## COURT OF HONOR

### Eagle Award To Armstrong

Highlight of the Boy Scout Court of Honor held here Sunday in the Methodist Church was the presentation of the Eagle Award to Mike Armstrong, son of Mr. and Mrs. Paul Armstrong.

Eagle Award is the highest given in Scouting.

Bob Hickman, Plainview, Haynes District executive presented the badge to Deryl Clevenger, Scoutmaster, who pinned it on Armstrong.

Eagle wall plaque was presented to the youth by his father. Mrs. Armstrong was presented with a miniature Eagle pin and a rose by her son.

Welcome was given by Dwight Miller, assistant Scoutmaster, followed by a flag ceremony by Ike Graves and Vic Nelson.

A tenderfoot investiture ceremony inducted three new scouts into the troop, Duane Clevenger, Stan Musick and Dennis Hill. Deryl Clevenger was in charge of this ceremony.

Next advancement awarded was Second Class to Duane Clevenger, presented by John McDonough, Plainview, district chairman.

First Class badges were presented to David Hawkins and Ralph Bell by Jim Harding, Plainview, a member of the district advancement committee.

Hickman presented a Star Rank badge to Vic Nelson.

Merit badges were earned by the following boys: Mike Armstrong--rowing; Tony Miller--conservation of natural resources and nature; David Warren--rowing; James Jackson--rowing and pioneering; Vic Nelson--conservation of natural resources and nature; Kim McGill--fishing, pioneering and rowing; David Harris, swimming; David Hawkins, modeling, pioneering and archery;

Three and four year service stars were presented Armstrong and Miller.

Douglas Gossett, minister of the Methodist Church, concluded the program with the Scout benediction.

Special guests included Mr. and Mrs. Paul W. Armstrong Sr., grandparents of Mike Armstrong, and Mr. and Mrs. Roy Pyeatt, former Hart residents.

Approximately 50 Scouts, parents and guests attended.

## Hart Plays Muleshoe B In Home Opener Friday

The Hart Longhorns, who came within a half-minute of their first victory in 21 games last Friday night, will play host to the Class AAA Muleshoe Junior Varsity here Friday night.

Game time is 8 p. m.

Not much is known about the Muleshoe B's, although they follow the same pattern of play as the always tough Mule varsity. The game is the first of the year for Muleshoe B.

Coach Don Ewing said this week he has instilled a new offense for the Muleshoe game, hoping to move the ball a little better than the Horns' did in their 14-8 loss at Silverton.

"The whole team did well on defense against Silverton,"

said Ewing, "and we were proud of the showing they made."

The Horns put on two fine goal line stands before finally allowing the Owls a winning touchdown with just 29 seconds to play. Up to that point the Hart team led, 8-6.

Ewing cited George Bennett for his work both on offense and defense. Bennett made Hart's only touchdown on a pass from W. A. Hawkins.

Bennett also made the extra points on a pass from Gary Rambo.

Praised for their defensive play against the Owls were Tommy Gonzales, W. A. Hawkins, Danny Smith, Donnie Black and Bennett.

The Hart line-up for this week will include Tommy Gonzales at fullback, George Bennett at power back, W. A. Hawkins at split back and Gary Rambo at quarterback.

In the line will be Larry Parker at power end, David D. Harris at power tackle, Danny Smith at power guard, Jim Kendrick at center, Bennie Martinez at split guard, David A. Harris at split tackle and Donnie Black at split end.

The Horns are reported in good physical condition other than Guard Andy Rogers, who is out with an ailing foot. Rogers underwent surgery on a toe last week.

For details of the Silverton game, see pages 4 and 5.

## LETTERS TO THE EDITOR

Dear Editor:

The Hart PTA leadership course began Tuesday night, with Mrs. Ben Kennedy as instructor. All officers and committee chairmen, have been asked to take this, but any PTA member may take it. The next meeting date will be decided Tuesday night.

There will not be a film at our regular monthly meeting. At the first meeting children came to the film, and parents didn't come to the meeting. This film was not to be a baby-sitter; it was to be for children who came with parents to PTA.

Are you a member of the PTA? If you are-- good. Maybe, you haven't been asked. If not we are sorry, you may call Mrs. Bill Hill 938-2490, who is membership chairman. Maybe you were asked and didn't join.

Do you know what you are doing to your children when you fail to support your PTA? The teachers look for support from the PTA. Our children have a few things that they wouldn't have otherwise. Two years ago the PTA bought new curtains for our stage costing \$1,200. Last year they bought play-ground equipment costing \$500. The PTA is not a moneymaking organization.

The object of the PTA is to promote the welfare of children and youth in home, school, church and community; to raise the standards of home life; to secure adequate laws for the care and protection of children and youth; to bring into closer relation, the home and the school, that parents and teachers may co-operate intelligently in the training of the child; and to develop between educators and the general public such united efforts as will secure for every child the highest advantages in physical, mental social and spiritual education.

The PTA shall cooperate with the school to support the improvement of education in ways that will not interfere with administration of the school and shall not seek to control their policies.

The Hart unit is a member of national congress of parents and teachers, which is a volunteer organization founded in Washington, D. C. in 1897.

Take a look at yourself. Are you doing your part to support your school, the help your child to work for his education, to have special opportunities for developing creative talents?

Or do you think of yourself as not having time, or too busy. Or, "I have too many other organizations to go to," or "I don't want to work, I'm tired."

What if our teachers felt that way? We need you, your child needs you to be a PTA member, to support his education. Take time -- he will be gone one day.  
Mavis Davis.

## Murder Charge In Auto Mishap

A charge of murder with a motor vehicle has been filed on Arcadio Aranda Hernandez, 20, of Hart in connection with a three-vehicle accident Sunday afternoon about nine miles south of Hereford on U. S. 385.

Two persons were killed and four injured in the accident. Hernandez has been released on bond of \$2500.

Killed were Nancy Martin Hickman, 19, a Dimmitt housewife, and Twila Jo Wright, 3, also of Dimmitt. Both were dead on arrival at Deaf Smith County Hospital, Hereford.

Seriously injured were Mrs. Joira-Dee Wright, 24, mother of the dead child, and Harry Dennis White, 53, also of Dimmitt.

Hugo Frederick Beyer, 43, of Dimmitt was treated and released from Dimmitt Hospital.

Hernandez was treated and released from the Hereford hospital.

Highway patrolmen said the car in which Mrs. Hickman, Mrs. Wright and her child were riding was going north. Car driven by Hernandez who was

travelling alone, was south-bound. The two cars collided nearly head-on at a curve in the highway.

A pickup, driven by Beyer, and in which White was a passenger, was following the north-bound car and hit the two cars after they had collided.

## Former Resident Heads Fort Worth Orphan Home

Leland Hacker, son of Mr. and Mrs. J. E. Hacker of Hart, is the new executive director of Lena Pope Home in Fort Worth. Hacker is a former resident of Hart.

He is now on duty and very enthusiastic about one of Fort Worth's oldest institutions in the field of child care.

Hacker went to Fort Worth from Austin, where he served as director of the Settlement Home for four years.

A man of varied backgrounds, Hacker holds a bachelor of arts degree from Baylor University, a bachelor of divinity degree from Southwestern Baptist Theological Seminary and a master of science degree in social work from the University of Texas.

He has served as a liaison officer and farm manager of the Waco State Home and assistant director of the San Antonio Mexican Baptist Children's Home. He interned while working on his master's degree with the Family Service Association in Houston and Austin State

School.

Hacker said "the new post is challenging because I will be touching more lives." He stated that today's problem is not the total orphan, which there are now only about three per cent, but the children with multiple parents.

Children are too often the victims of broken homes and the frustrations resulting from re-marriage of both parents.

Hacker would like to find adoptive homes for children over eight and would like to see small cottages for children needing small group environment and care.

Mrs. Hacker is a Baylor graduate and a registered nurse, and the couple have two children, Brad 6, and Robin 18 months.

# SILVERTON SHA

A fourth quarter rally by the Silvertown Owls proved the difference as the Owls slipped past the Longhorns, 14-8, in the season opener for both teams.

The first half was just about a deadlock as Silvertown, losing three fumbles, was unable to hang on to the ball and Hart was unable to get their offense moving. At the half, only four first downs had been made. Three by Silvertown and one for the Horns.

When the second half got underway, the ballgame changed as both teams got down to business.

Hart's Bob Crick brought the kickoff back to his 26 before being swarmed under by a host of Owls.

Fullback Danny Smith and Quarterback Gary Rambo then combined talents to move the ball out to the 32 in three attacks at the center of the Owl line.

With fourth down and four yards needed, George Ed Bennett booted the ball out to the Silvertown 44.

The Owls caught fire on their first offensive play of the half as Quarterback Lannie Arnold hit John Montague with a pass that carried to the Hart 29.

Halfback Doug Turner advanced the ball to the 24 and John Montague added four more to place the ball on the Hart 20.

With third down and one yard needed, halfback Tim Matthews got the first with a yard to spare to keep the drive alive.

Quarterback John Montague circled left end for three yards, making it second and seven from the 15.

On the next play, fullback

Cletus Grady put the Owls out in front as he scampered around right end for 15 yds and six points. The extra point attempt was stopped as John Montague met a herd of Horns at the one, leaving the score at 6-0.

W. A. Hawkins, taking the kick-off at his 27, brought the ball out to the Hart 37 before being snowed under by a host of Owl players. After an incomplete pass and two runs failed to gain the first down yardage, the Longhorns went into punt formation at their own 33. The snap from center was off target and George Ed Bennett's punt was blocked by Randy Hughes of Silvertown, who recovered the ball at the Hart 23.

On first, John Montague drove to the Hart 20 before being jarred loose from the ball, which was grabbed by an alert Hart defender.

Two line plunges by W. A. Hawkins resulted in no gain for Hart.

On third down, Quincy Hawkins made it to the 25, but this brought up fourth and still five yards to go.

Again George Ed Bennett attempted to punt and again it was blocked, but an offside penalty against Silvertown gave the Horns a first and 10 at their 30.

Two attacks on the Silvertown defensive line by fullback Danny Smith earned only three hard yards for the Longhorns.

On third down, Quincy Hawkins tried to roll out around end but was trapped for a one yard loss at the 28.

On fourth, George Ed Bennett dropped back, took the center and then slipped to the left end downfield for 48.

With a first and 10 at the Hart 48, the Horns called for a "shot gun" type play. Bennett again circled left end.

On first down, Bennett cut around left end to the Silvertown 48. The Owls could overtake him down.

A delay of game set the Horns back to the Hart 48 with first and 10.

Quincy Hawkins drove for a five yard gain and a lateral pass to W. A. Hawkins netted the Horns a first and 10 at the Silvertown 48.

A third down attack by Quarterback Gary Rambo was broken up but called for pass giving the Horns a first and 10 at the Silvertown 48.

On first down, Quincy Hawkins Parker was blocked by Owl defenders in the end zone.

On second, W. A. Hawkins threw to a waiting George Ed Bennett for 20 yards and six points.

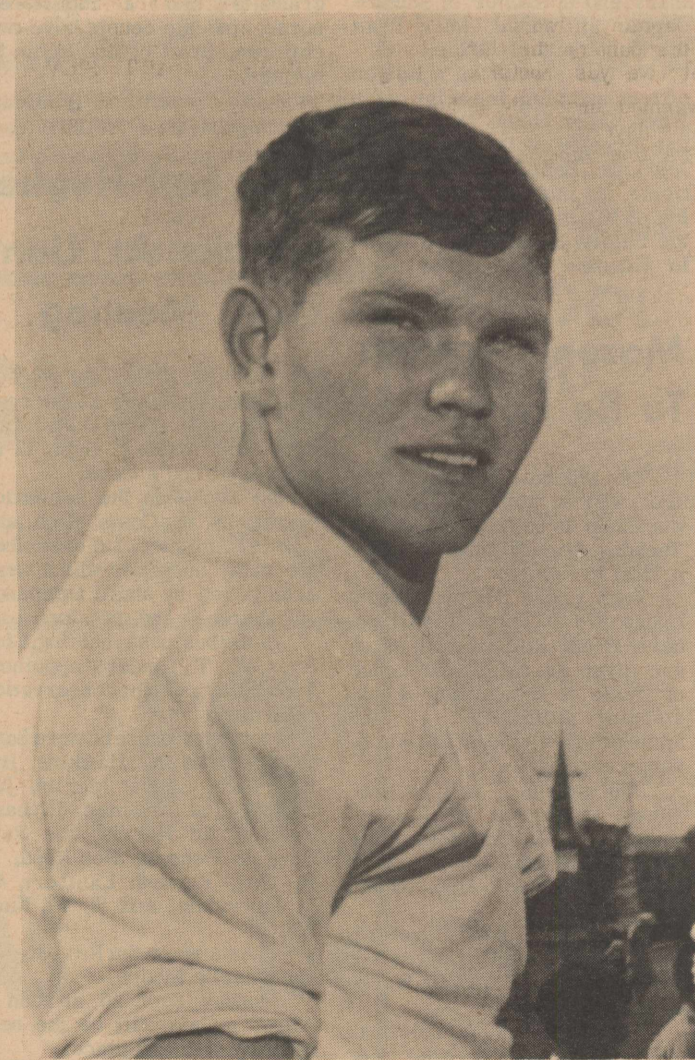

The extra point from Gary Rambo was good, making the score 8 to 6 for Hart.

Tommy Gordon to the Owls with Randy Cantwell. Bennett recovered at the Silvertown 48.

Three plays later, the Owls were back to the Hart 48. Bennett went into the end zone.

The snap from center over Bennett's head. The Owls recovered the ball at the 42 yard line.

Two running plays later, the Owls resulted in a first and 10. Now Silvertown with John Montague and Randy Cantwell. Halfback Tim

Two tries by John Montague advanced the ball to the five but on third, Fullback Cletus Grady was slammed back to the eight by George Ed Bennett.

With fourth and still eight needed, John Montague again headed off tackle but was stopped at the three and Hart took over the football.

Three tries by Danny Smith netted only three yds and Hart was forced to punt.

Tommy Edwards took Bennett's punt on the Hart 40 and got five yds before being swarmed under by a host of Hart players.

A line plunge by John Montague got five to the Hart 30.

Tim Matthews went to work and three tries later, the ball was on the Longhorns' 13.

John Montague gained another five and Cletus Grady made it to the one foot line.

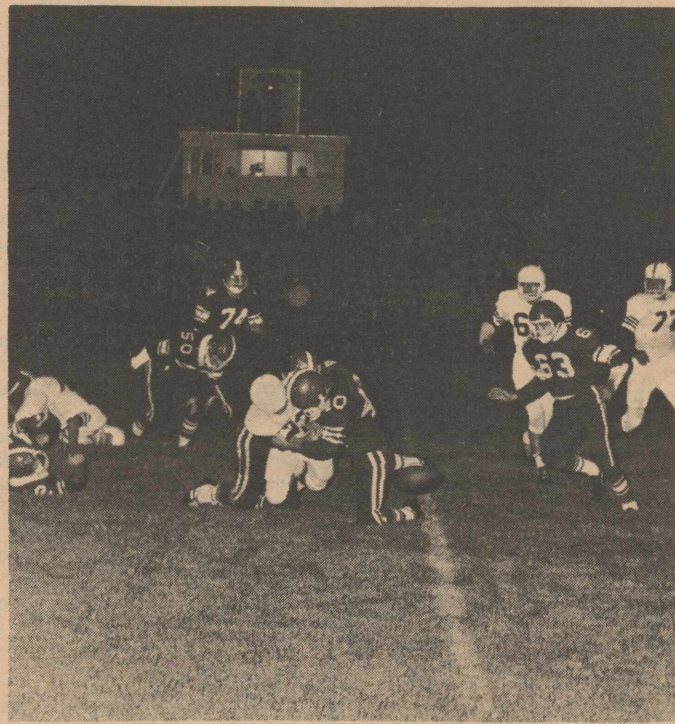

A penalty against the Longhorns put the ball only inches away and Montague carried it in on the next play.

The extra point attempt by Tim Matthews was good and the score stood at 14 to 8 with 29 seconds left to play.

The Longhorns managed to get off two plays before the gun but both were stopped for no gain.

Ricky Bennett, Tommy Gonzales, and Donnie Black were the defensive standouts for Hart while George Ed Bennett turned in a fine performance both offensively and on defense.

## KITCHEN KORNER

BY LELA GALLION

The cooler days make a coffee cake and a cup of coffee a pleasant way to serve your guests and this one is delicious. Try it and see if you don't enjoy it for a change.

- 1/2 c. chopped California walnuts
- 2 teaspoons ground cinnamon
- granulated sugar
- 1/2 c. butter or margarine
- 2 eggs
- 1 teaspoon vanilla extract
- 2 cups sifted regular all-purpose flour; or 2 cups instant-type flour
- 1 teaspoon double-acting baking powder
- 1/2 teaspoon salt
- 1 teaspoon baking soda
- 1 c. commercial sour cream
- 1 medium apple

(1) In small bowl mix chopped walnuts, cinnamon, 1/2 cup granulated sugar. Grease well a 9-inch angel-food pan, with removable bottom, also start heating oven to 375 degrees. Then, in bowl, with electric mixer at high speed, beat butter creamy, then gradually add 1 cup sugar, while beating mixture till light and fluffy and scraping bowl and beaters now and then with rubber spatula. Now add eggs, one by one, then the vanilla, beating until blended. Now sift regular flour with baking powder, salt, soda; then at low speed, beat this into batter, alternately with sour cream, (if using instant-type flour, stir it up with baking powder, salt and soda, before beating it into batter alternately with cream.)

Spread half of batter in angel-food pan, top it with pared, cored, thinly sliced apple, then top them with half of walnut mixture, next rest of batter, then rest of walnut mixture. Coffeecake bakes 40 min-

utes or until cake tester, inserted in center, comes out clean.

Then remove coffeecake from oven, and let it stand, in pan, on wire rack, 30 minutes. Next, with metal spatula, loosen cake all around side. Then, by top of tube, lift cake, still on base, from pan, and let it cool on rack. Then, with spatula, loosen it from tube and base, and lift it to plate.

## Wheat Program Changes Told

Substitution between wheat and corn or grain sorghum will be permitted in 1967 as in 1966 according to Charley Hill, ASCS office, with this difference: (1) Wheat acres planted to corn or grain sorghum will not earn a diverted acreage payment, since the diversion would be from wheat and there will be no wheat diversion payment. (2) Grain sorghum or corn may be planted on wheat land but if less than 35 percent of wheat is planted, domestic wheat certificates will be reduced, based on acreage planted.

In order to substitute, a farm must have both a wheat allotment and corn-grain sorghum base, and must be signed-up to participate in both programs.

Soybeans on diverted acres must be destroyed by Sept. 30, Hill said.

Other crops on diverted acres such as forage, sweet sorghums and grasses may be left standing for cover but must not be grazed prior to Nov. 1, and may not be harvested either in 1966 or 1967. Summer fallowed diverted acres will probably need plowing again after the recent rains.

"Don't let weeds make you ineligible for your program payments," Hill added.

## Clean GAS Cooking.

No way around it, broiling creates smoke. But there is a way to keep it out of your kitchen. Close the broiler door and let the GAS flame consume the smoke. Closed-door broiling is just one of many reasons why GAS cooking is cleaner and cooler.
