Advance Payments On Wheat Proposed

A bill sponsored by Rep. Bob Price to allow advance payments to wheat producers has been approved by the House Agriculture Committee.

Urging favorable consideration of his measure, Price said it extends to wheat farmers the same benefits already available under the feed grain and cotton programs.

The bill directs the Secretary of Agriculture to make payments not to exceed 50 percent of the payments represented by domestic marketing certificates issued under the Agricultural Adjustment Act.

Sign-up for the wheat program generally is conducted

during February and March, although in the Panhandle and other winter wheat areas there is planting in the fall. Price pointed out that the advance payments could save a great many wheat farmers from making loans to tide them over until harvest.

Time of payments would be made at the discretion of the Secretary, but could be expected at sign-up. If the bill is enacted soon, it could apply to the 1968 crop, with winter wheat growers benefitting by three to six months' earlier payment than when they otherwise would be paid.

Grain Harvest Ends; Cotton Season Begins

Grain companies at Hart report that the grain harvest is 90 per cent completed and the grain has been exceptionally good except in the hailed-out areas.

Cotton season opening brings a report from Hart gins that the cotton is of a high grade and much of it is open and further along than last year.

Local ginners say that if a hard freeze does not come this week, the cotton will have a chance for a better turnout. There has been very little cotton brought in so far this year.

Several acres of soybeans are being harvested. Castor beans were also planted in the community.

Accident Victim Succumbs To Injuries

Henry Duane Janssen, 36, of Hereford, died about 9:20 p. m. Sunday at a Plainview hospital as a result of injuries sustained Tuesday night, Oct. 24, in a pickup truck-grain truck accident five miles east of Hart on Highway 194.

Six other members of his family, his wife Margaret, and five children, all riding in the pickup truck cab enroute to Plainview with Janssen, were injured.

Services were held at 2 p. m. Wednesday in Hereford Baptist Church with the Rev. H. V. Field of Grace Gospel Church officiating. Burial was in West Park Cemetery.

Mr. Janssen was born Aug. 15, 1931, at Hobart, Okla. and married Margaret Widner on March 21, 1953 at Hereford. He had moved to Deaf Smith County in 1936 from Oklahoma. Mr. Janssen was a member of the Baptist Church and had served in the Army from 1954 to 1956.

Survivors are his wife; three daughters, Sherry Dawn,

Susan Margaret and Laura Jane, all of the home; two sons, Jeffrey Duane and Jay Lee of the home; his parents, Mr. and Mrs. A. H. Janssen of Hereford; and two brothers, Alvin Janssen of Tucumcari, N. M. and Don Lee Janssen of Amarillo.

First Trace Of Snow Reported

DOC BATES, principal of Hart High School, joins in the fun during the Halloween Carnival held here at the school Tuesday night. Each class sponsored booths or projects for the carnival, which was termed a great success by all who attended.

Overseas Mailing Tips Given By Postmistress

Designated periods for mailing Christmas parcels to members of the armed forces overseas were announced this week by Postmistress Jewel Brooks.

Dates for surface transportation are from now to Nov. 11; space available (SAM) is set Oct. 21 to Dec. 1; and airmail parcels may be mailed from Dec. 1 to Dec. 11.

Mrs. Brooks said that the term "armed forces overseas" includes personnel of the armed forces, members of their families and U. S. civilians employed overseas who receive their mail through an APO or FPO, New York, San Francisco or Seattle.

The Hart postmistress stressed that parcels should be wrapped in strong boxes and addressed completely.

She also said that a slip showing list of contents and the name and address of the sender and the addressee should be enclosed in the parcel.

Some parcels may require customs declarations. Information on this may be obtained at the post office.

Other advice for the mailing of overseas parcels is as follows:

PACKAGING (Very Important) - All articles should be packed in boxes of wood, metal, solid fiberboard, or strong double-faced corrugated fiberboard.

All fiberboard boxes should be securely wrapped in heavy paper which materially strengthens the package. Each box should be well tied with strong cord. Sufficient cushioning material should be used to pre-

vent any rattling or loosening of articles within the package. Unless tightly filled, boxes are likely to be crushed.

PROHIBITED ARTICLES - In addition to the articles normally prohibited in the mail, matches of all kinds and lighter fluid may not be mailed to overseas military addresses. Cigarettes, other tobacco products, coffee, and various other items are prohibited in parcels addressed to some military post offices. See your postmistress.

POSTAGE - The domestic rates of postage are applicable, and postage must be fully prepaid. When fourth-class or air parcel post rates are applicable, the zone rate from the post office where mailed through which the parcel is

addressed will be charged. Air mail articles not in excess of eight ounces are chargeable at the rate of eight cents per ounce.

ADDRESSING - Addresses must be legible and complete, and should be prepared by typewriter or pen and ink. All APO numbers have been changed to five digits which are identical with the zip code.

SPACE AVAILABLE MAIL (SAM) - Gift parcels weighing not more than five pounds and measuring not more than 60 inches in length and girth combined addressed to members of the armed forces in Vietnam will be provided air-lift service on a space available basis from the west coast even though prepaid at the surface rate.

In Memory Of ...

Mrs. L. A. Steiert

Written by her son, Anthony U. Steiert.

Funeral services were conducted for Mrs. L. A. Steiert at 10 o'clock Wednesday 25 October, at Holy Family Church, Nazareth, Texas. Rev. Raphael Chen, pastor of Immaculate Conception parish at Dimmitt and St. John's parish at Hart, officiated as celebrant of the Solemn Requiem Mass. He was assisted by Rev. Elmer Albracht, assistant pastor of St. Elizabeth's parish of Lubbock and the Rev. Wilmar Riechel, pastor of Holy Family parish of Nazareth. Servers were Kem Dyer, Stanley Dyer, Dean Hill, Terry Hill, and Sonny Mancea of St. John's Parish, Hart. Father Chen preached the funeral sermon and read the grave side services. Interment was beside her husband in the family plot in Holy Family Cemetery, Nazareth, under direction of the Wallace Funeral Home of Tulia, Texas.

Honorary pall bearers were Otto Dinwiddie, Wade Mills, E. L. Jobe, John Rice, E. I. "Tump" McLain, and Frank Bauman of Hart, Rodney Smith of Happy, and John Merritt of Dimmitt. Active pall bearers were Jerome Brockman, Florence Albracht, Greg Hoelting, Albert Venhaus and Eugene Hochstein of Nazareth, and Bill Hill of Hart.

Frances Davis was born 26 October, 1888 in Moher-Lanesborough, County Longford, Ireland. She came to the United States in 1912, living with her uncle James and Aunt Mary Davis in Memphis, Tenn. a short time before coming to Amarillo, Texas where she was a nurse at St. Anthony's Hospital. There she met L. A. Steiert, whose mother was a patient in the hospital. A year later they were married in the little chapel at St. Anthony's Hospital on 9 February 1915. The young couple lived on a small farm near Nazareth a few years before moving to the present Steiert home four miles north of Hart. Three sons and two daughters were born to their union.

Mrs. Steiert spent her life as a pioneering farmer's wife, making a home, raising a family, and helping in the communities with nursing and caring for the sick especially in those early days when doctors and nurses were few and far away in time of need. For many years she canned much of the family food supply from gardens, orchards and fields. She enjoyed many visits with her friends "at home" over a cup of "Irish" tea and home made bread for which she will be long remembered as well as her typically Irish wit and brogue. Even during her last few years whenever able to be up and around she enjoyed baking bread and sending a few loaves to her children and many friends. "Frannie" loved her grandchildren, and trees, shrubs, flowers, anything green and was especially fond of roses. She wore a corsage of miniature white roses pinned to her navy blue dress as she lay at rest.

In the summer of 1957 with her late husband she visited her sisters in Ireland during a four month tour of Europe. She had always wanted to return to the old sod on the banks of the river Shannon and had realized her life's dream just shortly before illness prevented travel abroad.

Mrs. Steiert was a member of the Holy Family Christian Mothers Society since 1915. She was also a member of the Third Order of St. Francis of Holy Family Parish, and a member of the American Legion Auxilliary of Hart. After a few years of ill health the end came suddenly at home Sunday noon 22 October 1967, when a tired heart stopped beating and she was reunited in God with her husband.

She is survived by three sisters; Mrs. Mike Donlan, Mrs. Ann Oates, and Maggie Davis all from Ireland (Eirie); three sons, Anthony U. Steiert, Pete J. Steiert, and Louis J. "Bud" Steiert of Hart, Texas; two daughters, Mrs. Roland Baumhardt of Amarillo, Texas, and Mrs. Charles J. Steuben of St. Louis, Missouri; and 12 grandchildren. May she rest in peace.

Cotton Harvesting Is Picking Up

Cotton harvesting continued to gain momentum on the South Plains during the past week, according to W. K. Palmer, in charge of the Lubbock Cotton Classing Office of the USDA. The USDA Classing Offices at Lubbock, Brownfield and Lamesa classed 16,500 samples during the week ending Friday, Oct. 27.

Through Oct. 27, the Lubbock Office had classed a total of 12,100 samples, the Brownfield Office 10,900 and the Lamesa Office 2,600. This brought the total classed this season

at the three offices to 25,600. Through Oct. 27 last year the three offices had classed a total of 11,600 samples.

Approximately three-fourths of the cotton classed at the Lubbock Classing Office last week was in the White grades and the remaining one-fourth in the Light Spotted grades.

Strict Middling made up only one per cent of all cotton classed at Lubbock last week, Middling 37 per cent, Strict Low Middling 37 per cent, Middling Light Spotted 17 per cent and Strict

Low Middling Light Spotted 6 per cent.

Average staple length and micronaire declined as the percentage of stripped cotton increased.

Staple length averaged 33.6 thirty-seconds, or between 1-1/32 and 1-1/16. Approximately one-half of the cotton classed at Lubbock during the week stapled 1-1/16 and longer, but the percentage of inch and shorter cotton increased considerably as strippers began operations.

Longhorns Lose

The Hart Longhorns dropped their first district game of the season last week as they fell to the Happy Cowboys 16 to 0. The loss, Hart's first shutout of the year, dropped the Longhorns into a tie for second place with a 1-1 record.

The game was never in doubt for the Cowboys as they took the lead on their first possession of the night, riddled the Longhorn offensive line and then added another score early in the third quarter to add the finishing touch to the Longhorn downfall.

The defense, long the strong point of the Longhorn game, simply came apart as Zeke Frost and Jesse Ramos ran wild much of the evening while the Longhorn offense, not noted for its punch, fell far short of playing up to its performance in recent games.

The Longhorns received the kickoff with W. A. Hawkins taking the ball at the 20 and getting back to the 34 before going down. Hawkins and Smith got a yard each before Tommy Gonzales picked up a first at the Happy 40. Smith was held for no gain, a Hawkins to Gonzales pass went wide and Hawkins lost six to bring up a punting situation for the Horns. Quincy Hawkins' punt rolled dead on the Cowboy 26 to give Happy their first chance with the ball.

The Cowboys lost little time as Jesse Ramos broke the Hart defense on first and moved up to the 40. Zeke Frost picked up four and then Ramos rolled again, this time to the Hart 27. Again the Hart defensive unit, mainly Smith and Gonzales, stopped the Cowboys as they allowed the Happy backs only four yards on the next four plays.

After taking over at the 22 Smith got to the 25, Joe Quiroz to the 27 and W. A. Hawkins to the 30 to bring up another kicking situation for the Horns. Quincy really got his foot into this one and it traveled 67 yards and rolled dead on the Cowboy three. Each team owned the football once more before the half but neither

was able to do much as the Cowboy ground game came to a halt and the Longhorn passing game never even got started.

The second half opened much as the first had with Happy taking the kickoff on the 35. Frost got to the 36 and Ramos to the 43 before Frost picked up the first at the 46. Frost then moved to the Hart 49 and Ramos to the 43 for another first down. Ramos rolled on to the 40 before Don Maynard was thrown for a loss at the 48. This didn't really matter much as Ramos again broke for a long gain, this time moving to the 28. It was only a matter of four plays from here as Frost got the 15, Ramos to the 13, Frost to the 9, and Ramos again, this time for nine yards and his second TD of the evening. An extra point pass from Maynard to Frost was good and the score read 16-0 for the Cowboys.

After the kickoff the Horns managed to gain a few yards before one of W. A. Hawkins passes was picked off at the Hart 47.

For once the Cowboys were unable to drive as they could pick up only 8 yards in four tries.

Now the Longhorns offense gave signs of life as it finally began to roll. Hawkins, Smith and Gonzales combined in three plays to pick up a first at the 49 of Happy. A Hawkins to Hawkins pass got another three before Gonzales picked up another first at the 39. Gonzales again got the call and he tried again, going to the Happy 30. Danny Smith added another first as he blasted down to the Happy 24. W. A. Hawkins got the 20, Smith to the 15 and Gonzales again picked up the first as he moved to the 9. Smith was stopped at the ten on first while a second down pass from Hawkins to

Hawkins resulted in no gain. A penalty on the play hurt as the Horns were moved back to the Happy 25 for second down. A wild pass and a short gain later the Cowboys had the ball on their own 24.

The Cowboys lost little time in getting back to business and Frost and Ramos headed down field for the Longhorn goal. The

With Smith and Gonzales
taking most of the punishment,
the Horns were able to bull out

Hart Shorthorns Lick

Happy Junior High 38-0

The Hart Junior High Short-
horns kept up their winning
ways last week as they rolled
over the Happy Junior High 38
to 0. The Shorthorn offense
struck early in the game and
had built a comfortable lead by
the end of the first quarter. The
second half found the Hart sev-
enth grade getting a workout as
they added to the score and, with
the help of Ike Graves and
Jimmy Robinson on defense,
continued to hold their oppo-
nents scoreless.

In the last game against
Happy the Shorthorns scored on
their first play but this week
the action got off to a slower
start and the Horns had to set-
tle for a 80 yard touchdown on
their second offense play. Ruben
Aguanio provided the fireworks
as he tacked Hart's first six
points on the board. Jimmy Rob-
inson tried to pick up the extra
points but was stopped short
and the 6 point lead remained.

On Hart's next offensive play
Ruben once again provided some
thrills as he sped for another
Hart TD, with this one coming
from 85 yards away. Robinson
again got the call for the extras
and this time he came through

to send the score up to 14 to 0.

After taking a Happy punt
on the Hart 30, the Shorthorns
lined up for their fourth play
with the ball. Halfback Jimmy
Robinson took a pitchback,
rolled to his left, and fired down
the field to Jesse Garcia in a
play that covered 70 yards and
really put the Cowboys in a hole.
The extra point pass from quar-
terback Steve Cox to Jesse
Garcia was good and the score
stood at 22 to 0.

Later in the game the Cow-
boys were backed up in their
own territory when a Happy
back and the ball became sep-
arated and Stan Dyer fell on
the ball for the Horns at the
one foot line. Robert Garcia
blasted over on first and Oscar
Longoria added the extras for
30 to 0 lead.

Late in the fourth quarter,
the Shorthorns completed their
scoring as Ike Graves slashed
over from 15 yards out and a
Jimmy Robinson to Robert Gar-
cia pass clicked for the extras
to boost the score to 38 to 0
and another Shorthorn win.

QUALITY COTTON

On a farm operated by Mr. Bill Boggs, who farms 6 miles north of Plainview and one mile off FM 400 on the Providence pavement to the east, you will see a field of fine cotton, which not only gives promise of considerable quality but also of high production. This is a field of Gregg 25V one of the newer cottons for the Plains. The seed of this cotton is glandless, free of gossypol making it possible to use the meal in the feeding of poultry and swine, and also can be used as a high protein diet in human nutrition. Gregg 25V was specifically bred to resist verticillium wilt, however, a majority of those who have planted it this season have done so, not because they have a wilt problem, but because of the other good qualities which it possesses, such as better micronaire, better grades (being a smooth leaf it cleans well), a little longer staple, and a better grade of seed. (Yes, Mr. Boggs managed this cotton according to special instructions.)

You are invited to drive out and see this field of cotton, or if you prefer just come to our place two and one-half miles east of the courthouse on the Lockney Highway, and we will not only show you Mr. Boggs' cotton, but also several other good fields of 25V. Gregg Seed Farms, 2700 Lockney Highway, Plainview, Texas. (Adv.)

New Telephone Rates In Effect

General Telephone Company of the Southwest and Southwestern States customers will share in a \$120 million annual savings for telephone users in the nation.

The seventh long distance rate reduction in five and one-half years went into effect Nov. 1.

The new rates will apply to station-to-station interstate long distance calls (between states).

Under the new after-midnight economy rate schedule, customers will be able to call the furthest point in the U. S. --excluding Hawaii and Alaska --for 75 cents, not including overtime charges and taxes.

Savings also will be realized by customers because the lower priced rate periods have been extended to include more hours. Station-to-station calls will have day rates Monday through Friday from 7 a. m. until 5 p. m. (Present rates cover a period from 4:30 a. m. until 6:00 p. m. daily.) However, calling periods will not be changed for intrastate messages (within the state).

New evening rates will be in effect from 5 to 7 p. m. Monday through Friday, and the night rate is scheduled to be Monday through Friday from 7 p. m. to 7 a. m., plus all day and night on Saturdays, Sundays, New Year's Day, July 4, Labor Day, Thanksgiving, and Christmas.

The new evening rate -- from 5 to 7 p. m. Monday through Friday -- permits calls from General Telephone's five-state operating area to the furthest points in the U. S. excluding Hawaii and Alaska for \$1.25, for the initial three minutes.

The special late night economy rate has been added for customer-dialed station-to-station calls between midnight and 7 a. m., except for coin telephone calls, third-number billing calls, collect calls, and calls on which time and charges are reported. However, exchanges that do not have Direct Distance Dialing equipment also will enjoy the new late night rates on station-to-station calls.

If a call during this time period does not qualify for the special night economy rate because of previously mentioned conditions, it will be billed at the regular night rate. The special late night economy rate permits a call to the furthest point in the U. S. -- excluding Hawaii and Alaska -- for 75 cents, not including overtime charges and taxes.

Person-to-person calls will have day rates Monday through Friday from 7 a. m. until 5 p. m., plus all day and night on Saturdays and Sundays.

The various time periods refer to the local time at the point of origin.
