W.A. Hawkins Jr. Named President

Willis A. Hawkins Jr., was named president of the Farmers State Bank by the board of directors in a meeting which was held Wednesday.

They named Hawkins to fill the vacancy left by Norlan Dudley, who moved to Earth to assume duties as president of the Citizens State Bank, following the purchase of the controlling interest in the bank by Dudley, Hawkins and W.A. Hawkins Sr.

Named as vice president and cashier was Clinton Billingsley who served in the same capacity in an Amarillo bank. He has had eight years experience in banking at Olton State Bank in Olton.

Photographer To Be In Hart

It is an undisputed fact that the responsibilities of tomorrow's world our nation and community will rest upon the shoulders of the children of today. Since this is true, the publisher of this newspaper would like to give you a good look at these future "World Builders."

The only way we can do this is by publishing pictures of them in feature series. To assure the latest and best reproduction pictures they must all be of uniform size and quality.

An expert children's photographer with all the necessary equipment for this specialized work will be here Wednesday, Oct. 16.

Pictures will be taken at the Hart Beat Office from 9:30 a. m. to 1:30 p. m.

There is no charge to the parents. There are absolutely no strings to this invitation. It is bonafide in every sense of the word. Parents do not have to be subscribers, nor even readers of this newspaper to take advantage of this feature. Neither are they obligated to purchase pictures after they are taken. Those who want some additional prints may obtain a limited number by arrangement with the studio representative when they select the pose they want printed in the paper. It is entirely up to them.

This paper simply wants pictures of all the youngsters and the more, the better. So the mothers and fathers of the community in which this paper circulates should remember the date Wednesday, Oct. 16 bring their children to the photographer.

You will be mightly glad afterwards, if you did and very very sorry if you do not permit your children to participate in this event. The kiddies will have fun and both mother and dad and the youngsters too will be very proud to see their pictures in print later.

DEE ANNE CLEVENGER will be sponsored by the Hart Chapter Future Farmers in the Miss Cotton Contest Oct. 17 in Plainview. She is the daughter of Mr. and Mrs. Deryl Clevenger.

Ford Denies Statements Made About Water, Inc.

Frank Ford, Republican candidate for State Representative in this district, has replied to statements made in last Thursday's Hereford paper by Bill Clayton's Hereford chairman, R. C. (Dick) Godwin. "Mr. Godwin knows very well that I support Water, Inc., the local water associations, and the importation efforts wholeheartedly", said Ford, but I am glad that he put his accusation that I oppose water importation in print as that statement and the one that I am not a member of Water, Inc. have been put out orally for several weeks".

Ford added that he did not believe that Rep. Clayton was aware of these things, and did

not hold him responsible. "The greater part of the voters in this district who have been watching this campaign", Ford continued, "know that I have spoken out often for greater concern for water resources planning, including flood control dams, more conservation efforts, and importation plans. I have encouraged Congressman Bob Price to push forward feasibility studies bringing water to this area from the lower Mississippi River, as congress must fund both the studies and actual work on any importation."

"People who know the facts know that I have been very

First Bale Of Cotton Brought In By Murray

Hart area's first bale of cotton was ginned by Hart Producers Co-Op Gin Friday, Oct. 4.

J. D. Murray, who farms four miles north and one mile east of Hart, brought in 2200 pounds of seed cotton, from which the 550 pound bale was ginned.

The cotton weighed in at the Co-Op Gin about 5 p. m. Friday, produced 1000 pounds of seed.

Ike Bennett, manager of the gin, said the cotton was Gregg 35 variety, planted about May 10 and was from four acres of land. It had received slight hail once. Seven hired hands pulled the bale.

For a bonus, Murray received \$60 a ton for the seed, received the ginning and wrapping free and the gin manager said the hired hands were paid by the gin.

Water Committee Visits In Area

A tour of the South Plains by air, a drive from Hereford to Lubbock and the testimony of many witnesses has impressed on the members of the Legislative Interim Water Study Committee that West Texas needs water and is willing and able to pay for that water when it is available.

Hart Longhorns

BY DONNE

Hart Longhorns fell to Vega here Friday night after a great effort on the part of Vega, who scored two touchdowns in the fourth quarter.

The game got underway as Kenny Donathan kicked off for Vega. The kick was long and Smith was stopped at the 16 yard line on the return.

Smith carried for four and Bruington tallied 10 in two tries to set up Hart with a first on their own 30 yard line.

Bruington was stopped on the line of scrimmage and after an incomplete pass, the Hart Horns were still on the 30.

Smith latched on to a Rambo pass and moved to the 47 yard line. It looked as if Hart might go all the way as Smith carried three times straight moving to Vega's 35.

On Hart's second down play Vega intercepted a pass to change the tide of the game. Vega took over at their own 12 yard line.

Ramirez and Hodges carried for Vega but couldn't get the needed yardage for the first.

Jackie Richardson punted for Vega and Joe Quiroz returned it to Vega's 45.

Hart Horns moved to the 29 on a pass from Rambo to Longoria for a first down. Rambo scrambled to the 25 and Bruington followed but was stopped for no gain.

Then things went Vega's way as Luis Longoria fumbled and

Vega recovered, Vega failed to make the first down after a 15 yard penalty.

Richardson faked the punt and ran to his own 42 before being knocked out of bounds and getting the needed yardage for a first.

Vega tried the ground route but the Hart defense held as Vega came short of the first. Richardson let loose a long punt and Quiroz returned it to Hart's own 17.

Bruington took over the running chores and after three straight tries only gained one yard as the first quarter ended.

Harold Bennett punted to open the second quarter and Louis Schenk returned it to Hart's 28 yard line, Ramirez followed as he moved to the 15 yard line for the first and ten.

In four tries Vega couldn't get a first as they met Hart's defense who was giving up go ground, Hart took over on their own six yard line and Smith carried twice to put the ball on the ten yard line.

At this time Hart decided to try a quick-kick on third down. Vega blocked the kick and caught Hart in the end zone for the only score of the first half as they were given a safety. Vega then led 2-0.

Because Vega scored on a safety, the Hart Horns had to kick from the 20. Richardson returned the kick to Vega's 46. Vega's offense couldn't

Donathan tried the conver- sion but his kick was wide to one side. This tilted the score to 8-0.

The test of the fourth quar- ter was Vega's because Hart only had the ball nine plays the entire fourth quarter.

The final score of the night came after a long drive headed by Ramirez and Hodges which started on Vega's own 15 yard line.

It included a series of six first downs on the part of Vega. The quarterback, Richardson carried the ball the final foot to touch the end zone.

Donathan's kick was good and posted the final score of the game which was 15-0. Hart took Vega's kick with only

16 seconds left in the game and were stopped as time ran out.

With the exception of the fourth quarter, the game was mostly defense. Hart's defense was headed by Smith and Joe Quiroz along with Ronnie Barham did outstanding work in the secondary.

The Longhorns will face Amherst here Friday night at 8 p. m.

Moments Of Meditation

C. T. Cunningham, pastor of First Baptist Church

"Jesus saith unto him, I am the way, the truth, and the life, no man cometh unto the Father, but by me."

Jesus said, "I am The Way." Not SOME way, or A way, or ONE way, or ANOTHER way, but THE way.

He is the way to a joy and happy life. A life that is full and complete. A life that has meaning and purpose. One with definite direction.

Some one has stated that we are living in a time of guided missiles and misguided men.

But Jesus gives direction to life. Too many people just exist and are not really living. Their lives are empty. But Jesus is

the way to the life that brings satisfaction through worship of God and service to others.

Jesus also said, "I am the truth." That is He is reality. Jesus is all that is Real. In Him is all reality. If you want something or someone that is real, look to Jesus. He is not a ghost that will disappear or vanish, for He is real. Reach out for Him and take hold of Him, for in Him we live and move and have our being.

Then Jesus said, "I am The Life." Life eternal. Life everlasting, Life without end. But also a wonderful life.

A life without any more partings, tears, pain or death. God Himself shall wipe away all

tears from their eyes.

John says, "Behold the tabernacle of God is with men, and he will dwell with them, and they shall be his people, and God himself shall be with them, and be their God." Revelation 21:3.

Peter said, "that God hath made that same Jesus, whom ye have crucified, both Lord and Christ."

He is the only way to the Father. He is all that is Real. And He is the only one who has and gives eternal life. Jesus Christ the same yesterday, today and forever.
