylight saving time next April unless the Legislature specifically moves to exempt the state from the new federal law, Atty. Gen. Waggoner Carr rules.

In other opinions, Carr held that:

Corporations providing radio-telephone service are subject to gross receipts tax.

A county may employ a justice of the peace to interview landowners in connection with acquisition of road right-of-way.

Land used by Radio Church of God for religious worship

and that properly used in the interest of Ambassador College and the Imperial School, both of Upshur County, are exempt from property taxes.

Harrison County's game law setting November 15-30 as hunting season for buck deer is in effect.

### SHORT SNORTS

Forty-four cities have filed applications for aid with Texas Aeronautics Commission on airport projects which would cost a total of \$3,300,000.

Hearing on a proposal to discontinue passenger train service between El Paso and Fort Worth have been re-scheduled for September 12 in Fort Worth, September 14 in Big Spring and September 16 in El Paso.
