## 'Hart Day' To Be Observed Here

BETA SIGMA PHI members work on the float which they will enter in the parade during the Hart Day celebration to be staged here Tuesday. Floats will be judged before the parade.

### Pre-Registration Scheduled Released By School Officials

Following pre-enrollment schedule was released by Hart School Supt. W. A. Gardenhire this week as the school--and a community full of children--prepare for the first ring of school bells at 8:30 a. m. Aug. 28.

WEDNESDAY--Aug. 23 -- 8 to 9 -- Seniors; 9 to 10:30 -- Juniors; 10:30 to 12 -- Sophomores; 1 to 2:30 -- Freshmen

THURSDAY --Aug. 24 -- 8:30 to 10 -- Eighth Grade; 10 to 11:30 -- Seventh Grade;

FRIDAY--Aug. 25 -- Pre-School Day -- All students who will be six years old before

Sept. 1 will meet at Hart Elementary School from 9 a. m. to 12:30 p. m. Students must bring birth certificates and small pox health records and are urged to bring 35 cents for lunch in the school cafeteria that day. Parents will leave their children after checking them in to their teachers.

MONDAY--Aug. 28 - School begins regular classes at 8:30 a. m.

An In-Service Teachers' Training Program will also be conducted at 9 a. m. Aug. 22-25 at the school.

IKE BENNETT

### Ike Bennett Named To PCG

Ike Bennett, manager of Hart Producers Cooperative Gin, was elected businessman-director to the Plains Cotton Growers, Inc. last week.

Announcement of the position came during the Castro County PCG meeting in Dimmitt last Thursday.

He succeeds Allen Webb, Dimmitt ginner and farmer.

The 23-county PCG has two directors from each county. Businessmen-directors are elected on odd-numbered years and producer-directors are named on even-numbered years. Both serve two-year terms.

Hart residents were reminded this week that persons reporting a fire via the newly-installed telephone system must identify themselves before fire fighters will answer the reported alarm.

Number for the new system is 938-2500.

### Money Recovered From Burglary At Potato Shed

Police officials late last week recovered \$351.75 believed to have been taken in a burglary of the S & H Produce Co. potato shed on the west edge of town last Thursday night.

A suspect is being held by authorities in Hereford in connection with the breakin, according to Deputy Sheriff Granville Martin.

An estimated \$178.76 is still missing, Martin said, but an investigation into the incident is being continued.

Martin said \$33.75 in small change was discovered inside some equipment by two company employees shortly after the breakin. Another \$318 was recovered from the suspect by a state parole officer from Amarillo, he said.

Weeks of planning, dreaming and plain hard work by Hart residents will come to a colorful climax Tuesday as Hart Day activities get underway.

Celebration is in conjunction with Castro County Roundup Week Aug. 11-19.

A parade of horsemen, floats, and other creative concoctions through downtown Hart at 2 p. m. will set the tone for gay events to come.

At least five riding clubs, some from more than 50 miles away, will be on hand to lend their pageantry to the procession.

Locally constructed floats will be mingled among the horses along with gaily decorated bicycles and cars.

Plans for float construction have begun with members of Beta Sigma Phi, Soila Beauty Shop, and Holloway's.

All entries in the parade, except for riding clubs, will be judged prior to its beginning. Entrants will assemble at 1 p. m. south of the American Legion Hut.

Eight trophies and two cups will be awarded in half a dozen forms of parade competition.

One will go to each of the three riding clubs judged best.

Another will be presented for the best float entry, another for the best-decorated old car, a third for the best looking bicycle decoration, and a fourth for the best arrayed unicycle.

Cups will go for second and third place for the bicycle judging.

Members of the Hart Junior Riding Club, coordinators of the event, remind participants that parade entries must be turned in to R. G. Henderson by Friday evening.

Parade activities will be only a sample of the holiday atmosphere that will engulf the community next week.

Businesses, as well as clubs and individuals, will be doing their share to make Hart Day a better day.

Newsom's has planned a formal opening of their recently expanded store, and almost every shop in town will stage

a sale in conjunction with the celebration.

Ladies of the Good Neighbors Club will host a Settlers' Reunion all day in the Community Room of Farmers State Bank, complete with refreshments--and even more refreshing conversation.

Good Neighbors are also planning to dress to fit the pioneer theme of Castro County Week, "Freedom of Yesterday and Tomorrow." They will

### Local Family Involved In Auto Mishap

Joe Queroz Sr., 43, of Hart was in Castro County jail late Sunday after the car he was driving side-swiped the family pickup truck driven by his son Joe Jr., 17.

Investigating Highway Patrolman Bill Scott of Dimmitt said the left front bumper of the auto apparently entered locked with the right rear bumper of the truck, causing the pickup to slam into a bridge embankment. The incident occurred about 10:30 p. m.

Queroz's wife Mary, 39, was taken to Plains Memorial Hospital in Dimmitt suffering from a broken right foot. She was reported in good condition by hospital attendants later in the week.

Queroz, who was alone in the car, his son, and a daughter Mary T. Queroz who was riding in the pickup, all escaped injury. The children were also taken to the hospital and later released.

The father was fined \$200 and court cost and sentenced to 10 days in jail.

### New Minister Assumes Duties

Rev. C. T. Cunningham, former pastor of the Second Baptist Church of Plainview, assumed pastorship of the First Baptist Church here Tuesday.

He replaced Rev. Dinzell Leonard who left Hart in January to become pastor of the First Baptist Church of Dalhart. He had served here for eight years.

The new minister is a graduate of Wayland Baptist College in Plainview and Golden Gate Seminary in Mill Valley, Calif.

He also served as chaplain in the Navy for two years before beginning his four-year service in the Plainview church.

His wife Sylvia will teach language arts in Hart Junior High School this year.

The couple have two children, a daughter, Frances, 15, and a son, Thomas II.

Any erroneous reflection upon the character, firm or corporation which may appear in the columns of The Hart Beat will be gladly corrected upon being brought to the attention of the publisher.

**HUNTING SEASONS SET--** Texas Parks and Wildlife Commission decided deer hunters can shoot on New Year's day next year.

Deer hunting for most areas will be Nov. 11 through Jan. 1 -- two days longer than last year. A special experimental season of Nov. 18 through Jan. 7 was set for deer and turkey in Frio County. A short, Nov. 25 through Dec. 10 season was retained for Trans-Pecos but the

district bag limit was increased to four deer, including an additional white-tailed buck.

Commission decided the white-wing season should be held to the weekends of Sept. 2-3 and 9-10 this year. Reason is the 17 per cent decline in bird population, a big kill in Mexico and experimental permission for shooting in the old white-wing sanctuary along the border in Starr, Cameron and Hidalgo counties.

# EDITORIALS

## Hart Day Excitement

Hart Day is just around the corner! We at the Hart Beat are really looking forward to this -- probably just about as much as the whole community is.

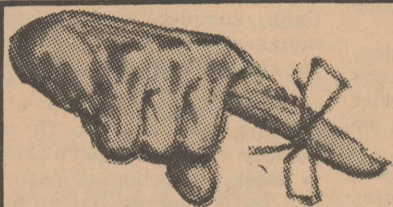

Residents of the area are busy working getting floats ready for the parade and the members of the riding club are busy getting prepared for the play day which will follow the parade. Of course, there are probably lots of kiddos getting those bicycles all diked out by now also.

We found that the people of Hart really work together to get a community project going. We feel that this is going to be a big success. Not because of the interest of a few, but because the whole town is interested and doing something to make it a success! And that's what it takes.

Every project has to have its leaders, but without the followers, those leaders wouldn't go far.

There are probably a great number of old-timers who are looking forward to getting together at the community room of the Farmers State Bank. This will give the older ones a chance to see people they haven't seen in some time, while meeting other new residents of the city.

After observing Hart residents in preparation for Hart Day and taking note of the cooperation of all the businesses with the paper in helping put out a special Hart Day edition -- we came to the conclusion that if the people of Hart decided to do something, they WILL-- and do it well!

## BEEF CATTLE COURSE SET AUG 14,15

The 17th Annual Beef Cattle Short Course will be conducted Aug. 14 and 15 at Texas A&M University.

The event, sponsored by the Texas A&M Department of Animal Science, is open to all persons interested in recent developments and changes in the beef cattle industry. The short course will be conducted in the Ballroom of the Memorial Student Center.

The 1967 Beef Cattle Short Course will feature discussions

of the economic position of beef production and the costs and returns from commercial breeding and feeding operations. Processing breeding herd records electronically and least cost ration formulations for feedlots by electronic means will be discussed by two industry representatives.

Particular attention will be given to breeding plans for sustaining hybrid vigor, and to management schemes for

crossbreeding operations. Meat experts will discuss carcass cut-out and monetary values of various breeds and crosses, Riggs says.

The relation of mature cow size to growth rate, feed requirement, and the economics of production in breeding herds will be a featured part of the program.

Recent research results will be presented on popped sorghum grain for finishing steers, levels of roughage in finishing rations, oyster shell in high concentration mixtures, digestibility of dry and moist sorghum grain and use of gypsum as a feed regulator in supplemental feeding, Riggs said.

Information concerning registration and room reservation forms may be obtained by writing the Department of Animal Science, Texas A&M University, College Station, Texas, 77843, Riggs emphasizes.

### APPOINTMENTS --

State Finance Commission appointed Francis A. Miskell, Regulatory Loan Commissioner, to serve as Consumer Credit Commissioner, effective October 1. Post was created to administer the Consumer Credit Code passed by the 60th Legislature.

## Chubby Baby May Be Fat Adult

That plump, healthy, happy youngster may grow up to be a fat, unhealthy, unhappy older child, and later into a fat adult who is prey to all of the physical ailments that are a part of obesity.

Faulty eating habits started in early childhood often are the cause of overweight adults in later life says Today's Health, the magazine of the American Medical Association.

All too many mothers, with the best of intentions, nag their small fry into eating more than they want to eat. The healthy, fat baby who remains chubby as he grows into pre-school and first grade years becomes less attractive as an individual. And the habit of eating more calories than necessary is likely to remain the rest of his life.

The parent is not the one to decide whether the child should lose weight, how he should lose it, or whether he should continue to remain "pleasingly plump", says Today's Health, The Doctor should be consulted.

If it fits your doctor's counsel, here are some tips to help your youngster lose weight-

\* Weigh once a week and keep track of the weight. Use

the same scale and wear approximately the same clothing.

\* It isn't necessary to cut out all desserts and snacks, as long as their calorie count is included in the daily total. Fresh fruits are good for snacks

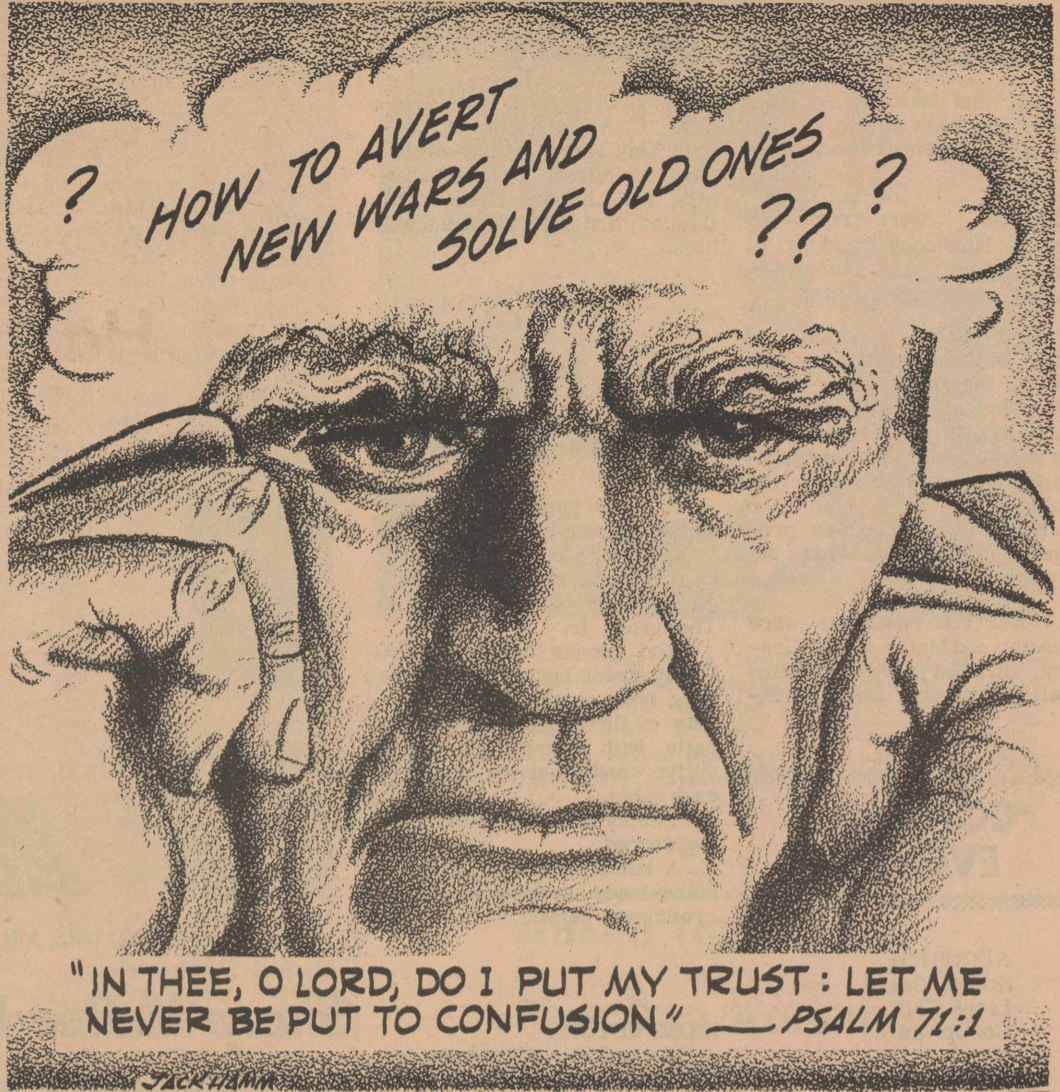

\* Keep a supply of raw carrots, radishes, celery sticks and pickles for more snacking. Tomato juice or clear bouillon can serve for drinks.

\* Cut out rich salad dressings; instead use vinegar and lemon juice.

\* Trim fat from meat, take it easy on the butter, substitute skim milk for whole milk. But be sure to get sufficient Vitamin A from fruits and vegetables.

The most important factor in helping the obese child to reduce poundage is to handle it naturally. Don't make a point of telling the child he is on a reducing diet. Just serve the meals naturally and as a matter of course. Avoid nagging the child about his diet. It will only make him rebellious and more inclined to snack on the sly.

## COULD PREVENT CLOUDED THINKING

**HEALTH GRANTS SOUGHT-** Seventy eight health facilities have applied for federal Hill-Burton construction grants of more than \$34,500,000 about twice as much as is expected to be available for Texas.

New 1968 Texas State Plan for Construction and Modernization of Hospitals and Related Medical Facilities now is available for review at the State Department of Health.

Hill-Burton Act provides funds to help finance construction and modernization of general hospitals and long-term facilities, diagnostic or treatment centers, rehabilitation facilities, tuberculosis hospitals and public health centers.

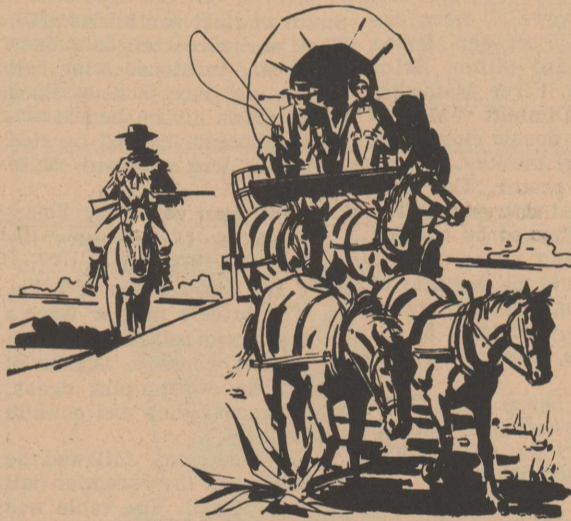

Dr. J. E. Peavy, State Commissioner of Health, said the 1968 plan indicates ever-increasing use of health facilities.

## HART DAY TUESDAY AUGUST 15

### SCHEDULE OF CASTRO COUNTY ROUNDUP WEEK

- Aug. 11, dance at Nazareth
- Aug. 12, county-wide talent contest at Dimmitt High School
- Aug. 14, street dance in Dimmitt
- Aug. 15, Hart Day, parade at 2 p.m.; old settlers reunion
- Aug. 17, parade, Old Settlers Reunion, rodeo barbecue, dance
- Aug. 18, rodeo and dance
- Aug. 19, Youth Day, pet show, rodeo and dance

Looking at the economic progress of the community of Hart in Castro County, there seems to have been advancement by the decade. In the first decade of this century, settlers were brought in by the train load. They came from all areas of the States and most had farming in mind when they settled here. However, it was during the decade of World War I that wheat and grain became king of crops in the Hart area.

The use of horses for power sources denied our farmers from use of many acres, however. In the roaring twenties things really began to roar here with the incoming use of tractors, large plows and gasoline powered harvesters. In those days it was not uncommon to hear tractors roaring all night long. The age of agricultural industrialization had begun.

With the coming of the railroad, all Hart was in a booming, festive mood. The skyscrapers of the plains began to appear on the horizon. These grain handling facilities loaded wheat from thousands of acres which were cultivated with very little capital investment. The decade of the dirty thirties is characterized by the introduction of irrigation from our fine underground formation. Hart is sitting over the thickest water bearing formation south of the Canadian River.

The decade of World War II is portrayed by the expansion of irrigation to include nearly all the acreage in the Hart area. The roar we heard then was of motors pumping water night and day. With the fifties came the mighty surge of cotton as a cash crop. Since cotton required the use of many dollars in its production, the need for capital sources was met by the establishment of Farmers State Bank.

This bank was founded by Hart men with the idea of complete community development in mind. Since so much capital was being used for fertilizer, seed manpower and increased production, these men knew that capital had become a tool for farming.

On our tenth anniversary this year we at Farmers State Bank know that we have fulfilled the thinking of our founders. We have become a vital part of the agricultural development of Hart and its area.

Now we must not stop here. We feel we have made substantial growth in view of the poor crops lately as has the town of Hart. This growth for Hart, in any manner whatsoever, is the basic premise at this Bank. We want industry to recognize the advantage of the area. We therefore promise the area that any opportunity for growth will not be overlooked.

## Housewarming Honors Local Couple Monday

Mr. and Mrs. D. A. Bass were honored with a housewarming at their new home Aug. 7.

Guests were greeted by Phyllis Hindman, daughter of Mr. and Mrs. Bass, Betty Howard registered the guests.

Mrs. Calvin Graham and Mrs. DeVern Mandrell presided at the refreshment table. Refreshment of green punch, coffee, cookies and mints were served. A gold floral arrangement complimented the serving table.

Hosts and hostesses presented the honorees with a set of pottery.

Hosts and hostesses were Messrs. and Meses. Calvin Graham, Bill Gary, DeVern Mandrell, Roy Long, Loyd Black-

well, V. O. Harrod, L. D. Widders, G. V. Davis, F. E. Graham, Guy Martin, Benny Moore, Clifford Adcock, Weldon Daniels, Ira Limbocker, and Nelly Duncan and Lenora Cunningham.

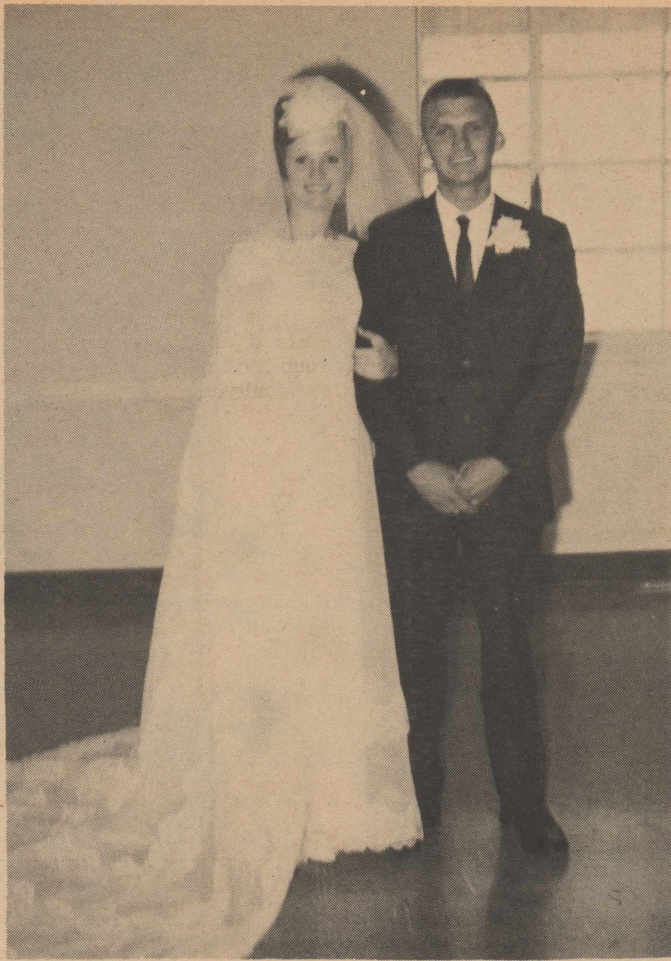

## Patio Party Honors Couple

A patio party and kitchen gadget shower was held Aug. 5, at the home of Mr. and Mrs. C. O. Burt, honoring LeNora Jo Sanders and William A. Thompson, Jr.

Red cannas highlighted the lovely green lawn. Lights were hung from a willow tree. Baskets of flowers hung from the patio with orange and green votive candles at the center of each table.

Twenty-five names were registered.

A buffet of hamburgers and home-made strawberry ice cream was served.

MR. AND MRS. MILTON BRICE McREE

## Double Ring Vows Read In Amarillo

Double ring vows were exchanged Aug. 7 by Jan Lyle, daughter of Mr. and Mrs. L. T. Miller of Borger and Cecil M. Hamm of Amarillo, son of Mr. and Mrs. Fred Hamm.

Rev. Harry Vanderpool, pastor officiated, at the ceremony held in the chapel of Polk Street Methodist Church.

The bride wore a white sheath dress with white accessories. Her bouquet was pink.

Mrs. M. Miller of Borger was matron of honor. Bob Latsperch of Hale Center served as best man.

The bride's mother wore a blue suit with a pink corsage.

The mother of the groom wore an off-white suit and pink corsage.

After a wedding trip to Colorado, the couple will be at home in Amarillo.

The bride is a graduate of S. M. U. and is currently attending West Texas State University.

The bridegroom is a graduate of Hart High School, received his B. A. from West Texas and a M. A. from M. N. T. U., Denton. He is teaching in Fannin Junior High School, Amarillo.

## IRONS RETURN

Mr. and Mrs. Allen Irons and family returned this week from Nebraska where they have been on wheat harvest. On Sunday, guests in their home were Mr. and Mrs. John Smith of Plainview and Mr. and Mrs. David Irons and boys.

## INJURES HAND

Nelda Henderson daughter of Mr. and Mrs. R. G. Henderson has a very sore hand after getting it caught in the electric mixer on Tuesday morning while mixing up a cake for the families noon meal. The beaters had to be bent to get her hand extracted from the mixer. The hand is badly bruised and a few cuts will be quite sore for awhile.

## Sharp-McRee Vows Read In Dimmitt Ceremony

Wedding vows were exchanged Aug. 5 between Martha Jane Sharp and Milton Brice McRee. The First Methodist Church of Dimmitt was the scene of the double ring ceremony read by the Rev. Weldon McCormick, pastor. The altar was decorated with an archway of greenery flanked by baskets of white gladioli.

The bride is the daughter of Mr. and Mrs. Frank Sharp of Tulia. Mr. and Mrs. M. F. McRee are parents of the groom.

Louise Sharp sang "The Twelfth of Never" and "Whither Thou Goest". She was accompanied by Eddie Sharp.

Given in marriage by her father, the bride wore a formal length gown of white peau de soie, with a cascading lace train. Her short illusion veil fell from a bow. She carried a white handkerchief for something borrowed and wore the traditional blue garter and a penny in her shoe. The bride's bouquet was white gladioli atop a white Bible. Her grandmother's wedding band was tied among the flowers for something old.

Cathy Sharp, sister of the bride, was maid of honor. Kay

Smith of Hart was bridesmaid. They wore street length dresses of green, fashioned with bell skirts and lace jackets. Each wore green ribbon headbands, white accessories and carried a single, long stemmed white gladiola.

Best man was Tony Young of Dimmitt. Ushers were Jay Nelson and Dan Petty of Dimmitt and Steve Sharp of Tulia.

The bride's mother wore a blue suit with beige accessories and white corsage. Mother of the groom wore a pink dress, white accessories and a white corsage.

A reception followed the ceremony in the reception hall of the church. The table was covered with beige lace cloth over green. The bride's bouquet served as centerpiece. Robbie Rice served the wedding cake. Sherilyn Morrison poured punch. Others assisting in the houseparty were Maurine Smith, Joyce Rice, Margaret Morrison and Myrtle Lee. Guests were registered by Rosemary Lee.

For a wedding trip to New Mexico, the bride wore a blue and beige two-piece suit with black accessories. The couple will be at home in Dimmitt.

The bride is a 1964 graduate of Hart High School. While in high school she was cheerleader, chosen Miss H. H. S. and named Most Popular her senior year.

The groom is a graduate of Dimmitt High School.

The couple plans to attend West Texas University this fall.

## Bridal Shower

## Fetes Miss Sanders

LeNora Jo Sanders, bride elect of William A. Thompson Jr., was honored with a bridal shower, Aug. 7 in the Harold Phillips' home of Littlefield.

Guests were registered by Mrs. Rick Breedlove.

Special guests included Mrs. W. T. Sanders, mother of the bride-elect, and Mrs. David C. Ward, mother of the groom.

Mrs. Rick Breedlove and Miss Maisie Naylor presided at the refreshment table which was laid with a white lace cloth over white. The centerpiece was white palm mums and greenery. Refreshments were lime sherbet punch, coffee and cookies.

Hostess gift was an electric waffle iron. Hostesses were Meses. Harold Phillips, Don Brestrop, John Breedlove, Charles Smith and Floyd Armistead.

## Registration Will Begin Sept. 4 At Wayland Baptist College

Dr. Roy C. McClung, president of Wayland Baptist College in Plainview, announced recently that registration for the fall term will begin on Sept. 4th, and the term itself will start on Sept. 7th. There are a limited number of openings still available.

In making this announcement, Dr. McClung pointed out three vital factors which make Wayland Baptist College appealing to students.

"The private nature of Wayland Baptist College emphasizes the free enterprise segment of higher education. The place of the private school is well established and the need for a good balance in the United States between public and private education has been recognized by Congress as well as business and industry. Strong private institutions are a further guarantee to the development of independent, free enterprise initiative on the part of budding young leaders."

Dr. McClung added, "Wayland Baptist College is small enough to provide education tailored to each individual's needs through personal counseling and individual attention. Expert teachers, including PHD's, deal with both freshman and soph-

omores as well as advanced groups. Because of its smallness, Wayland can provide a flexibility in its educational program not possible at larger institutions."

The third feature of Wayland Baptist College which Dr. McClung feels is important is that it provides church related educational development.

"Wayland fits into that tradition of developing character and leadership qualities; because with the campus life structure, along with the academic program, the possibilities for constructive experience toward effective leadership are extremely strong. The spiritual atmosphere of the campus is formal and relaxed with an honest and mature approach to the settlement of each individual of philosophy of life springing out of the great Christian tradition."

Wayland Baptist College will

be operating this fall in recently improved facilities with the classroom space in Gates Hall completely modernized and each of the dormitories has been remodeled to give higher levels of comfort and pleasant group living. Thirty per cent of the faculty this academic year hold doctor's degrees.

Dr. McClung's final statement is worthy of direct quotation:

"The end product of Wayland's educational process is an intelligent, cultured, socially involved, highly motivated, capable leader ready for maximum participations in the movements of late twentieth century society."

### MOTHER VISITS

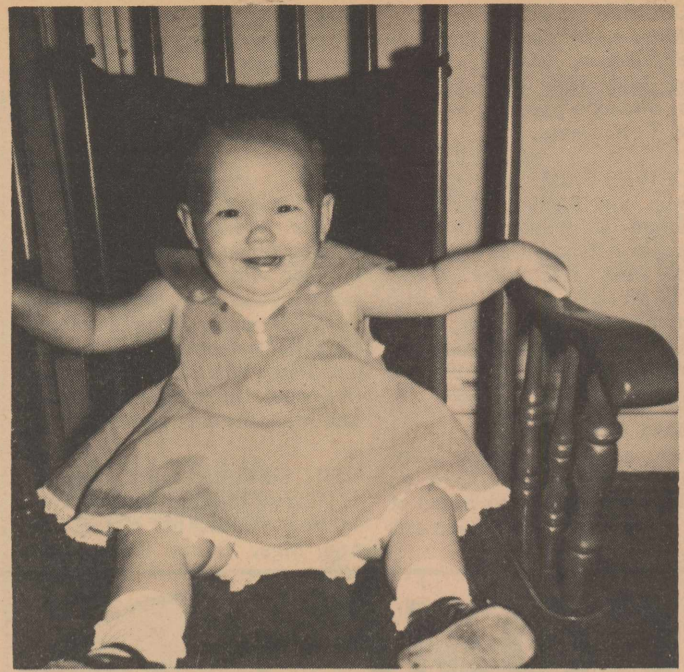

Mrs. Otto Watts of Eureka, Calif. visited in the home of her sister, Mr. and Mrs. M. F. McRee and brought the ladies mother, Mrs. Laura Weems back from Calif. Mr. and Mrs. Frank Carrell and Trena of Oluska, Okla. visited the McRees on Sunday and took Mrs. Weems home with them to visit awhile.

### VISIT GRANDPARENTS

Kevin and Kyla Lilly of Sunray have spent the last week here visiting their grandparents Mr. and Mrs. L. L. Swindle and other relatives. Their parents Mr. and Mrs. Freddie Lilly came and took them home on Wednesday.

### SUNDAY OUTING

Mr. and Mrs. Calvin Alexander, Mr. and Mrs. Clinton Holiman and Mr. and Mrs. W. W. Carney spent Sunday at White River near Crosbyton on an outing and picnic.

Tommy Morrison is home from the hospital where he underwent surgery on his leg to correct an injury. Tommy will be in a cast for four months. Tommy is the son of Mr. and Mrs. Theron Morrison.

HART PRESENTS: Robin Lynette Bowden, two-and-one-half-year-old daughter of Mr. and Mrs. Bob Bowden. Robin Lynette has one sister, Tammera. Maternal grandparents are Mr. and Mrs. Arno Cox of Hobbs, N. M. Paternal grandmother is Mrs. Ena Bowden of Durant, Okla.

RETURN HOME

Mr. and Mrs. W. A. Hawkins Sr. returned this week after spending a few weeks at their summer home at Port Mansfield. While there they were visited by Bro. and Mrs. Douglas Gossett and family of Amherst who spent a week with the Hawkins.

VISIT FLOMONT

Mrs. Don Ewing and children spent a few days visiting her sister Mr. and Mrs. H. A. Martin and Cathy in Flomot.

OKLAHOMA VISITORS

Mr. and Mrs. Don Smith and boys of Erick, Okla. spent the weekend here visiting Mr. and Mrs. Harold Smith and family.

IN AMARILLO

Mr. and Mrs. Lowell Richburg and DeAnn were in Amarillo on business one day last week.

*Cards of Thanks*

Due to illness I will not be working anymore. I would like to thank all my customers and friends for their patronage through the last two years.

Thank you,  
Jo Ann Clark

HAMBURGER STROGANOFF

- 1/2 c. minced onion
- 1 clove garlic, minced
- 1/4 c. butter
- 1 lb. ground beef
- 2 T. flour
- 2 tsp. salt
- 1/4 tsp. pepper
- 1 lb. fresh mushrooms, or 8-oz. can mushrooms sliced
- 10 1/2 oz. can cream of chicken soup, undiluted
- 1 c. sour cream
- 2 T. minced parsley
- 7 or 8-oz. pkg. uncooked small medium, or Kluski noodles

Saute' onion and garlic in butter over medium heat. Add meat and brown. Add flour, salt, pepper, mushrooms. Cook 5 minutes. Add soup, simmer uncovered 10 minutes. Stir in sour cream. Heat through. Sprinkle with parsley. Cook noodles as directed on page 1. Serve Hamburger Stroganoff over plain or Poppy Seed Noodles .

GRILLED SPARERIBS

- SUPER COLE SLAW
- 1/4 tsp. pepper
- 1/2 tsp. dry mustard
- 1 tsp. celery seed
- 2 T. sugar
- 1/4 c. chopped green pepper
- 1 tsp. salt
- 1 T. chopped red pepper or pimento
- 1/2 tsp. grated onion
- 3 T. corn oil
- 1/3 c. vinegar
- 3 c. chopped cabbage

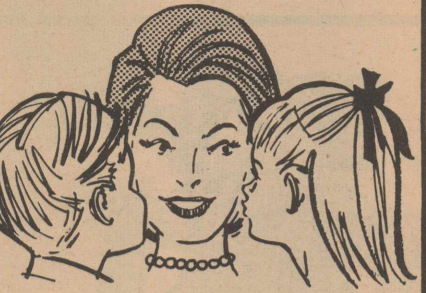

Place ingredients in a large bowl in the order they are listed above. Mix well. Cover and place in refrigerator to chill throughout. Garnish with water cress servings. This Mazola-inspired treat makes a wonderful barbecue companion for grilled franks, hamburgers or chicken.

CITY OF HART

Recipe Of The Week

Mrs. Harold (Margie) Bass, a fairly new comer, moved to Hart the first of January from Hereford. They have two sons, Harold Bass, married and living at Dumas and Charles, of the home, who will be a junior in

Hart High School this fall. They have two granddaughters, also. Mrs. Bass's hobbies are her yard and gardening. She has a lovely yard to prove this. Her husband is a brother of D. A. Bass.

**PUBLIC NOTICE**

**Proposed CONSTITUTIONAL AMENDMENT  
NUMBER FIVE ON THE BALLOT**

**BE IT RESOLVED BY THE  
LEGISLATURE OF THE  
STATE OF TEXAS:**

Section 1. That Article III of the Constitution of Texas be amended by adding a new section thereto to be known as Section 49-e, as follows:

"Section 49-e. The Parks and Wildlife Department, or its successor vested with the powers, duties, and authority which deals with the operation, maintenance, and improvement of State Parks, shall have the authority to provide for, issue and sell general obligation bonds of the State of Texas in an amount not to exceed Seventy-Five Million Dollars (\$75,000,000). The bonds authorized herein shall be called "Texas Park Development Bonds," shall be executed in such form, denominations, and upon such terms as may be prescribed by law, provided, however, that the bonds shall bear a rate or rates of interest as may be fixed by the Parks and Wildlife Department or its successor, but the weighted average annual interest rate, as that phrase is commonly and ordinarily used and understood in the municipal bond market, of all the bonds issued and sold in any installment of any bonds, shall not exceed four and one-half percent (4½%) interest per annum; they may be issued in such installments as said Parks and Wildlife Department, or its said successor, finds feasible and practical in accomplishing the purpose set forth herein.

"All moneys received from the sale of said bonds shall be deposited in a fund hereby created with the State Treasurer to be known as the Texas Park Development Fund to be administered (without further appropriation) by the said Parks and Wildlife Department, or its said successor, in such manner as prescribed by law.

"Such fund shall be used by said Parks and Wildlife De-

partment, or its said successor, under such provisions as the Legislature may prescribe by general law, for the purposes of acquiring lands from the United States, or any governmental agency thereof, from any governmental agency of the State of Texas, or from any person, firm, or corporation, for State Park Sites and for developing said sites as State Parks.

"While any of the bonds authorized by this provision, or any interest on any such bonds, is outstanding and unpaid, there is hereby appropriated out of the first moneys coming into the Treasury in each fiscal year, not otherwise appropriated by this Constitution, an amount which is sufficient to pay the principal and interest on such bonds that mature or become due during such fiscal year, less the amount in the interest and sinking fund at the close of the prior fiscal year, which includes any receipts derived during the prior fiscal year by said Parks and Wildlife Department, or its said successor, from admission charges to State Parks, as the Legislature may prescribe by general law.

"The Legislature may provide for the investment of moneys available in the Texas Park Development Fund and the interest and sinking fund established for the payment of bonds issued by said Parks and Wildlife Department, or its said successor. Income from such investment shall be used for the purposes prescribed by the Legislature.

"From the moneys received by said Parks and Wildlife Department, or its said successor, from the sale of the bonds issued hereunder, there shall be deposited in the interest and sinking fund for the bonds authorized by this section sufficient moneys to pay the interest to become due during the State fiscal year in which the bonds were issued. After

**Improvement Begun  
In Palo Duro Canyon**

Park visitors in Palo Duro Canyon State Park have been startled by the resonating booms coming from Sunday Canyon in the area of the Devils Tombstone. However, these are sounds of progress not the echoes of some long forgotten Indian battle.

Jerry Mullican, park superintendent for the Texas Parks and Wildlife Department, said the sounds come from blasting operations in the old quarry last used by the Civil Conservation Corps in the mid-1930's.

The old sandstone quarry was reopened recently to provide material to be used in massive improvements in facilities at the 15,000 acre state park. Some 3,000 yards of sandstone will be quarried and used

in building a new entrance to the park, a concession building, additions to the headquarters building and new restroom facilities.

Park planners of the Department indicate the new construction will retain the architectural styles already established in the park. Original construction at the park was begun by the CCC in the mid 30's but was never finished due to World War II.

The echoes through the prehistoric canyon are the forerunners of a \$542,988 massive reconstruction job. Already underway is construction of three miles of roads and two paved parking areas. Other construction in the park is scheduled to begin soon.

**SCOUT  
NEWS**

Troop 246 of the Boy Scouts will leave early Sunday morning for Tres Ritos, N. M. for a week of camping.

The group will have a devotional service at the Legion Hall at 6:30 a. m. before leaving.

Those planning to make the trip are Duane Clevenger, Roy Gonzales, Teddy Rodriguez, David and Theron Hawkins, David and James Warren, Vic

Nelson, Tommy Davis, Kim McGill, Dick Rambo, Jim Tucker, Craig Harlan, Kim and Stan Dyer, David Armstrong, Ike Graves and Dwight Miller.

**Can Be Dangerous**

**Mumps Is A Virus Infection**

Mumps is a virus infection of the parotid gland, one of the salivary glands, immediately below the ear lobe and behind the angle of the jaw, says Today's Health, the magazine of the American Medical Association.

The best sign of mumps is a tender, smooth, firm swelling that covers the corner of the jawbone where it turns upward toward the ear, the mag-

azine reports.

Mumps in a child is usually only mildly incapacitating and moderately uncomfortable. Many cases in children are so mild as to go unnoticed by parents. A mild medication for fever and the discomfort of mild headache and muscle aches may be used as needed.

Normally the child recovers in five to seven days.

In the teen-ager or adult mumps is more serious. The virus is more likely to involve other areas such as the pancreas, and to result in nausea, abdominal pains and severe food or fluid intolerances.

The tendency for mumps with its attendant pain to settle in the ovary or testicle is well

known. The chance of sterility is highly and emotionally overrated, however. Physicians usually prescribe complete bed rest for adults with mumps. Greater physical activity brings greater chance of complications.

Mumps is not excessively contagious and almost direct contact with the afflicted—such as drinking from the same cup or being sneezed at—is required to contract the disease.

One can get mumps twice, but it is a rare occurrence. Most cases of "mumps the second time" were the result of previous misdiagnosis of swollen neck glands from an infected throat. Odds are about one in 400 of having bona fide mumps as a repeat illness.

**Join the fun  
during the  
celebration!  
August 15th**

**PARSONS  
FUNERAL HOME**

all bonds have been fully paid with interest, or after there are on deposit in the interest and sinking fund sufficient moneys to pay all future maturities of principal and interest, additional moneys received from admission charges to State Parks shall be deposited to the State Parks Fund, or any successor fund which may be established by the Legislature as a depository for Park revenue earned by said Parks and Wildlife Department, or its said successor.

"All bonds issued hereunder shall after approval by the Attorney General, registration by the Comptroller of Public Accounts of the State of Texas, and delivery to the purchasers, be incontestable and shall constitute general obligations of the State of Texas under the Constitution of Texas.

"Should the Legislature enact enabling laws in anticipation of the adoption of this amendment, such Acts shall not be void by reason of their anticipatory nature."

Sec. 2. The foregoing amendment to the Constitution shall be submitted to a vote of the qualified electors of this State at an election to be held on November 11, 1967, at which election each ballot shall have printed thereon, the following words:

"FOR the amendment to the Constitution of Texas adding a new section to be known as Section 49-e of Article III, authorizing the issuance and sale of Seventy-Five Million Dollars (\$75,000,000) in bonds by the State of Texas to create the Texas Park Development Fund to acquire lands for State Park sites and to develop State Parks."

"AGAINST the amendment to the Constitution of Texas adding a new section to be known as Section 49-e of Article III, authorizing the issuance and sale of Seventy-Five Million Dollars (\$75,000,000) in bonds by the State of Texas to create the Texas Park Development Fund to acquire lands for State Park sites and to develop State Parks."

## KITCHEN KORNER

By Lela Gallion

Due to the hot weather lots of folks are eating a lot of watermelon and cantaloupe. (Also ice cream and soft drinks) Sometimes we forget to eat some nourishing foods along with these light foods and we really need them for our health. And since chickens are such a good buy lets try these.

### CHICKEN PIE

#### Filling

1/2 c. cold chicken broth  
1/3 c. flour  
1 1/2 c. hot chicken broth  
2 1/2 c. stewed chicken cut in large dice  
3/4 c. drained canned peas  
3/4 c. sliced celery  
1 tsp. salt

#### Pastry

1 c. all-purpose flour  
1 1/2 tsp. baking powder  
1/4 tsp. salt  
3 T. butter  
1/3 c. milk

Make a paste by blending cold chicken broth and flour until smooth. Add paste to the hot chicken broth and cook over direct heat, stirring constantly until sauce boils and thickens. Combine with chicken, peas, celery and 1 teaspoon salt, and pour into a 6-cup buttered casserole. Sift the 1 cup flour, measure and resift 3 times with baking powder and 1/4 tsp. salt.

Cut in butter with a pastry blender or 2 knives, then add milk, all at once, stirring quickly with a fork until dough just stiffens. Turn dough out onto floured board, knead half a dozen times, then roll out to make a circle about 8 1/2 inches in diameter, or to fit top of casserole, and about 1/4-inch thick.

Make several gashes near the center to allow steam to escape, then lay on top of the chicken filling. Crimp edge of dough, pressing it firmly against edge of casserole. Bake in a moderately hot oven (425 Deg. F. from 20 to 25 minutes or until nicely browned. 5 servings.

### BANANA, MARSHMALLOW AND NUT SALAD

5 bananas, well ripened  
Crisp lettuce  
1/4 lb. marshmallows, quartered  
1/4 c. salad dressing  
2 T. cream  
1/2 c. chopped peanuts

Peel bananas and cut in half lengthwise, then in half crosswise. Arrange lettuce leaves on salad plates. (If desired, bananas may be dipped a little while in lemon juice to prevent discoloration. This is desirable for salads that must stand before serving.) Fold marshmallows into salad dressing, add cream and pile lightly on top of banana quarters. Sprinkle peanuts over top. 5 servings.

### BANANA SALAD

3 bananas, well ripened  
1/4 c. orange juice  
Chopped peanuts-or other nuts  
Crisp lettuce  
Fruit salad dressing or mayonnaise

Peel bananas and cut in half crosswise. To prevent them from discoloring, prepare salads just before serving or coat bananas with lemon or orange juice. Then roll in chopped nuts. Drop into lettuce cups. Serve at once with fruit salad dressing or mayonnaise. 5 servings.

### PICKLED PEACHES OR PEARS

12 to 16 medium-sized peaches  
Whole cloves  
2 c. cider vinegar  
2 c. granulated sugar  
6 sticks cinnamon

Use firm but ripe peaches. Clingstones are best for pickles, but if Elbertas are used, dip in boiling water to loosen skins, then remove skins and leave fruit whole. Pare any other variety thinly. Stick each peach with 4 to 5 cloves and drop immediately into boiling hot syrup, made of the vinegar, sugar and stick cinnamon. Boil gently until peaches are

## Four Local Teachers Attending Meetings

Four Hart Elementary School teachers are attending the 15th annual Texas Association Conference for the Improvement of Reading held on the West Texas State University campus in Canyon.

Those attending the meeting include Mrs. H. H. Bledsoe, Mrs. Bill Bell, Mrs. Deryl Clevenger, and Mrs. E. L. Oliver. They will be accompanied by G. C. Graves.

Today is the last day of the meet which began Tuesday.

Visiting conference speakers have been Dr. Jeanne McCarthy of the University of Illinois and Dr. Albert Kingston of the University of Georgia.

Sectional meetings of teachers in all grade levels are being conducted at the sessions.

Topics discussed include The Complete Reading Pro-

gram, Early Identification of Children With Learning Disabilities, Linguistics, Creative Writing, Poetry, Evaluating Reading Ability, The Disabled Learner, and Cognition and Comprehension.

### WEEKEND VISITORS

Mr. and Mrs. Price Floyd, Hubert and Mrs. Ralph Floyd of Garland visited Mr. and Mrs. O. L. Floyd and Linda over the weekend.

### GETS MASTERS DEGREE

Richard Cheatham son of Mr. and Mrs. H. L. Cheatham finished his masters degree at Perdue University with a 5.8 out of a possible 6 point.

tender, 8 to 10 minutes. Pack in hot sterile jars. Add hot syrup to come to within 1/4-inch of top, then seal. Use same method for peeled Seckel pears. 2 quarts. Chill before serving.

### SPENDS WEEKEND

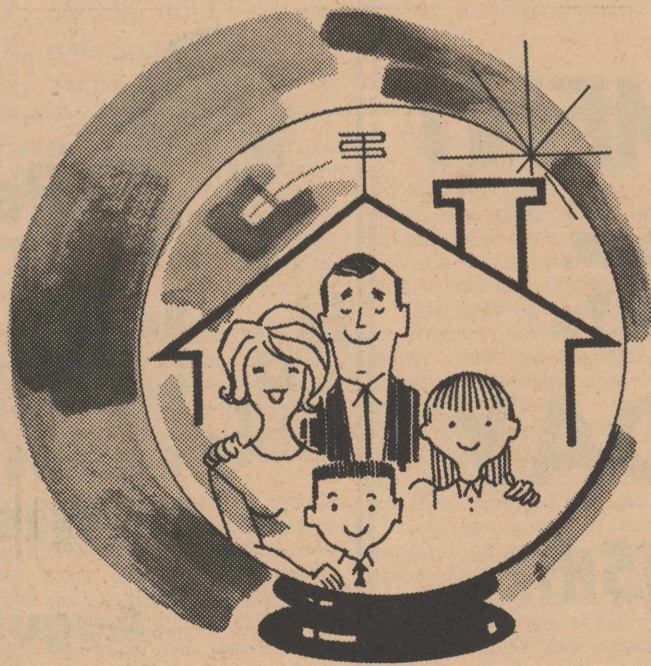

Sandy Smith of Erick, Okla. spent the weekend visiting in the home of Mr. and Mrs. David Smith.

### VISIT DUMAS

Mr. and Mrs. David Irons and family spent Friday and Saturday in Dumas visiting Mr. and Mrs. Tommy Cook and family.

## Newsom Grocery To Have Formal Opening Tuesday

Formal opening of Newsom's Super Save Market will be held during Hart Day Tuesday, climaxing weeks of remodeling.

Special surprises and door prizes will be awarded to customers during the special day, along with free coffee, donuts, ice cream and soft drinks. Merry-Go-Round rides will be on the lot for the children.

Jess Newsom, owner of the store, said additions to the expanded plant include a new vegetable case, frozen food case, and dairy case. The building

was expanded 50 feet in the back to make room for the renovations, he said.

The locally-owned and operated market has been a part of the Hart business community for nearly 32 years. Newsom is assisted in its management by his son Stewart.

### SCOUT NEWS

All girls of the Brownie Girl Scout Troop 23 who would like to ride the bus in the Hart Day Parade are asked to meet at the Legion Hall at 1 p. m. on Tuesday Aug. 15.

**EDUCATION --** Amarillo College has received approval from the Coordinating Board to establish a two-year registered nurses' training program. First class will be accepted in 1968. College also has received a \$37,000 research grant from the Texas Education Association to plan curriculums for its School of Health Occupations.

### ATTORNEY GENERAL RULES--

Attorney General Martin ruled that: \* Personal car mileage and meals during travel on official business, office rental and parking space fees are among legal expenses which legislators now can charge to the state under their \$1,000-a-month expense allowance.

\* Counties now are required to pay the fees of lawyers appointed to represent juveniles in proceedings to determine whether they will be tried as adults.

J.J. NEWSOM proudly stands before one of his many new refrigerator units which has been added to his newly remodeled store. His formal opening will be held Tuesday, Aug. 15 and Wednesday, Aug. 16. He and his son Stewart, will operate the home owned grocery.

## Weldon Bates To Represent Castro County At TSTA Meet

Weldon M. Bates of Hart, president of the Castro County unit of Texas State Teachers Association will take part in TSTA's 8th annual statewide meeting of local unit presidents in San Antonio beginning Monday.

Bates will represent the 167 members of his unit at the major TSTA planning session.

The two-day conference is held each year to provide the state's 390 TSTA unit presidents with up-to-date information on association activities and to draw out their thinking on future TSTA programs and

services to its statewide membership of more than 118,000 members.

Sam M. Anderson, of Big Spring, TSTA president, will preside.

Miss Antoinette Miller of Houston, TSTA vice-president, will deliver the keynote address

at the Monday evening banquet session in the Gunter Hotel where the conference will be headquartered.

Also taking part in the conference will be top appointed and elected leaders of the statewide organization and the TSTA professional staff.

**APPOINTMENTS --** Three Texas officers were named by Gov. John Connally to the State Aeronautics Commission: Hugh A. Fitzsimons Jr. of Carrizo Springs, William N. Allan of

San Antonio and Rex Cauble, Smith appointed to the Legislative Budget Board Senators Tom Creighton of Mineral Wells and Bruce Reagan of Corpus Christi.

# STATE Capital NEWS

By VERN SANFORD

AUSTIN, Tex.—One day after receiving a 40-year service award from the Texas Highway Commission, State Highway Engineer Dewitt C. Greer announced his retirement.

Greer reached the mandatory retirement age of 65 on July 27, but he agreed, at the behest of the Commission, to stay on the job until the end of the year.

Lt. Gov. Preston Smith, acting as governor while Connally hunts in Africa, called on Greer at his office to present him with a framed copy of a proclamation making August 4 "Dewitt C. Greer Day" in Texas.

A celebration commemorating the Highway Department's 50 years is slated for September 26. A highlight of the celebration will be presentation to Greer of funds donated to endow in his honor a lectureship at the Texas A&M

Civil Engineering Department. Greer, a graduate of A&M, went to work for the Highway Department in 1927 and became its top administrator in 1940. During his tenure as chief engineer, Greer has supervised the investment of more than \$4,000,000,000 in a highway system that's grown from 20,359 miles to more than 68,000 during the past 27 years.

A former president of the American Association of State Highway Officials, Greer now serves on the organization's executive and legislative committees and has received its two highest honors for contributions to highway progress. In 1965, Texas Christian University made him an honorary Doctor of Laws. Texas A&M gave him its Distinguished Alumni Award in 1966.

SUCCESSOR NAMED—Succeeding Greer on January 1 will

be Asst. State Highway Engineer J. C. Dingwall who has been with the Department since 1928 except for the World War II years when he served in the U. S. Army Corps of Engineers and four years he spent as Engineer-manager of the Texas Turnpike Authority, supervising the financing, design and construction of the \$58,000,000 Dallas-Fort Worth Turnpike.

Dingwall served as the Department's supervising urban engineer in Houston, overseeing construction of the Gulf Freeway -- the first major freeway built in Texas. He has been assistant state highway engineer since 1958.

be matched by several employees of local firms for trophies which go to the most picturesquely garbed man and woman "settler."

Still other groups, such as the Lions Club, are formulating a means of participation for the day.

Emphasis will turn from color to competition immediately following the parade as the first annual Play Day gets off to a thundering start at the R. G. Henderson Rodeo Arena.

All youngsters able to ride a horse will be on hand to try for the many prizes being offered.

Events will include the barrel, pole, flag, and ring race. Rosettes will go to first place winner in each event and ribbons for second and third place.

Trophies will be awarded for the cowgirl and cowboy

who rides away with the most points in each age group.

Contenders must be entered in three events to qualify for the all-round trophies for both boys and girls.

Competition for both boys and girls will be broken down into three categories. They include Pee Wee, ages 11 and under; junior, ages 12 to 15; and seniors, 16 and over.

Entry fee is 50 cents for each event.

Stock used in the Play Day will unload at the arena at the Henderson home.

PRICE-FIXING SUIT—State of Texas has filed a price-fixing suit against five big drug firms.

Suit, entered in federal court at Dallas by Atty. Gen. Crawford C. Martin, seeks triple damages totaling about \$12,000,000 from the producers of aureomycin, terramycin and tetracycline products.

## Hart Golfers Win At Olton

Hart Golfers Bill Hill and Doc Bates returned from Olton's Invitational Golf Tournament this weekend with prizes totaling about \$135.

Hill fired a 212 net score after three days of the 54-hole medalist play to tie for second and third with Mark Gunnels of Plainview.

Bates returned a 219 to get in on a three-way tie for 12th with Wylie Mudget of Sudan and John Amstead of Washington, D. C.

Winners in the championship flight were Amarillo's Otis Gollighugh with 211, Roger Thompson of Olton with 219, and Andy Andrew with 224 after a two-hole play-off with Dimmitt's Dickie Dyer, respectively.
