## Boy Scouts Visit Tres Ritos Camp

DIRK RAMBO, local Boy Scout, is shown here cleaning a trout which he caught during the recent camping trip the Scouts made to new Mexico. A total of 13 boys were in the group that made the trip.

Thirteen local Boy Scouts join approximately 100 fellow Scouts from four area towns at a week-long camp out at Tres Ritos, N. M. last week.

The troop began their week-long adventure at 6:30 a. m. Aug. 13 with a devotional at the American Legion Hut conducted by Brother Fred Brown.

They finally arrived at the camp site about 1 p. m. (MST) and met the other visiting Scouts.

Monday morning, Aug. 14 began early, too, with a breakfast prepared by chief cook Dick Rambo and his assistants, David Warren and Ike Graves.

Next order of business was work on various merit badges with time out for hiking, fishing and horseshoes.

Heavy frost kept the youngsters in their sleeping bags until after sunup Tuesday and Wednesday.

Rain and frequent hail did not discourage the boys and their leaders from exploring the high reaches of the mountains by jeep, however.

They reported seeing countless deer and other smaller animals. A Forest Ranger showed the group a wildlife film Tuesday night.

The following night was taken up with a Fun Camp during which members of each troop performed skits for the rest of the boys.

Last Thursday was hikers' day. Nine of the boys donned packs at daybreak and headed 10 miles up the mountain.

Those making the trip were Duane Clevenger, Craig Harlan, James Warren, Kim and Stan Dyer, and Theron Harkins.

Teddy Gutteriez managed a 20 mile hike while Ike Graves and David Armstrong reached

the top of the mountain peak some 30 miles from their starting point.

For their efforts, each boy will be awarded the Tres Ritos Hiker's Award.

Friday was a day of fishing for the boys in which many of them caught their limit.

During impression ceremonies that night, Ike Graves and David Hawkins were "tapped out" for membership in the Order of the Arrow organization.

The Arrow Order is reserved for Scouts who excel in camping activities. Members of the honored order will attend Camp Post Sept. 8 and 9.

The scouts, reported tired but happy, returned home Saturday morning.

Those making the trip included Duane Clevenger, Ike Graves, Dick Rambo, Kim and Stan Dyer, David and Theron Hawkins, James and David Warren, David Armstrong, Teddy

### Junior Riders Take New First

Hart Junior Riding Club came home with another first place award after competition in the junior division in parade activities in Dimmitt last week.

Rider Kim Davis won a trophy in the shetland Division and Dana McLain and Retta Henderson also captured trophies.

### AN EDITORIAL

## An Explanation

We feel we owe our readers an explanation as to why the Hart Beat is so small recently -- especially this week's issue.

As any other business, a newspaper must have capital with which to operate. In the newspaper business, operating capital comes from advertisements.

If you will look through today's issue, you will note very few advertisements.

Businesses, in order to prosper, must do everything in their power to draw trade to their firm. This is the primary purpose of the newspaper, along with reporting the happenings of a particular area.

We might mention here, too, that every dollar spent for advertisements in relation to business is tax deductible. . . ALL of it. It could well be that it would be to the advantage of some of the businesses to spend more for advertisements for this reason only -- not to mention the benefit of drawing more trade.

It is a proven fact that a business which keeps his firm's name before the public will be thought of automatically if a need arises for this firm's merchandise.

If we have failed to call on those businesses in Hart which would like to place advertisements in the Hart Beat, we offer an apology.

However, we feel that this is not true, as we have made a special effort to build up the paper and that is one of the first

steps toward a better paper -- that of local support.

There have been a number of readers who have complained to us because the grocery ads do not appear in our paper.

The fault is not with us.

If the readers prefer the grocery specials to be printed in the Hart Beat rather than on a circular -- the persons to inform are the grocery managers.

Then on the other hand, are the readers supporting the local businesses in order for them to prosper and be able to build up their businesses and offer more of a variety of merchandise to his clients? Or do you go out of town to Dimmitt, Tulia, Plainview or Olton to get the same things you could buy in Hart?

If a town is to grow -- it must have the support of the residents of the community. Every dollar spent at home, is a direct advantage to everyone in the community.

Also, home town merchants will be more likely to stand behind their products than the out-of-town ones. This is an important advantage to trading at home.

The Hart Beat is YOUR newspaper. We will make it just as good as you help us. Without your support, there can be no Hart Beat, unless of course, we get support from out-of-town businesses, which would draw trade from Hart to the other towns.

This is something that we do not want to do and WILL NOT do -- IF the residents and business men of Hart want a newspaper enough to continue to support it.

PICTURED ABOVE is Mrs. Roland Shepard in front of the Shepard's Dude Ranch near Mancos, Colo. The ranch is named "Silly Charlie's Dude Ranch". The photo was made by Mrs. Sam McGill on their recent trip to the Dude Ranch. Roland and Rosa Shepard are well known by all of Hart's residents. They are former residents and are owners of Hart Gin. They maintain a part time home here.

Major changes in state drivers' license law go into effect on Aug. 28.

At the same time, inspection of additional auto equipment will be required, and minimum fee for vehicle inspections will be raised to \$1.75. Inspections for the 1968 sticker will continue until April 15, the usual deadline.

Under the new law, front seat belts will be required on all cars which have belt anchorages as part of original equipment. Steering mechanism, wheels and rims also will be added to inspection items.

Other changes effective next week include:

\* Licensing law raises minimum age to 16 for those who have completed a driver's education course and to 18 for those who have not had approved training.

\* Minimum age for operating a motor scooter has been raised to 15, and a special examination will be required after Jan. 1 to operate a motorcycle.

\* All licenses issued to persons under 21 will be stamped "provisional" and may be suspended if the operator is convicted of two traffic law violations in a 12 month period. (This provision effective Jan. 1.)

\* Motorist convicted of driv-

ing without a license will be subject to a fine of up to \$200 for first offense and stiffer penalties thereafter.

\* Those convicted of driving while intoxicated (or similar offense) are subject to first suspension of 12 months (18 months for later offenses) and may be required to attend a program of rehabilitation for problem drivers.

\* Thumb prints will be required on all original applications.

\* Driving while license is suspended or revoked is punishable by fine of \$25 to \$500 or a jail sentence of three days to six months.

\* Stiff penalties are provided for counterfeiting or forging a license.

\* Department of Public Safety will in the future receive from Department of Public Welfare a list of all Texans receiving aid due to visual defects.

**POLITICAL SIGNS EMERGING**--First major political indicators of what is expected to be a stormy year ahead began to come into focus here last week.

House Speaker Ben Barnes and Lt. Gov. Preston Smith acknowledged that they sat down together to talk over their plans at length.

Barnes said Smith told him he plans to run for governor and encouraged him to seek the lieutenant governor's office. Both declined to make any

formal announcement of their plans until after Gov. John Connally's return from Africa about Sept. 4.

"I am hoping things work out so there will be no big political turmoil, but I have stated repeatedly my plans are not dependent on what anyone else does," commented the lieutenant governor.

"I may announce in the next few weeks, but I have to think about all this," said Barnes. "This is a political decision I am not ready to make yet."

Most observers rate Gov. Connally as almost certain to seek a fourth term.

**HOSPITAL BUILDING SIGNALLED**--Texas Mental Health and Mental Retardation Board has approved \$3,200,000 in construction priorities and set aside \$3,000,000 for the Dallas Neuropsychiatric Institute.

Major items include \$500,000 for an institute for human growth and development at Austin State School; \$397,828 for a rehabilitation building at Kerrville; \$388,859 for air conditioning at a Terrell unit; and \$290,459 for a recreation building at Abilene.

Grants in aid were approved for these community health centers:

Austin--Travis County, \$392,815; Edinburg, \$102,024; Beaumont--Port Arthur, \$305,000. Contracts also were made to assist in developing community centers in Abilene, Amarillo, Brownwood, Harlingen, Texarkana, Dallas, and San Antonio. Contract services were continued with individual physicians or hospitals in Amarillo, Corpus Christi, El Paso, Houston, Lufkin and San Antonio.

**ATTORNEY GENERAL SPEAKS**--Atty Gen. Crawford Martin said it is up to each individual school district to decide if it wants to adopt the new "tenure" or "continuing contract" law for its teachers. However, once adopted, the tenure plan (protecting teachers against firing without cause) becomes mandatory.

**IN HOSPITAL**  
Mrs. Bill Gallion remains under observation in the Community Hospital in Olton where she was admitted Monday afternoon.

## PUBLIC NOTICE

### Proposed CONSTITUTIONAL AMENDMENT NUMBER FIVE ON THE BALLOT

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article III of the Constitution of Texas be amended by adding a new section thereto to be known as Section 49-e, as follows:

"Section 49-e. The Parks and Wildlife Department, or its successor vested with the powers, duties, and authority which deals with the operation, maintenance, and improvement of State Parks, shall have the authority to provide for, issue and sell general obligation bonds of the State of Texas in an amount not to exceed Seventy-Five Million Dollars (\$75,000,000). The bonds authorized herein shall be called "Texas Park Development Bonds," shall be executed in such form, denominations, and upon such terms as may be prescribed by law, provided, however, that the bonds shall bear a rate or rates of interest as may be fixed by the Parks and Wildlife Department or its successor, but the weighted average annual interest rate, as that phrase is commonly and ordinarily used and understood in the municipal bond market, of all the bonds issued and sold in any installment of any bonds, shall not exceed four and one-half percent (4½%) interest per annum; they may be issued in such installments as said Parks and Wildlife Department, or its said successor, finds feasible and practical in accomplishing the purpose set forth herein.

"All moneys received from the sale of said bonds shall be deposited in a fund hereby created with the State Treasurer to be known as the Texas Park Development Fund to be administered (without further appropriation) by the said Parks and Wildlife Department, or its said successor, in such manner as prescribed by law.

"Such fund shall be used by said Parks and Wildlife De-

partment, or its said successor, under such provisions as the Legislature may prescribe by general law, for the purposes of acquiring lands from the United States, or any governmental agency thereof, from any governmental agency of the State of Texas, or from any person, firm, or corporation, for State Park Sites and for developing said sites as State Parks.

"While any of the bonds authorized by this provision, or any interest on any such bonds, is outstanding and unpaid, there is hereby appropriated out of the first moneys coming into the Treasury in each fiscal year, not otherwise appropriated by this Constitution, an amount which is sufficient to pay the principal and interest on such bonds that mature or become due during such fiscal year, less the amount in the interest and sinking fund at the close of the prior fiscal year, which includes any receipts derived during the prior fiscal year by said Parks and Wildlife Department, or its said successor, from admission charges to State Parks, as the Legislature may prescribe by general law.

"The Legislature may provide for the investment of moneys available in the Texas Park Development Fund and the interest and sinking fund established for the payment of bonds issued by said Parks and Wildlife Department, or its said successor. Income from such investment shall be used for the purposes prescribed by the Legislature.

"From the moneys received by said Parks and Wildlife Department, or its said successor, from the sale of the bonds issued hereunder, there shall be deposited in the interest and sinking fund for the bonds authorized by this section sufficient moneys to pay the interest to become due during the State fiscal year in which the bonds were issued. After

all bonds have been fully paid with interest, or after there are on deposit in the interest and sinking fund sufficient moneys to pay all future maturities of principal and interest, additional moneys received from admission charges to State Parks shall be deposited to the State Parks Fund, or any successor fund which may be established by the Legislature as a depository for Park revenue earned by said Parks and Wildlife Department, or its said successor.

"All bonds issued hereunder shall after approval by the Attorney General, registration by the Comptroller of Public Accounts of the State of Texas, and delivery to the purchasers, be incontestable and shall constitute general obligations of the State of Texas under the Constitution of Texas.

"Should the Legislature enact enabling laws in anticipation of the adoption of this amendment, such Acts shall not be void by reason of their anticipatory nature."

Sec. 2. The foregoing amendment to the Constitution shall be submitted to a vote of the qualified electors of this State at an election to be held on November 11, 1967, at which election each ballot shall have printed thereon, the following words:

"FOR the amendment to the Constitution of Texas adding a new section to be known as Section 49-e of Article III, authorizing the issuance and sale of Seventy-Five Million Dollars (\$75,000,000) in bonds by the State of Texas to create the Texas Park Development Fund to acquire lands for State Park sites and to develop State Parks."

"AGAINST the amendment to the Constitution of Texas adding a new section to be known as Section 49-e of Article III, authorizing the issuance and sale of Seventy-Five Million Dollars (\$75,000,000) in bonds by the State of Texas to create the Texas Park Development Fund to acquire lands for State Park sites and to develop State Parks."

MRS. JAMES HOWARD MITCHELL

## Phillis J. Hall Weds James H. Mitchell

Phillis Jean Hall, daughter of Mr. and Mrs. R. B. Hall, Sr. of Big Spring became the bride of James Howard Mitchell, Friday, in College Baptist Church, Big Spring.

The bride's brother, the Rev. R. B. Hall, Jr. officiated at the ceremony.

Organist was Mrs. R. B. Hall Jr. of Littlefield. Soloist, Phillip Hall of Plainview, brother of the bride, sang "You'll Never Walk Alone". Don Haney rendered "The Lord's Prayer" and the bride sang "One Hand, One Heart".

Mrs. M. J. Tavaglione of West Wyoming, Pennsylvania, attended her sister as matron of honor. Bridesmaids were Mrs. Phillip Hall, sister-in-law of the bride, Miss Vicki Hall, niece of the bride, and Miss Cecelia Cooper, cousin of the bride, both of Big Spring; Miss Odene Floyd of Borger and Miss Sue Frazier of Muleshoe.

Kimmy Hall of Littlefield and Michelle Tavaglione of Pennsylvania, the bride's nieces, were flower girls. Roger Hall of Littlefield and Michael Tavaglione of Pennsylvania, nephews of the bride, were ring bearers.

Perry Dean Hall and Teresa Cooper of Big Spring were candlelighters.

Ricky Mitchell, brother of the groom, was best man. Groomsmen were Bob Vest of Ennis, Bob Stice of Lubbock, Charles Pridmore of Oklahoma City, Okla. Lewis Dean Beville of Kress, cousin of the groom, and Phillip Hall of Plainview, brother of the bride, Mike Hall, nephew of the bride, and Larry Harp, both of Big Spring, were ushers.

Given in marriage by her father, the bride wore a sleeveless, A-line sheath gown of antique white crepe. The gown was adorned with lace appliques and featured a chapel length train caught by a bow at the neckline. She wore a lace mantilla with lace pillbox headpiece. Antique white opera gloves of lace completed her attire.

The bride carried a cascade bouquet of butterfly roses and pale yellow agapanthus atop a white Bible. For something old she carried a cameo locket that was a gift to her mother

from her father before their marriage. For something new she wore a cameo necklace and earrings, a gift from her husband.

Matron of honor wore a formal length gown of mint green pique with matching footwear and gloves. Bridesmaids wore identically styled gowns of yellow. Each carried a basket of Marguerite daisies tied with yellow satin.

The altar was decorated with an archway of huckleberry flanked by seven branched candelabra of cathedral tapers. Baskets of white daisies, chrysanthemums and agapanthus with fern trees completed the decor.

A reception followed in Fellowship Hall. The bride's table was laid with a yellow cloth and net overskirt. Appointments were silver and crystal and an arrangement of Marguerite daisies completed the decor. The groom's table was covered with a beige linen cloth and was highlighted with a wrought iron brass candelabra and brass coffee service.

For traveling, the bride wore an orange and yellow print linen sheath with complementary yellow coat.

The bride is a 1966 graduate of Big Spring High School and is attending Wayland College. She is employed in the Plainview office of Southwestern Bell Telephone Company.

The groom is a graduate of Hart High School and senior at Wayland. He is listed in Who's Who in American Colleges and Universities, and is an active member of Alpha Phi Omela. He is also youth director of First Baptist Church in Lockney.

**Bursitis - Painful Disease Caused By Strain**

Sometimes it's "housemaid's knee." Or "policeman's heel".

By any other name it's still bursitis, and it is one of mankind's more painful and disabling ailments.

Bursitis, says the American Medical Association, means inflammation of a lubricating sac about a joint. The sac, called a bursa, is similar to a collapsed balloon with some fluid

inside. It is located at various places in the body where joints or tissues touch and rub, and without cushioning there would be friction.

Bursitis can hit at many points in the body, but most often occurs in the shoulder, elbow or knee.

In almost every case bursitis follows unaccustomed strain or overuse of an extremity. By taking a little time to work up to your physical condition, and especially by working up the muscles that you plan to use in any repetitious motion outside your normal activity (strengthening your wrist and arm before starting to paint the house, for instance) you can probably keep clear of this common and painful ailment.

If you get bursitis, no one need suggest that you see a doctor. The pain is so acute that you will be the first to seek relief.
