County Precinct Boundaries Shift

Castro County Commissioners last week voted 3-1 to shift the west boundary of precinct 1 to U. S. Highway 385, thus adding a half mile strip to the eastern edge of neighboring precinct 2.

Precinct 2, in turn, gave up a mile and a half along its north border to Precinct 3.

E. I. "Tump" McClain, commissioner of precinct 1, cast the dissenting vote against the changes. Commissioners Dale Winders, precinct 2, J. M. Wright, precinct 3, and Al Maurers, precinct 4, voted in favor of the move during a regular meeting July 10.

The plan was devised primarily to equalize the sizes of the four precincts and to facilitate work county maintenance within them, explained County Judge Raymond Wilson.

He pointed out that precinct 1, in which Hart is located, had always been the largest of the four and precinct 3 had been the smallest.

"This will not equalize the precincts exactly," said Wilson, "but it will make them a little more equal."

None of the four commissioners were available for comment on the changes this week.

Wilson added that shifting the boundaries to highways eliminated the necessity for county machinery assigned to a particular precinct to stop work and turn around in the middle of a section or cross a busy roadway in order to maintain

a narrow strip of land on the other side.

He said he could see no reason why the alteration could not be agreeable to residents of all the precincts, pointing out that similar changes were made between precincts 3 and 4 in 1959 without disagreement.

Wilson explained that present alterations were not made in precincts 2 and 3 eight years ago because of the presence of a bonded county road in precinct 2 at the time.

Action was delayed until the road bond was retired, according to Wilson, to avoid paperwork involved in changing the bond holder from one precinct to another.

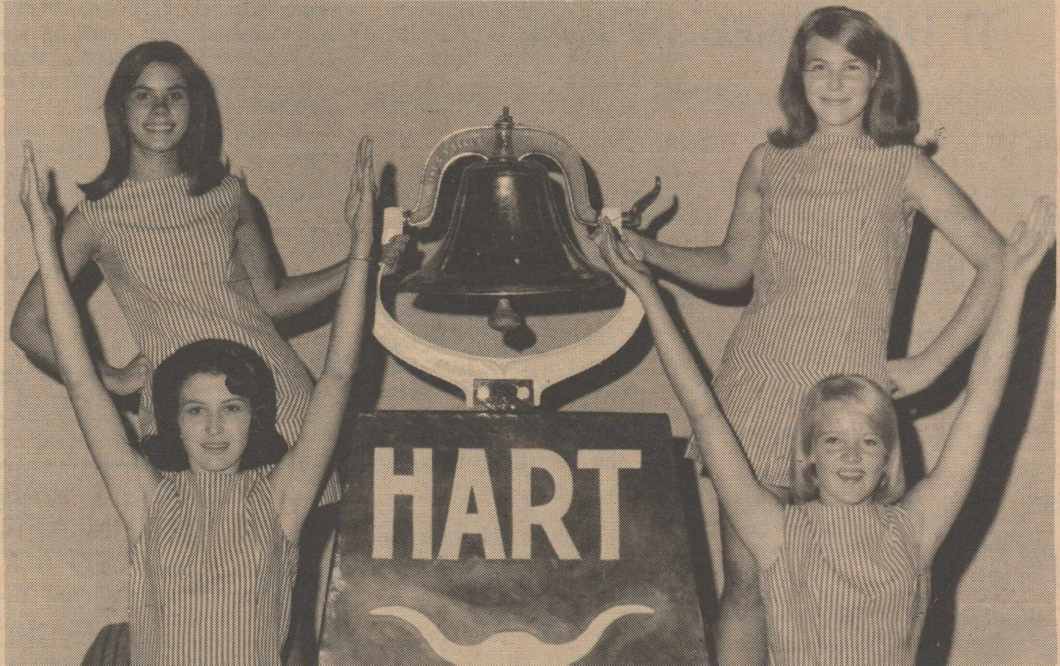

He conceded that Precinct one would probably lose about \$1,000 a year in county property valuation, but he added that the precinct, still the largest in the county, received a third of the county funds allocated to the precincts.

He estimated the allocation would not drop below 30 percent of the county total, even with the recent change in boundary.

He figured the precinct 1 current budget at \$61,000; Precinct 2 at \$54,000; Precinct 3 and 4 at \$44,000 each.

A public hearing to consider a new budget has been called for 10 a. m. Monday in the County Courthouse in Dimmitt.

For further details, see complete text of the resolution in this issue.

CHEERS!—Hart High School cheerleaders this week prepared for Cheerleader School on the Tech Campus beginning Sunday. They are, left to right, Linda Popejoy, head cheerleader; Sheila Gardenhire; Rebecca Futrell; and Joan Dudley.

Four Hart High School Girls To Attend Cheerleader School

Hart High School's four-girl cheerleader squad will join more than 600 junior high, high school, and college girls from four states Sunday in an invasion of the Texas Tech campus for the fourth annual Summer Cheerleader School.

Local girls attending the meet include head cheerleader Linda Popejoy, senior; Rebecca Futrell, junior; Sheila Gardenhire, sophomore; and Joan Dudley, freshman.

Cheerleaders from Texas, Colorado, New Mexico and Oklahoma will be on hand for the six-day school designed to teach the girls how to perform new cheers and become better spirit leaders through daily classes in crowd psychology, pep rally planning, footwork techniques, and tumbling.

A team of approximately 18 instructors will conduct the courses in the Intramural Gym on campus.

New yells will also be dem-

onstrated and competition will be staged among the squads in performing old and new routines. Ribbons are to be awarded to winners in each district with winners in the various districts meeting to compete

on the last night for the rest of the students.

This year marks the fourth trip to the school for Linda and the second for Rebecca. The squad is scheduled to return July 28.

Paving Resolutions Approved By City

The Hart City Commission Monday approved a resolution calling for improvement to sections of 10 streets within the city and advising residents owning property adjoining the affected area of what the improvements will cost them.

Proposed improvements, costing an estimated \$65,514, will include raising and grading the roadways and installing

curbs, gutters, sewers and drains where necessary.

The contract was awarded to High Plains Pavers, Inc. of Plainview.

According to the resolution, a property owner could be assessed as much as \$5 a foot for proposed improvements along his property line.

Of that total, \$1.70 is to be paid for each foot of curb and gutter and \$3.30 per foot will be assessed for all other improvements, according to the resolution.

Commissioners set a public hearing in City Hall at 7:30 p. m. Aug. 14 for persons claiming ownership of or interest in property taxable under the plan.

Roadway sections to be improved include Ave. S, B, and C, from 1st to 4th St., Ave. D, from Second St. to Broadway, Ave. D, from Broadway to 7th St., 2nd St. from Ave. B to Ave. E., 3rd St. from Ave. B to Ave. E., and 7th St. from Ave. A to Ave. D.

School Board Okays Budget, Raises Taxes

Members of the Hart School Board accepted a balanced preliminary budget of \$406,635.40 for the year beginning Sept. 1

during a special meeting here Friday night.

Supt. W. A. Gardenhire termed the proposed budget "conservative" in light of the board's desire to maintain quality education in the face of rising costs and expanded programs.

The board set a public hearing on the budget for 8:30 p. m. Aug. 8.

Peace Corp Trainee Here

Richard Lion, formerly from Berkley, Calif. was assigned by the Peace Corps at Texas Tech to visit among the people of Hart last week.

He was given a paid ticket to the nearest bus station to his destination.

Lion is a college graduate with a major in Corporations and is going to Costa Rica when he finishes his training in Texas Tech.

Members also set next year's school tax rate at \$1.65 per \$100 property valuation in the district. The new figure, 15 cents higher than the current rate, is the first tax hike in four years.

Members of the equalization board were named. They will meet from 1 to 3 p. m. Aug. 1.

Jr. Riding Club Takes First Place

Hart Junior Riding Club took first place in the junior division of the Swisher County Parade at Tulia last week.

Plainview Comancheros took second place.

TOURNEY WINNER—Hart golfer W. M. "Doc" Bates was one of two local residents to place in the 10th Annual Club Tournament in Olton last weekend. Bates took first place in the third flight. Newland Rowland placed first in the fourth flight.

Working Together

My first week with the Hart Beat has gone all too fast and I am afraid I didn't get around and meet as many people as I wish to. However, those I did meet were very nice people and some were old friends.

As Lela stated in her column, I attended Hart Schools some years ago. Naturally I have forgotten some of the people I used to know, and I am looking forward to working with all the Hart people and making new friends.

My first objective will be to cover the

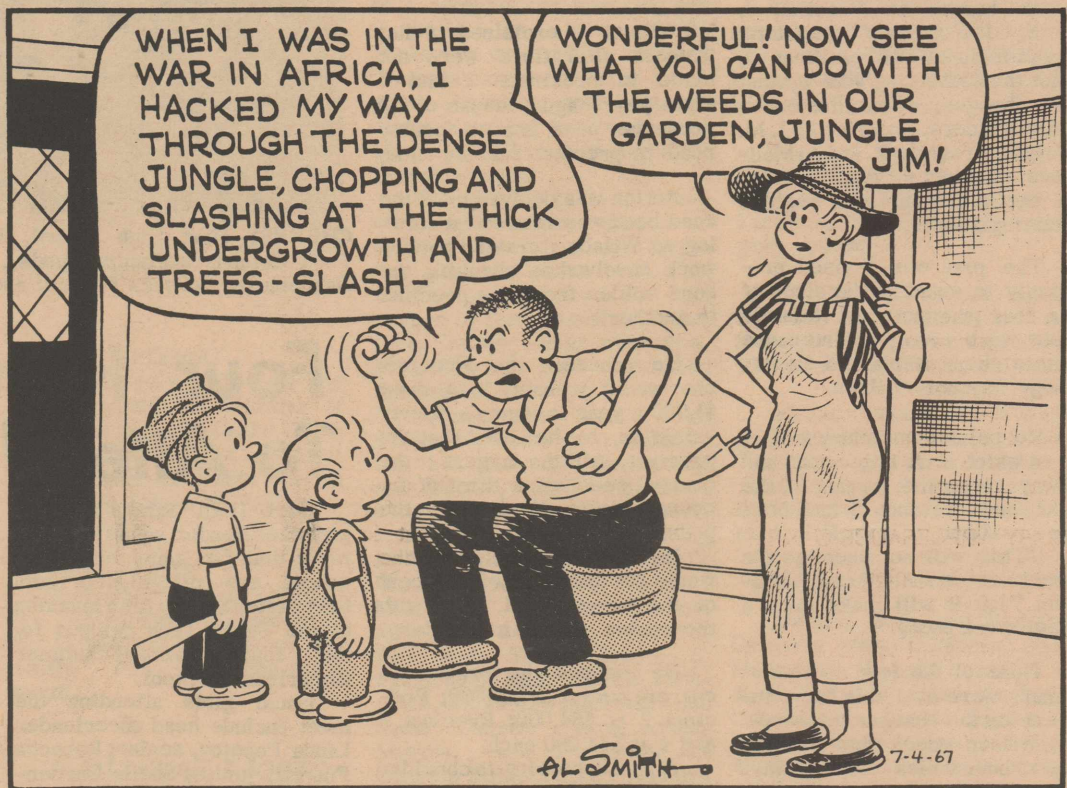

news in the Hart area to the best of my ability and in turn, put out a newspaper that Hart residents can be proud of.

Of course, this is not a one-man job, this takes the co-operation of an entire community. The Hart Beat will be only as good as you help us to make it.

So, at the very beginning, let me ask all of the Hart people for their whole-hearted support so that we can work together to produce the kind of newspaper Hart deserves.

COUNTY OF CASTRO RESOLUTION

RESOLUTION APPROVING AND ADOPTING ESTIMATES OF THE COST OF IMPROVEMENTS, OF AMOUNTS TO BE ASSESSED FOR IMPROVEMENTS IN THE NATURE OF GRADING, LAYING CURB AND GUTTER AND PAVING PORTIONS OF STREETS, HIGHWAYS AND AVENUES IN AND ALONG THE BOUNDARIES OF THE CITY OF HART, TEXAS, FIXING THE TIME AND PLACE FOR HEARING OF THE OWNERS OF ABUTTING PROPERTY, AND OTHER PERSONS INTERESTED IN SAID PROPERTY AND DIRECTING THE CITY SECRETARY TO PUBLISH NOTICE ON BEHALF OF THE GOVERNING BODY OF THE CITY OF HART, TEXAS.

WHEREAS, the governing body of the City of Hart has heretofore ordered that portions of the streets, highways and avenues be improved by grading, installing concrete curb and gutter and paving with caliche base and triple asphalt surface together with incidentals and appurtenances and arrangements therefor have been made and entered into by the City of Hart, Texas, with High Plains Pavers, Inc., and

WHEREAS, the governing body of the City of Hart has caused the City Engineer to prepare and file estimates of the costs of such improvements and estimates of the amounts per front foot to be assessed against abutting property and the owners thereof, and such estimates have been approved and examined:

THEREFORE, BE IT RESOLVED BY THE COMMISSIONERS OF THE CITY OF HART, TEXAS, by which is meant the governing body of the City, sometimes referred to as the City Commission:

Section 1. That estimates prepared by the City Engineer, Ralph Douglas, be and they are hereby adopted and approved.

Section 2. NOTICE

TO THE OWNERS OF PROPERTY ABUTTING UPON THE HEREIN-BELOW MENTIONED PORTIONS OF STREETS, HIGHWAYS, AVENUES and/or ALLEYS AND TO ALL OTHERS AFFECTED:

The governing body of the City of Hart, Texas, has heretofore ordered that the following portions of streets, highways and avenues in and along the boundaries of the City of Hart, Texas, be improved by raising, grading and filling and installing concrete curbs and gutters and installment of sewers and drains where necessary on streets, highways and avenues hereinafter designated, and it is hereby found and determined that the costs of improvements on such portions of said streets, avenues and highways are the amounts set out in the respective following paragraphs covering the units therein described, and the amount per front foot in each unit proposed to be assessed for such improvements against the abutting property and the owners thereof on the portions of said streets, avenues and highways for curb and gutter is \$1.70 per front foot, and for improvements exclusive of curb and gutter is \$3.30 per front foot; the aggregate assessment for properties improved with curb, gutter and paving, is \$5.00 per front foot; the portion of streets and highways to be improved being described, identified by paving unit number, the estimated total cost of improvements shown, the alleged property owners, description of properties owned, number of front feet, amount of total assessment against property and owners, all being as hereinafter set forth:

KITCHEN KORNER

By Lela Gallion

I am looking forward to working with our new manager as we have worked together before I find she is very adept at her job. I am sure she would like to meet each of you personally and may do just that at some time.

Sue is the mother of six children ages ranging from 15 to 4 years of age who are typical and well mannered children. Sue Cannon (formerly Sue Howard) lived in the Hart area and attended the Hart school and may be remembered by some of you.

She hopes to make our paper a better paper and will need all of your support and mine to do so. Let's all get behind her and help as she will greatly appreciate it. After all it is our hometown "Hart Beat" isn't it?? We need your news and your advertising both to make a better paper.

TANGY LEMON-ORANGE MERINGUE PIE

SHELL:

- 1 1/2 c. sifted flour
- 1/2 c. shortening
- 1/2 tsp. salt
- 2 T. mild cheese, grated
- 4 T. chilled orange juice

Sift flour and salt into bowl and cut in shortening. Blend until consistency of coarse meal, then blend in grated cheese. Gradually sprinkle in the orange juice, mixing lightly with a fork. Press into a ball and roll out into a 12-inch circle of dough. Fit dough into a 9-inch pie plate, fluting the edge with thumb and two fingers. Prick with a fork and bake in moderate oven at 350 degree F. until lightly browned. Set aside to cool while making the filling.

FILLING:

- 1 c. orange juice
- 1 c. water
- Juice of 1 lemon
- 1/4 tsp. salt
- 3/4 c. sugar
- 5 T. cornstarch
- 1 T. butter
- 6 large-sized marshmallows
- 3 egg yolks, beaten
- 1/2 tsp. grated lemon rind
- 3 drops lemon flavor

Place orange juice and water in saucepan. Mix sugar, cornstarch and salt and stir into the liquid. Place over a moderate flame, stirring constantly. When hot, drop in marshmallows and continue stirring until thick. Remove from flame and add well-beaten yolks, butter and lemon juice. Cook 2 minutes longer, stirring well. When slightly cooled, add lemon flavoring and when cool, pour into pie shell and top with meringue.

MERINGUE:

- 3 egg whites
- 5 T. sugar
- Dash of salt
- 2 drops each of lemon and orange flavoring

Beat egg whites and salt until foamy. Add sugar gradually, beating until meringue forms soft peaks. Add flavoring. Pile lightly on filling which has been poured into baked pie shell, being careful to have meringue cover filling completely to the edge of pie shell. Sprinkle top with 1 tablespoon sugar and bake to a delicate brown.

PEACH PARFAIT PIE

CRUST:

- 1/2 c. soft shortening
- 1 1/2 c. flour
- 1/2 tsp. salt
- 3 T. ice water

Combine shortening, flour and salt and work in with pastry blender or beat with electric mixer. Blend well. Add ice water and mix lightly. Bake in 400 degree F. oven until golden brown, then place in refrigerator to chill.

FILLING:

- 1 pkg. lemon jello
- 1 c. hot water
- 1 can sliced peaches, finely chopped, reserving several slices for garnish
- 1 pt. vanilla ice cream

Dissolve Jello in hot water. Add finely chopped peaches and place in refrigerator to cool. After cooling, mix in thoroughly the softened ice cream. At this point, pour mixture into cooled pie shell, and return to refrigerator. Chill. For best results, it is sometimes wise to return mixture to refrigerator after adding ice cream and let chill for 30 minutes before placing in pie shell.

BROWNIES

- 1 c. butter or oleo
- 1 c. nuts
- 2 sq. chocolate
- pinch salt
- 2 c. sugar
- 1 scant c. flour
- 4 eggs

Cream butter and sugar, add melted chocolate, salt, flour and eggs (one at a time) beating well. Add nuts and bake in a slow oven until done.

ORANGE SALAD

- 2 small pkgs. orange jello
- Dissolve thoroughly in 1 c. boiling water.
- Add one cup fresh orange juice
- Congee until pretty well set. Whip and add 1 pint orange sherbet -- beat well.
- Fold in one can Mandarin orange slices and coconut to taste.

And for those who are ready to can pickles:

SWEET CRISP PICKLES

- 7 lbs. cucumbers
- 2 qts. sugar
- 1 T. pickling spice
- 1 tsp. celery seed
- 2 c. lime (pickling)
- 2 gal. water
- 1 T. salt
- 2 qts. vinegar

Slice cucumber in one-half inch slices. Place in stone jar and cover with lime and water solution. Let soak 24 hours, stirring often with wooden spoon.

Rinse well. Cover with clear water and soak 3 hours. Drain and cover with vinegar, sugar and spices. Let soak overnight. In the morning boil entire mixture 35 min. Pack in jars and seal.

OIL ALLOWABLE RAISED—Texas oil allowable has been raised to 42.9 per cent of potential in the wake of the Middle East Oil emergency.

At the same time, Texas Railroad Commission asked federal assurances that big oil producing states won't be left holding the bag of surplus inventories as they were in the 1957 Suez Canal crisis.

July allowable will be 3,412,042 barrels per day or 399,861 above the current level. Production figure in January, 1957, was 51.6 per cent of potential.
