OUTSTANDING FOR HART in the Texline game were Tommy Gonzalez, W. A. Hawkins, Larry Parker and Bob Crick.

City Approves Longhorns Meet Nazareth Two Ordinances In Try For District Win

Hart city commission met Tuesday to approve two new city ordinances and okay a motion to purchase a mobile FM radio phone for the city police car.

Commissioners approved a city ordinance requiring every one who has access to sewer facilities to tie on to the lines by Feb. 1, 1967.

Other city ordinance approved was to the effect that anyone caught drinking alcoholic beverages in the city limits of Hart on public or private property will be subject to fine.

Present at the Tuesday meeting were Mayor E. E. Foster, John Holloway, Buster Aven, Ed Owsley, Lester Richburg and city secretary, Virginia Reed.

Christmas Project Starts

"Operation Christmas Card" was announced this week by the Hart Cemetery Association.

Proceeds from the annual Christmas card project are used for upkeep of Hart Cemetery.

Instead of sending greeting cards to friends and relatives, residents may contribute the amount normally spent for cards to the Hart Cemetery Fund.

Last year, through this method, the fund received over \$400.

Names of contributors are published in this paper.

Cemetery trustees point out that the cemetery now contains four acres and additional space will be needed. Other improvements are also anticipated, including space to park cars and repair of the water line.

Trustees are O.D. Dinwiddie, T. R. Davis and Tump McLain.

Those wishing to contribute may mail checks to one of these three men.

Scout Drive

Boy Scout and Cub Scout fund drive is being held this week in Hart.

Quota is \$945. Stewart Newsom is chairman of the drive.

Anyone who has not been contacted is asked to see Newsom or Kenneth Warren this week.

A pair of old rivals, Hart and Nazareth, will try to bury each other in the cellar of District 1-B in a football clash at Nazareth Friday night at 7:30.

The Longhorns, blanked in a hard-fought 6-0 loss at Texline last Friday night, will be

Carnival Slated

Big plans for Halloween in Hart will include a supper for the public, a movie and a school carnival.

PTA is sponsoring the supper to be held in the school cafeteria from 5 to 6:30 p.m., when the carnival starts. Coffee and pie will be served in the cafeteria until the carnival closes at 9 p.m.

Student council will sponsor a movie to be shown at the high school from 9:45 to 11:15 p.m.

trying to comeback from two consecutive district defeats.

The Horns are 3-3-1 for the year, including the two losses in district play.

Nazareth is 1-5 for the season, after losing a 29-8 game to Lazbuddie last weekend. The Swifts also are 0-2 in district.

Coach Don Ewing's Longhorns have been stout on defense all year, having allowed only 50 points over the season. They hope to improve their offensive showing and chalk up their first district win at Nazareth.

Lions Hear Scout Report

Nine members of Hart Lions Club met Monday at Alford's Cafe for regular meeting with guest Bob Hickman of Plainview, who is Boy Scout executive of the Haynes District, presenting the program. He gave a report of Scout work and commended the Lions Club of Hart for sponsoring the Cub and Boy Scouts in Hart.

He asked the club to help in the fund drive for the Cub and Boy Scouts with a quota of \$987. The club voted to accept the responsibility.

Ed Harris, chairman of house numbering for the city, gave a report that the West Texas Telephone Company will furnish a city map at the city hall for the city commission, designating numbers for the houses. Boy Scouts will sell the house numbers and owners of homes or rent property may call the city hall and have their numbers verified.

All Lions are asked to be present for the next meeting Nov. 7 when the members will eat lunch at the Hart school cafeteria and will go to the Hart Elementary gym for a special program.

Members present were O.D. Dinwiddie, Ed Harris, W.A. Hawkins Jr., Kenneth Lambert, Stewart Newsom, Bill Rich, W. T. Sanders, Bob Reed, T.B. Cox and Lions sweetheart, Mrs. David Willis.

TEAM-- Mr. and Mrs. J. W. Flynt of Dimmitt will lead the American Legion with Flynt as department commander and his wife as department president. Convention will be held in Memphis, Texas Nov. 5 and 6 and will honor the couple.

IT HAPPENED IN HART

THREE YEARS AGO IN HART

Hart school board accepted bids totaling \$321,644 for construction of a new junior-senior high school and gymnasium at a special meeting last Thursday afternoon.

About 75 members of the Castro County Irrigation Gas Users Association unanimously rejected rate proposals from Pioneer Natural Gas at a meeting in Dimmitt Tuesday night.

The Hart Longhorns are resting this week with an open date before hitting the district football trail Nov. 1, against Happy.

Cotton harvest is reported moving at a snail's pace in the Hart area with only 190 bales of cotton ginned as of Monday morning.

VISITING SONS

Mr. and Mrs. O. L. Beavers of Stark City, Mo., are here visiting this week with their sons, Mr. and Mrs. Wayne Beavers and family, and Mr. and Mrs. Alvin Beavers and family, and with their many friends.

Shorthorns Take Win

The Hart Shorthorns won their second consecutive game last Thursday night as they defeated Lazbuddie 22-0. They had beaten Happy Junior High the previous week by a 32-0 margin. The Shorthorns now have a season record of 2-1-1 with their only loss being a narrow 12-10 decision to Booker T. Washington of Plainview.

In the victory over the Lazbuddie team, touchdowns were scored on a 40-yard run by Ruben Aguanio, a 70-yard pass play from Mark Porter to Landria Bruington, and a 10-yard pass from Bruington to Ricky Farris.

Outstanding offensive players for the Shorthorns against Lazbuddie were Porter, Bruington and Poncho Diaz. The Hart defense was led by Jimmy Robinson, Ralph Bell and Charles Alford.

The Shorthorns' next game

will be played this Thursday at Hart, when the opposition will be the Vega Shorthorns, a team which the Shorthorns played to a 6-6 tie the first time they met.

Tech-Rice Tilt Set

Rice and Texas Tech, a pair of teams with more scrap than strength, collide in Houston at 2 p.m. Saturday.

Rice, low-rated by the experts, opened by upsetting Louisiana State University. Following a loss to Tennessee the Owls came within inches of beating three other favored foes—UCLA, Southern Methodist, and Texas. Rice last week carried the fight to Texas throughout but lost a 14-6 decision by virtue of a Longhorn lineman running a fumble 90 yards for a touchdown.

Texas Tech, too, began its season with a win, over University of Kansas. But loss of more than a dozen first stringers due to illness and injury took its toll, and the Raiders have lost five straight—to Texas, Texas A&M, Texas Christian, Florida State, and Southern Methodist.

Last Saturday, the Red Raiders lost their top quarterback, John Scovell, the Southwest Conference's total offense leader, on his third play against SMU. The Mustangs rolled up a 24-0 lead by halftime and hung on to down the Raiders 24-7 at homecoming. Plainview's Tom Sawyer turned in a capable second half performance as Tech's quarterback.

Scovell, who suffered a mild concussion, should be available for duty against Rice.

Texas Tech's next home game will be against Oklahoma State Nov. 5. Climaxing Dad's Day, the contest will start at 7:30 p.m.

Boys Show

Lambs At Fair

Two Hart 4-H boys, Gary and Marlin Hart, showed four lambs at the junior lamb show at the state fair in Dallas Oct. 17-21.

One Southdown cross placed third, one placed 36th and another, 44th. A Hampshire placed 34th.

Two of the lambs were returned for future showing in county and area shows.

IN ANTON

Mr. and Mrs. Miles Cox and Mr. and Mrs. T.B. Cox went to Church in Anton Sunday morning and took Bro. and Mrs. Phillips out to lunch in Lubbock. The Cox families returned by the way of Plainview and visited the boys' aunt, Mrs. Maggie Blunt and back by Edmonson to visit Mr. and Mrs. Tom Bostick, uncle of the women.

VISIT WELTYS

Mr. and Mrs. G. C. Keenom and Mrs. Judd Davis visited Sunday in the home of Mr. and Mrs. J. W. Welty. Mrs. Welty is confined to her bed for the next three weeks.

CARD OF THANKS

We want to thank Stewart and Jeraldine Newsom for letting us use the front of their cleaning establishment for our rummage sale. We were so pleased to have a place downtown where we could sell the donated merchandise.

We also want to thank all of the people who donated clothes and other items to sell. We were overwhelmed with your response and generosity.

Thanks to the Girl Scouts and their leader, Wanda Miller, for helping us sell and for babysitting, free of charge, during the sale. They worked long hours and helped us in many ways.

Thank you, if you in any way helped us with this project. Some senior boy or girl of our 1967 graduating class will receive a fine college scholarship because of this rummage sale. We appreciate so much your part in this.

KITCHEN KORNER

By Lela Gallion

The Halloween spooks will be out in full force before many more days, so be sure you are prepared for them. When you are making popcorn balls for the little ones, make them smaller and add a few cut up gumdrops. Many times the popcorn balls are too large for the wee ones. Cupcakes are also a good treat to give the children.

POPCORN BALLS

3 qts. popped corn
2/3 c. Karo syrup
1 1/2 c. sugar
1/2 c. water
1/3 tsp. vinegar
1/3 tsp. salt
2 T. butter
2 T. vanilla

Boil syrup and sugar, water, vinegar and salt without stirring until it becomes brittle when dropped in ice cold water. Remove from fire, add butter and vanilla. Have corn picked over and ready in large pan.

Pour mixture over gradually, using a large spoon and mixing well. Form into balls and wrap in waxed paper.

BLACK BOTTOM PIE

Crust:

1 lb. box vanilla wafers, crushed
1/2 lb. melted butter

Combine and press into a large deep pan. Melt 2 pkgs. semi-sweet chocolate chips over hot water. Add 2 tablespoons sugar. Spread over bottom of vanilla wafers crust.

VANILLA CUSTARD:

5 egg yolks
2 T. flour
3 c. milk
1 1/4 c. sugar
1/4 lb. butter

Cook until thick and add:
1 T. vanilla.

These corn fritters are really good in this cool weather.

CORN FRITTERS

1 no. 303 white whole kernel corn
1 1/4 c. flour
1 1/4 tsp. baking powder
2 tsp. salt
2 eggs

Sift together the flour, baking powder and salt. Mix egg yolks and corn together and add the flour mixture a little at a time, beating each time until smooth. Fold in beaten egg white. Drop from a teaspoon into deep shortening at 375 degrees F. and fry for 12 minutes.

IN PLAINVIEW

Mrs. Ida Hamby, mother of Mrs. Wayne Seago, spent Sunday visiting in a rest home in Plainview with Mr. and Mrs. J. O. Reed, formerly of Olton.

TEXLINE HOLL

The Texline Tornados held off a stampeding herd of Hart Longhorns for a 6-0 district victory last Friday night in a rough, penalty-marred defensive battle. The loss dropped the Longhorns to a 0-2 district record while the Tornados remained undefeated for the season.

W.A. Hawkins took the kick off on the 15 and brought the ball back to the 32 to get the ball game underway. Danny and George Ed Bennett picked up five yards each to give the Longhorns a first at the Hart 42. Cleaver and Bob Crick got five together and a five yard penalty gave the Horns another first with the ball on the Texline 47. A pass from W.A. Hawkins to Larry Parker went wild, Tommy Gonzales was held to only two yards and W.A. Hawkins was held for no gain to bring up fourth and eight. George Ed Bennett got off another of his fine punts, this one rolling dead at the Texline 20.

Mike Field and Len Sheets went to work for the Tornados, picking up 27 yards for two first downs in only four plays. A fifteen yard penalty set the ball back to the 33 and the Longhorn defense dropped Mike Fields for a big loss on the Texline 21. Another penalty, five yards this time, sent the Tornados back to their 17 and the Tornados decided to try the air.

Quarterback Bob Sheets' pass was picked off by W.A. Hawkins at the Texline 40 and brought back to the 25. The Longhorns could not crack the Tornados' defense and this fact plus a 15 yard penalty sent the Longhorns back to the 40, where George Ed Bennett punted down to the Texline 11.

Mike Field got one yard on first and then broke free on second and raced 88 yards for a TD. The play was called back to the 31 of Texline on a clipping penalty and, from this point on, the red flags began to fly on almost every play. Mike Field moved to the Hart 48 before the Tornados began to move backward with the help of the Longhorn de-

fense and their own mistakes. A first down penalty sent the Tornados back to their 47 and Len Sheets was held for no gain.

Two 15 yard penalties moved the ball back to the Texline 20 and Mike Field was stopped at the 23 to bring up fourth and long yardage still needed for the first. Len Sheets dropped back in punt formation but Larry Parker crashed through and blocked the kick and the Longhorns took over on the Texline 19.

George Ed Bennett was held for no gain on first but moved to the 12 on his second try. A third down penalty moved the Longhorns back to the 26, where W.A. Hawkins passed to Larry Parker for a TD, only to have the play called back and the ball placed back on the 31 due to an offside penalty.

W.A. Hawkins was thrown for a loss on the next play and George Ed Bennett punted down to the six.

The Tornados were unable to crack the Longhorn defense and were forced to punt with Len Sheet's kick rolling out of bounds at the Texline 40.

Bob Crick picked up five and George Ed Bennett sped the last 35 yards for a TD only to have the ball brought back to the 42 on another offside penalty. Bob Crick moved down to the 38 before a third down fumble was recovered by the Tornados at the 39. Again the Longhorn defense, led by Tommy Gonzales and Joe Quiroz, forced the Tornados to punt with the ball rolling to the Hart 37, where a bobble by a Hart player let the Tornados recover the ball on the 36.

Two 15 yard penalties sent the Tornados back to their own 34 before Bob Sheets' pass was picked off by W.A. Hawkins at the Hart 36.

A first down penalty moved the ball to the 41 and W.A. Hawkins moved down to the Texline 43. George Ed Bennett moved to the 24 in two tries but a penalty moved the ball back to the 43. W.A. Hawkins was dropped for a loss back to the Hart 47 but a

penalty against moved the ball line 38. W.A. up the first do line 34. Hawki to Donnie Blac but a pass fro Black went inc first half ended.

Bennett was trapped on third down and thrown for a big loss, back to the 20. Bob Crick got to the nine but that was not enough and the Tornadoes took over on downs. Mike Field moved to the 39 in two tries to set up a first down for the Tornadoes. The Longhorn defense went to work and forced the Tornadoes to punt from the 45. However a personal foul penalty against the Horns gave the Tornadoes a first down at the 25. Mike Field moved to the 10 in two tries to give Texline a first and goal to go. Len Sheets moved to the five in two tries and Mike Field rammed over on the next play. Walt Eads' extra point kick was no good and the Tornadoes lead 6-0 with 2:45 left in the third quarter.

W.A. Hawkins took the kick-off on the 10 and got back to the 40 before he was brought down. Bob Crick got four on first and Tommy Gonzales added two more to the 46. Danny Smith picked up a first down at the Texline 47. W.A. Hawkins and Bob Crick could pick up only two yards between them and Tommy Gonzales could get to only the 40 to bring up fourth and three. George Ed Bennett's punt carried into the end zone and was brought out to the 20.

The Tornadoes were unable to find running room against an aroused Longhorn defense and were forced to punt from the 29. Len Sheets' punt rolled

dead at the Hart 42.

Danny Smith picked up another first down, moving the ball down to the Texline 45. The Tornadoes held the Horns for no gain on the next two plays and then threw Bob Crick back to the Hart 45 to force the Longhorns to kick. Bennett's kick carried to the 20 and Mike Field got back to the 32 before the Longhorn defense snowed him under. Again the Longhorn defense stopped the Tornadoes, this time with a fourth down stand on the 41 that denied the Tornadoes a first down to keep their time consuming drive alive.

The Longhorns went to the air in a desperate attempt to beat the clock and the Tornadoes. A third down pass from W.A. Hawkins to George Ed Bennett carried to the 14 of Texline. The next two passes fell incomplete and, on third down, disaster struck as Mike Field intercepted a pass on his seven.

With less than a minute left in the game, the Tornadoes were able to run out the clock with out giving the Longhorns another chance.

Larry Parker, Quincy Hawkins, W.A. Hawkins, George Ed Bennett, and Danny Smith were outstanding on offense while the entire defensive unit played an outstanding game.

Cotton Talks

From Plains Cotton Growers

The State Agricultural Stabilization and Conservation Service office at College Station has released base cotton acreage allotments and projected yields for the 23 High Plains counties represented by Plains Cotton Growers, Inc.

Total base allotment for the 23 counties in 1967 comes to 2,165,872, as compared to 2,122,770 in 1966. Excepting Motley County, all counties in the area received slight increases in base acreage, and Motley county dropped only 126 acres.

Most of the 43,102 acre increase is believed to have come from acres purchased by Plains producers in other parts of the state and brought to this area under the "sale and lease" provision of the Agricultural Act of 1965.

That provision was effective for the first time in 1966 and remains in effect in 1967. Producers may buy allotments, or lease them, from any of 77 Texas counties that voted either in 1965 or 1966 to permit out-of-county transfers.

Leased acres do not show up in base allotments on the Plains. These remain a part of the base allotment in the counties from which they were leased, and there is no record of how many acres may have been leased to the Plains either in 1966 or 1967.

Sales or leases under the law must be completed between June 1 and January 1 of each year.

Projected yield for the 23 counties, on a weighted average basis, increased 29 pounds per acre, from 513 pounds in 1966 to 542 pounds in 1967. Projected yields are set by the U. S. Department of Agriculture on the basis of "average" production for the previous three years and other factors such as changes in cultural practices and trends in yields.

And these are important to farmers because both price support payments and acreage diversion payments under the current cotton program are based on projected yield.

In 1966 producers were paid 9.42 cents per pound times their projected yield on each acre of their "domestic" allotment, which is 65 per cent of each farm's total allotment. In addition, a payment of 10.5 cents per pound times the projected yield from diverted acreage, up to 35 per cent of the total allotment, was made in 1966.

The domestic allotment for 1967 has again been set at 65 per cent. But the Department of Agriculture has yet to announce the rate of payments for price support or diverted acreage.

In 1966, farmers on the Plains signed up to plant only 1,451,407 acres of cotton. They were required by law to reduce allotments by 12.5 per cent, and had the option of diverting up to 35 per cent of their acreage. Average diversion for the 23 counties was 32.7 per cent.

And this picture is not expected to change greatly in 1967, since payment rates for diversion will likely be as high or higher than in 1966.

So, assuming the same average rate of acreage diversion, planted acreage in 1967 should approximate 1,457,600 acres on the Plains, plus whatever acreage may be leased or bought for the area.

Wilmer Smith, of New Home, was named chairman of Plains Cotton Growers' newly formed "Coordinating Committee for Market Development" when the group met for the first time Oct. 13.

The committee discussed the varied approaches which can be used to improve the market position of High Plains cotton. And it was agreed that one of the first steps would be a comprehensive market survey to more clearly define the problem in terms of what qualities of cotton will be most likely to find ready markets in the years immediately ahead.

The textile industry relations program already being carried on by PCG will fit well into this survey, and it is the intent of the committee to utilize other cotton marketing experts both in and out of this area.

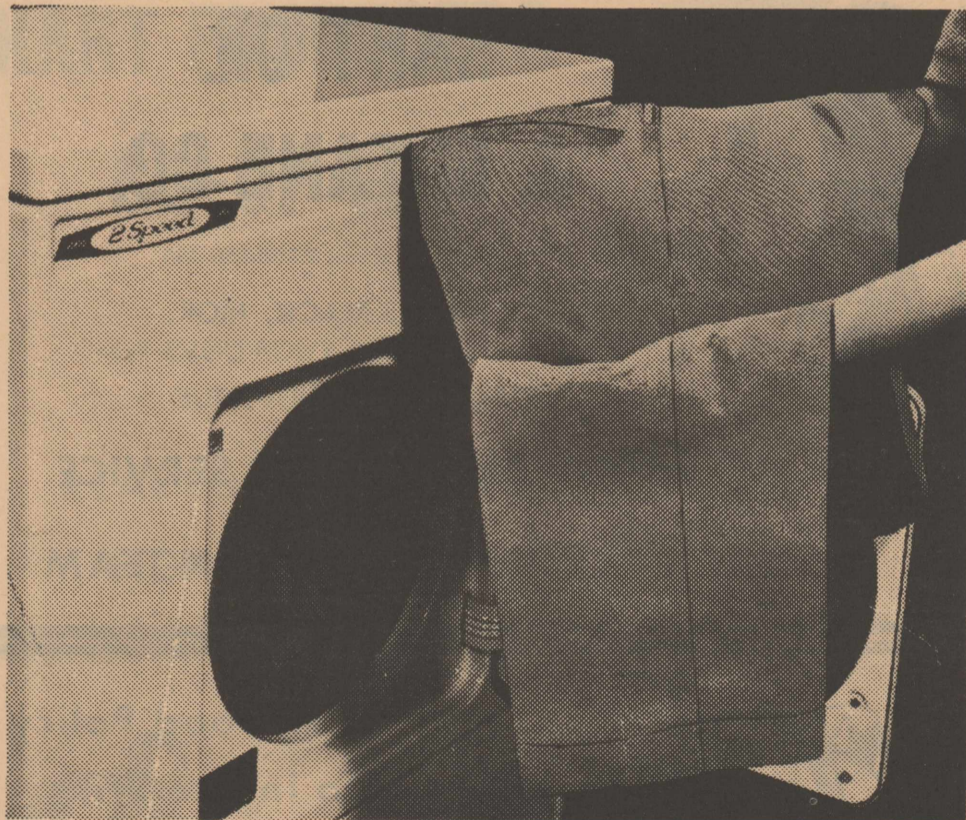

Chairman Smith said he believed such a survey to be of the utmost importance to prevent PCG or others on the Plains from being stampeded into something which might only peripherate the problem instead of solving it.

PCG President J. D. Smith, who serves as an ex-officio member of all PCG committees, said producers need to know what markets will be available to them before they move too far in any direction, "just as General Motors needs to know about the demand for pick-ups before they start building them."

The committee was originally appointed by President Smith as a "Cotton Quality Committee," but after discussing market surveys, breeding and research programs, government domestic and export policies, need for variety identification and other things, it became apparent that the name was an oversimplification of the job to be done.

The name was changed to "Coordinating Committee for Market Development" to reflect the many things that must be done and the many organizations and people that will be involved if the market position of High Plains cotton is to be improved.

COMMON COLD

You Just Can't Cure It

This is the season of the year when the American Medical Association reminds once again that you can't cure a cold. And if anyone tries to sell you on the latest version of a so-called "cold cure" you can save your money.

Many of the classic diseases of history have succumbed in the 20th century to new medical skills and modern drugs. But the cold virus still successfully resists the best efforts of the world's combined medical research talent.

As the years go by more and more is being learned about colds and their causes. A number of viruses produce the symptoms that most of us call a cold, possibly as many as a hundred. The true cold is an infection with one or more viruses. Bacteria are believed to be purely secondary infectors.

Current research seems to indicate that colds are harder to spread than has been thought. Fresh colds appear to be more contagious than older ones. Children's cold probably are more contagious than those of adults. There still is much discussion among experts as to the relationship of becoming chilled or exposure to dampness to "catching" a cold.

What can you do for a cold? No specific treatment, so far available, is effective against the cold virus. Any treatment is directed toward relief of the discomfort of runny nose, watering eyes, sore throat, slight fever and the other symptoms of the cold. Penicillin does not stop the virus, but may be prescribed by your physician for secondary bacterial infections. Bed rest, or at least inactivity, is helpful. Your physician may suggest mild medication to help

relieve the discomfort.

Cold vaccines have yet to be proved of much value. There is no evidence that any particular foods, vitamin supplements, special clothing, or exposure to sunlight or fresh air have any effect on colds.

If a cold persists or seems unusually severe, see your doctor. Colds are great imitators and the early symptoms can mimic those of other more serious infections. Recurring colds may not be colds at all, but may be allergic attacks that require medical attention.

Zip Code Use Urged

Postmaster J. Brooks today thanked the hundreds of Hart residents who have been cooperating in a plan to add ZIP Codes to personal mailing lists.

She also urged all those who have not yet sent in their "ZIP-A-LIST" forms to do so, adding that forms had arrived here late.

As part of a nationwide program, the Postal service will add the ZIP Codes to personal mailing lists. Every household in the nation has been sent forms with blanks for addresses to which residents wish the post office to add the five number codes.

"It's not too early to think of adding ZIP Codes to your Christmas mailing list," Postmaster Brooks suggested. "Also, it would help us greatly if you would print each address."

WHILE SHE READS THE NEWS... YOU CAN BET...

She reads the ads

According to the U. S. Bureau of Advertising, ADVERTISING ranks first with women, over all other newspaper content, for interest and readership! Women actually read ads in preference to anything else in the newspaper. (For that matter, ads rank third with men for readership!) And reading the newspaper is a favorite habit with American women.

So, if you have a product to sell—display it in an ad in your local newspaper. If it's for the home, write it to the housewife's point of view. For, more than anyone else, she'll read it. And, more than anyone else, she's the one who does the buying for the family!
