Hart Shorthorns Undefeated

HART'S "B" TEAM Longhorns had a successful season, posting a 5-2 mark. They defeated Silvertown twice, Happy, Anton and Farwell, and lost to Friona and to Happy in a return match. Team members are, front row from left: Mark Porter, Terry Newman, Lonny Davis, Ricky Farris, Carlos Martinez, Tony Martinez, Jim Ste-

iert and Victor Lara. Back row, from left: Roger Cleaver, Graciell Catano, M. J. Janek, Mike Armstrong, Roger Kennedy, Bill Bledsoe, Charles Alford, Kim McGill, Louis Longoria and Arthur Morales. Not pictured are Charles Bass and David Moses.

The Hart Junior High football team closed out its season last week with a 36-14 win over Lazbuddie. The Shorthorns had already cinched the District championship two weeks ago, but the win over Lazbuddie was an important one as it completed an undefeated season for them. The victory extended their winning streak to 13 games and was their eighth consecutive win of this season.

Robert Garcia and Jimmy Robinson led the offensive attack as they both made two touchdowns. The other Hart touchdown was made by Stanley Dyer and the extra points for the night were scored by Robinson, Oscar Longoria and Ruben Aguanio. Defensively the rugged tackling of Dyer, Robinson, Longoria and Ricky Black kept the Lazbuddie offense bottled up.

For the season the Shorthorn offensive team, under the direction of Quarterback Steve Cox, rolled to a total of 232 points for an average of over 20 points per contest. The offensive line opened up holes that allowed 10 different players to get into the scoring act during the season. The ball carriers who rolled up the most yardage for the season were Robinson, Garcia and Aguanio with most of the passing chores handled by Cox and Robinson.

Most teams found that they were in as much or more trouble when the Shorthorns were on defense. By combining a sound secondary with a hard charging line opponents were limited to a total of 60 points for an average of only seven points per game. Stan Dyer finished as high man on the de-

fensive totem pole with 74 tackles for the year. He was followed closely by Oscar Longoria, Jimmy Robinson and Bill Bates.

The seventh grade team played one game during the season and scored a 14-0 shut-out over the Nazareth seventh and eighth graders. They hope to be able to continue the Shorthorns winning ways next season.

Representative Clayton Is Committee Member

House Speaker Ben Barnes today announced the appointment of the following House members to the House Water Interim Study Committee in compliance with House Simple Resolution No. 428: Representatives Bill Clayton of Springlake, Chairman; Menton Murray, Harlingen; Neal Solomon of Mount Vernon; Bill Finck of San Antonio; and Bill Swanson of Houston.

The Committee shall (1) study the water situation in the state and the federal and state proposals concerning it; (2) study changes that may be needed in the state statutes concerning water protection and development; (3) hold hearings throughout the state explaining the major water problems in the state and the proposals for solving them to those attending the hearings and consider alternative proposals from interested legislators and from the public; (4) review major water legislation enacted by the 60th Legislature; (5) submit its conclusions together with drafts of bills and resolutions the committee finds will be helpful in solving state water problems to the members of the 61st Legislature.

This interim House Water Study Committee will work with the Texas Water Development Board and the Texas Water Rights Commission in determining the present water situation in the state and the federal and state proposals concerning water. In addition, the committee will be kept informed of the state's water plan as it develops.

DRAFT QUOTA SET-- Texas draft boards will call 3,485 men for pre-induction mental and physical examinations in December, says State Selective Service Director Col. Morris S. Schwartz.

Boards will send 4,650 for this examination in November.

STATE Capital NEWS

By VERN SANFORD

Gov. John Connally did what very few people in your capitol city expected him to do when he announced that he would not be a candidate for re-election in 1968.

About the only person who really felt that he would not run, and said so, was Lt. Gov. Preston Smith, an already-announced candidate for Governor.

Connally's declaration brought forth many reactions. Republicans felt it would add impetus to their 1968 campaign plans . . . which seem to include former attorney general Will Wilson in the governor's race.

Liberals listened for word from Sen. Ralph Yarborough, Houston lawyer Don Yarborough and other potential gubernatorial candidates.

Conservatives began a sudden guessing game, with former attorney general Waggoner Carr apparently high on their potential list. But not all have given up on Connally. They point out that the filing deadline is not until Feb. 15.

Anyway, 1968 promises to be one of those years when cowboys and Indians both may bite the dust. Things are pointing in that direction.

SCHOOL FUND FATTENED --State permanent school fund gained \$4,100,000 as a result of the last oil, gas and sulphur lease sale of 1967.

Bidding averaged \$45.27 an acre on 54,950 acres of oil and gas lands. Sulphur leases averaged \$547.25 an acre on 3,005 acres.

Nueces County Gulf of Mexico oil-gas lease totalling 1,440 acres brought the top bid of \$129,787 from Cities Service Oil Company. Top sulphur lease bid was \$1,056,323 by W. C. Tillet for 555 acres in Culberson County near Van Horn.

Land Commissioner Jerry Sadler reported that the permanent school fund now totals \$742,338,369.

WAR ON POVERTY PROJECTS--Nearly \$210,000,000 in federal anti-poverty funds have

poured into Texas the past two years.

Annual report by the Texas Office of Economic Opportunity shows \$98,900,000 authorized for spending on war on poverty projects during the fiscal year which ended August 31.

Money found its way into the largest and smallest counties and the richest and poorest. More than a third of the 1967 allocation -- \$34,500,000 -- went to five Texas counties -- Harris, Bexar, Dallas, El Paso and Webb.

Nearly \$45,000,000 of the statewide 1967 total was for Community Action Programs including Operation Head Start for pre-school children, health programs, neighborhood centers, concentrated employment programs to recruit, train and place hard-core unemployed, legal aid and adult services.

Neighborhood Youth Corps activities, reaching some 18,463 students, were allocated \$20,118,710 for the year. Job Corps training at Gary Center in San Marcos, the McKinney women's unit, and the New Waverly rural center for men received another \$17,340,026.

Assistance to migrants and seasonal farm workers totalled more than \$6,300,000; college work study allocations, \$3,900,000; co-op loans to farm families, \$1,700,000; the work experience program, \$2,000,000-plus; and Volunteers in Service to America (VISTA), \$1,200,000.

APPOINTMENTS ANNOUNCED--Governor Connally announced appointments of 157th District Judge Phil Peden as Associate Justice of First Court of Civil Appeals in Houston, Harris County Court of Domestic Relations No. 4 Judge Arthur Leshner to 157th district court and Harris County Court at Law No. 1 Judge Madison

Rayburn to 80th District Court (Civil) of Harris County.

House Speaker Ben Barnes appointed to the Parks Study Committee Reps. Gene Hendryx of Alpine; J. M. Simpson of Amarillo; Lindon Williams of Galena Park; Griffith Moore of Dallas; D. C. Howard of Uvalde; James L. Lovell of Crockett; and Dave Allred of Wichita Falls.

Robert E. Schneider Jr. of George West was appointed to represent the State Bar Association on advisory committee for school law recodification.

Glenn Jarvis, McAllen, succeeds presidential aide Larry Temple as chairman of state junior bar's governing board of directors.

State Highway Engineer D. C. Greer will become University of Texas professor of engineering practice on retirement next year.

GUARD AID GRANTED--Cost of National Guard aid to civil authorities in the Hurricane Beulah disaster was ordered paid by Governor Connally.

Governor granted his entire deficiency appropriation of \$200,000, plus \$6,582 from his office's appropriations, for payments of disaster claims.

Adjutant General's Department figured the Guard payroll for the disaster period of \$160,000, rations at \$23,490, medical supplies and expenses at \$11,000 and the balance for miscellaneous expenses.

KITCHEN KORNER

By Lela Gallion

Thanksgiving is so near and the chicken and turkey and dressing time is with us. So many times we have these meals before Thanksgiving arrives that it doesn't seem to be the treat on that special day that we use to enjoy. Of course the turkey must have a cranberry salad with it to be traditional. Here is one a little different and quite good.

CRANBERRY SALAD

3 c. whole fresh cranberries
3/4 c. sugar
2 1/2 c. miniature marshmallows
1 flat can crushed pineapple (drained) optional
1/2 c. chopped nuts
1 c. cream-whipped

Grind cranberries through food chopper. Add sugar and chill for two hours. Add Marshmallows, pineapple, nuts and whipped cream. Spoon into a square pan and refrigerate until ready to use.

Longhorns Tang

The Vega Longhorns shattered the last remaining hopes of the Hart Longhorns for a share of the conference title as the bigger and faster Vega team ran past the Hart boys 21 to 12. The loss, while only the second in conference play, eliminated Hart from the title race but still left the Hart Horns in a position to rack up their best season in several years by beating Lazbuddie next Friday night.

The Hart defense played its usual fine game with Danny Smith and Tommy Gonzales leading the way. Danny and Tommy, along with W. A. Hawkins, Joe Quiroz, and Landra Bruington paced the sometimes erratic Hart offense.

Bruington took the opening kickoff back 10 yards to set the Horns up with a first and 10 at their 30. This first series of downs didn't go too well for Hart as a second down fumble was recovered by Vega at the 26 for the first break of the game.

Vega failed to take advantage of their good fortune as the Horns got the ball back four plays later.

After an exchange of kicks and a penalty on two, Vega once again found itself in possession in Hart territory, this time at the 33. Two plays later Vega had a first and goal at the five to really put Hart in a bind. However, after some spirited goal line work by Smith and Gonzales Vega once again found that the Hart goal was hard to reach and Hart took over on downs at the 1.

The Hart defense didn't get much rest as four plays later Vega again got the ball, this time on the 40 and again headed goalward.

This time Vega needed just six plays to reach the promised land with the final 11 yards and the six points coming by a pass from Mark Roark to Andy Artho. The extra point try fell short to keep the score 6-0.

After taking the kickoff the Horns again found the going

rough and were forced to punt once again, with Quincy Hawkins' punt rolling dead on the Vega 39.

Once again the Vega crew went to work as Jackie Richardson hit Andy Artho on a long pass play that carried to the Hart 17. Six plays later Donnie Allred pushed the Vega lead to 12 points as he scooted in from the 1. The extra point kick was good and the score went to 13-0.

Then, just before the half the Hart Horns got their chance as they took over on downs at the Vega 24. W. A. Hawkins got two before Danny Smith blasted to the 9 for a first down. Tommy Gonzales and Smith got three each before W. A. Hawkins followed the blocking of Danny Smith in for the score. After the extra point kick went wide the score read Vega 13 Hart 6.

Vega took the second half kickoff and started for the Hart goal as they ground out yardage against the stubborn Hart defense. Vega also increased their lead but a fourth down field goal from the three was blocked and the Longhorn defense had held.

The glory was short lived however, as Vega took the Hart punt and headed goalward again. This time Vega was not to be denied with a 22 yard pass from Jackie Richardson to Andy Artho taking the honors. The same combination clicked on the extra point try and Vega took a 21 to 6 lead.

Hart immediately came back with a drive of their own. The Longhorns were able to drive to the Vega 1 before being forced to give up the ball on downs.

The Longhorns were back in a hurry as a short kick by Vega carried out only to the 17. Danny Smith moved to the 15, Landra Bruington got the 8 and Hawkins picked up a first at the 5.

Bruington was dropped for a loss at the 9 but Danny Smith got that back and more as he blasted down to 1. W. A. Hawkins got the final yard on a roll-out and, following a short extra point try

Halls To Be Honored

Mr. and Mrs. W. H. Hall will be honored in observance of their 50th wedding anniversary with an open house Saturday Nov. 25 from 2 to 5 p. m. in the Clyde Witten home.

Hosts for the occasion will be the couple's daughters and their families, Mr. and Mrs. Franklin Ormsby of Plainview and Dr. and Mrs. Lee Gordon of Gariand. The honored couple have five grandchildren.

The former Miss Neva Sark and Hall were married Nov. 25, 1917 in Cook County. They arrived in Plainview Dec. 4, 1917 and stayed overnight in the Nash Hotel. The following day they came to Olton and moved into the house which is

still located on the corner of 4th and Main Street.

The house was owned by Artie Erb for whom Hall worked. Located on the second floor was the town's telephone switchboard. Operator at that time was Miss Pauline Reuter (now Mrs. Arthur Nafzger). The couple later moved north of town in a house still located on the Lec Carson farm.

In 1918 they moved to Commerce but returned to Olton in 1920. They moved near their home place northeast of Olton in the Valley View community.

American Cancer Society Establish Memorials

In response to numerous requests from families and individuals, the American Cancer Society has inaugurated a memorial fund. Families and friends of cancer victims are invited to contribute to commemorate their loved ones.

"Contributions made in memory of a friend or a member of the family are acknowledged by the American Cancer Society, and a memorial card is sent to the family stating the name of the donor and that a memorial gift has been received. These contributions may be in any amount," said Mrs. Walter Maynard, Memorial Chairman of the Castro County Unit. "Memorial funds are used to support the Society's three-fold attack on cancer through research, education and service," explained Mrs. Maynard.

"Although the major source

of funds for this program comes from the Society's annual April Crusade, memorial funds received throughout the year are becoming increasingly important to the Society as more families and individuals become aware that they can contribute to the ultimate victory over this dread disease."

Mrs. Maynard also explained that the American Cancer Society is deeply grateful to individuals and families throughout the county who are using this practical means of assisting the Society to carry on this fight against cancer and urges others to help continue this fight.
