VOL. 6 NUMBER 38

HART, CASTRO COUNTY, TEXAS, THURSDAY, MARCH 28, 1968

10 CENTS A COPY

GOVERNOR JOHN CONNALLY, right, was on hand to congratulate Texas' rural hero, Tony Martinez, second right, Hart, Texas, who received the Texas Farm and Ranch Safety Council's Rural Heroism Award during the 29th Annual Texas Safety Conference held recently in Dallas. Shown with the Governor and the award-winner are Mr. and Mrs. Tony Martinez, Sr., and Bob Walsh, far left, Farm Director, WBAP-TV, Fort Worth, and Chairman of the Council's Award Committee.

Farmers Reminded Of Sign-ups On Wheat, Grain Programs

Producers who want loans on 1967 wheat crops should request such loans at the ASCS county office by the end of March, according to Jim Elder, Chairman, Agricultural Stabilization and Conservation County Committee.

Final dates for requesting price-support loans are approximately 30 days prior to the particular loan maturity date.

If the crop is not placed under loan, it may be sold to the Commodity Credit Corporation by notifying the ASCS county office before the loan maturity date.

Growers who are considering the resale of 1967 crops under loan in commercial warehouses also should file a request for extension of such loans. The 1967 crops eligible for resale are wheat, corn, grain sorghum, oats, barley and soybeans.

Maturity dates for the different crops grown locally are April 30 for wheat; June 30 for grain sorghum and July 31 for corn and cotton and soybeans.

The chairman pointed out that the price-support loans make it possible for farmers to market their crops when prices are most favorable. Crops may be redeemed from loans at any time prior to maturity by paying off the loan plus interest.

Farm operators who wish to receive credit for wheat which is to be abandoned because of failure due to natural causes must file a request for such credit before the area is devoted to another use.

Credit for the abandoned acreage must be approved to earn wheat certificates or wheat history. Crops destroyed by

natural causes before the final established disposition date and which will be planted to a different crop for harvest in the current year will not be considered as an acreage of the first crop for any purpose unless the abandonment of such crop is approved by the County Committee.

The same regulations apply to acreages of cotton and feed grain destroyed (or lost) before

the final disposition date this summer.

Cong. Bob Price Slates Visit

Panhandle Congressman Bob Price's schedule for the weekend of March 30 includes a town hall meeting at Dimmitt.

The meeting will be held Saturday at 3:30 p. m. Price will return to Washington Sunday, following retirement ceremonies for Maj. Gen. Loren G. McCollom, Amarillo AFB Commander.

Darrell Davis Depot Agent

Darrell Davis has been named new Depot Agent.

Davis and his family will move here the second week of April. They are presently living Texline.

The family has three children, Jackie, seven, Russell, six, and Rhonda, four.

The Davises are members of the Baptist Church.

Hart Lions Club named Louis J. (Bud) Steiert, local farmer, "Man of the Year" here Saturday night at its annual ladies' night banquet held in the school cafeteria.

Willis A. Hawkins Jr., second vice-president of the club presented Steiert with an engraved plaque.

Steiert, who was commended for his helpfulness to his fellowman, is a past commander of the Hart American Legion Post 311, serving as adjutant for the past 10 years. He assists all veterans needing hospital aid, and helps secure pensions for veterans, their widows and children. In times of illness, he locates necessary blood donors or sick room equipment.

Responsible for the annual Memorial Day Services held at the Hart Cemetery with programs provided by members of the American Legion of Hart and Dimmitt, Steiert is the only legion commander who secured 100 members during his term of office.

He was also recognized for his help to wayward children. He was the force behind the drive for money to build Sanders Field, the Little League ballpark and help organize Hart's semi-pro baseball team in 1946-47, serving as its manager the first two years.

Steiert was born Oct. 16, 1919 on a farm north of Hart and attended school at Nazareth.

Local Youth Gets Awards

Tony Martinez, 17-year-old youth, was proclaimed a hero by Hart residents when he entered a burning trailer home and saved the lives of two small girls.

Tony's courageous effort is now being recognized by his state and nation.

Tony, son of Mr. and Mrs. Tony Martinez Sr., was honored March 18 in Dallas as Texas' rural hero of the year. He received the Texas Farm and Ranch Safety Council's Rural Heroism Award during the General Assembly of the 29th Annual Texas Safety Conference, sponsored by the Texas Safety Association.

He was one of 16 finalists

from throughout Texas considered for the award. The award is presented annually to the rural Texas resident judged to have performed the most outstanding act of heroism during the past year.

An audience of 2,000 gave Tony a standing ovation when Bob Walsh, Chairman of the Council's Award Committee and Radio TV Farm Director of WBAP, Ft. Worth, presented Tony with the gold plaque.

One of Tony's biggest thrills was a personal commendation from Gov. John Connally. The governor was on hand for the meeting and posed for photographs with the youth and his parents.

Last Friday, the American Legion Post honored Tony with the Legion Citation of Appreciation. Bud Steiert, post adjutant, presented the citation. W. T. King, post commander, presented Tony with a medal of heroism.

Present for the occasion were Jack Flynn, past State Commander of the American Legion and Eugene Hochstein, zone 2 commander of the 18th district.

The American Legion awards carry state and national recognition.

Youth Revival Services Slated

First Baptist Church will have a youth led revival the weekend of April 5-7. Song leader will be Bro. Roger Posey, a student at Wayland College, Plainview. Evangelist will be Hugh Jack Norwood, also a student at Wayland.

Services will be at 7:30 p. m. Friday and Saturday night and the regular time on Sunday. All youth are invited to attend.

L.J. 'Bud' Steiert Named Man Of The Year By Lions

His father, L. A. Steiert moved to this country in 1915 and was the first "Santa Claus" in Hart, furnishing all the treats himself. When his health failed his son took up where he left off and visits children and senior citizens each year as "Santa Claus."

Steiert's mother, who was a nurse, died in October. His wife Irene whom he married in April 1961 in Fort Smith, Ark. is also a nurse. The couple has three children, Alice, 5; Joan, 4; and Anna 2.

Steiert spent three years in the U. S. Air Force, mostly in

Europe, as a mechanic crew chief and attained the rank of staff sergeant. A member of the Catholic Church in Nazareth, Steiert's hobbies are hunting geese, ducks and rabbits and swimming.

Entertainment at the banquet was provided by a group called, "Wee Folk" composed of singer, Lynn Clevenger and accompanists, Bob Halstead and Odell Proffitt. Miss Clevenger is a cousin to Wister Clevenger, local Lion and Halstead and Proffitt are members of the Sunshine Lions Club of Amarillo.

HART'S MAN OF THE YEAR-- L. J. (Bud) Steiert accepts a plaque from Willis A. Hawkins Jr. as he was named Man of the Year at the annual Ladies' Night Banquet Saturday night.

World's Fair Visitors Urged To Reserve Rooms

R. W. Colglazier, president of the non-profit organization processing the flood of requests for rooms and information on the April 6-Oct. 6 World's Fair, said his staff is handling 2,500 telephone calls and 2,000 letters daily.

There are 8,300 hotel-motel rooms in Bexar County and another 5,500 within 90 minutes driving time of San Antonio. The projected average daily need for rooms by fair visitors is 5,679, with a maximum daily

usage of 12,509.

The 13,800 rooms and 1,000 select rooms in private homes at San Antonio are expected to meet the room needs for the fair. There are also 3,650 trailer-campsites in the 90-minute driving area of the fair.

VSI thus far has not had to go beyond the requesting party's third choice for accommodations.

But, Colglazier urged everyone planning to visit the fair to write as soon as possible for room reservations.

"WEE FOLK", a group from Amarillo, provided entertainment at the annual Lions Ladies' Night Banquet held in the school cafeteria Saturday night. Pictured left to right are Bob Halstead, Lynn Clevenger and Odell Proffitt.

Easter Seal Society Helps Handicapped

Persons with physical handicaps who need treatment and service in Castro County may find the services they need through Mrs. Maynard who is the Castro County Representative of the Easter Seal Society for Crippled Children and Adults of Texas.

The Easter Seal Society offers rehabilitation services to children and adults with physical disabilities including speech and hearing problems, according to Mrs. Maynard.

The Society also operates an information and referral service that will direct residents of Castro County to other appropriate sources of health and welfare aid in the area, he said.

Mrs. Maynard urged parents, doctors, nurses, clergymen and other individuals and organizations to refer handicapped persons who need assistance to the Easter Seal Society by contacting her at First State Bank,

Dimmitt, Texas.

The Texas Easter Seal Society helps support 21 treatment centers where services are provided to crippled children and adults regardless of their ability to pay. Physical, occupational and speech therapy are offered to help the handicapped to overcome their disabilities.

The Easter Seal program is financed by contributions made during the Easter Seal Campaign which is now under way and will continue until April 14, Easter Sunday.

During 1967 the Texas Easter Seal Society provided treatment and services for 17,622 children and adults with a variety of physical handicaps.

Mrs. Maynard urged that contributions to the 1968 Easter Seal Appeal be made as soon as possible.

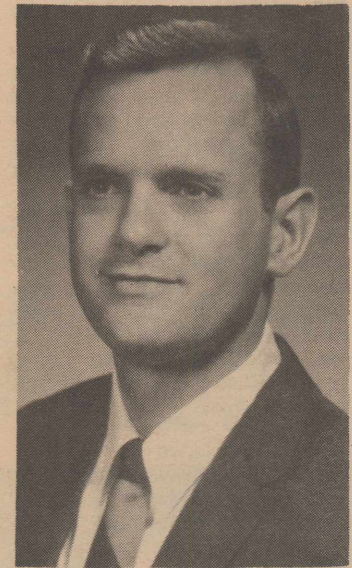

Student Teacher Is Tulia Grad

Melvin Chisum, senior agriculture education major from Tulia, is doing his student teaching in the local vocational agricultural department.

Chisum is a 1963 graduate of Tulia high school. He has attended West Texas State, South Plains College and Texas Tech.

He has been a member of the rodeo team at Tech for the past three years. Chisum is a bull rider and has attended several intercollegiate rodeos throughout the Southwestern states.

Chisum will graduate from Tech this summer. He plans to teach.

TAX MAN SAM SEZ:

Even though April 15 is almost at hand, as taxpayers we have only reached the half-way point. About half of us have filed our income tax returns—a few of us have spent our refund checks, but at least half of us are still looking for those records that we did not keep during 1967. There is no better time than right now—get out those records and get that tax return ready.

(P.S. If you can't find the records, don't forget to keep them for 1968.)

CHICKEN FEED—Kentucky Fried Chicken Company, of Colonel Sanders fame, has gone to court in Travis County to attack the state comptroller's classifying its establishments as "stores" rather than "restaurants."

Stores pay a higher license fee than restaurants, so K.F.C. is suing to recover \$1,480 it paid under protest for its 17 establishments in Texas. K.F.C. says it should have been required to pay only \$146.

The 98th District Court of Travis County has not set the suit for trial.

Bowden Receives Company Award

Bob Bowden of Tide Products Incorporated was recently selected for a "Master Performer" award for the West Texas Division of the company.

The award is given in recognition of outstanding ability and effort of an employee's particular job.

Bowden is plant superintendent of the local Tide plant.

In receiving the award, Bowden was presented with an expense paid trip to the Rio Grande Valley to attend the annual Tide Awards banquet.

Accompanying Bowden were his wife and Mr. and Mrs. Richard Franks.

BOB BOWDEN, local superintendent of Tide Products, Inc. was presented a certificate naming him "Master Performer" in his duties at the plant and recognizing him as "most excellent". He was presented the award at the Tide company banquet held in Edinburg March 22.

KITCHEN KORNER

By Lela Gallion

The first day of spring really came in in a grand way didn't it. Although today is so warm.

I believe Spring is really here. Easter is just around the corner and it seems as if ham is always a good Easter dinner meat.

Have you tried the pastry covered ham? If not here is a recipe.

Also a good pound cake with a change of flavor.

PASTRY COVERED HAM

PASTRY

*the pastry part of this could be made with a package of pie crust mix

- 4 c. sifted flour
- 1/4 c. sugar
- 1 1/2 tsp. salt
- 1 c. shortening
- 1 egg
- 2 T. prepared yellow mustard
- 1/2 c. water

HAM

- 1 canned ham- 5 lbs.
- prepared yellow mustard
- 2 T. brown sugar
- 1/4 tsp. cloves

Measure flour, sugar, and salt into a bowl. Cut in shortening until well blended. Combine egg, mustard, and water; beat with a fork until well mixed. Add to flour mixture, tossing with a fork to mix. (If very dry add 1 tablespoon water.) Place dough on a large piece of wax paper; gather into a ball and chill one hour. Re-

move ham from can. Save top of can for a pattern. Remove all gelatin and excess fat. Blot dry with paper towels. Spread top with prepared mustard. Sprinkle with mixture of sugar and cloves. Roll 1/3 of dough into an oblong an inch larger than the can top. Cut around can with a sharp knife. Place a sheet of foil on the bottom of a large shallow baking pan and grease well. Place cut dough on greased foil; set ham on dough. Roll 1/2 the dough into an oblong a little longer than the ham and twice the height; cut in half lengthwise. Moisten edge of pastry and wrap around ham joining at front and back. Flute pastry together around bottom. Cut top, using can as pattern, from remaining dough. Moisten edge of pastry. Place top and flute. Bake at 425 for 45 minutes. At the end of 30 minutes arrange garnish cut (use canape or cookie cutters) from pastry scraps. Dip pieces into egg white and arrange on ham. Brush with milk and bake 15 minutes more. Serve hot or cold cutting through pastry.

CHERRY-NUT POUND CAKE

- 1 c. butter or margarine, softened
- 1 c. sugar
- 1/4 c. maraschino-cherry syrup
- 5 eggs, separated
- 3/4 c. chopped nuts
- 1/4 c. chopped maraschino cherries
- 2 c. all purpose flour
- 1 tsp. baking powder
- 1/2 tsp. salt

Cream butter. Gradually add sugar and beat until light. Add cherry syrup. Beat egg whites

until stiff but not dry; set aside. Beat yolks until thick and lemon-colored and add to first mixture with nuts and cherries. Add sifted dry ingredients and blend thoroughly. Fold in egg whites. Put in 9" x 5" x 3" loaf pan lined on the bottom with waxed paper. Bake in moderate oven (350 deg. F.) about 1 hour and 10 minutes. (If cake becomes too brown on top, cover with a sheet of foil during last 10 minutes of baking.) Turn out on rack and peel off paper.

TAX MAN SAM SEZ:

According to some folks, it ought to be worth something to live in Texas. Well, it is. The Texas community property law gives taxpayers three extra income tax benefits. First, you may qualify for an additional \$100 dividend exclusion. Second, you can claim an additional \$1000 capital loss by filing separate returns, and third, you can qualify for an additional \$228 in retirement income credit. There is also a new benefit available this year in a few rare cases--if you file separate returns you can claim an extra \$150 medical insurance deduction.

Diabetes Lay Society Organized For Texas

A representative group of persons, both adults and teenagers, interested in "diabetes" met recently in the home of Rev. Jack Riley, 3400 Jackson, to discuss the organization of a Diabetes Lay Society for the Amarillo area.

Information obtained from publications of the American Diabetes Association and correspondence from affiliate lay societies in other states was reviewed. The need for a society here was evidenced by the fact that Texas has only two, for the Houston and Dallas areas; Oklahoma, Colorado, and Kansas-Missouri have one each, and New Mexico none. Many opportunities for service in helping diabetics are available through lay societies. Membership is offered to diabetics, their relatives, friends, and other persons interested in diabetes.

An organizational committee was appointed, to be headed by Rev. Riley as Chairman and Mrs. W. W. Wallace, Jr., Recording Secretary. Mar-

Girl Scout Fair Held In Lubbock Saturday

Approximately 6,000 girls of the Caprock Girl Scout Council took part in the Girl Scout Fair Saturday March 23 from 2 p. m. until 9 p. m. at the South Plains Fair Park coliseum. The Fair was in connection with the 56th Girl Scout birthday.

With a theme of "Girl Scouting in Action" the over-all look of the total Scouting program was demonstrated.

The Juliette Low World Friendship Fund ceremony was held at 3:30 and at 7:30 p. m., with two representatives from each troop in the Council. The Fund is one of the oldest funds of its kind. It was established in 1928, a memorial to Juliette Gordon Low, Girl Scout founder, who believed that friendships the world over, through the common bond of Scouting, would make a positive contribution to world peace.

Mrs. James W. Anderson, chairman of the event, announced that each troop in the council had an exhibit. Cadette and Senior troops presented their exhibits in one section of the auditorium.

Among the variety of activities were: a 100-voice chorus, back pack demonstrations, first aid and emergency preparedness, crafts, puppets,

artists at work, weaving, needlecraft, folk and singing games, international friendship, voting machines, conservation, child care, and a play "Of Poems, Youth and Spring". There was no admission charge for the Fair or any of the events; the public was invited.

The Hart girl Scouts had a table with handcrafts. Brownies had teatowels, Juniors had teatowels and painted pictures. The Cadettes had clothes for Viet Nam and posters and also a friendship quilt.

Leaders attending from Hart were Mmes. Donald Clark, Jimmy Ray Davis, Kenneth Covington, Orville Friday and Dwight Miller.

Mothers attending from Hart were Mmes. Arthur Cheves, Preston Upshaw, Wamon Foster, David Nelson, Melvin Aven, Max Stephens and George Heck.

Moments Of Meditation

C. T. Cunningham, pastor of First Baptist Church

"Bringing into captivity every thought." 2 Cor. 10:5

They compassed me about like bees, the Psalmist says. Every second we get a sting from some fiery shaft, some imagination, some memory, some foreboding, some fear, some care, and God lets us get them in order that they may be destroyed and we so armed against them that they can never hurt us any more.

There is a word of truth that most Christians have entirely over-looked. They give their spirit and heart to the Lord and they keep their head to themselves. Our intellect must be sanctified by being slain and replaced by the mind of Christ.

The only remedy for bad thoughts is to stop thinking all our own thoughts and be delivered from the natural mind as well as the natural heart. God will put us to school in the difficult task of stopping thinking. We will not only try to think right, but we will stop our thoughts and wait for Him to give us His mind.

This may seem to you like annihilation; but you will come

to it if you are going to enter into the deepest, sweetest, strongest life, until you shall be afraid to think at all until God first thinks in you.

Have you given your thoughts to God? Have you learned the meaning of the cry of David, "I hate thoughts, but Thy law do I love"?

STATE CAPITAL Highlights AND Sidelights by Norris Sanford

First flurries of activity on the 1968 presidential campaign front remind that it is going to be a long, long political year.

Entry of Sen. Robert Kennedy into the contest for the Democratic nomination set off more speculation than action.

Less than a week after Kennedy's announcement, however, a Beaumont college teacher announced he had accepted an invitation from the senator's office to head up his drive in Texas. Ron Platt, chairman of the small group known as Texas Liberal Democrats and a Lamar Tech assistant professor, said the Texas Committee for Kennedy soon will open an Austin office.

Dissenting Democrats of Texas reaffirmed its support of Sen. Eugene McCarthy for president despite Kennedy's emergence. Co-Chairman Don Allford said DDT welcomes efforts of the Kennedy backers and expects help from them in some areas in opposing President Johnson. DDT claims a force of about 3,000 working to organize precinct conventions for McCarthy.

On the opposite end of the political stage, supporters of Alabama Gov. George Wallace held their state convention here and kicked off their drive for 14,259 signatures to petitions. Petitions are necessary to get Wallace's name on the November ballot as presidential candidate of the new American Party headed in Texas by former State Sen. Weaver Moore of Houston. Signers must not participate in Democratic or Republican primaries or conventions.

State Democratic Committee, meanwhile, has emphasized its support of President Johnson. Gov. John Connally has announced he intends to head a Texas delegation to the national convention committed to the president's renomination.

To date, there is little evidence of any major effort to take the Texas Democratic conventions away from Johnson.

Texas Republicans, already leaning toward Richard Nixon, were left one less choice when Gov. Nelson Rockefeller announced he would not campaign for the nomination.

COURTS SPEAK--Supreme Court will hear arguments April 17 on whether Land Commissioner Jerry Sadler should be required to honor the West Texas minerals claim filed by Cobra Oil and Gas Corporation in Pecos, Culberson and Reeves Counties.

Third Court of Civil Appeals agreed with Comal County trial court that a New Braunfels used auto parts and junk dealer had no right to keep the city from fining him for violation of "beautification" ordinances.

Court of Criminal Appeals upheld conviction and life sentence of San Antonio Jorge Maldonado for murder of a used car salesman. Same court affirmed the 99-year sentence of a Houston area druggist for possession of heroin.

ATTORNEY GENERAL SPEAKS--Atty. Gen. Crawford Martin said State Liquor Control Board records and orders should not be made available for public inspection except as the result of legal proceedings. Apparently, he classes hearings before LCB administrator on violations allegations as legal proceedings.

In other new opinions, Martin concluded that:

* Abolished "city" of La Grulla in Starr County can hold a new incorporation election in less than a year from the date its abolition was resolved in court (last November 15).

* A school district that had issued no unlimited tax bonds can revert to limited tax status under a different statute and issue bonds subject to voter approval.

APPOINTMENTS--Former Atty. Gen. Will Wilson of Austin and Baylor University President Abner McCall were named co-chairmen of the Anti-Crime Council of Texas (ACT). Council has as its initial goal defeat on the May 4 referendum on pari-mutuel betting.

State Bar headquarters announced R. Glenn Jarvis of McAllen and George H. Nelson of Lubbock have been nominated for president-elect of the State Junior Bar. George F. Christie of Fort Worth and James Greenwood of Houston are vice presidential nominees; and Jack Norwood, Tyler, and Robert R. Sanders of Amarillo nominees for secretary-treasurer.

Carl F. Wheeler Jr. of Austin is the new president of the Texas Elementary Principals and Supervisors Association. Warren W. Green of Tyler is president-elect, Robert L. Holden of San Angelo first vice president, William C. Harter of Canyon, second vice president and Mrs. Shirley Hale of Houston, third vice president.

MORE PARK AID OFFERED--Sought--Action to protect historic San Jacinto State Park from erosion and flood has been asked by Attorney General Martin.

He suggests moving De Zavala Cemetery, which floods at high tide, and an appropriation to Parks and Wildlife Department to protect the rest of the park.

A \$39,915 federal grant has been approved for development of outdoor recreation facilities at 3,840-acre Monahans Sandhills State Park in Ward and Winkler Counties.

Another \$11,450 federal grant will go to 332-acre Big Spring State Recreation Park, two miles south of Big Spring.

State matching funds will double project financing at both Sandhills and Big Spring facilities.

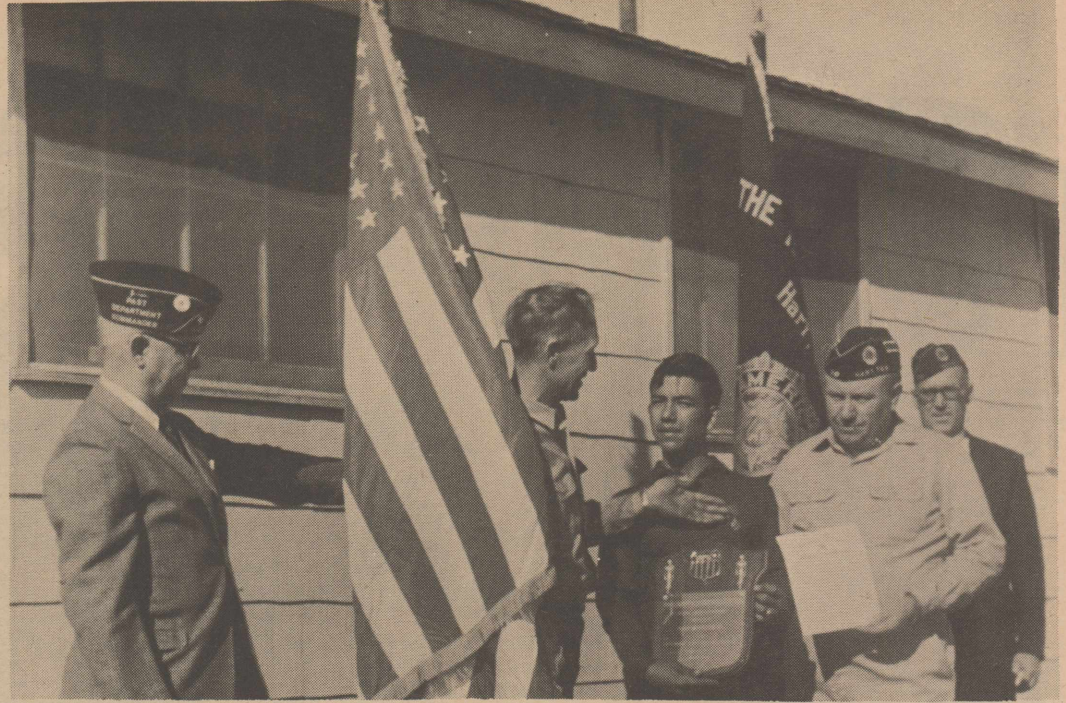

DRAFT CALL UP--State draft boards must furnish 2,378 men in April and, for the first time in two years, part of the group will go into the U. S. Marine Corps.

Figure compares with the quota of 1,947 for the Army in March and is the largest monthly call for draft boards since October, 1966, when Texas' share was 2,845.

Local boards will send 8,500 men to armed forces examining and entrance stations in April fore pre-induction physical and mental examinations in preparation to fill future quotas. March total was 7,200.

April induction and pre-induction quotas were mailed to local boards by state Selective Service headquarters in mid-March. National quota for April is 48,000, of which Army will get 44,000 and Marines 4,000. Draftees are in 19-25 age bracket.

TRAFFIC DEATHS DECREASE--Traffic deaths in Texas last year totaled 3,367

TONY MARTINEZ is shown here with members of the American Legion, Jack Flynn, past state commander; W. T. King, post commander; Bud Steiert, post adjutant and Eugene Hochstein zone 2 commander of the 18th district. Tony was recognized by the American Legion for his heroism in saving the lives of two small children, when he rushed into a burning trailer home to rescue the children. He was presented a certificate of heroism and also a medal of heroism by the Legion. Tony is holding the award presented him by Texas Farm and Ranch Safety Council. in Austin last week.

according to latest Department of Public Safety tabulations.

This was a decrease of 1.15 per cent (first in seven years) from 1966 when a record 3,406 fatalities from auto accidents were recorded.

DPS noted that there was a five per cent increase in vehicle miles traveled in the state last year, for a death ratio of 5.8 persons killed for each 100,000,000 miles of travel. This is a decrease in death rate from 6.2 in 1966.

Total of 885,268 traffic accidents were reported in the state during 1967, with economic loss estimated at \$793,000,000 and 205,000 injuries.

NURSES RECRUITED--State Board of Nurse Examiners registered 1,741 more nurses in 1967 than the 36,862 in 1966, and most of the new ones came from out of state.

Of all the new nurses, 1,494 moved to Texas from other states. Texas lost only 778 to other states. Also, 821 new RNs were registered after

graduation from nursing school.

Recruitment programs by the Texas Hospital Association and the Health Careers Program were given much of the credit for the increased number of nurses. "And then a lot of people just like to move to Texas," an official said.

MIXED DRINK DEBATE SHAPING UP--One of the great debates of the season seems to be over the method of legalizing sale of liquor-by-drink.

Former Atty Gen. Waggoner Carr, campaigning for governor, argues no constitutional bill can be written on the subject, and that an amendment to the state constitution's "open saloon" ban is necessary to legalize mixed drinks. Eugene Locke is campaigning heavily for local option mixed drinks bill, as has Governor Connally.

Attorney General Martin, called on for advice by the House committee studying liquor laws, sidestepped the issue. He sent the committee

the 29-year-old opinions of former Atty. Gen. Gerald Mann that the legislature in defining "open saloons" acted "in obedience to command of the people." While acknowledging the legislature can change laws, Martin suggested that courts, not the attorney general, must test constitutionality of the new "open saloon" definition.

House committee, which is compiling a report for the special session this year, was advised that the Liquor Control Board should be "more forthright" to regain confidence of public.

SHORT SNORTS--Governor Connally approved \$4,648 grant to Golden Crescent Council of Governments in the Victoria area...Sharon Connally, daughter of Gov. and Mrs. Connally, was married Saturday to Robert C. Ammann III at the governor's mansion, the fourth daughter of a Texas governor to married in the historic residence.

HEMISFAIR'68

WORLD EXPOSITION APRIL 6-OCT. 6-SAN ANTONIO, TEXAS

NEWS AND FEATURES

As Commissioner General of HemisFair'68, Gov. John Connally stands proudly over 92.6 acres of world-wide culture, history and fun. He can't play favorites.

But, occasionally he gives a hint of his own special love located on 13 acres of the World's Fair grounds -- The Institute of Texan Cultures.

The beautiful structure, with an interior four times the size of a football field, is the Texas exhibit at the \$156 million international exposition. It is a \$10 million investment in history for posterity which will attract visitors years after HemisFair is over.

The Institute tells the story of Texas--the true story of the 25 ethnic cultures that formed the Lone Star State, not the television-produced image of six-guns and sidewinders.

The Governor chose R. Henderson Shuffler, a former newspaperman who has taken a leave of absence as Manager of the University of Texas Collection of Texana, to put the exhibit together.

Shuffler admits there were cowboys, Indians and holdup men in Texas' past. And, they aren't forgotten at the Institute.

"But, more by far were storekeepers and farmers, peasants and noblemen, bankers and gypsies, preachers and soldiers and slaves and dreamers -- Frenchmen, Swedes, Dutchmen, Spaniards, Negroes, Poles, Irishmen, Jews, Englishmen, Chinese, Germans," Shuffler says.

"The people spoke various languages and dialects, held to their own customs and ideas, prayed differently, were often peculiar in dress and manner and in the way they cooked a meal."

They all came to a strange new land and as they molded what was to become the Lone Star State their cultures merged.

This is the story of Texas, and the tale woven inside the Institute.

Group exhibits will be shown against a background designed for their story told in pictures and relics. Each group will have slides and self-contained movie units.

The dramatic highlight will be in the two story tall central dome, where an ultra-modern film and slide presentation uses 36 screens (not all simultaneously), surrounding the viewer with movies and slide sequences of such events as "A

Night in Old Fredericksburg" and the ceremonies of the Tigua Indians.

"We think this is a tremendous story, one that will be told again and again," Shuffler said. "What makes this so important is that this story will go on and one after HemisFair is closed. And, it will continue to grow and gain more excitement."

After the Fair, the exhibit will serve as an educational communications center in subjects relating to history and culture of the State.

"After HemisFair, the Institute will collect further information on Texas subjects, produce films, filmstrips, tapes, publications and exhibits for use in classrooms, on television, for museums and public gatherings; and it will circulate portions of its exhibits to areas where they are of special interest," Shuffler said.

HemisFair visitors will not find a museum dealing cold, hard facts or classroom history at the Institute.

"The information is presented in warmly human terms-- in the stories of individuals," Shuffler said. "Every person who tours the exhibit will find something which binds him to the people of Texas."

The famous "Les Poupees de Paris," known to the non-French as "The Dolls of Paris" have been booked for a six-month engagement at Hemis Fair.

The fabulous puppets have appeared on a variety of national television programs, displaying costumes costing as much as \$2,500.

The voice and puppet personalities of Frank Sinatra, Dean Martin, Brigitte Bardot, Cyd Charisse, Pearl Bailey, Tony Martin and many others will be featured in the hour long musical revue.

The Sid and Marty Krofft revue will be performed daily at the Lido Theater on the grounds.

The puppet showgirls in the "recommended for adults only" spectacular are three feet tall and measure 12-8-12.

Taxpayers Given Payment Caution

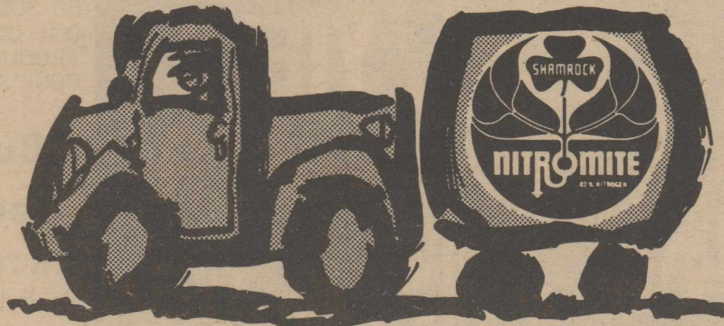

Dallas, Texas -- Pay your 1967 Federal income tax by check or money order, not in cash, was the advice given today to North Texas taxpayers by Ellis Campbell, Jr., District Director of Internal Revenue. Taxpayers who send cash through the mail have no record of payment in case of loss or misdelivery.

Payment can be stopped on a misplaced check or money order and a new payment made, Mr. Campbell said.

Checks or money orders should be made payable to the Internal Revenue Service. When a payment is not accompanied by a tax return or bill, write your social security number on the check or money order and state the exact purpose of the payment.
