Church Of Christ Youth Rally To Be Held In Hart Saturday

An area-wide Youth Rally, sponsored by the youth of the Church of Christ, will be conducted Saturday, May 4, in the elementary school auditorium.

Registration is from 1:30 to 2:30 p. m.

Theme of the program is "Space Age Teens and Their Missions".

Special guest speakers will be John McCourt, assistant minister of Garland Street Church of Christ in Plainview and Doug Lawyer of Happy, a former missionary to Nigeria.

Also a panel of young men from Lubbock Christian High School will lead buzz sessions

on "Science and the Bible", "Youth Challenges", "How to Get Along With Parents", and "What Young People Can Do in The Mission Field."

Members of the Lubbock Christian High School chorus, conducted by Charles Cox, will be special guests and present

a program of special vocal music.

The fellowship hour, a "Hootenanny", will conclude the evening's program and will feature a lights-out devotional of spontaneous singing and prayers with group participation in skits and recreation.

Texas Leads Nation In Number Of Tornadoes

C. O. Layne, State Coordinator of Defense and Disaster Relief for the Texas Department of Public Safety, today reminded Texans that the peak tornado season is approaching.

"Statistics from the United States Weather Bureau's State Climatologist indicate that Texas again led the nation in total tornadoes last year, with an all time record of 232," Layne said. The 1967 figure compares with the 77 twisters confirmed in the state during 1966.

Only two months in 1967, January and November, were

free from tornadoes. September accounted for more than half with a total of 124. Of the September tornadoes, 115 occurred in connection with Hurricane Beulah.

There were two twisters in February, 11 in March, 17 in April, 34 in May, and 22 in June. Other totals included July with 10; August, five; October, two; and December, five.

A circular of tornado safety rules has been prepared by the Department of Public Safety, and is available through local city and county Civil Defense directors.

Swisher-Castro Council Slates Meeting In Hart

Swisher-Castro Bi-county PTA Council will meet Tuesday, May 7, in the First Baptist Church in Hart. Coffee will be served at 9 a. m. with the meeting to begin at 9:30 a. m.

Mrs. Wiley Alexander, outgoing District president, will install the new officers, Mrs. Melvyn Gibbons of Kress as president and Mrs. W. J. Pat-

ton Jr. of Dimmitt as treasurer.

To fill the vacancy left by resignation of a new officer, a new vice-president will be elected and installed.

Mrs. Red Lambeth, State vice-president, will conduct a school of information and leadership course in the afternoon.

A nursery will be provided.

Voters To Name Primary Choices

Hart voters will go to the polls Saturday May 4 to name their chosen candidates in several hotly contested races.

Of particular interest to area residents are the races for county sheriff and that of the commissioner for precinct 1.

Running for re-election in the sheriff's race is Jack Cartwright. Opposing him is Henry Meyers Ogletree.

In the commissioner's race, incumbent E. L. "Tump" McLain is opposed by George Heck.

The top spot in the state has ten names on the Democratic ballot while there are three on the Republican ballot.

Democrats include Johnnie Mae Hackworthe, John Hill, Dolph Briscoe, Preston Smith, Pat O'Daniel, Edward L. Whittenburg, Eugene Locke, Waggoner Carr, Don Yarborough and Alfonso 'Al' Veloz.

Nominees on the Republican ticket are Paul Eggers, John R. Trice, and Wallace T. Sisk.

In the lieutenant governor's race, three men, all Democrats are seeking election. They are Don Gladden, Gene Smith and Ben Barnes.

Three men are in the race on the Demo ticket for a seat on the court of civil appeals, seventh supreme judicial district. They are James A. Joy of Plainview, Jack Hazlewood of Amarillo and Bruce L. Miller of Hereford.

For the first time, write-in votes will not count this year in the primaries.

Although the three referendums on both GOP and Democratic ballots have no effect as law, great interest has been shown in them and they will be a more important part on the tickets.

First on the ballot is the proposition concerning legalizing the "Sale of liquor by the drink in wet areas only after approval by local option elections, and which sale would be subject to strict regulation, effective controls and taxation thereof."

Second proposition will draw voters' opinions on the legalizing of horse racing with pari-mutuel wagering on a local option basis.

According to the proposition, "Texas would create a horse racing board with the power to regulate pari-mutuel wagering on horse races; granting two percent of the total pari-mutuel pool each day to each county where there is a licensed race track; and apportioning among all other counties one-half of the total state net revenue from that source."

Last referendum issue is to give voters a choice on milk price regulation. Voters will give their opinions as to whether they are for or against the Texas Dairy Commission being given the power to regulate and fix the retail and wholesale price of milk.

Democratic polls will be located in the Hart City Hall, precinct 6; at the Greg Hoeltling home between Hart and Nazareth for precinct 5; at the American Legion in Nazareth for precinct 12; at the Sunnyside Community room for precinct 16 and at Morrison Gin office in Sunnyside for precinct 10.

Republican polls will be located in Dimmitt at the Rawlings Hotel and at the Charles Frey home in the Easter community.

Polls open at 8 a. m. and close at 7 p. m.

Library Friends To Meet Tonight

A meeting of interested citizens in Castro County to organize a county wide "Friends of The Library", will be held May 2, at 8 p. m. in the community room of the First State Bank. The meeting is sponsored by the Library Board, Dimmitt Book Club and Civic Improvement Committee of the Castro County Chamber of Commerce.

Miss Alice Green of Mary E. Bivins Library of Amarillo will be present to give a brief explanation of the benefits libraries receive from our organization of "Friends".

Dr. Marvin Hirsh, President of Amarillo "Friends", will tell briefly what benefits "Friends" receive from their work with the library. Mrs. Elizabeth Crabb, extension program co-ordinator for Mary E. Bivins Library will also be present.

All interested citizens of Castro County are invited to attend this meeting.

FIRE DAMAGE amounted to approximately \$1200 to the home of A. C. Houston family. The kitchen suffered most of the loss while smoke damage was throughout the home. The Houston family is now making their home at the W. R. Reed's rent house.

Not A Spectator Sport

By Ed Erard

(Ed Erard is the dean of South Texas political columnists, and quotes from his columns, Building Blox and Kicking the News Around, have been re-printed nationally. He is editor-manager of the Kingsville Publishing Company, publishers of the Kingsville-Bishop Record-News.)

Today the United States is the oldest living republic with a written Constitution. Twenty-three other republics have gone down the drain of history. The cynics say, "Democracy carries within it the seeds of its own destruction, America is on the downhill run that leads to the graveyard of dead nations."

Here are some of the symptoms of our nation's senility:

Expediency has replaced statesmanship in many high places.

Pandering has replaced patriotism.

Riots have replaced responsibility.

Spending has replaced stewardship.

Inflation has replaced responsibility.

Anarchy has replaced law and order.

Welfarism has replaced private enterprise.

We chant of the Land of the Free and the Home of the Brave. We hear the National Anthem when we attend a baseball or football game, but the sentiment goes over our heads like a fleecy cloud. Baseball, football and many other sports draw millions of spectators who contribute nothing to the action on the field of contest - except the price of admission.

In these days of an affluent society, too many Americans have come to regard our Democracy as a spectator sport. We sit in the grandstand, and between drinks we boo or cheer.

Democracy was never devised as a spectator sport. It is based on the rule that each citizen should form his own opinions... and express them to the Court of Public Opinion where America makes its decisions.

You and I can no longer ride the Freedom Train. We can't lounge in our cushioned seats and indulge in the vain hope that everything will turn out all right. Prayers have a proper place in our efforts to reform this government before it is too late.

But as one cynic remarked, "God isn't dead; He just doesn't want to get involved."

KITCHEN KORNER

By Lela Gallion

I had my grandchildren at my home over the weekend so I cooked all the things they liked best and as you have probably guessed, their very favorite is hamburgers.

I don't believe that I have known many children that do not like hamburgers and can you think of a easier thing to fix?

In the evenings in summer time an outdoor grilled hamburger on a bun with the usual lettuce and tomatoes plus other fixings for it and Hash Brown Potatoes cooked on the barbecue grill is really an entire meal. And just think how easy to prepare, knowing too that you have fixed your family a balanced meal.

Here is another way to fix hamburgers that is a change.

SURPRISE HAMBURGERS

Split and toast:
6 hamburger buns

Combine;
1 1/2 lbs. ground beef
1 1/2 tsp. salt
1/8 tsp. pepper and shape into 12 thin patties, rolling between waxed paper with rolling pin.

Combine:
1/2 c. dairy sour cream
2 tsp. prepared horseradish
1 T. catsup
1/4 tsp. salt
2 T. finely chopped onion

Spoon approximately one and a half tablespoons sour cream mixture in center of 6 patties. Top with remaining 6 patties and seal edges. Set oven regulator for boiling. Place patties on rack in broiler pan so tops of patties are about three inches from heat. Broil five minutes. Turn and broil an additional five minutes. Serve on toasted buns.

RICHBURGS ARE GUESTS

Mr. and Mrs. Lester Richburg visited Sunday in Plainview with Mr. and Mrs. Paul Hodges.

I have a real good cake I would like to share. You don't need frosting.

Take:
One yellow-cake mix.
1 pkg. of instant vanilla pudding
3/4 c. of water
1/4 c. oil
1/2 c. sour cream
4 eggs

Beat all together for 5 to 10 minutes. Grease a tube cake pan. Put part of the dough in the bottom of the pan. Mix 2 tablespoons sugar, 1 teaspoon cinnamon and 1 teaspoon of cocoa and sprinkle 1/2 of this over the cake mix. Put the rest of the dough in and sprinkle the remaining cinnamon mixture over the top of the cake. Bake at 350 degrees for one hour.

SCOUT NEWS

Deryl Clevenger, Robert Hawkins and Cleve McLain attended a Leader's Training Program at Camp Haynes Saturday and Sunday.

The outdoor session consisted of instructions in camping and camp cooking.

Approximately 22 Scout leaders participated.

Others making the trip and helping set up camp were members of the Order of the Arrow. They were Tony Miller, Ike Graves and David Hawkins.

Twenty-one boys met Monday evening in the Community Room of Farmer's State Bank with leaders G. C. Graves, Cleve McLain, Paul Armstrong and Deryl Clevenger.

Ike Graves led the troop in the Scout Oath.

First class awards were presented to Stan Dyer and Ricky Black. Recruiter awards went to Roy Gonzales and James McLain.

The troop viewed a film of the HemisFair.

One new member was present, Freddy Mancias.

Housewives Alert Shopping Stretches Food Dollars

Food prices are like the weather - everyone talks about them. The important difference is that with food prices you can do something about them, reminds Gwendolyn Clyatt, Extension consumer marketing specialist.

You can't change the price but you can receive more for your money if you make wise choices.

With careful planning and shopping you can stretch your food dollar. Resolve to keep alert to what your market is featuring by watching food ads. Plan your menus to include as many "specials" as possible, suggests the Texas A&M University specialist.

Try to remember the regular prices so you'll know if the special is really a good value. Buy good values in quantity if you can use them and if storage space allows.

Make a shopping list, and remember to take it with you. This helps cut down on impulse buying, says Mrs. Clyatt.

Take the time to shop around in your favorite store. Every week there are new and different food items from which you can choose. Take some just window shopping time to look around for them.

Figure the "real" cost and

not just the price per unit. The cost per pound or unit of any item is often misleading if you do not check the number of servings, according to Mrs. Clyatt. The cost per serving is the true measure of cost.

For example, meat which has a large amount of bone at a

lower price per pound will often cost more per serving than boneless meat that sells for a higher price per pound.

When selecting convenience foods, consider time and cost. Some cost the same or slightly more while some cost less than those with no convenience built in, she adds.

Mr. and Mrs. V. E. Bearden were in Lubbock on business one day last week.

SUPPORT CONNALLY FOR FAVORITE SON!

Next January, for the first time in almost forty years, Texas will have no representation in the top leadership of our nation.

Seldom in recent history have we faced such political uncertainty. Developments just ahead will affect our state for years to come.

If you want Texas to have a strong united voice in the future affairs of our nation, join behind Governor Connally as Favorite Son candidate for the Presidency, and as leader of the delegation to the Democratic National Convention.

As a leader respected throughout the country, he will be an effective, influential voice in shaping the future leadership and policy of the party and the nation.

Be sure to attend your precinct convention, adopt the unit rule, and give your support to Governor John Connally for Favorite Son.

**NEW! For clean Sorghum...
spray weeds when you see them!
with BANVEL®**

HERBICIDE

Velsicol announces Banvel herbicide for control of all hard-to-kill weeds of major importance in grain sorghum. This includes carelessweed (pigweed), sunflower, lambs-quarter, purslane, morning glory and other annual broadleaf weeds. Banvel herbicide is applied post-emergence, so there are no wasted sprays in years when rain is scarce and weeds are not a problem. With Banvel you see your weed problem and *then* spray—all in plenty of time to give young sorghum plants plenty of opportunity to grow.

Banvel is sprayed onto weed leaves and translocates to the roots...for new, total control of weeds. Just apply Banvel between the 10th and 25th day after emergence of grain sorghum (approximately 4 to 12 inches tall).

Banvel is not dependent on soil moisture for its effectiveness, so its results are dependable. And it's a liquid that won't clog your sprayers; nor does Banvel need constant agitation.

Banvel increases yields. It's excellent for use on grain sorghum, wheat, barley, oats and field corn. Order Banvel herbicide to get full potential from your valuable, high-yielding sorghum seed.

See your dealer today. You'll be glad you did!

Safeguards Can Help Prevent Food Poisonings

Food poisoning can dampen a picnic spirit quickly—and the only safeguard against it is caution.

Poisoning can be caused by handling food too much, improper cooking and leaving food

exposed for several hours.

Foods prepared in advance and left outside can be infected with organisms which multiply quickly and do not affect food taste, smell or appearance, according to Francis Reasonover, Extension foods and nutrition specialist at Texas A&M University.

Since you can't tell if a food is safe to eat, extra precautions are necessary. Foods most vulnerable to poisoning are potato salad, egg products, fish, ground beef, poultry, pork products, sauces, dairy products and pastries, especially custard and cream pies.

Miss Reasonover said that food definitely should not be kept at room temperature more than three to four hours. It may be cooler or warmer, she advised, but room temperature is critical.

HARD SURFACE SPIKE WHEEL

The new all steel spike wheel is the only hard surfaced hoe on the market today. Designed to reach deep into the soil without harming the roots of the crops, it is vastly superior to drag harrows.

The Spe-Dee spike wheel leaves the top surface cloddy, conserving moisture during periods of drought...it does not powder the soil to blow away during hot, windy weather. It also kills the weeds that take much needed moisture from growing crops.

We are counting the days till school is out - just 10 more days till school is out. And for the Seniors 5. Can you believe it? Again let us say die down and get with it!

The Athletic Banquet was held Saturday, April 27 in the transformed school cafeteria. Speaker was Leon Hill, retired Baptist Preacher from Amarillo. He received a much deserved standing ovation, Master of Ceremonies was C. C. Hanes, who also presented awards to the coaches. Coach Rich and Coach Ewing then presented the football and basketball teams. Alma Mater was led by Iona Clevenger.

A big thanks goes to the Booster Club for the tremendous job they did decorating and the delicious meal.

The 1969 Annual Staff was announced recently. The staff includes Editor - Iona Clevenger; Assistant editor - Tony Miller; Business Manager - Denise Lowrey; photographers - Roni Cox and Andy Rogers. Other members include Cathy Sharp, Reba English, Sue Bates, Becky King, David Bass, and Bill Bledsoe. Sponsor is Mrs. Reid.

with the arrival of the 1968 Longhorn. The white books with maroon writing were gladly received. A big thanks goes to the '68 Annual Staff for a job well done.

The year of politics! That's a good slogan to describe HHS last week. It was the week of student council officer elections and cheerleader elections.

Candidates for office in student council were President-Iona Clevenger; Vice-president - Rebecca Futrell and Pam Shive; Secretary - treasurer - Bill Bledsoe. After a political rally was held these officers were chosen: President - Iona Clevenger; Vice-President - Pam Shive; Secretary-Treasurer - Bill Bledsoe.

Cheerleader tryouts were noisy to say the least - chosen from the freshman class was Sylvia Gonzales. She competed against Cathy Crawford, Vickie Newsom, Dee Clevenger and Lisa Lacy. Joan Dudley was chosen sophomore cheerleader. She was chosen from Becky King, Gaylene Hawkins, and Roni Cox. Chosen from Pam Shive and Leta Pierce, candidates was Leta Pierce. Head cheerleader chosen from senior class was Rebecca Futrell. Her competitor was Nancy Reed.

Congratulations to all these winners.

JOKE TIME:

This week for jokes we've chosen a few of the more cruel jokes.

"Grandmother, use a can opener, you'll ruin your gums!"

"Mother can I go swimming?"
"Of course not Sheldon, you'll rust your hooks."

"Are you still engaged to that girl with the wooden leg?"
"No, I got mad and broke it off."

"Mother, May I play the piano?"
"No Sheldon, your hooks will scratch the keys."

"Drink your soup before it clots."

"700 acres of PIONEER sorghum averaged 8,568 pounds for me."

Elvin Wilson, Friona, Texas

Many of last year's bumper yields came from small acreages. But Elvin Wilson had 735 acres—all Pioneer hybrid 820—that averaged 8,568 pounds per acre.

Good weather, good farming and good seed boosted Elvin's yields. He double rowed on a 40" bed, watered four times in addition to pre-watering, controlled weeds with Propazine, and put on 280 pounds of nitrogen.

Hybrid 820 makes the most of his good farming—shades the ground fast, produces big yields, stands right up to harvest. Isn't this the kind of sorghum you want, too? See me soon.

Veteran Often Neglects Beneficiary Changes

Six out of ten veterans may need to change the beneficiaries listed on their government life insurance to make sure that the right person gets the money, Jack Coker, Manager of the Veterans Administration Regional Office in Waco estimated today.

The VA must pay the proceeds of the insurance policy to the last beneficiary designated by the veteran even though it might be a divorced wife or a wealthy parent.

In far too many cases, the status of the original beneficiary is changed by marriage, divorce or death, and the veteran neglects to make the change in his insurance.

In a recent sampling it was found that six out of ten veterans probably need to update

beneficiary information on their policies, Coker said.

Forms for this change may be obtained from any VA office or by writing directly to the VA insurance office where the premiums are paid.

Cards Of Thanks

We want to say "Thank You" to the Booster Club for a very nice Banquet you gave us Saturday night.

W. A., Quincy and Gaylene Hawkins

We want to thank all the mothers that helped prepare and serve the food, and to Boots Rogers and his committee for cooking the steaks and a great big thanks to the men that helped wash dishes after the banquet. Also the decorating committee, Lanny Tucker and Ag boys and anyone else who helped to make the banquet a success.

Sue and Johnnie.

WHAT IS SIN?

SIN is a three letter word. Rearranged, it becomes four two letter words: SI - a Spanish word meaning yes. NI - part of a Latin base for no. IS - the present tense of the verb to be. IN - a preposition pertaining to bounds, limits, persons, time.

When I say "yes" and when I say "no", I enter into relationships with other persons; anything I become and any situation in which I find myself, I am involved with other persons. The amount of I-ness that enters into these relationships and situations creates sin.

Take the "I" out of sin and what is left? Nothing that can separate me from God or man.

- Helen G. Smith -

Gideon did not start out under his own power alone to smite the host of Midian. After a clear call from God, first he worshipped, and then with the cry "The sword of the Lord and Gideon," he went into battle. The battles we have to wage may not be of the caliber of an Israelite war, but often they loom as large in our thoughts. Even though what we are wielding may be but a mop, it may yet be the mop of the Lord and me, and a means to a closer relationship with God. Without God we can not do good things, this phrase is a quick reminder to ask the help of God's grace when we are faced with problems and decisions.

Have you ever thought that worry is a sin against God? We spend much time uselessly worrying about this and that or the other, you can fill in the gaps. Such a procedure is a complete and utter waste of time and complete contradiction of our faith in God.

What is wrong with us that we can repeat, "Cast all our care on thee, who carest for us," and in the next breath tell our friends we are "so worried"? Perhaps it is too much to ask that we delete "worry" and "anxiety" from our vocabularies; but we could rehabilitate our thinking by substitution. Every time we are tempted to say "I'm so worried," let us say, instead, a prayer for faith.

Jack Cartwright
Sheriff of Castro County

Jack Cartwright is the man who has been on the firing line for all the law abiding people, and against the law breakers, of Castro County for the past 14 years.

Jack Cartwright is the only candidate qualified by experience. He knows the ropes and has the respect and support it takes to get things done for Castro County.

Let's keep a strong experienced man as County Sheriff so that we can be sure that the interests of the people and the county will be best served and best protected.

It is important, for our County, that we re-elect Jack Cartwright as Sheriff of Castro County.

Be sure to vote for Jack Cartwright on May 4, 1968.

(PAID FOR BY SUPPORTERS OF JACK CARTWRIGHT OF CASTRO COUNTY.)
